Pursuant to sections 105(a), 1142(b), and 1143 of title 11 of the United States Code (the “Bankruptcy Code”), and sections 7.3 and 7.4 of the *Debtors’ Second Amended Joint Chapter 11 Plan* [Docket No. 3035] (the “Plan”), Eugene I. Davis, as trustee (the “Liquidating Trustee”) of the SVCMC Liquidation Trust (the “Liquidating Trust”), files this motion (the “Motion”)

¹ In addition to Saint Vincents Catholic Medical Centers of New York (“SVCMC”), the debtors in these cases were as follows: (i) 555 6th Avenue Apartment Operating Corporation; (ii) Bishop Francis J. Mugavero Center for Geriatric Care, Inc.; (iii) Chait Housing Development Corporation; (iv) Fort Place Housing Corporation; (v) Pax Christi Hospice, Inc.; (vi) Sisters of Charity Health Care System Nursing Home, Inc. d/b/a St. Elizabeth Ann’s Health Care & Rehabilitation Center; (vii) St. Jerome’s Health Services Corporation d/b/a Holy Family Home; and (viii) SVCMC Professional Registry, Inc (collectively with SVCMC, the “Debtors”). seeking entry of an order, substantially in the form attached hereto as **Exhibit A** (the “**Proposed Order**”), authorizing the Liquidating Trustee to discontinue making distributions or maintaining reserves on account of (i) the claims listed on **Exhibit 1** and **Exhibit 2** to the Proposed Order (ii) claims for which future distributions on account of such claims have been or in the future are returned as undeliverable or the distribution check has otherwise not been or is in the future otherwise not negotiated without the holder of such claim providing an updated address or requesting reissuance of the check within 120 days. In support of this Motion, the Liquidating Trustee submits the declaration of Steven R. Korf (the “**Korf Declaration**”) attached hereto as **Exhibit B**, and respectfully states as follows:

PRELIMINARY STATEMENT²

1. The confirmed Plan requires holders of allowed claims to:
 - provide the Liquidating Trustee the tax information the Liquidating Trustee requires to comply with applicable tax law,
 - maintain a current address with the Liquidating Trustee, and
 - negotiate checks comprising distributions within a certain timeframe as a condition for receiving distributions under the Plan.
2. The Missing TIN Claimants and the Undeliverable Claimants failed to comply with one or more of the foregoing Plan provisions. The Liquidating Trustee, PED SVC MC, and their professionals have undertaken extensive efforts—which were not required by the Plan—to remedy the defects preventing distributions to the Missing TIN Claimants and the Undeliverable Claimants but were not able to obtain the required Tax Information from the Missing TIN Claimants or updated addresses from the Undeliverable Claimants. By this Motion, the Liquidating Trustee seeks an order confirming that these efforts were not required by the Plan

² Capitalized terms used but not defined in the Preliminary Statement shall have the meaning ascribed in the body of the Motion.

and that the Liquidating Trustee may discontinue making distributions or maintaining reserves on account of (i) the Missing TIN Claims and Undeliverable Claims and (ii) claims for which future distributions on account of such claims have been or are returned as undeliverable or the distribution check is otherwise not negotiated without the holder of such claim providing an updated address or requesting reissuance of the check within 120 days.

JURISDICTION

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory predicates for the relief requested are Bankruptcy Code sections 105(a), 1142(b), and 1143.

BACKGROUND

A. General Background

5. On April 14, 2010 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. These cases are being jointly administered pursuant to Federal Rule of Bankruptcy Procedure 1015(b). During the course of their chapter 11 cases, the Debtors operated their businesses as debtors in possession.

6. On June 29, 2012, the Bankruptcy Court entered an order [Docket No. 3060] (the “Confirmation Order”) approving the Plan. The Plan became effective by its terms on June 29, 2012 (the “Effective Date”). The Liquidating Trustee was appointed pursuant to the Plan and Confirmation Order as of the Effective Date.

7. On January 24, 2013, the chapter 11 cases for 555 6th Avenue Apartment Operating Corporation, Chait Housing Development Corporation, Fort Place Housing Corporation, and SVC MC Professional Registry, Inc. were closed.

8. The Liquidating Trustee is responsible for making distributions under the Plan on account of all allowed claims other than Operating Asset Claims, as defined in the Plan. The Liquidating Trustee made a distribution of \$31.0 million in 2015 and a distribution of \$18.5 million in 2016. The Liquidating Trustee has made substantial progress in resolving all disputed claims and liquidating assets for the holders of allowed claims in these chapter 11 cases and continues efforts to fully administer these cases.

B. The Missing TIN Claimants

(i) Requirement to Provide Tax Information

9. As a condition to receiving distributions under the Plan, holders of allowed claims must provide applicable tax withholding information to the Liquidating Trustee:

Holders of Allowed Claims shall, as a condition to receiving distributions, provide such information and take such steps as the Liquidating Trustee may reasonably require to enable it to comply with the withholding and reporting requirements and to obtain certifications and information as may be necessary or appropriate to satisfy the provisions of any tax law.

Plan § 7.3. With respect to certain nonemployee claims, the Liquidating Trustee requires a completed IRS Form W-9 or IRS Form W-8BEN (the “Tax Information”) for distribution pursuant to applicable law.³

(ii) Notice of the Requirement to Provide Tax Information

10. Notice of the requirement contained in section 7.3 of the Plan was provided to creditors in the disclosure statement describing the Plan (the “Disclosure Statement”) [Docket No. 2897]. Sections VII.F.2.b and XI.D of the Disclosure Statement both highlighted this requirement of the Plan. Further, the ballot used to solicit voting on the Plan by holders of general unsecured claims included a place for each holder of the claim to include its Social

³ To the extent that the Debtors, PED SVC MC, or the Liquidating Trustee was already in possession of the relevant information contained in the forms with respect to a claimant, the Liquidating Trustee did not require the claimant to supply the Tax Information.

Security or Federal Tax I.D. number.⁴ The Disclosure Statement and the other solicitation materials were served on creditors with valid addresses, *see Affidavit of Service of Solicitation Materials* [Docket No. 2959], and published in *The New York Times*, *Certification of Publication* [Docket No. 2968], and *New York Post*, *Affidavit of Lisa Modica* [Docket No. 2969].

11. The order confirming the Plan [Docket No. 3060] (the “Confirmation Order”) expressly found that the notice of the contents of the Plan and the hearing on confirmation of the Plan was sufficient. According to the Confirmation Order, there was “due, adequate and sufficient notice of the Disclosure Statement, the Plan, the Plan Supplement, and the Confirmation Hearing, together with all deadlines for voting on or objecting to the Plan” *See Confirmation Order* ¶ F.

12. The Confirmation Order required the Debtors or post-Effective Date SVCMC (the “PED SVCMC”) to mail notice to the confirmation of the Plan and the effective date of the Plan to all record holders of claims as of the confirmation date and to publish notice of confirmation in *The New York Times* and *New York Post*. *See id.* at ¶ 20. On July 5, 2012, the Debtors published the required notice. *See Certification of Publication* [Docket No. 3117]; *Affidavit of Lisa Modica* [Docket No. 3118].

