Case No. 20-11049 (LSS)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,  
METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES  
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The debtors and debtors in possession in the above captioned cases (collectively, the “**Debtors**” or “**Company**”) have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”) in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

Andrew Hinkelman has signed each set of the Schedules and Statements. Mr. Hinkelman serves as the Co-Chief Restructuring Officer for the Debtors, and he is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Hinkelman has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors’ legal and financial advisors. Given the scale of the Debtors’ business and the number of plants covered by the Schedules and Statements, Mr. Hinkelman has not (and

could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost

business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

1. **Description of Cases.** On May 6, 2020 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, hereby commencing the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”). The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 8, 2020, the Court entered an order for the joint administration of the Chapter 11 Cases [Docket No. 61]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the Petition Date.
2. **Global Notes Control.** These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors’ Schedules of Assets and Liabilities and Statement of Financial Affairs* (the “**Global Notes**”) pertain to and comprise an integral part of each of the Debtors’ Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these Chapter 11 Cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
  - (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.

- (b) **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- (c) **Classifications.** Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract.
- (d) **Claims Descriptions.** Any failure to designate a claim on a given Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve all rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent,” or “unliquidated” or object to the extent, validity, enforceability, priority, or avoidability of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtor against which the claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.
- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action.

- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders” the Debtors have included information with respect to the individuals who the Debtors believe are included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities. In the interest of additional disclosure, the Debtors have also included certain individuals who may have officer titles in their responses to Statements, Part 13, Question 28.

The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for the purposes of determining control of the Debtors, the extent to which any individual exercised management responsibilities or functions, corporate decision-making authority over the Debtors, or whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purpose.

- (i) **Miscellaneous.** Unless stated otherwise in the Statements or Schedules, “**BAML**” means Bank of America Merrill Lynch, n/k/a BoFA Securities.

#### 4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“**GAAP**”), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Debtors have historically maintained books and records among business units rather than on an entity by entity basis. The Schedules and Statements reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

- (b) **Confidential Information.** In certain instances, the sensitivity of certain information may require its omission from the Schedules and Statements. To the extent possible, the alterations, redactions, consolidations, and omissions have been limited to the extent determined by the Debtors to be necessary or appropriate to protect the Debtors or third parties while also providing interested parties with sufficient information in response to the Schedules and Statements.
- (c) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities and prepetition payments once.
- (d) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of May 6, 2020. Market values may vary, at certain times materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.
- (e) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.
- (f) **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (g) **Undetermined Amounts.** The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as “unliquidated.”
- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (j) **Court Orders.** Pursuant to certain orders (collectively, the “**First Day Orders**”) the Bankruptcy Court entered in the Chapter 11 Cases relating to motions filed by the Debtors on or about the Petition Date, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, lienholders, critical and foreign vendors, and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and, therefore, generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.
- (k) **Intercompany Claims.** Receivables and payables among the Debtors are used for accounting purposes only.
- (l) **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees in their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor or Debtors. The Debtors may have inadvertently omitted guarantees embedded in their contractual agreements and may identify additional guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified.
- (m) **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; deferred revenue accounts; and certain accrued liabilities

including, but not limited to, accrued salaries and employee benefits.<sup>2</sup> Other immaterial assets and liabilities may also have been excluded.

- (n) **Executory Contracts.** While commercially reasonable efforts have been made to ensure the accuracy of the body of executory contracts and unexpired leases identified (collectively, the “**Agreements**”), inadvertent errors, omissions or over-inclusion may have occurred. Moreover, the Debtors may have inadvertently failed to identify an executory contract with its rightful Debtor. The Debtors may have entered into various other types of Agreements in the ordinary course of its business, such as indemnity agreements, supplemental agreements, amendments/letter agreements, nondisclosure agreements and confidentiality agreements. The Debtors reserve all of their rights with respect to such agreements. Omission of an Agreement does not constitute an admission that such omitted Agreement is not an executory contract or unexpired lease.
- (o) **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (p) **Fiscal Year.** Each Debtor’s fiscal year ends on or about December 31.
- (q) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (r) **Umbrella or Master Agreements.** Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.
- (s) **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements. The Debtors reserve all rights to challenge on any grounds any setoff and/or recoupment rights purportedly exercised or alleged by creditors.

<sup>2</sup> See note 5(e) herein for further discussion related to disclosure of wages and employee benefits.

