**MOTION PURSUANT TO BANKRUPTCY RULE 9019 TO APPROVE
THE SETTLEMENT AGREEMENT AND ORDER
AMONG THE DEBTORS, THE TRADE CLAIMS MONITOR,
AND THE LITIGATION TRUSTEE**

TO THE HONORABLE CECILIA G. MORRIS,
CHIEF UNITED STATES BANKRUPTCY JUDGE:

Saint Vincents Catholic Medical Centers of New York ("**SVCMC**") and certain
of its affiliates, as debtors and debtors in possession in the above-referenced chapter 11 cases

jointly administered under case no. 05-14945 (CGM) (the “**Prior Chapter 11 Cases**”) and under case no. 10-11963 (CGM) (the “**Current Chapter 11 Cases**”), hereby move (the “**Motion**”), pursuant to section 105(a) of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the “**Bankruptcy Code**”) and Rule 9019(a) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), for the Court to approve the Settlement Agreement and Order (the “**Settlement Agreement**”), annexed hereto as **Exhibit A**, by and among the debtors in the Prior Chapter 11 Cases (the “**Prior Debtors**”) and the Current Chapter 11 Cases (the “**Current Debtors**” and together with the Prior Debtors, the “**Debtors**”), the entity appointed to monitor the distributions to holders of unsecured claims in the Prior Chapter 11 Cases (the “**Trade Claims Monitor**”), and the entity appointed as a trustee of the litigation trust consisting of certain litigation and other unsecured claims established in Prior Chapter 11 Cases (the “**Litigation Trustee**” and together with the Debtors and the Trade Claims Monitor, collectively, the “**Parties**”). In support of the Motion, the Debtors respectfully represent as follows:

PRELIMINARY STATEMENT

By this Motion, the Debtors seek approval of a settlement with the Trade Claims Monitor and the Litigation Trustee that paves the way to final distributions to holders of unsecured claims in the Prior Chapter 11 Cases. Specifically, the Settlement Agreement, among other things, resolves the Parties’ dispute with respect to the extent of the Trade Claims Monitor’s security interest in certain bank accounts granted as part of the Prior Case Plan (defined below), enables the Trade Claims Monitor to distribute certain funds to the remaining holders of allowed claims in the Prior Chapter 11 Cases, and allocates certain unclaimed funds from the Prior Chapter 11 Cases to the payment of unpaid statutory fees and expenses incurred as a result of distributions made during the pendency of the Current Chapter 11 Cases. Given that

the Current Debtors are nearing confirmation of their proposed chapter 11 plan, the resolution of these issues facilitates administration of Current Chapter 11 Cases, the closing of the Prior Chapter 11 Cases and ultimate distribution to all unsecured creditors. In light of the foregoing, the Debtors believe that the Settlement Agreement is fair and reasonable and is in the best interest of the estates of each of the Debtors and their respective creditors.

JURISDICTION AND VENUE

1. This Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334. The Motion is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A).
2. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief requested herein are section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019.

FACTS RELEVANT TO THE MOTION

The Current Chapter 11 Cases

4. On April 14, 2010, the Current Debtors¹ each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Current Debtors are operating their businesses as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.
5. On April 24, 2012, the Current Debtors filed their proposed Joint Chapter 11 Plan (as amended on May 14, 2012, the “**Chapter 11 Plan**”) and accompanying disclosure statement (as amended on May 14, 2012). The Bankruptcy Court entered its order approving the disclosure statement on May 21, 2012.

¹ In addition to SVCMC, the Current Debtors are as follows: (i) 555 6th Avenue Apartment Operating Corporation; (ii) Bishop Francis J. Mugavero Center for Geriatric Care, Inc.; (iii) Chait Housing Development Corporation; (iv) Fort Place Housing Corporation; (v) Pax Christi Hospice, Inc.; (vi) Sisters of Charity Health Care System Nursing Home, Inc. d/b/a St. Elizabeth Ann’s Health Care & Rehabilitation Center; (vii) St. Jerome’s Health Services Corporation d/b/a Holy Family Home; and (viii) SVCMC Professional Registry, Inc. There are certain affiliates of SVCMC who are not Current Debtors.

The Prior Chapter 11 Cases

6. On July 5, 2005, each of the Prior Debtors² filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, which remains open to administer outstanding claims and are jointly administered under lead Case No. 05-14945 (CGM).

