**NOTICE OF DISTRIBUTION TO CREDITORS AND DISMISSAL OF CHAPTER 11
CASES**

**PLEASE TAKE NOTICE OF THE FOLLOWING AS YOUR
SUBSTANTIVE RIGHTS MAY BE AFFECTED:**

1. Except as set forth herein, no funds are available for distribution to creditors.
2. On April 2, 2009 (the "Petition Date"), the above-captioned debtors and debtors-in-possession (collectively, the "Debtors") filed petitions for relief under chapter 11 of the Bankruptcy Code. By an order of the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), the Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being administered jointly. On April 17, 2009, the United States Trustee for the District of Delaware appointed an Official Committee of Unsecured Creditors in the above-captioned cases (the "Committee"), pursuant to section 1102 of the Bankruptcy Code.
3. On June 26, 2009, the Court entered an order (D.I. 246) (the "Sale Order") approving the sale of substantially all of the Debtors' assets to the Purchaser (as defined in the Sale Order).
4. The Debtors have ceased retail operations and are in the process of winding up their affairs. The proceeds of the sale of the Debtors' assets were insufficient to satisfy all of the Debtors' obligations to secured parties.
5. The Debtors' remaining assets consist of \$250,000 (the "Remaining Assets"), which are to be distributed to general unsecured creditors, as set forth in the Sale

¹ The Debtors are the following entities (followed by their tax identification numbers): BT Holding III, LLC (20-5890195), BT Holding Finance, Inc. (20-5890203), BT Holding II, Inc. (20-5890215), and BT Stores, Inc. (63-1130071). The mailing address for all of the Debtors for the purpose of these chapter 11 cases is 3938A Government Blvd., Suite 102, Mobile, AL 36693. On June 26, 2009, the Court entered the Order (a) Approving Asset Purchase Agreement and Authorizing the Sale of Substantially All of the Debtors' Assets Outside the Ordinary Course of Business; (b) Authorizing the Sale of Assets Free and Clear of All Liens, Claims, Encumbrances and Interests; (c) Authorizing the Assumption and Sale and Assignment of Certain Executory Contracts and Unexpired Leases; and (d) Granting Related Relief (the "Sale Order") (D.I. 246) which, *inter alia*, approved the following Debtors name changes: (a) Debtor BT Tires Group Holding, LLC to BT Holding III, LLC (b) Debtor BT Tires Holding Finance Corp. to BT Holding Finance, Inc. (c) Debtor BT Tires Holding Corp. to BT Holding II, Inc., and (d) Debtor Big 10 Tire Stores, Inc. to BT Stores, Inc.

Order. Specifically, as a result of negotiations with the Committee, Sun BT Finance Holdings, LLC ("Sun Finance"), the Debtors' pre- and post-petition lender, agreed to carve out the Remaining Assets, which Sun Finance otherwise would have been entitled to receive under the Agreement, as provided in the Sale Order. Paragraph 46 of the Sale Order identifies the terms of the agreement reached between the Committee and Sun Finance with respect to the Remaining Assets. As the Debtors expect to remain administratively solvent and to be able to cover priority claims, these funds are available for the benefit of general unsecured creditors

6. The Committee estimates that unsecured claims against the Debtors are approximately 1,800 in number and \$12 million in amount. Accordingly, the Committee believes that the Remaining Assets are sufficient to make a *pro rata* distribution of approximately two percent (2%), to general unsecured creditors.

7. On June 1, 2009, the Debtors filed their schedules of assets and liabilities with the Court (collectively, the "Schedules") (D.I. 190, 192, 194, 196 and 197). Schedule F to each of the Debtors' Schedules (collectively, "Schedule F") reflects the amount shown as due and owing to general unsecured creditors on the Debtors books and records as of the Petition Date and should be reviewed to determine whether you have been listed as having a prepetition claim against the Debtors. To determine if and how you are listed on Schedule F, please refer to and review carefully Schedule F. The Schedule indicates whether your claim is disputed, unliquidated or contingent. Schedule F lists certain claims as disputed, unliquidated and/or contingent ("Disputed, Unliquidated and/or Contingent Claims").

8. On or about July 23, 2009, the Debtors filed a motion (the "Distribution and Dismissal Motion") that, among other things, requests the Court to enter an order (a) approving procedures to identify outstanding unsecured claims against the Debtors; (b) authorizing a *pro rata* distribution from the Remaining Assets (the "Distribution"); and (c) subject to certain conditions, authorizing the dismissal of the Debtors' chapter 11 cases after the Distribution without further Bankruptcy Court order. A hearing regarding the Distribution and Dismissal Motion will be held on August 17, 2009 at 2:00 p.m. (ET) before the Honorable Christopher S. Sontchi at the United States Bankruptcy Court for the District of Delaware, 824 Market St., 5th Floor, Courtroom #6, Wilmington, Delaware 19801.

