This objection seeks to disallow, expunge and/or modify certain proofs of claim. Claimants receiving this objection should locate their names and claims on the exhibits attached to the proposed order attached to this Objection.

Daniel H. Golden, in his capacity as Liquidating Trustee (“Trustee”) for the DFC Liquidating Trust (the “Liquidating Trust”) and sole officer and director of the Liquidating Debtors, respectfully states as follows in support of this omnibus claims objection (the “Objection”):

#### **Relief Requested**

1. By this Objection, the Trustee seeks entry of an order, substantially in the form attached hereto (the “Order”),
  - a. Disallowing and expunging, or modifying, as applicable, each proof of claim identified on Exhibit A to the Order (the “Satisfied Claims”), that the Trustee has determined should be disallowed and expunged or modified because the administrative, priority and/or secured portion of such claim has already been paid or otherwise satisfied;
  - b. Disallowing and expunging or modifying, as applicable, each proof of claim listed on Exhibit B to the Order (the “Reconciled Claims”), that the Trustee has determined should be disallowed and expunged or modified because the

administrative, priority and/or secured portion of such claim has been reconciled by agreement with the claimant and listed on a Reconciliation Notice (as defined herein) filed in the Debtors' bankruptcy case in accordance with the Allowance Protocols (as defined herein).

2. The Trustee's determinations with respect to the Satisfied Claims and Reconciled Claims (collectively, the "Disputed Claims") are based on a review of the Debtors' claims register, the relevant proofs of claim, the Debtors' books and records and the supporting documentation, if any, provided by each relevant claimant (each, a "Claimant"). The Trustee believes that the administrative, priority and secured portions of the Satisfied Claims have been paid or otherwise satisfied. The Trustee further believes that the administrative, priority and secured portions of the Reconciled Claims have been reconciled and deemed allowed as reconciled pursuant to a Reconciliation Notice. As such, the Disputed Claims should be disallowed and expunged or modified, as set forth in the "Modified Status" columns on Exhibit A and Exhibit B.

3. In support of this Objection, the Trustee submits the *Declaration of Rick Wright, Managing Director of Berkeley Research Group, LLC, in Support of the Liquidating Trustee's Third Omnibus Objection to Certain Proofs of Claim (Satisfied Claims and Reconciled Claims)* (the "Wright Declaration"), attached hereto as Exhibit 1.

#### **Jurisdiction and Venue**

4. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Trustee confirms his consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The bases for the relief requested herein are sections 105(a) and 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), Bankruptcy Rule 3007, Rule 3007-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Local Rules”), section (M) of the Procedures for Complex Cases in the Southern District of Texas (the “Complex Case Procedures”), and the *Order Approving Claims Objection Procedures and the Form of Notice* [D.I. 852].

### **Background**

7. On November 12, 2019 (the “Petition Date”), each of the Debtors commenced a chapter 11 case by filing a voluntary petition for relief in this Court under chapter 11 of the Bankruptcy Code.

8. On March 17, 2021, the Court entered an order confirming the *First Amended Joint Chapter 11 Plan of Liquidation of Southern Foods Group, LLC, Dean Foods Company, and Their Debtor Affiliates* (the “Confirmation Order” and “Plan”, respectively) [Case No. 19-36313, D.I. 3565].

9. On May 25, 2021, the Court entered the *Final Decree and Order (I) Closing Certain Chapter 11 Cases, (II) Terminating Certain Claims and Noticing Services, (III) Amending the Order Directing Joint Administration of Chapter 11 Cases, and (IV) Granting Related Relief* [Case No. 19-36313, D.I. 4057] (the “Final Decree”), which, among other things, provided that (a) Dean Foods Company and Dean Holding Company (together, the “Liquidating Debtors”), the Trustee and the Liquidating Trust each (i) remain a representative of each of the Closed Debtors (as defined in the Final Decree) and their estates for purposes of section 1123(b)(3)(B) of the Bankruptcy Code and (ii) retain all rights, interests, powers, and authorities relating to the Liquidation Trust Assets (as defined in the Plan), including, for the avoidance of doubt, objecting

to claims against or interests in any of the Debtors, as set forth in the Confirmation Order, and (b) the Liquidating Debtors' cases shall remain open and shall be jointly administered under Case No. 19-36314 of Dean Foods Company.

