Please take further notice that, except with respect to claims of the type set forth in paragraphs (a) through (e) above and governmental units (which must file proofs of claim on or before the Governmental Bar Date), any creditor who is required to file a proof of claim but fails to do so on or before October 27, 2017, shall be forever barred, estopped and enjoined from asserting such claim, and the debtors and the estates shall be forever discharged from any and all indebtedness or liability with respect to such claim, and such holder shall not be permitted to vote on any chapter 11 plan or participate in any distribution in the debtors' chapter 11 cases on account of such claim(s).

In the event the Debtors amend their Schedules of Assets and Liabilities (the “*Schedules*”) after the date of this notice, the Debtors will give notice of any amendments to the holders of the Claims affected, and such holders shall be afforded the later of the General Bar Date, or 30 days from the date on which notice is given to such holders (or such other time period as may be fixed by the Court) to file proofs of Claim or forever be barred from doing so.

Unless the Court fixes a separate deadline by an order authorizing rejection of an executory contract or unexpired lease, if a Claim arises with respect to the Debtors' rejection of an executory contract or unexpired lease, the holder of such Claim will be afforded the later of the General Bar Date, or 30 days after the effective date of any order authorizing the rejection of the executory contract or unexpired lease, to file a proof of Claim based on such rejection or forever be barred from doing so.

The Debtors' Schedules may be examined and inspected by interested parties during regular business hours online at the office of the Clerk of the United States Bankruptcy Court for the Northern District of Illinois, Dirksen Federal Building, 219 S. Dearborn St., Room 713, Chicago, Illinois 60604. The staff of the Bankruptcy Clerk's Office is prohibited by law from giving legal advice. A copy of the Debtors' Schedules and other information on these chapter 11 cases may be obtained at the website of the Debtors' notice and claims agent at <http://dm.epiq11.com/chellino>. Creditors wishing to rely on the Schedules are responsible for determining whether their Claims are accurately listed.

The fact that you have received this notice does not mean that you have a Claim against the Debtors. You should consult with your own advisors to determine whether you hold a Claim against any Debtor. You should not file a proof of claim if you do not have a Claim against a Debtor. Questions concerning this notice may be directed to the Debtors' counsel below.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