5. **Specific Schedules Disclosures.**

- (a) **Schedule A/B, Part 2.** The bank account balances listed reflect bank balances as of the Petition Date.
- (b) **Schedule A/B, Part 2, Question 8.** Negative amounts are listed in some cases, which are typically the result of unreconciled accounts, accruals, and elimination entries.
- (c) **Schedule A/B Part 10, Questions 60-65.** As reflected in Schedule A/B, the book values of the intangibles and intellectual property listed therein is unavailable as such values are not ordinarily recorded in the Debtors' business.
- (d) **Schedule A/B Part 11, Question 70.** Please refer to Schedule G for a listing of all executory contracts. The valuations as to the Debtors' interest in these agreements is unknown at the time of filing.
- (e) **Schedule A/B Part 11, Questions 71.** The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.
- (f) **Schedules E/F.** Pursuant to the *Final Order Authorizing the Debtors To (I) Pay Prepetition Wages and Compensation; (II) Continue Certain Employee Benefits and Incentive Programs; and (III) Continue Certain Health and Insurance Benefits* [Docket No. 215] (the "**Wages Order**") the Debtors received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtors believe that any non-insider employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.

Moreover, certain balances are negative due to contingent amounts owing to the Debtors, or other unreconciled amounts, which are not reflected in Schedule F.

- (g) **Schedule G.** The Debtors' businesses are complex. Although the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases of each of the Debtors and commercially reasonable efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions, or over-inclusion may have

occurred. Certain information, such as the contractual information of the counterparty, may not be included where such information could not be obtained using the Debtors' reasonable efforts; in cases where contract counterparty information could not be identified, such contracts have been listed on Schedule G of Techniplas, LLC. Likewise, despite the Debtors' commercially reasonable efforts, the contracts listed on Schedule G potentially could have counterparties, obligors, third party beneficiaries or similar parties that are inadvertently not listed on Schedule G. Due to confidentiality and other reasons, non-disclosure, confidentiality, and similar agreements are not listed on Schedule G.

Listing a contract or lease on Schedule G does not constitute an admission by the Debtors as to the validity or enforceability of any such contract or lease, an admission that such contract is an executory contract or unexpired lease, or an admission that such contract or lease was in effect on the Petition Date.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry, and certain of the foregoing has been deemed to be non-executory and therefore was not included on schedule G.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificated, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

## 6. Specific Statements Disclosures.

- (a) **Statements, Part 2, Questions 3 & 4 – Payment to Creditors.** As noted above, the Debtors use a centralized cash management system. However, disbursements are recorded on an entity by entity basis. Additionally, as noted above, in the ordinary course, the Debtors engage in intercompany transactions and transfers amongst themselves related to, among other things, the expenses of conducting certain of their manufacturing and production operations. As a result, certain of the

payments listed in Question 3 of the Statements may have been made by Techniplas, LLC on behalf of one or more Debtors. To the extent: (i) a person qualified as an “insider” in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtors have only listed those payments made while such person was defined as an insider in Statements, Part 2, Question 4.

- (b) **Statements, Part 2, Question 6 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to paragraph 4(s) of these Global Notes.
- (c) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** As noted above certain payments have been made by Techniplas, LLC on behalf of one or more Debtors, including disbursements made for professional fees on behalf of all Debtors.
- (d) **Statements, Part 6, Question 11 – Previous Locations.** The beginning occupancy dates for certain locations is unknown for various reasons including acquisitions of locations already in operation.
- (e) **Statements, Part 10, Question 20 – Off-Premises Storage.** The Debtors have not disclosed in response to this question any owned in-transit inventory which includes shippers that are holding goods in-transit, including, but not limited to, goods on ships, in trucks, or in warehouses where they may be temporarily stored during the transport process.
- (f) **Statements, Part 11, Question 21 – Property the Debtor Holds or Controls that the Debtor Does Not Own.** While the Debtors have, through commercially reasonable efforts, identified consigned goods and materials that are held by the Debtors, the value of such goods and materials could not be ascertained.
- (g) **Statements, Part 13, Question 26d – Books, Records, and Financial Statements.** The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in their Responses to Statement Question 26d.
- (h) **Statements, Part 13, Question 27 – Inventories.** Unknown inventory counts indicate inventories that were started, but never completed.
- (i) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their directors and officers are listed on the attachment to Question 4. Certain directors and executive officers of the Company are also directors and executive officers of certain of the

Company's Debtor affiliates. To the extent payments to such individuals are not listed in the response to Question 4 on the Statements for such Debtor affiliates, they did not receive payment for their services as directors or executive officers of these entities. Certain of the Debtors' directors and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Question 4 reflect the gross amounts paid to such directors and executive officers, rather than the net amounts after deducting for tax withholdings.

Moreover, the Debtors believe Agility Global Technologies LLC is likely not an insider as defined in the Bankruptcy Code. However, because the payments include compensation of Ali El-Haj, the Debtors' interim Chief Executive Officer, and Courtney Enghausser, Senior Financial Consultant, the Debtors have listed such payments out of an abundance of caution.
