**SUPPLEMENTAL DECLARATION OF CARLO SERRAIOCCO IN SUPPORT OF THE
DEBTORS' APPLICATION FOR ENTRY OF AN ORDER (I) AUTHORIZING THE
RETENTION AND EMPLOYMENT OF ERNST & YOUNG LLP AS AUDIT AND TAX
SERVICES PROVIDER AND (II) GRANTING RELATED RELIEF**

I, Carlo Serraiocco, hereby declare pursuant to Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") as follows:

1. I am a Partner of Ernst & Young LLP ("EY LLP"). I provide this supplemental declaration (this "Supplemental Declaration") on behalf of EY LLP in further support of the application (the "Application") of the above-captioned debtors (the "Debtors") to retain EY LLP as their audit and tax services provider effective as of January 31, 2023 (the "Petition Date"). This Supplemental Declaration supplements my declaration that was filed with this Court on March 3, 2023 (the "Serraiocco Declaration").²

2. The facts set forth in this Supplemental Declaration are based upon my personal knowledge, upon information and belief, and upon client matter records kept in the ordinary course

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Invacare Corporation (0965); Freedom Designs, Inc. (4857); and Adaptive Switch Laboratories, Inc. (6470). The corporate headquarters and the mailing address for the Debtors is 1 Invacare Way, Elyria, Ohio 44035.

² Capitalized terms used but otherwise undefined herein shall have the meanings ascribed to such terms in the Application or Serraiocco Declaration.

of business that were reviewed by me or professionals of EY LLP and EY US LLP or employees of other member firms of EYGL under my supervision and direction.

3. In paragraph 34 of the Serraiocco Declaration, I stated that EY LLP is continuing to review the Database to identify any EY LLP or other EYGL member firm client engagements during the last three years with Parties in Interest listed in the following categories in the Debtors' PIIL: vendors and suppliers (collectively, the "Outstanding Parties in Interest"). Since the Serraiocco Declaration was filed, EY LLP obtained the completed connections check results for the Outstanding Parties in Interest. The disclosure schedule annexed hereto as Schedule 1 lists the names of all of the Parties in Interest, including the Outstanding Parties in Interest, and whether a client engagement has been initiated in the Database during the last three years by EY LLP or any other EYGL member firm, as shown in the Database.

4. To the best of my knowledge, information and belief based on the information set forth in the Database, none of the services rendered to the Parties in Interest, including the Outstanding Parties in Interest, by EY LLP or any other EYGL member firm have been in connection with the Debtors or these chapter 11 cases, except as otherwise stated herein or in the Serraiocco Declaration.

5. In paragraph 3 of the Serraiocco Declaration, I provided a summary description of each of the Services EY LLP agreed to provide to the Debtors in connection with these chapter 11 proceedings. Included among those services was Puerto Rico tax compliance services, and the agreement relating to that service was attached as Exhibit 2-D to the proposed Order. After further discussions with the Debtors, it has been determined that the Debtors no longer need Puerto Rico tax compliance services from EY LLP at this time. Accordingly, EY LLP is no longer seeking court approval for that service at this time.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

Dated: April 3, 2023
