AND PARTICIPATION FORM

I. SUMMARY OF THE CLAIMS SUBJECT TO THE SETTLEMENT

Prior to the September 28, 2020 deadline, established by the Bankruptcy Court, certain delivery drivers of NPC International, Inc. (“**NPC**”) submitted proofs of claim in the chapter 11 cases which alleged that they were under-reimbursed for out-of-pocket costs associated with using their vehicles to deliver pizzas on behalf of NPC, and, as a result, that this under-reimbursement led to delivery drivers receiving less than minimum wage in violation of the Fair Labor Standards Act and various state minimum wage laws. These proofs of claim largely adopted the allegations of a lawsuit filed by certain of these same delivery drivers in an action entitled *Collins v. NPC International, Inc.*, No. 17-cv-312 (the “**Collins Action**”) which is pending in the Southern District of Illinois.

Additionally, during the chapter 11 cases, one of the delivery drivers who filed a proof of claim and who is also a named plaintiff in the *Collins Action* filed an action entitled *Marshall v. Weber, et al.*, No. 4:20-cv-00757 (the “**Marshall Action**”) in the Western District of Missouri against three current senior officers of NPC. The *Marshall Action* raises the same issues as set forth in the proofs of claim and the *Collins Action*.

On August 25, 2020, after the bankruptcy filing, the delivery drivers who had filed proofs of claim in the chapter 11 cases filed a motion in the Bankruptcy Court for leave to have their proofs of claim treated as class proofs of claim on behalf of all delivery drivers of NPC employed after January 1, 2014 (or January 1, 2007 in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida). The motion, in effect, sought to assert claims by all delivery drivers employed by NPC in the above period even if drivers did not file a timely proof of claim in the chapter 11 cases.

NPC expressly denies the allegations set forth in the proofs of claim and in the *Collins* and *Marshall* actions and believes those actions are wholly without merit. Specifically, NPC believes that it fairly and adequately reimburses expenses to its delivery drivers and that it pays its delivery drivers more than minimum wages. NPC therefore filed a motion in the Bankruptcy Court seeking

to have the proofs of claim filed by delivery drivers estimated at zero value. The delivery drivers who had filed proofs of claim in the chapter 11 cases opposed that motion and the parties engaged in significant discovery concerning those claims.

In December 2020, while the motion to estimate was pending, the Debtors engaged in settlement negotiations with delivery drivers who had filed proofs of claim in the chapter 11 cases and their counsel. With the help of an experienced mediator, current United States Bankruptcy Judge Marvin Isgur, the parties reached a comprehensive settlement on behalf of the class of delivery drivers employed by NPC during the period set forth above. As part of the settlement, a class has been certified and delivery drivers employed by NPC during the class period described above have the ability to participate in the settlement. By choosing to participate in the settlement, you may be entitled to receive monetary consideration.

As part of the Plan, the parties to the settlement jointly sought approval of the settlement and approval of the process by which notice would be provided to members of the settlement class. On January 29, 2021, the Court approved the settlement and the manner in which the notice would be provided.

By giving this notice, the Court is not expressing any opinion regarding the merits of either the claims or defenses. Nothing contained in this notice should be construed as suggesting the Court's view as to which side might prevail should this matter proceed to class certification and trial on the merits.

II. THE SETTLEMENT AND DISTRIBUTION OF SETTLEMENT TO CLASS MEMBERS

A summary of the terms of the settlement are set forth below. The settlement provides that delivery drivers employed by NPC during the class period described above will be eligible to receive certain and differing amounts of compensation, conditioned upon the occurrence of the Effective Date of the Plan, depending on (i) what time period each delivery driver was employed by NPC; (ii) how many miles driven while delivering pizza for NPC; (iii) whether each delivery driver already submitted a timely proof of claim in the chapter 11 cases; and (iv) the total number of delivery drivers who decide to return a Settlement Election and Participation Form.

1. Delivery drivers who were employed by NPC after July 1, 2020 are entitled to compensation based on how many miles they drove while delivering pizza for NPC, during the period beginning on July 1, 2020 through the Effective Date. The bar date by which claims arising after July 1, 2020 must be filed is forty-five (45) days following the date of filing of the notice of the Effective Date (the “**Administrative Expense Claims Bar Date**”). Those delivery drivers who were employed by NPC after July 1, 2020 and who want to participate in the settlement will have the opportunity to file an administrative claim before the Administrative Expense Claims Bar Date. Any such administrative claim will be entitled to receive the difference between the per mile reimbursement actually received from NPC and a hypothetical 48-cent reimbursement for each mile driven after July 1, 2020, subject to a total cap of \$1,200,000 for all such claims. If the aggregate amount of claims by delivery drivers employed by NPC after July 1, 2020 (based on miles driven

after July 1, 2020) exceeds the cap, then each delivery driver will be entitled to a pro rata share of the settlement proceeds.