(iii) Efforts to Obtain Missing Tax Information

13. To the extent that the Debtors were in possession of the required tax forms or a claimant returned a ballot including a Social Security or Federal Tax I.D. number, the Liquidating Trustee did not require claimants to supply additional Tax Information. At the direction of the Liquidating Trustee and as detailed further below, Epiq Bankruptcy Solutions,

⁴ A copy of the form ballot can be found as Exhibit C1 to the *Motion of the Debtors for Entry of an Order (I) Approving the Disclosure Statement, (II) Establishing Procedures for Solicitation and Tabulation of Votes to Accept or Reject the Debtors’ Joint Chapter 11 Plan, (III) Scheduling a Hearing on Confirmation of the Plan, (IV) Approving Procedures for Notice of the Confirmation Hearing and for Filing Objections to Confirmation of the Plan, and (V) Granting Related Relief* [Docket No. 2849].

LLC (“Epiq”) and PED SVCMC’s professionals attempted to obtain the Tax Information from the remainder of claimants.

14. On April 19, 2013, Epiq mailed a letter, a copy of which is annexed to the Korf Declaration as **Exhibit 1A** thereto, to all claimants that had not provided Tax Information to the Liquidating Trustee. The letter indicated that the return of the applicable Tax Information was required for distribution under the Plan and that any creditor failing to return the applicable Tax Information would not receive distributions. The letter asked claimants to call Epiq’s SVCMC Information Line if they had any questions. Epiq mailed out similar notices on each of January 14, 2014 and July 11, 2014, which notices are annexed to the Korf Declaration as **Exhibit 1B** and **Exhibit 1C** thereto, respectively.

15. On December 8, 2015, Epiq mailed a “Final Notice” letter, a copy of which is annexed to the Korf Declaration as **Exhibit 1D** thereto, to those claimants that had not yet provided the applicable Tax Information. The December 8, 2015 letter again requested the necessary Tax Information and further warned the recipients that, in accordance with the Plan, past distributions would be deemed forfeited unless the Liquidating Trustee received the Tax Information.⁵

(iv) The Claimants that Have Not Provided Tax Information to the Liquidating Trustee

16. Despite the adequate notice of the requirements of the Plan and the repeated efforts to obtain the Tax Information, the seventy-five (75) claimants listed on **Exhibit 1** to the Proposed Order (the “**Missing TIN Claimants**”), who have general unsecured claims totaling \$1,820,368.59, have failed to provide the documentation necessary for the Liquidating Trustee to

⁵ Although the Plan does not require that the Liquidating Trustee maintain reserves for distributions not made due to failure to provide the required tax information, the Liquidating Trustee did so in a good faith effort to effectuate payment to all holders of allowed claims. The Liquidating Trustee maintained reserves for 120 days before making such amounts available to all holders of allowed claims in the next distribution.

make a distribution on behalf of their claims (the “Missing TIN Claims”). In 2016, distributions totaling approximately \$60,000 were retained in reserve for the Missing TIN Claimants, which amount could have otherwise been distributed to other holders of allowed claims.

C. The Undeliverable Claimants

(i) *Requirement to Provide a Current, Deliverable Address for Distributions*

17. The Plan requires that holders of allowed claims maintain a current address with the Liquidating Trustee and negotiate distribution checks within 90 days. If a distribution is “undeliverable” because it is returned by the United States Postal Service or the distribution check is not negotiated within 90 days, the claimant must demand re-issuance of the distribution within 120 days or “the amount represented by such undeliverable distribution (including a voided check) shall be deemed forfeited, and any Claim in respect of such undeliverable distribution (including a voided check) shall be disallowed, discharged and forever barred”

Plan § 7.4. In its entirety, section 7.4 of the Plan states:

Subject to Bankruptcy Rule 9010, all distributions to any holder of an Allowed Claim shall be made at the address of such holder as set forth on either the Schedules or the books and records of the Debtors, unless the Liquidating Trustee has otherwise been notified by the holder in writing of a change of address, including, without limitation, by the filing of a Proof of Claim by such holder that contains an address for such holder different from the address reflected on either the Schedules or the books and records. In the event that any distribution to any holder is returned as undeliverable, no further distributions to such holder shall be made unless and until the Liquidating Trustee is notified of such holder’s then-current address, at which time all missed distributions shall be made to such holder, without interest. . . . All demands for undeliverable distributions (including requests for re-issuance of any voided check) shall be made to the Liquidating Trustee on or before thirty (30) days after the expiration of the ninety (90) day period after the date such undeliverable distribution was initially made or the check was originally issued, as applicable. Thereafter, the amount represented by such undeliverable distribution (including a voided check) shall be deemed forfeited, and any Claim in respect of such undeliverable distribution (including a

voided check) shall be disallowed, discharged and forever barred from asserting any such Claim against the Releasees. Any distributions that are forfeited or otherwise cancelled shall be distributed to the holders of the Allowed Unsecured Claims (other than those whose distributions are deemed undeliverable hereunder) in accordance with the Plan.

(ii) ***Notice of the Requirement to Provide a Deliverable Address to the Liquidating Trustee***

18. As with the requirement to provide Liquidating Trustee with the Tax Information, notice of the requirement contained in section 7.4 of the Plan was provided in the Disclosure Statement. Section VII.F.2.c of the Disclosure Statement included the language of section 7.4 of the Plan and its requirement to maintain a deliverable address. As summarized above, the Disclosure Statement and Confirmation Order were extensively noticed to the parties in interest in these cases, and the Court reviewed this notice and found it sufficient under the circumstances.

19. The requirement that creditors keep a current address in these cases was further noticed in connection with notice of the last date to file proofs of claim in these cases (the “Bar Date”). Pursuant to the order establishing the Bar Date (the “Bar Date Order”), the Debtors mailed all creditors in these cases a notice of the Bar Date along with a personalized proof of claim form. *See Affidavit of Service* [Docket No. 884]. Included in this mailing was a personalized proof of claim form, indicating that “[t]he creditor has a continuing obligation to keep the court informed of its current address.” *Id.* Notice of the Bar Date was published in the *New York Post*, *Affidavit of Lisa Modica* [Docket No. 1277], and *The New York Times*, *Certification of Publication* [Docket No. 1278], referencing the form proof of claim and the Debtors’ restructuring website.

20. The letter accompanying each distribution, a copy of which for the 2016 distribution is annexed to the Korf Declaration as **Exhibit 2** thereto, further reminds claimants

that they must maintain an address with the Liquidating Trustee. The letter states, in relevant part:

Subject to and consistent with the terms of the Plan, the Liquidating Trustee anticipates that one or more further distributions will be made to holders of allowed Class 3 GUC Claims, as the remaining disputed claims are resolved and assets are liquidated. If your address changes, please contact the SVCMC Claims Processing Center Hotline at the contact information listed below. **Please note that it is important to keep your address updated with Epiq, the SVCMC Claims Processing Center, so that future distributions do not become stale and then ultimately forfeited to other creditors.**

(emphasis in original).

(iii) Efforts to Obtain Updated Addresses

21. Although it was the responsibility of each claimant to maintain its address with the Liquidating Trustee, as the notices accompanying each distribution indicated, the PED SVCMC, the Liquidating Trustee, and their professionals have made significant good-faith efforts to obtain updated addresses for creditors failing to maintain a deliverable address with the Liquidating Trustee. Particular efforts were made to update addresses of former employees of the Debtors in these chapter 11 cases:

- (a) With respect to union-employees, coordinating with the New York State Nurses Association and 1199 SEIU United Healthcare Workers union;
- (b) With respect to doctors and residents, coordinating with the Committee of Interns and Residents and the attorneys representing the physicians in these chapter 11 cases;
- (c) With respect to non-union employees, conducting a LexisNexis address search, coordinating with the New York Department of Labor (the “DOL”), contacting the Debtors’ former managers—including the former head of human resources, chief medical officer, directors, and accounts payable managers—to reach out personally to such former employees, conducting social media searches, and teaming with PED SVCMC human resources department to call available telephone numbers to confirm addresses; and
- (d) With respect to certain employees believed to be deceased, hiring a private investigator to locate beneficiaries of the deceased’s estate.