10. The effective date of the Plan (the "Effective Date") occurred on May 28, 2021. [Case No. 19-36313, D.I. 4063; Case No. 19-36314, D.I. 26]. In accordance with the Plan and Confirmation Order, the Liquidating Trust was established as of the Effective Date of the Plan, and the Debtors and Trustee entered into that certain Liquidating Trust Agreement (the "Liquidating Trust Agreement"). [D.I. 27].

11. Pursuant to the Plan, Confirmation Order, and Liquidating Trust Agreement, the Trustee was appointed as the Liquidating Trustee. The Trustee is authorized and has standing, among other things, to object to, compromise, settle and defend against all claims against the Debtors.

### **Claims Reconciliation Process**

12. On January 24, 2020, the Debtors filed their statements of financial affairs and schedules of assets and liabilities (the "SOFAs and Schedules")<sup>2</sup> pursuant to Bankruptcy Rule 1007.

13. On February 19, 2020, the Court entered an *Order Establishing Deadlines and Procedures for Filing Proofs of Claim and Approving the Form and Manner of Notice Thereof* [Case No. 19-36313, D.I. 943] (the "Bar Date Order"). The Bar Date Order established, among other things, March 27, 2020, as the deadline for all non-governmental entities holding or wishing to assert a "claim" (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors that arose on or before the Petition Date to file proof of such claim (the "General Bar Date") and May 11, 2020, as the deadline for all governmental entities holding or wishing to assert a

<sup>2</sup> See Case No. 19-36313, D.I. 757–829, 831, 832, 834–844.

“claim” (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors that arose on or before the Petition Date (the “Governmental Bar Date,” and together with the General Bar Date, the “Bar Date”). The Bar Date Order further established the deadline for filing claims for rejection damages as thirty (30) days following entry of an order authorizing rejection of an executory contract or unexpired lease (the “Rejection Claim Bar Date”).

14. Pursuant to the Plan, the deadline for potential claimants to assert an Administrative Claim (as that term is defined in the Plan) was thirty (30) days after the Effective Date (or forty-five (45) days for Professional Fee Claims) (collectively, the “Administrative Claim Bar Date”).

15. On July 21, 2020, the Court entered the *Order Authorizing Administrative Expense Claims Protocols* [D.I. 2724, Case No. 19-36313] which, among other things, authorized an administrative expense claims protocol (the “Allowance Protocol”) providing for allowance of administrative expense claims under section 503 of the Bankruptcy Code upon (i) the reconciliation of such administrative expense claims and agreement of the reconciled claim amount by the Debtors and administrative claimants and (ii) the filing of a notice of allowed administrative expense claims in accordance with the Allowance Protocol (each, a “Reconciliation Notice”) listing such reconciled claim.

16. Between July 21, 2020 and the date of this Objection, more than 1,200 administrative claims have been reconciled by agreement with claimants and listed on Reconciliation Notices filed in the Debtors’ bankruptcy cases in accordance with the Allowance Protocol.

17. On November 16, 2021, the Court entered the *Order Approving Claims Objection Procedures and the Form of Notice* [D.I. 852] (the “Claims Objection Procedures Order”). Among other things, the Claims Objection Procedures Order authorizes the Trustee to file omnibus

objections to claims on certain bases in addition to those authorized under Federal Bankruptcy Rule 3007(d).

18. The Trustee, his counsel, professional advisors and consultants, including but not limited to Berkeley Research Group, LLC (“BRG” and collectively, the “Reviewing Parties”) have diligently reviewed the administrative, priority and secured claims filed in the Bankruptcy Cases, including the relevant proofs of claim, the claims register, the Debtors’ books and records, and the supporting documentation provided by each claimant, if any. For the reasons set forth below, and based on their review to date, the Reviewing Parties have determined that the Disputed Claims should be disallowed and expunged or modified, as applicable, and as further set forth herein.

### **Objection**

19. Section 502(a) of the Bankruptcy Code provides that “[a] claim or interest, proof of which is filed under section 501 of this title is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). Section 502(b) provides that a court “shall determine the amount of such claim . . . as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that – (1) such claim is unenforceable against the debtor and the property of the debtor . . . .” 11 U.S.C. § 502(b)(1).

