**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,  
METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS'  
SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF  
FINANCIAL AFFAIRS**

On August 26, 2019 (the “**Petition Date**”), Epic Companies, LLC (the “**Company**”) and certain of its subsidiaries (collectively “**Epic**” or the “**Debtors**” each filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”). The Debtors’ cases are being jointly administered under Case No. 19-34752.

Through their Chief Restructuring Officer and with the assistance of their advisors, the Debtors’ management prepared the annexed Schedules of Assets and Liabilities (the “**Schedules**”) and the Statement of Financial Affairs (the “**Statements**” and together with the Schedules, the “**Schedules and Statements**”) pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Epic Companies, LLC (1473), Epic Diving & Marine Services, LLC (2501), Epic Applied Technologies, LLC (5844), EPIC Specialty Services, LLC (8547), Epic Alabama Steel, LLC (6835), Epic San Francisco Shipyard, LLC (5763) and Zuma Rock Energy Services, LLC (1022). The address of the Debtors’ headquarters is: 1080 Eldridge Parkway, Suite 1300, Houston, Texas 77077.

(“GAAP”), nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of the Debtors.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re- categorized. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or its agents, attorneys, and financial advisors are advised of the possibility of such damages.

Jeffrey T. Varsalone, the Debtors’ President and Chief Restructuring Officer and an authorized signatory of the Debtors, has signed the Schedules and Statements. In reviewing and signing the Schedules and Statements, Mr. Varsalone relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Varsalone has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

### **Global Notes and Overview of Methodology**

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights (i) to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim (“**Claim**”) description or designation or the Debtors against which the Claim is asserted; (ii) to dispute or otherwise to assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; and (iii) to designate subsequently any Claim as “disputed,” “contingent,” or “unliquidated;” or to object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any

failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtors against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtor’s chapter 11 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non- bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements except as may be required by applicable law.

2. **“As Of” Information Date.** Asset values other than cash, accounts receivable, and prepaids are presented as of May 31, 2019. The cash, accounts receivable, and prepaid asset values and liability information provided herein represents the data as of the Petition Date except as otherwise noted.
3. **Net Book Value of Assets.** Unless otherwise indicated, the asset data contained in the Debtors’ Schedules and Statements reflects the Debtors’ net book value. Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the commodity price environment and may differ materially from the actual value of the underlying assets.
4. **Recharacterization.** Notwithstanding the Debtors’ commercially reasonable efforts to characterize, classify, categorize, or designate properly certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ business. Accordingly, the Debtors reserve all of their rights to re-characterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules and Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.
5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional

information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, the Debtors reserve all of its rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim. Although there are multiple lenders under the Debtors' prepetition debt facilities, only the administrative agents are listed in the Schedules.

- 6. Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors have also excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

The Bankruptcy Court has authorized (but not directed) the Debtors to pay, in their discretion, certain outstanding Claims on a post-petition basis. Prepetition liabilities that have been paid postpetition or those that the Debtors plan to pay via this authorization have not been included in the Schedules. Please see the notes to Schedule E/F for additional information.

- 7. Insiders.** For purposes of the Schedules and Statements, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtor's directors, officers, or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and the inclusion of them in the Schedules and Statements, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.
- 8. Intellectual Property Rights.** Exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

**9. Classifications.** Listing (a) a Claim on Schedule D as “secured,” (b) a Claim on Schedule E/F as “priority,” (c) a Claim on Schedule E/F as “unsecured,” or (d) a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.

**10. Claims Description.** Schedules D and E/F permit the Debtors to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on the Debtors’ Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on its Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtors.

**11. Causes of Action.** Despite making commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, or assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

**12. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.

- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. The Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities. Please see notes to Schedule E/F for any additional information.
- d. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

**13. Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

**14. Intercompany Payables and Receivables.** Intercompany receivables/payables are set forth on Schedules A/B and E/F, respectively. The listing by the Debtors of any account between a Debtor and another affiliate, including between the Debtor and any disregarded or non-debtor affiliate, is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtor take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

**15. Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, refunds, negotiations, and/or disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements.

**16. Employee Addresses.** Current employee, former employee and director addresses have been reported as the Debtors' business address throughout the Schedules and Statements, where applicable.

**17. Fiscal Year.** The Debtors operate under a fiscal year ending December 31. Unless otherwise indicated, all references to “annual,” “annually,” “year,” “years,” or an otherwise similar length of time are presumed to refer to a period of time ending December 31 of the referenced period or periods.