22. The efforts to update addresses for distribution checks to vendors and other nonemployee creditors that were returned as undeliverable or otherwise not negotiated was even more time-intensive on a per-claimant basis. Unlike with the Debtors' former employees, PED SVCMC professionals could not leverage the former employees' unions, the DOL, or the largely-automated LexisNexis search platform to update addresses for these claimants. Further, conducting a simple internet search was deemed ineffective due to the significant time required to confirm a potentially updated address and tax withholding information.⁶ As such, the Liquidating Trustee and PED SVCMC professionals focused their efforts on updating addresses of holders of only the largest claims so as to not unduly expend the Liquidating Trust's assets. With respect to distributions over \$10,000—as well as certain additional claimants whose addresses could be efficiently updated—the following efforts were made to obtain updated addresses:

- (a) PED SVCMC professionals reviewed the Debtors' books and records for contact information for the relevant nonemployee creditors and, to the extent that there was a contact or telephone number indicated, attempted to obtain the updated address using such information; and
- (b) To the extent that the PED SVCMC professionals had their own contacts with a nonemployee claimant as the result of other engagements in the healthcare industry, the professionals attempted to leverage such contacts to obtain the updated addresses.

23. On September 1, 2017, PED SVCMC professionals, on behalf of the Liquidating Trustee, attempted to obtain updated addresses from former employees a final time before filing this Motion. In these efforts, which were similar to previous efforts, PED SVCMC's professionals again reached out to union representatives, and the New York Department of Labor and conducted LexisNexis searches to update all relevant mailing addresses. To the extent that

⁶ The addresses to which distributions were mailed were the addresses directed by the Plan and Bankruptcy Rule 2002. Therefore, it would be necessary to confirm any updated address uncovered through an internet search. Further, some nonemployee claims were transferred between entities as the result of a sale or as a successor in interest to the original claimant requiring confirmation of the relevant tax withholding information.

an updated address was obtained, the Liquidating Trustee agreed—in the context of this Motion—to update the addresses for payments going forward.

24. In addition to efforts to obtain updated addresses, in good faith, and as a further courtesy, the Liquidating Trustee reissued checks beyond the 120-day period by which the Plan required a creditor to provide the Liquidating Trustee an updated address and/or request a reissued check. As such, when an Undeliverable Claimant's address was updated, such claimant received the distributions that had been missed.

25. At all times, the Liquidating Trustee has asserted that these extraordinary efforts in effectuating payments to the Undeliverable Claimants, including efforts to update addresses and to reissue checks after the 120-day period, were not required under the Plan but rather were undertaken by the Liquidating Trustee and PED SVCMC as good faith efforts to effectuate payments to all creditors (the majority of whom are former employees of the Debtors).

26. The Liquidating Trustee made clear to claimants that these efforts were not required by the Plan. As described above, a notice accompanied each distribution indicating that claimants were responsible for maintaining their addresses with the Liquidating Trustee. Additionally, each distribution check indicated that the checks had to be negotiated within 90-days as required by section 7.4 of the Plan.

27. Upon information and belief, the various entities reaching out to claimants with undeliverable distributions relayed that the Liquidating Trustee's efforts to obtain updated addresses were not required under the Plan. For example, the New York State Nurses Association provided a letter to parties updating their addresses that such extension was a courtesy and that claimants must keep their addresses updated with the Liquidating Trustee. The Committee of Interns and Residents provided a similar notice on its website.

(iv) *Claimants for Whom the Liquidating Trustee has not Received Deliverable Addresses*

28. Despite the adequate notice of the requirements of section 7.4 of the Plan and the efforts to obtain updated addresses, the claimants listed on Exhibit 2 to the Proposed Order (the “Undeliverable Claimants”) were sent distributions on account of their respective allowed claims (the “Undeliverable Claims”) but the distributions on account of these claims were either returned by the United States Postal Service as undeliverable or otherwise the checks comprising distributions were not negotiated. There are nine-hundred sixty-four (964) Undeliverable Claimants with general unsecured claims totaling \$13,690,992.27. In 2016, distributions to the Undeliverable Claimants totaling approximately \$660,000 were reserved for such claimants, which could have otherwise been paid to other holders of allowed claims.⁷

D. Administrative Cost of Reissuing Distributions and Attempting to Obtain Updated Addresses and Reissuing Distributions

29. Although the Liquidating Trustee believes that the efforts to reissue distributions and obtain updated addresses for claimants was appropriate to effectuate distributions to as many holders of allowed claims as possible, such efforts have generated significant administrative expenses that would otherwise be available for distribution to claimants receiving distributions under the Plan.

30. The primary cost for these efforts is incurred through the time necessarily expended by professionals. Although the various unions and the DOL have assisted in the process of updating addresses, professionals for the Liquidating Trustee and PED SVCMC must review the records of distributions that are undeliverable or otherwise not negotiated, prepare lists of such claimants and deliver them to the appropriate entities, attempt to uncover and

⁷ The Liquidating Trustee held this amount in reserve for 120 days. It has since been released.

confirm updated addresses for non-union former employees, and update the records for claimants as applicable.

31. Re-issuing distributions after the 120-day period also incurs administrative expenses. Each yearly distribution requires generating and confirming the distribution list, engaging in numerous wire transfers, and printing and mailing thousands of checks. When a distribution is re-issued on an ad hoc basis to a particular, duplication of administrative efforts is required to ensure that the claims register accurately reflects the updated information and payment.

32. To fully administer the Plan and avoid incurring administrative expenses with diminishing returns, the Liquidating Trustee now seeks the relief sought in this Motion.

REQUESTED RELIEF

33. By the Motion, pursuant to Bankruptcy Code sections 105(a), 1142(b), and 1143, and sections 7.3 and 7.4 of the Plan, the Liquidating Trustee seeks the entry of the Proposed Order authorizing the Liquidating Trustee to discontinue making distributions or maintaining reserves on account of (i) the Missing TIN Claims and Undeliverable Claims and (ii) claims for which future distributions on account of such claims are returned as undeliverable or the distribution check is otherwise not negotiated without the holder of such claim providing an updated address or requesting reissuance of the check within 120 days.

BASIS FOR RELIEF

34. Bankruptcy Code section 1142(a) commands that “any entity organized or to be organized for the purposes of carrying out [a] plan shall carry out the plan and shall comply with any orders of the court.” Bankruptcy Code section 1142(b), in turn, grants the Court the expansive power “to direct the debtor and any other necessary party to execute or deliver

instrument . . . and to perform any other act . . . that is necessary for the consummation of the Plan.”

35. The “clear intent” of section 1142 “is to assure that the terms and provisions of a confirmed chapter 11 plan are carried out until the plan is completed.” *In re Chateaugay Corp.*, 201 B.R. 48, 66 (Bankr. S.D.N.Y. 1996); *see also U.S. Brass Corp. v. Travelers Ins. Grp., Inc. (In re U.S. Brass Corp.)*, 301 F.3d 296, 306 (5th Cir. 2002) (“[Bankruptcy Code section 1142] empowers the bankruptcy court to enforce the unperformed terms of a confirmed plan.”); *Gordon Sel-Way, Inc. v. United States (In re Gordon Sel-Way, Inc.)*, 270 F.3d 280, 289 (6th Cir. 2001) (“[Bankruptcy Code section 1142] provides bankruptcy courts with broad power to enforce the terms of a confirmed plan.”).

