### **BAR DATES**

2. On January 24, 2023, the Court entered the *Order (I) Establishing Deadlines and Procedures for Filing Proofs of Claim, (II) Approving Form and Manner of Notice Thereof, and (III) Granting Related Relief (Docket No. 104)* (the “**Bar Date Order**”),<sup>2</sup> pursuant to which the Court established **March 16, 2023 at 5:00 p.m. (Central Time)** (the “**General Bar Date**”) as the deadline for non-governmental units to file Proofs of Claim against any Debtor and **July 22, 2023 at 5:00 p.m. (Central Time)** for governmental units (the “**Governmental Bar Date**” and, together with the General Bar Date, the “**Bar Dates**”).

3. **The Bar Dates apply to all claims against any of the Debtors that arose before the Petition Date**, including, but not limited to, claims against the Debtors arising under section 503(b)(9) of the Bankruptcy Code;<sup>3</sup> *provided, however*, that the Bar Dates do not apply to the “Excluded Claims” listed in paragraph 6 below.

### **PROCEDURES FOR FILING CLAIMS AGAINST ABOVE-REFERENCED DEBTORS:**

4. Pursuant to the Bar Date Order the Court established certain procedures for filing proofs of claim, which procedures are summarized in this notice for your convenience.

5. Unless you fall into one of the “Excluded Claim” categories listed in paragraph 6 below, you **MUST** file a proof of claim if you have any claim against any of the Debtors that arose before the Petition Date. Acts or omissions that occurred before the Petition Date may give rise to claims, including, but not limited to, personal injury or asbestos claims for which injury has not yet manifested, and are subject to the Bar Dates even if the claims may not have become known or fixed or liquidated until after the Petition Date. Under section 101(5) of the Bankruptcy Code and as used herein, the word “claim” means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Bar Date Order.

<sup>3</sup> A claim arising under section 503(b)(9) of the Bankruptcy Code is a claim arising from the value of any goods received by the Debtors within twenty (20) days before Petition Date, provided that the goods were sold to the Debtors in the ordinary course of the Debtors’ business.

or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

6. The Bar Date Order provide that creditors do NOT have to file proofs of claim by the Bar Dates for the types of claims listed below in this paragraph 6 (collectively, the “**Excluded Claims**”). You may, but are not required to, file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- a. the U.S. Trustee, on account of claims for fees payable pursuant to 28 U.S.C. § 1930;
- b. any person or entity that has already properly filed or submitted a Proof of Claim against the correct Debtor(s), but only with respect to the particular claim that was properly filed against the correct Debtor(s);
- c. any person or entity (i) (x) whose claim is listed in the Schedules or any amendments thereto, and (y) whose claim is not described therein as “disputed,” “contingent,” or “unliquidated,” and (ii) who does not dispute the amount or characterization of its claim as set forth in the Schedules (including that the claim is an obligation of the specific Debtor against which the claim is listed in the Schedules);
- d. any entity that holds a claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an administrative expense (other than any claim allowable under section 503(b)(9) of the Bankruptcy Code), including any professionals retained by the Debtors or any statutory committee pursuant to order of this Court that asserts administrative claims for fees and expenses subject to the Court’s approval pursuant to sections 330 and 331 of the Bankruptcy Code, but, in each case, solely to the extent of such administrative claim(s);
- e. any party that is exempt from filing a Proof of Claim pursuant to an order of the Court in these chapter 11 cases, including, without limitation, pursuant to the interim or final orders approving the Debtors’ postpetition senior secured superpriority debtor-in-possession credit facility;
- f. any person or entity whose claim has been paid in full by the Debtors pursuant to the Bankruptcy Code or in accordance with an order of the Court;
- g. any person or entity holding an equity security (as defined in section 101(16) of the Bankruptcy Code) in any Debtor solely with respect to such equity security interest; provided that if any such holder also wishes to assert a claim against (as opposed to an equity security interest

in) any Debtor, including, but not limited to, a claim arising from the purchase or sale of a security of any Debtor or rescission under section 510 of the Bankruptcy Code, such holder must submit a Proof of Claim asserting such claim on or before the applicable Bar Date;

- h. any Debtor asserting a claim against another Debtor;
- i. any entity whose claim is solely against any non-Debtor affiliate(s); and
- j. any person or entity whose claim against the Debtors has been allowed by an order of the Court, entered on or before the applicable Bar Date.

**7. THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM OR THAT THE DEBTORS BELIEVE YOU HAVE A CLAIM.**

8. If the Debtors file (i) any schedules of assets and liabilities and statements of financial affairs (collectively, the “**Schedules**”) and identify parties not included on their creditor matrix as of the time you receive this notice, or make (ii) an amendment (an “**Amendment**”) to any of the Schedules that (a) reduces the undisputed, noncontingent, and liquidated amount of the claim, or (b) changes the nature or characterization of that claim, or (c) adds a new claim to the Schedules, the Debtors will give notice of that Amendment to the holders of the claims that are affected by it, and those holders will be given an opportunity to file proofs of claim or amend any previously-filed proof of claim by the later of (i) the General Bar Date or the Government Bar Date, as applicable, and (ii) thirty (30) days after the claimant is served with notice of the applicable amendment. Any amended proof of claim or subsequently filed proof of claim shall be deemed to have superseded any prior proof of claim filed with respect to that amended claim.

