SECURITIES AND EXCHANGE  
COMMISSION,

Plaintiff,

v.

TRAFFIC MONSOON, LLC, a Utah Limited  
Liability Company, and CHARLES DAVID  
SCOVILLE, an individual,

Defendants.

**RECEIVER’S MOTION FOR  
APPROVAL OF PROPOSED  
PLAN OF DISTRIBUTION**

2:16-cv-00832-JNP

The Honorable Jill N. Parrish

---

Michael F. Thomson, the Court-appointed Receiver (the “Receiver”)<sup>1</sup> of Traffic Monsoon, LLC (“Traffic Monsoon”) and the assets of Charles David Scoville (“Scoville” and, together with Traffic Monsoon, the “Defendants”) that were obtained directly or indirectly from Traffic Monsoon, hereby submits the *Receiver’s Motion for Approval of Proposed Plan of Distribution* (the “Motion”). In support of the Motion, the Receiver respectfully states as follows:

---

<sup>1</sup> All references to the Receiver used throughout this Motion refer to the acting receiver at the relevant time and may include Peggy Hunt, the initial Court-appointed receiver.

**I. PRELIMINARY STATEMENT**

Since being appointed, the Receiver has expended significant time and effort (i) collecting and marshalling the Defendants' assets (the "Receivership Estate") and (ii) reviewing and objecting to claims. Now, with the exception of the PayPal Claim, the Mailed Claim, and the Disputed Claims described further below, the Receiver has finished the claims reconciliation process, has collected most of the assets of the Receivership Estate, and is in a position to make a distribution to the defrauded investors.

Accordingly, the Receiver proposes making a substantial initial *pro rata* distribution to the defrauded investors with the possibility of a future distribution as set forth in the proposed plan of distribution below (the "Proposed Plan"). The Receiver has consulted the SEC regarding the plan of distribution recommended herein and the SEC has informed the Receiver that it has no opposition to this recommendation. The Receiver submits that the Proposed Plan outlined below is reasonable, fair, and equitable given the circumstances in this case and should be approved.

**II. BACKGROUND**

**A. Judgments and Receivership**

On July 26, 2016, the SEC filed a Complaint in this Court against the Defendants. The SEC claimed, among other things, that between October 2014 and July 2016, the Defendants engaged in securities fraud and operated a Ponzi scheme. On that same day, the Court entered a *Temporary Restraining Order and Order Freezing Assets* [[Doc. No. 8](#)], freezing the assets of the Defendants.

On July 17, 2016, the Court entered an *Order Appointing Receiver* [[Doc. No. 11](#)] (the “Receivership Order”).<sup>2</sup>

On March 28, 2017, the Court entered a *Preliminary Injunction* [[Doc. No. 80](#)], extending the freeze on the Defendants’ assets.

On January 5, 2021, the Court entered a *Final Judgment as to Defendant Charles Scoville* [[Doc. No. 285](#)], ordering Scoville to disgorge \$2,537,642.93 to be paid toward victims and entering penalties against him in the amount of \$2,426,749 to be paid to the SEC after the victims have been compensated.

On February 4, 2022, the Court entered a *Final Judgment as to Defendant Traffic Monsoon, LLC* [[Doc. No. 448](#)], ordering Traffic Monsoon to disgorge the total amount of \$145,736,805.22 “which amount shall be deemed satisfied by the collection efforts to date and the future distribution of funds to allowed claims of investors by the [Receiver].”

**B. Claims**

On December 20, 2019, the Court entered the *Order Approving (1) Claims Process; (2) Setting Claims Bar Date; and (3) Certain Notice Procedures* [[Doc. No. 232](#)] (the “Claims Process Order”). The Claims Process Order set April 10, 2020 at 11:59 p.m. (Mountain Time) as the Bar Date for submitting Proofs of Claim and stated that “[a]ny [Proof of] Claim submitted after the Bar Date is Disallowed.” ¶¶ 3, 6. The Claims Process Order further explained that “[t]he holders of any [Proofs of Claim] not submitted by the Bar Date are barred from asserting such

<sup>2</sup> On March 28, 2017, the Receivership Order was amended to add clarification. See [[Doc. No. 81](#)].

claims against the Receivership Estate and/or receiving distributions from the Receivership Estate on account of such claims.” *Id.* ¶ 4.

The Receiver received a total of 23,221 Proofs of Claim through the online portal. The Proofs of Claim asserted \$216,496,877 in claims.<sup>3</sup> PayPal, Inc. also submitted a Proof of Claim, asserting an alleged secured claim in the amount of \$3,144,021.07 (the “PayPal Claim”).

The procedures approved by the Court as part of the Claims Process Order proved successful as over 14,276 Proofs of Claim asserting claims totaling \$43,177,843 were allowed without the need for objection.

On October 30, 2020, the Court entered an *Order* [[Doc. No. 277](#)] (the “Objection Process Order”) granting the Receiver’s Ex Parte *Motion for Approval of Claim Objection Process and Settlement Authority* [[Doc. No. 275](#)], approving objection processes, including those for the service of certain omnibus claim objections and the service of certain targeted objections.

Pursuant to the Objection Process Order, the Receiver was permitted to file and serve objections to contested claims. The claimants were given 30 days to respond to the claim objection. If no response was received in 30 days, the claim would be disallowed.

*i.      The Receiver’s Omnibus Objections to Proofs of Claim*

Pursuant to the Objection Process Order, the Receiver served the following omnibus objections on affected claimants via email:

- a.      Objection to Untimely Proofs of Claim [[Doc. No. 288](#)] (the “Late-Filed Claim Objection”). In the Late-Filed Claim Objection, the Receiver objected to 842 late-filed claims asserting claims totaling \$4,878,902.92.*

---

<sup>3</sup> This total excludes one Proof of Claim which was asserted in the amount of \$99,999,999,999.99.

- b. *Objection to Proofs of Claim for Failing to State Amount of Claim* [[Doc. No. 289](#)] (the “No Amount Stated Claim Objection”). In the No Amount Stated Claim Objection, the Receiver objected to 503 claims where the claimant did not state the amount of the claim. The Receiver’s records indicate that there was a scheduled amount for some of these claims. The Receiver informed claimants that if they agreed with the scheduled claim amount, the Receiver would accept this amount for their Proof of Claim. If a claimant did not agree with the scheduled claim amount, they were required to state the alleged amount of their Proof of Claim and provide documentation to support that amount.
- c. *Objection to Duplicate Proofs of Claim* [[Doc. No. 290](#)] (the “Duplicate Claim Objection”). In the Duplicate Claim Objection, the Receiver objected to 684 duplicate claims asserting claims totaling \$6,253,760.62.
- d. *Objection to Proofs of Claim that Were Superseded by Amended Claims* [[Doc. No. 291](#)] (the “Amended Claim Objection”). In the Amended Claim Objection, the Receiver objected to 2,381 claims that were subsequently amended by the claimants, asserting claims totaling \$41,296,715.29. The Receiver did not object to a claimant’s latest filed claim, unless there was an unrelated objectionable issue.
- e. *Objection to Non-Investor Proofs of Claim* [[Doc. No. 292](#)] (the “Non-Investor Claim Objection”). In the Non-Investor Claim Objection, the Receiver objected to 109 claims made by persons that were not investors according to Traffic Monsoon’s books and records, asserting claims totaling \$431,659.15. The Receiver demanded that these claimants provide documentation to show that they had actually invested in Traffic Monsoon.
- f. *Objection Contesting Amount of Proofs of Claim* [[Doc. No. 293](#)] (the “Contested Claim Objection”). In the Contested Claim Objection, the Receiver objected to 848 claims asserting claims totaling \$13,843,209.91. The Receiver informed these Claimants that if they did not respond to the Contested Claim Objection, the Receiver would set the amount of their claim at the scheduled claim amount. If they did not agree with the scheduled claim amount, they were required to submit documentation to support the amount of their alleged claim.
- g. *Objection Contesting Amount of Proof(s) of Claim (No Validation Code)* [[Doc. No. 294](#)] (the “Did Not Attest Claim Objection”). In the Did Not Attest Claim Objection, the Receiver objected to 698 claims where the claimants did not verify the claim, asserting claims totaling \$27,193,625.52. The Receiver informed these claimants that if they did not respond to the Did Not Attest Claim Objection, the Receiver would set the amount of their claim at the scheduled claim amount. If the claimant did not agree with the scheduled claim amount, they were required to submit documentation to support the amount of their alleged claim.

