Case No. 08-12540 Chapter 11

**STATEMENT OF FINANCIAL AFFAIRS**

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs.

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. If the answer to an applicable question is "None," mark the box labeled "None." If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.

## **GLOBAL NOTES REGARDING DEBTOR'S BANKRUPTCY SCHEDULES AND STATEMENTS**

### **General Notes:**

The Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and, collectively with the Schedules, the "Bankruptcy Materials") of The Education Resources Institute, Inc. ("TERI" or the "Debtor") were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtor and are unaudited. While the Debtor's management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtor reserves all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Bankruptcy Materials as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the Debtor's chapter 11 case and specifically with respect to any issues involving equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes Regarding Debtor's Bankruptcy Materials ("Global Notes") comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

**Basis of Presentation:** The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles ("GAAP").

**Causes of Action:** The Debtor, despite its efforts, may not have listed all of its causes of action against third parties as assets in the Bankruptcy Materials. The Debtor reserves all of its rights with respect to any causes of action that it has or may have and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

**Claims Paid Pursuant to Court Orders:** Certain of the Bankruptcy Materials may list creditors and set forth the Debtor's estimate of the claims of such creditors as of the Petition Date. The Bankruptcy Court has authorized the Debtor to pay various prepetition claims, including claims of employees and claims relating to certain pre-petition grant programs. Consequently, certain pre-petition fixed, liquidated, and undisputed unsecured claims have been paid as of the date of the filing of the Bankruptcy Materials. The actual unpaid claims of creditors that may be allowed in this case may differ materially from the amounts set forth in the Bankruptcy Materials.

**Dates:** Unless otherwise indicated, all asset and liability information is listed as of April 7, 2008 (the “Petition Date”).

**Employee Claims:** The Bankruptcy Court entered “first day” orders granting authority to the Debtor to pay pre-petition employee wages, salaries, benefits, and other obligations in the ordinary course of business. The Debtor employed approximately 87 persons in the United States on the Petition Date. Accordingly, only employee claims against the Debtor for pre-petition amounts that have not been paid as of the time that the Bankruptcy Materials were prepared (such as employee litigation claims pending against the Debtor as of the Petition Date) have been included in the Bankruptcy Materials.

**Estimates:** To close the books and records of the Debtor as of the Petition Date, management was required to make estimates and assumptions that affect the reported amounts of assets and liabilities.

**Totals:** All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the tables.

**Trade Accounts Receivable and Accounts Payable:** Trade Accounts Receivable are presented net of allowance for doubtful accounts, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights, or collateral held by the Debtor, unless otherwise stated. Likewise, Accounts Payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights, or collateral that has been posted on behalf of a counterparty.

**Valuation:** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected in the Bankruptcy Materials. For this reason, amounts ultimately realized will vary from net book value, and such variance may be material. In addition, the amounts shown for total liabilities exclude items identified as “contingent”, “unknown”, or “undetermined” and, thus, ultimate liabilities may differ materially from those stated in the Bankruptcy Materials.

*NOTE: TERI is a party to numerous pre-petition contracts with The First Marblehead Corporation and its subsidiaries and affiliates (collectively “FMC”). As a result of this contractual relationship, among other things, FMC manages many of the Debtor’s contractual relationships with third parties, including its litigation and collection efforts. TERI has relied on the information provided to it by FMC and TERI has not independently verified the accuracy of such information.*

## **Schedules of Assets and Liabilities**

**Schedule B, 2:** Certain of the accounts listed herein contain funds that are held by TERI on behalf of various lenders for purpose of disbursing the funds to borrowers and/or schools. Each such account is listed as a Loan Origination Account (each an “LO Account”) or as a controlled

disbursement account. Other accounts are listed as “restricted,” indicating that various trust and lenders have security interests in these accounts.

**Schedule B, 24:** In the ordinary course of the Debtor’s business it has access to certain personal information of the underlying borrowers for TERI-guaranteed student loans. This information is not collected directly by TERI, but rather it exists in the various systems of the Debtor and its loan servicer, to which TERI may have access.

**Schedule D:** Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtor reserves the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of the Debtor. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor’s claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Bankruptcy Materials shall be deemed a modification or interpretation of the terms of such agreements.

**Schedule F:** Creditors Holding Unsecured Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities, general reserves, or employee claims would otherwise be afforded priority but for the fact that they have already been paid by the Debtor with the permission of the Court. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule F. Schedule F contains information regarding potential, pending, and closed litigation involving the Debtor.

**Schedule G:** Executory Contracts. The business of the Debtor is complex. As such the Debtor has listed a wide variety of contracts that relate to the various securitization, origination and financing vehicles that have a relationship with the Debtor. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtor reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed herein.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options,

guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights that are embedded in the Debtor's agreements. Such rights, powers, duties, and obligations are not set forth on Schedule G. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtor reserves all of its rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim. Executory agreements that are oral in nature have not been included in Schedule G. Schedule G does not include employee agreements.

## **Statement of Financial Affairs**

**Question 4(a):** The Debtor outsources the management of collection efforts, including collection litigation efforts, in the ordinary course of its business through its relationship with FMC. In preparation of the Bankruptcy Materials, TERI has relied (without independent verification) on information provided by FMC.

**Question 11:** The Wachovia Securities account listed in response to this question was closed pre-petition but the sale of the security held in this account did not settle, and thus the account may not have been completely closed, until the sale "settled". Hence, out of an abundance of caution, the Debtor has listed the closure of the account as of April 8, 2008, the date of the settlement.

**Question 13:** Setoffs. The Debtor routinely incurs setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various routine transactions including but not limited to those transactions relating to the various collection agencies the Debtor employs in the ordinary course of collecting delinquent loan balances. These normal setoffs are consistent with the ordinary course of business in the Debtor's industry and are governed by the Debtor's contractual relationships with these parties, which are directly managed by FMC. As such, the Debtor does not have access to the details regarding specific set-offs and such ordinary course setoffs are excluded from the Debtor's responses to Question 13 of the SOFA.

**Question 14:** As discussed herein in connection with Schedule B2, the Debtor maintains certain LO Accounts and Controlled disbursement accounts on behalf of various lenders.

**Question 19(d):** Although TERI has provided certain financial information, including financial statements, to various parties in the past (including on a quarterly basis to certain trusts), in the ordinary course of its business TERI does not track to whom or when such information was provided.

**Question 21(b):** Ann Coles served in the capacity of Senior Vice President – College Access Programs from January 1, 1988 to June 30, 2007, and as such, was an officer of the Debtor. As of the date of this filing, Ms. Coles remains employed by TERI but not as an officer.