2. Delivery drivers who were employed by NPC in the 180 days prior to the bankruptcy filing – between January 1, 2020 and July 1, 2020 – and who have already timely filed proofs of claim in the bankruptcy are entitled to compensation based on how many miles they drove while delivering pizza for NPC during that 180-day period. Delivery drivers who have already filed proofs of claim do not need to submit a Settlement Election and Participation Form as they have already been deemed to participate in the settlement through their counsel who negotiated the settlement. Any such claim will be entitled to receive the difference between the per mile reimbursement actually received from NPC and a hypothetical 48-cent reimbursement for each mile driven between January 1, 2020 and July 1, 2020, subject to a total cap of \$1,450,000 (plus any unused portion of the \$1,200,000 cap for administrative claims discussed in number 1 above) for all such claims.
3. Delivery drivers who were employed by NPC in the 180 days prior to the bankruptcy filing – between January 1, 2020 and July 1, 2020 – and who have *not* already timely filed proofs of claim in the bankruptcy also are entitled to compensation based on how many miles they drove while delivering pizza for NPC during that 180-day period if those individuals timely submit the Settlement Election and Participation Form. Any such claim will be entitled to receive 10% of the difference between the per mile reimbursement actually received from NPC and a hypothetical 48-cent reimbursement for each mile driven between January 1, 2020 and July 1, 2020, subject to a total cap of \$1,150,000 (plus any unused portions of the \$1,200,000 administrative claims cap and the \$1,450,000 cap discussed in numbers 1 and 2 above) for all such claims.
4. Delivery drivers who were employed by NPC after January 1, 2014 (or after January 1, 2007 solely in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida) but before January 1, 2020, and who have already timely filed proofs of claim in the chapter 11 cases also are entitled to compensation based on how many miles they drove while delivering pizza for NPC during the periods they drove prior to January 1, 2020. Delivery drivers who have already filed proofs of claim do not need to submit a Settlement Election and Participation Form as they have already been deemed to participate in the settlement through their counsel who negotiated the settlement. Such delivery drivers will receive an allowed general unsecured claim based on the difference between the per mile reimbursement actually received from NPC and a hypothetical 48-cent reimbursement for each mile driven after January 1, 2014 (or after January 1, 2007 solely in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida) but before January 1, 2020. The amount of the allowed general unsecured claim is subject to a total cap of \$5,000,000 for all such claims. If the aggregate amount of these claims exceeds the cap, then each individual will be entitled to an allowed claim based on their pro rata share of the \$5,000,000.

5. Delivery drivers who were employed by NPC after January 1, 2014 (or after January 1, 2007 solely in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida) but before January 1, 2020, and who have *not* already timely filed proofs of claim in the chapter 11 cases also are entitled to compensation based on how many miles they drove while delivering pizza for NPC during the periods they drove prior to January 1, 2020 if those individuals timely submit the Settlement Election and Participation Form. Such delivery drivers will receive an allowed general unsecured claim based on the difference between the per mile reimbursement actually received from NPC and a hypothetical 48-cent reimbursement for each mile driven after January 1, 2014 (or after January 1, 2007 solely in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida) but before January 1, 2020. The amount of the allowed general unsecured claim is subject to a total cap of \$5,000,000 less the amount of the allowed claims granted to delivery drivers with general unsecured claims who timely filed proofs of claim in the chapter 11 cases as set forth in number 4 above (the “**Unsecured Claim Cap Amount**”). If the aggregate amount of these claims exceeds the cap, then each individual will be entitled to an allowed claim based on their pro rata share of the Unsecured Claim Cap Amount.

Pursuant to the Plan, any person, including a delivery driver, who has not filed a timely proof of claim asserting a claim arising prior to July 1, 2020 against the debtors or who does not file a postpetition administrative expense claim arising after July 1, 2020 by the Administrative Expense Claims Bar Date will have those claims released as set forth in the Plan. Further, as set forth in the Plan, the settlement provides that upon the Effective Date, all delivery drivers who do not submit a Settlement Election and Participation Form choosing not to participate in the settlement shall fully release the Debtors’ current and former directors, officers, employees, and managing agents of the Debtors, including, for the avoidance of doubt, the named defendants in the *Marshall* Action, and will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever to release such persons from any and all claims and causes of Action whatsoever, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that any driver claimant has, had or would have been legally entitled to assert arising out of or relating to, in whole or in part, the employment of such driver claimant by the Debtors, including any claims arising under or related to the Fair Labor Standards Act of 1938, 29 U.S.C. § 201 *et seq.*, or any related or similar state wages and labor laws, and any claims arising under or related to the *Collins* Action and the *Marshall* Action and the underlying facts that were or could have been pled in those actions.