7. On July 27, 2007, in connection with the Prior Chapter 11 Cases, the Bankruptcy Court entered an order confirming the *First Amended Chapter 11 Plan of Reorganization for Saint Vincents Catholic Medical Centers of New York d/b/a Saint Vincent Catholic Medical Centers dated June 5, 2007* (the “**Prior Case Plan**”) and approved a disclosure statement that was filed in connection with the Prior Case Plan (the “**Prior Case Disclosure Statement**”).

8. Pursuant to the Prior Case Plan and a related trust agreement approved by the Bankruptcy Court, certain litigation and claims (the “**Litigation Trust Assets**”) were transferred to a trust (the “**Litigation Trust**”) and the Litigation Trustee was appointed to oversee the Litigation Trust, liquidate Litigation Trust Assets and to make distribution to the beneficiaries of the Litigation Trust. Pursuant to the Prior Case Plan, the Litigation Trust was scheduled to dissolve on April 30, 2012³ unless the Bankruptcy Court determined that an extension is necessary to facilitate or complete the liquidation of the Litigation Trust Assets.

9. Pursuant to the Prior Case Plan, the Litigation Trustee was also appointed as the Trade Claims Monitor to monitor and enforce SVCMC’s payment obligations to each holder of an Allowed General Unsecured Claim against SVCMC under the Prior Case Plan.

² In addition to SVCMC, the Prior Debtors are as follows: SVCMC, Medical Service of St. Vincent’s Hospital and Medical Center, P.C., Surgical Service of St. Vincent’s, P.C., CMC Cardiology Services P.C., CMC Physician Services P.C., and CMC Radiological Services P.C.

³ As noted below, this dissolution date is being extended through August 30, 2013 under the Settlement Agreement.

10. Under the Prior Case Plan, to secure payment of a certain portion of Allowed General Unsecured Claims (such portion, the “**Secured Obligations**”), the Trade Claims Monitor was granted a security interest in certain collateral (the “**Secured Obligation Collateral**”), which includes “that certain investment account held by DASNY for purpose of making any arbitrage rebate payments” (the “**Defined Account**”). Even though the Defined Account references a single account, upon information and belief, the funds held by DASNY for the purpose of making any arbitrage rebate payments (the “**DASNY Arbitrage Funds**”) have at all relevant been maintained in multiple accounts held by DASNY.⁴ The Debtors believe that there is an ambiguity as to whether Trade Claims Monitor has a security interest in one or multiple accounts containing the DASNY Arbitrage Funds given that the Defined Account, as defined in the Prior Case Plan and the Prior Case Disclosure Statement, references only one account. The Trade Claims Monitor disputes the existence of any ambiguity and believes that all accounts containing DASNY Arbitrage Funds are part of the Defined Account.

11. Epiq Bankruptcy Solutions, LLC (“**Epiq**”), the claims agent in both the Prior Chapter 11 Cases and the Current Chapter 11 Cases, was holding \$430,068.24 in an account as of March 5, 2012 relating to the distributions made in the Prior Chapter 11 Cases that are Undeliverable and Unclaimed Distributions as defined under the Prior Case Plan (“**SVCMC Unclaimed Funds**”).

12. All of the other facts set forth in the Settlement Agreement are incorporated herein by reference.

⁴ DASNY has recently transferred the DASNY Arbitrage Funds in the aggregate amount of \$2,755,283.46 to the Current Debtors.

THE SETTLEMENT AGREEMENT

13. The following is a summary of the salient terms of the Settlement Agreement⁵:

- The Debtors and the Trade Claims Monitor have agreed that the Trade Claims Monitor's security interest covers all accounts that contain the DASNY Arbitrage Funds and that all of the proceeds of such accounts should be distributed to the DOH and Oxford as holders of Allowed unpaid Secured Obligations and in accordance with the DOH Stipulation and the Oxford Stipulation;
- The Parties have agreed to allocate the SVCMC Unclaimed Funds as follows: (a) first, to satisfy the administrative expenses relating to the Prior Chapter 11 Cases (including all outstanding fees of the United States Trustee and the Trade Claims Monitor owing with respect to the Prior Chapter 11 Cases), and (b) second, to revert any remaining funds to the Current Debtors, which will constitute property of the Current Debtors' estates;
- The two proofs of claims filed by the Trade Claims Monitor in the Current Chapter 11 Cases, as amended and superseded pursuant to the Settlement Agreement, are allowed in full as amended;
- The expiration date for the dissolution of the Litigation Trust will be extended through August 30, 2013 to permit the Litigation Trustee to make any remaining distributions of the Litigation Trust Assets;
- The Debtors and the Litigation Trustee have agreed to contribute any *de minimis* Litigation Trust Assets that are returned as undeliverable after the final distribution to the "Unsecured Claims Fund" established pursuant to the proposed Chapter 11 Plan (and the proceeds of which are intended to be distributed to unsecured creditors in the Current Chapter 11 Cases); and
- Upon the final distribution of the remaining Litigation Trust Assets, the Trade Claims Monitor shall be relieved of all duties under the Prior Case Plan and the Litigation Trust may be dissolved.

