¹ Capitalized terms used but not defined in this Disclosure Statement shall have the meaning ascribed to such terms in the Plan. The summary of the Plan provided herein is qualified in its entirety by reference to the Plan. In the case of any inconsistency between this Disclosure Statement and the Plan, the Plan will govern.

Pursuant to the Restructuring Support Agreement among the Debtors and the Consenting Stakeholders (as defined therein) entered into on March 22, 2024 (the “RSA”), attached hereto as Exhibit B, the Plan is currently supported by the Debtors and the following Consenting Stakeholders that have executed the RSA:

The consummation and effectiveness of the Plan are subject to certain material conditions precedent described herein and set forth in Article IX of the Plan. There is no assurance that the Bankruptcy Court will confirm the Plan or, if the Bankruptcy Court does confirm the Plan, that the conditions necessary for the Plan to become effective will be satisfied or, in the alternative, waived.

The Debtors urge each Holder of a Claim or Interest to consult with its own advisors with respect to any legal, financial, securities, tax, or business advice in reviewing this Disclosure Statement, the Plan, and each proposed transaction contemplated by the Plan.

The Debtors strongly encourage Holders of Claims in Classes 3, 4, and 5 and Holders of Interests in Class 11 to read this Disclosure Statement (including the Risk Factors described in Article VIII hereof) and the Plan in their entirety before voting to accept or reject the Plan. Assuming the requisite acceptances to the Plan are obtained, the Debtors will seek the Bankruptcy Court’s approval of the Plan at the Combined Hearing.

THE BANKRUPTCY COURT’S APPROVAL OF THIS DISCLOSURE STATEMENT DOES NOT CONSTITUTE A GUARANTEE BY THE BANKRUPTCY COURT OF THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED HEREIN OR AN ENDORSEMENT BY THE BANKRUPTCY COURT OF THE MERITS OF THE PLAN.

THIS DISCLOSURE STATEMENT HAS BEEN PREPARED IN ACCORDANCE WITH BANKRUPTCY CODE SECTION 1125 AND BANKRUPTCY RULE 3016(B) AND IS NOT NECESSARILY PREPARED IN ACCORDANCE WITH FEDERAL, STATE OR FOREIGN SECURITIES LAWS OR OTHER SIMILAR LAWS. THIS DISCLOSURE STATEMENT HAS NOT BEEN APPROVED OR DISAPPROVED BY THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION (THE “SEC”) OR ANY SIMILAR FEDERAL, STATE, LOCAL, OR FOREIGN REGULATORY AGENCY, NOR HAS THE SEC OR ANY OTHER AGENCY PASSED UPON THE ACCURACY OR ADEQUACY OF THE STATEMENTS CONTAINED IN THIS DISCLOSURE STATEMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

THE DEBTORS HAVE SOUGHT TO ENSURE THE ACCURACY OF THE FINANCIAL INFORMATION PROVIDED IN THIS DISCLOSURE STATEMENT; HOWEVER, THE FINANCIAL INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT OR INCORPORATED HEREIN BY REFERENCE HAS NOT BEEN, AND WILL NOT BE, AUDITED OR REVIEWED BY THE DEBTORS’ INDEPENDENT AUDITORS UNLESS EXPLICITLY PROVIDED OTHERWISE HEREIN.

**SPECIAL NOTICE REGARDING FEDERAL AND STATE SECURITIES LAWS AND
FORWARD-LOOKING STATEMENTS**

The Bankruptcy Court has not reviewed this Disclosure Statement or the Plan, and the securities to be issued on or after the Effective Date will not have been the subject of a registration statement filed with the SEC under the Securities Act of 1933, as amended (the “Securities Act”), or any securities regulatory authority of any state under any state securities law (“Blue-Sky Laws”). The Plan has not been approved or disapproved by the SEC or any similar federal, state, local, or foreign federal regulatory authority and neither the SEC nor any such similar regulatory authority has passed upon the accuracy or adequacy of the information contained in this Disclosure Statement or the Plan. Any representation to the contrary is a criminal offense. The Debtors are relying on Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act, and similar Blue-Sky Laws provisions, to exempt from registration under the Securities Act and Blue-Sky Laws the offer to certain Holders of Prepetition 1.5L Notes Claims and Prepetition 2L Notes Claims (and Holders of Existing Curo Interests, to the extent the CVRs constitute securities) of new securities prior to the Petition Date, including in connection with the solicitation of votes to accept or reject the Plan (the “Solicitation”). The securities may not be offered or sold within the United States or to, or for the account or benefit of, United States persons (as defined in Regulation S under the Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable laws of other jurisdictions. Hedging transactions involving New Equity Interests may not be conducted unless in compliance with the Securities Act.

After the Petition Date, the Debtors will rely on Bankruptcy Code section 1145(a) to exempt from registration under the Securities Act and Blue-Sky Laws the offer, issuance, and distribution, if applicable, of New Equity Interests (other than any DIP Commitment Shares and New Equity Interests underlying the Management Incentive Plan) under the Plan, and to the extent such exemption is not available, then such New Equity Interests will be offered, issued, and distributed under the Plan pursuant to other applicable exemptions from registration under the Securities Act and any other applicable securities laws. Neither the Solicitation nor this Disclosure Statement constitutes an offer to sell or the solicitation of an offer to buy securities in any state or jurisdiction in which such offer or solicitation is not authorized. The Debtors believe that either the CVRs shall not constitute a “security” under applicable U.S. securities laws or that the issuance of the CVRs shall be exempt from the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145.

All DIP Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. Any New Equity Interests underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration, and will also be considered “restricted securities.”

I. INTRODUCTION

CURO Group Holdings Corp., a Delaware corporation (“CURO”), and its affiliated debtors and debtors in possession (collectively, the “Debtors,” and together with their non-Debtor affiliates, the “Company”), submit this disclosure statement (this “Disclosure Statement”), pursuant to Bankruptcy Code section 1125, to Holders of Claims against and Interests in the Debtors in connection with the solicitation of votes for acceptance of the Plan. The Plan constitutes a separate chapter 11 plan for each of the Debtors.

THE DEBTORS AND THE CONSENTING STAKEHOLDERS THAT HAVE EXECUTED THE RSA BELIEVE THAT THE COMPROMISES CONTEMPLATED UNDER THE PLAN ARE FAIR AND EQUITABLE, MAXIMIZE THE VALUE OF THE DEBTORS’ ESTATES, AND PROVIDE THE BEST RECOVERY TO STAKEHOLDERS. AT THIS TIME, THE DEBTORS BELIEVE THE PLAN REPRESENTS THE BEST AVAILABLE OPTION FOR COMPLETING THE CHAPTER 11 CASES. THE DEBTORS STRONGLY RECOMMEND THAT YOU VOTE TO ACCEPT THE PLAN.

II. PRELIMINARY STATEMENT

The Company is an omni-channel consumer finance company founded more than 25 years ago to meet the growing needs of consumers looking for convenient and accessible financial and loan services. The Company designs its customer experience to allow consumers to apply for, update and manage their loans in the channels they prefer—in branch, via mobile device or over the phone. The Company currently operates store locations across 13 U.S. states and eight Canadian provinces (with additional services available online in eight Canadian provinces and one territory) and employs approximately 2,856 employees in the U.S. and Canada.

In the last several years, the Company underwent a transformation—it dedicated significant financial and operational resources to maximizing operational efficiencies (at the corporate and branch levels), both in its geographic and product offerings, and sought out ways to strengthen liquidity while operating in a volatile macroeconomic environment. One of the key goals of this transformation was shifting the business model to focus on longer term, higher balance and lower interest rate credit products that have less regulatory and reputational risk than certain other financial products historically offered by the Company. In late 2022 and early 2023, the Company brought in a new C-suite to drive the renewed business plan forward.

As part of the strategic shift, the Company completed an acquisition of two businesses and sale of its legacy, high risk business by mid-2022. At the same time, in an effort to bolster liquidity the Company closed a debt transaction and sale of its low margin business in May and November 2023, respectively. In late 2023, the Company also explored refinancing of the Securitization Facilities to extend the mid-2024 expiration of the recycling period for three of the Securitization Facilities, which provide the necessary liquidity for the Company’s operations. Unfortunately, the refinancing efforts were not successful (in large part because of potential refinancing lenders’ view that the Company’s corporate balance sheet was over-leveraged). The resulting stress on liquidity, coupled with failure to meet forecasted cash levels following the aforementioned dispositions of undesirable business lines, left the Company cash strapped. As a result, after significant deliberation, the Company elected not to make the February 1, 2024 interest payments on two tranches of debt and, with the aid of its advisors, quickly began exploring various financing alternatives, including a comprehensive restructuring.

The Debtors seek confirmation of the Plan that will result in a significant deleveraging of the Company’s corporate balance sheet and provide a pathway to extending the Securitization Facilities, and, upon completion of the regulatory approval process, will allow the Company to emerge as a going concern

business. The Plan reflects a fully consensual deal with the Debtors' key stakeholders and unimpairs all general unsecured creditors, encompassing all trade, customer, employee, and landlord Claims.

Among other things, the Plan encompasses the reinstatement of certain senior prepetition debt, and an equitization transaction, by which certain of the Company's prepetition and postpetition lenders will emerge as equity holders. The existing equity holders will receive contingent value rights, which will allow them to realize on potential upside the Company expects to experience subsequent to the reorganization. These Chapter 11 Cases provide the Company with a clear pathway towards continued growth and transformation.

Allowing all general unsecured creditors to recover in full will allow the Debtors to minimize disruptions to their go-forward operations while effectuating a value-maximizing transaction through the chapter 11 process. The central aims of the Plan are speed, efficiency, transparency and cooperation, and, to the greatest degree possible, certainty. The Debtors expect to continue operating normally throughout the court-supervised process and remain focused on serving their customers. With the full support of their lenders, the Debtors seek authority to move through the chapter 11 process on an expedited basis: confirmation in 50 days or less and emergence in not more than 120 days, following a regulatory approval process.

The RSA is a significant achievement for the Debtors. The RSA provides the Company with an expedited path to emergence that minimizes the effects of these Chapter 11 Cases on the value of the Company's brands and operations and the Company's ongoing liquidity position. The Company is well positioned to emerge from bankruptcy with a deleveraged balance sheet, free of burdensome leases and with sufficient liquidity to continue providing high quality and accessible financial services to its customer base.

Each of the Debtors strongly believes that the Plan is in the best interests of the Debtors' estates and represents the best available alternative at this time. The Debtors are confident in their go-forward business plan and believe that they can implement the Restructuring Transactions contemplated by the Plan and the RSA to ensure the Debtors' long-term viability. For these reasons, the Debtors strongly recommend that Holders of Claims and Interests entitled to vote to accept or reject the Plan vote to accept the Plan.

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE PLAN

A. What is chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 promotes equality of treatment for creditors and similarly situated equity interest holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the date the chapter 11 case is commenced. The Bankruptcy Code provides that a debtor may continue to operate its business and remain in possession of its property as a "debtor in possession."

Consummating a chapter 11 plan is the principal objective of a chapter 11 case. A bankruptcy court's confirmation of a plan binds the debtor, any person acquiring property under the plan, any creditor or equity interest holder of the debtor, and any other entity as may be ordered by the bankruptcy court. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor's liabilities in accordance with the terms of the confirmed plan.

B. Why are the Debtors sending me this Disclosure Statement?

The Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Before soliciting acceptances of the Plan, Bankruptcy Code section 1125 requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all holders of claims and interests whose votes on the Plan are being solicited. This Disclosure Statement is being submitted in accordance with these requirements.

C. Why are votes being solicited prior to Bankruptcy Court approval of the Disclosure Statement?

By sending this Disclosure Statement and soliciting votes for the Plan prior to approval by the Bankruptcy Court, the Debtors are preparing to seek Confirmation of the Plan shortly after commencing the Chapter 11 Cases. The Debtors will ask the Bankruptcy Court to approve this Disclosure Statement together with Confirmation of the Plan at the same hearing, which may be scheduled as quickly as four weeks after commencing the Chapter 11 Cases, all subject to the Bankruptcy Court's approval and availability.

D. Am I entitled to vote on the Plan?

Your ability to vote on the Plan depends on what type of Claim or Interest you hold and whether you held that Claim or Interest as of the Voting Record Date (*i.e.*, as of March 13, 2024). Each category of Holders of Claims or Interests, as set forth in Article III of the Plan pursuant to Bankruptcy Code sections 1122(a) and 1123(a)(1), is referred to as a "Class." Each Class's respective voting status is set forth below:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Secured Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 3	Prepetition 1L Term Loan Claims	Impaired	Entitled to Vote
Class 4	Prepetition 1.5L Notes Claims	Impaired	Entitled to Vote
Class 5	Prepetition 2L Notes Claims	Impaired	Entitled to Vote
Class 6	Securitization Facilities Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 7	General Unsecured Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 8	Intercompany Claims	Unimpaired/Impaired	Not Entitled to Vote (Deemed to Accept / Deemed to Reject)
Class 9	Section 510(b) Claims	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 10	Intercompany Interests	Unimpaired/Impaired	Not Entitled to Vote (Deemed to Accept / Deemed to Reject)
Class 11	Existing CURO Interests	Impaired	Entitled to Vote

Except as otherwise provided in the Plan, nothing under the Plan shall affect the Debtors' or the Reorganized Debtors' rights regarding any Unimpaired Claims, including, all rights regarding legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

E. What will I receive from the Debtors if the Plan is consummated?

The following table provides a summary of the anticipated recovery to Holders of Claims or Interests under the Plan. Any estimates of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court. Your ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain Confirmation and meet the conditions necessary to consummate the Plan.