36. Additionally, Bankruptcy Code section 105(a) permits courts to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of” the Bankruptcy Code. “[S]ection 105(a) plainly may be used to enforce and implement earlier orders.” *In re River Ctr. Holdings, LLC*, 394 B.R. 704, 711 (Bankr. S.D.N.Y. 2008) (citing *NWL Holdings, Inc. v. Eden Ctr., Inc. (In re Ames Dep’t Stores, Inc.)*, 317 B.R. 260, 274 (Bankr. S.D.N.Y. 2004) (“[I]t is manifestly proper, in this Court’s view, to invoke section 105(a) to enforce or implement the Court’s earlier orders”). Courts employ section 105(a), in conjunction with section 1142, to issue orders enforcing the terms of a confirmation order or plan. *See, e.g., Bennett & Fairshter, LLP v. Stinky Love, Inc. (In re Lacy)*, 335 B.R. 729, 738 (B.A.P. 10th Cir. 2006) (“Under § 1142(a), ‘the debtor . . . shall carry out the plan and shall comply with any orders of the court, including a Chapter 11 confirmation order. The bankruptcy court can enforce this duty under §§ 105(a) and 1142, which allow it to take ‘any action or mak[e] any determination necessary or appropriate to enforce or implement’ a court order, such as its

confirmation order, ‘to prevent an abuse of process,’ or to ‘direct the debtor and any other necessary party . . . to perform any . . . act . . . that is necessary for the consummation of the plan.’” (footnotes omitted)) .

A. The Plan Does Not Provide for Distributions or Reserves on Account of the Missing TIN Claims or Undeliverable Claims.

(i) Pursuant to Section 7.3 of the Plan, the Missing TIN Claimants Are Not Entitled to Distributions or Reserves on Account of the Missing TIN Claims.

37. Section 7.3 of the Plan conditions distributions under the Plan on providing the information required for the Liquidating Trustee to comply with applicable tax law. A claimant failing to provide such information is not entitled to receive distributions under the Plan. The Liquidating Trustee required a completed IRS Form W-9 or IRS Form W-8BEN before making distributions on account of certain claims.

38. The Plan does not expressly require the Liquidating Trustee to maintain any reserve on behalf of the distributions that were not made to claimants that failed to provide the Tax Information. Rather, the clear language of the Plan stating that providing the required documents is a condition for receiving distributions under the Plan indicates otherwise. *See* Plan § 7.3.

39. Despite the efforts of the Debtors, Liquidating Trustee, PED SVCMC, and their respective professionals to obtain such forms from the Missing TIN Claimants listed in **Exhibit 1** to the Proposed Order, the claimants have failed to provide the forms to the Liquidating Trustee. Therefore, the Missing TIN Claimants are not entitled to distributions, nor is the Liquidating Trustee required to maintain reserves on account of the Missing TIN Claims.

(ii) ***Pursuant to Section 7.4 of the Plan, the Undeliverable Claimants Are Not Entitled to Distributions or Reserves on Account of the Undeliverable Claims.***

40. Section 7.4 of the Plan provides that if a distribution to a holder of an allowed claim is returned as undeliverable or a check is voided pursuant thereto, no further distributions will be made to that holder until unless and until the Liquidating Trustee is provided an updated address. The Plan also provides that distributions will be forfeited after 120 days, and that “any Claim in respect of such undeliverable distribution (including a voided check) shall be disallowed, discharged and forever barred from asserting any such claim against the Releases.” Plan § 7.4. Thus, there is a 120-day limit by which a claimant must update its address and/or request a reissued distribution.

41. The Plan does not expressly require the Liquidating Trustee to maintain reserves on account of cancelled distributions that would otherwise be made to claimants that forfeited previous distributions. Section 7.4 of the Plan states that “distributions that are forfeited *or otherwise canceled* shall be distributed to the holders of Allowed Unsecured Claims (other than whose distributions are deemed undeliverable hereunder) in accordance with the Plan.” *Id.* (emphasis added). The Plan contemplates that the Liquidating Trustee will *not* maintain reserves on account of such distributions.

42. Despite the tedious and time-intensive efforts of the Liquidating Trustee, PED SVCMC, their professionals, the Unions, the New York Department of Labor, and others to obtain updated addresses for the Undeliverable Claimants listed in **Exhibit 2** to the Proposed Order, the Liquidating Trustee has been unable to obtain updated current addresses for the Undeliverable Claimants. Therefore, the Undeliverable Claimants are not entitled to distributions nor is the Liquidating Trustee required to maintain reserves on account of such claims.

B. Bankruptcy Code Section 1143 Prohibits the Missing TIN Claimants and Undeliverable Claimants from Participating in Distributions under the Plan.

(i) Bankruptcy Code Section 1143 Requires That Any Act upon Which Distribution Under the Plan is Conditioned Be Taken Within 5 Years of Confirmation.

43. Bankruptcy Code section 1143 provides:

If a plan requires presentment or surrender of a security or the performance of any other act as a condition to participation in distribution under the plan, such action shall be taken not later than five years after the date of the entry of the order of confirmation. An entity that has not within such time presented or surrendered such entity's security or taken any such other action that the plan requires may not participate in distribution under the Plan.

11 U.S.C. § 1143. A claimant failing to take required actions under the Plan within five years from the confirmation of the Plan is no longer entitled to distributions and may not remedy its failure after the five-year mark. *See In re IBIS Corp.*, 272 B.R. 883, 887 (Bankr. E.D. Va. 2001) ("Section 1143 acts as a bar date to take certain actions," and "[i]f the action is not taken within the five-year period, the creditor . . . is barred from participating in the distribution under the plan."); *In re Payroll Express Corp.*, No. 92-42150, 2008 WL 5396609, at *3 (Bankr. S.D.N.Y. Nov. 24, 2008) ("If the plan requires the creditor to . . . render some performance as a condition to participating in a distribution, it must do so within five years of the confirmation order or forego its right to participate in any distribution under the plan."); *In re TLI, Inc.*, 213 B.R. 946, 950 (N.D. Tex. 1997), *aff'd*, 159 F.3d 1355 (5th Cir. 1998) (per curiam) ("Sections 347(b) and 1143 together establish an outer limit of five years from entry of a plan confirmation order within which a creditor required to perform an act as a condition of participating in a plan distribution must accomplish the act or relinquish its right to participate.").

44. Bankruptcy Code section 1143 promotes "finality, judicial economy and the avoidance of disruptive, wasteful litigation over funds which remain unclaimed five years after confirmation." *In re TLI, Inc.*, 213 B.R. at 950 (quoting *In re Goldblatt Bros., Inc.*, 132 B.R.

736, 738 (Bankr. N.D. Ill. 1991)). Its application here provides the Liquidating Trustee with certainty regarding future distributions.⁸

(ii) *The Missing TIN Claimants Were Required to Provide the Tax Information to the Liquidating Trustee but Failed to Do so Within Five Years of Confirmation of the Plan.*

45. Section 7.3 of the Plan expressly states that providing the Liquidating Trustee the information and taking steps required by the Liquidating Trustee to enable the Liquidating Trustee to comply with the withholding, reporting, and other requirements of applicable tax law is “a condition to receiving distributions” under the Plan. The Liquidating Trustee required that certain claimants provide the Tax Information in order to comply with applicable tax law. Despite the efforts of the Liquidating Trustee and the PED SVC MC, the Missing TIN Claimants failed to furnish such Tax Information as required by the Plan within five (5) years as required by Bankruptcy Code section 1143.