⁵ To the extent there are any inconsistencies between this summary description and the Settlement Agreement, the Settlement Agreement and the Order approving it shall control.

RELIEF REQUESTED

14. The Debtors (in both the Prior Chapter 11 Cases and Current Chapter 11 Cases) seek approval of the Settlement Agreement and authorization to enter into and implement the terms of the Settlement Agreement as applicable to their respective cases.

BASIS FOR RELIEF REQUESTED

15. Bankruptcy Rule 9019(a) provides, in pertinent part, that “[o]n motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement.” The decision to approve a particular compromise or settlement under Rule 9019(a) is within the sound discretion of the bankruptcy court. See, e.g., In re Drexel Burnham Lambert Group, Inc., 134 B.R. 499, 505 (Bankr. S.D.N.Y. 1991).

16. “[C]ompromises are favored in bankruptcy because they minimize the costs of litigation and further the parties’ interest in expediting the administration of a bankruptcy estate.” In re 1031 Tax Grp., LLC, Bankr. No. 07-11448, Adv. No. 07-1710, 2007 WL 2455176, at *3 (Bankr. S.D.N.Y. Aug. 23, 2007) (internal quotations and citations omitted); accord In re Iridium Operating LLC, 478 F.3d 452, 455 (2d Cir. 2007) (noting that “[i]n Chapter 11 bankruptcies, settlements . . . help clear a path for the efficient administration of the bankrupt estate,” and are therefore encouraged); accord In re Global Vision Products, Inc., 07 CV. 12628 (RDD), 2009 WL 2170253 (S.D.N.Y. July 14, 2009) (“As a general rule, however, courts favor compromises because they are ‘a normal part of the process of reorganization.’”) (internal quotations and citations omitted).

17. A bankruptcy court must approve a proposed settlement where the court finds the settlement to be fair and reasonable and in the best interests of the debtor’s estate. See Plaza Equities LLC v. Pauker (In re Copperfield Invs.), 401 B.R. 87, 91 (Bankr. S.D.N.Y. 2009); In re Worldcom, Inc., 347 B.R. 123, 137 (Bankr. S.D.N.Y. 2006). In the Second Circuit, this

analysis is guided by six factors: (i) the balance between the litigation's possibility of success and the settlement's future benefits; (ii) the likelihood of complex and protracted litigation, with its attendant expense, inconvenience, and delay, including the difficulty in collecting on the judgment; (iii) the paramount interests of the creditors, including each affected class's relative benefits and the degree to which creditors either do not object to or affirmatively support the proposed settlement; (iv) whether other parties in interest support the settlement; (v) the competency and experience of counsel supporting the settlement; and (vi) the extent to which the settlement is the product of arm's length bargaining. In re Iridium Operating LLC, 478 F.3d at 462⁶; see also In re East 44th Realty, LLC, No. 05 Br. 16167 (RDD), 2008 WL 217103, at *8-12 (S.D.N.Y. Jan. 23, 2008) (applying Iridium factors and approving settlement as within the range of reasonableness); In re 1031 Tax Grp., LLC, 2007 WL 2455176, at *3-5 (applying Iridium factors and approving settlement as fair and equitable and in the best interest of the estates)

18. "Importantly, it is not necessary for the bankruptcy court to conduct a 'mini trial' on the issue." In re WorldCom, Inc., 347 B.R. 123, 137 (Bankr. S.D.N.Y. 2006). Rather, for the Court to approve a settlement, it need only determine that the proposed settlement falls at or above the lowest point in the range of reasonableness. See In re W.T. Grant Co., 699 F.2d 599, 608 (2d Cir. 1983) (quoting Newman v. Stein, 464 F.2d 689, 693 (2d Cir. 1972)); accord In re Northwest Airlines Corp., 393 B.R. 337, 344 (Bankr. S.D.N.Y. 2008).