- h. Receiver’s Notice of (I) Disallowance of Certain Proofs of Claim in their Entirety and (II) Allowance of Certain Proofs of Claim in a Modified Amount (Agreed Claims)* [[Doc. No. 317](#)] (the “Agreed Claims Notice”). In the Agreed Claims Notice, the Receiver received 493 responses to her objections where the claimant agreed with the Receiver’s objection and agreed to the Receiver’s scheduled amount for the claim.
- i. Objection Contesting Amount of Proofs of Claim (Insufficient Documentation)* [[Doc. No. 328](#)], *Objection Contesting Amount of Proofs of Claim (Did Not Attest and Insufficient Documentation)* [[Doc. No. 329](#)] and the *Objection Contesting Amount of Proofs of Claim (Insufficient Documentation)* [[Doc. No. 420](#)] (the “Insufficient Documentation Objections”). In the Insufficient Documentation Objections, the Receiver objected to 772 claims where the amounts asserted by the claimants were greater than the amounts indicated in the Receiver’s books and records and the claimants did not provide sufficient documentation to support their claimed amount—and some failed to attest to the claim. If they did not agree with the scheduled claim amount, they were required to submit documentation to support the amount of their alleged claim and to attest to the claim if not previously attested to.
- j. Objection Contesting Amount of Proofs of Claim (Net Investment Discrepancy)* [[Doc. No. 421](#)] (the “Net Investment Discrepancy Objection”). In the Net Investment Discrepancy Objection, the Receiver objected to 879 claims where the amounts were not based on the net principal investments. If the claimant did not agree with the scheduled claim amount, they were required to submit documentation to support the amount of their alleged claim.

In total, the Receiver objected to over 6,136 Proofs of Claim on an omnibus basis, involving asserted claims totaling over \$93 million.

*ii. Targeted Objections*

The Receiver also filed and served targeted objections. Specifically, the Receiver filed and served targeted objections on: (i) a claimant who filed a \$99 trillion claim; (ii) a claimant who solicited investments from other Italian investors and is facing criminal prosecution; and (iii) other claimants who filed large claims that were unsupported by the amounts in the Receiver’s books and records. See [[Doc. Nos. 332–33, 392](#)].

iii. *The Special Master Proceedings*

After the Receiver filed these claim objections, there were approximately 511 claimants who submitted responses to the Receiver's objections. The Receiver was then able to informally resolve many of these claims by exercising the Court-granted settlement authority.

On October 18, 2022, the Court entered the *Order to Appoint Special Master* [[Doc. No. 519](#)],<sup>4</sup> appointing a special master (the "Special Master") to make a report and recommendation to resolve the remaining claims.

By the time the Special Master was appointed, there were only 188 remaining unresolved claims. The Special Master scheduled hearings to adjudicate these remaining claims. Forty-three claimants, representing more than fifty claims, appeared before the Special Master between December 7 and December 29, 2022.

On January 19, 2023, the Special Master filed the *Special Master's Report and Recommendation* [[Doc. No. 537](#)] (the "Report and Recommendation").

On July 26, 2023, the Court entered the *Order Adopting in Part Report and Recommendation* [[Doc. No. 568](#)] (the "Report and Recommendation Order"). The Report and Recommendation Order adopts in part the Report and Recommendation. Specifically, the Court adopted the Report and Recommendation, except the Court allowed six claims that were untimely filed because of compelling reasons.

---

<sup>4</sup> This Order was supplemented with the *Order Approving Special Master Adjudication Procedures* [[Doc. No. 526](#)].

iv. The PayPal Claim

The PayPal Claim asserts a secured claim to the funds held by the Receivership Estate, in the amount of \$3,144,021.07. On January 5, 2021, the Court authorized the law firm of Ray Quinney & Nebeker P.C. to serve as Special Counsel in this case for the limited purpose of attending to the allowance and treatment of the PayPal Claim. As of today's date, the PayPal Claim has not been fully adjudicated.

v. Mailed Claim

There were certain holders of claims that did not submit claims via the online portal but, rather, mailed in claims to the Receiver or the Receiver's claims agent, Epiq. The Receiver has reconciled most of these claims and exercised his Court-approved authority to settle claims below the \$10,000 threshold. However, as of the date of this filing, there is one remaining mailed claim (the "Mailed Claim") that was asserted by an individual in the amount of £6,500, which individual actually is shown on Traffic Monsoon's books and records as a net winner. The Receiver is endeavoring to resolve the Mailed Claim but, so as not to delay the distribution to the other holders of Allowed Claims, is reserving \$6,270.60<sup>5</sup> in the event the Mailed Claim is ultimately allowed.

vi. Disputed Claims

There are additional claims that have recently been identified by Epiq as needing further attention: (i) there are 17 claims, in the total amount of \$50,727.22, that the Receiver believes are duplicate claims which were overlooked in the initial claims review process (the "Duplicate

---

<sup>5</sup> This value accounts for the exchange rate from British Pounds to US Dollars as of the date the Mailed Claim was received, resulting in a total possible Allowed Claim in the amount of \$8,060.65, and then accounts for the same *pro rata* percentage of distribution being made on the Mailed Claim as to the other holders of Allowed Claims.

Claims”); and (ii) there is an individual that recently inquired about the status of his claim, which was timely filed in the amount of £11,124.99 (the “Objected Claim” and, collectively with the Duplicate Claims, the “Disputed Claims”). The Receiver objected to the Objected Claim because Traffic Monsoon’s books and records show that this individual does not have an allowable claim. However, Epiq recently discovered that this individual had begun responding to the claim objection on the Epiq claim portal, but never completed all of the steps necessary to submit his response to the Receiver’s claim objection. Accordingly, the claim response was incomplete and unsubmitted.

The Receiver is working to resolve these Disputed Claims; however, so as not to delay the distribution to the other holders of Allowed Claims, the Receiver is reserving \$50,647.08<sup>6</sup> in the event the Disputed Claims are ultimately allowed.

**C. Current Financial Status of Receivership Estate**

As of the date of this Plan, the Receiver has cash on hand of approximately \$49,654,746. After accounting for outstanding expenses of the receivership, the Receiver expects that approximately \$43,818,051 will be available for the initial distribution, after subtracting any fees and expenses of the receivership and less any reserves held to implement the Plan as determined necessary by the Receiver.

---

<sup>6</sup> This amount consists of \$39,462.09 for the Duplicate Claims as well as \$11,184.99 for the Objected Claim. The Objected Claim amount accounts for the exchange rate from British Pounds to US Dollars as of the date the Objected Claim was received, resulting in a total possible Allowed Claim in the amount of \$14,377.94. This reserve amount also accounts for the same *pro rata* percentage of distribution being made on the Disputed Claims as to the other holders of Allowed Claims.

Currently, the allowed claims against the Receivership Estate from investors total \$56,326,662, not including the PayPal Claim, Mailed Claim, and Disputed Claims which remain unresolved.

