You are receiving this notice because you may be a counterparty to an executory contract or unexpired lease with the above-captioned Debtors. Please read this notice carefully as your rights may be affected by the transactions described herein.

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 16, 2019 (the “**Petition Date**”), the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”) each filed a voluntary petition for relief pursuant to chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Eastern District of Kentucky (the “**Bankruptcy Court**”).

2. On July 12, 2019, the Debtors filed the *Debtors’ Motion for Entry of (I) An Order (A) Establishing Bidding and Sale Procedures with Respect to the Sale of Substantially All of the Debtors’ Assets, (B) Authorizing the Entry Into One or More Stalking Horse Agreements and the Provision of Stalking Horse Protections, (C) Scheduling an Auction and Sale Hearing and Approving the Form and Manner of Notice Thereof and (D) Granting Related Relief; and (II) An Order Approving the Sale of Such Assets and Granting Related Relief* (the “**Bidding Procedures Motion**”) (Docket No. 196).² Pursuant to the Bidding Procedures Motion, the Debtors are seeking to sell substantially all Assets of the Debtors or a subset thereof, including certain executory contracts and unexpired leases. The Bidding Procedures Motion was approved by the Bankruptcy Court on August 7, 2019 (Docket No. 339) (the “**Bidding Procedures Order**”). The Bidding Procedures Order contemplates that the sale of the Assets or a subset thereof will take

Leasing, Inc. (0340), T.C. Leasing, Inc. (7705), and Shelby Resources, LLC (5085).

² Capitalized terms used herein that are otherwise not defined shall have the meaning given to them in the Bidding Procedures Motion or the Bidding Procedures Order (as defined herein), as applicable.

place via an auction (the “**Auction**”) governed by the Bidding Procedures attached to the Bidding Procedures Order as Annex 1 (the “**Bidding Procedures**”). Pursuant to the Bidding Procedures, interested potential purchasers must fulfill certain requirements to, among other things, (a) participate in the bidding process, (b) become “**Qualified Bidders**” and (c) submit “**Qualified Bids**.” A bid shall not constitute a Qualified Bid unless it is submitted in accordance with the Bidding Procedures, and a bidder shall not constitute a Qualified Bidder unless it submits a Qualified Bid. The Debtors will determine the winner of the Auction (the “**Successful Bidder**”) pursuant to the terms of the Bidding Procedures.

3. Pursuant to the Bidding Procedures Order, the Debtors may, in accordance with section 365 of the Bankruptcy Code, seek to assume and assign to a Successful Bidder some or all Assigned Contracts listed on the attached Exhibit 1 hereto; **provided, however**, that the inclusion of an executory contract or unexpired lease on the attached Exhibit 1 (i.e., an Assigned Contract) does not mean that (a) a Successful Bidder will ultimately identify such agreement as an executory contract or unexpired lease to be assumed and assigned or (b) such contract or lease is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. If any Assigned Agreements are assumed and assigned to a Successful Bidder, the Debtors have identified on the attached Exhibit 1 the Cure Amounts that the Debtors believe must be paid by the Successful Bidder to cure all prepetition defaults as required by section 365 of the Bankruptcy Code.

4. Objections to: (i) the Cure Costs set forth on Exhibit 1 must be in writing, state the basis of such objection with specificity including, without limitation, any supporting documentation to support the cure amount and be filed with the Bankruptcy Court and actually received by the Objection Notice Parties on or before **September 9, 2019 at 4:00 p.m. (prevailing Eastern Time)** (the “**Cure Objection Deadline**”); or (ii) the assumption and assignment of any Assigned Contract on Exhibit 1 must be in writing, state the basis of such objection with specificity, and be filed with the Bankruptcy Court and actually received by the Objection Notice Parties on or before **September 16, 2019 at 2:00 p.m. (prevailing Eastern Time)** (the “**Assumption and Assignment Objection Deadline**”). If the Debtors file an amended Cure Schedule, the Cure Objection Deadline shall be extended to the earlier of: (i) three (3) business days from the filing of an amended Cure Schedule; and (ii) the Sale Hearing.

5. If no objection is timely and properly filed and served in accordance with the objection procedures in Paragraph 4 of this notice: (a) the Cure Amount set forth in Exhibit 1 shall be controlling, notwithstanding anything to the contrary in any contract or lease or other document, and the non-Debtor party to the contract or lease shall be forever barred from asserting any other claim arising prior to the assignment against the Debtors or the Successful Bidder, and (b) the purchaser’s promise to perform under the contract or lease shall be deemed adequate assurance under the contract or lease within the meaning of section 365 of the Bankruptcy Code. Procedures governing a Disputed Cure Amount are provided by Paragraph 19 of the Bidding Procedures Order and shall be governed in accordance therewith.

6. Following the designation of a Successful Bid, the Debtors shall file a notice of the Successful Bid, along with copies of the asset purchase agreement associated with the Successful Bid and Sale Order (a “**Successful Bid Notice**”). No further notice will be provided.

7. An objection to the assumption and assignment of any lease or contract will not constitute an objection to the sale of the Assets or the other terms of the Sale Transaction. Parties wishing to object to the Sale Transaction must file and serve a separate objection in accordance with the Objection Procedures no later than **September 20, 2019 at 4:00 p.m. (prevailing Eastern Time)**.

8. If you agree with the Cure Amount(s) indicated on Exhibit 1, and otherwise do not object to the Debtors' assignment of your lease or contract, you need not take any further action.

9. **The Debtors' decision to assume and assign executory contracts and unexpired leases is subject to Bankruptcy Court approval and consummation of the Sale Transaction. Accordingly, the Debtors shall be deemed to have assumed and assigned each of the executory contracts and unexpired leases only as of the date of, and effective and conditioned upon, the closing of the Sale Transaction. Absent such closing, the executory contracts and unexpired leases shall neither be deemed assumed nor assigned and shall in all respects be subject to further administration under the Bankruptcy Code. The Debtors fully reserve all rights to amend, modify, or supplement Exhibit 1 in accordance with the Bidding Procedures Order.**