19. Here, the Settlement Agreement falls within the established range of reasonableness required for its approval under Bankruptcy Rule 9019. First, the Settlement Agreement resolves a number of issues among the Parties that, without agreement, would further delay the final distribution to the holders of valid unsecured claims of the Prior Chapter 11 Cases

⁶ Iridium established an additional factor relating to releases for officers and directors which is irrelevant to this particular Settlement Agreement.

and the closing of such cases. For example, litigation over the extent of the Trade Claims Monitor's security interest in the accounts containing DASNY Arbitrage Funds could occur, increasing expenses and diluting recovery for the remaining creditors. Further, the Settlement Agreement provides for the use of the SVCMC Unclaimed Funds to satisfy the statutory fees of the United States Trustee and the Trade Claims Monitor that were incurred as a result of distributions to creditors of the Prior Chapter 11 Cases, and thus resolves any dispute as to whether such fees were obligations assumed by the Current Debtors as part of the Prior Chapter 11 Plan, and, therefore, could be paid. In all, the Settlement Agreement contains a global resolution of all remaining issues among the Parties that, if not resolved, would delay distributions and may lead to significant litigation. Finally, the Settlement Agreement is a product of arms' length negotiations, conducted by sophisticated counsel of each of the Parties.

20. In sum, the Settlement Agreement resolves one of the final significant issues relating to the Prior Chapter 11 Cases and allows for final distribution to holders of valid claims in connection with the Prior Chapter 11 Cases, all of which will in turn facilitate the Current Debtors to complete their wind-down process in the Current Chapter 11 Cases. As such, the Current Debtors and the Prior Debtors respectfully submit that the Settlement Agreement is fair and reasonable, is in the best interests of their respective estates and creditors, and is well within the range of reasonableness and, accordingly, should be approved.

NOTICE

21. No trustee or examiner has been appointed in either the Prior or the Current Chapter 11 Cases. Notice of this Motion has been given in accordance with the First Amended Final Administrative Order Establishing Case Management and Scheduling Procedures [Current Chapter 11 Cases Docket No. 835] and the Order Establishing Certain Notice, Case Management, and Administrative Procedures [Prior Chapter 11 Cases Docket No.

66], as well as to all creditors identified in the amended claim numbers 3203 and 3204 attached as exhibits to the Settlement Agreement. The Debtors submit that no other notice need be given.

NO PREVIOUS REQUEST

22. No previous request for the relief sought herein has been made to this or any other court.

WHEREFORE, the Debtors respectfully request that the Court “so order” the Settlement Agreement – in both the Current Chapter 11 Cases and the Prior Chapter 11 Cases – granting the relief requested and such other or further relief as is just.

WHEREAS, in 2005, as part of a redemption and defeasance of certain bonds issued by the Dormitory Authority for the State of New York ("DASNY"), SVCMC set aside certain funds ("DASNY Arbitrage Funds") to be held by DASNY for the purpose of making any arbitrage rebate payments that may have been required to be made to the Internal Revenue Service on account of the redeemed bonds;

WHEREAS, pursuant to both the Prior Case Plan and the Prior Case Disclosure Statement, the Secured Obligation Collateral includes "that certain investment account held by DASNY for purpose of making any arbitrage rebate payments" (the "Defined Account");

WHEREAS, there may be an ambiguity in the Prior Case Plan and the Prior Case Disclosure Statement about whether the Defined Account covers one or multiple accounts containing the DASNY Arbitrage Funds, in light of the definition of the Defined Account;

² All capitalized terms not otherwise defined herein shall have the meaning as set forth in the Prior Case Plan.

WHEREAS, upon information and belief, at all relevant times during the period when the Prior Case Plan was being proposed and confirmed, the DASNY Arbitrage Funds were maintained in multiple accounts held by DASNY;

WHEREAS, it is believed that at all relevant times during the Current Chapter 11 Cases, the DASNY Arbitrage Funds were maintained in three accounts held by DASNY (each account set forth on **Exhibit A** hereto, collectively, the “DASNY Accounts”);

WHEREAS, DASNY has transferred all funds contained in the DASNY Accounts in the total aggregate amount of \$2,755,283.46 into an account held by the Debtors in which the Trade Claims Monitor has a security interest (the “Trade Claims Deposit Account”);

WHEREAS, Epiq Bankruptcy Solutions, LLC (“Epiq”), the claims agent in both the Prior Chapter 11 Cases and the Current Chapter 11 Cases, was holding \$430,068.24 in an account as of March 5, 2012 from distributions made in the Prior Chapter 11 Cases that are Undeliverable and Unclaimed Distributions under the Prior Case Plan (“SVCMC Unclaimed Funds”);