**D. Other Potential Assets**

There are also other potential assets of the Receivership Estate that remain unliquidated. First, the Receiver has obtained, and continues his efforts to collect on, *Default Judgments* against the following parties: Ernest Ganz (\$540,824.50), Sharon James (\$303,691.66), Javediqbal Naeem (\$353,593.70), Adil Khan (\$389,370.78), Limited By Invitation (\$310,704.36), Mohammed Yasin (\$419,176.67), and Imtiaz Aslam (\$6,910,721.52) (collectively, the “Judgments”).<sup>7</sup> At this time it is unknown how much additional funds the Receivership Estate will collect on the Judgments, but the Receiver does expect additional funds to be collected.

Second, the Receiver continues to pursue separate claims against Allied Wallet and MH Pillars Ltd., d/b/a Payza (“Payza”) due to their failure to turn over assets of the Receivership Estate. Allied Wallet is currently in liquidation proceedings in the United Kingdom, and the Receiver has submitted a formal claim in that proceeding. Payza’s assets are the subject of criminal forfeiture proceedings in the United States and the Receiver has submitted a petition seeking allowance of a claim recognized in the forfeiture proceedings. At this time, it is unknown how much of a distribution the Receivership Estate will receive for its claims against Allied Wallet and Payza, but the Receiver does expect a distribution will be received.

---

<sup>7</sup> The liability on a judgment entered against David Barker was extinguished after Mr. Barker received a Chapter 7 bankruptcy discharge, and judgments entered against Vincent Boutin and Piotr Chajkowski were settled pursuant to Court-approved settlement agreements. [[Doc. Nos. 581, 592](#)].

### **III. INITIAL DISTRIBUTION**

As stated above, the Receiver currently believes that \$43,818,051 of the funds he has on hand are available to be distributed at this time to holders of allowed claims (“Allowed Claims”).

After analysis and thoughtful consideration, the Receiver recommends that the Court approve a *pro rata* distribution methodology for this initial distribution. Under this approach, \$43,818,051 is available to be distributed *pro rata* to all holders of Allowed Claims. This will allow all victims holding Allowed Claims in this case to receive a distribution—subject to the *de minimis* threshold discussed below.

As noted, after subtracting the amounts that are subject to the *de minimis* threshold discussed below, the Receiver proposes distributing \$43,735,320 in the initial distribution on a *pro rata* basis to all holders of Allowed Claims and would reserve amounts that might be payable on account of the PayPal Claim, Mailed Claim, and Disputed Claims if they are ultimately allowed as asserted, as well as a reserve amount to allow for the continued administration of the Receivership Estate. If the PayPal Claim, Mailed Claim, and Disputed Claims are Allowed, or Allowed in part, by entry of final orders from the Court, the Receiver will make distributions to these claim holders from the reserve amounts in the Allowed amount so that they receive the same *pro rata* distribution as the other holders of Allowed Claims. Any excess amount in the reserves after the Receiver has completed administering this case will be distributed in a subsequent distribution upon motion by the Receiver and approval by the Court. The amount of the *pro rata* distribution percentage is calculated by dividing the total amount available for distribution in the amount of \$43,818,051 by \$56,326,662, the adjusted total amount of all Allowed Claims (exclusive of the PayPal Claim, Mailed Claim, and Disputed Claims).

In so doing, each holder of an Allowed Claim will receive a distribution in the approximate amount of 77.8% of the total amount of the claimant's Allowed Claim, the Receiver would reserve \$3,144,021.07 until the PayPal Claim is resolved, the Receiver would reserve \$6,270.60 until the Mailed Claim is resolved, the Receiver would reserve \$50,647.08 until the Disputed Claims are resolved, the Receiver would reserve \$135,704 for outstanding professional fees incurred through December 31, 2023, and the Receiver would reserve \$2,500,000<sup>8</sup> for the continued administration of the Receivership Estate. Further, holders of Allowed Claims that are below the *de minimis* threshold so that the distribution that they would receive is less than \$100.00 are not scheduled to receive anything under the Plan. Under the Receiver's proposed initial distribution, there are 1,586 holders of Allowed Claims whose proposed distribution is below \$100.00, for a total cumulative amount of \$82,732. Given the administrative costs in making the distributions, the Receiver, in his business judgment, has determined that these distributions are not cost-effective and should not be made. The cumulative *de minimis* amount of \$82,732 will be retained by the Receivership Estate and made available for a future distribution.

The table attached hereto as **Exhibit A** sets forth the *pro rata* distribution proposed in the initial distribution to the holders of Allowed Claims, organized by Claim numbers.

---

<sup>8</sup> This amount relates to all potential administrative expenses through the conclusion of this case, the bulk of which relate to the work Epiq must do to administer the distribution process and interact with claimants, plus the potential fees and costs for the Receiver and the Receivership Estate's legal and accounting professionals. The Receiver will continue to closely monitor all administrative expenses incurred in this case, and will continue to seek Court approval of his and his professionals' fees, with the goal of minimizing expenses and distributing as much as possible to holders of Allowed Claims. Any funds that are reserved for administrative expenses but are unused at the conclusion of this case will be included in the anticipated additional distribution to holders of Allowed Claims.

#### IV. DISTRIBUTION PROCEDURES

##### A. Collection of Certain Data to be Eligible to Receive Distribution

The Receiver has determined that, pursuant to applicable laws, he is required to obtain certain information from holders of Allowed Claims in order to make distributions to such holders. Therefore, the Receiver requests that the Court require holders of Allowed Claims to furnish certain information to the Receiver to be eligible to receive a distribution. The Receiver has created an online portal where holders of Allowed Claims can easily submit all the required information (the “Distribution Portal”). A compilation of screenshots of what the Distribution Portal looks like, from the view of the claimants, is attached hereto as Exhibit B.

##### *i. Required Tax Information*

The Receiver has determined that, pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, as amended from time to time (the “Code”) and Treasury regulations promulgated thereunder, he is required to collect certain tax information and documentation from holders of Allowed Claims before he can make distributions to them in order to comply with U.S. withholding tax and backup withholding requirements with respect to distributions to be made to holders of Allowed Claims that receive a distribution. Therefore, in order to receive a distribution, the Receiver requests that the Court require the holders of Allowed Claims to submit either an IRS Form W-9 if the holder is treated as a “United States person” for U.S. federal income tax purposes (such as a U.S. citizen or resident individual or a U.S. corporation), or an IRS Form W-8 if the holder is not a “United States person” for U.S. federal income tax purposes (*i.e.*, a “foreign person”).

The Receiver will collect the IRS Forms W-8 and W-9, as applicable (collectively, the “Tax Forms”), through the Distribution Portal. The electronic collection and maintenance of the Tax Forms shall be in a manner that complies with the requirements set forth in the Code and regulations for electronic submissions and maintenance of Tax Forms.

With respect to holders of Allowed Claims who are United States persons, under U.S. tax laws the Receiver does not need to hold back any of the distribution for U.S. taxes upon receipt of a properly completed and executed IRS Form W-9 (which includes the correct U.S. person’s Social Security Number or Employer Identification Number). On the other hand, after consulting with several tax professionals, the Receiver has learned that under U.S. tax laws he will need to withhold up to 30% of the distributions to certain foreign holders of Allowed Claims that have provided a properly completed and executed IRS Form W-8. For the avoidance of doubt, any holder of an Allowed Claim that does not properly complete and execute the applicable Tax Form will not receive a distribution.

