**Exhibit H**

**Schedule of Rejected Contracts**

## **Exhibit H**

### **Schedule of Rejected Contracts**

In accordance with Article VIII of the *Joint Chapter 11 Plan of Serta Simmons Bedding, LLC and Its Affiliated Debtors* (Docket No. 544) (including any exhibits and schedules thereto and as may be modified, amended, or supplemented, the “**Plan**”),<sup>1</sup> the Debtors hereby file this schedule of executory contracts and unexpired leases that the Debtors intend to reject pursuant to the Plan (the “**Schedule of Rejected Contracts**,” and each agreement listed therein, an “**Agreement**”).

**Parties to executory contracts or unexpired leases with the Debtors are advised to carefully review the information contained herein and the related provisions of the Plan.**

Inclusion of an Agreement in the Schedule of Rejected Contracts is not an admission by the Debtors that any of the Agreements listed therein are executory contracts or unexpired leases. Subject to the terms of the Plan, the Debtors reserve the right to assert that any of the Agreements listed in the Schedule of Rejected Contracts are not executory contracts or unexpired leases. As a matter of administrative convenience, in certain cases the Debtors may have listed the original parties to the Agreements listed in the Schedule of Rejected Contracts without taking into account any succession of trustees or any other transfers or assignments from one party to another. The fact that the current parties to any particular Agreements may not be named in the Schedule of Rejected Contracts is not intended to change the treatment of such Agreements. References to any Agreements to be rejected pursuant to the Plan are to the applicable Agreement and other operative documents as of the date of the Plan Supplement, as they may have been amended, modified, or supplemented from time to time and as may be further amended, modified, or supplemented by the parties thereto between such date and the Effective Date.

Out of an abundance of caution, and for the avoidance of doubt, the Debtors may have listed herein certain Agreements that have previously been rejected, and nothing herein is intended to change or alter the date of rejection or the terms of rejection of any previously rejected Agreement.

**The Debtors reserve all rights to amend, revise, or supplement this Exhibit H to the Plan Supplement, and any of the designations contained herein, at any time before the Effective Date, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.**

**Schedule of Assumed Contracts**

## **Exhibit I**

### **Schedule of Assumed Contracts**

In accordance with Article VIII of the *Joint Chapter 11 Plan of Serta Simmons Bedding, LLC and Its Affiliated Debtors* (Docket No. 544) (including any exhibits and schedules thereto and as may be modified, amended, or supplemented, the “**Plan**”),<sup>1</sup> the Debtors hereby file this schedule of executory contracts and unexpired leases that the Debtors intend to assume pursuant to the Plan (the “**Schedule of Assumed Contracts**” and each agreement listed herein, an “**Agreement**”).

**Parties to executory contracts of unexpired leases with the Debtors are advised to carefully review the information contained herein and in the related provisions of the Plan.**

In accordance with Section 8.1 of the Plan, all executory contracts and unexpired leases to which any of the Debtors are parties, including but not limited to those contracts included in this Schedule of Assumed Contracts, and which have not expired by their own terms on or prior to the Confirmation Date shall be deemed assumed except for any executory contract or unexpired lease that (a) with the reasonable consent of the Requisite Consenting Creditors, previously has been assumed, assumed or assigned, or rejected pursuant to a Final Order of the Bankruptcy Court, (b) with the reasonable consent of the Requisite Consenting Creditors, is the subject of a separate (i) assumption motion filed by the Debtors, or (ii) rejection motion filed by the Debtors under section 365 of the Bankruptcy Code before the Confirmation Date, (c) with the reasonable consent of the Requisite Consenting Creditors, is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts, or (d) is the subject of a pending Cure Dispute.

Inclusion of an Agreement in the Schedule of Assumed Contracts is not an admission by the Debtors that any of the Agreements listed therein are executory contracts or unexpired leases. Subject to the terms of the Plan, the Debtors reserve the right to assert that any of the Agreements listed in the Schedule of Assumed Contracts are not executory contracts or unexpired leases. As a matter of administrative convenience, in certain cases the Debtors may have listed the original parties to the Agreements listed in the Schedule of Assumed Contracts without taking into account any succession of trustees or any other transfers or assignments from one party to another. The fact that the current parties to any particular Agreements may not be named in the Schedule of Assumed Contracts is not intended to change the treatment of such Agreements. References to any Agreements to be assumed pursuant to the Plan are to the applicable Agreement and other operative documents as of the date of the Plan Supplement, as they may have been amended, modified, or supplemented from time to time and as may be further amended, modified, or supplemented by the parties thereto between such date and the Effective Date.

In accordance with Section 8.2 of the Plan, the Debtors shall serve an initial Cure Notice on parties to executory contracts and unexpired leases to be assumed or assumed and assigned no later than April 14, 2023. Any counterparty to an executory contract or unexpired lease that fails to object timely to the notice of the proposed assumption or assumption and assignment, as

applicable, of such executory contract or unexpired lease or the relevant Cure amount within fifteen (15) days of the service of the applicable Cure Notice, (i) shall be deemed to have assented to (A) such Cure amount and the nature thereof, (B) assumption or assumption and assignment, as applicable, of the applicable executory contract or unexpired lease notwithstanding any provision thereof that purports to (1) prohibit, restrict, or condition the transfer or assignment of such contract or lease, or (2) terminate or permit the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtors under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtors or terminating or modifying such contract or lease on account of transactions contemplated by the Plan, and (ii) shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment, as applicable, or the Allowed amount of such Cure amount thereafter.

**The Debtors reserve all rights to amend, revise, or supplement this Exhibit I to the Plan Supplement, and any of the designations contained herein, at any time before the Effective Date, or any other such date as may be provided for by the Plan or by order of the Bankruptcy Court.**
