Re: Termination of Michigan Gas Customer Choice Contract(s) with Volunteer Energy Services, Inc. and Return to Utility Default Service

Dear Valued Customer:

We would like to notify you that Volunteer Energy Services, Inc. ("Volunteer Energy") has commenced a chapter 11 bankruptcy case. We are providing you with this notice that certain Gas Customer Choice Contract(s) you have with Volunteer Energy in Michigan that are listed on the below "Terminated Contract List" will be terminated (the "Terminated Contract(s)"). Volunteer Energy will no longer be supplying your natural gas through the Terminated Contract(s) and your account(s) associated with the Terminated Contract(s) will be returned to the utility or transferred to another retail energy provider as soon as reasonably practicable.

Terminated Contract List

Utility Account Number	Utility	Account Type	Service Address
[REDACTED]	DTE	Commercial	[REDACTED]

Upon termination of service under the Terminated Contract(s), you will receive default service from your utility company in accordance with the applicable rates and terms of the utility company's natural gas tariff or transferred to another retail energy provider unless you enroll to receive service from a new natural gas supplier for the account(s) associated with the Terminated Contract(s). Until commencement of default service with your utility company, your Terminated Contract(s) with Volunteer Energy will continue in effect and you will continue to receive natural gas at the rate that applies under your service contract. You will be responsible for payment of service provided during this period of time in accordance with any bills or invoices from Volunteer Energy, another retail energy provider, or your utility company.

Please be assured that there will be no interruptions in your natural gas service as a result of the transfer to the utility company or to another retail energy provider. You do not need to take any action to receive default service from the utility company or another retail energy provider (if applicable). However, you may remain with your gas utility for your gas supply or choose another alternative gas supplier (AGS) on or before your next meter read date. You will not be charged the switching fee if you either (a) select another AGS within this timeframe or (b) remain with your gas utility. To review offerings from other suppliers, please visit <https://gaschoice.apps.lara.state.mi.us/>.

If you have any questions regarding this notice, please visit <https://dm.epiq11.com/volunteerenergy>, email volunteerenergyinfo@epiqglobal.com or call our dedicated hotline toll-free at (855) 604-1885 or, for international callers, at +1 (503) 597-5544, between 9am ET and 9pm ET, Monday to Friday.

Very truly yours,

Volunteer Energy Services, Inc.
