CERTIFICATION OF DEBTORS' CONSOLIDATED CREDITOR MATRIX

In accordance with Rule 1007(a) of the Federal Rules of Bankruptcy Procedure and Rule 1007-2(a) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), a list of creditors (the “Creditor Matrix”) of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) is filed by attachment hereto.

The Creditor Matrix has been prepared, on a consolidated basis, from the Debtors’ books and records. The undersigned, Colin Chenault, Chief Financial Officer and Responsible Individual for the Debtors, hereby certifies that the Creditor Matrix contains the names and addresses of all creditors of the Debtors that could be ascertained after diligent inquiry, based on a review of the Debtors’ books and records and is consistent with the information contained therein. To the extent practicable, the Creditor Matrix complies with Local Rule 1007-1(a). The Debtors reserve the right to amend or supplement the Creditor Matrix as necessary.

Although the information contained in the Creditor Matrix is based on a review of the Debtors’ books and records, the Debtors have not completed a comprehensive legal or factual investigation with regard to possible defenses of the Debtors and their estates to any claims of the potential claimants included in the Creditor Matrix. In addition, certain of the parties included in the Creditor Matrix may not hold outstanding claims as of the date hereof, and therefore may not be creditors of the Debtors and their estates for purposes of these chapter 11 cases. Therefore, the Creditor Matrix does not and should not be deemed or otherwise construed to constitute either (i) a waiver of any defense of the Debtors and their estates to any claims that may be asserted against the Debtors and their estates or (ii) an acknowledgement or admission of

the validity, priority, or amount of any claims that may be asserted against the Debtors and their estates.