THE PROJECTED RECOVERIES SET FORTH IN THE TABLE BELOW ARE ESTIMATES ONLY AND THEREFORE ARE SUBJECT TO CHANGE. FOR A COMPLETE DESCRIPTION OF THE DEBTORS' CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS, REFERENCE SHOULD BE MADE TO THE ENTIRE PLAN.¹

¹ The recoveries set forth below may change based upon changes in the amount of Claims that are "Allowed" as well as other factors related to the Debtors' business operations and general economic conditions.

² The estimated recovery for Classes 4, 5 and 11 is subject to dilution on account of the Management Incentive Plan.

³ Note that while Holders of Claims in Class 3 will receive recovery on account of their Claims, their liens upon emergence will be junior to Second Out Exit Term Loans and, therefore, Class 3 is Impaired.

F. What will I receive from the Debtors if I hold an Allowed Administrative Claim, DIP Claim, or a Priority Tax Claim?

In accordance with Bankruptcy Code section 1123(a)(1), Administrative Claims (including Professional Fee Claims), DIP Claims, and Priority Tax Claims have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article III of the Plan.

1. Administrative Claims

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Debtors (with the consent of the Required Consenting Stakeholders, which consent shall not be unreasonably withheld) or the Reorganized Debtors, as applicable, each Holder of an Allowed Administrative Claim (other than Holders of Professional Fee Claims and Claims for fees and expenses pursuant to section 1930 of chapter 123 of title 28 of the United States Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim in

⁴ Holders of Existing CURO Interests will receive CVRs in exchange for their Interests. Due to the instrument's contingent nature, no Effective Date value has been assigned.

accordance with the following: (a) if an Administrative Claim is Allowed on or prior to the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (b) if such Administrative Claim is not Allowed as of the Effective Date, no later than thirty (30) days after the date on which an order allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter; (c) if such Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date in accordance with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim without any further action by the Holders of such Allowed Administrative Claim; (d) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Reorganized Debtors, as applicable; or (e) at such time and upon such terms as set forth in an order of the Bankruptcy Court.

2. DIP Claims

On the Effective Date, in full and final satisfaction of the Allowed DIP Claims (i) the principal amount of and accrued but unpaid interest on the DIP Term Loans shall be on a dollar-for-dollar basis automatically converted into First Out Exit Term Loans, (ii) each Holder of DIP Claims shall receive its Pro Rata portion of the DIP Exit Fee and (iii) each DIP Backstop Commitment Party shall receive its Pro Rata portion of the DIP Backstop Commitment Fee.

3. Professional Fee Claims

a. Final Fee Applications and Payment of Professional Fee Claims

All requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be Filed no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Court. The Reorganized Debtors shall pay Professional Fee Claims in Cash in the amount the Bankruptcy Court allows, including from the Professional Fee Escrow Account, which the Reorganized Debtors will establish in trust for the Professionals and fund with Cash equal to the Professional Fee Amount on the Effective Date.

Notwithstanding anything to the contrary set forth herein, professional fees and expenses of professionals incurred in connection with the Canadian Recognition Proceeding shall in all cases continue to be paid in accordance with the terms of the orders of the Canadian Court.

b. Professional Fee Escrow Account

On the Effective Date, the Reorganized Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Amount, which shall be funded by the Reorganized Debtors. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals. Such funds shall not be considered property of the Estates of the Debtors or the Reorganized Debtors. The amount of Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals by the Reorganized Debtors from the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed. When all such Allowed amounts owing to Professionals have been paid in full, any remaining amount in the Professional Fee Escrow Account shall promptly be paid to the Reorganized Debtors without any further action or order of the Bankruptcy Court.

c. Professional Fee Amount

Professionals shall reasonably estimate their unpaid Professional Fee Claims and other unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date, and shall deliver such estimate to the Debtors no later than three (3) Business Days before the Effective Date; *provided, however*, that such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final request for payment of Filed Professional Fee Claims. If a Professional does not provide an estimate, the Debtors or Reorganized Debtors may estimate the unpaid and unbilled fees and expenses of such Professional.

d. Post-Confirmation Fees and Expenses

Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Debtors shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Debtors. Upon the Confirmation Date, any requirement that Professionals comply with Bankruptcy Code sections 327 through 331, 363, and 1103 in seeking retention or compensation for services rendered after such date shall terminate, and the Debtors may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

4. Priority Tax Claims

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall receive Cash equal to the full amount of its Claim or such other treatment in accordance with the terms set forth in Bankruptcy Code section 1129(a)(9)(C).

5. Payment of Restructuring Expenses

The Restructuring Expenses and Trustee Fees incurred, or estimated to be incurred, up to and including the Effective Date, shall be paid in full in Cash on the Effective Date or as soon as reasonably practicable thereafter (to the extent not previously paid during the course of the Chapter 11 Cases) in accordance with, and subject to, the terms set forth in the Plan, the RSA and the Securitization Orders, as applicable, without any requirement to File a fee application with the Bankruptcy Court, without the need for itemized time detail, or without any requirement for Bankruptcy Court review or approval. All Restructuring Expenses and Trustee Fees to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least three (3) Business Days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission or limitation with respect to such Restructuring Expenses or Trustee Fees. On the Effective Date, invoices for all Restructuring Expenses and Trustee Fees incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay, when due and payable in the ordinary course, Restructuring Expenses and Trustee Fees related to implementation, consummation, and defense of the Plan, whether incurred before, on, or after the Effective Date.

6. Postpetition Securitization Facilities Claims

All Postpetition Securitization Facilities Claims shall be at the option of the Debtors or Reorganized Debtors, as applicable, upon consultation with the Required Consenting Stakeholders, either (i) Reinstated

as of the Effective Date, in accordance with the terms of the Securitization Facilities Amendments, or (ii) paid in full in Cash on the Effective Date.

G. Are any regulatory approvals required to consummate the Plan?

Yes, the Plan contemplates a regulatory approval process. The Debtors operate in a highly regulated industry, and consummation of the Plan is subject to the Debtors obtaining the necessary state licensing and other authorization or approvals to implement the change of ownership contemplated under the Plan. The Debtors have been working collaboratively with the Consenting Stakeholders to ensure that the regulatory approval process, which will commence after Confirmation of the Plan, is completed as promptly as possible and does not substantially delay the occurrence of the Effective Date.

H. What happens to my recovery if the Plan is not confirmed or does not go effective?

In the event that the Plan is not confirmed or does not go effective, there is no assurance that the Debtors will be able to reorganize their businesses. It is possible that any alternative may provide Holders of Claims with less than they would have received pursuant to the Plan. For a more detailed description of the consequences of an extended Chapter 11 Case, or of a liquidation scenario, see Article X.G of this Disclosure Statement, and the Liquidation Analysis attached hereto as **Exhibit E**.

I. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation?”

“Confirmation” of the Plan refers to approval of the Plan by the Bankruptcy Court. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan by the Bankruptcy Court, there are conditions that need to be satisfied or waived so that the Plan can go effective. Initial distributions to Holders of Allowed Claims will only be made on the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. “Consummation” of the Plan refers to the occurrence of the Effective Date. See Article VII.D of this Disclosure Statement, entitled “Conditions Precedent to Confirmation and Consummation of the Plan,” for a discussion of conditions precedent to Confirmation and Consummation of the Plan.

J. What are the sources of consideration required under the Plan?

The Debtors shall fund distributions under the Plan, as applicable, with: (1) the Exit Facility, (2) the New Equity Interests, (3) the New Warrants, (4) the CVRs, (5) the Cash on hand from the utilization of the Securitization Facilities (as amended by the Securitization Facilities Amendments to continue following the Effective Date), and (6) the Debtors’ Cash on hand from operations and the proceeds of borrowings under the DIP Facility. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Equity Interests will be exempt from SEC registration, as described more fully in Article VI.M of the Plan.

K. Are there risks to owning the New Equity Interests upon the Debtors' emergence from chapter 11?

Yes. See Article VIII of this Disclosure Statement, entitled "Risk Factors," for a discussion of such risks.

L. Is there potential litigation related to the Plan?

Parties in interest may object to the approval of this Disclosure Statement and may object to Confirmation of the Plan, which objections potentially could give rise to litigation.

In the event that it becomes necessary to confirm the Plan over the rejection of certain Classes, the Debtors may seek confirmation of the Plan notwithstanding the dissent of such rejecting Classes. The Bankruptcy Court may confirm the Plan pursuant to the "cramdown" provisions of the Bankruptcy Code, which allow the Bankruptcy Court to confirm a plan that has been rejected by an impaired Class if it determines that the Plan satisfies Bankruptcy Code section 1129(b). See Article X.E of this Disclosure Statement, entitled "Confirmation Without Acceptance by All Impaired Classes."

M. What is the Management Incentive Plan and how will it affect the distribution I receive under the Plan?

The Plan will authorize the Reorganized Debtors to adopt and enter into the Management Incentive Plan, which will reserve up to 10.00% of New Equity Interests on a fully-diluted basis as of the Effective Date for distribution to the participants in the Management Incentive Plan. The issuance of New Equity Interests, if any, under the Management Incentive Plan would dilute all of the New Equity Interests. The New Equity Interests, including New Equity Interests issued under the Management Incentive Plan, are also subject to dilution in connection with the exercise of the CVRs in accordance with the CVR Agreement. The Reorganized Debtors will also be able to enter into such other incentive plans as may be agreed to by the New Board.

N. Does the Plan preserve Causes of Action?

The Plan provides for the retention of all Causes of Action other than those that are expressly waived, relinquished, exculpated, released, compromised, or settled.

In accordance with Bankruptcy Code section 1123(b), and except where such Causes of Action have been expressly released (including, for the avoidance of doubt, pursuant to the Debtor Releases provided in Article VIII.C and the Exculpation contained in Article VIII.E of the Plan), the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the List of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtors, as the successors-in-interest to the Debtors and the Estates, may, and shall have the exclusive right to, enforce, sue on, settle, compromise, transfer or assign (or decline to do any of the foregoing) any or all of such Causes of Action without notice to or approval from the Bankruptcy Court.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, the Combined Order, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. Except as otherwise set forth herein, the Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity.

The Debtors expressly reserve all Causes of Action for later adjudication by the Debtors or the Reorganized Debtors (including, without limitation, Causes of Action of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time or facts or circumstances that may change or be different from those the Debtors now believe to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon or after the Confirmation or Consummation of the Plan based on the Disclosure Statement, the Plan or the Combined Order, except in each case where such Causes of Action have been expressly waived, relinquished, released, compromised or settled in the Plan (including, for the avoidance of doubt, pursuant to the Debtor Releases provided in Article VIII.C and the Exculpation contained in Article VIII.E of the Plan) or any other Final Order (including, without limitation, the Combined Order and the DIP Orders). In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits.

In accordance with Bankruptcy Code section 1123(b)(3), except as otherwise provided herein, any Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor. The applicable Reorganized Debtors through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Court.

O. Will there be releases, exculpation, and injunction granted to parties in interest as part of the Plan?

Yes, the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, third-party releases, exculpation, and injunction provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors and the Consenting Stakeholders in obtaining their support for the Plan pursuant to the terms of the RSA.

The Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

IMPORTANTLY, THE FOLLOWING PARTIES ARE INCLUDED IN THE DEFINITION OF "RELEASING PARTIES" AND WILL BE DEEMED TO HAVE EXPRESSLY, UNCONDITIONALLY, INDIVIDUALLY, AND COLLECTIVELY RELEASED AND DISCHARGED ALL CLAIMS AND CAUSES OF ACTION AGAINST THE DEBTORS AND THE RELEASED PARTIES: ALL HOLDERS OF CLAIMS OR INTERESTS WHO DO NOT (1) VALIDLY OPT OUT OF THE RELEASES CONTAINED IN THE PLAN OR (2) FILE AN OBJECTION TO THE RELEASES CONTAINED IN THE PLAN BY THE PLAN OBJECTION DEADLINE. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PLAN.

Based on the foregoing, the Debtors believe that the releases, exculpation, and injunction provisions in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United

States Court of Appeals for the Fifth Circuit. Moreover, the Debtors will present evidence at the Combined Hearing to demonstrate the basis for and propriety of the release and exculpation provisions. The release, exculpation, and injunction provisions that are contained in the Plan are copied in pertinent part below.

1. Discharge of Claims and Termination of Interests

Pursuant to Bankruptcy Code section 1141(d), and except as otherwise specifically provided in the Plan, the Combined Order, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in Bankruptcy Code sections 502(g), 502(h), or 502(i), in each case whether or not: (1) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to Bankruptcy Code section 502; or (2) the Holder of such a Claim or Interest has accepted the Plan. The Combined Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

2. Release of Liens

Except as otherwise provided in the Exit Facility Documents, the Plan, the Combined Order, any Canadian Court order with respect to the Canadian charges, or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 of the Plan, the Securitization Facilities Claims, and the Postpetition Securitization Facilities Claims, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Combined Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

3. Releases by the Debtors

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Definitive Documents, and the obligations contemplated by the Restructuring Transactions or as otherwise provided in any order of the Bankruptcy Court or the

Canadian Court, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors and the Estates, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, the Estates, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Canadian Recognition Proceeding, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Securitization Facilities Amendments, the Securitization Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the New Warrants, the CVR Agreement, and all other Definitive Documents, or any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing (the “Debtor Releases”).

