To the extent that such revisions are necessary, the affected documents will be incorporated in later logs.

4. A cumulative interim log (the “Cumulative Log”) is being provided along with the Fifth Interim Log. The Cumulative Log reflects the determinations of all documents reviewed to date, including the determinations from the Prior Logs and the Fifth Interim Log. As stated above, since the release of the Prior Logs, certain documents may have been reviewed again in the context of e-mail threads containing newly reviewed documents and, as a result, a small
