## **BACKGROUND**

1. In performance of audit procedures and in preparation of this report designed to quantify and present factual data relevant to the requested fees, disbursements and expenses contained herein, DFR reviewed the monthly fee statements and the Applications, including each of the billing and expense entries listed in the exhibits to the monthly statements, for compliance with 11 U.S.C. § 330, Rule 2016-2 of the Local Rules of the United States Bankruptcy Court for the District of Delaware, as amended February 1, 2014 (“Local Rules”), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, issued June 11, 2013 (“Guidelines”).
2. DFR did not prepare informal memos related to monthly fee applications of the Firm. We included our questions and issues in an initial report and this final report. We have included all responses and any recommended resolutions in this final report.

## **DISCUSSION**

3. For the compensation period of April 1, 2014 through June 30, 2014 the Firm submitted monthly fee applications in the amount of \$369,414.50 as actual, reasonable and necessary fees and for expense reimbursement of \$0.00. For the Fee Application period, \$9,474.00 was disclosed as related to fee application preparation.
4. We deem it generally acceptable to spend less than \$50,000 or 5% of time charged preparing fee applications. We apply these guidelines on a cumulative basis. We noted that cumulatively through this period the Firm has charged \$35,882.50 and we have calculated that 2.0% of the fees billed relate to fee applications on a cumulative basis. We

do not have an objection to the amount of fees charged for fee application preparation in this interim fee application based upon our review and procedures and we deem the percentage to be reasonable.

5. We noted that the entries listed in Exhibit A appeared to have been duplicated. We requested that the Firm review these entries and correct the fee application if appropriate. The Firm responded that one of the entries should be removed. We recommend that fees be reduced by \$180.00.
6. Local Rule 2016-2 provides in section (d) that all motions shall include complete and detailed activity descriptions; each activity description shall include the type of activity; each activity description shall include the subject matter and shall be sufficiently detailed to allow the Court to determine whether all the time, or any portion thereof, is actual, reasonable, and necessary. Our procedures applied to the monthly fee applications identified entries with descriptions which we consider vague or insufficient or non-substantive. We requested and the Firm confirmed that the task or activity referred to as “work on” is as advised to us previously. We also requested that the Firm instruct timekeepers to discontinue the use of these and other vague descriptions. Because there is no recommendation for a reduction in fees for these entries, no exhibit has been included.

### **CONCLUSION**

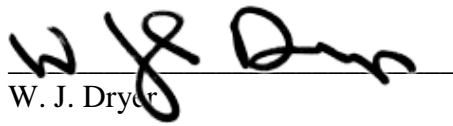

7. Regarding the Application and the fees and expenses discussed in the previous sections, DFR submits its final report for the Third Interim Fee Application Request of BDO Consulting, a division of BDO USA, LLP for compensation for services rendered and reimbursement of expenses as Financial Advisor for the Official Committee of

Unsecured Creditors for the compensation period from April 1, 2014 through June 30, 2014 and we recommend the approval of the fees of \$369,234.50 (\$369,414.50 minus \$180.00) and reimbursement of expenses in the amount of \$0.00.

Respectfully submitted,