*ii. OFAC Certificate*

Over 90% of the Allowed Claims have been filed by persons located outside of the United States. Subject to limited exceptions not applicable in this matter, any transfer of assets to be made to a foreign entity requires strict compliance with the regulations of the Office of Foreign Asset Control (“OFAC”) and other applicable laws, regulations, and embargoes on transfers of assets to foreign countries, foreign nationals, and organized groups (the “Applicable Regulations”). Violations of the Applicable Regulations are punishable by, among other things, levies, fines, and imprisonment. Due to the large number of distributions to be made to foreign entities and the liability associated with violations of the Applicable Regulations, the Receiver is establishing a

compliance program to ensure distributions made to foreign entities will comply with the Applicable Regulations. As part of this compliance program, the Receiver will search the names of all Allowed Claim holders and the financial institutions through which the payments will be distributed against standard OFAC watch lists. Moreover, the Receiver requests that holders of Allowed Claims be required to submit a certificate (“OFAC Certificate”), which will be included on the online Distribution Portal, requiring the holders of Allowed Claims to certify that they are permitted to transact business in the United States.

The OFAC Certificate will not absolve the Receiver from otherwise complying with the Applicable Regulations but is an important piece of the overall compliance program that the Receiver will institute because the OFAC Certificate is the only affirmative statement by distribution recipients as to their status with regard to United States sanctions. Therefore, the Receiver requests that the Court require all holders of Allowed Claims to submit an OFAC Certificate in order for the holder of an Allowed Claim to receive a distribution.

*iii. Wire Information/Updated Address*

The Receiver has investigated multiple ways to make payments to the holders of Allowed Claims. The Receiver has determined that the most economical and efficient way to make distributions is to issue wire transfers to the holders of Allowed Claims. Accordingly, to be able to proceed with making payments, the holders of Allowed Claims will need to provide the necessary wire information (“Wire Information”) in the online Distribution Portal so that distributions can be made. If an Allowed Claim holder does not provide Wire Information, the Receiver will mail a check which shall be drawn in United States dollars on a United States

domestic bank. The Receiver will provide the holders of Allowed Claims an opportunity to update their mailing address on the online Distribution Portal.

*iv.      Releases*

The Receiver believes that it is standard for a receiver and the receivership estate to obtain a release as a condition to a claimant receiving a distribution. *See S.E.C. v. Rex Venture Grp, LLC*, Case No. 12-CV-519 [[Doc. No. 144](#)] (W.D. N.C. May 8, 2013) (unpublished) (attached as **Exhibit E**).<sup>9</sup> Therefore, the Receiver proposes that before a holder of an Allowed Claim can receive a distribution, the holder must sign a release (the “Release”) on the online Distribution Portal, which will release the Receiver, the Receivership Estate, and all agents and professionals of the Receiver from any and all manner of actions related to this case.

**B.      Making of Distributions**

To provide for orderly and cost-effective distributions, the Receiver hereby requests that the Court approve the following procedures for making distributions to all holders of Allowed Claims:

- i.      Delivery of Distributions in General.* Subject to the discussion above under “*Required Tax Information*,” the Receiver shall make distributions solely to the holders of Allowed Claims without regard to any claim or interest asserted by any third-party in such distributions. Distributions shall be made to the holders of Allowed Claims pursuant to the provided Wire Information or, if no Wire Information is provided, via check mailed to the address set forth in the applicable

---

<sup>9</sup> The Receiver believes that this *Order* is not available on WestLaw or Lexis. Accordingly, in accordance with DUCivR 7-2(c), a copy of the *Order* is attached hereto as **Exhibit E**.

Allowed Claim, which mailing address may be amended by such holder via the online Distribution Portal.

- ii. Payments.* Distributions shall be made to all holders of Allowed Claims via wire transfer pursuant to the provided Wire Information. If no Wire Information is provided, the Receiver will mail a check to the holder of an Allowed Claim which shall be drawn in United States dollars on a United States domestic bank. The Receiver evaluated many potential methods of making distributions in this case and has determined that making payments via wire transfer is the most economical and efficient way to make distributions and therefore proposes making this the primary distribution method.
- iii. Interest on Claims.* Interest shall not accrue or be paid on any Allowed Claim, and no holder of an Allowed Claim shall be entitled to interest accruing on any Allowed Claim.
- iv. No de Minimis Distributions.* The Receiver shall not be required to make a distribution to the holder of an Allowed Claim if such distribution is in an amount less than \$100.00. The Receiver has determined that the administrative and out-of-pocket costs involved in making distributions in amounts of less than \$100.00 would not be cost-effective.
- v. Forfeited Distributions.* The holder of an Allowed Claim must timely provide: (i) a Release, (ii) an applicable Tax Form, (iii) an OFAC Certificate, and (iv) Wire Information or mailing address (collectively, the “Required Information”). The Receiver will establish an online Distribution Portal where the holders of Allowed

Claims can provide the Required Information. Sample screenshots of the setup of the Distribution Portal are attached hereto as **Exhibit B**. Within seven (7) days after the entry of an Order approving the Plan of Distribution, Epiq will transmit a notice via electronic mail to all holders of Allowed Claims informing them that the Plan has been approved and that the Distribution Portal is active. A proposed form of the notice to be provided is attached hereto as **Exhibit C**. Holders of Allowed Claims that fail to provide the Required Information through the Distribution Portal within 90 days after the entry of an Order approving the Plan of Distribution shall be deemed to have forfeited any distribution to which they would otherwise be entitled (a “Forfeited Distribution”). Forfeited Distributions shall be deemed forfeited automatically on the 91<sup>st</sup> day after entry of the Order approving the Plan of Distribution.

vi. Unclaimed and Undeliverable Distributions.

- a. “Unclaimed Property” shall mean distributions: (i) that are Forfeited Distributions; (ii) that are not able to be delivered via the Wire Information; (iii) if the distribution is sent via mailed check, that are returned to the Receiver as undeliverable and no appropriate forwarding address is received within 45 days after such attempted distribution by the Receiver is made to such holder; or (iv) for those holders who did not provide Wire Information and to which a check was mailed, if such check making the distribution is not negotiated within 90 days of its issuance and no request for reissuance is made within such 90-day period, at which time such distribution shall be cancelled through a stop

payment order or other means. The Receiver is under no affirmative obligation to attempt to locate any holder of an Allowed Claim. The Receiver also has no obligation to ensure that a foreign bank will negotiate any mailed checks.

- b. The Unclaimed Property shall become property of the Receivership Estate. All Allowed Claims which distributions thereon become Unclaimed Property shall be deemed disallowed, and the holder or successor to such holder of a claim so disallowed will be forever barred, expunged, estopped, and enjoined from asserting any such disallowed claim in any manner.

vii. Compliance with Tax Requirements. In connection with the distributions made in accordance hereto, to the extent applicable based on consultation with his accountants and attorneys that specialize in domestic and international tax issues, the Receiver shall comply with all tax withholding, reporting, and record keeping requirements imposed by any governmental unit and all distributions shall be subject to such withholding and reporting requirements. *See, supra* “*Required Tax Information*”. The Receiver shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding, reporting, and record keeping requirements.

viii. Compliance with Applicable Regulations. If an entity is not permitted to receive a distribution or is required to forfeit any distribution because of any Applicable Regulation, the Receiver requests that he be able to retain such distribution and treat such distribution as if it were Unclaimed Property unless required to treat such distribution differently by applicable United States law. The Receiver requests that

the Court find that he will have no liability to any holder of a Claim whose distribution is treated as Unclaimed Property because the Receiver has acted in accordance with what he believes to be an Applicable Regulation.

The Receiver believes that, in light of the circumstances of this case, the above procedures are fair, reasonable, and in the best interest of the Receivership Estate.

**V. FUTURE DISTRIBUTION**

As noted above, it is anticipated that there may be one additional distribution in this case, which will likely happen after a resolution is reached on the PayPal Claim, Mailed Claim, and Disputed Claims, and after the Receiver has fulfilled his duties with respect to the other potential assets.

The Receiver will file a motion with the Court to approve any future distribution, which will disclose the amount that the Receiver proposes distributing and the distributions that will be made under the distribution method proposed at that time.

The Receiver submits that the approach recommended for future distributions is fair and equitable and should be approved.