(iii) *The Undeliverable Claimants Were Required to Provide a Current Address with the Liquidating Trustee but Failed to Do so Within Five Years of the Confirmation of the Plan.*

46. Section 7.4 of the Plan requires that a holder of a claim to provide a current address and request any undeliverable distributions (including checks voided for failure to negotiate) within 120 days of such undeliverable distribution to receive distributions under the Plan. In addition to the language of the Plan, this obligation was clearly specified on the form

⁸ Bankruptcy Code section 1143 is typically read in conjunction with Bankruptcy Code section 347(b). Bankruptcy Code section 347(b) provides:

Any security, money, or other property remaining unclaimed at the expiration of the time allowed in a case under chapter 9, 11, or 12 of this title for the presentation of a security or the performance of any other act as condition to participation in the distribution under any plan confirmed under section 943(b), 1129, 1173, or 1225 of this title . . . becomes property of the debtor or of the entity acquiring the assets of the debtor under the plan, as the case may be.

Here, however, section 7.4 of the Plan provides that “[a]ny distributions that are forfeited or otherwise cancelled shall be distributed to the holders of the Allowed Unsecured Claims (other than those whose distributions are deemed undeliverable hereunder) in accordance with the Plan.” The funds are therefore not “unclaimed” but rather will be distributed pursuant to the Plan.

proof of claim sent to claimants, materials accompanying distributions, and in communications aimed at soliciting updated addresses. Despite the efforts of the Liquidating Trustee, the PED SVCMC and all the assisting parties, the Undeliverable Claimants failed to provide updated addresses as required by the Plan within five (5) years as required by the Bankruptcy Code section 1143.

C. The Claims of Holders of Allowed Claims that Fail to Negotiate Future Distribution Checks or Maintain a Current Address with the Liquidating Trustee Should Be Expunged Pursuant to Section 7.4 of the Plan and Section 1143 of the Bankruptcy Code.

47. The Liquidating Trustee believes that the intent of section 7.4 of the Plan and the best reading of the language therein provides that, if the holder of an allowed claim fails to update its address or demand an otherwise undeliverable distribution within 120 days, the claim for which the undeliverable distribution was made shall be disallowed. Even if the language of section 7.4 of the Plan was interpreted otherwise, however, Bankruptcy Code section 1143 would prohibit the participation of such claimant in further distributions under the Plan and, thus, result in the same treatment.

(i) *Section 7.4 of the Plan Provides that the Claims of Holders of Allowed Claims that Fail to Provide Updated Addresses or Demand Distributions Following an Undeliverable Distribution Shall be Disallowed.*

48. Section 7.4 of the Plan provides, in relevant part:

All demands for undeliverable distributions (including requests for re-issuance of any voided check) shall be made to the Liquidating Trustee on or before thirty (30) days after the expiration of the ninety (90) day period after the date such undeliverable distribution was initially made or the check was originally issued, as applicable. Thereafter, the amount represented by such undeliverable distribution (including a voided check) shall be deemed forfeited, and *any Claim in respect of such undeliverable distribution (including a voided check) shall be disallowed, discharged and forever barred from asserting any such Claim against the Releasees.*

(emphasis added). Section 1.26 of the Plan incorporates the definition of “Claim” in Bankruptcy Code section 101(5), which is a “right to payment . . . or right to equitable remedy for breach of performance if such breach gives rise to a right to payment”

49. The Liquidating Trustee asserts that the “Claim” that is “in respect of the undeliverable distribution” refers to the allowed claim in consideration of which the undeliverable distribution was made (the “Liquidating Trustee’s Interpretation”).⁹ Thus, in addition to forfeiting its rights to an undeliverable distribution, the holder’s claim is disallowed if the holder of a claim fails to provide an updated address or request an additional distribution within 120 days of an undeliverable distribution. This interpretation is supported by the applicable principals of interpretation, and thus the Liquidating Trustee’s Interpretation should be adopted by the Court.

50. “When interpreting a confirmed plan, the principles of contract law apply.” *MF Glob. Holdings Ltd v. PricewaterhouseCoopers LLP*, 43 F.Supp.3d 309, 313 (S.D.N.Y. 2014) (quoting *In re Dynegey Inc.*, 486 B.R. 585, 590 (Bankr. S.D.N.Y. 2013)). The interpretation of the Plan is governed by the laws of New York. Plan § 13.12; *see also In re AMR CORPORATION, et al.*, 562 B.R. 20, 29 (Bankr. S.D.N.Y. 2016) (interpreting plan of reorganization in accordance with New York law because of choice of law provision in the plan); *cf. In re DPH Holdings Corp.*, 553 B.R. 20, 26 (Bankr. S.D.N.Y. 2016) (noting that the principles of contract interpretation of federal law are the same as under New York law).

51. Under New York Law, the primary goal of interpretation is to give a contract the intent of the parties evidenced by the language of their agreement. *See Chesapeake Energy Corp. v. Bank of N.Y. Mellon Trust Co.*, 773 F.3d 110, 113 (2d Cir. 2014); *2011–2 EETC Transactions*

⁹ No other interpretation has been presented to the Liquidating Trustee.

v. AMR Corporation, American Airlines, Inc. (In re AMR Corp.), 730 F.3d 88, 98 (2d Cir. 2013). “[T]he contract must be read as a whole to determine its purpose and intent, and it should be interpreted in a way that reconciles all its provisions, if possible. . . . To that end, a reading of the contract should not render any portion thereof meaningless.” *Olszewski v. Cannon Point Ass’n, Inc.*, 148 A.D.3d 1306, 1309, 49 N.Y.S.3d 571, 575 (N.Y. App. Div. 2017) (citations and quotation marks omitted) (citing several cases). Further “[i]t is common practice for the courts of New York State to refer to the dictionary to determine the plain and ordinary meaning of words to a contract.” *Fed. Ins. Co. v. Am. Home Assur. Co.*, 639 F.3d 557, 567 (2d Cir. 2011) (quotation marks omitted) (quoting *10 Ellicott Square Court Corp. v. Mountain Valley Indem. Co.*, 634 F.3d 112, 119 (2d Cir. 2011)).

52. The phrase “in respect of” does not have a precise legal meaning. *In respect of*, A Dictionary of Modern Legal Usage (Bryan A. Garner, ed., 2d ed. 1995). The phrase merely denotes some connection. *See In respect of sth*, Cambridge Advanced Learner’s Dictionary (4th ed. 2013), <http://dictionary.cambridge.org/us/dictionary/english/in-respect-of-sth>. The context of the Plan, however, supports the Liquidating Trustee’s Interpretation.

53. The language of section 7.4 of the Plan distinguishes between the “amount represented by [an] undeliverable distribution” and the “Claim in respect of such undeliverable distribution[.]” It also provides for different treatment. The “amount represented by [an] undeliverable distribution is forfeited” while “the Claim in respect of such undeliverable distribution” is “disallowed, discharged and forever barred[.]” Plan § 7.4. Any reasonable reading of section 7.4 of the Plan indicates that the amount represented by the undeliverable distribution and the Claim in respect of the undeliverable distribution are separate and distinct.

Thus, the “Claim in respect of such undeliverable distribution” is not merely the undeliverable distribution.