20. Bankruptcy Rule 3001(f) states that “[a] proof of claim executed and filed in accordance with these rules shall constitute *prima facie* evidence of the validity and amount of the claim.” Fed. R. Bankr. P. 3001(f). However, a proof of claim loses the presumption of *prima facie* validity under Bankruptcy Rule 3001(f) if an objecting party refutes at least one of the allegations that is essential to the claim’s legal sufficiency. *See In re Fidelity Holding Co., Ltd.*, 837 F.2d 696, 698 (5th Cir. 1988). When such an allegation is refuted, the burden reverts to the claimant to prove the validity of its claim by a preponderance of evidence. *Id.* “The ultimate

burden of proof always lies with the claimant.” *In re Armstrong*, 347 B.R. 581, 583 (Bankr. N.D. Tex. 2006) (citing *Raleigh v. Ill. Dep’t of Revenue*, 530 U.S. 15 (2000)).

21. Bankruptcy Rule 3007 requires that an objection to a proof of claim be made in writing, and that the claimant be provided with not less than thirty days’ notice of the hearing to be held in respect of such objection. Bankruptcy Rule 3007(c) proscribes joining multiple objections into an omnibus claim objection, “[u]nless otherwise ordered by the court or permitted by subdivision (d).”

22. Bankruptcy Rule 3007(d), in turn, permits the joinder of objections to more than one claim in an omnibus objection where “the objections are solely based on the grounds that the claims should be disallowed, in whole or in part, because . . . they have been satisfied or released during the case in accordance with the Code, applicable rules, or a court order.” Fed. R. Bankr. P. 3007(d).

23. In addition to the omnibus objections permitted under Bankruptcy Rule 3007(d), the Claims Objection Procedures Order permits omnibus objections to claims “on the grounds that such claims, in part or in whole . . . were paid prepetition or paid post-petition pursuant to an order entered by the Court; . . . conflict with the Debtors’ books and records; . . . or are otherwise inappropriate, deficient, or invalid.” *Claims Objection Procedures Order*, pp. 6-7.

### **The Satisfied Claims**

24. The Trustee objects to the Satisfied Claims listed in Exhibit A attached to the Order. As set forth in the Wright Declaration, the Reviewing Parties have thoroughly reviewed the Debtors’ books and records, the claims register, the relevant proofs of claim, and the supporting documentation provided by each claimant, if any, and have determined that the administrative, priority and secured portions of the Satisfied Claims have already been paid or otherwise satisfied

in full.<sup>3</sup> In the event the Satisfied Claims are not disallowed, modified and/or expunged, as set forth in the “Modified Status” column of Exhibit A to the Order, the applicable claimants would receive a double recovery to which they are not entitled, to the detriment of general unsecured creditors. Disallowance, modification and/or expungement of the Satisfied Claims as provided in Exhibit A to the Order will streamline the claims reconciliation process and enable the Trustee to maintain a more accurate claims register.

25. The Trustee requests that the Court enter an order disallowing, modifying and/or expunging the Satisfied Claims identified on Exhibit A to the Order.

### **The Reconciled Claims**

26. The Trustee objects to the Reconciled Claims listed in Exhibit B attached to the Order. As set forth in the Wright Declaration, the Reviewing Parties have thoroughly reviewed the Debtors’ books and records, the claims register, the relevant proofs of claim, and the supporting documentation provided by each claimant, if any, and have determined the Reconciled Claims should be disallowed, modified and/or expunged because the administrative, secured and/or priority portions of each such Reconciled Claim have been (i) reconciled by agreement with the claimant and (ii) listed on a Reconciliation Notice filed in the Debtors’ bankruptcy case. In accordance with the Allowance Protocols, claims appearing on the Reconciliation Notices are deemed allowed and entitled to distributions. Therefore, the Trustee asserts that reconciliation of the Reconciled Claims and filing of corresponding Reconciliation Notices renders the administrative, secured and/or priority portion of each such Reconciled Claim duplicative and obsolete. Based on a review of the Reconciled Claims and the Debtors’ books and records, the

---

<sup>3</sup> In some instances, a Satisfied Claim was waived as part of a settlement with the Debtors or Trustee, such as in connection with a preference adversary proceeding.