**VI. NOTICE AND OPPORTUNITY TO FILE OBJECTIONS**

All holders of Allowed Claims will be affected by the relief sought herein. Additionally, PayPal and the respective holders of the Mailed Claim and Disputed Claims are also affected by this Motion. As a result, holders of Allowed Claims, the Mailed Claim, the Disputed Claims, and PayPal should be given notice of this Motion and an opportunity to object.

Notice of this Motion is being served on all affected parties (i) via the email addresses provided in the Allowed Claims, the PayPal Claim, and the Disputed Claims, or (ii) for those who

mailed in paper copies, via first class mail to the return address on the mailed claim. The Motion also will be posted on the Receivership website to provide further notice.

Such notice parties also will be informed that they have thirty (30) days from the date of the filing of this Motion to file a written objection to the Motion with the Court. A copy of the Notice being sent to all affected parties is attached hereto as **Exhibit D**. The Notice also will be posted on the Receivership website to provide further notice.

## **VII. MEMORANDUM OF LAW**

SEC receiverships are equitable proceedings that seek to redistribute the proceeds of a fraud to the victims of the underlying entity. Unlike a case arising under the United States Bankruptcy Code ([11 U.S.C. §§ 101](#), *et seq.*), there is no statutory mandate that prescribes how the assets recovered in a receivership should be distributed.

A key objective of receiverships is to distribute recovered funds to defrauded investors as fairly and expeditiously as possible. *VesCor Capital Corp. v. Valle Verde Ltd. P'ship*, Case No. 07-CV-363, [2009 U.S. Dist. LEXIS 6614](#), at \*5-6 (D. Utah Jan. 29, 2009) (“The Receivership was created to marshal the money invested in VesCor and distribute it to the defrauded investors as fairly and expeditiously as possible.”). Further, it is well-established that the Court has broad discretion in fashioning relief in equity receiverships. *SEC v. Forex Asset Mgmt., LLC*, [242 F.3d 325, 328](#) (5th Cir. 2001) (“in shaping equity decrees the trial court is vested with broad discretionary power, and appellate review is correspondingly narrow.” (cleaned up)); *SEC v. Credit Bancorp, Ltd.*, [290 F.3d 80, 82-83](#) (2d Cir. 2002) (“a *pro rata* distribution was within the equitable discretion of the District Court”); *SEC v. Hardy*, [803 F.2d 1034, 1037–39](#) (9th Cir. 1986). While the SEC or a receiver may recommend a distribution plan, it is the Court that approves a

plan of distribution. See *SEC v. 4NExchange*, Case No. 02-CV-431-DAK, [[Doc. No. 285](#)] (*Order Approving First Plan of Partial Distribution*) at \*7 (D. Utah Feb. 16, 2005) (unpublished).<sup>10</sup>

Because distribution plans are based on equitable principles, the overarching test in determining whether to approve a plan of distribution is whether the proposed distribution plan is “fair and reasonable.” *CFTC v. Rust Rare Coin, Inc.*, Case No. 2:18-CV-00892, [2020 WL 4904165](#), at \*1 (D. Utah Aug. 20, 2020) (“The Court has the authority to approve any [distribution] plan provided it is fair and reasonable.” (citing *SEC v. Byers*, [637 F. Supp. 2d 166, 174](#) (S.D.N.Y. 2009))); *SEC v. Wealth Mgmt., LLC*, [628 F.3d 323, 332-33](#) (7th Cir. 2010) (“the primary job of the district court is to ensure that the proposed plan of distribution is fair and reasonable”); *S.E.C. v. Wang*, [944 F.2d 80, 85](#) (2d Cir. 1991). Distribution plans approved by the court may set forth how future distributions will be handled. *4NExchange, et al.*, (**Exhibit F**); *Byers*, [637 F. Supp. at 175](#). Receivers may segregate funds that are subject to still-pending objections so the distribution can proceed for non-objecting claimants. *4NExchange, et al.*, (**Exhibit F**).

Pursuant to these broad discretionary powers, courts tasked with overseeing the administration of a receivership for a Ponzi scheme may authorize any distribution protocol for receivership assets on account of allowed claims that is “fair and reasonable” in the overseeing court’s opinion. *CFTC v. Barki, Ltd. Liab. Co.*, No. 09-CV-106-MU, [2009 U.S. Dist. LEXIS 112998](#), at \*3-4 (W.D.N.C. Nov. 12, 2009); *Wealth Mgmt.*, [628 F.3d at 332-33](#) (7th Cir. 2010); *Wang*, [944 F.2d at 81-85](#) (2d Cir. 1991); *Byers*, [637 F. Supp. 2d at 174](#) (citing *Wang*).

---

<sup>10</sup> The Receiver believes that this *Order* is not available on WestLaw or Lexis. Accordingly, in accordance with DUCivR 7-2(c), a copy of the *Order* is attached hereto as **Exhibit F**.

Distribution plans do not have to please all claimants; “line drawing in distribution plans inevitably leaves out or disadvantages some claimants.” *4NExchange, et al.*, (**Exhibit F**) (court held hearing on proposed distribution plan and objections); *see also SEC v. TLC Inv. & Trade Co.*, [147 F. Supp. 2d 1031, 1042](#) (C.D. Cal. 2001).

The Receiver believes that the plan of distribution outlined above is fair and reasonable and should be approved.

### **VIII. CONCLUSION**

For the reasons stated herein, the Receiver requests that the Court enter the proposed form of Order attached hereto as **Exhibit G**: (i) granting the Motion; (ii) approving the distribution methodology and the proposed plan of distribution described above; and (iii) authorizing the Receiver to make an initial distribution to holders of Allowed Claims in the amount of \$43,735,320 pursuant to the approved plan of distribution.

### PLEASE COMPLETE THE PAYMENT INSTRUCTIONS BELOW.

Claimants may choose to receive a distribution either through (i) a wire payment or (ii) a mailed check drawn upon a United States bank. If Claimants elect to receive a wire payment, they should enter the relevant information below.

The election of a wire payment will be processed faster and more reliably as the funds will be deposited directly into the selected bank account, whether international or domestic.

**Disclaimer:** If Claimants elect to receive a mailed check, it will be drawn upon a financial institution in the United States and payable in US Dollars. Many foreign banks (*i.e.*, banks outside of the United States) do not honor checks issued from the United States. If the check is not negotiated within 90 days of its issuance, the check will be cancelled through a stop payment or other means. If a check is cancelled, that Claimant's claim shall thereafter be deemed disallowed and will be forever barred from asserting any claim in this case. The Receiver is under no obligation to ensure that a foreign bank will negotiate any mailed checks.

Upon the motion (the "Motion")<sup>1</sup> of Kenneth D. <sup>1</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Motion.

creditors, and other parties in interest; and the Court having reviewed the Motion; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted.

**I. Parties Required to File Claims.**

2. All persons or entities holding claims against the Receivership Defendant are required to file Claims on or before the Bar Date.

**II. The Bar Date.**

3. Each person or entity that asserts a claim against the Receivership Defendant shall be required to file an original claim (a "Claims Submission Form") using the Receiver's electronic claim submission website (the "Claim Portal"), substantially in the form attached hereto as **Exhibit A**. All Claims Submission Forms must be filed so that they are actually received by 11:59 p.m. (prevailing Eastern time) on the first business day that is 120 calendar days after the date of the entry of this Order (the "Bar Date"). The Claims Submission Form must be completed and submitted on the Receiver's Claim Portal, which is found at [www.zeekrewardsreceivership.com](http://www.zeekrewardsreceivership.com), unless the Claimant has express, written permission from the Receiver, referencing this Order, to submit their Claim using an alternative method.

