5. Epiq is a “disinterested person,” as that term is defined in section 101(14) of the Bankruptcy Code, in that Epiq and its professional personnel:

- a. are not creditors, security holders, or insider of the Debtors;
- b. are not and were not, within two years before the date of the filing of these cases, directors, officers, or employees of the Debtors; and
- c. do not have an interest materially adverse to the interests of the Debtors’ estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors.

6. Under my supervision, Epiq conducted a review of the Potential Parties in Interest listed in **Schedule 1** within a global internal electronic database. Epiq Corporate Restructuring, LLC is a member of Epiq Global, a worldwide provider of legal services, serving law firms, corporations, financial institutions and government agencies—helping them streamline the administration of business operations, class action and mass tort, court reporting, eDiscovery,

regulatory, compliance, restructuring, and bankruptcy matters. There are forty-seven (47) entities that comprise the Epiq Global enterprise. To clarify, I have authorized the search across the Epiq Global database where the clients and business relationships of all 47 entities in the Epiq Global enterprise are stored for all Epiq Global entities from the top level parent company DTI Topco, Inc., to all of its affiliates, including Epiq Corporate Restructuring, LLC. To the best of my knowledge, and based solely upon information provided to me by the Debtors, neither Epiq, nor any of its affiliates and owners and investors , have any connection to the Debtors, their creditors or other relevant parties, including William Harrington and Apollo Management Holdings, L.P. (“**Apollo**”), by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason. Our process for preparing a disclosure report is as follows: upon receipt of a potential parties in interest list, all such parties are searched for both exact matches and potential matches within a global internal database. A report of the “hits” is generated and our conflicts team reviews those “hits” for connections. Where there are exact or potential connections, a disclosure is drafted. After the conflicts team completes the draft disclosures, they are then inserted into the draft retention pleadings and reviewed by the engagement Director. To the extent that Epiq’s conflicts check has revealed that certain Potential Parties in Interest were connected to Epiq within the past eighteen years, these parties have been identified on a list annexed hereto as **Schedule 2** (the “**Client Match List**”). To the best of my knowledge, any such connections between Epiq and any parties on the Client Match List is completely unrelated to these Debtors.

7. In addition, I sent an email to Epiq personnel providing the scope of services in this Application, requiring each recipient to review the Potential Parties in Interest listed in **Schedule 1** and ask that the recipient contact me in the event that they have a connection with an interested party. I did not receive any response, so to the best of my knowledge, no Epiq personnel providing

the scope of services in this Application have connections with the Debtors or Potential Parties in Interest.

8. Epiq is a wholly owned subsidiary of Epiq Systems, Inc., which is a wholly owned subsidiary of Document Technologies, LLC (“DTI”), a global legal process outsourcing company, which is an ultimate wholly owned subsidiary of DTI Topco, Inc. (“DTI Topco”). DTI Topco is a privately-held entity with majority ownership held by OMERS Administration Corporation (“OAC”), the administrator of the OMERS pension funds, and managed by OMERS Private Equity Inc. (“OPE”, which together with OAC are referred to as “OMERS”), and funds managed by Harvest Partners, LP (“Harvest”), a leading private equity investment firm.

9. Epiq has searched the names of DTI, DTI Topco, OMERS, and Harvest against the Debtors and the Potential Parties in Interest list provided by the Debtors. Neither DTI, DTI Topco, OMERS, nor Harvest are currently identified on the Potential Parties in Interest list. However, the following disclosure is made out of an abundance of caution and in an effort to comply with the Bankruptcy Code and Bankruptcy Rules.

10. Designees of OMERS and Harvest are members of the Board of Directors of DTI Topco (“Parent Board Designees”). No designees of OMERS or Harvest are members of the Board of Directors of DTI or Epiq, or any other subsidiaries of DTI. After the petition date, an email was sent to both the OMERS and Harvest conflict team requesting they review the attached file that includes a list of the names of the Debtors, Apollo, and Delta Airlines and asks that they: (a) contact the conflicts department in the event that they have a connection or relationship that is not included in our disclosures; (b) if they have a connection or relationship that is included in our disclosures, confirm that it is accurately described; (c) contact conflicts if they own securities of the Debtors. OMERS and Harvest completed this check against their client database and both

responded that there were no connections with the Debtors, Apollo, or Delta Airlines. So to the best of my knowledge, neither OMERS, Harvest nor the Parent Board Designees have any connections to the Debtors or Apollo or Delta Airlines, or investments in the same. Further, Epiq has the following restrictions in place (collectively, the “**Barrier**”): (i) prior to the Debtors commencing these cases, Epiq did not share the names or any other information identifying the Debtors with DTI, DTI Topco, OMERS, Harvest, or the Parent Board Designees; (ii) Epiq has not and will not furnish any material nonpublic information about the Debtors to DTI, DTI Topco, OMERS, Harvest, or the Parent Board Designees; (iii) no DTI, DTI Topco, OMERS or Harvest personnel, including the Parent Board Designees, work on Epiq client matters, have involvement in the delivery of client services, or have access to Epiq client information, client files, or client personnel; (iv) no DTI, DTI Topco, OMERS or Harvest personnel, including the Parent Board Designees, work in Epiq’s offices; (v) other than the Parent Board Designees, Epiq operates independently from DTI, DTI Topco, OMERS and Harvest, including that it does not share any employees, officers, or other management with OMERS or Harvest, has separate offices in separate buildings, and has separate IT systems; and (vi) no Epiq executive or employee is a director, officer, or employee of OMERS or Harvest (or vice versa other than the Parent Board Designees).

11. To the extent Epiq learns of any new or additional connections, Epiq will promptly file a supplemental disclosure.

12. Based on, among other things, the business separation between Epiq, OMERS and Harvest, and in light of the administrative nature of the services proposed to be performed by Epiq for the Debtors, Epiq believes that it does not hold or represent an interest adverse to the Debtors with respect to its engagement.

13. Based on the forgoing, I believe that Epiq is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code.

14. In performing the services of Administrative Agent, Epiq will charge the Debtors the rates set forth in the Services Agreement.

15. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.

Executed on November 3, 2020.