54. The ordinary usage of the term “claim” in the context of bankruptcy proceedings supports the Liquidating Trustee’s Interpretation that the “Claim in respect of such undeliverable distribution” refers to the holder’s allowed claim on account of which the distribution was made. A claim would usually refer to a right to payment based on prepetition obligations or expenses of administration of the bankruptcy estates. Further, the language describing the treatment of the “Claim in respect of such undeliverable distribution”—i.e., that it will be “disallowed, discharged and forever barred from asserting any such claim against the Releasees”—fits the Liquidating Trustee’s Interpretation.

55. The Liquidating Trustee’s Interpretation is also supported by the clear intent of section 7.4 of the Plan to provide certainty regarding future distributions and to reallocate distributions from holders of undeliverable claims. The phrase “with respect of” merely limits the disallowance of a claim to the claim giving rise to the distribution in the situation where one entity holds multiple claims (e.g., a single entity may hold an administrative expense claim for postpetition wages, a priority claim for prepetition wages, and a general unsecured claim for prepetition wages).

56. Alternative readings would render language in section 7.4 of the Plan superfluous and run counter to the ordinary usage of “claim” and “disallow.” First, if the “Claim in respect of the undeliverable distribution” refers to the right to payment of “the amount represented by such undeliverable distribution[,]” the disallowance, discharge, and barring of the claim would be superfluous—in the very same sentence, the Plan expressly provides for the forfeiture of such distributions. Further, it would be unnecessary to bar the holder of a right to payment to an

undeliverable distribution to all the Releasees under the Plan. Such right to payment would be against the Liquidating Trust Assets, not any other party released by the Plan. Such contortion of the Plan's language would result only in counteracting the purpose of section 7.4.

(ii) ***Bankruptcy Code Section 1143 Terminates the Right to Distributions of Holders of Allowed Claims that Fail to Negotiate Future Distribution Checks or Maintain a Current Address with the Liquidating Trustee.***

57. Even if the Court rejects the Liquidating Trustee's Interpretation, Bankruptcy Code section 1143 would require the same result. As discussed above, pursuant to Bankruptcy Code section 1143, a claimant failing to take required actions under the Plan within five years from the confirmation of the Plan is no longer entitled to distributions and may not remedy its failure after the five-year mark. *See In re IBIS Corp.*, 272 B.R. at 887; *In re Payroll Express Corp.*, No. 92-42150, 2008 WL 5396609, at *3; *In re TLI, Inc.*, 213 B.R. at 950. As it has been more than five years since the confirmation of the Plan and section 7.4 of the Plan requires holders of claims to maintain current addresses with the Liquidating Trustee and negotiate distribution checks or request the reissue of distribution checks within 120 days, any holders of claims that fail to do so going forward are not entitled to any future distributions pursuant to Bankruptcy Code section 1143. The Court should therefore enter an order providing that if a holder of an allowed claim fails to provide an updated address on account of an undeliverable distribution within 120 days, the claim on account of which the undeliverable distribution was made shall be expunged and not entitled to any future distributions.

58. Accordingly, for all of the foregoing reasons, the Liquidating Trustee submits that the Court has ample authority to enter the Proposed Order and should do so.

RESERVATION OF RIGHTS

59. Nothing contained herein is intended to or should be construed as a limitation on—or waiver of—the Liquidating Trustee’s right to take any action authorized by the Plan, Confirmation Order, or Bankruptcy Code.

NOTICE

60. The Liquidating Trustee has served notice of this Motion upon the parties identified on the Special Service List in these cases, established under the *Second Amended Final Administrative Order Establishing Case Management and Scheduling Procedures* [Docket No. 3325] (as it may be further amended, the “Case Management Order”), the parties on the General Service List in these cases, established under the Case Management Order, and each of the parties listed in **Exhibit 1** and **Exhibit 2** to the Proposed Order. The method of service conformed to the requirements set forth in the Case Management Order. The Liquidating Trustee submits that no other or further notice need be provided.

CONCLUSION

WHEREFORE, for the reasons set forth herein, the Liquidating Trustee respectfully requests that the Court enter an order, substantially in the form annexed hereto as **Exhibit A**, authorizing the Liquidating Trustee to discontinue making distributions or maintaining reserves on account of (i) the Missing TIN Claims and Undeliverable Claims and (ii) claims for which future distributions on account of such claims are returned as undeliverable or the distribution check is otherwise not negotiated without the holder of such claim providing an updated address or requesting reissuance of the check within 120 days.

**DECLARATION OF STEVEN R. KORF IN SUPPORT
OF THE SUPPLEMENTAL FIFTY-FOURTH OMNIBUS
OBJECTION OF THE LIQUIDATING TRUSTEE TO CERTAIN CLAIMS**

I, Steven R. Korf, hereby declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the following is true and correct to the best of my knowledge, information and belief:

1. I am the Responsible Officer ("RO") for Post-Effective Date Saint Vincents Catholic Medical Centers of New York ("PED SVCMC"). PED SVCMC maintains offices at 5 Pennsylvania Plaza, 9th Floor, New York, NY 10001.

2. I have served as the RO since June 29, 2012. Before becoming RO, I served as the Chief Financial Officer ("CFO") for Saint Vincents Catholic Medical Centers of New York ("SVCMC") from March 2010 through June 29, 2012, the Effective Date of SVCMC's chapter 11 plan. As SVCMC's CFO, I was responsible for managing SVCMC's financial operations during the bankruptcy. My current duties as RO include, among others, assisting the Liquidating Trustee in managing, directing the analysis, resolution, and distribution for claims filed against the Debtors' estates, and winding down the remaining assets of PED SVCMC.

¹ In addition to SVCMC, the Debtors in these cases were as follows: (i) 555 6th Avenue Apartment Operating Corporation; (ii) Bishop Francis J. Mugavero Center for Geriatric Care, Inc.; (iii) Chait Housing Development Corporation; (iv) Fort Place Housing Corporation; (v) Pax Christi Hospice, Inc.; (vi) Sisters of Charity Health Care System Nursing Home, Inc. d/b/a St. Elizabeth Ann's Health Care & Rehabilitation Center; (vii) St. Jerome's Health Services Corporation d/b/a Holy Family Home; and (viii) SVCMC Professional Registry, Inc. (the "Debtors"). There are certain affiliates of SVCMC who were not Debtors.

3. I submit this declaration in support of the *Liquidating Trustee's Motion for Order (I) Authorizing the Liquidating Trustee to Discontinue Making Distributions or Maintaining Reserves on Account of Claims for Which the Holders of Such Claims Have Failed to (A) Provide Required Tax Information, (B) Maintain a Current Address with the Liquidating Trustee, or (C) Negotiate Distribution Checks as Required by the Plan and (II) Granting Related Relief* (the "Motion").² I have also personally reviewed the Motion, including the claims subject thereto, and am familiar with the information contained therein.

4. The statements in this declaration are, except where specifically noted, based on my personal knowledge or opinion, on information I received from PED SVCMC professionals working directly with me or under my supervision, direction or control, or from SVCMC's records maintained in the ordinary course of business. If I were called upon to testify, I could and would testify competently to the facts set forth herein. I am authorized to submit this declaration on behalf of PED SVCMC.

5. Under my direction and/or supervision, significant efforts were made to reach out to the Missing TIN Claimants and Undeliverable Claimants indicated in the Motion. PED SVCMC professionals leveraged PED SVCMC's books and records, relationships with former managerial employees, and other resources to acquire the Tax Information with respect to the Missing TIN Claimants and updated addresses with respect to the Undeliverable Claimants.