Notwithstanding anything to the contrary in the foregoing, the releases set forth in the preceding paragraph shall not release any Released Party from any claim or Cause of Action arising from an act or omission that is determined by a Final Order to have constituted actual fraud, willful misconduct, criminal conduct or gross negligence. For the avoidance of doubt, the “Debtor Releases” set forth above do not release (1) any post-Effective Date obligations of any Entity under the Plan or any document, instrument or agreement executed in connection with the Plan with respect to the Debtors, the Reorganized Debtors or the Estates; or (2) the Causes of Action set forth in the List of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court’s finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties’ contributions to facilitating the Restructuring and implementing the Plan; (2) a good faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors’ Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

4. Releases by Third Parties

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Definitive Documents, the Securitization Facilities Amendments, and the obligations contemplated by the Restructuring Transactions or as otherwise provided in any order of the Bankruptcy Court or the Canadian Court, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Canadian Recognition Proceeding, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the Securitization Facilities Amendments, the Securitization Orders, the New Warrants, the CVR Agreement and all other Definitive Documents, or any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing (the "Third-Party Releases").

Notwithstanding anything to the contrary in the foregoing, the releases set forth in the preceding paragraph shall not release any Released Party from any claim or Cause of Action arising from an act or omission that is determined by a Final Order to have constituted actual fraud, willful misconduct, criminal conduct or gross negligence.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) essential to the confirmation of the Plan; (3) given in exchange for the good and valuable consideration provided by the Released Parties; (4) a good faith settlement and compromise of the Claims released by the Third-Party Release; (5) in the best interests of the Debtors and their Estates; (6) fair, equitable, and reasonable; (7) given and made after due notice and opportunity for hearing; and (8) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

5. Exculpation

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action in connection with or arising out of the administration of the Chapter 11 Cases, the Canadian Recognition Proceeding, the negotiation and pursuit of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the New Warrants, the CVR Agreement and all other Definitive Documents, the solicitation of votes for, or confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

6. Injunction

Except as otherwise expressly provided in the Plan or the Combined Order or for obligations issued or required to be paid pursuant to the Plan or the Combined Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E of the Plan, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, *provided however*, that no Claim or Cause of Action of any kind may be asserted, commenced or pursued against the Information Officer without leave of the Canadian Court.

The Bankruptcy Court will have sole and exclusive jurisdiction to adjudicate the underlying colorable Claim or Causes of Action other than with respect to the Canadian Recognition Proceeding and the Information Officer.

7. Protections Against Discriminatory Treatment

Consistent with Bankruptcy Code section 525 and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

8. Document Retention

On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors.

9. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to Bankruptcy Code section 502(e)(1)(B), then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding Bankruptcy Code section 502(j), unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

For more detail, see Article VIII of the Plan, entitled “Settlement, Release, Injunction, and Related Provisions,” which is incorporated herein by reference.

P. When is the deadline to vote on the Plan?

The Voting Deadline is April 19, 2024, at 4:00 p.m. (prevailing Central Time).

Q. How do I vote on the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballot distributed to Holders of Claims that are entitled to vote on the Plan (the “Ballot”). For your vote to be counted, the Ballot containing your vote must be properly completed, executed, and delivered as directed so that it is **actually received** by the Debtors’ claims, noticing, and solicitation agent, Epiq Corporate Restructuring, LLC (the “Claims and Noticing Agent”) **on or before the Voting Deadline, i.e., April 19, 2024, at 4:00 p.m., prevailing Central Time.** See Article IX of this Disclosure Statement, entitled “Solicitation and Voting Procedures,” for additional information.

R. Why is the Bankruptcy Court holding a Combined Hearing?

Bankruptcy Code section 1128(a) requires the Bankruptcy Court to hold a hearing on Confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. Shortly after the commencement of the Chapter 11 Cases, the Debtors will request that the Bankruptcy Court schedule the Combined Hearing. All parties in interest will be served notice of the time, date, and location of the Combined Hearing once scheduled. The Combined Hearing may be adjourned from time to time without further notice.

S. What is the purpose of the Combined Hearing?

The confirmation of a plan of reorganization by a bankruptcy court binds a debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

T. What is the effect of the Plan on the Debtors’ ongoing businesses?

The Debtors are reorganizing under chapter 11 of the Bankruptcy Code. As a result, the occurrence of the Effective Date means that the Debtors will *not* be liquidated or forced to go out of business. Following Confirmation, the Plan will be consummated on the Effective Date, which is a date that is the first Business Day after the Confirmation Date on which (1) no stay of the Combined Order is in effect and (2) all conditions to Consummation have been satisfied or waived (*see* Article IX of the Plan). On or after the Effective Date, and unless otherwise provided in the Plan, the Reorganized Debtors may operate their businesses and, except as otherwise provided by the Plan, may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Additionally, upon the Effective Date, all actions contemplated by the Plan will be deemed authorized and approved.

U. Will any party have significant influence over the corporate governance and operations of the Reorganized Debtors?

As of the Effective Date, the term of the current members of the board of directors of CURO shall expire, and such Persons shall be deemed to have resigned from the board of directors of CURO or other Governing Body applicable to such Persons, and the initial members of the New Board shall be appointed in accordance with the Governance Term Sheet. The initial members of the New Board will be identified in the Plan Supplement, to the extent known at the time of filing. Each such member and officer of Reorganized CURO shall serve from and after the Effective Date pursuant to the terms of the Governance Documents and other constituent documents of Reorganized CURO.

Assuming that the Effective Date occurs, Holders of Allowed Claims that receive distributions representing a substantial percentage of outstanding shares of the New Equity Interests may be in a position to influence matters requiring approval by the holders of shares of New Equity Interests, including, among other things, the election of directors of Reorganized CURO and the approval of a change of control of the Reorganized Debtors.

W. Do the Debtors recommend voting in favor of the Plan?

Yes. The Debtors believe that the Plan provides for a larger distribution to the Debtors' stakeholders than would otherwise result from any other available alternative. The Debtors believe that the Plan, which provides for a significant deleveraging of the Debtors' balance sheet and enables them to emerge from chapter 11 expeditiously, is in the best interest of the Debtors' stakeholders, and that any other alternatives (to the extent they exist) fail to realize or recognize the value inherent under the Plan.

X. Who Supports the Plan?

The Plan is supported by the Debtors and the Consenting Stakeholders that have executed the RSA.

IV. THE DEBTORS' CORPORATE HISTORY, STRUCTURE, AND BUSINESS OVERVIEW

A. Overview of the Company's History and Businesses.

The Company is a full-spectrum consumer credit lender serving U.S. and Canadian customers. CURO was founded in 1997 and is incorporated in Delaware. Consistently oriented on growth, over its first 20 years of operations the Company expanded geographically and diversified its product offerings,

including acquisition of certain Canadian operations in 2011. In December of 2017, the Company went public and began trading shares on the New York Stock Exchange (“NYSE”) under the symbol “CURO.” In the U.S., the Company operates under several principal brands, including “Heights Finance,” “Southern Finance,” “Covington Credit,” “Quick Credit,” and “First Heritage Credit.” In Canada, it operates under the “Cash Money” and “LendDirect” brands through the Debtors Curo Canada Corp. and LendDirect Corp. (the “Canadian Debtors”). The Company’s corporate structure chart as of the date hereof is attached as **Exhibit F** hereto.

The Company’s operations include a broad range of direct-to-consumer finance products focusing on installment loans, revolving LOCs, single-pay loans and ancillary insurance products. The Company also provides a number of ancillary financial products such as optional credit protection, check cashing, money transfer services, car club and other related memberships. The Company’s products are licensed and governed by enabling federal and state legislation in the U.S. and federal and provincial regulations in Canada.

1. Installment Loans

The bulk of the Company’s revenue is derived from origination of installment loans. Installment loan products range from fixed-term, fully amortizing loans with a fixed payment amount due each period during the term of the loan in both U.S. and Canada to unsecured, short-term loans whereby a customer receives cash in exchange for a post-dated personal check or a pre-authorized debit from the customer’s bank account in Canada. Certain installment loans are secured by a clear vehicle title or security interest in the vehicle or other titled collateral. The customer receives the benefit of immediate cash and retains possession of the vehicle while the loan is outstanding. Installment loans comprised 55%, 61% and 57% of the Company’s consolidated revenue during 2023, 2022 and 2021, respectively. For 2023, 2022 and 2021 installment loan revenues were \$371.4 million, \$559.6 million and \$449.1 million, respectively.

2. Revolving LOC Loans

The second most profitable service provided by the Company is origination of revolving LOC loans. Revolving LOC loans are lines of credit without a specified maturity date offered only in Canada. Customers in good standing may draw against their line of credit, repay with minimum, partial or full payment and redraw as needed. The Company earns interest on the outstanding loan balances. Revolving LOC loans comprised 30%, 27% and 34% of the Company’s consolidated revenue during 2023, 2022 and 2021, respectively. For 2023, 2022 and 2021 Revolving LOC loan revenues were \$200.4 million, \$250.5 million and \$262.3 million, respectively.

3. Insurance Products

Additionally, the Company offers consumers a number of insurance products, including credit life and disability, involuntary unemployment, personal property collateral, accidental death and dismemberment and collateral protection plans. These products are optional, not a condition of the loan and are not sold to non-borrowers. The Company owns a captive insurance company in the Turks and Caicos that reinsures certain of its insurance sales.

The Company also offers other ancillary financial products including check cashing, money transfer services and car club memberships at certain locations. Money transfer product lines are only offered in Canada, while membership plans are only offered in the U.S. Revenues from consumer products include check cashing and miscellaneous fees such as administrative fees, annual membership fees, over limit fees and deferral fees. Insurance and other income comprised 15%, 12% and 9%, of the Company’s consolidated revenue during 2023, 2022 and 2021, respectively. For 2023, 2022 and 2021, insurance and other income revenues were \$100.6 million, \$109.4 million and \$71.6 million, respectively.

The Company's U.S. and Canada customers typically earn between \$10,000 and \$60,000 annually. The Company's target consumer utilizes the products provided by the Company and its industry at large for a variety of reasons, including as a result of:

- (i) unexpected expenses such as car repairs or other bills;
- (ii) having previously been rejected for or have limited access to traditional banking services;
- (iii) maintaining insufficient account balances to make a bank account economically efficient;
- (iv) needing access to financial services outside of normal banking hours;
- (v) seeking an opportunity to improve their credit history and profile; or
- (vi) a desire to reject complicated fee structures prevalent in some bank products (e.g., credit cards and overdrafts).

The majority of the Company's consolidated revenues are generated from services provided within the U.S. The Company currently operates approximately 400 store locations across 13 U.S. states and approximately 150 stores in eight Canadian provinces (with additional services available online in eight additional provinces and one Canadian territory). The states with the highest number of stores in the U.S. are Texas, Tennessee and Alabama. In Canada, the majority of stores are located in Ontario.

The Company's business typically experiences the greatest demand during the third and fourth calendar quarters. In the U.S., this demand generally declines in the first calendar quarter as a result of federal income tax refunds and credits. As a result, the Company experiences seasonal fluctuations in its U.S. operating results and cash needs. The business operations in Canada experience less seasonality than the U.S. business operations.

As of the date hereof, the Company employs approximately 2,856 employees in the U.S. and Canada, with approximately 1,781 Employees located in the U.S. and 1,075 Employees located in Canada. The Company maintains corporate offices in Chicago, Illinois, Greenville, South Carolina and Wichita, Kansas. None of the employees are unionized or covered by a collective bargaining agreement.

B. The Company's Prepetition Capital Structure

As of the date hereof, the Company's capital structure includes approximately \$2.1 billion of funded debt obligations, as summarized below.

(\$ in millions)	Capacity	Interest Rate	Maturity	Balance (in USD)

1. Prepetition 1L Credit Agreement

On May 15, 2023, in connection with the May 2023 Exchange (as defined below), CURO, as borrower, and the other Debtors (other than the Canadian Debtors), as guarantors, entered into the First Lien Credit Agreement (the “Prepetition 1L Credit Agreement”) with Alter Domus (US) LLC, as administrative agent and collateral agent (the “Prepetition 1L Agent”), and the lenders party thereto (the “Prepetition 1L Lenders”), pursuant to which the Prepetition 1L Lenders extended \$150 million in term loans to CURO (the “Prepetition 1L Term Loans”). The Prepetition 1L Term Loans are secured by first priority liens on substantially all of the domestic Debtors’ assets. The obligations under the Prepetition 1L Credit Agreement are guaranteed by all Debtors, other than the Canadian Debtors. The Prepetition 1L Term Loans mature on August 2, 2027. Interest on the Prepetition 1L Term Loans accrues at a rate of 18.00% per annum, payable quarterly. As of the date hereof, approximately \$178 million in principal amount remains outstanding under the Prepetition 1L Credit Agreement.

Of the aggregate principal amount of Prepetition 1L Term Loans provided under the Prepetition 1L Credit Agreement, approximately \$17 million was funded by a non-Debtor Curo SPV, LLC (the “CURO SPV”), a wholly-owned special purpose vehicle of the Company (the “SPV Loans”), using proceeds from a concurrent private placement issuance of 18.00% Senior Secured Notes issued by the CURO SPV (the “Backstop Notes”) to certain noteholders. The Backstop Notes are secured by the SPV Loans and guaranteed by CURO.

The proceeds of the Prepetition 1L Term Loans were used (i) to repay the obligations under the existing senior revolver facility that provided \$40 million of borrowing capacity, (ii) for payment of fees and expenses associated with the May 2023 Exchange, and (iii) for general corporate purposes. The Prepetition 1L Credit Agreement includes certain financial and operating covenants, including a covenant requiring the Company to maintain liquidity as of the last day of each calendar month, beginning May 31, 2023, (a) prior to September 30, 2024, equal to or greater than \$75 million and (b) on and after September 30, 2024, equal to or greater than \$60 million (the “Liquidity Covenant”).

