COMPANIES FOR ADDITIONAL ASSURANCE OF PAYMENT**

Tuesday Morning Corporation and its debtor affiliates, as debtors and debtors-in-possession in the above-referenced chapter 11 cases (collectively, the "Debtors") hereby file this *Debtors' Emergency Motion for an Order Under 11 U.S.C. §§ 105(a) and 366 (I) Prohibiting Utility Companies from Altering or Discontinuing Service on Account of Prepetition Invoices*,

¹ The Debtors in these Chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, include: Tuesday Morning Corporation (8532) ("TM Corp."); TMI Holdings, Inc. (6658) ("TMI Holdings"); Tuesday Morning, Inc. (2994) ("TMI"); Friday Morning, LLC (3440) ("FM LLC"); Days of the Week, Inc. (4231) ("DOTW"); Nights of the Week, Inc. (7141) ("NOTW"); and Tuesday Morning Partners, Ltd. (4232) ("TMP"). The location of the Debtors' service address is 6250 LBJ Freeway, Dallas, TX 75240.

(II) *Approving Deposit Account as Adequate Assurance of Payment*, and (III) *Establishing Procedures for Resolving Requests by Utility Companies for Additional Assurance of Payment* (the “Motion”). In support of the Motion, the Debtors respectfully state as follows:

Jurisdiction and Venue

1. The United States District Court for the Northern District of Texas (the “District Court”) has jurisdiction over the subject matter of this Motion pursuant to 28 U.S.C. § 1334. The District Court’s jurisdiction has been referred to this Court pursuant to 28 U.S.C. § 157 and the District Court’s Miscellaneous Order No. 33, *Order of Reference of Bankruptcy Cases and Proceedings Nunc Pro Tunc* dated August 3, 1984. This is a core matter pursuant to 28 U.S.C. § 157(b), which may be heard and finally determined by this Court. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

2. On May 27, 2020 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) commencing the above captioned cases (the “Chapter 11 Cases”). The Debtors continue to manage and operate their businesses as debtors-in-possession pursuant to Bankruptcy Code §§ 1107 and 1108.

3. An official committee of unsecured creditors has yet to be appointed in these Chapter 11 Cases. Further, no trustee or examiner has been requested or appointed in these Chapter 11 Cases.

4. A detailed description of the Debtors and their businesses, and the facts and circumstances supporting the Motion and the Debtors’ Chapter 11 Cases are set forth in greater detail in the *Declaration of Barry Folse in Support of the Debtors’ Chapter 11 Petitions and First*

Day Motions (the “Folse Declaration”), which was filed on the Petition Date and is incorporated by reference in this Motion.

5. In the normal conduct of their business operations, the Debtors have relationships with many different utility companies and other providers (each a “Utility Company” and, collectively, the “Utility Companies”) for the provision of electric, water, sewer, natural gas, recycling and waste removal, telephone, cellular telephone, internet services, and similar utility products and services (collectively, the “Utility Services”) at their corporate headquarters and their various lease locations. The Debtors have an agreement with ENGIE Insight Services Inc., a utility management company (“ENGIE”), for assistance with the Debtors’ utility obligations in exchange for a monthly fee. ENGIE receives, audits, processes, and pays 80% of the Debtors’ electric, gas, water, sewer, natural gas, and recycling and waste removal utilities. Additionally, as of November 1, 2019, the Debtors use Teligistics, Inc., a telecommunications utility management company (“Teligistics”), for assistance with the Debtors’ telecommunications utilities in exchange for a monthly fee. Teligistics receives, audits, and processes the Debtors’ telecommunications utilities, but, unlike ENGIE, Teligistics does not directly pay the telecommunications Utility Companies. Upon receipt of the audits from Teligistics, the Debtors pay the telecommunications Utility Companies directly. The Debtors’ Utility Companies include, without limitation, the entities set forth on the list attached hereto as **Exhibit A**.²

6. The average monthly amount owed to the Utility Companies in the aggregate is approximately \$1.5 million. The Debtors owe certain amounts to Utility Companies as of the

² While the Debtors have used their best efforts to list their Utility Companies in Exhibit A, the Debtors may have inadvertently omitted certain Utility Companies from Exhibit A. Accordingly, the Debtors request that they be authorized, without further order of the Court, to amend Exhibit A to add any Utility Companies that were omitted therefrom and that the relief requested herein apply to all such entities added to Exhibit A. In addition, the Debtors reserve the right to argue that (a) any of the entities now or hereafter listed in Exhibit A is not a “utility” within the meaning of Bankruptcy Code § 366, and (b) any such entity is compelled by contractual obligation, state or local law, or otherwise, to continue to furnish services to the Debtors notwithstanding the filing of the Chapter 11 Cases.