**III. Disallowance of Untimely or Otherwise Improper Claims.**

4. All Claims must be filed so as to be actually received by the Receiver Team on or before the Bar Date. The holders of any claims not submitted by the Bar Date are barred from asserting such claims against the Receivership Defendant and/or receiving distributions from the Receivership Defendant on account of such claims.

5. Any Claim allegedly submitted to the Receiver prior to the deployment of the Receiver's Claim Portal is Disallowed.

6. Any Claim submitted after the Bar Date is Disallowed.

7. Any Claim allegedly submitted by e-mail, U.S. mail, or any other informal mechanism to the Receiver that is not submitted using the Receiver's Claim Portal is Disallowed, unless the Claimant has express, written permission from the Receiver, referencing this Order, to submit their Claim using an alternative method.

#### **IV. Procedures for Providing Notice of the Bar Date.**

8. The Notice Procedures set out in the Motion are Approved.

9. Within fourteen days after the Court enters this Order, the Receiver shall apprise any and all interested parties of the pendency of the Bar Date and the Claim Process as follows:

- a. the online Claims Process will be made publically available on the Receiver's Claim Portal which is found at [www.zeekrewardsreceivership.com](http://www.zeekrewardsreceivership.com);
- b. the Receiver will provide the Notice attached hereto as **Exhibit B** (the "Notice") via email to all known Affiliates (Affiliate email addresses are obtained from RVG records and the email addresses provided to the Receiver via the Receivership website at [info@zeekrewardsreceivership.com](mailto:info@zeekrewardsreceivership.com));
- c. the Receiver will provide the Notice via U.S. Mail to trade creditors, other known, non-Affiliate creditors, and insured depository institutions; and
- d. the Receiver will publish the Notice on certain multilevel marketing industry websites, the USA Today National Edition, the Wall Street Journal, the Charlotte Observer, and the Lexington Dispatch, and by sending the Notice to certain trade groups in the financial industry.

10. If the Receiver receives a return e-mail demonstrating that the e-mail address previously provided to the Receivership Defendant is no longer valid, the Receiver will attempt to serve the Notice by an alternative method (either by an alternative e-mail address provided when the original e-mail is returned or by providing a postcard to the last known address of the

Claimant, if known, informing the Claimant of the Claims Process and where they can obtain information on filing a claim).

**V. Requirements for Filing a Claim.**

11. The Receiver's online Claims Submission Form for use on the Claim Portal is Approved in substantially the form attached hereto as Exhibit A. The Receiver's Claim Portal should be deployed within 14 days of the entry of this Order and will be found at [www.zeekrewardsreceivership.com](http://www.zeekrewardsreceivership.com).

12. All claims must be submitted electronically using the Receiver's Claims Submission Form on the Claim Portal, except in the rare instance where the Claimant can establish cause, in the Receiver's sole discretion, to permit that entity to submit their claim using an alternative method. No claim submitted using a method other than the Receiver's Claim Portal will be allowed unless the Claimant has express, written permission from the Receiver, referencing this Order, to submit their Claim using an alternative method.

13. "Retail Profit Points" accumulated by Affiliates through ZeekRewards cannot serve as the basis for any claim, and the Receiver should not consider "Retail Profit Points" when determining claims or making distributions.

**VI. Collection of Data from Claimants.**

14. The Receiver is authorized to collect data from each Claimant as part of the Claims Process so that the Receiver may make a determination of the claims.

**VII. Reconciliation.**

15. The reconciliation procedures set out in the Motion are Approved.

16. During reconciliation, the Receiver will establish the amount of a Claimant's claim against the Receivership Defendant that the Receiver believes is legitimate. In this

process, the Receiver will also determine the amount of cash the Claimant received from the Receivership Defendant.

17. During reconciliation, the Receiver will also determine which ZeekRewards usernames it considers to be associated with an individual person or entity, and, if there are multiple usernames and related claims associated with a Claimant, the Receiver may aggregate those claims by individual or entity.

### **VIII. Claims Determination Process.**

18. The Receiver's proposed Claim Determination Process and the Notice of Receiver's Determination of Claim (the "Claim Determination"), substantially in the form attached hereto as Exhibit C, are Approved.

19. The Claim Determination will state whether the claim has been allowed or disallowed by the Receiver, and it will also provide how a party may object to the Claim Determination. The Claim Determination will reflect the aggregate amounts invested in and received from the Receivership Defendant across any and all ZeekRewards usernames associated with an individual Claimant.

20. The Receiver is authorized to distribute the Claim Determination electronically, except those determinations sent to Claimants whom the Receiver permitted to submit their claim using an alternative method and to whom the Receiver has agreed to provide alternative notice.

21. A determination of the amount of a claim does not mean that the Claimant will receive a distribution equal to 100% of the amount of their determined claim. The distribution percentage (i.e., the percentage a Claimant can expect to recover on account of their allowed claim) will be established by a future Order of this Court.

22. Objections to the Claim Determination should be submitted to the Receiver electronically on or before 11:59p.m. (prevailing Eastern Time) on the date that is 30 days after the Claim Determination has been sent to such Claimant.

23. If an objection cannot be resolved between the Receiver and the Claimant, the Receiver is authorized to pursue a Court-approved process to be established by a future Order of this Court.

**IX. Release.**

24. The Receiver is authorized to obtain the release attached hereto as Exhibit D (the “Release”) from each Claimant who wishes to receive a distribution in this case.

25. If a Claimant fails to submit such a Release within 180 days of the date that the Claim Determination becomes final, such Claimant should be deemed to have forfeited their distribution and such funds should be returned to the pool of Assets to be distributed to other Claimants of the Receivership Defendant.

**X. Consequences of Failure to File a Claim.**

26. Any individual or entity who is required, but fails, to file a Claim in accordance with this Order on or before the applicable Bar Date shall be forever barred, estopped, and enjoined from (a) asserting such claim against the Receivership Defendant (or filing a Claim with respect thereto), and (b) participating in any distribution from the Receivership Defendant on account of such claim, or receiving further notices regarding such claim; and the Receivership Defendant and its property shall be forever discharged from any and all indebtedness or liability with respect to or arising from such Claim.

**XI. Miscellaneous.**

27. The Receiver shall retain the right to dispute, or assert offsets or defenses against, any filed claim as to the nature, amount, liability, or classification thereof. Nothing in this Order

is intended to preclude the Receiver from objecting to any claim on any grounds.

28. The Notice of Bar Date and Notice Procedures as set forth in this Order and in the Motion constitute adequate and sufficient notice of the Bar Date and satisfy the requirements of due process.

29. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

30. The Receiver is authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation of this Order.

**ORDER APPROVING FIRST PLAN OF  
PARTIAL DISTRIBUTION**

**Case No. 2:02CV431DAK**

**Judge Dale A. Kimball**

---

This matter is before the court on the SEC's proposed First Plan of Partial Distribution ("Plan"). Notice of the proposed Plan and the SEC's motion was sent out to all investors and known creditors at their last known address in July of 2004. They were given until August 13, 2004 to file any oppositions or objections to the Plan. The SEC and any other entity that wished to reply to any objections that were filed had until October 13, 2004 to reply. Donald Storms filed an objection that has since been withdrawn. Robert and Susan Covino have filed an objection, and Dafne E. Cimino has filed a letter stating that she and her father were improperly listed on the List of Winners and should be included on the list of restitution payees. The court held a hearing on the proposed Plan and the objections filed to the Plan on February 10, 2005.<sup>1</sup>

---

<sup>1</sup> The Covinos filed a motion requesting leave to file a sur-reply in support of their objections to the Plan. The Court granted the Covinos' request at the hearing.

285

At the hearing, the Covinos were represented by James D. Gilson, the Receiver Robert G. Wing represented himself, and the Securities and Exchange Commission was represented by Thomas M. Melton and Karen Martinez. Neither Ms. Cimino nor her counsel appeared at the hearing.