Trustee asserts that each of such Reclassified Claims must be either (i) disallowed and expunged where the claims have been fully reconciled, or (ii) modified where the claims have an unreconciled general unsecured portion remaining, as further specified in the “Modified Status” column on Exhibit B to the Order. Failure to disallow, modify and/or expunge the Reconciled Claims could result in the applicable claimants recovering twice on a claim, to the detriment of general unsecured creditors, even though such recovery is not warranted.

27. The Trustee requests that the Court enter an order disallowing, modifying and/or expunging the Reconciled Claims identified on Exhibit B to the Order.

**Compliance with the Bankruptcy Rules and the Objection Procedures**

28. The contents of this Objection are in full compliance with the Bankruptcy Rules and the Claim Objection Procedures Order.

29. Notice and service of this Objection will be in full compliance with the Bankruptcy Rules and the Claim Objection Procedures Order for the following reasons:

- a. this Objection will be filed with the Court and served electronically using the Court’s electronic filing system;
- b. with respect to service on the claimants affected by this Objection, the Trustee will also serve each such claimant and any counsel of record with a customized objection notice, by regular mail and email (to the extent the email address(es) for such claimant and such claimant’s counsel of record have been provided to or are known by the Trustee), tailored, as appropriate, to address the particular creditor, claim and objection; and
- c. this Objection will be set for hearing at least 30 days after the filing of this Objection.

**Reservation of Rights**

30. This Objection is limited to the grounds stated herein. It is without prejudice to the rights of the Trustee or any other party in interest to object to the Disputed Claims on any grounds whatsoever. The Trustee expressly reserves all further substantive or procedural objections that

he may have. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable law; (b) an allowance of any claim or a waiver of the Trustee's or any other party in interest's right to dispute or object to any claim on any grounds including any claim identified in a "Modified Status" column of any Exhibit attached to the Order such as, by way of example only, the validity of a claimant's general unsecured claim; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order granting the relief requested by this Objection or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of the Trustee's, or any other party in interest's, rights under the Bankruptcy Code or any other applicable law.

### **Notice**

31. Notice of the hearing on the relief requested in this Objection will be provided by the Trustee in accordance and compliance with Bankruptcy Rule 3007 as well as the Local Rules and the Claims Objection Procedures Order, and is sufficient under the circumstances. Without limiting the foregoing, due notice will be afforded, whether by facsimile, electronic mail, overnight courier, or hand delivery, to parties-in-interest, including: (a) the Office of the United States Trustee for the Southern District of Texas; (b) Akin Gump Strauss Hauer & Feld LLP as counsel to the DFC Liquidating Trust; (c) Davis Polk & Wardwell LLP as counsel to the Liquidating Debtors; (d) the United States Attorney's Office for the Southern District of Texas;

(e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the state attorneys general for states in which the Debtors conducted business; (h) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (i) any other party entitled to notice pursuant to Local Rule 9013-1(d). In light of the nature of the relief requested, no other or further notice need be given.

The Trustee respectfully requests that the Court enter the Order, granting the relief requested in this Objection and granting such other and further relief as is appropriate under the circumstances.

**DECLARATION OF RICK WRIGHT, MANAGING DIRECTOR OF BERKELEY

OBJECTION TO CERTAIN PROOFS OF CLAIM  
(SATISFIED CLAIMS AND RECONCILED CLAIMS)**

I, Rick Wright, hereby declare under penalty of perjury:

1. I am a Managing Director with Berkeley Research Group, LLC (“BRG”), as financial advisor to Daniel H. Golden, Liquidating Trustee (“Trustee”) for the DFC Liquidating Trust.
2. On May 28, 2021, the Trustee retained BRG to provide financial advisory services to the Trust including but not limited to analyzing and reconciling secured, priority, administrative and general unsecured claims in the above-captioned bankruptcy cases (the “Bankruptcy Cases”).
3. As part of my current position, I manage and oversee claims management and reconciliation matters in the Bankruptcy Cases. In connection with my responsibilities, I am generally familiar with the Debtors’ books and records that reflect, among other things, the Debtors’ liabilities and the amount thereof owed to their creditors both as of and subsequent to the

4. I have read the *Trustee's Third Omnibus Objection to Certain Proofs of Claim (Satisfied Claims and Reconciled Claims)* (the "Objection").

