John P. Schroeder Claim No. 592

Thornburg Mortgage owes me for 102 shares of Common Stock # T59593 in the amount of $2060.62, plus interest ~~on~~ on my Certified of Stock, dated March 16, 2009. A Mr. Goldman or Goldstein came on the news telling us not to sale our stock and then the stock fell to .01¢ per share. Thornburg knew it screwed its shareholders through "Fraud" and deceit, and stole money from its shareholders intentionally.

Thornburgs objections are shallow attempts to make their theft of my money seem legal while their members got rich off the backs of the common folk, and should be tried in a court of law and serve time for their thefts.

All I have for proof of Thornburg's Theft through Fraud + deceit is my "Certificate of Stock" and what was said on TV and in the news about Thornburgs culpability for Theft.

I can be reached at the same address that is listed in my Claim No.

I certify I mailed this to the two addresses listed in the Notice of Chapter 11 Trustee's First Omnibus Objection To Proofs of Claims (Equity Interest Claims) Case No 09-17787 Et Al.