2. Prepetition Senior Secured Notes and the May 2023 Exchange

On July 30, 2021, CURO, as the issuer, issued \$750 million in aggregate principal amount of 7.5% senior secured notes maturing on August 1, 2028 (the “Prepetition 2L Notes”), pursuant to an Indenture (the “Prepetition 2L Notes Indenture”) between CURO, the guarantors party thereto, and TMI Trust Company, as trustee and collateral agent (the “Prepetition 2L Notes Trustee”). On December 3, 2021, CURO issued an additional \$250 million in principal amount of Prepetition 2L Notes to fund the acquisition of certain assets. The obligations under the Prepetition 2L Notes Indenture are guaranteed by all Debtors, other than Curo Ventures, LLC and the Canadian Debtors. At the time of issuance, the Prepetition 2L Notes were secured by a first priority lien on substantially all of the Debtors’ assets (other than the assets of the Canadian Debtors).

On May 15, 2023, the Company closed an exchange transaction (the “May 2023 Exchange”), pursuant to which certain holders of the Prepetition 2L Notes agreed to exchange approximately \$682.3 million aggregate principal amount of the Prepetition 2L Notes for approximately \$682.3 million of new 7.5% senior secured notes maturing on August 1, 2028 (the “Prepetition 1.5L Notes”). The Prepetition 1.5 Lien Notes are governed by an Indenture (the “Prepetition 1.5L Notes Indenture”) between CURO, as issuer, the other Debtors, as guarantors (other than the Canadian Debtors), and U.S. Bank Trust Company, N.A., as trustee and collateral agent (the “Prepetition 1.5L Notes Trustee”). The Prepetition 1.5L Notes retained all the same terms and conditions of the Prepetition 2L Notes except that they rank senior in lien priority to the remaining Prepetition 2L Notes. Consequently, the liens evidencing the Prepetition 2L Notes now rank third in priority, behind the Prepetition 1L Term Loans and Prepetition 1.5L Notes. The interest on each of the Prepetition 1.5L Notes and Prepetition 2L Notes accrues at a rate of 7.5% per annum, payable

on February 1 and August 1 of each year. As of the date hereof, approximately \$682 million and \$318 million remains outstanding under the Prepetition 1.5L Notes and Prepetition 2L Notes, respectively.

3. Non-Debtor Funding Debt

As of the date hereof, the Company had five credit facilities pursuant to which loans receivable originated by the Debtors are sold to variable interest entities to collateralize debt incurred under each such facility (the “Securitization Facilities”). The borrowers under each of the Securitization Facilities are non-debtor bankruptcy remote special purpose vehicles (the “SPVs”).⁵ The SPVs borrow against or “recycle” funds under the Securitization Facilities to fund the Debtors’ operations. The Securitization Facilities generally provide that recycling will cease approximately one year prior to maturity. The Securitization Facilities are repaid when the Debtors collect and turn over to the applicable agent funds on account of the loan receivables and during the amortization period beginning when the revolving period matures.

The allocation of loan receivables among the Securitization Facilities is determined by (i) location of loan receivable origination, (ii) requirements regarding size, type or other loan receivable characteristics set forth in each Securitization Facility, and (iii) the Debtors’ discretion, when a loan receivable qualifies for sale to more than one of the Securitization Facility. The Securitization Facilities provide a critical source of liquidity for day-to-day operations for the Company. During the revolving period, the borrowing capacity under each Securitization Facility is determined by applying an applicable advance rate against the outstanding principal balance of eligible receivables, subject to certain adjustments. Each Securitization Facility is secured primarily by a pool of secured and unsecured fixed-rate personal loans and related assets.

CURO is a limited guarantor under each of the Securitization Facilities. Additionally, each of First Heritage Credit of Alabama, LLC, First Heritage Credit of South Carolina, LLC, and First Heritage Credit of Tennessee, LLC are originators of loans receivable subject to the First Heritage SPV Facility and the Heights II SPV Facility. First Heritage Credit of Louisiana, LLC and First Heritage Credit of Mississippi, LLC are also originators of loans receivable subject to the First Heritage SPV Facility. Covington Credit, Inc., Covington Credit of Alabama, Inc., Covington Credit of Georgia, Inc., Covington Credit of Texas, Inc., Heights Finance Corporation (IL), Heights Finance Corporation (TN), Quick Credit Corporation, Southern Finance of South Carolina, Inc. and Southern Finance of Tennessee, Inc. are also originators of loans receivable subject to the Heights SPV Facility and the Heights II SPV Facility. Further, each of LendDirect Corp. and CURO Canada Corp. are Debtor obligors under the Canada SPV Facility by virtue of being originators of loans receivable subject to such facility and under the Canada SPV II Facility by virtue of being originators of loans receivable subject to and limited guarantors under such facility.

The Intercreditor Agreements govern, among other things, distributions of payments and treatment of collateral between the lenders under the Prepetition 1L Credit Agreement, the Prepetition 1.5L Notes Indenture and the Prepetition 2L Notes Indenture.

5. Intercompany Relationships

As is customary for a multi-national enterprise, the Debtors transact with each other and their Canadian affiliates on a regular basis in the ordinary course of business. The Debtors engage in such intercompany transactions to, among other things, provide enterprise-wide support services, divide the costs of shared services agreements, complete transactions with administrative ease and facilitate operations on a daily basis. These transactions are recorded different ways on the Company’s general ledger, including through trade payables, which are reconciled on a monthly basis. The Company does not currently record these transactions as intercompany loans.

6. The Debtors’ Unsecured Creditors

As of the date hereof, the Debtors estimate that they owe approximately \$42 million on account of general unsecured claims, which are, among others, claims held by trade creditors and vendors, certain former employees, contingent claims held on account of pending litigation and claims held on account of accrued rents.

7. The Debtors’ Current Cash Position

As of the date hereof, the Debtors have approximately \$35 million in cash on hand.

8. CURO Stock

Until March 11, 2024, CURO’s common stock was traded on NYSE under the symbol “CURO.” CURO is authorized to issue 225,000,000 shares of common stock and 25,000,000 shares of preferred stock. There are no shares of preferred stock outstanding. As of the date hereof, there are a total of 41,727,213 outstanding shares of common stock.

On October 16, 2023, the Company received a written notice of continued non-compliance with the minimum market capitalization and shareholders’ equity requirements from the NYSE, as the average market capitalization of the Company over a consecutive 30 trading-day period was less than \$50 million (the “Market Cap Notice”). Within 45 days of receipt of the Market Cap Notice, the Company responded to the NYSE with a business plan aimed to demonstrate the definitive actions the Company had taken, or was taking, to regain compliance with the continued listing standards within 18 months of the NYSE Notice. The Company’s plan was accepted by the NYSE on January 9, 2024.

On October 27, 2023, the Company received written notice from the NYSE that the Company was not in compliance with the NYSE’s minimum stock price requirements. On February 9, 2024, the Company received an additional warning notice from the NYSE that the Company was not in compliance with the listing criteria because of a continuously low market capitalization level.

On March 11, 2024, the Company received a notice from the NYSE announcing its decision to commence proceedings to delist CURO's common stock. Trading in CURO's common stock on NYSE was suspended immediately. On March 14, 2024, the NYSE filed a Form 25 with the SEC to delist CURO's common stock from the NYSE and from registration under Section 12(b) of the Securities Exchange Act of 1934, as amended. The delisting will be effective 10 days after the filing of the Form 25. The common stock is currently trading on the Pink Sheets platform operated by OTC Markets Group, Inc. under the symbol "CURO."

C. Events Leading to These Chapter 11 Cases

In the two years leading up to the Petition Date, the Company took significant steps aimed at (i) shifting its business model to focus on longer term, higher balance and lower interest rate credit products, (ii) optimizing its business operations and (iii) strengthening the Company's liquidity. As described in further detail below, these efforts included strategic acquisitions, sale of the U.S. Legacy Direct Lending Business (as defined below) and operational restructuring, which included replacement of the C-suite in the second half of 2022 and into early 2023. Additionally, in May and November of 2023, the Company attempted to strengthen its liquidity through two debt transactions and to extend operating liquidity by refinancing of the Securitization Facilities. While some of these efforts have been successful, in the first quarter of 2024 it became apparent that, as a result of the Company's balance sheet being over-leveraged, it needed to undergo a comprehensive restructuring to facilitate the refinancing of the Securitization Facilities.

1. Shift in Business Model and Strategic Acquisitions and Divestitures

Since the IPO, the Company has been focusing on growth and expansion both geographically and through product offerings. As part of this strategy, the Company has sought partners with complementary strengths and a range of products aimed to improve customers' access to credit markets while providing a smooth customer experience.

In the last several years the Company shifted its business model to focus on longer term, higher balance and lower interest rate credit products, and exit from offering single-pay loan higher-APR credit products in the U.S. To advance this strategic goal, on December 27, 2021, the Company acquired Heights Finance LLC, a consumer finance company that provides installment loans and offers customary opt-in insurance and other financial products ("Heights"). At the time of acquisition, it operated across 390 branches in 11 U.S. states. Heights provides secured and unsecured installment loans to near-prime and non-prime consumers. Additionally, on July 13, 2022, the Company acquired First Heritage Credit, LLC, a consumer finance company that provides installment loans and offers customary opt-in insurance and other financial products ("First Heritage"). At the time of acquisition, it operated across 100 branches in five U.S. states. First Heritage provides secured and unsecured installment loans to near-prime and non-prime consumers. First Heritage's retail model and product set was similar in nature to Heights and was rolled up under the existing Heights leadership.

At the same time, the Company sought to exit the short term, small balance and higher credit risk product market. On July 8, 2022, the Company sold its Speedy Cash, Rapid Cash and Avio Credit businesses (the "U.S. Legacy Direct Lending Business"), to Community Choice Financial Inc. ("CCFI"). The divestiture substantially reduced the regulatory and reputational risk inherent in short term higher-APR lending products and brought in the funding necessary to purchase First Heritage. Additionally, on August 31, 2023, the Company sold FLX Holdings Corp. ("Flexiti"), a provider of point-of-sale consumer financing solutions for retailers operating in Canada, which was not generating sufficient return on investment.

2. Efforts to Boost Liquidity

During 2022 through early 2023, the consumer lending industry was broadly affected by the challenging macroeconomic environment, including volatility in the market, banking failures, rising interest rates, unemployment concerns and inflation. These factors caused a significant negative impact on CURO's stock price and resulting market capitalization.

Given this macroeconomic environment, the Company took proactive steps to strengthen its liquidity. In early 2023, the Company engaged strategic advisors to analyze its liquidity position and assist in engaging with its bondholders to raise additional liquidity and refinance certain indebtedness. As a result of these efforts, in May 2023, the Company engaged in an uptier exchange, pursuant to which certain existing bondholders holding Prepetition 2L Notes agreed to extend \$150 million in new Prepetition 1L Term Loans to the Company, and exchange 68.2% of the outstanding Prepetition 2L Notes at par for new Prepetition 1.5L Notes. The remaining Prepetition 2L Notes that did not participate in the exchange remained unchanged.

In addition, in May and November of 2023, respectively, the Company entered into two new securitization facilities—the Canada SPV II Facility and the Heights SPV II Facility. The Canada SPV II Facility provided the Company with an additional CAD \$110 million in liquidity to fund loans extended by the Company's direct lending operations in Canada. The borrowing capacity under this facility was further expanded on November 6, 2023 up to CAD \$150 million. The November 3, 2023 entry into the Heights SPV II Facility boosted the Company's liquidity by \$140 million. In late 2023 and early 2024 the Company also sought to refinance its existing Securitization Facilities. However, those efforts were not successful, with the market signaling that the Company's balance sheet was over-leveraged.

3. Continued Efforts to Improve Operational Efficiencies

Throughout 2023, the Company undertook significant efforts to improve operational efficiencies, including through (i) enhancement of underwriting and credit performance, (ii) simplifying overall operations, including consolidating the Company's U.S. footprint onto one loan management system, (iii) making reductions in workforce (including 88 employees in 2022, 85 branch employees in March 2023 and 16 corporate employees in January of 2024), and (iv) further scaling data and technological capabilities. In January 2023, the Company also ceased operations of Ad Astra, which had been the Company's exclusive provider of third-party collection services for owned and managed loans in the Legacy U.S. Direct Lending Business that were in later-stage delinquency. Shortly before the Petition Date, the Debtors closed 91 non-profitable retail locations.

These and other operational improvements are in line with the Debtors' long-term strategy of consolidating operations to improve efficiency and increase return on investment. The Debtors' go-forward business plan includes additional steps to increase operational efficiencies and reduce operations expenses.

4. Factors Driving Liquidity Issues

Despite the Company's efforts to boost liquidity, reduce expenses and streamline operations, the Company's 2023 cash flow was lower than forecasted. First, the Company's sale of Flexiti, its Canadian point-of-sale consumer financing business, did not generate as much in proceeds as the Company forecasted. The Company acquired Flexiti in March of 2021 for approximately \$113.4 million. Flexiti required a capital infusion totaling approximately \$227.5 million to fund loan growth given the rapid loan growth and the long life of loans. The capital-intensive nature of the business began affecting the Company's overall cash flows and return on equity to the detriment of other business segments. As a result, with the help of its advisors, the Company undertook a competitive sales process with a targeted group of buyers designed to drive an optimal valuation. Unfortunately, the divestiture did not bring in nearly as

much proceeds as the Company had hoped. The transaction closed on August 31, 2023, netting only \$63.7 million in proceeds after transaction costs.

