<sup>2</sup> Pursuant to the *Order Authorizing the Retention and Employment of Credit Suisse Securities (USA) LLC as Financial Advisor and Investment Banker to the Debtors, Effective Nunc Pro Tunc to August 25, 2017* [Docket No. 861], Credit Suisse's retention became effective as of August 25, 2017.

1. I am over the age of 18 and competent to testify. I am a Managing Director at Credit Suisse Securities (USA) LLC (together with its affiliates, "Credit Suisse"). Credit Suisse is a leading provider of financial and strategic advisory services to companies in a broad range of industries, including the energy industry. It maintains offices at Eleven Madison Avenue, New York, New York, 10010. I am authorized to execute this supplemental declaration (the "Supplemental Declaration") on behalf of Credit Suisse. Unless otherwise stated in this Supplemental Declaration, I have personal knowledge of the facts set forth herein.

2. I submit this Supplemental Declaration on behalf of Credit Suisse, in accordance with section 327(a) of title 11 of the United States Code (the "Bankruptcy Code") and Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to supplement my prior Declaration, filed in the above-captioned cases on August 31, 2017 (the "Original Declaration") in support of the *Application for Entry of an Order Authorizing the Retention and Employment of Credit Suisse Securities (USA) LLC as Financial Advisor and Investment Banker to the Debtors, Nunc Pro Tunc to August 1, 2017* [Docket No. 685].<sup>3</sup>

### **Conflicts Check**

3. As stated in the Original Declaration, in connection with its proposed retention by the Debtors in these cases, Credit Suisse received an initial list of Parties-In-Interest (the "Initial Parties-In-Interest"). At that time, Credit Suisse researched its electronic client files and records to determine its connections, if any, with the Initial Parties-In-Interest that may relate to the Debtors in these cases.

---

<sup>3</sup> Capitalized terms not otherwise defined in this Supplemental Declaration shall have the meanings ascribed to them in the Application.

4. Since the filing of the Original Declaration, Credit Suisse has conducted a further conflict check (the “Conflict Check”) for the additional Parties-In-Interest set forth on Schedule 1 hereto (the “Additional Parties-In-Interest” and, collectively with the Initial Parties-In-Interest, the “Parties-In-Interest”). Credit Suisse’s internal databases track parties that are materially related to a given transaction. Accordingly, as part of the Conflict Check, Credit Suisse searched its databases for transactions involving the Debtors and non-Debtor affiliates listed on Schedule 2 hereto (the “Debtor Entities”), which enabled it to identify parties that were materially involved in any prior transactions between the Debtor Entities and Credit Suisse. Credit Suisse then compared that list of parties with the list of Additional Parties-In-Interest. To the extent any parties appeared on both lists, Credit Suisse conducted further inquiry to determine its role in the transaction and how it relates to the Debtor Entities. Any material connections are described in the specific disclosures below.

5. As set forth in the Original Declaration, Credit Suisse has not researched all client files and records of its parent entities or their affiliates, but has rather focused its Conflict Check on the investment banking and the sales and trading businesses of Credit Suisse and its affiliates. Despite the efforts described above to identify and disclose Credit Suisse’s connections with the Debtors, if Credit Suisse discovers additional information that requires disclosure, Credit Suisse will file a supplemental disclosure with the Court as promptly as possible as required by Bankruptcy Rule 2014(a).

#### **Specific Disclosures**

6. *Alta Wind Center*. In 2014, Credit Suisse served as co-manager in connection with a bond offering and equity issuance related to NRG Yield Inc.’s acquisition of Alta Wind Center.

7. ***Desert Sunlight Solar Project.*** In 2015, Credit Suisse served as co-manager in connection with a convertible senior notes issuance to support NRG Yield Inc.'s acquisition of Desert Sunlight Solar Project from General Electric Company.

8. ***EVgo Services LLC.*** In 2015, Credit Suisse served as the sell-side M&A advisor to NRG Energy, Inc. in connection with its sale of EVgo Services LLC to Vision Ridge Partners.

9. In addition, as set forth in the Original Declaration, as a global financial services firm, Credit Suisse normally represents many companies, including the Parties-In-Interest and a number of other companies that may operate in the same markets as the Debtors. However, none of the services that Credit Suisse is currently providing to any of these parties relates to the Debtors or, in my view, creates a conflict of interest for Credit Suisse.

**Statement of Disinterestedness**

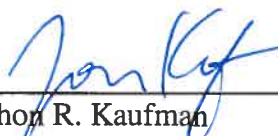

10. To the best of my knowledge and insofar as I have been able to ascertain based on the Conflicts Check, other than as outlined herein, neither I nor Credit Suisse has any material connection with, or any interest adverse to, (i) the Debtors or (ii) their creditors or the other Parties-In-Interest in any manner relating to the Debtors.

11. Credit Suisse will continue to monitor its business relationships with the Debtors and the Parties-In-Interest and I will supplement this disclosure to the Court promptly, if any relevant facts come to my attention.

*[Remainder of page intentionally left blank.]*

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed on October 24, 2017
