Fax: (713) 226-6248
**COUNSEL FOR DEBTORS
AND DEBTORS IN POSSESSION**

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are as follows: Epic Companies, LLC (1473), Epic Diving & Marine Services, LLC (2501), Epic Applied Technologies, LLC (5844), EPIC Specialty Services, LLC (8547), Epic Alabama Steel, LLC (6835), Epic San Francisco Shipyard, LLC (5763) and Zuma Rock Energy Services, LLC (1022). The address of the Debtors' headquarters is: 1080 Eldridge Parkway, Suite 1300, Houston, Texas 77077.

EXHIBIT A

Schedule 2.1
PURCHASED ASSETS

Vessels:

1. The EPIC EXPLORER vessel, official Number 603607 flagged in the United States, together with all masts, boilers, cables, engines, machinery, bowsprits, sails, rigging, boats, anchors, chains, tackle, apparel, furniture, fittings, tools, pumps, equipment, fuel, supplies, spare parts and all other attachments and appurtenances belonging to such vessel or affixed to such vessel or in storage (the “**Explorer**”) and all right, title and interest, in and to any and all assets owned by Epic Diving & Marine (except Excluded Assets), including, solely to the extent owned or in possession by Epic Diving & Marine at the Closing Date: (A) all engines, fuel inventories, boilers, machinery, equipment, masts, boats, anchors, cables, chains, rigging, tackle, apparel, furniture, fixtures, fixed assets, winches, capstans, outfit, tools, pumps, gears, furnishings, appliances, navigation and communications equipment, computers, software, fittings, stores, spares and appurtenances; (B) all permits, certificates, licenses, orders, authorizations, applications, registrations and approvals, including from any Governmental Entity; and (C) drawings, specifications, operating guides and instruction or maintenance manuals, purchasing records, quality control records and procedures, blueprints, warranties, service and warranty records, equipment logs, captain and vessel logs, and records and documents for the Explorer

2. The ARAPAHO vessel, official number 625271 flagged in the United States, together with all masts, boilers, cables, engines, machinery, bowsprits, sails, rigging, boats, anchors, chains, tackle, apparel, furniture, fittings, tools, pumps, equipment, fuel, supplies, spare parts and all other attachments and appurtenances belonging to such vessel or affixed to such vessel or in storage (the “**Arapaho**”) and all right, title and interest, in and to any and all assets owned by Epic Applied (except Excluded Assets), including, solely to the extent owned or in possession by Epic Applied at the Closing Date: (A) all engines, fuel inventories, boilers, machinery, equipment, masts, boats, anchors, cables, chains, rigging, tackle, apparel, furniture, fixtures, fixed assets, winches, capstans, outfit, tools, pumps, gears, furnishings, appliances, navigation and communications equipment, computers, software, fittings, stores, spares and appurtenances; (B) all permits, certificates, licenses, orders, authorizations, applications, registrations and approvals, including from any Governmental Entity; and (C) drawings, specifications, operating guides and instruction or maintenance manuals, purchasing records, quality control records and procedures, blueprints, warranties, service and warranty records, equipment logs, captain and vessel logs, and records and documents for the Arapaho

3. The EPIC HEDRON vessel, official Number 2056, flagged in Vanuatu, together with all masts, boilers, cables, engines, machinery, bowsprits, sails, rigging, boats, anchors, chains, tackle, apparel, furniture, fittings, tools, pumps, equipment, fuel, supplies, spare parts and all other attachments and appurtenances belonging to such vessel or affixed to such vessel or in storage (the “**Hedron**”) and all right, title and interest, in and to any and all assets owned by Epic Applied (except Excluded Assets), including, solely to the extent owned or in possession by Epic Applied at the Closing Date: (A) all engines, fuel inventories, boilers, machinery, equipment, masts, boats, anchors, cables, chains, rigging, tackle, apparel, furniture, fixtures, fixed assets, winches, capstans, outfit, tools, pumps, gears, furnishings, appliances, navigation and communications equipment, computers, software, fittings, stores, spares and appurtenances; (B) all permits, certificates, licenses, orders, authorizations, applications, registrations and approvals,

including from any Governmental Entity; and (C) drawings, specifications, operating guides and instruction or maintenance manuals, purchasing records, quality control records and procedures, blueprints, warranties, service and warranty records, equipment logs, captain and vessel logs, and records and documents for the Hedron

Real Property:

1. A CERTAIN PARCEL OF GROUND, together with all the buildings and improvements thereon, located in Section 12, Township 17 South, Range 17 East, Terrebonne Parish, Louisiana, being Lot 10 of Houma- Terrebonne Industrial Park as shown on plat of survey by Robert C. Reed, Registered Land Surveyor, dated March 22, 1972, revised July 11, 1973, said plat attached to document dated February 17, 1975, and registered in COB 608, folio 670, Entry No. 482726, and said Lot 10, being more particularly described as follows, to-wit:

Commencing at a point S 81°03'50" W, a distance of 1770.00 feet from the intersection of the westerly right-of-way line of Roland Road with the centerline of Dickson Road, said point being the northeasterly corner of Lot 10 and also being the point of beginning; then S 8°56'10" E, along the property line between Lot 10 and M-1 Drilling Fluids Co. (Lot 11), a distance of 1320.00 feet to a point in the centerline of Munson Slip; thence S 81°03'50" W, along said centerline a distance of 330.00 feet to a point on the property line between Lot 10 and Soloco, Inc. (Lot 9); thence N 8°56'10" W, along said property line a distance of 1320.00 feet to a point in the centerline of Dickson Road; thence N 81°03'50" E, along said centerline a distance of 330.00 feet to the point of beginning and containing an area of 10.00 acres, more or less, all as more fully shown on a map prepared by Euclid Engineering Co., Inc. dated November 10, 1978, and titled "Map Showing Survey of Lots 8, 9 and 10 for Walter Land Company located in Section 12, T1 7S-R1 7E, Terrebonne Parish, Louisiana.

In accordance with survey by Charles M. Camp, Registered Land Surveyor, dated February 17, 1981, revised February 19, 1981, the said property has the same location and same measurements as herein above stated

For informational purposes: The property has an address of 309 Dickson Road, Houma, LA 70363.