9. The Bankruptcy Code provides that debtors may, at any time before a plan of reorganization or liquidation is confirmed by the Court, choose to reject certain executory contracts or unexpired leases. If your contract or lease is rejected, you may have a claim resulting from that rejection. The deadline to file a proof of claim for damages relating to the rejection of the contract or lease is the later of (a) the General Bar Date or Government Bar Date, as applicable, or (b) thirty (30) days after entry of any order authorizing the rejection of the contract or lease.

**INSTRUCTIONS FOR FILING PROOFS OF CLAIM:**

10. If you file a proof of claim, your filed proof of claim must (i) be legible; (ii) include a claim amount denominated in United States dollars using, if applicable, the exchange rate as of 5:00 p.m. (Central Time) on the Petition Date (and to the extent such claim is converted to United States dollars, state the rate used in such conversion); (iii) conform substantially to the proof of claim form provided by the Debtors or Official Form 410; (iv) set forth with reasonable specificity the legal and factual basis for the alleged claim; and (v) be signed by the claimant or by an authorized agent or legal representative of the claimant on behalf of the claimant, whether such signature is an electronic signature or is ink. The Debtors are enclosing a proof of claim form for use in these chapter 11 cases. Each proof of claim must state a claim against only one Debtor and clearly indicate the Debtor against which the claim is asserted. If your claim is scheduled by the

Debtors, the form also sets forth the amount of your claim as scheduled by the Debtors, the specific Debtor against which the claim is scheduled and whether the claim is scheduled as contingent, unliquidated or disputed. You will receive a different proof of claim form for each claim scheduled in your name by the Debtors. If you require additional proof of claim forms, you may obtain a proof of claim form from any bankruptcy court clerk's office, your lawyer, certain business supply stores, or by accessing the Debtors' bankruptcy administration website, at <https://dm.epiq11.com/sertasimmons>.

11. If your claim asserts a security interest in property of the Debtors, your proof of claim must be accompanied by evidence that such security interest has been perfected. If, however, such documentation is voluminous, upon consent of the Debtors' counsel, your proof of claim may include a summary of such documentation or an explanation as to why such documentation is not available, *provided* that any creditor that received such consent shall be required to transmit such writings to Debtors' counsel upon request no later than ten (10) days from the date of such request.

12. Your proof of claim form must be filed so as to be RECEIVED on or before **March 16, 2023 at 5:00 p.m. (Central Time)** for general creditors (non-governmental units), and **July 22, 2023 at 5:00 p.m. (Central Time)** for governmental units. # Instructions for Proof of Claim

United States Bankruptcy Court

These instructions and definitions generally explain the law. In certain circumstances, such as bankruptcy cases that debtors do not file voluntarily, exceptions to these general rules may apply. You should consider obtaining the advice of an attorney, especially if you are unfamiliar with the bankruptcy process and privacy regulations.

A person who files a fraudulent claim could be fined up to \$500,000 imprisoned for up to 5 years, or both. 18 U.S.C. §§ 152, 157 and 3571

## How to fill out this form

- Fill in all of the information about the claim as of the date the case was filed.
- In the caption at the top of the form, check the box of the Debtor against whom you are asserting a claim. If you assert a claim against more than one Debtor you must file a separate claim for each such Debtor. The full list of debtors is provided under the overview section on the Claims Agent's website: <http://dm.epiq11.com/sertasimmons>
- If the claim has been acquired from someone else, then state the identity of the last party who owned the claim or was the holder of the claim and who transferred it to you before the initial claim was filed.
- Attach any supporting documents to this form. Attach redacted copies of any documents that show that the debt exists, a lien secures the debt, or both. (See the definition of redaction below.)  
Also attach redacted copies of any documents that show perfection of any security interest or any assignments or transfers of the debt. If such documentation is voluminous, you may include a summary of such documentation; provided, that, upon the request for additional documentation, you shall be required to transmit such written documentation no later than five (5) business days following the date of such request. If such documentation is unavailable, provide an explanation as to why such documentation is unavailable. Federal Rule of Bankruptcy Procedure (called "Bankruptcy Rule") 3001(c) and (d).

## Understand the terms used in this form

**Administrative expense:** Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

**Claim:** A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

**Creditor:** A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

**Debtor:** A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

**Evidence of perfection:** Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

**Information that is entitled to privacy:** A Proof of Claim form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

**Priority claim:** A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

**Proof of claim:** A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

**Redaction of information:** Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the Proof of Claim form and any attached documents.

**Secured claim under 11 U.S.C. §506(a):** A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

**Setoff:** Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

**Uniform claim identifier:** An optional 24-character identifier that some creditors use to facilitate electronic payment.

**Unsecured claim:** A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

## Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