D. The Missing TIN Claimants

6. Despite the adequate notice of the requirements of the Plan and the repeated efforts to obtain the Tax Information, the seventy-five (75) claimants listed on Exhibit 1 to the Proposed Order (the "Missing TIN Claimants"), that have general unsecured claims totaling \$1,820,368.59, have failed to provide the documentation necessary for the Liquidating Trustee to

² Capitalized terms not otherwise defined herein shall have the meaning ascribed in the Motion.

make a distribution on behalf of their claims (the “Missing TIN Claims”). In 2016, distributions totaling approximately \$60,000 were retained in reserve for the Missing TIN Claimants, which amount could have otherwise been distributed to other holders of allowed claims.³

7. To the extent that the Debtors were in possession of the required Tax Information or a claimant returned a ballot including a Social Security or Federal Tax I.D. number, it was used to comply with applicable tax law. At the direction of the Liquidating Trustee, and as further detailed below, Epiq and PED SVCMC’s professionals attempted to obtain the Tax Information from the remainder of claimants.

8. On April 19, 2013, Epiq mailed a letter, a copy of which is annexed hereto as **Exhibit 1A**, to all claimants that had not provided Tax Information to the Liquidating Trustee. The letter indicated that the return of the applicable Tax Information was required for distribution under the Plan and that there would not be any distributions to any creditor failing to return the applicable IRS Form requested therein. The letter asked claimants to call Epiq’s SVCMC Information Line if they had any questions. Epiq mailed out similar notices on each of January 14, 2014 and July 11, 2014, which notices are annexed hereto as **Exhibit 1B** and **Exhibit 1C**, respectively.

9. On December 8, 2015, Epiq sent a “Final Notice” letter, a copy of which is annexed hereto as **Exhibit 1D**, to those claimants that had not yet provided the applicable Tax Information. The December 8, 2015 letter again requested the necessary Tax Information and further warned the recipients that, in accordance with the Plan, past distributions would be deemed forfeited unless the Liquidating Trustee received the Tax Information.⁴

³ The Liquidating Trustee held this amount in reserve for 120 days. It has since been released.

⁴ Although the Plan does not require that the Liquidating Trustee maintain reserves for distributions not made due to failure to provide the required tax information, the Liquidating Trustee did so in a good faith effort to effectuate payment to all holders of allowed claims.

E. The Undeliverable Claimants

10. Despite the adequate notice of the requirements of section 7.4 of the Plan and the efforts to obtain updated addresses, the claimants listed on **Exhibit 2** to the Proposed Order (the “Undeliverable Claimants”) were sent distributions on account of their respective allowed claims (the “Undeliverable Claims”) but the distributions on account of these claims were either returned by the United States Postal Service as undeliverable or otherwise the checks comprising distributions were not negotiated. There are nine-hundred sixty-four (964) Undeliverable Claimants with general unsecured claims totaling \$13,690,992.27. In 2016, distributions to the Undeliverable Claimants totaling \$660,128.05 were reserved for such claimants, which could have otherwise been paid to other holders of allowed claims.⁵

11. Accompanying each distribution is a letter, a copy of which for the 2016 distribution is annexed hereto as **Exhibit 2**, aimed at further reminding claimants that they must maintain an address with the Liquidating Trustee. The letter states, in relevant part:

Subject to and consistent with the terms of the Plan, the Liquidating Trustee anticipates that one or more further distributions will be made to holders of allowed Class 3 GUC Claims, as the remaining disputed claims are resolved and assets are liquidated. If your address changes, please contact the SVC MC Claims Processing Center Hotline at the contact information listed below. **Please note that it is important to keep your address updated with Epiq, the SVC MC Claims Processing Center, so that future distributions do not become stale and then ultimately forfeited to other creditors.**

(emphasis in original).

12. PED SVC MC professionals made particular efforts to obtain updated addresses for Undeliverable Claimants who were former employees of one of the Debtors in these chapter 11 cases:

⁵ The Liquidating Trustee held this amount in reserve for 120 days. It has since been released.

- (a) With respect to union-employees, PED SVCMC professionals coordinated with the respective representative organizations, including the New York Department of Labor, New York State Nurses Association, and 1199 SEIU United Healthcare Workers union;
- (b) With respect to doctors and residents, PED SVCMC professionals coordinated with the Committee of Interns and Residents and the attorneys representing the physicians in these chapter 11 cases;
- (c) With respect to non-union employees, PED SVCMC professionals conducted LexisNexis address searches, coordinated with the New York Department of Labor (the “DOL”), contacted the Debtors’ former managers—including the former head of humans resources, chief medical officer, directors, and accounts payable managers—to reach out personally to such former employees, conducted social media searches, and teaming with PED SVCMC human resources department to call available telephone numbers to confirm addresses; and
- (d) With respect to certain former employees believed to be deceased, PED SVCMC professionals hired a private investigator to locate beneficiaries of the deceased’s estate.

13. The efforts by PED SVCMC professionals to update addresses for distribution checks to vendors and other nonemployee creditors that were returned as undeliverable or otherwise not negotiated was even more time-intensive on a per-claimant basis. Unlike with the Debtors’ former employees, PED SVCMC professionals could not leverage the former employees’ unions, the DOL, or the largely-automated LexisNexis search platform to update addresses for these claimants. Further, conducting a simple internet search was deemed ineffective due to the significant time required to confirm a potentially updated address and tax withholding information.⁶ As such, the Liquidating Trustee and PED SVCMC professionals focused their efforts on updating addresses of holders of only the largest claims so as to not unduly expend the Liquidating Trust’s assets. With respect to distributions over \$10,000—as well as certain additional claimants whose addresses could be efficiently updated—the following efforts were made to obtain updated addresses:

⁶ The addresses to which distributions were mailed were the addresses directed by the Plan and Bankruptcy Rule 2002. Therefore, it would be necessary to confirm any updated address uncovered through an internet search. Further, some nonemployee claims were transferred between entities as the result of a sale or as a successor in interest to the original claimant requiring confirmation of the relevant tax withholding information.

- (a) PED SVCMC professionals reviewed the Debtors' books and records for contact information for the relevant nonemployee creditors and, to the extent that there was a contact or telephone number indicated, attempted to obtain the updated address using such information; and
- (b) To the extent that the PED SVCMC professionals had their own contacts with a nonemployee claimant as the result of other engagements in the healthcare industry, the professionals attempted to leverage such contacts to obtain the updated addresses.

14. On September 1, 2017, PED SVCMC professionals, on behalf of the Liquidating Trustee, attempted to obtain updated addresses for former employees a final time before filing this Motion. In these efforts, which were similar to previous efforts, PED SVCMC professionals again reached out to union representatives and the New York Department of Labor and conducted LexisNexis searches to update all relevant mailing addresses. To the extent that an updated address was obtained, the Liquidating Trustee agreed—in the context of this Motion—to update the addresses for payments going forward.

15. In addition to efforts to obtain updated addresses, in good faith, and as a further courtesy, the checks were reissued beyond the 120-day period by which the Plan required a creditor to provide the Liquidating Trustee an updated address and/or request a reissued check. As such, when an Undeliverable Claimant's address was updated, such claimant received the distributions that had been missed.

16. At all times, the Liquidating Trustee has asserted that these extraordinary efforts in effectuating payments to the Undeliverable Claimants, including efforts to update addresses and to reissue checks after the 120-day period, were not required under the Plan but rather were undertaken by the Liquidating Trustee and PED SVCMC as good faith efforts to effectuate payments to all creditors (the majority of whom are former employees of the Debtors).