Petition Date for prepetition Utility Services. Due to the timing of the Petition Date in relation to the Utility Companies' billing cycles, certain Utility Services have been invoiced but not yet paid, and other Utility Services have been provided but not yet invoiced.

Relief Requested

7. The Debtors request the entry of an order, substantially in the form attached to the motion as **Exhibit B**, (the "Order") (i) prohibiting the Utility Companies from altering or discontinuing service on account of unpaid prepetition invoices, (ii) establishing the Procedures (as defined below) for resolving any disputes regarding requests for adequate assurance of payment, and (iii) scheduling a final hearing on this Motion (the "Final Hearing") within thirty (30) days of the Petition Date.

8. Uninterrupted Utility Services are essential to the continued operations of the Debtors' businesses. If the Utility Companies refuse or discontinue service, even for a brief period, the Debtors' business operations will be severely disrupted. If such disruption occurs, the impact on the Debtors' business and revenue will be extremely harmful and will jeopardize the Debtors' reorganization efforts. It is critical that Utility Services continue uninterrupted and that the relief in this Motion be granted.

9. By this Motion, the Debtors seek to respect the protections conferred upon the Utility Companies by the Bankruptcy Code, while affording the Debtors an opportunity to provide and negotiate adequate assurance without facing the threat of termination of Utility Services. In particular, the Debtors request approval of certain procedures that balance the protections afforded the Utility Companies under Bankruptcy Code § 366 and the Debtors' need for continuous and uninterrupted Utility Services.

A. Proposed Adequate Assurance

10. The Debtors anticipate that the cash flow from their ongoing business operations, together with funding from the DIP Facility³ will be sufficient to satisfy all administrative expenses, and the Debtors intend to pay all post-petition obligations owed to the Utility Companies in a timely manner. Nevertheless, to provide additional adequate assurance of payment for future Utility Services, the Debtors will deposit \$800,000, a sum equal to over fifty percent 50% of the Debtors' estimated monthly cost of their Utility Services, into a separate, segregated, interest-bearing account, that will be established and funded within twenty (20) business days after the Petition Date (the "Utility Deposit Account"), subject to the terms and conditions of the DIP Lender under the debtor-in-possession facility (the "DIP Facility") and applicable orders authorizing the Debtors to enter into the same.⁴ The Debtors will maintain the Utility Deposit Account with a minimum balance equal to at least 50% of the Debtors' estimated monthly cost of Utility Services from Utility Companies, which may be adjusted by the Debtors to account for the termination of Utility Services by the Debtors or other arrangements with respect to adequate assurance of payment reached with individual Utility Companies.

11. In addition, the Debtors have requested authority from this Court to conduct store closing sales for certain retail locations, which are expected to be begin on June 1, 2020, and the sales plan to be completed within 12 weeks.⁵ After these stores are closed and utility accounts

³ "DIP Facility" means those post-petition loans and other extensions of credit from JPMorgan Chase Bank, N.A., in its capacity as administrative agent (the "DIP Agent") under that certain [Senior Secured Super Priority Debtor-in-Possession Credit Agreement] dated May 27, 2020 between Debtor Tuesday Morning, Inc., as borrower, Guarantors (as defined therein), the DIP Agent, and the lenders party thereto.

⁴ The calculation is based on the average of the Debtors' utility expenses for the trailing 12 months.

⁵ This relief is set forth in detail in the Debtors' *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Assume the Consulting Agreement; (II) Approving Procedures for Store Closing Sales; (III) Approving the Sale of Store Closure Assets Free and Clear of All Liens, Claims and Encumbrances; (IV) Waiving Compliance with Applicable State Laws and Approving Dispute Resolution Procedures; (V) Approving Procedures to Conduct Sales in Additional Closing Stores; and (VI) Granting Related Relief* (the "Store Closing Sales Motion").

associated therewith are settled, the Debtors seek to reduce the amount of the Utility Deposit Account to reflect Utility Services that are no longer provided. The applicable Utility Companies will be required to return deposits within a reasonable amount of time of receive notice from the Debtors that the respective Utility Service is no longer in use.