**18. Completeness.** Every effort has been made to ensure that the Schedules and Statements are as complete and accurate as possible. However, there may be gaps in the reporting of financial information resulting from the Debtors’ migration from its predecessor’s financial reporting systems to their current reporting systems.

**19. Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

**Specific Notes with Respect to the Debtor’s Schedules of Assets and Liabilities**

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors’ reasonable best efforts to report the assets and liabilities of the Debtors. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that the Debtors show more assets than liabilities, this is not an admission that the Debtors were solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent the Debtors show more liabilities than assets, this is not an admission that the Debtors were insolvent as of the Petition Date or at any time before the Petition Date.

**1. Schedule A/B, Part 1, Questions 2 and 3 – Cash on hand and Checking, savings, or other financial accounts.**

While the long-term Epic asset values were reported as of May 31, 2019, the current assets (Cash on hand, Checking, Savings, Money Market, or Financial Broker Accounts, Deposits and Prepayments, and Accounts Receivable) were reported as of the Petition Date.

**2. Schedule A/B, Part 7, Question 41 – Office Equipment including all computer equipment and communication systems equipment and software.**

The Schedules do not include miscellaneous office equipment not reflected in the Debtors’ books and records.

**3. Schedule A/B, Part 11, Question 73 – Interests in insurance policies or annuities**

The Debtors maintain a variety of insurance policies including property, general liability, and workers' compensation policies and other employee related policies. The Debtors' interest in these types of policies is limited to the amount of the premiums that the Debtors have prepaid, if any, as of the Petition Date and any prefunded claim tails. To the extent the Debtors have made a determination of the amount of prepaid insurance premiums or prefunded claim tails as of the Petition Date, such amounts are listed on Exhibit A/B, Part 2, Question 8. All policies are expected to remain active.

**4. Schedule D**

Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights, including certain parties from whom the Debtors have received lien notices but whose notices the Debtors understand have not yet been filed or recorded. While reasonable efforts have been made, determination of the date upon which each claim in Schedule D was incurred or arose would be unduly burdensome or cost prohibitive, and therefore the Debtors may not list a date for each claim listed on Schedule D.

Although there are multiple parties that hold a portion of the Debtors' secured and unsecured indebtedness, only the administrative agents or indenture trustees that have been listed for the purposes of Schedule D.

Finally, the Debtors are taking no position on the extent or priority of any particular creditor's lien in this document.

**5. Schedule E/F**

Certain of the claims of state and local taxing authorities set forth in Schedule E/F, ultimately may be deemed to be secured claims pursuant to state or local laws. In addition, certain of the claims owing to various taxing authorities to which the Debtors may be liable may be subject to ongoing audits. The Debtors reserve the right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority and the listing of any claim on Schedule E/F does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtors reserves all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

The bankruptcy court granted authority to the Debtors to pay certain obligations related to the employee wages and benefits [Docket No.32], insurance programs [Docket No.28] and taxes [Docket No.30]. With this in mind, the Debtors have paid many of these obligations, and intend to make additional payments in the future. Consequently, the Debtors have only reflected liabilities that they expect to remain unpaid under any first-day court authority on schedules E/F. Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtor's open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

## **6. Schedule G**

While the Debtors' existing books, records and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or inclusions may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set in Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, the status, the enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed in Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may have not be listed therein despite their Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other documents made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon

Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtors hereby expressly reserves the right to assert that any instrument listed on Schedule G is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. In addition, the Debtors reserve all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to dispute or challenge the characterization or the structure of any

transaction, document, or instrument (including any intercompany agreement).

Certain confidentiality and non-compete agreements may not be listed on Schedule G. The Debtors reserve all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, it is the Debtor's intent that each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtors and such supplier or provider.

In the ordinary course of business, certain of the Debtors may enter into agreements titled as leases for property or other real property interests and equipment from third-party lessors for use in the daily operation of their business. Any known pre-petition obligations of the Debtors' pursuant to the same have been listed on Schedule EF. The underlying lease agreements are listed on Schedule G, or, if the leases are in the nature of real property interests under applicable state laws, on Schedule AB. Nothing in the Schedules and Statements is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement or a real property interest), and the Debtors reserve all rights with respect to such issues.

## **7. Schedule H**

Although there are multiple parties that hold a portion of the Debtors' secured and unsecured indebtedness, only the administrative agents or indenture trustees that have been listed for the purposes of Schedule H.