5. To the best of my knowledge, information, and belief, the assertions made in the Objection are accurate. In evaluating the Disputed Claims, my team at BRG, along with the Reviewing Parties, thoroughly reviewed the claims register, the relevant proofs of claim, the Debtors' books and records, and the supporting documentation provided by each claimant, if any. As part of our review and reconciliation process, we contacted (or attempted to contact) each holder of a Disputed Claim where the claim amount differed from the Debtors' books and records in order to reconcile such claim. Based on our review and after completing the reconciliation process, we determined that each of the Disputed Claims should be disallowed, modified and/or expunged. I believe that disallowance, modification and/or expungement of the Disputed Claims on the terms set forth in the Objection is appropriate.

#### **The Satisfied Claims**

6. In evaluating the Satisfied Claims, my team at BRG, along with the Reviewing Parties, have thoroughly reviewed the Debtors' books and records, the claims register, the relevant proofs of claim, the docket in these bankruptcy cases, and the supporting documentation provided by each claimant, if any.<sup>3</sup> To the best of my knowledge, information, and belief, the secured, administrative and priority portions of the Satisfied Claims have been paid or were otherwise satisfied in full. allowance notice are provided in Exhibit A to the Order. I further understand that, to the extent such claim included a general unsecured claim, only the general unsecured claim remains unsatisfied. I understand that, in the event the Satisfied Claims are not disallowed, modified and/or expunged as set forth in the “Modified Status” column of Exhibit A to the Order, the applicable claimants would receive double recoveries to which they are not entitled, to the detriment of general unsecured creditors. I further understand that disallowance, modification and/or expungement of the Satisfied Claims, as applicable, will streamline the claims reconciliation process and enable the Trustee to maintain a more accurate claims register. As such, I believe that disallowance, modification and/or expungement of the Satisfied Claims, as applicable, on the terms set forth in the Objection and Exhibit A to the Order is appropriate.

### **The Reconciled Claims**

7. In evaluating the Reconciled Claims, my team at BRG, together with the Reviewing Parties, have thoroughly reviewed the Debtors’ books and records, the claims register, the relevant proofs of claim, and the supporting documentation provided by each claimant, if any. To the best of my knowledge, information, and belief, the administrative, priority and secured portions of the Reconciled Claims identified on Exhibit B to the Order, as filed, were subsequently (i) reconciled for amounts agreed to with the claimant and (ii) listed on a Reconciliation Notice filed in the Debtors’ bankruptcy case. References to the allowed amount of each Reconciled Claim and the corresponding allowance notice are provided in Exhibit B to the Order. Therefore I understand that, to the extent such claim included a general unsecured claim, only the general unsecured claim remains unreconciled. Based on my team at BRG’s review of the Reconciled Claims, the Debtors’ books and records, and the Reconciliation Notices filed in the Debtors’ bankruptcy case, I believe that each of such Reclassified Claims must be either (i) disallowed and expunged where the claims

have been fully reconciled, or (ii) modified where the claims have an unreconciled general unsecured claim remaining, as further specified in the “Modified Status” column on Exhibit B to the Order. I understand that a failure to disallow and expunge or otherwise modify the Reconciled Claims, as applicable, could potentially result in the applicable claimants recovering twice on a claim, to the detriment of other similarly situated creditors and general unsecured creditors, even though such recovery is not warranted. As such, I believe that disallowance and expungement or modification of the Reconciled Claims, as applicable in accordance with Exhibit B to the Order, is appropriate.

8. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the facts set forth in the foregoing declaration are true and correct to the best of my knowledge, information, and belief as of the date hereof.

and this Court having found that the relief requested in the Objection is in the best interests of the Debtors' estates, their creditors, the Trust, and other parties in interest; and this Court having found that the Trustee's notice of the Objection and opportunity for a hearing thereon were appropriate and no other notice need be provided; and this Court having reviewed the Objection and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Objection and at the Hearing establish just cause for the relief granted herein; and upon the Wright Declaration; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor; it is HEREBY ORDERED THAT:

1. Any response to the Objection not otherwise withdrawn, resolved, or adjourned is hereby overruled on its merits.

7 Notwithstanding any applicable Bankruptcy Rules or Local Rules, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

### **Important Information Regarding the Objection**

**Grounds for the Objection.** By the Omnibus Objection, the Trustee is seeking **to disallow, expunge and/or modify** your claim(s) on the grounds that the administrative, priority and/or secured portion of your claim(s) [has/have] already been paid or otherwise satisfied. The claim(s) subject to the Omnibus Objection may also be found on Exhibit A attached to the proposed order to the Omnibus Objection, a copy of which has been provided with this notice.