12. In addition, the Debtors have utility deposits already in place with some of the Utility Companies, which grants additional adequate assurance to such Utility Companies in addition to the Utility Deposit Account and the DIP Facility. With the funds in the Utility Deposit Account, the Debtors will have an amount greater than the Debtors' average monthly usage.

13. The Debtors further propose that to the extent the Debtors become delinquent with respect to postpetition payment for Utility Services from a Utility Company, such Utility Company may file a notice of delinquency (a "Delinquency Notice") with the Court and serve such Delinquency Notice on (a) the Debtors, (b) counsel to the Debtors, (c) lead counsel and local counsel to JPMorgan Chase Bank, N.A., the DIP Agent; (d) the official committee of unsecured creditors, if one is appointed, and (e) the United States Trustee for the Northern District of Texas (each, a "Party in Interest"). The Debtors propose that if such delinquency is not cured and no Party in Interest has objected to the Delinquency Notice within ten (10) days of the receipt of the Delinquency Notice, then, the Debtors will (i) remit to such Utility Company from the Utility Deposit Account the lesser of (a) the amount allocated in the Utility Deposit Account for such Utility Company's account and (b) the amount of post-petition charges claimed as delinquent in the Delinquency Notice, and (ii) replenish the Utility Deposit Account for the amount remitted to such Utility Company.

14. The Debtors represent that the Utility Deposit Account, together with the Debtors' ability to pay for future Utility Services in the ordinary course of business, provides the Utility Companies the adequate assurance they are entitled to receive under the Bankruptcy Code.

B. The Additional Adequate Assurance Procedures

15. Notwithstanding the foregoing proposed adequate assurance, the Debtors anticipate that certain Utility Companies may not find the Utility Deposit Account, together with the Debtors' ability to pay for future Utility Services in the ordinary course of business, "satisfactory" and may request additional adequate assurance of payment pursuant to Bankruptcy Code § 366(c)(2). Accordingly, the Debtors propose the following procedures (the "Procedures") for the Utility Company to make additional requests for adequate assurance:

- (a) If a Utility Company is not satisfied with the assurance of future payment provided by the Debtors, the Utility Company must file and serve an objection setting forth: (i) the location(s) for which Utility Services are provided; (ii) the account number(s) for such location(s); (iii) the outstanding balance for each account; (iv) the amount of any deposit(s) made by the Debtors prior to the Petition Date; (v) a summary of the Debtors' payment history in each account; and (vi) any argument as to why the Utility Company has not been provided adequate assurance of payment (an "Objection").
- (b) The Court has scheduled a final hearing on this Motion on _____, 2020 at ____m. (Central) (the "Hearing Date") for the purpose of considering any Objections.
- (c) Any Objection by a Utility Company listed on Exhibit A must be served upon, and actually received by, (i) the Debtors' counsel, Haynes and Boone, LLP, 2323 Victory Avenue, Suite 700, Dallas, TX 75219, Attn: Ian Peck; (ii) Vinson & Elkins, LLP, 2001 Ross Ave., Suite 3900, Dallas, TX 75201, Attn: William L. Wallander and Bradley R. Foxman, counsel for JPMorgan Chase Bank, N.A., as DIP Agent; (iii) counsel to the official committee of unsecured creditors, if one is appointed; and (iv) the United States Trustee for the Northern District of Texas, by no later than seven (7) days prior to the Hearing Date. The Debtors may file and serve a reply to any such Objection on or before the date that is two (2) days prior to the Hearing Date.
- (d) Without further order of the Court, but subject to the terms and conditions of the DIP Facility and applicable orders authorizing the Debtors to enter into the same, the Debtors may enter into agreements granting additional adequate assurance to a Utility Company serving a timely Objection, if the Debtors, in their discretion, determine that the Objection is reasonable.