9. PLEASE TAKE NOTICE that the Distribution and Dismissal Motion may AFFECT your substantive rights and should be reviewed carefully. **Specifically, if an order granting the Distribution and Dismissal Motion is entered by the Court, (a) the Debtors and the Committee shall conduct an expedited claims resolution process and will file, if necessary, certain omnibus objections with the Court; (b) in the event a holder of a Disputed, Unliquidated and/or Contingent Claims fails to file a timely proof of claim, such Disputed, Unliquidated and/or Contingent Claim shall be disallowed in its entirety without further Bankruptcy Court order; (c) in the event a holder of a undisputed, liquidated and non-contingent claim does not file fails to file a timely proof of claim, such claim will be allowed in the amounts indicated on Schedule F; (d) in the event that the amount listed in Schedule F and a filed proof of claim for an individual Potential Claimant are not equal, the higher of the two amounts will be utilized in the Distribution; (e) the Debtors and the Committee shall (i) make two distribution of the Remaining Assets and (ii) determine when a distribution from the Remaining Assets shall be made; (f) the Debtors and the Committee, in their sole discretion, may refrain from making any *de minimis* distribution that would result in a distribution of less than \$25 to an Allowed Unsecured Claimant; (g) any distributed checks**

that have not been claimed and/or cashed within 60 days after the initial distribution of such check(s) shall be deemed void, the corresponding claim(s) shall be deemed disallowed, and the remaining funds shall be re-distributed *pro rata* to the remaining Allowed Unsecured Claimants (as defined in the Distribution and Dismissal Motion) to the extent not administratively inconvenient to do so; (h) in the event the cost of such second distribution would render making such second distribution administratively inconvenient, all remaining amounts shall be donated to a recognized charitable organization to be determined by agreement of the Debtors and the Committee; (i) after completion of the Distribution, the Debtors and the Committee shall file the Certification of Counsel and Request for Dismissal, as defined in the Distribution and Dismissal Motion, requesting that the Debtors' chapter 11 cases be dismissed pursuant to section 1112(b) the Bankruptcy Code; provided, however, that all quarterly U.S. Trustee fees and all of the professional fees have been paid in full; (j) notwithstanding section 349 of the Bankruptcy Code, all prior orders of the Court shall survive dismissal of these cases; and (k) from and after the date of the entry of an order approving the Distribution and Dismissal Motion is entered by the Court, none of the Debtors, nor the Committee, nor the Purchaser, and none of the Debtors', Committee's, and Purchaser's respective present or former directors, officers, employees, members, attorneys, consultants, advisors and agents (acting in such capacity), shall have or incur any liability to any person for any act taken or omitted to be taken in connection with or related to the formation, preparation, dissemination, implementation, confirmation or consummation of the Distribution and Dismissal Motion (other than an action in contravention of the Distribution and Dismissal Motion or the implementation of the propose order related to the Distribution and Dismissal Motion), or any contract, instrument, release or agreement or document created or entered into, or any other act taken or omitted to be taken in connection with the Distribution and Dismissal Motion or the implementation of the propose order related to the Distribution and Dismissal Motion.

10. **PLEASE TAKE FURTHER NOTICE** that any party wishing to oppose the entry of an order approving the Distribution and Dismissal Motion must file an objection to the Distribution and Dismissal Motion (the "Objection") with the Clerk of the United States Bankruptcy Court for the District of Delaware, 824 Market Street, 3rd Floor, Wilmington, Delaware 19801, on or before **August 10, 2008 at 4:00 p.m. (Eastern Time)** (the "Objection Deadline"). **ONLY PARTIES WHO HAVE FILED A TIMELY OBJECTION WILL BE HEARD AT THE HEARING. THE DEBTORS RESERVE THE RIGHT TO ADJOURN A HEARING WITH RESPECT TO A SPECIFIC OBJECTION ANY RESPONSE THERETO.**

IF NO RESPONSES TO THE DISTRIBUTION AND DISMISSAL MOTION ARE TIMELY FILED, SERVED, AND RECEIVED IN ACCORDANCE WITH THIS NOTICE, THE DISTRIBUTION AND DISMISSAL MOTION SHALL BE DEEMED UNCONTESTED AND THE COURT MAY GRANT THE RELIEF REQUESTED IN THE DISTRIBUTION AND DISMISSAL MOTION WITHOUT FURTHER NOTICE OR HEARING.

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an

unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
