notice need be provided; and a hearing having been held to consider the relief requested in the Motion (the “**Hearing**”); and upon consideration of the First Day Declaration and the record of the Hearing and all of the proceedings had before the Court; and this Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, their stakeholders, and all other parties in interest, and that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, IT IS HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, to pay to the Taxing Authorities, including, without limitation, those Taxing Authorities listed on **Exhibit 1** annexed hereto, all Taxes that arose before the Petition Date, including Taxes subsequently determined upon audit or otherwise to be owed for the periods before the Petition Date, in each case, solely to the extent that such Taxes are or become payable in accordance with applicable law; *provided that* the Debtors shall not settle or pay any Audit Liability that exceeds \$100,000 without further order of this Court; *provided further that* in the event the Debtors make a payment with respect to any Taxes for the prepetition portion of any “straddle” amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under sections 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts.

2. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the date, category, nature and amount of the payment; and (c) the Debtor or Debtors that made the payment. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee, Stroock & Stroock &

Lavan LLP, as counsel to AIP and the DIP Secured Parties, and any statutory committee appointed in these Chapter 11 Cases every 30 days beginning upon entry of this Order.

3. The Debtors are authorized, but not directed, to pay or remit (or use tax credits to offset) Taxes in the ordinary course of their business, whether such obligations accrued or arose before or after the Petition Date; *provided that* the Debtors shall not pay any Taxes before such Taxes are due to the applicable Taxing Authority.

4. The Debtors are authorized, but not directed, to seek a refund or credit to the extent that the Debtors have overpaid any Taxes, including amounts paid with respect to an Audit.

5. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Taxing Authorities.

6. The Debtors are authorized, but not directed, to pay any amounts that later come due, whether as a result of any pending or future audits, or otherwise, in connection with their Taxes in the ordinary course of business; provided that the Debtors shall not settle or pay any Audit Liability that exceeds \$100,000 without further order of this Court.

7. The Debtors' banks and financial institutions shall be, and hereby are, authorized, when requested by the Debtors in their sole discretion, to process, honor, pay, and, if necessary, reissue any and all checks, including prepetition checks that the Debtors reissue postpetition, and electronic fund transfers drawn on the Debtors' bank accounts relating to the Taxes, whether such checks were presented or funds transfer requests were submitted prior to or subsequent to the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

8. The Debtors are authorized, but not directed, to execute and deliver such documents and to take and perform all actions necessary to implement and effectuate the relief granted in this Order.

9. Notwithstanding anything contained in the Motion or this Order, any payment to be made, and any relief or authorization granted herein, shall be subject to, and must be in compliance with, the terms and conditions in any interim or final order entered by the Court approving the Debtors' entry into any postpetition debtor in possession financing facility and/or authorizing the Debtors' use of cash collateral, including any budget in connection therewith (as may be updated and approved from time to time in accordance with the terms of any such interim or final order) (each such order, a "**DIP Order**"). To the extent there is any inconsistency between the terms of a DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

10. Nothing contained in the Motion or this Order, nor any payment made pursuant to the authority granted by this Order, is intended to be or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a waiver of any claims or causes of action which may exist against any creditor or interest holder; (f) a request to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (g) a waiver or limitation of the Debtors', or any other party in interest's,

rights under the Bankruptcy Code or any other applicable law; (h) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance of property of the Debtors' estates; and (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

11. The Court finds and determines that the requirements of Bankruptcy Rule 6003(b) are satisfied and that the relief is necessary to avoid immediate and irreparable harm.

12. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

13. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

14. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the enforcement of this Order.

Signed: December 06, 2021.