Second, in 2023, the Company became embroiled in litigation with Community Choice Financial (“CCFI”) – the purchaser of the U.S. Legacy Direct Lending Business. The Company sold the U.S. Legacy Direct Lending Business to CCFI in July 2022. Per the terms of the sale agreement, CCFI owed the Company a portion of the deferred purchase price, the final net working capital adjustment and a portion of amounts owed under the Transition Services Agreement, totaling approximately \$22.5 million plus interest. The Company initiated litigation against CCFI to recover the amounts owed. In turn, CCFI is counter-suing the Company for \$27 million (which claims the Company believes are without merit).

Other factors contributing to strained liquidity included the rising interest rates, which increased the cost of servicing the Company’s existing debt, the Company’s inability to successfully pledge certain single-pay Canada-based loans with a value of approximately \$25 million and increase in variable advance rates under the Securitization Facilities.

5. February Payment Defaults

As noted previously, in late 2023 the Company undertook an effort to ensure continued operational financing by seeking to refinance the Securitization Facilities. The Company engaged Oppenheimer & Co. Inc. (“Oppenheimer”) to explore potential refinancing of certain Securitization Facilities. Although many of the parties Oppenheimer spoke to indicated that they were interested in supporting the Company’s business and its management team, they were only willing to do so if the Company was able to deleverage its corporate balance sheet. Other parties that Oppenheimer spoke to indicated that should the corporate leverage remain elevated, any refinancing would be at materially higher costs than the existing levels. Additionally, it became apparent to the Company that, given its constrained balance sheet, any decision to make material payments to third parties would result in further liquidity tightening by the lenders under the Securitization Facilities.

At the same time, in January 2024, the Company’s management determined that it may miss the January 31, 2024 Liquidity Covenant, which would have resulted in a default under the Company’s debt instruments and the Securitization Facilities (the “Potential Liquidity Default”).

In the face of this potential default, and guided by market feedback that the Securitization Facility lenders would cease recycling at the first opportunity if significant cash were to leave the Debtors’ balance sheet outside of a deleveraging event, on February 1, 2024, the Company elected not to make the \$25.6 million interest payments due on the Prepetition 1.5L Notes and the \$11.9 million interest payment due on the Prepetition 2L Notes (each, a “Payment Default” and, together, the “Payment Defaults”). While the Prepetition 2L Notes Indenture allowed for a 30-day grace period before the Payment Default ripened into an “Event of Default,” the grace period under the Prepetition 1.5L Notes was only five business days. As such, on February 5, 2024, the Company commenced a solicitation of consents from the holders of the Prepetition 1.5L Notes to supplement the indenture to obtain an extension of the grace period as a result of the Payment Default until March 1, 2024 and a waiver of the Potential Liquidity Default (the “Consent Solicitation”). The Company received overwhelming support from the holders, receiving consents from holders of 97% of the Prepetition 1.5L Notes. Because the Payment Defaults constituted a cross default under the Prepetition 1L Credit Agreement, the Company also obtained a waiver of the aforementioned defaults from the holders of the Prepetition 1L Term Loans. The Payment Defaults and the Potential Liquidity Default also triggered certain potential cross-defaults under the Company’s Securitization Facilities.

Following the launch of the Consent Solicitation, the Company determined that as of January 31, 2024, the Company was in compliance with the Liquidity Covenant set forth in the Prepetition 1L Credit

Agreement, the Prepetition 1.5L Notes Indenture and the Company's Securitization Facilities; and therefore, no liquidity default under such debt facilities occurred as of such date. Nevertheless, the Company determined that, given the go-forward liquidity projections and the need to deleverage the balance sheet to facilitate the extension of the Securitization Facilities, making the interest payments on the Prepetition 1.5L Notes and the Prepetition 2L Notes was not advisable. Therefore, the Company focused its efforts on continuous engagement with the lenders and third parties for a comprehensive financial restructuring to strengthen the Company's balance sheet and financial position.

6. Debtors' Prepetition Stakeholder Engagement

At the end of January 2024, the Company engaged Akin Gump Strauss Hauer & Feld LLP ("Akin") to assist with more comprehensive restructuring efforts. The Company, with the assistance of Akin, Oppenheimer and certain of its ordinary course advisors, explored various alternatives both with the Company's current stakeholders and with third parties, including whether it was practicable to effectuate an out-of-court restructuring, and ultimately determined that an in-court balance sheet restructuring was necessary to ensure that the Company could remain a profitable and cash-positive business.

7. The Forbearance Agreements and Waivers

Given that as of February 1, 2024, the Company was operating within the grace period under the various debt facilities, the negotiations with the lenders proceeded swiftly. By late February, the Debtors' negotiations with the various stakeholders, including a group of holders of Prepetition 1L Term Loans, Prepetition 1.5L Notes and Prepetition 2L Notes represented by Wachtell, Lipton, Rosen & Katz and Houlihan Lokey Inc. (the "Ad Hoc Group"), were advancing. The Debtors were also engaged in negotiations with the lenders under the various Securitization Facilities to negotiate terms of waivers of various cross-defaults and terms for amending the Securitization Facilities to provide the Company and its corporate lenders with comfort that the Company would be able to emerge from chapter 11 poised for long term success. To give the parties additional time to finalize negotiating and documenting the restructuring proposal and the amendments to the Securitization Facilities, the Debtors and their lenders, including members of the Ad Hoc Group, agreed to enter into (1) a waiver of default from lenders holding more than 80% in amount of Prepetition 1L Term Loans; (2) a Forbearance Agreement with holders of approximately 84% of the outstanding aggregate principal amount of Prepetition 1.5L Notes; and (3) a Forbearance Agreement with holders of approximately 74% of the outstanding aggregate principal amount of Prepetition 2L Notes (collectively, the "Forbearance Agreements and Waiver"). Under the terms of the Forbearance Agreements and the Waiver, the Lenders agreed not to exercise any remedies against the Debtors until March 18, 2024, subject to certain terms and conditions. On March 15, 2024, the grace periods under the Forbearance Agreements and Waiver were extended through March 25, 2024 to give the parties additional time to finalize the restructuring negotiations.

D. The RSA and the Proposed DIP Financing

With the Forbearance Agreements and Waiver in place, the Debtors continued negotiations with their prepetition lenders and the lenders under the Securitization Facilities. These good-faith negotiations resulted in the applicable parties' entry into the RSA.

1. The RSA

On March 22, 2024, the Debtors entered into the RSA with (a) holders of in excess of 82% of the Prepetition 1L Term Loans, (b) holders of in excess of 84% of the Prepetition 1.5L Notes and (c) holders of in excess of 74% of the Prepetition 2L Notes. The RSA contemplates an equitization transaction accomplished through confirmation of the Plan, and a parallel Canadian Recognition Proceeding. The

Debtors commenced soliciting votes for or against the Plan in the days leading up to the Petition Date. The Debtors believe they will have the necessary votes for the Plan to be confirmed.

Among other things, the Plan provides for the distribution of equity and warrants in the reorganized CURO among (i) the holders of Prepetition 1.5L Notes, (ii) the holders of Prepetition 2L Notes, and (iii) certain lenders providing DIP Financing in the form of the exit fee, all subject to dilution by the stock issued in connection with the post-emergence management incentive plan. The Plan further provides for, (a) existing CURO equity receiving contingent value rights at a specified strike price, (b) payment in full and unimpairment of all unsecured claims, including trade claims, rents and employee obligations, (c) rejection of certain burdensome leases and contracts, and (d) customary releases and exculpation provisions. Because the Company operates in a highly regulated industry (on the federal, state and provincial level), the Plan contemplates completion of a regulatory approval process prior to the occurrence of the effective date of the Plan. The Company intends to take initial steps to commence the regulatory approval process immediately after the Petition Date.

The RSA includes a broad “fiduciary out” that provides, in part, that nothing will require the Debtors to take any action or to refrain from taking any action with respect to the restructuring transactions to the extent taking or failing to take such action would be inconsistent with applicable law or its fiduciary obligations under applicable law. In addition, Section 7.02 of the RSA permits the Debtors to, among other things, consider, respond to and facilitate “Alternative Restructuring Proposals” (as defined under the RSA) and maintain and continue discussions with respect thereto.

In sum, the RSA provides the Company with an expedited path to emergence that minimizes the effects of the Debtors’ Chapter 11 Cases on the value of the Company’s brands and operations and the Company’s ongoing liquidity position. The Company is well positioned to emerge from bankruptcy with a deleveraged balance sheet, free of burdensome contracts and with sufficient liquidity to continue providing high quality and accessible financial services to its customer base.

2. The DIP Facility

On the Petition Date, the Debtors intend to file the *Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (III) Authorizing the Use Cash Collateral, (IV) Modifying the Automatic Stay, and (V) Scheduling a Final Hearing* (the “DIP Motion”), filed concurrently herewith, the Debtors seek, among other things, approval of a proposed DIP Facility and the postpetition use of the Prepetition Secured Parties’ Cash Collateral. The DIP Facility provides an infusion of up to \$70,000,000 that will allow the Debtors to meet operational needs for a smooth transition into chapter 11. The DIP Facility will also reassure the Company’s customers, vendors, employees and the lenders under the Securitization Facilities that the Company will be able to continue to meet its commitments during these Chapter 11 Cases.

3. The Approval of the Securitization Facilities

On the Petition Date, the Debtors also intend to file the *Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Certain Debtors to Continue Selling Receivables and Related Rights Pursuant to the Securitization Facilities, (II) Modifying the Automatic Stay, (III) Scheduling a Final Hearing, and (IV) Granting Related Relief* (the “Securitization Program Motion”) seeking the Court’s approval and affirmation of continued access to the Securitization Facilities to avoid an immediate adverse impact on the Debtors’ liquidity. If the Debtors were denied authority to extend the Securitization Facilities, they would suffer significant liquidity challenges and a disruption to the ordinary course of their business operations, as the Debtors would not be able to access the daily cash collections on the Receivables, which are typically a critical component of their liquidity, until all obligations under the Securitization Facilities

Documents are paid in full. The Securitization Program Motion also seeks authorization to grant the existing lenders under the Securitization Facilities certain rights and protection during the pendency of the Chapter 11 Cases.

4. CCAA Proceedings

On the Petition Date, the Debtors also intend to file the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing CURO Group Holdings Corp. to Act as Foreign Representative and (II) Granting Related Relief* (the "Foreign Representative Motion"), by which the Debtors will ask this Court to confirm that CURO may act as the "foreign representative" before the Ontario Superior Court of Justice (Commercial List), Toronto, Ontario, Canada (Commercial List) ("Canadian Court") in connection with proposed recognition proceedings pursuant to Part IV of the CCAA. If the relief requested in the Foreign Representative Motion is granted, CURO will then ask the Canadian Court to recognize the chapter 11 cases of the Canadian Debtors each as a "foreign main proceeding" in order to, among other things, protect the Debtors' assets of CURO and the Canadian Debtors located in Canada. CURO, in its capacity as Foreign Representative, will also ask the Canadian Court to recognize and enforce in Canada certain of the first day and other orders, if granted, to ensure that the Canadian business continues to operate uninterrupted during these proceedings. In the interim period and following the filing of the petitions for these Chapter 11 Cases, CURO intends to apply to the Canadian Court for an emergency temporary stay of proceedings in Canada.

5. Customer Programs

On the Petition Date, the Debtors also intend to file the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to Honor Certain Prepetition Obligations to Customers and Continue Certain Customer Programs in the Ordinary Course of Business, and (II) Granting Related Relief* (the "Customer Programs Motion"). Pursuant to the Customer Programs Motion, among other relief, the Debtors seek authority to continue settling loan origination transactions, including transactions via checks and ACH transfers that were originated pre-petition but do not clear until after the Petition Date, in the ordinary course. For the avoidance of doubt, neither the commencement of the Chapter 11 Cases nor the proposed confirmation of the Plan alters the Customers' obligations under their loans and the Debtors expect that the loan origination and collection activities will continue in the ordinary course post-petition.

V. MATERIAL DEVELOPMENTS AND ANTICIPATED EVENTS OF THE CHAPTER 11 CASES

A. First Day Relief

On the Petition Date, along with their voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the "Petitions"), the Debtors intend to file several motions (the "First Day Motions") designed to facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors' operations, by, among other things, easing the strain on the Debtors' relationships with employees, vendors, and customers following the commencement of the Chapter 11 Cases. The First Day Motions, and all orders for relief entered in the Chapter 11 Cases, can be viewed free of charge at <https://dm.epiq11.com/Curo>.

B. Proposed Confirmation Schedule

Under the RSA, the Debtors agreed to certain milestones to ensure an orderly and timely implementation of the Restructuring Transactions. It is imperative that the Debtors proceed swiftly to confirmation of the Plan and emergence from these Chapter 11 Cases to mitigate uncertainty among employees, customers, and vendors, minimize disruptions to the Company's business, and curtail

professional fees and administrative costs. Expeditious confirmation of the Plan and consummation of the Restructuring Transactions is in the best interests of the Debtors, their estates, and their stakeholders.