- (e) If the Debtors discover the existence of a Utility Company not listed on **Exhibit A**, the Debtors shall, within two (2) business days after discovering the existence of such Utility Company, (i) file a supplement to **Exhibit A** which supplement shall identify the Utility Company and the additional amount of the adequate assurance deposit the Debtors propose to place in the Utility Deposit Account, and (ii) serve such Utility Company with notice of entry and a copy of the Order.
- (f) In the event that a Utility Company not listed on **Exhibit A** objects to the Debtors' proposal to provide adequate assurance of payment, such Utility Company must file and serve on counsel for the Debtors and DIP Agent an Objection within fourteen (14) days after the date upon which it receives notice of entry of the Order. A hearing on such Objection will be set by the Court no sooner than seven (7) days after the date upon which such Objection has been filed. The Debtors may file and serve a reply to any such Objection on or before the date that is two (2) days prior to such hearing date.
- (g) All Utility Companies will be deemed to have received adequate assurance of payment in accordance with Bankruptcy Code § 366, without the need for an additional deposit or other security, until this Court enters an order to the contrary. Any Utility Company that fails to make a timely Objection shall be deemed to be satisfied that the Utility Deposit Account provides adequate assurance of payment for future services within the meaning of Bankruptcy Code § 366(c)(2).

16. The Procedures provide a fair, reasonable, and orderly mechanism for the Utility Companies to seek additional adequate assurance, while temporarily maintaining the status quo for the benefit of all stakeholders.

Basis for Relief Requested

17. Bankruptcy Code § 366(a) provides that:

Except as provided in subsections (b) and (c) of this section, a utility may not alter, refuse, or discontinue service to, or discriminate against, the trustee or the debtor solely on the basis of the commencement of a case under this title or that a debt owed by the debtor to such utility for service rendered before the order for relief was not paid when due.

11 U.S.C. § 366(a).

18. Congress intended Bankruptcy Code § 366 to protect debtors from utility service cutoffs upon the filing of a bankruptcy case, while at the same time providing utility companies with adequate assurance that the Debtors will pay for postpetition services. See H.R. Rep. No. 95-

595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306; *see also Jones v. Boston Gas Co. (In re Jones)*, 369 B.R. 745, 748 (B.A.P. 1st Cir. 2007) (“The purpose of § 366 is ‘to prevent the threat of termination from being used to collect pre-petition debts while not forcing the utility to provide services for which it may never be paid.’”) (quoting *Begley v. Phila. Elec. Co. (In re Begley)*, 760 F.2d 46, 49 (3d Cir. 1985)). The relief requested in this Motion is consistent with this policy.

19. Prior to the enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (“BAPCPA”), courts, commentators, and legislative history had all confirmed that Bankruptcy Code § 366 does not require, in every case, that the Debtors provide a deposit or other security to their utilities as adequate assurance of payment. In *Va. Elec. & Power Co. v. Caldor, Inc.—N.Y.*, 117 F.3d 646, 647 (2d. Cir. 1997), the United States Court of Appeals for the Second Circuit affirmed the bankruptcy court’s ruling that the Debtors’ prepetition payment history, their postpetition liquidity, and the administrative expenses afforded postpetition invoices constituted adequate assurance of future performance. The court rejected the argument that Bankruptcy Code § 366(b) nevertheless requires a “deposit or other security.” *See id.* at 650–52.

20. A bankruptcy court’s authority to “modify” the level of the “deposit or other security,” provided for under Bankruptcy Code § 366(b) includes the power to require no “deposit or other security” where none is necessary to provide a utility with “adequate assurance of payment.” *Id.*; *see also Shirey v. Phila. Elec. Co. (In re Shirey)*, 25 B.R. 247, 249 (Bankr. E.D. Pa. 1982) (“[S]ection 366(b) . . . does not permit a utility to request adequate assurance of payment for continued service unless there has been a default by the debtor on a prepetition debt owed for services rendered.”).

21. In BAPCPA, Congress added Bankruptcy Code § 366(c). Bankruptcy Code § 366(c) provides that in a Chapter 11 case, a utility company may alter, refuse, or discontinue utility service if, within thirty (30) days after commencement of the Chapter 11 case, the utility company does not receive adequate assurance in a form “satisfactory” to the utility company, subject to the Court’s ability to modify the amount of adequate assurance. In determining whether an assurance of payment is adequate, the Court may no longer consider (i) the absence of security before the petition date, (ii) the Debtors’ history of timely payments, or (iii) the availability of an administrative expense priority.