Further, any person who does not properly or fully submit information as requested in the Settlement Election and Participation Form cannot be assured to receive compensation under the settlement, in items 1-5 set forth above. In addition, the delivery drivers and their counsel have agreed to take steps necessary to dismiss with prejudice the *Collins* and *Marshall* actions.

The Bankruptcy Court has ordered that this settlement and its terms are not precedent, and are not to be used as precedent in any other action or proceeding and shall not be used, construed as, or deemed to be evidence of an admission or concession of liability of any kind by the Debtors or any of its officers, and shall not be offered into evidence, received into evidence, or deemed to be evidence in any proceeding in any court, administrative agency, or other tribunal except in an action brought to enforce the terms of the settlement. Nor shall this settlement be construed as a finding or conclusion of the Bankruptcy Court with respect to the merit of any claim or defense asserted in the action.

III. WHAT ARE YOUR OPTIONS AS A SETTLEMENT CLASS MEMBER?

- A. Form of Notice of Settlement for Publication

**If You Are or Were a Delivery Driver for NPC International, Inc.'s Pizza Hut Business,
You May Be Entitled To Compensation as Part of a Settlement**

Go to <https://dm.epiq11.com/NPC>. for more information, including the Second Amended Joint Chapter 11 Plan of NPC International, Inc., which contains a description of the relevant settlement.

The settlement class includes the following individuals:

All delivery drivers who were employed by the Debtors in the Pizza Hut Business after (i) January 1, 2014, through the date that the Debtors' Second Amended Joint Chapter 11 Plan, which was filed in the Bankruptcy Court on January 26, 2021 (the "**Plan**") becomes effective (the "**Effective Date**") or (ii) January 1, 2007 solely in the States of Illinois, Kentucky, Oklahoma, Oregon, or Florida, through the Effective Date.

The settlement relates to claims brought in the chapter 11 case of NPC that NPC delivery drivers were under-reimbursed for out-of-pocket costs associated with using their vehicles to deliver pizzas on behalf of NPC, and, as a result, that this under-reimbursement led to delivery drivers receiving less than minimum wage in violation of the Fair Labor Standards Act and various state minimum wage laws. These claims largely adopt the allegations of a lawsuit filed by certain of these same delivery drivers in an action entitled *Collins v. NPC International, Inc.*, No. 17-cv-312 (the "**Collins Action**") which is pending in the Southern District of Illinois.

The Debtors have denied, and continue to deny, that these claims have any merit and have vigorously defended against them. Nothing contained in this notice should be construed as suggesting the Court's view as to the merits of these allegations.

On January 29, 2021, the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the "**Bankruptcy Court**") approved a settlement, in which the Debtors have agreed to pay or give delivery drivers an allowed claim in the bankruptcy, as more fully described in the Plan. This amount will be based on (i) what time period each delivery driver was employed by NPC; (ii) how many miles driven while delivering pizza for NPC; (iii) whether each delivery driver already submitted a timely proof of claim in the chapter 11 cases; and (iv) the total number of delivery drivers who decide to return a form which would allow them to participate in the settlement.

Complete information about the settlement can be found in the Second Amended Joint Chapter 11 Plan of NPC International, Inc., available at <https://dm.epiq11.com/NPC>. Pursuant to the Plan, any person, including a delivery driver, who has not filed a timely proof of claim asserting a claim arising prior to July 1, 2020 against the debtors or who does not file a postpetition administrative expense claim arising after July 1, 2020 by the Administrative Expense Claims Bar Date will have those claims released as set forth in the Plan. Further, as set forth in the Plan, the settlement provides that upon the Effective Date, all delivery drivers who do not submit a Settlement Election and Participation Form choosing not to participate in the settlement shall fully release the Debtors' current and former directors, officers, employees, and managing agents of the Debtors, including, for the avoidance of doubt, the named defendants in *Marshall v. Weber, et al.*, No. 4:20-cv-00757 (the "**Marshall Action**"), and will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever to release such person from any and all claims and causes of Action whatsoever, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that any driver claimant, has, had or would have been legally entitled to assert arising out of or relating to, in whole or in part, the employment of such driver

claimant by the Debtors, including any claims arising under or related to the Fair Labor Standards Act of 1938, 29 U.S.C. § 201 *et seq.*, or any related or similar state wages and labor laws, and any claims arising under or related to the *Collins* Action and the *Marshall* Action and the underlying facts that were or could have been pled in those actions.