WHEREAS, the Litigation Trust is holding \$214,424.35 from distributions it made in the Prior Chapter 11 Cases that are Undeliverable and Unclaimed Distributions under the Prior Case Plan (“LT Unclaimed Funds”);

WHEREAS, the Trade Claims Monitor filed two proofs of claim in the Current Chapter 11 Cases: (1) Claim number 3204 – on behalf of claimants holding disputed secured and unsecured claims in the Prior Chapter 11 Cases that were disputed as of the filing of the Current Chapter 11 Cases, and (2) Claim number 3203 – on behalf of all claimants holding Allowed General Unsecured Claims against SVCMC in the Previous Chapter 11 Cases that had not received full payment under the Prior Case Plan (collectively, the “Proofs of Claim”);

WHEREAS, the Debtors, the Trade Claims Monitor, and individual claimants have resolved all of the disputed claims listed in Claim number 3204, including by the terms of (1) the Stipulation and Order: (I) Reclassifying, Reducing and Allowing Claim Number 2624 Filed by the New York State Department of Health (“DOH”), and (II) Modifying the Automatic Stay entered July 13, 2011 [Case No. 10-11963 (CGM) /Docket No. 1803] (the “DOH Stipulation”); and (2) Stipulation and Order Regarding the Claims of Oxford Health Plans (NY), Inc. (“Oxford”) entered October 27, 2011 [Case No. 10-11963 (CGM)/Docket No. 2132] (the “Oxford Stipulation”);

WHEREAS, the Debtors and the Trade Claims Monitor have agreed that the Defined Account, which was a portion of the collateral that secured the Secured Obligation, covers the DASNY Arbitrage Funds contained in all of the DASNY Accounts, and have transferred those funds to the Post-Effective Date Available Cash Reconciliation Account (the “Blocked Account”) for distribution by the Trade Claims Monitor;

WHEREAS, the distributions of the remaining Secured Obligation Collateral from the Blocked Account to the DOH and Oxford will result in DOH and Oxford holding unsecured deficiency claims against SVCMC;

WHEREAS, the Litigation Trustee has made distributions of the Litigation Trust Assets to its beneficiaries and will make the Litigation Trust Final Distribution as soon as practicable after the entry of this Settlement Agreement and Order, both of which have the impact of also reducing the claim amounts set forth in Claim numbers 3204 and 3203, and the Debtors and Trade Claims Monitor have agreed to (1) a final amended allowed general unsecured claim for Claim number 3204 as set forth in **Exhibit B** and (2) a final amended allowed claim for Claim number 3203 as set forth in **Exhibit C**;

WHEREAS, pursuant to the Prior Case Plan, the Litigation Trustee must wait at least one hundred and twenty (120) days from the disbursement date of the Litigation Trust Final Distribution to determine whether any funds will be classified as Undeliverable and Unclaimed Distributions under the Prior Case Plan;

WHEREAS, the one hundred and twenty (120) day waiting period will be later than the current Litigation Trust Dissolution Date;

WHEREAS, the Litigation Trustee believes that it may possess de minimis final reserves and receive additional returned Undeliverable and Unclaimed Distributions (the “Litigation Trust Final Assets”) after the one hundred and twenty (120) day waiting period following the Litigation Trust Final Distribution, and that a further redistribution of such funds by the Litigation Trust allocated to holders of Allowed General Unsecured Claims against SVCMC under the Prior Chapter 11 Cases would be inefficient given the time and expense of conducting a further redistribution;

WHEREAS, the Debtors in the Current Chapter 11 Cases have designated a fund to be distributed to holders of unsecured claims against the Debtors in the Current Chapter 11 Cases (the “Unsecured Claims Fund”);

WHEREAS, at the Debtors’ request, the Litigation Trustee had reserved certain funds (the “Reserves”) on account of United States Trustee fees owing or to be owed in the Prior Chapter 11 Cases by SVCMC as a result of distributions made or to be made on account of the Litigation Trust; and

WHEREAS, the parties hereto, in consideration of the promises, covenants and agreements herein described and for other good and valuable consideration acknowledged by

each of them to be satisfactory and adequate, wish enter into this Settlement Agreement and be bound by the terms set forth herein.