Furthermore, pursuant to the milestones in the RSA, the Debtors must obtain confirmation of the Plan within fifty days of the Petition Date. Accordingly, the Debtors have proposed the following case timeline, subject to Court approval and availability:

Event	Date
Voting Record Date	March 13, 2024
Solicitation Commencement Date	March 24, 2024
Voting Deadline	April 19, 2024, at 4:00 p.m., prevailing Central Time
Opt-Out Deadline	April 19, 2024, at 4:00 p.m., prevailing Central Time
Objection Deadline	April 23, 2024, at 4:00 p.m., prevailing Central Time
Combined Hearing	April 30, 2024, or such other date as the Court may direct

VI. SUMMARY OF THE PLAN

The Plan contemplates the following key terms, among others described herein and therein:

A. General Settlement of Claims and Interests

Pursuant to Bankruptcy Code section 1123 and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Combined Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under Bankruptcy Code section 1123 and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable and in the best interests of the Debtors and their Estates. Subject to Article VI of the Plan, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Restructuring Transactions

Before, on, and after the Effective Date, the Debtors or Reorganized Debtors, as applicable, shall consummate the Restructuring Transactions and may take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan that are consistent with and pursuant to the terms and conditions of the Plan, including: (1) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, formation, organization, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, and the RSA; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, and the RSA and having other terms to which the applicable Entities may agree; (3) the execution, delivery and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law, including any applicable

Governance Documents; (4) the execution and delivery of the Exit Facility Documents and entry into the Exit Facility; (5) the issuance and distribution of the New Equity Interests (including the DIP Equity Fees) as set forth in the Plan; (6) the execution and delivery of the New Warrant Agreement and the issuance and distribution of the New Warrants; (7) the execution and delivery of the CVR Agreement and the issuance and distribution of the CVRs; (8) the execution and delivery of, and entry into, the Securitization Facilities Amendments; (9) the execution and delivery of, and entry into, the Private Placement Notes Amendment; (10) the adoption of the Management Incentive Plan and the issuance and reservation of the New Equity Interests to the participants in the Management Incentive Plan in accordance with the terms thereof; (11) such other transactions that are required to effectuate the Restructuring Transactions, including any transactions set forth in the Description of Transaction Steps; and (12) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Combined Order shall and shall be deemed to, pursuant to both Bankruptcy Code sections 1123 and 363, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan.

The terms of the Restructuring Transactions will be structured to maximize tax efficiencies for each of the Debtors and the Consenting Stakeholders, as agreed to by the Debtors and the Required Consenting Stakeholders and in accordance with the Plan and the Plan Supplement.

C. Sources of Consideration for Plan Distributions

The Debtors shall fund distributions under the Plan, as applicable, with: (1) the Exit Facility, (2) New Equity Interests, (3) the New Warrants, (4) the CVRs, (5) the Cash on hand from the utilization of the Securitization Facilities (as amended by the Securitization Facilities Amendments to continue following the Effective Date), and (6) the Debtors' Cash on hand from operations and the proceeds of borrowings under the DIP Facility. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Equity Interests will be exempt from SEC registration, as described more fully in Article IV.M of the Plan.

1. Exit Facility

On the Effective Date, the Reorganized Debtors shall enter into the Exit Facility, the terms of which will be set forth in the Exit Facility Documents. Confirmation of the Plan shall be deemed approval of the Exit Facility and the Exit Facility Documents, as applicable, and all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein and authorization of the Reorganized Debtors to enter into and execute the Exit Facility Documents and such other documents as may be required to effectuate the treatment afforded by the Exit Facility. Execution of the Exit Facility Credit Agreement by the Exit Facility Agent shall be deemed to bind all Holders of the DIP Claims and the Prepetition 1L Term Loan Claims as if each such Holder had executed the Exit Facility Credit Agreement with appropriate authorization.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the Exit Facility Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facility Documents, (c) shall be deemed automatically perfected on the Effective Date, subject only to such

Liens and security interests as may be permitted under the Exit Facility Documents, and (d) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Combined Order (it being understood that perfection shall occur automatically by virtue of the entry of the Combined Order and any such filings, recordings, approvals, and consents shall not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

2. Securitization Facilities Amendments

Confirmation of the Plan shall be deemed approval of the Securitization Facilities (as amended by the Securitization Facilities Amendments to continue following the Effective Date) and the Securitization Facilities Amendments applicable to continuation of the Securitization Facilities following the Effective Date, and all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the Securitization Facilities Amendments, (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Securitization Facilities Amendments, (c) shall be deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the Securitization Facilities Amendments, and (d) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make, or cause their applicable non-Debtor Affiliates to make, all filings and recordings, and to obtain, or cause their applicable non-Debtor Affiliates to obtain, all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Combined Order (it being understood that perfection shall occur automatically by virtue of the entry of the Combined Order and any such filings, recordings, approvals, and consents shall not be required), and will thereafter cooperate, or cause their applicable non-Debtor Affiliates to cooperate, to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

3. New Equity Interests and New Warrants

Reorganized CURO shall be authorized to issue a certain number of shares of New Equity Interests pursuant to its Governance Documents. The issuance of the New Equity Interests and New Warrants shall be authorized without the need for any further corporate action. On the Effective Date, the New Equity Interests shall be issued and distributed as provided for in the Description of Transaction Steps to the Holders of Allowed Claims entitled to receive the New Equity Interests pursuant to, and in accordance with, the Plan.

All of the shares of New Equity Interests issued pursuant to the Plan (including the New Equity Interests underlying the New Warrants) shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and

conditions of the instruments evidencing or relating to such distribution or issuance, including the Governance Documents, which terms and conditions shall bind each Holder receiving such distribution or issuance. Any Holder's acceptance of New Equity Interests shall be deemed as its consent to the terms and conditions of the Governance Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms. The New Equity Interests will not be listed for trading on any securities exchange as of the Effective Date. The New Warrant Agreement shall be effective as of the Effective Date and, as of such date, shall be deemed to be valid, binding, and enforceable in accordance with its terms, and each holder of New Warrants shall be bound thereby.

Reorganized CURO (i) shall emerge from these Chapter 11 Cases on the Effective Date as a private company and the New Equity Interests shall not be listed on a public stock exchange, (ii) shall not be voluntarily subjected to any reporting requirements promulgated by the SEC, and (iii) shall not be required to list the New Equity Interests on a recognized U.S. or any foreign stock exchange.

To the extent the following actions have not been completed on or prior to the Effective Date, Reorganized CURO shall (i) take all actions reasonably necessary or desirable to delist the Existing CURO Interests from NYSE and to deregister under the Exchange Act as promptly as practicable in compliance with SEC rules, (ii) file post-effective amendments to terminate all of CURO's effective registration statements under the Securities Act and deregister any and all unsold securities thereunder, (iii) file a Form 15 to terminate CURO's registration under the Exchange Act and to suspend CURO's reporting obligations under the Exchange Act with respect to the common stock, and (iv) take all actions reasonably necessary or desirable to ensure (A) that the New Equity Interests and the CVRs shall not be listed on a public securities exchange and that the Reorganized Debtors shall not be required to list the New Equity Interests or CVRs on a recognized securities exchange, except, in each case, as otherwise may be required pursuant to the Governance Documents or the CVR Agreement, as applicable, and (B) that the Reorganized Debtors shall not be voluntarily subjected to any reporting requirements promulgated by the SEC.

4. Use of Cash

The Debtors or Reorganized Debtors, as applicable, shall use Cash on hand to fund distributions to certain Holders of Allowed Claims, consistent with the terms of the Plan.

D. Corporate Existence

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which such Debtor is incorporated or formed and pursuant to the certificate of incorporation and by-laws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and by-laws (or other formation documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law).

E. Vesting of Assets in the Reorganized Debtors

Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated in the Plan, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or

Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

F. Preservation and Reservation of Causes of Action

In accordance with Bankruptcy Code section 1123(b), and except where such Causes of Action have been expressly released (including, for the avoidance of doubt, pursuant to the Debtor Releases provided in Article VIII.C and the Exculpation contained in Article VIII.E of the Plan), the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the List of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtors, as the successors-in-interest to the Debtors and the Estates, may, and shall have the exclusive right to, enforce, sue on, settle, compromise, transfer or assign (or decline to do any of the foregoing) any or all of such Causes of Action without notice to or approval from the Bankruptcy Court.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, the Combined Order, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. Except as otherwise set forth herein, the Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity.

The Debtors expressly reserve all Causes of Action for later adjudication by the Debtors or the Reorganized Debtors (including, without limitation, Causes of Action of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time or facts or circumstances that may change or be different from those the Debtors now believe to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon or after the Confirmation or Consummation of the Plan based on this Disclosure Statement, the Plan or the Combined Order, except in each case where such Causes of Action have been expressly waived, relinquished, released, compromised or settled in the Plan (including, for the avoidance of doubt, pursuant to the Debtor Releases provided in Article VIII.C and the Exculpation contained in Article VIII.E of the Plan) or any other Final Order (including, without limitation, the Combined Order and the DIP Orders). In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits.

In accordance with Bankruptcy Code section 1123(b)(3), except as otherwise provided herein, any Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor. The applicable Reorganized Debtors through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Court.

G. Cancellation of Existing Agreements and Interests

On the Effective Date, except with respect to the Exit Facility, the Securitization Facilities Amendments, or to the extent otherwise provided in the Plan, including in Article V.A of the Plan, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including credit agreements and indentures, shall be cancelled and the obligations of all parties thereto, including the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto shall be deemed satisfied in full, cancelled, discharged, and of no force or effect; *provided, however*, that notwithstanding anything to the contrary contained in the Plan, any agreement that governs the rights of the DIP Agent shall continue in effect solely for purposes of allowing the DIP Agent to (i) enforce its rights against any Person other than any of the Released Parties, pursuant and subject to the terms of the DIP Orders and the DIP Facility Documents, (ii) receive distributions under the Plan and to distribute them to the Holders of the Allowed DIP Claims, in accordance with the terms of DIP Orders and the DIP Facility Documents, (iii) enforce its rights to payment of fees, expenses, and indemnification obligations as against any money or property distributable to Holders of Allowed DIP Claims, in accordance with the terms of DIP Orders and the DIP Facility Documents, and (iv) appear and be heard in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court, including to enforce any obligation owed to either of the DIP Agent or Holders of the DIP Claims under the Plan, as applicable. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan.

Any credit agreement, indenture or other instrument that governs the rights, claims, and remedies of the Holder of a Claim shall continue in full force and effect for purposes of allowing Holders of Allowed Claims to receive distributions under the Plan and to allow Agents/Trustees, as applicable, to enforce its rights to payment of fees, expenses, and indemnification obligations, including preservation of charging liens, as against any money or property distributable to such Holders.

For the avoidance of doubt, any credit agreement or other instrument evidencing claims arising from or related to the Securitization Facilities Amendments shall continue in full force and effect for all purposes.

If the record Holder of the Prepetition 1.5L Notes or Prepetition 2L Notes is DTC or its nominee or another securities depository or custodian thereof, and such Prepetition 1.5L Notes or Prepetition 2L Notes, as applicable, are represented by a global security held by or on behalf of DTC or such other securities depository or custodian, then each such Holder of the Prepetition 1.5L Notes or Prepetition 2L Notes, as applicable, shall be deemed to have surrendered such Holder's note, debenture or other evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof.

H. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including: (1) adoption or assumption, as applicable, of the Employment Obligations; (2) selection of the directors, officers, or managers for the Reorganized Debtors (as applicable) in accordance with the Governance Term Sheet; (3) the issuance and distribution of the New Equity Interests and the New Warrants; (4) implementation of the Restructuring Transactions; (5) entry into the Exit Facility Documents; (6) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (7) adoption of the Governance Documents; (8) the assumption or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (9) the entry into the CVR Agreement and the issuance and distribution of the CVRs; and (10) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions

contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Reorganized Debtors, and any corporate action required by the Debtors or the Reorganized Debtor, as applicable, in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Reorganized Debtors, as applicable. Before, on or after (as applicable) the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Reorganized Debtors, including the New Equity Interests, the New Warrants, the CVRs, the Governance Documents, the Exit Facility, and the Exit Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Article IV.H of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Governance Documents

On or immediately prior to the Effective Date, the Governance Documents shall be adopted or amended in a manner consistent with the terms and conditions set forth in the Governance Term Sheet, as may be necessary to effectuate the transactions contemplated by the Plan. Each of the Reorganized Debtors will file its Governance Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The Governance Documents will prohibit the issuance of non-voting Equity Securities to the extent required under Bankruptcy Code section 1123(a)(6). For the avoidance of doubt, the principal Governance Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Reorganized Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents.

On the Effective Date, Reorganized CURO shall enter into and deliver the New Stockholders Agreement, which shall become effective and binding in accordance with its terms and conditions upon the parties thereto without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Entity. Holders of New Equity Interests shall be deemed to have executed the New Stockholders Agreement and be parties thereto and bound by the terms thereof without the need to deliver signature pages thereto.

J. Directors and Officers of the Reorganized Debtors

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of CURO shall expire and such Persons shall be deemed to have resigned from the board of directors of CURO, and the members for the initial term of the New Board shall be appointed in accordance with the Governance Documents. The initial members of the New Board will be identified in the Plan Supplement, to the extent known at the time of filing. Each such member and officer of the Reorganized Debtors shall serve from and after the Effective Date pursuant to the terms of the Governance Documents and other constituent documents of the Reorganized Debtors.

K. Effectuating Documents; Further Transactions

On and after the Effective Date, the Reorganized Debtors, and their respective officers and boards of directors and managers, are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be

necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

L. CVR Agreement and CVR Distribution Framework

On the Effective Date, Reorganized CURO shall enter into the CVR Agreement with the CVR Agent. After the Effective Date, the CVRs shall either be distributed through DTC, or, if the Debtors, upon consultation with the Ad Hoc Group, determine that distribution through DTC is not reasonably practicable, according to the following CVR Distribution Framework:

No later than five (5) days after the Effective Date, Reorganized CURO will mail a notice of the potential right to receive one CVR per share of Existing CURO Interest (the “CVR Notice”) to all known registered and beneficial Holders of Existing CURO Interests as of the Effective Date (immediately prior to the cancellation thereof) (such Holders, the “Potential CVR Recipients”) and each such CVR Notice shall contain (i) information as to the process for a Potential CVR Recipient to receive their CVR (or Cash in lieu of CVR); and (ii) notification that the Potential CVR Recipient will lose the right to obtain any interest in the CVRs (or to obtain Cash in lieu of a CVR distribution) if the CVR Recipient Certification is not received by the CVR Submission Deadline.