**Objection Procedures.** On November 16, 2021, the United States Bankruptcy Court for the Southern District of Texas (the “Court”) entered an order [D.I. 852] approving procedures for filing and resolving omnibus objections to claims asserted against the Debtors in these chapter 11 cases (the “Objection Procedures”).

A copy of the Objection Procedures is included with this notice. **Please review the Objection Procedures to ensure your response to the Objection, if any, is timely and correctly filed and served.**

### **Resolving the Objection**

**PROCEDURES FOR FILING AND SERVING  
NOTICES OF OMNIBUS CLAIMS OBJECTIONS**

On November 16, 2021, the United States Bankruptcy Court for the Southern District of Texas (the “Court”) entered the *Order Approving Claims Objection Procedures and the Form of Notice* [D.I. 852] (the “Order”) in the chapter 11 cases of the above-captioned debtors (collectively, the “Debtors”).<sup>2</sup> Among other things, the Order approved these procedures (the “Objection Procedures”) for filing and serving notices of omnibus claims objections.

1. Grounds for Objection Procedures. In addition to those grounds expressly set forth in Bankruptcy Rule 3007(d), the Trustee may file and serve notices of omnibus objections (each, an “Omnibus Objection”) to claims on the grounds (collectively, the “Additional Grounds”) that such claims, in part or in whole:

- (a) were paid prepetition or paid post-petition pursuant to an order entered by the Court;
- (b) seek recovery of amounts for which the estate is not liable or are

<sup>1</sup> The debtors or liquidating debtors in these chapter 11 cases, along with the last four digits of their respective Employer Identification Numbers, are as follows: Dean Foods Company (9681) and Dean Holding Company (8390). The liquidating debtors’ mailing address is: Daniel H. Golden, Trustee, Dean Foods Company Estate & Liquidating Trust, In Care of BRG, 250 Pehle Avenue, Suite 301, Saddle Brook, NJ 07663, Attn: Rick Wright.

satisfied by payment in full on account of such claim from a party that is not a debtor;

- (c) have been satisfied by one or more of the Debtors' insurers;
- (d) are incorrectly or improperly classified;
- (e) lack supporting documentation such that the Trustee cannot verify the basis, amount, and/or validity of the claim;
- (f) fail to specify which Debtor against whom the claim is asserted or are erroneously filed against multiple Debtors;
- (g) are disallowed pursuant to, or asserted in amount, priority, or on terms that are otherwise inconsistent with, the Plan;
- (h) conflict with the Debtors' books and records; or
- (i) are otherwise inappropriate, deficient, or invalid.

2. Numbering of Omnibus Objections. Each Omnibus Objection will be numbered consecutively, regardless of basis.

3. Supporting Documentation. To the extent appropriate, Omnibus Objections may include an affidavit or declaration that provides a factual basis for the Trustee's objection to the applicable claims, which states that the affiant or the declarant has reviewed the applicable claims included therein and supporting information and documentation provided therewith, made reasonable efforts to research the claims in the books and records available to the Liquidating Trustee, and determined that the books and records are inconsistent with the debt or the amount of debt that is alleged in the claims.

4. Claim Exhibits. An exhibit listing the claims that are subject to the particular Omnibus Objection will be attached thereto. Each exhibit will include only the claims to which there is a common basis for the objection. Claims for which there is more than one basis for the objection will be referenced on each exhibit applicable thereto. The exhibits will include, without limitation, the following information alphabetized by claimant:

- (a) the claims that are the subject of the Omnibus Objection and, if applicable, the relevant proof of claim number from the claims register or the docket number of the relevant application;
- (b) the asserted amount of the claim;
- (c) the grounds for the objection;
- (d) a cross-reference to the section of the Omnibus Objection discussing such claim; and
- (e) other information, as applicable, including (i) the proposed reclassification or re-designation of claims the Trustee is seeking to implement, (ii) the reduced claim amounts of claims the Trustee is seeking to reduce, or (iii) the surviving claims of claimants affected by the Omnibus Objection.