17. The PED SVCMC professionals communicated to claimants that these efforts were not required by the Plan. As described above, a notice accompanied each distribution

indicating that claimants were responsible for maintaining their addresses with the Liquidating Trustee. Additionally, each distribution check indicated that the checks had to be negotiated within 90-days as required by section 7.4 of the Plan.

18. Upon information and belief, the various entities reaching out to claimants with undeliverable distributions relayed that the Liquidating Trustee's efforts to obtain updated addresses were not required under the Plan. The New York State Nurses Association provided a letter to parties updating their addresses that such extension was a courtesy and that claimants must keep their addresses updated with the Liquidating Trustee. The Committee of Interns and Residents provided a similar notice on its website.

F. Administrative Cost of Reissuing Distributions and Attempting to Obtain Updated Addresses and Reissuing Distributions

19. The efforts to reissue distributions and obtain updated addresses for claimants generate significant administrative expenses that would otherwise be available for distribution to claimants receiving distributions under the Plan.

20. The primary cost for these efforts is incurred through the time necessarily expended by professionals. Although the various unions and the DOL have assisted in the process of updating addresses, professionals for the Liquidating Trustee and PED SVC MC must review the records of distributions that are undeliverable or otherwise not negotiated, prepare lists of such claimants and deliver them to the appropriate entities, attempt to uncover and confirm updated addresses for non-union former employees, and update the records for claimants as applicable.

21. Re-issuing distributions after the 120-day period also incurs administrative expenses. Each yearly distribution requires generating and confirming the distribution list, engaging in numerous wire transfers, and printing and mailing thousands of checks. When a

distribution is re-issued on an ad hoc basis to a particular creditor, duplication of administrative efforts is required to ensure that the claims register accurately reflects the updated information and payment.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

**Re: Request for Form W-9
Saint Vincents Catholic Medical Centers of New York (2010)
Chapter 11 Case No. 10-11963**

As you are likely aware, Saint Vincents Catholic Medical Centers of New York and eight affiliated companies (collectively, the "Debtors") commenced bankruptcy proceedings on April 14, 2010. Subject to the terms and conditions of the Plan, the Debtors intend to make an initial (partial) distribution to claimants that hold allowed general unsecured claims (subject to a holdback necessary for disputed claims that have not yet been resolved). Epiq Bankruptcy Solutions, LLC ("Epiq") has been retained as the distribution agent under the Plan.

In order to comply with applicable law and be able to make any distribution to which you may be entitled under the Plan, the Debtors request that you complete and return the applicable IRS Form to Epiq immediately at the following address:

Please note that the Debtors will not be able to make any distributions under the Plan to any creditor that fails to return the applicable IRS Form as requested herein. If you are a "United States person" for U.S. federal income tax purposes (e.g., a U.S. citizen or a U.S. resident), your applicable IRS Form is an IRS Form W-9, a copy of which is attached. Please be advised that neither your receipt of this letter nor your return of a completed IRS Form necessarily means that you have a claim against any of the Debtors or that any such claim will ultimately be allowed. Pursuant and subject to the terms and conditions of the Plan, the Debtors are continuing the claims reconciliation process. Unless and until a claim has been allowed by order of the Bankruptcy Court or by operation of the Plan, the Debtors reserve all rights and defenses with respect thereto.

THIS IS THE FINAL REQUEST FOR THE APPLICABLE TAX FORM THAT WILL BE SENT ON ACCOUNT OF YOUR CLAIM.**

To comply with applicable law, the Liquidating Trust must have the applicable IRS form on file before it will make any distribution to which you may be entitled under the Plan. To avoid forfeiting your distribution, the Liquidating Trustee requests that you complete and return the applicable IRS Form to Epiq immediately at the following address:

**Saint Vincents Catholic Medical Centers of New York (2010) W-9 Request

If you are a “United States person” for U.S. federal income tax purposes (*i.e.*, a U.S. citizen or a U.S. resident), your applicable IRS Form is an IRS Form W-9, a copy of which is enclosed. If you are a nonresident alien for U.S. federal income tax purposes, your applicable IRS Form is an IRS Form W-8BEN, a copy of which can be found at <http://www.irs.gov/pub/irs-pdf/fw8ben.pdf> or provided to you by Epiq upon request.

PLEASE BE ADVISED THAT FAILURE TO RESPOND TO THIS NOTICE AND PROVIDE THE APPLICABLE IRS FORM WITHIN FORTY-FIVE (45) DAYS OF THE DATE OF THIS LETTER WILL RESULT IN THE CURRENT DISTRIBUTION ON ACCOUNT OF YOUR CLAIM BEING DECLARED AN “UNDELIVERABLE DISTRIBUTION.” UNDELIVERABLE DISTRIBUTIONS ARE DEEMED FORFEITED AND WILL BE INCLUDED IN THE CLAIMS POOL FOR DISTRIBUTION TO OTHER HOLDERS OF GENERAL UNSECURED CLAIMS AGAINST THE DEBTORS.

Please also be advised that the Liquidating Trustee expects to issue subsequent distributions approximately every twelve months, with the next distribution expected during the first quarter of 2016. Epiq Letter Accompanying 2016 Distributions

Re: *In re Saint Vincents Catholic Medical Centers of New York, et al.*; United States Bankruptcy Court for the Southern District of New York, Case No. 10-11963 (CGM)

Dear Sir/Madam:

On behalf of Eugene I. Davis, liquidating trustee (the "Liquidating Trustee") of the SVCMC Liquidation Trust (the "Liquidating Trust"), the successor in interest to Saint Vincent Catholic Medical Centers of New York and its affiliated debtors¹ (collectively, the "Debtors"), please find an enclosed check, which represents the second distribution on account of your general unsecured claim against the Debtors.

As you may know, on June 29, 2012, the United States Bankruptcy Court for the Southern District of New York entered an order [Docket No. 3060] (the "Confirmation Order") confirming the *Debtors' Second Amended Joint Chapter 11 Plan* [Docket No. 3035] (together with all supplements thereto, the "Plan").² The Plan became effective by its terms on June 29, 2012. The Liquidating Trustee was appointed pursuant to the Plan and Confirmation Order.

Our records indicate that you hold a Class 3 GUC Claim (as defined in the Plan). Your Class 3 GUC Claim has been allowed in a specified amount against one or more of the Debtors. The allowed amount of your Class 3 GUC Claim was either (i) fixed pursuant to a stipulation with the Debtors or Order of the Bankruptcy Court, (ii) asserted in a proof of claim that was not objected to by the Debtors, or (iii) included in the Debtors' schedules of assets and liabilities (if you did not file a proof of claim) and not listed as being unliquidated, disputed, or contingent. At this time, the Liquidating Trustee is making its second distribution, which will be equal to approximately 2.966% of the allowed amount of each allowed Class 3 GUC Claim.

¹ In addition to SVCMC, the Debtors were as follows: (i) 555 6th Avenue Apartment Operating Corporation; (ii) Bishop Francis J. Mugavero Center for Geriatric Care, Inc.; (iii) Chait Housing Development Corporation; (iv) Fort Place Housing Corporation; (v) Pax Christi Hospice, Inc.; (vi) Sisters of Charity Health Care System Nursing Home, Inc. d/b/a St. Elizabeth Ann's Health Care & Rehabilitation Center; (vii) St. Jerome's Health Services Corporation d/b/a Holy Family Home; and (viii) SVCMC Professional Registry, Inc. There are certain affiliates of SVCMC who were not Debtors.