22. While the form of adequate assurance may be limited under Bankruptcy Code § 366(c), the amount of the deposit or other form of security remains fully within the reasonable discretion of the Bankruptcy Court, and § 366(c) does not require a guarantee of payment. In *In re Adelphia Business Solutions, Inc.*, the Bankruptcy Court for the Southern District of New York stated that “[i]n determining adequate assurance, a bankruptcy court is not required to give a utility company the equivalent of a guaranty of payment, but must only determine that the utility is not subject to an unreasonable risk of nonpayment for postpetition services.” *In re Adelphia Bus. Sols., Inc.*, 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002). The essence of the court’s inquiry is an examination of the totality of the circumstances in making an informed judgment as to whether utilities will be subject to an unreasonable risk of nonpayment. *Id.* at 82–83; see *In re Anchor Glass Container Corp.*, 342 B.R. 872, 875 (Bankr. M.D. Fla. 2005).

23. The Utility Deposit Account provides the Utility Companies with ample adequate assurance of future payment under § 366(c). Further, the Debtors’ access to financing under the DIP Facility means that the Debtors will have sufficient resources to pay all valid post-petition obligations for Utility Services in a timely manner. In addition, the Debtors have significant

incentives to stay current on their Utility Service obligations as they come due because of their reliance on the Utility Services for the operation of their business. These factors, which the Court may—and should—consider when determining the amount of any adequate assurance provided, justify a finding that the Utility Deposit Account together with the Debtors’ access to financing under the DIP Facility is more than sufficient to assure the Utility Companies of future payments.

24. Despite the adequate assurance of future payment described above, the Debtors propose to protect the Utility Companies further by establishing the Procedures for requesting additional adequate assurance. Separate negotiations with each of the Utility Companies would be time-consuming and unnecessarily divert the Debtors’ personnel from other critical tasks related to the operation of their business and the restructuring. This is especially true given the fact that the Debtors operate at several different locations, many of which have separate utility arrangements. During the first days of the Chapter 11 Cases it would be incredibly difficult, costly, and would divert the Debtors’ limited personnel resources to engage in separate negotiations with each potential Utility Company. Further, if individual negotiations were required and the Debtors were to fail to reach early agreements with each Utility Company, the Debtors would likely have to file further motions seeking expedited determinations as to adequate assurance or risk service termination.

25. The relief requested in this Motion preserves the status quo and ensures continued Utility Services, while providing a prompt forum for the resolution of any dispute as to adequate assurance. Bankruptcy Code § 105(a) authorizes this Court to enter “any order . . . that is necessary or appropriate to carry out the provisions of this title.” § 105(a). Because the proposed Procedures protect the Debtors without materially prejudicing the Utility Companies, the Procedures are fully consistent with the requirements of § 366 and appropriate under § 105(a).

26. Courts in this district and other jurisdictions have granted similar relief in chapter 11 cases following the enactment of BAPCPA. *See e.g., In re The LaSalle Grp., Inc.*, Case No. 19-31484 (SGJ) (Bankr. N.D. Tex. June 17, 2019) (Docket No. 91) (approving adequate assurance in the form of a deposit equal to one-half the average monthly utility costs); *In re PHI, Inc.*, Case No. 19-30923 (HDH) (Bankr. N.D. Tex. May 10, 2019) (Docket No. 428) (approving adequate assurance in the form of a deposit equal to one-half the average monthly utility costs); *In re SAS Healthcare, Inc.*, Case No. 19-40401 (MXM) (Docket No. 49) (Bankr. N.D. Tex. Feb. 6, 2019) (approving adequate assurance in the form of a deposit equal to one-half the average monthly utility costs); *In re Erickson Inc.*, Case No. 16-34393 (HDH) (Docket No. 139) (Bankr. N.D. Tex. Dec. 5, 2016) (approving adequate assurance in the form of a deposit equal to one-half the average monthly utility costs); *In re Forest Park Med. Ctr. at Southlake, LLC*, Case No. 16-40273 (RFN) (Bankr. N.D. Tex. Feb. 2, 2016) (Docket No. 75) (approving adequate assurance in the form of a deposit equal to one-half the average monthly utility costs). The present circumstances warrant similar relief in these Chapter 11 Cases.