In order to obtain any interest in the CVRs, by no later than 90 days after service of the CVR Notice (“CVR Submission Deadline”), Potential CVR Recipients shall be required to return a certification and agreement (the “CVR Recipient Certification”) that will provide for, among other things (“CVR Recipient Conditions”):

- (i) The Potential CVR Recipient shall certify whether or not they are an accredited investor (as defined in Rule 501 promulgated under the Securities Act) (each such accredited investor, an “Accredited Investor”);
- (ii) If the Potential CVR Recipient opted-out of the Third-Party Release, such Potential CVR Recipient consents to being deemed to have withdrawn such opt-out upon receipt of the CVRs (or Cash in lieu of the CVRs);
- (iii) The Potential CVR Recipient agrees to release (and shall be deemed to have released) any Section 510(b) Claims upon receipt of the CVRs (or Cash in lieu of the CVRs);
- (iv) For any beneficial Holders that hold their Existing CURO Interests through a registered broker or agent, a certification from such Holder’s broker or agent as to the amount of shares beneficially owned by such Holder as of the Effective Date (immediately prior to the cancellation thereof); and
- (v) Such other standard identification information reasonably requested by the Reorganized Debtors (such as mailing address, contact information, and information related to preferred method of delivery).

Reorganized CURO will distribute the CVRs; *provided* that Reorganized CURO, on the Effective Date, shall be a privately held company whose securities are not required to be registered under the Securities Exchange Act, *provided* further that CVRs shall not be distributed to more than 1,900 beneficial holders of Existing Common Stock Interests, of which no more than 450 shall be non-Accredited Investors (“Maximum CVR Recipients”).

If more Potential CVR Recipients meeting the CVR Recipient Conditions than the Maximum CVR Recipients return a properly executed CVR Recipient Certification by the CVR Submission Deadline, then the Reorganized Debtors shall only distribute the CVRs pursuant to the Plan to the Potential CVR Recipients that hold the largest percentage of Existing CURO Securities until CVRs have been distributed to the Maximum CVR Recipients. In the event that multiple Potential CVR Recipients hold the same number of shares and all such holders cannot be included due to the Maximum CVR Recipient Requirement, then the Reorganized Debtors shall include such Potential CVR Recipients in alphabetical order (based on last name or entity name) until the Maximum CVR Recipient threshold is reached.

For any Potential CVR Recipient meeting the CVR Recipient Requirements that would have been eligible to receive the CVRs but for the limitation on the Maximum CVR Recipients, the Reorganized Parent shall pay Cash in an amount equal to the value of the CVRs at the Effective Date (“Effective Date CVR Value”) to a particular Holder in lieu of distribution of CVRs to such Holder; *provided*, that if the Cash to be distributed to a particular beneficial Holder in lieu of CVRs is less than the minimum distribution amount set forth in Article VI.D.2 of the Plan, then such Holder shall not receive any additional Cash nor any rights under or interest in the CVRs. The Cash payment will be paid to the address identified by the Potential CVR Recipient on the CVR Recipient Certification. The Effective Date CVR Value will be made available to the Potential CVR Recipients as soon as practicable.

For the avoidance of doubt, any Potential CVR Recipient that does not submit a CVR Recipient Certification by the CVR Submission Deadline shall not receive any interest in the CVRs or any additional Cash payment in lieu of the CVRs.

The CVR Agreement shall be duly authorized without the need for any further corporate action and without any further action by CURO or Reorganized CURO, as applicable.

As a result of the distribution of the CVRs pursuant to the CVR Distribution Framework in accordance with the Plan, the CVRs shall not be listed on a public stock exchange (nor shall Reorganized CURO be under any obligation to list them on a recognized U.S. or any foreign stock exchange) or voluntarily subjected to any reporting requirements promulgated by the SEC.

M. Certain Securities Law Matters

The offering, issuance, and distribution of the New Equity Interests (other than the DIP Commitment Shares and any New Equity Interests underlying the Management Incentive Plan), as contemplated by Article III of the Plan, after the Petition Date, shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145, and to the extent such exemption is not available, then such New Equity Interests will be offered, issued and distributed under the Plan pursuant to other applicable exemptions from registration under the Securities Act and any other applicable securities laws. The Debtors believe that either the CVRs shall not constitute a “security” under applicable U.S. securities laws or that the issuance of the CVRs shall be exempt from the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145.

Such New Equity Interests and CVRs (to the extent such CVRs constitute a “security”), as a result of being offered, issued and distributed pursuant to Bankruptcy Code section 1145, (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) (A) will be freely tradeable and transferable without registration under the Securities Act in the United States by any recipient thereof that is not an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the

provisions of Bankruptcy Code section 1145(b)(1) relating to the definition of an underwriter in Bankruptcy Code section 1145(b) and any restrictions in the Governance Documents and CVR Agreement, as applicable, and (B) may not be transferred by any recipient thereof that is an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom (including by complying with the conditions of Rule 144 under the Securities Act with respect to “control securities”).

The DIP Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or reliance on Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. The New Equity Interests underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration, and will be considered “restricted securities.”

The New Equity Interests will be subject to any restrictions in the Governance Documents to the extent applicable. The New Warrants will be subject to any restrictions in the New Warrant Agreement to the extent applicable. Transfer restrictions on the New Warrants will be governed by the Governance Documents and be substantially similar to the transfer restrictions applicable to the New Equity Interests. The CVRs will be subject to any restrictions in the CVR Agreement to the extent applicable and will be non-transferable.

The Reorganized Debtors need not provide any further evidence other than the Plan or the Combined Order to any Entity (including DTC and any transfer agent for the New Equity Interests) with respect to the treatment of the New Equity Interests to be issued under the Plan under applicable securities laws. DTC and any transfer agent for the New Equity Interests shall be required to accept and conclusively rely upon the Plan and Combined Order in lieu of a legal opinion regarding whether the New Equity Interests to be issued under the Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding anything to the contrary in the Plan, no Entity (including DTC and any transfer agent for the New Equity Interests) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Equity Interests to be issued under the Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

The offering, issuance, and distribution of New Equity Interests (other than any New Equity Interests underlying the Management Incentive Plan but including any CVRs to the extent the CVRs are deemed to be securities) pursuant to or in connection with the Plan to persons in Canada will be exempt from the prospectus and registration requirements of applicable Canadian Securities Laws pursuant to Section 2.11 of National Instrument 45-106 “*Prospectus Exemptions*”. New Equity Interests (including New Equity Interests distributed outside of Canada) will not be freely tradable in Canada and may only be resold to persons in Canada: (a) pursuant to an available exemption from the prospectus and registration requirements of Canadian Securities Laws; (b) pursuant to a final prospectus qualified under applicable Canadian Securities Laws; or (c) if each of the following conditions are satisfied: (i) the issuer of the New Equity Interests has been a reporting issuer in a jurisdiction of Canada of the four months immediately preceding the trade; (ii) the trade is not a “control distribution” within the meaning of Canadian Securities Laws; (iii) no unusual effort is made to prepare the market or create a demand for the security that is the subject of the trade; and (iv) no extraordinary commission or consideration is paid to a person or company in respect of the trade. “Canadian Securities Laws” means, as applicable, the securities laws, regulations, rules, rulings and orders in each of the Provinces and Territories of Canada, and the applicable policy statements, notices, blanket rulings, orders and all other regulatory instruments of the securities regulators

in each of such jurisdictions. THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISORS WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER CANADIAN SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS.

N. Section 1146 Exemption

To the fullest extent permitted by Bankruptcy Code section 1146(a), any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Plan or pursuant to: (1) the issuance, reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Reorganized Debtors; (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for any or all of the Exit Facility; or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Combined Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of Bankruptcy Code section 1146(c), shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

O. Employment Obligations

Unless otherwise provided in the Plan, and subject to Article V of the Plan, all employee wages, compensation, and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Reorganized Debtors and shall remain in place as of the Effective Date, and the Reorganized Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to Bankruptcy Code section 1129(a)(13), as of the Effective Date, all retiree benefits (as such term is defined in Bankruptcy Code section 1114), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Reorganized Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Reorganized Debtors and such employee.

P. Management Incentive Plan

On the Effective Date, the New Board shall be authorized to adopt and implement (a) the Management Incentive Plan, which will be on the terms and conditions (including any and all awards granted thereunder) determined by the New Board (including, without limitation, with respect to participants, allocations, duration, timing, and the form and structure of the equity and compensation thereunder) and (b) such other incentive plans as may be agreed to by the New Board.

Q. DTC Eligibility

The Debtors and the Reorganized Debtors, as applicable, shall use commercially reasonable efforts to promptly make the New Equity Interests, the New Warrants, and CVRs eligible for deposit with DTC.

R. Closing the Chapter 11 Cases

Upon the occurrence of the Effective Date, the Reorganized Debtors shall be permitted to close all of the Chapter 11 Cases except for one of the Chapter 11 Cases as determined by the Reorganized Debtors, and all contested matters relating to each of the Debtors, including objections to Claims, shall be administered and heard in such Chapter 11 Case. Following entry of the Combined Order, CURO shall seek an order of the Canadian Court permitting the discharge of the Information Officer and termination of the Canadian Recognition Proceeding upon written notice from CURO to the Information Officer that the Effective Date has occurred and the Information Officer's delivery to the CURO of a termination certificate.

VII. OTHER KEY ASPECTS OF THE PLAN**A. Treatment of Executory Contracts and Unexpired Leases****1. Assumption of Executory Contracts and Unexpired Leases**

Each Executory Contract and Unexpired Lease shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under Bankruptcy Code section 365, unless such Executory Contract and Unexpired Lease: (1) was assumed or rejected previously by the Debtors; (2) previously expired or terminated pursuant to its own terms; (3) is the subject of a motion to reject Filed on or before the Effective Date; or (4) is identified on the Rejected Executory Contract and Unexpired Lease List. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Combined Order will constitute an order of the Bankruptcy Court approving the above-described assumptions and assignments.

Except as otherwise provided in the Plan or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

2. Indemnification Obligations

The Debtors, and upon the Effective Date, the Reorganized Debtors, shall assume all of the Indemnification Obligations in place on and before the Effective Date for Indemnified Parties for Claims related to or arising out of any actions, omissions or transactions occurring before the Effective Date.

3. Assumption of the D&O Liability Insurance Policies

The Debtors, and upon the Effective Date, the Reorganized Debtors, shall assume all of the D&O Liability Insurance Policies pursuant to Bankruptcy Code section 365(a). Unless previously effectuated by separate order entered by the Bankruptcy Court, entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of each of the D&O Liability Insurance

Policies and authorization for the Debtors to take such actions, and to execute and deliver such documents, as may be reasonably necessary or appropriate to implement, maintain, cause the binding of, satisfy any terms or conditions of, or otherwise secure for the insureds the benefits of the D&O Liability Insurance Policies.

In addition and for the avoidance of doubt, after the Effective Date, none of the Company Parties shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies covering the Debtors' current boards of directors in effect on or after the Petition Date and, subject to the terms of the applicable D&O Liability Insurance Policies, all directors and officers of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

4. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Entry of the Combined Order shall constitute a Bankruptcy Court order approving the rejections, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan or the Rejected Executory Contract and Unexpired Lease List, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Combined Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Combined Order and served on the Reorganized Debtors no later than thirty (30) days after the effective date of such rejection. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Claims and Noticing Agent within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property, without the need for any objection by the Debtors or Reorganized Debtors, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary. All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to Bankruptcy Code section 365 shall be treated as a General Unsecured Claim pursuant to Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules. Notwithstanding anything to the contrary in the Plan, the Debtors, or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contract and Unexpired Lease List at any time through and including thirty days after the Effective Date.

5. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

The Debtors or the Reorganized Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the amounts paid or proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty must be Filed with the Bankruptcy Court on or before thirty (30) days after the Effective Date. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of the Cure; *provided* that nothing in the Plan shall prevent the Reorganized Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Reorganized Debtors also may settle any Cure without any further

notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before 30 days after the Effective Date. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' or Reorganized Debtors', as applicable, first scheduled omnibus hearing, or such other setting as requested by the Debtors or Reorganized Debtors, for which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of Bankruptcy Code section 365, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable Cure pursuant to Article V.E of the Plan shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, and for which any Cure has been fully paid pursuant to Article V.E of the Plan, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

6. Insurance Policies

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims and (2) such insurance policies and any agreements, documents, or instruments relating thereto shall revert in the Reorganized Debtors.

7. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Reorganized Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

8. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to Bankruptcy Code section 365(d)(4).

9. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or the Reorganized Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Combined Order.

B. Provisions Governing Distributions

1. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

2. Disbursing Agent

All distributions under the Plan shall be made by the Disbursing Agent on the Effective Date. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

3. Rights and Powers of Disbursing Agent

a. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated by the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

b. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any

reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

4. Delivery of Distributions and Undeliverable or Unclaimed Distributions

a. Delivery of Distributions in General

Except as otherwise provided in the Plan, the Disbursing Agent shall make distributions to Holders of Allowed Claims as of the Effective Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records (or the records of the DIP Agent and the Prepetition 1L Agent with respect to the DIP Claims and Prepetition 1L Term Loan Claims); (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; (d) with respect to Securities held through DTC, in accordance with the applicable procedures of DTC; or (e) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

b. Minimum Distributions

No fractional shares of New Equity Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

Except with respect to the ordinary course payment in Cash of interest arising under the Prepetition 1.5L Notes Indenture or the Prepetition 2L Notes Indenture, none of the Reorganized Debtors or the Disbursing Agent shall have any obligation to make a Cash distribution that is less than two hundred and fifty dollars (\$250) to any Holder of an Allowed Claim.

c. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property shall be discharged and forever barred.