5. Objection Notice. Each Omnibus Objection will be accompanied by a customized objection notice, substantially in the form annexed to the Order as Exhibit 2 (the “Objection Notice”), tailored, as appropriate, to address a particular creditor, claim, or objection, which will:

- (a) describe the basic nature of the objection;
- (b) inform creditors that their rights may be affected by the objection;
- (c) describe the procedures for filing a written response (each, a “Response”) to the objection, including all relevant dates and deadlines related thereto;
- (d) identify the Hearing (as defined herein) date, if applicable, and related information; and
- (e) describe how copies of proofs of claim and the Omnibus Objection may be obtained.

6. Notice and Service. Each Omnibus Objection will be filed with the Court and served electronically using the Court’s electronic filing system. In addition, each affected claimant and any counsel of record for such claimant will receive a customized notice by regular mail and email (to the extent the email address(es) for such claimant and such claimant’s counsel of record have been provided to or are known by the Trustee).

7. Hearings on Omnibus Objection. Each Omnibus Objection shall be set for hearing no less than 30 calendar days after service of the Omnibus Objection (each, a “Hearing”), unless otherwise ordered by the Court. In the Trustee’s sole discretion, and after notice to the affected claimant, the Trustee may (without further order of the Court) adjourn the Hearing on the Omnibus Objection to a subsequent hearing date by filing a notice or statement on the record. For claims subject to an Omnibus Objection and with respect to which either no Response is filed in accordance with these procedures and no appearance is made at the Hearing, or a Response is filed in accordance with the procedures but such Response is resolved prior to the Hearing, the Trustee may request at the Hearing that the Court enter an order granting the Omnibus Objection with respect to such claim. Contested claims for which (a) a Response is filed in accordance with the proposed response procedures but such Response is not resolved prior to the Hearing *and* (b) an appearance is made at the Hearing, may be heard at the Hearing or adjourned to a subsequent hearing date upon consultation with the affected parties. If a subsequent hearing is determined to be necessary, the Trustee shall file with the Court and serve on the affected claimants a notice of the subsequent hearing (the date of which shall be determined in consultation with the affected claimant(s)).

Attendance at a Hearing shall be permitted as follows:

- a. All initial settings on an Omnibus Objection will be virtual hearings consistent with section (I) of the Procedures for Complex Cases in the Southern District of Texas (effective August 1, 2021) (i.e., no in-person participation will be permitted).
- b. All subsequent settings on an Omnibus Objection will be remote hearings consistent with section (H) of the Procedures for Complex Cases in the Southern District of Texas (effective August 1, 2021) (i.e., all parties may elect to appear

either in person or virtually).

- c. Parties may stipulate that they will only participate remotely at a hearing. The stipulating parties will be bound by any such stipulation that is filed on the record prior to the commencement of the hearing.

8. Contested Matter. Each claim subject to an Omnibus Objection and the Response thereto shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014, and any order entered by the Court will be deemed a separate order with respect to such claim. The Trustee may, in his discretion and in accordance with the Plan and the Liquidating Trust Agreement and other orders of this Court, and the provisions of the Bankruptcy Code and the Bankruptcy Rules, settle the priority, amount, and validity of such contested claims without any further notice to or action, order, or approval of the Court.

#### **Responses to Omnibus Objections**

9. Parties Required to File a Response. Any affected claimant who disagrees with an Omnibus Objection is required to file a response (each, a “Response”) in accordance with the procedures set forth herein and to appear at the Hearing. If a claimant whose claim is subject to an Omnibus Objection does not file and serve a Response in compliance with the procedures below or fail to appear at the Hearing, the Court may grant the objection with respect to such claim without further notice to the claimant.

10. Response Contents. Each Response must contain the following (at a minimum):

- (a) a caption stating the name of the Court, the name of the Debtors, the case number, and the Omnibus Objection to which the Response is directed;
- (b) a concise statement setting forth the reasons why the Court should not grant the objection with respect to such claim, including the factual and legal bases upon which the claimant will rely in opposing the Omnibus Objection;

- (c) a copy of any other documentation or other evidence of the claim, to the extent not already included with the claim, upon which the claimant will rely in opposing the objection; *provided* that the claimant need not disclose confidential, proprietary, or otherwise protected information in the Response; *provided, further*, that the claimant shall disclose to counsel to the Trustee all information and provide copies of all documents that the claimant believes to be confidential, proprietary, or otherwise protected and upon which the claimant intends to rely in support of its claim, subject to appropriate confidentiality constraints; and
- (d) the following contact information for the responding party:
  - (i) the name, address, telephone number, and email address of the responding claimant or the name, address, telephone number, and email address of the claimant's attorney or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any; or
  - (ii) the name, address, telephone number, and email address of the party with authority to reconcile, settle, or otherwise resolve the objection on the claimant's behalf.

