## Exhibit H

### Schedule of Retained Causes of Action

The provisions contained in this Exhibit H remain subject to continuing negotiations among the Debtors and interested parties with respect thereto. The Debtors reserve all rights, with the consent of any applicable counterparties to the extent required under the Plan, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement or its amendments are subject to certain consent and approval rights to the extent provided in the Plan.

Article IV.B of the Plan provides as follows:

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article IX hereof or pursuant to a Final Order (including the DIP Order), each Reorganized Debtor, as applicable, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article IX hereof or pursuant to a Final Order (including the DIP Order), which, in each case, shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity (other than the Released Parties) may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Causes of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action against it. Except as specifically released or as assigned or transferred under the Plan or pursuant to a Final Order (including the DIP Order), the Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including Article IX hereof or pursuant to a Final Order (including the DIP Order). The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.