The court has carefully considered the materials submitted by the parties and further considered the law and facts relevant to these motions. Now being fully advised, the court enters the following Order.

### **BACKGROUND**

4NExchange attracted investments of more than \$30 million. Some investors were given returns on their investments. However, those returns were funded from the funds of later investors. Since 4NExchange's assets were frozen by Order of this court and Robert Wing was appointed as Receiver of 4NExchange, the Receiver has recovered approximately \$3.4 million. The net loss in 4NExchange is now valued at \$16,723,721.89. The Receiver has settled with some potential claimants to reduce obligations to the receivership and other claimants have relinquished their claims. The Receiver is also still attempting to liquidate additional funds.

The SEC believes that the Receiver can make a partial distribution of \$542,126.46 on a pro rata basis based on an Investment Analysis prepared by Alan V. Funk. The entirety of the funds in the Receiver's control are not being distributed because the SEC and the Receiver have determined that it is appropriate to segregate certain investors' funds (namely, the Covinos) that may have to be returned in full, pending the outcome of litigation pending before the Tenth Circuit Court of Appeals. These "Funds" that have been segregated could represent a substantial portion of the receivership estate if the Tenth Circuit reverses this court's prior order with respect to the Funds or will not be deemed to be a part of the receivership estate if the Tenth

Circuit affirms this court's prior order.

### **PROPOSED PLAN**

The SEC asserts that the proposed Plan is a fair and equitable remedy in this case. The Plan excludes claims from investors who have a net gain in their 4NExchange investment, investors who have settled their claim with the Receiver, and investors who participated in the fraudulent nature of the operation.

The Plan identifies five classes of claimants: (1) administrative expense claims, (2) taxing authority claims; payroll and non-investor, third-party creditor claims, (4) non-insider investor claims; and (5) claims of individuals and entities that are considered non-participants in the Plan. These classes are also in ordinal priority of payment.

The SEC has determined that it would not be fair or equitable to allow certain investors to participate in the Plan. This list of non-participants is defined to include individuals and entities that were substantially involved in the fraudulent investment scheme of 4NExchange. Insiders include, but are not limited to the owners of 4NExchange, individuals who have materially participated in soliciting investors into 4NExchange with knowledge of the overall activity of 4NExchange and investors whose accounts were legally or substantially controlled by another Insider.

Individuals who have settled their claims with the Receiver are also excluded from participation in the Plan because they no longer have a valid legal claim with the Receiver. Investors who made money with their 4NExchange investments will not be allowed to participate.

The Plan proposes that Class 4 non-insider investors be paid a pro rata distribution based

on the principal amount invested with 4NExchange minus any funds received from 4NExchange. Each Class 4 claimant will share in the distribution based upon the percentage of their net loss as measured against the net loss of all Class 4 claimants. The percentage of principal investment to be returned to the claimant will be applied to the percentage of principal investment to be returned through the Plan. For example, if an investor had received 10% of his or her principal investment back from 4NExchange, that investor would only receive a pro rata distribution from the Plan when it was determined that all investors in Class 4 would receive at least a 10% return of their principal investment including any funds received from 4NExchange and the distribution from the Plan.

As discussed above, the current appeal before the Tenth Circuit may have a substantial impact on the assets of the Receiver. In light of this litigation and the potential for additional litigation and the potential that more assets may be recovered, the Plan provides that the Receiver shall be governed by future Orders of this court with respect to any future distributions.

#### **LEGAL STANDARD**

Federal courts have inherent equitable power to issue ancillary relief, including the imposition of a receivership. *SEC v. Wencke*, 622 F.2d 1363, 1369 (9<sup>th</sup> Cir. 1980). Disgorgement is an appropriate equitable remedy and within the discretion of the district court to adopt. *SEC v. Patel*, 61 F.3d 137, 139-40 (2d Cir. 1995). The purpose of the disgorgement remedy is not to compensate the victims of fraud; it is to deprive the wrongdoer of his ill-gotten gains. *SEC v. Commonwealth Securities, Inc.*, 574 F.3d 90, 102 (2d Cir. 1978).

Courts have recognized that line drawing must be done in any distribution plan. “This kind of line-drawing – which inevitably leaves out some potential claimants – is, unless

commanded otherwise by the terms of a consent decree, appropriately left to the experience and expertise of the SEC in the first instance.” *SEC v. Wang*, 944 F.2d 80, 87 (2d Cir. 1991).

### **COVINOS’ OBJECTIONS**

The Covinos filed the following objections to the Plan:

A. The Covinos object that the Plan will prejudice them as to the Funds if the Receiver prevails in his appeal. If the Receiver prevails, then the Covinos will be required to return the Funds. If this occurs, the Covinos should be entitled to receive a distribution under the terms of the Plan on account of the Funds.

B. The Covinos should be entitled to a distribution on account of additional deposits they made that are not the subject of the Receiver’s appeal. The Covinos’ additional deposits were made by Robert and Susan Covino on their own behalf and on behalf of their three daughters. These additional deposits total approximately \$370,000. The Covinos did not receive any money from 4NExchange on account of these deposits. The Covinos argue that there is no reason why the Plan should exclude them from receiving a distribution based on these deposits.

C. The Covinos object to having their distribution on account of the additional deposits affected by the outcome of the appeal.

### **DISCUSSION**

The SEC believes that excluding the Covinos from recovery under the Plan is fair and reasonable because they were involved in promoting and selling unregistered investment contracts in 4NExchange. The Covinos are listed in Class 5 of the Plan as “Non-Participants of the Plan.” Under the Plan as proposed, the Covinos would receive no distribution with respect to the additional deposits and, should the Tenth Circuit reverse this court’s order on the eleventh

hour "Funds," the Covinos would receive no distribution with respect to those funds either.

The Covinos' objection premised around a distinction between their additional deposits and their later investments are without foundation because they would receive no distribution for either type of funds if the Tenth Circuit determines that the later funds are a part of the receivership estate. The Plan does not make distinction between the additional deposits and the Funds. Nor does it make a receipt of a distribution on the additional deposits dependent on the Tenth Circuit's ruling. The Plan simply segregates the Funds at issue on appeal because the Funds may not be a part of the receivership estate. In that case, the Funds will remain with the Covinos and they would not be a part of the estate for distribution.

Therefore, the main dispute between the parties focuses on whether the Covinos should be listed as "Non-Participants" based on their involvement with 4NExchange. The SEC, in its discretion, has determined that it is inappropriate to allow the Covinos to participate in the Plan because of their involvement in 4NExchange. The SEC contends that the Covinos participated in the promotion and marketing of unregistered investment contracts in 4NExchange and received credit directly from 4NExchange for bringing in other investors.

Covino assisted Donald Storms in bringing investors into 4NExchange. Covino admits that he held a meeting at his house during which he presented the 4NExchange opportunity to his Emeralds and Sapphires downline in Amway (now known as Quixtar). At the meeting, he outlined performance requirements for participation in 4NExchange. Covino initialed applications for individuals interested in 4NExchange so that Grant and/or Storms would know that they met Storms' criteria.

Before Storms' criteria had been set up, Covino received a referral fee from Paul Grant as

the result of a large investment by Bob Adamo. Covino received a 2% monthly referral fee for Adamo's investment. Melissa Gehring, the office manager for 4NExchange, testified that Covino was earning overrides on the people he introduced from Amway. He originally received overrides on six investors and Paul Grant eventually decreased it to two investors.

The Covinos' contend that the court implicitly rejected the SEC's assertion that the Covinos were involved in promoting 4NExchange in its prior order regarding the last minute funds. The court prior order with respect to the Covinos' Funds did not implicitly find that the Covinos were not involved in the promotion and marketing of 4NExchange. The court's ruling was based solely on the applicable banking regulations and provisions of the Uniform Commercial Code.

