Re: In re THG Holdings, LLC, et al., Case No. 19-11689 (JTD) (Jointly Administered)

Statement of the Official Committee of Unsecured Creditors in Support of the Revised Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation Proposed by the Debtors, DIP Agent and Official Committee of Unsecured Creditors (the "Plan")¹

Dear Creditor:

We are representatives of the Official Committee of Unsecured Creditors (the "Committee") of THG Holdings, LLC, et al. (collectively, the "Debtors") in their chapter 11 cases pending before The Honorable John T. Dorsey in the United States Bankruptcy Court for the District of Delaware (the "Court"). The Committee was appointed on August 8, 2019, by the Office of the United States Trustee for the District of Delaware.

The Committee, representing the interests of holders of all General Unsecured Claims, supports confirmation of the Plan. The Committee recommends that all holders of General Unsecured Claims review and vote to accept the Plan by completing and returning the enclosed ballot.

A copy of the Plan, containing detailed information regarding the Debtors, their business, the sale of substantially all of their assets, the history and events of the Chapter 11 Cases, and the proposed distribution to various classes of Claims, including General Unsecured Claims, may be downloaded and/or viewed free of charge at the Debtors' case website (https://dm.epiq11.com/case/THG/). The Committee believes that the Plan – which is supported by the Debtors, the Committee and certain key stakeholders that was reached following extensive good faith, arms'-length negotiations – provides for a treatment of your Claim that is both fair and equitable.

You should review the Plan carefully. As set forth in the Plan, General Unsecured Creditors will receive an undetermined distribution from the Liquidating Trust after payment in full of allowed priority claims and administrative expenses. The Plan provides for the transfer to the Liquidating Trust of certain assets, including (as more fully described in the Plan), unsold equipment, inventory, intellectual property, accounts and accounts receivable including all Medicare Claims that may be asserted by or on behalf of the Debtors, as well as Litigation Assets that may be asserted against the Debtors' Insiders and others.

Following the occurrence of the Effective Date of the Plan, the Liquidating Trustee – who will report to a Liquidating Trust Oversight Board – will be charged with the responsibility of marshaling, liquidating and monetizing the aforementioned assets, as well as reconciling claims asserted against the Debtors and making distributions on account of allowed claims. The size and timing of distributions to General Unsecured Creditors will largely depend on the outcomes of the Litigation Assets.

The Plan also includes a mechanism through which individual creditors can assign and transfer to the Liquidating Trust their claims or causes of action (the "Creditor Cause of Action") against any party that arise from the Debtors or the Debtors' business practices. A Creditor Cause of Action is

¹ Capitalized terms used but not defined herein shall have the meanings given to them in the Combined Plan and Disclosure Statement.

the legal right, if any, to hold third parties liable for the debt owed by the Debtors to a creditor. It does not result in the assignment of a creditor's claim against the Debtors, which each creditor retains for distribution and other purposes. General Unsecured Creditors that elect to become an Assigning Creditor will automatically become entitled to a twenty-five present (25%) increase of the allowed amount of their Claim, effective only upon Allowance of the Assigning Creditor's Claim.

The Committee believes that the Plan's assignment mechanism is essential to the efficient and effective pursuit of Litigation Assets for the benefit of creditors. The Committee urges all General Unsecured Creditors who believe they may be able to assert a Creditor Cause of Action to carefully review the provisions of the Plan that relate to the Creditor Cause of Action, and if appropriate, consider electing to transfer its Creditor Cause of Action to the Liquidating Trust by marking the appropriate item on the ballot and then executing the assignment and transfer form. That form will be included in the Plan Supplement that will be filed several days before Confirmation.

You should review the Plan carefully. Enclosed herewith is a ballot and voting instructions. **The Voting Deadline is November 15, 2019, at 5:00 p.m. (prevailing Pacific Time).** Please complete and submit your ballots in accordance with the enclosed instructions so that they are received no later than the Voting Deadline. The Bankruptcy Court hearing on confirmation of the Plan is set for November 26, 2019, at 2:00 p.m. (prevailing Eastern Time). The description in this letter and the terms of the Plan are qualified by and subject to the discussion and provisions contained in the Plan.

Please contact the undersigned with any questions regarding this matter.

Very truly yours,

COOLEY LLP
