Chapter 11

Case No. 23-11891 (JPM)

(Jointly Administered)

**SUPPLEMENTAL DECLARATION OF KATE MAILLOUX IN SUPPORT OF
DEBTORS' APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING THE
EMPLOYMENT AND RETENTION OF EPIQ CORPORATE RESTRUCTURING,
LLC AS ADMINISTRATIVE AGENT *NUNC PRO TUNC* TO THE PETITION DATE
AND GRANTING RELATED RELIEF**

I, Kate Mailloux, on behalf of Epiq Corporate Restructuring, LLC (“**Epiq**”), under penalty of perjury, declare as follows:

¹ The Debtors, together with each Debtor's Chilean identification number, are: Inversiones Latin America Power Ltda. (76.299.635-9); San Juan S.A. (76.319.883-9); and Norvind S.A. (76.919.070-8). The location of the corporate headquarters and the service address for Inversiones Latin America Power Ltda. is Cerro El Plomo 5680, Oficina 1202, Las Condes, Santiago, Chile.

1. I am a Director with Epiq. The matters set forth herein are made of my own personal knowledge and, if called and sworn as a witness, I could and would testify competently thereto.²

2. On December 12, 2023, the Debtors filed the *Debtors' Application for Entry of an Order Authorizing the Employment and Retention Epiq Corporate Restructuring, LLC as Administrative Agent Nunc Pro Tunc to the Petition Date and Granting Related Relief* [ECF No. 43] (the “**Application**”).³

3. In connection with the Application, I submitted an initial declaration (the “**Initial Declaration**”) describing Epiq’s connections to the Debtors and the names of individuals and entities that may be parties in interest in these Chapter 11 Cases (the “**Potential Parties in Interest**”). The Initial Declaration was appended to the Application as Exhibit B and is incorporated herein by reference.

4. Subsequent to the filing of the Initial Declaration, Epiq received a supplement to the list of Potential Parties in Interest from the Debtors’ proposed counsel (the “**Supplemental Potential Parties in Interest**”), annexed hereto as **Schedule 1**. Epiq conducted a review, completed under my supervision, of the list of Supplemental Potential Parties in Interest based on a query of an internal client database containing names of individuals and entities that are present or recent clients of Epiq. Epiq is a member of Epiq Global, a worldwide provider of legal services, serving law firms, corporations, financial institutions, and government agencies—helping them streamline the administration of business operations, class action and mass tort, court reporting,

² Certain of the disclosures herein relate to matters within the knowledge of other professionals at Epiq and are based on information provided by them and discussed with me.

³ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Original Declaration (as defined herein).

eDiscovery, regulatory, compliance, restructuring, and bankruptcy matters. There are forty-five (45) entities that comprise the Epiq Global enterprise. To clarify, I have authorized the search across the Epiq Global database where the clients and business relationships of all 45 entities in the Epiq Global enterprise are stored for all Epiq Global entities from the top-level parent company DTI Topco, Inc., to all of its affiliates, including Epiq Corporate Restructuring, LLC.

5. Our process for preparing a disclosure report is as follows: upon receipt of a potential parties in interest list, all such parties are searched for both exact matches and potential matches within a global internal database. A report of the “hits” is generated and our conflicts team reviews those “hits” for connections. Where there are exact or potential connections, a disclosure is drafted. After the conflicts team completes the draft disclosures, they are then inserted into the draft retention pleadings and reviewed by the engagement director. To the best of my knowledge and based solely upon information provided to me by the Debtors, neither Epiq, nor any of its professionals, has any materially adverse connection to the Debtors, their creditors or other relevant parties, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason. To the extent that Epiq’s conflicts check has revealed that certain Potential Parties in Interest were connected to Epiq within the past three years, these parties have been identified on a list annexed hereto as **Schedule 2** (the “**Client Match List**”). To the best of my knowledge, any such connections between Epiq and any parties on the Client Match List are completely unrelated to the Debtors.

6. In addition, I sent an email to Epiq’s personnel where I provided the scope of services in this Application, required each recipient to review the Potential Parties in Interest listed in **Schedule 1**, and asked that the recipient contact me if they have a connection to an interested party. I did not receive any response, so to the best of my knowledge, no Epiq personnel providing

the scope of services in this Application have connections with the Debtors or Potential Parties in Interest.

7. Given Epiq's neutral position as the claims and noticing agent and by this Application, the Administrative Agent in these Chapter 11 Cases (and any other cases), any Epiq personnel connections are not real or potential conflicts. From information ascertained after reasonable inquiry from the employees expected to spend time on the Chapter 11 Cases, (a) Epiq has no connection with the Debtors, their creditors, the United States Trustee, any person employed in the office of the United States Trustee or any other party with an actual or potential interest in the Chapter 11 Cases or their respective attorneys or accountants, except as set forth herein; (b) Epiq personnel are not creditors, equity security holders or insiders of the Debtors; (c) Epiq personnel are or were within two years of the Petition Date, directors, officers or employees of the Debtors; and (d) Epiq neither holds nor represents an interest materially adverse to the Debtors or their estates. In that regard, neither Epiq, nor any employees thereof, represent any interest materially adverse to the Debtors' estates with respect to any matter in which Epiq is to be engaged. Based on the foregoing, I believe that Epiq is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

8. I believe that Epiq does not hold or represent an interest adverse to the Debtors. Should Epiq discover any new relevant facts or relationships bearing on the matters described herein during the period of its retention, Epiq will promptly file a supplemental affidavit.

9. Neither Epiq nor its affiliates are party to any agreements that would entitle them to consideration in exchange for transferring information derived from Epiq's role as a claims and noticing agent under 28 U.S.C. § 156(c) or from Epiq's role as an administrative agent under 11 U.S.C. § 327(a) to non-client third parties.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.