The Covinos also assert that the SEC's allegations lack factual support. Although the Covinos certified to the court that they were the largest victims of the 4NExchange scheme, there is evidence from Covino's deposition and the Gehring deposition that supports the SEC's position.

Furthermore, the Covinos contend that it is inappropriate for the SEC to assume the role of the judiciary and unilaterally declare that the Covinos are not entitled to reimbursement. However, the SEC has merely proposed the Plan for the court's approval, has provided documentation to support its factual allegations, and provided the Covinos with an adequate framework in which to file an objection and response. The SEC has not proceeded inappropriately.

The Covinos also claim that they are entitled to due process and an evidentiary hearing on their objections. Due process requires notice and an opportunity to be heard. *Cleveland Bd.*

*of Education v. Loudermill*, 470 U.S. 532, 542 (1985). In *S.E.C. v. Elliott*, 953 F.2d 1560 (11<sup>th</sup> Cir. 1992), relied on by the Covinos, the court determined that rather than set forth objections on a blank form sent by the Receiver, the claimants should be entitled to a hearing where they could present and argue their facts. *Id.* at 953 F.2d 1560.

However, in this case, when the Covinos filed their sur-reply, they had an opportunity to respond to the SEC's allegations and could have presented additional declarations or documents supporting their position or contradicting the SEC's allegations. The Covinos have not denied that they received overrides or referral fees directly from 4NExchange. The Covinos argue that they did not take this as cash, but, instead used it as a credit and reinvested it into 4NExchange. The court finds this a distinction without a difference. Because there is no dispute regarding whether the Covinos received some sort of credit for their actions in bringing investors into 4NExchange, the court concludes there is no need for an evidentiary hearing.

Therefore, the court concludes that the SEC's determination to include the Covinos in Category 5 as "Non-Participants" is reasonable and fair given that lines must be drawn in all plans of distribution. The court finds no error in drawing the line with individuals who have received credit for bringing others into the investment scheme. This exclusion maximizes the return to more deserving investors. The court finds the SEC's Plan fair and equitable.

#### **DAFNE CIMINO'S OBJECTION**

Dafne Cimino submitted a letter stating that she is the joint owner of an account with her father, Francisco Escalante, and that he was incorrectly listed in the List of Winners. The Receiver addressed this objection at the hearing. According to his information, Escalante received a \$2,500 distribution from 4NExchange after investing \$25,000. Dafne Cimino

received a \$57,000 distribution after investing \$100,000. Because they are joint owners, the investments and distributions would be pooled together under the Plan. Therefore, they invested \$125,000 and receiving distributions of \$59,500. It appears that their objections to being classified as "Winners" is warranted because they are not "Winners" as defined by the Plan.

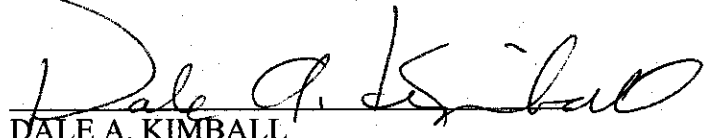

However, the distributions for Class 4 investors under this initial Plan is set at ten percent. Because Cimino and Escalante received more than a ten percent distribution from 4NExchange they would not receive a distribution under the Plan. Depending on the distribution levels of future distribution plans, they could participate if the percentage return reaches their level.

#### CONCLUSION

Based on the above reasoning, the SEC's proposed First Plan of Partial Distribution is APPROVED, with the exception that Francisco Escalante should be taken off of the list of winners and included jointly with Dafne Cimino on the List of Restitution Payees.

6. The Receiver is authorized to reserve \$2,500,000 for the continued administration of the Receivership Estate.

8. The Receiver is authorized to reserve funds for the Mailed Claim, which amount may be paid to the holder of the Mailed Claim if it is ultimately Allowed, in the amount of up to \$6,270.61.

9. The Receiver is authorized to reserve funds for the Disputed Claims, which amount may be paid to the holders of Disputed Claims if they are ultimately Allowed, in the amount of up to \$50,647.08.

*C. Distribution Procedures*

10. The Receiver is authorized to make an initial distribution to holders of Allowed Claims in the amount of \$43,735,320.

11. The distribution procedures set forth in the Motion are fair and equitable and are approved in all respects.

12. The form of Notice of Plan Approval, attached to the Motion as **Exhibit C**, is approved and constitutes good and sufficient notice.

13. The Receiver is authorized to collect the Required Information via the Distribution Portal.

14. The Receiver shall collect from all holders of Allowed Claims: (i) the Releases, (ii) IRS Forms W-9 or W-8 (as applicable), (iii) OFAC Certificates, and (iv) Wire Information or mailing address. Failure to provide any of these documents (properly completed and executed) shall cause the distribution payable on account of such Allowed Claim to be forfeited.

15. The Receiver is authorized to hold back applicable taxes, remit applicable taxes to the applicable tax authority, and to comply with all tax withholding, reporting, and record keeping requirements, including with respect to U.S. federal income taxes required to be withheld on

distributions to non-U.S. holders of Allowed Claims. The Receiver shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements.

16. The Receiver shall make distributions solely to the holders of Allowed Claims without regard to any Claim or interest asserted by any third party in such distributions. Distributions shall be made to the holders of Allowed Claims according to the payment directions set forth in the Distribution Portal.

17. Interest shall not accrue or be paid on any Allowed Claim, and no holder of an Allowed Claim shall be entitled to interest accruing on any Allowed Claim. Interest shall not accrue or be paid upon any Allowed Claim in respect of the period from the date the Receiver was appointed to the date this case is closed.

18. The holder of an Allowed Claim that fails to provide through the Distribution Portal, within 90 days after the entry of this Order, a properly completed and executed (i) Release, (ii) IRS Form W-9 or W-8 (as applicable), (iii) an OFAC Certificate, or (iv) Wire Information or mailing address, shall be deemed to have forfeited any distribution to which they would otherwise be entitled (a "Forfeited Distribution"). Forfeited Distributions shall be deemed forfeited on the 91<sup>st</sup> day after the entry of this Order.

19. "Unclaimed Property" shall mean distributions: (i) that are Forfeited Distributions; (ii) that are not able to be delivered via the Wire Information; (iii) if the distribution is sent via mailed check, that are returned to the Receiver as undeliverable and no appropriate forwarding address is received within 45 days after such attempted distribution by the Receiver is made to such holder; or (iv) for those holders who did not provide Wire Information and to which a check

was mailed, if such check making the distribution is not negotiated within 90 days of its issuance and no request for reissuance is made within such 90-day period, at which time such distribution shall be cancelled through a stop payment order or other means. The Receiver is under no affirmative obligation to attempt to locate any holder of an Allowed Claim. The Receiver also has no obligation to ensure that a foreign bank will negotiate any mailed checks.

20. The Unclaimed Property shall become property of the Receivership Estate. All Allowed Claims which distributions thereon become Unclaimed Property shall be deemed disallowed, and the holder or successor to such holder of a claim so disallowed will be forever barred, expunged, estopped, and enjoined from asserting any such disallowed claim in any manner.

21. The Receiver shall not be required to make a distribution to the holder of an Allowed Claim if such distribution is an amount of less than \$100.00. The administrative and out-of-pocket costs involved in making distributions in amounts of less than \$100.00 would not be cost-effective.

22. If an entity is not permitted to receive a distribution or is required to forfeit any distribution because of any Applicable Regulation, the Receiver shall retain such distribution and treat such distribution as if it were Unclaimed Property unless required to treat such distribution differently by applicable United States law. The Receiver shall have no liability to any holder of a Claim whose distribution is treated as Unclaimed Property because he has acted in accordance with what he believes is an Applicable Regulation.

DATED [●] [●], 2024.
