)	Related to Docket Nos. 58, 222

**NOTICE OF ASSUMPTION AND ASSIGNMENT OF EXECUTORY CONTRACTS OR
UNEXPIRED LEASES AND CURE COSTS**

PLEASE TAKE NOTICE that the above-captioned debtors and debtors in possession (collectively, the “Debtors”) each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Northern District of Iowa (the “Court”) on August 7, 2023 (the “Petition Date”).

PLEASE TAKE FURTHER NOTICE that, on August 9, 2023, the Debtors filed a motion [Docket No. 58] (the “Sale Motion”)¹ with the Court seeking entry of orders, among other things, approving (a) procedures for the solicitation of bids in connection with the proposed sale of substantially all of the Debtors’ assets (the “Sale”), subject to the submission of higher or otherwise better offers in an auction process (the “Auction”), (b) the form and manner of notice related to the Sale, and (c) procedures for the assumption and assignment of contracts and leases in connection with the Sale (the “Assumption and Assignment Procedures”).

PLEASE TAKE FURTHER NOTICE that, on September 14, 2023, the Court entered an order [Docket No. 222] (the “Bidding Procedures Order”) approving, among other things, the Bidding Procedures, which establish the key dates and times related to the Sale, the Auction, and the Assumption and Assignment Procedures.

PLEASE TAKE FURTHER NOTICE that, upon the closing of the Sale, the Debtors intend to assume and assign to the Winning Bidder the Potential Assumed Contracts. A schedule listing the Potential Assumed Contracts (the “Potential Assumed Contract List”) is attached hereto and may also be accessed free of charge on the Debtors’ case information website, <https://dm.epiq11.com/mercyhospital>. In addition, the Cure Costs if any, necessary for the assumption and assignment of the Potential Assumed Contracts are set forth on the Potential Assumed Contract List. ***Each Cure Cost listed on the Potential Assumed Contract List represents all liabilities of any nature that the Debtors believe they have arising under a Potential Assumed Contract prior to the closing of the Sale, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise, so long as such liabilities arise out of***

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Sale Motion or Bidding Procedures Order, as applicable.

or relate to events occurring prior to the closing of the Sale. If you believe your Cure Costs are listed with an incorrect amount on the Potential Assumed Contract List, you must object in accordance with the procedures described in this Notice.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A CONTRACT COUNTERPARTY TO A POTENTIAL ASSUMED CONTRACT.

The assumption and assignment of the Potential Assumed Contracts on the Potential Assumed Contract List is not guaranteed and is subject to approval by the Court and the Debtors' or the Winning Bidder's right to not designate a Potential Assumed Contract on the Potential Assumed Contract List as an assumed contract.

Obtaining Additional Information

Copies of the Sale Motion, the Bidding Procedures and the Bidding Procedures Order, as well as all related exhibits, including all other documents filed with the Court, are available free of charge on the Debtors' case information website, located at <https://dm.epiq11.com/mercyhospital>.

Upon request by a counterparty under any Potential Assumed Contract, counsel to the Winning Bidder shall provide, by electronic mail, public Adequate Assurance Information (as defined in the Bidding Procedures).

Important Dates and Deadlines²

- (i) **Auction.** In the event that the Debtors timely receive a Qualified Bid in addition to the Qualified Bid of the Stalking Horse Bidder and subject to the satisfaction of any further conditions set forth in the Bidding Procedures, the Debtors intend to conduct an Auction for the Assets. Lake Street, Chicago, Illinois 60606 (or such other place as communicated by the Debtors to the parties) and via the Zoom teleconference platform.
- (ii) **Assumption and Assignment Objection Deadline.** The deadline to file an objection with the Court to the proposed assumption and assignment of an Assumed Contract (an "Assumption and Assignment Objection"), including any objection relating to the Cure Costs or adequate assurance of the Stalking Horse Bidder's future ability to perform, is **4:00 p.m. (prevailing Central Time) on October 2, 2023** (the "Assumption and Assignment Objection Deadline").
- (iii) **Adequate Assurance Objection Deadline:** Any contract counterparty may file an objection related solely to the identity of and adequate assurance

- (iv) **Sale Objection Deadline.** The deadline to file an objection with the Court to the Sale, and all objections relating to the Winning Bidder, the conduct of the Auction or the Sale (collectively, the “Sale Objections”) is **4:00 p.m. (prevailing Central Time) on October 2, 2023** (the “Sale Objection Deadline”).
- (v) **Sale Hearing.** A hearing (the “Sale Hearing”) to consider the proposed Sale will be held before the Court **10:30 a.m. (prevailing Central Time) on October 10, 2023**, or such other date as determined by the Court.

Filing Assumption and Assignment Objections

Pursuant to the Assumption and Assignment Procedures, an Assumption and Assignment Objection must (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules and Local Bankruptcy Rules, (c) state, with specificity, the legal and factual bases thereof, including, if applicable, the Cure Costs that the contract counterparty believes is required to cure defaults under the relevant Potential Assumed Contract, (d) be filed by no later than the **Assumption and Assignment Objection Deadline**, and (e) be served on the Notice Parties (as defined in the Sale Motion).

Adequate Assurance Objections, if any, must (a) be in writing, (b) state, with specificity, the legal and factual bases thereof, (c) be filed with the Court by no later than the **Adequate Assurance Objection Deadline**, (d) comply with the Bankruptcy Code, Bankruptcy Rules and Local Bankruptcy Rules and (e) be served on the Debtors’ Advisors and the Notice Parties (both as defined in the Bidding Procedures Order and/or Bidding Procedures).

CONSEQUENCES OF FAILING TO TIMELY ASSERT AN OBJECTION

Any contract counterparty to a Potential Assumed Contract who fails to timely make an objection to the proposed assumption and assignment of such contract or lease on or before the Assumption and Assignment Objection Deadline or the Adequate Assurance Objection Deadline in accordance with the Assumption and Assignment Procedures, the Bidding Procedures Order and this Notice shall be deemed to have consented to the assumption and assignment of such Potential Assumed Contract and to the Cure Costs set forth in the Potential Assumption and Assignment Notice with respect to such Potential Assumed Contract, if any, and forever barred from asserting any objection or claims against the Debtors, the Winning Bidder(s), or the property of any such parties, relating to the assumption and assignment of such contract or lease, including asserting additional Cure Costs with respect to such contract or lease.

Notwithstanding anything to the contrary in such contract or lease, or any other document, the Cure Claims set forth in the Potential Assumption and Assignment Notice shall be controlling and will be the only amount necessary to cure outstanding defaults under the applicable Potential Assumed Contract under section 365(b) of the Bankruptcy Code arising out of or related to any events occurring prior to the closing of the Sale, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent or otherwise.

Any party or entity who fails to timely make an objection to the Sale on or before the Sale Objection Deadline in accordance with the Bidding Procedures Order shall be forever barred from asserting any objection to the Sale, including with respect to the transfer of the assets free and clear of all liens, claims, encumbrances and other interests.