NOW, THEREFORE, IT IS HEREBY STIPULATED, SETTLED AND ORDERED, by and among the Debtors, the Litigation Trustee, and the Trade Claims Monitor, through their undersigned counsel, that:

1. Claim number 3204 in the Current Chapter 11 Cases shall be superseded, reduced, reclassified and amended as set forth in **Exhibit B**, and is hereby allowed in full as amended.

2. Claim number 3203 in the Current Chapter 11 Cases (Claims number 3203 and 3204 are hereinafter referred to as the “**Allowed TCM Claims**”) shall be superseded, reduced and amended as set forth in **Exhibit C**, and is hereby allowed in full as amended.

3. The Debtors will release the funds comprising the DASNY Arbitrage Funds in the amount of no less than \$2,755,283.46 to the Trade Claims Monitor who shall distribute the remaining Secured Obligation Collateral on account of the Secured Obligations owing to DOH and Oxford in accordance with the DOH Stipulation and the Oxford Stipulation.

4. The SVCMC Unclaimed Funds shall be distributed first to pay the administrative expenses related to the Prior Chapter 11 Cases, including in first priority, but not limited to, any and all United States Trustee’s fees owing or to be owed in the Prior Chapter 11 Cases and the Trade Claims Monitor fees established under the Prior Case Plan in the amount of \$60,000.00, with the remaining balance (if any) reverting to SVCMC and constituting property of SVCMC’s estate in the Current Chapter 11 Cases, which balance (if any) SVCMC shall, in turn, contribute to the Unsecured Claims Fund. The Debtors agree that any unpaid United States Trustee’s fees are the sole responsibility of the Debtors and not of the Litigation Trust or the Trade Claims Monitor.

5. The Litigation Trustee may distribute the Reserves in accordance with the Prior Case Plan.

6. Pursuant to the Prior Case Plan, the LT Unclaimed Funds are unencumbered cash of the Litigation Trust that the Litigation Trustee may redistribute in accordance with the Prior Case Plan.

7. This Settlement Agreement is without prejudice to the rights of DOH and Oxford to assert any remaining claims in the Current Chapter 11 Cases in accordance with the DOH Stipulation and the Oxford Stipulation, subject to the rights and defenses of the Debtors and other parties in interest in the Current Chapter 11 Cases.

8. The Trade Claims Monitor and Debtors agree that the rights of the claimants holding the underlying claims on behalf of whom the Trade Claims Monitor filed the Proof of Claims (as amended) shall be preserved and not waived by this Settlement Agreement, and that following entry of this Settlement Agreement, each of those claimants may pursue, defend, protect, enforce, and amend that portion of the Proof of Claims solely as it relates to such claimant; provided, however that the foregoing rights shall be subject to the automatic stay, any plan confirmation orders entered in the Current Chapter 11 Cases and any orders entered regarding claims duplicative of the Proof of Claims filed by the Trade Claims Monitor in the Current Chapter 11 Cases.

9. The Litigation Trust dissolution date shall be extended by one (1) year to August 30, 2013 to facilitate and complete the liquidation of the Litigation Trust Assets.

10. The Litigation Trust may, at its discretion, deposit that portion of the Litigation Trust Final Assets allocated to holders of Allowed General Unsecured Claims against SVC MC

under the Prior Case Plan to the Unsecured Claims Fund in the Current Chapter 11 Cases for redistribution by the Debtors.

11. Upon the date of the distribution of the Litigation Trust Final Assets, the Trade Claims Monitor shall be relieved of all duties under the Prior Case Plan and the Litigation Trust may be dissolved.

12. The Litigation Trust and the Trade Claims Monitor shall not file any additional claims (other than the Allowed TCM Claims) in the Prior Chapter 11 Cases or the Current Chapter 11 Cases on behalf of holders of Allowed General Unsecured Claims against SVCMC in the Prior Chapter 11 Cases. Notwithstanding anything herein to the contrary, the Debtors (or their successors in interest under any chapter 11 plan confirmed in the Current Chapter Cases) reserve the right to object to any claims filed or amended by the Trade Claims Monitor (other than the Allowed TCM Claims) on any grounds.

13. Epiq is directed and authorized to distribute the SVCMC Unclaimed Funds it is holding on such date in accordance with the joint direction of the Debtors and the Litigation Trustee (through their professionals or representatives) in accordance with this Settlement Agreement.

14. The Bankruptcy Court shall retain jurisdiction to resolve all matters relating to the implementation of this Settlement Agreement.

[The remainder of this page has been intentionally left blank]

15. The Parties hereto reserve all other rights except as provided for in this Settlement Agreement.