11. Filing and Service of the Response. A Response will be deemed timely only if it is filed with the Court and served electronically using the Court's electronic filing system on or before the day that is **thirty (30) calendar days from the date the Omnibus Objection is served** (the "Response Deadline"), unless as otherwise ordered by the Court.

12. Discovery. If the Trustee or the affected claimant determines that discovery is necessary in advance of a Hearing on an Omnibus Objection, the Trustee will serve notice on the affected claimant and its counsel of record that the scheduled Hearing will be treated as a status conference during which the parties will request that the Court issue a scheduling order to facilitate dismissal or resolution of the litigation. Such notice may be incorporated into the initial agenda for the Hearing or may be provided by separate notice.

13. Failure to Respond. A Response that is not filed and served in accordance with the procedures set forth herein may not be considered by the Court at the Hearing. **Absent reaching**

an agreement with the Trustee resolving the objection to a claim (as described in the Objection Notice), failure to timely file and serve a Response as set forth herein or to appear at the Hearing may result in the Court sustaining the Omnibus Objection without further notice or hearing. Upon entry of an order sustaining an Omnibus Objection, affected creditors will be served with such order.

**Additional Information**

14. Additional Information. Copies of these procedures, the Omnibus Objection, the Order or any other pleadings (the “Pleadings”) filed in these chapter 11 cases are available at no cost at the Claims and Noticing Agent’s website <https://dm.epiq11.com/case/southernfoods/info>. You may also obtain copies of any Pleadings for a fee at the Court’s website at <http://www.txs.uscourts.gov/bankruptcy>. A login identification and password to the Court’s Public Access to Court Electronic Records (“PACER”) are required to access this information and can be obtained through the PACER Service Center at <http://www.pacer.psc.uscourts.gov>.

15. Reservation of Rights. **NOTHING IN ANY OMNIBUS OBJECTION OR OBJECTION NOTICE IS INTENDED OR SHALL BE DEEMED TO CONSTITUTE (A) AN ADMISSION AS TO THE AMOUNT OF, BASIS FOR, OR VALIDITY OF ANY CLAIM AGAINST A DEBTOR ENTITY UNDER THE BANKRUPTCY CODE OR OTHER APPLICABLE LAW, (B) A WAIVER OF THE TRUSTEE’S OR ANY OTHER PARTY IN INTEREST’S RIGHT TO DISPUTE ANY CLAIM ON ANY GROUNDS, (C) A PROMISE OR REQUIREMENT TO PAY ANY CLAIM, (D) AN IMPLICATION OR ADMISSION THAT ANY PARTICULAR CLAIM IS OF A TYPE SPECIFIED OR DEFINED IN THIS MOTION OR ANY ORDER GRANTING THE RELIEF REQUESTED BY THIS MOTION OR A FINDING THAT ANY**

**PARTICULAR CLAIM IS AN ADMINISTRATIVE EXPENSE CLAIM OR OTHER PRIORITY CLAIM, (E) A REQUEST OR AUTHORIZATION TO ASSUME, ADOPT, OR REJECT ANY AGREEMENT, CONTRACT, OR LEASE PURSUANT TO SECTION 365 OF THE BANKRUPTCY CODE, (F) AN ADMISSION AS TO THE VALIDITY, PRIORITY, ENFORCEABILITY, OR PERFECTION OF ANY LIEN ON, SECURITY INTEREST IN, OR OTHER ENCUMBRANCE ON PROPERTY OF THE DEBTORS' ESTATES, OR (G) A WAIVER OR LIMITATION OF THE TRUSTEE'S, OR ANY OTHER PARTY IN INTEREST'S, RIGHTS UNDER THE BANKRUPTCY CODE OR ANY OTHER APPLICABLE LAW.**
