PLEASE TAKE NOTICE that the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”) each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Court**”) on June 12, 2023.

PLEASE TAKE FURTHER NOTICE that, on June 30, 2023, the Debtors filed a motion (the “**Motion**”) ² with the Court seeking entry of orders, among other things, approving (a) procedures for the solicitation of bids in connection with the Sale Transaction and the Auction (the “**Bidding Procedures**”), (b) the form and manner of notice related to the Sale Transaction, and (c) procedures for the assumption and assignment of contracts and leases in connection with the Sale Transaction (the “**Assumption and Assignment Procedures**”).

PLEASE TAKE FURTHER NOTICE that, upon the closing of the Sale Transaction, the Debtors intend to assume and assign to the Successful Bidder(s) (whether or not a Stalking Horse Bidder) the Potential Assumed Contracts. A schedule listing the Potential Assumed Contracts (the “**Potential Assumed Contracts Schedule**”) is attached hereto and may also be accessed free of charge on the Debtors’ case information website located at <https://dm.epiq11.com/InstantBrands> or can be requested by email at InstantBrandsInfo@epiqglobal.com. In addition, the “**Cure Costs**,” if any, necessary for the assumption and assignment of the Potential Assumed Contracts are set forth on the Potential Assumed Contracts Schedule. ***Each Cure Cost listed on the Potential Assumed Contracts Schedule represents all liabilities of any nature of the Debtors arising under an Assumed Contract or Assumed Lease prior to the closing of the Sale Transaction, or other applicable date upon which such assumption and assignment will become effective, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent, or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the closing of the Sale Transaction or other applicable date upon which such assumption and assignment will become effective.***

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A POTENTIAL ASSUMED CONTRACT. Under the terms of the Assumption and Assignment Procedures, (a) at or prior to the closing of the Sale Transaction, a Successful Bidder may elect, in its sole and absolute discretion, (i) to exclude any contract or lease on the Potential Assumed Contracts Schedule as an Assumed Contract or Assumed Lease, as applicable (in which case it shall become an Excluded Contract or Excluded Lease, as applicable), or (ii) to include on the Proposed Assumed Contracts Schedule any contract or lease listed on the Potential Assumed Contracts Schedule, by providing to the Debtors written notice of its election to exclude or include such contract or lease, as applicable, (b) if the Debtors or any Successful Bidder identify during the pendency of the Chapter 11 Cases (before or after the closing of the Sale Transaction) any contract or lease that is not listed on the Proposed Assumed Contracts Schedule, and such contract or lease has not been rejected by the Debtors, the Successful Bidder may in its sole and absolute discretion elect by written notice to the Debtors to treat such contract or lease as an Assumed Contract or Assumed Lease, as applicable, and the Debtors shall seek to assume and assign such Assumed Contract or Assumed Lease in accordance with the Assumption and Assignment Procedures, and (c) following the Auction, the Debtors may, in accordance with the applicable purchase agreement, or as otherwise agreed by the Debtors and the Successful Bidder(s), at any time before the closing of the Sale Transaction, modify the previously stated Cure Costs associated with any Proposed Assumed Contract. The Assumption and Assignment Procedures further provide that any Counterparty whose previously-stated Cure Cost is modified will receive notice thereof and an opportunity to file a Supplemental Assumption and Assignment Objection. **The assumption and assignment of the Contracts and Leases on the Potential Assumed Contracts Schedule is not guaranteed and is subject to approval by the Court and the Debtors’ or Successful Bidder’s right to remove an Assumed Contract or Assumed Lease from the Potential Assumed Contracts Schedule and Proposed Assumed Contracts Schedule.**

Obtaining Additional Information

Copies of the Motion and the Bidding Procedures Order, as well as all related exhibits (including the Bidding Procedures) and all other documents filed with the Court, are available free

If a Successful Bid is a Chapter 11 Plan Bid, the Plan may contain a set of assumption and assignment procedures that have been amended to reflect the chapter 11 plan context and timeline.

CONSEQUENCES OF FAILING TO TIMELY ASSERT AN OBJECTION

Any Counterparty to a contract or lease who fails to timely make an objection to the potential assumption and assignment of such contract or lease on or before the Assumption and Assignment Objection Deadline in accordance with the Assumption and Assignment Procedures, the Bidding Procedures Order, and this Notice (or in the case of a Supplemental Assumption and Assignment Objection, by 14 days from the date of service of such Supplemental Assumption and Assignment Notice) shall be deemed to have consented to the assumption and assignment of such contract or lease, including the Cure Costs (if any), set forth on a Potential Assumed Contracts Schedule or a Supplemental Assumed Contracts Schedule, and shall be forever barred from asserting any objection or claims against the Debtors, the Successful Bidder, or the property of any such parties relating to the assumption and assignment of such contract or lease, including asserting additional Cure Costs with respect to such contract or lease. Notwithstanding anything to the contrary in such contract or lease, or any other document, the Cure Costs set forth on a Potential Assumed Contracts Schedule or a Supplemental Assumed Contracts Schedule shall be controlling and will be the only amount necessary to cure outstanding defaults under the applicable Assumed Contract or Assumed Lease under section 365(b) of the Bankruptcy Code arising out of or related to any events occurring prior to the closing of the Sale Transaction or other applicable date upon which such assumption and assignment will become effective, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent, or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the closing of the Sale Transaction or other applicable date upon which such assumption and assignment will become effective.
