## DEFINITIONS

#### Debtor

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

#### Creditor

A creditor is the person, corporation, or other entity owed a debt by the debtor on the date of the bankruptcy filing.

#### Claim

A claim is the creditor's right to receive payment on a debt that was owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

#### Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the Claims Agent at the following address:

**CCS Medical, Inc. Claims Processing Center**  
c/o Epiq Bankruptcy Solutions, LLC  
FDR Station, PO Box 5015  
New York, NY 10150-5015

#### Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include

a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

#### Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

#### Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured Claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

#### Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

#### Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

## INFORMATION

#### Acknowledgment of Filing of Claim

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim, or you may access the Claims Agent's system (<http://chapter11.epiqsystems.com/ccsmedical>) to view your filed proof of claim.

#### Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