Notice

27. Notice of this Motion will be provided to: (i) the Office of the United States Trustee; (ii) the Debtors' secured creditors; (iii) any party whose interests are directly affected by this specific pleading; (iv) those persons who have formally appeared and requested notice and service in these proceedings pursuant to Bankruptcy Rules 2002 and 3017; (v) counsel for the proposed DIP Agent; (vi) counsel for any official committees appointed by this Court; (vii) the consolidated list of the 40 largest unsecured creditors of the Debtors; and (viii) all governmental agencies having a regulatory or statutory interest in these cases (collectively, the "Notice Parties"). Based on the

urgency of the circumstances surrounding this Motion and the nature of the relief requested herein, the Debtors respectfully submits that no further notice is required.

Conclusion

WHEREFORE, based on the foregoing, the Debtors respectfully request that the Court (i) grant the Motion, and (ii) grant such other and further relief as is just and proper.

RESPECTFULLY SUBMITTED this 27th day of May, 2020.

IT IS HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. Except in accordance with the procedures set forth below, absent further order of the Court, each Utility Company is prohibited from (a) altering, refusing, or discontinuing service to, or discriminating against the Debtors solely on the basis of the commencement of the Chapter 11 Cases or on account of any unpaid invoice for services provided before the Petition Date and (b) requiring the payment of a deposit or other security in connection with the Utility Companies’

continued provision of Utility Services, other than the establishment of the Utility Deposit Account.

3. The Debtors are authorized and directed to establish the Utility Deposit Account and shall deposit \$800,000 into the Utility Deposit Account for the purpose of providing Utility Companies adequate assurance of payment for postpetition Utility Services provided to the Debtors. The Debtors shall maintain the Utility Deposit Account with a minimum balance equal to 50% of the Debtors' estimated monthly cost of Utility Services, which the Debtors may adjust to account for the termination of Utility Services by the Debtors or other arrangements with respect to adequate assurance of payment reached with any Utility Company.

4. To the extent the Debtors become delinquent with respect to postpetition payment for Utility Services from a Utility Company, such Utility Company may file a notice of delinquency (a "Delinquency Notice") with the Court and serve such Delinquency Notice on (a) the Debtors, (b) counsel to the Debtors, (c) counsel to JPMorgan Chase Bank, N.A., the DIP Agent; (d) the official committee of unsecured creditors, if one is appointed, and (e) the United States Trustee for the Northern District of Texas (each, a "Party in Interest"). The Debtors propose that if such delinquency is not cured and no Party in Interest has objected to the Delinquency Notice within ten (10) days of the receipt of the Delinquency Notice, then, the Debtors will (i) remit to such Utility Company from the Utility Deposit Account the lesser of (a) the amount allocated in the Utility Deposit Account for such Utility Company's account and (b) the amount of post-petition charges claimed as delinquent in the Delinquency Notice, and (ii) replenish the Utility Deposit Account for the amount remitted to such Utility Company.

5. The following procedures are hereby approved:

- (a) If a Utility Company is not satisfied with the assurance of future payment provided by the Debtors, the Utility Company must file and serve an objection setting forth:

- (i) the location(s) for which Utility Services are provided; (ii) the account number(s) for such location(s); (iii) the outstanding balance for each account; (iv) the amount of any deposit(s) made by the Debtors prior to the Petition Date; (v) a summary of the Debtors' payment history in each account; and (vi) any argument as to why the Utility Company has not been provided adequate assurance of payment (an "Objection").
- (b) The Court has scheduled a final hearing on this Motion on _____, 2020 at ____m. (Central) (the "Hearing Date") for the purpose of considering any Objections.
- (c) Any Objection by a Utility Company listed on **Exhibit A** must be served upon, and actually received by, (i) the Debtors' counsel, Haynes and Boone, LLP, 2323 Victory Ave. Suite 700, Dallas, TX 75219, Attn: Ian Peck; (ii) Vison & Elkins, LLP, Trammel Crow Center, 2001 Ross Ave. Suite 3900, Dallas, TX 75201 Attn: William L. Wallander and Bradley R. Foxman, counsel for the DIP Agent; (iii) counsel to the official committee of unsecured creditors, if one is appointed; and (iv) the United States Trustee for the Northern District of Texas, by no later than seven (7) days prior to the Hearing Date. The Debtors may file and serve a reply to any such Objection on or before the date that is two (2) days prior to the Hearing Date.
- (d) Without further order of the Court, but subject to the terms and conditions of the DIP Facility and applicable orders authorizing the Debtors to enter into the same, the Debtors may enter into agreements granting additional adequate assurance to a Utility Company serving a timely Objection, if the Debtors in their discretion determine that the Objection is reasonable.
- (e) If the Debtors discover the existence of a Utility Company not listed on **Exhibit A**, the Debtors shall, within two (2) business days after discovering the existence of such Utility Company, (i) file a supplement to **Exhibit A** which supplement shall identify the Utility Company and the additional amount of the adequate assurance deposit the Debtors propose to place in the Utility Deposit Account, and (ii) serve such Utility Company with notice of entry and a copy of the Order.
- (f) In the event that a Utility Company not listed on **Exhibit A** objects to the Debtors' proposal to provide adequate assurance of payment, such Utility Company must file and serve on counsel for the Debtors and DIP Agent an Objection within fourteen (14) days after the date upon which it receives notice of entry of the Order. A hearing on such Objection will be set by the Court no sooner than seven (7) days after the date upon which such Objection has been filed. The Debtors may file and serve a reply to any such Objection on or before the date that is two (2) days prior to such hearing date.
- (g) All Utility Companies will be deemed to have received adequate assurance of payment in accordance with Bankruptcy Code § 366, without the need for an additional deposit or other security, until this Court enters an order to the contrary. Any Utility Company that fails to make a timely Objection shall be deemed to be satisfied that the Utility Deposit Account provides adequate assurance of payment for future services within the meaning of Bankruptcy Code § 366(c)(2).

6. In the event that no timely Objections are filed, this Order shall be deemed a Final Order and immediately effective as a Final Order, without further notice or hearing on the Motion.

7. The Debtors shall serve this Order upon each of the Utility Companies listed on **Exhibit A** to the Motion, at the addresses listed thereon, by first-class mail, postage prepaid, promptly after the entry of this Order.

8. The inclusion or exclusion of any entity on or from **Exhibit A** to the Motion or on or from any amended **Exhibit A** shall not constitute an admission that such entity is or is not a “utility” within the meaning of Bankruptcy Code § 366. This Order specifically reserves the Debtors’ rights to argue that (a) any of the entities listed on **Exhibit A** to the Motion or any amended **Exhibit A** is not a “utility” within the meaning of Bankruptcy Code § 366, and (b) any such entity is compelled by contractual obligation, federal, state or local law, or otherwise, to continue to furnish services to the Debtors notwithstanding the Debtors’ filing of the Chapter 11 Cases.

9. Nothing in this Order or the Motion shall be deemed to vacate or modify any other restrictions on the termination of service by a Utility Company as provided by Bankruptcy Code §§ 362 and 365 or other applicable law, and nothing herein or in the Motion shall constitute post-petition assumption or adoption of any agreement pursuant to Bankruptcy Code § 365. Nothing in this Order shall be deemed a waiver by the Debtors or any other party of any right with respect to the assumption or rejection of an executory contract.

10. The Debtors are authorized to pay on a timely basis in accordance with their prepetition practices all undisputed invoices in respect of prepetition and post-petition Utility Services rendered by the Utility Companies to the Debtors.

11. Notwithstanding anything to the contrary herein, nothing in this Order authorizes the use of cash collateral or debtor-in-possession financing. Any payments authorized to be made pursuant to the Motion shall be made only to the extent authorized under the cash collateral and debtor-in-possession financing order approved by the Court in effect as of the time such payment is to be made (together with any approved budgets in connection therewith, the “DIP Order”), and such payments shall be subject to the terms, conditions, limitations, and requirements of the DIP Order in all respects. The Utility Deposit Accounts shall be subject to the liens and protections in the DIP Orders. Any outstanding balances therefrom shall be treated in accordance with the terms of any confirmed plan of reorganization.

12. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof.