5. Manner of Payment

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

6. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

7. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

8. No Postpetition Interest on Claims

Unless otherwise specifically provided for in the Plan or the Combined Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

9. Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

10. Setoffs and Recoupment

Except as expressly provided in the Plan, each Reorganized Debtor may, pursuant to Bankruptcy Code section 553, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and Holder of Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date,

notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

11. Claims Paid or Payable by Third Parties

a. Claims Paid by Third Parties

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within 14 days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the 14-day grace period specified above until the amount is fully repaid.

b. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

c. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained in the Plan (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

C. Procedures for Resolving Contingent, Unliquidated, and Disputed Claims

1. Disputed Claims Process

a. No Filing of Proofs of Claim or Interest

Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be required to File a Proof of Claim or proof of interest, and no parties should File a Proof of Claim or proof of interest. All Filed Proofs of Claims shall be deemed objected to and Disputed without further action by the Debtors or Reorganized Debtors; *provided, however*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim or Interest that is entitled, or deemed to be entitled, to a distribution under the Plan or is rendered Unimpaired under the Plan. Instead, the Debtors intend to make distributions,

as required by the Plan, in accordance with the books and records of the Debtors. For the avoidance of doubt, the Plan does not intend to impair or otherwise impact the rights of Holders of General Unsecured Claims or the Debtors' customers.

If any such Holder of a Claim or an Interest disagrees with the Debtors' books and records with respect to the Allowed amount of such Holder's Claim or Interest, such Holder must so advise the Debtors in writing within 30 days of receipt of any distribution on account of such Holder's Claim or Interest, in which event the Claim or Interest shall become a Disputed Claim or a Disputed Interest. The Reorganized Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the jurisdiction of the Bankruptcy Court.

Nevertheless, the Reorganized Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection to the allowance of any Claim or Interest or any other appropriate motion or adversary proceeding with respect thereto. All such objections shall be litigated to Final Order; *provided, however*, that the Reorganized Debtors may compromise, settle, withdraw or resolve by any other method approved by the Bankruptcy Court any objections to Claims or Interests.

Except as otherwise provided herein, all Proofs of Claim Filed before or after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

b. Claims Estimation

Any Debtor or Reorganized Debtor, as applicable, may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Bankruptcy Code section 502(c), regardless of whether such Debtor has previously objected to such Claim or whether the Bankruptcy Court has ruled on any objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal related to any such objection. Notwithstanding any provision otherwise in the Plan, a Claim against any Debtor that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or the Reorganized Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned objection, estimation, and resolution procedures are cumulative and are not necessarily exclusive of one another. Claims may be estimated and thereafter resolved by any permitted mechanism.

2. Allowance of Claims and Interests

Except as expressly provided herein or any order entered in the Chapter 11 Cases on or before the Effective Date (including the Combined Order), no Claim or Interest shall be deemed Allowed unless and until such Claim or Interest is deemed Allowed under the Bankruptcy Code or under the Plan, or the Bankruptcy Court enters a Final Order in the Chapter 11 Cases allowing such Claim under Bankruptcy Code section 502. Except as expressly provided in any order entered in the Chapter 11 Cases on or before the Effective Date (including the Combined Order), the Reorganized Debtors after Confirmation shall have and retain any and all rights and defenses the Debtors had with respect to any Claim or Interest as of the Petition Date.

3. Claims Administration Responsibilities

From and after the Effective Date, the Reorganized Debtors shall have the exclusive authority to File, settle, compromise, withdraw or litigate to judgment any objections to Claims or Interests as permitted under the Plan. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim or Disputed Equity Interest without approval of the Bankruptcy Court. The Reorganized Debtors shall administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors also reserve the right to resolve any Disputed Claim or Disputed Equity Interest in an appropriate forum outside the jurisdiction of the Bankruptcy Court under applicable governing law.

4. Adjustment to Claims or Interests without Objection

Any duplicate Claim or Interest, any Claim that is substantiated by an invoice that is invalid, previously rejected, or otherwise deemed erroneous by the Debtors, any Claim asserted solely on the basis of an Equity Interest (other than a 510(b) Claim), or any Claim or Interest that has been paid, satisfied, amended, or superseded, may be adjusted on the Claims Register by the Reorganized Debtors without filing a claim objection and without any further notice or action by the Reorganized Debtors or any order or approval of the Bankruptcy Court.

5. Disallowance of Claims or Interests

All Claims and Interests of any Entity from which property is sought by the Debtors under Bankruptcy Code sections 542, 543, 550, or 553 or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under Bankruptcy Code sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned Bankruptcy Code sections; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

D. Conditions Precedent to Confirmation and Consummation of the Plan

1. Conditions Precedent to Confirmation

It shall be a condition to Confirmation of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.C of the Plan:

7. the Definitive Documents shall (i) be consistent with the RSA and otherwise approved by the applicable parties thereto consistent with their respective consent and approval rights as set forth in the RSA, (ii) have been executed or deemed executed and delivered by each party thereto, and any conditions precedent related thereto shall have been satisfied or waived by the applicable party or parties, and (iii) shall be adopted on terms consistent with the RSA;
8. all authorizations, consents, regulatory approvals, rulings, actions, documents, and agreements necessary to implement and consummate the Plan and the Restructuring Transactions shall have been obtained, effected, and executed, and all waiting periods imposed by any governmental entity shall have terminated or expired;
9. the Exit Facility Documents shall have been executed and delivered by each party thereto, and each of the conditions precedent related thereto shall have been satisfied or waived (with the consent of the Required Consenting Stakeholders), other than such conditions that relate to the effectiveness of the Plan and related transactions, including payment of fees and expenses;
10. the New Equity Interests shall have been issued;
11. Reorganized CURO shall have entered into the New Warrant Agreement and the New Warrants shall have been issued;
12. Reorganized CURO shall have entered into the CVR Agreement with the CVR Agent and, to the extent applicable, shall have commenced the CVR Distribution Framework;

13. all steps necessary to consummate the Restructuring Transactions as set forth in the Description of Transaction Steps shall have been effected;
14. all Restructuring Expenses shall have been paid in full;
15. the Debtors and each other party thereto shall have entered into Securitization Facilities Amendments with respect to each Securitization Facility in form and substance satisfactory to the Required Consenting Stakeholders and the Securitization Facilities Amendments shall not have been amended, supplemented, otherwise modified, or terminated (other than in accordance with the terms thereof during the Chapter 11 Cases to the extent agreed to by the Required Consenting Stakeholders), and shall be in full force and effect immediately upon the Effective Date;
16. each of the conditions precedent to the effectiveness of the Securitization Facilities Amendments after the Effective Date (other than the occurrence of the Effective Date of this Plan) shall have been satisfied or waived in accordance with the terms of the Securitization Facilities Amendments;
17. the Debtors and each other party thereto shall have entered into all the Private Placement Notes Amendment and the Private Placement Notes Amendment shall not have been amended, supplemented, otherwise modified or terminated (other than in accordance with the terms thereof during the Chapter 11 Cases to the extent agreed to by the Required Consenting Stakeholders) and shall be in full force and effect; and
18. no court of competent jurisdiction or other competent governmental or regulatory authority shall have issued a final and non-appealable order making illegal or otherwise restricting, preventing, or prohibiting the consummation of the Restructuring Transactions, the RSA, or any of the Definitive Documents contemplated hereby.

3. Waiver of Conditions

The conditions precedent to Confirmation of the Plan and to the Effective Date set forth in Article IX of the Plan may be waived in whole or in part at any time by the Debtors only with the prior written consent of the Required Consenting Stakeholders (email shall suffice), without notice, leave, or order of the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Plan.

4. Effect of Failure of Conditions

If Consummation does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims by the Debtors, Claims, or Interests; (2) prejudice in any manner the rights of the Debtors, any Holders of Claims or Interests, or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders of Claims or Interests, or any other Entity, respectively; *provided* that all provisions of the RSA that survive termination thereof shall remain in effect in accordance with the terms thereof.

5. Substantial Consummation

“Substantial Consummation” of the Plan, as defined in Bankruptcy Code section 1101(2), shall be deemed to occur on the Effective Date.

E. Modification, Revocation, or Withdrawal of the Plan

1. Modification and Amendments

Except as otherwise specifically provided in the Plan and to the extent permitted by the RSA, the Debtors reserve the right to amend or modify the Plan, whether such amendment or modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such amended or modified Plan. Subject to those restrictions on modifications set forth in the Plan and the RSA, and the requirements of Bankruptcy Code section 1127, Rule 3019 of the Federal Rules of Bankruptcy Procedure, and, to the extent applicable, Bankruptcy Code sections 1122, 1123, and 1125, each of the Debtors expressly reserves its respective rights to revoke or withdraw, or, to alter, amend, or modify the Plan with respect to such Debtor, one or more times, after Confirmation, and, to the extent necessary may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Combined Order, in such matters as may be necessary to carry out the purposes and intent of the Plan. Notwithstanding anything to the contrary herein, the Debtors shall not amend or modify the Plan in a manner inconsistent with the RSA or the consent rights (if any) set forth in the DIP Facility Documents.

2. Effect of Confirmation on Modifications

Entry of a Combined Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to Bankruptcy Code section 1127(a) and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

3. Revocation or Withdrawal of Plan

To the extent permitted by the RSA (including the consent, approval, and consultation rights set forth therein), the Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date and to File subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected under the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such Debtor or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor or any other Entity.

VIII. RISK FACTORS

BEFORE TAKING ANY ACTION WITH RESPECT TO THE PLAN, HOLDERS OF CLAIMS AGAINST AND/OR INTERESTS IN THE DEBTORS WHO ARE ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN SHOULD READ AND CONSIDER CAREFULLY THE RISK FACTORS SET FORTH BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT, THE PLAN, AND THE DOCUMENTS DELIVERED TOGETHER HEREWITH, REFERRED TO, OR INCORPORATED BY REFERENCE INTO THIS DISCLOSURE STATEMENT, INCLUDING OTHER DOCUMENTS

FILED WITH THE BANKRUPTCY COURT IN THE CHAPTER 11 CASES. THE RISK FACTORS SHOULD NOT BE REGARDED AS CONSTITUTING THE ONLY RISKS PRESENT IN CONNECTION WITH THE DEBTORS' BUSINESSES OR THE RESTRUCTURING AND CONSUMMATION OF THE PLAN. EACH OF THE RISK FACTORS DISCUSSED IN THIS DISCLOSURE STATEMENT MAY APPLY EQUALLY TO THE DEBTORS AND THE REORGANIZED DEBTORS, AS APPLICABLE AND AS CONTEXT REQUIRES.

A. Bankruptcy Law Considerations

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to Holders of Allowed Claims under the Plan but will not necessarily affect the validity of the vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Impaired Classes.

1. The Debtors Will Consider All Available Restructuring Alternatives if the Restructuring Transactions are Not Implemented, and Such Alternatives May Result in Lower Recoveries for Holders of Claims Against and Interests in the Debtors

If the Restructuring Transactions are not implemented, the Debtors will consider all available restructuring alternatives, including filing an alternative chapter 11 plan, converting to a chapter 7 plan, commencing section 363 sales of the Debtors' assets and any other transaction that would maximize the value of the Debtors' estates. The terms of any alternative restructuring proposal may be less favorable to Holders of Claims against and Interests in the Debtors than the terms of the Plan as described in this Disclosure Statement.

Any material delay in the confirmation of the Plan, the Chapter 11 Cases, or the threat of rejection of the Plan by the Bankruptcy Court, would add substantial expense and uncertainty to the process.

The uncertainty surrounding a prolonged restructuring would have other adverse effects on the Debtors. For example, it would adversely affect:

- the Debtors' ability to raise additional capital;
- the Debtors' liquidity including its ability to access financing under the Securitization Facilities;
- how the Debtors' business is viewed by regulators, investors, lenders (including the lenders under the Securitization Facilities), and credit ratings agencies;
- the Debtors' enterprise value; and
- the Debtors' business relationship with customers and vendors.

2. Parties in Interest May Object to the Plan's Classification of Claims and Interests

Bankruptcy Code section 1122 provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

3. The Bankruptcy Court May Not Approve the Debtors' Use of Cash Collateral, the DIP Facility

Upon commencing the Chapter 11 Cases, the Debtors will ask the Bankruptcy Court to authorize the Debtors to enter into postpetition financing arrangements and use cash collateral to fund the Chapter 11 Cases and to provide customary adequate protection to the Prepetition 1L Lenders, Prepetition 1.5L Noteholders and Prepetition 2L Noteholders. Such access to postpetition financing and cash collateral will provide liquidity during the pendency of the Chapter 11 Cases. There can be no assurance that the Bankruptcy Court will approve the debtor-in-possession financing and/or such use of cash collateral on the terms requested. Moreover, if the Chapter 11 Cases take longer than expected to conclude, the Debtors may exhaust their available cash collateral and postpetition financing. There is no assurance that the Debtors will be able to obtain an extension of the right to obtain further postpetition financing and/or use cash collateral, in which case, the liquidity necessary for the orderly functioning of the Debtors' businesses may be impaired materially.

4. The Terms of the DIP Facility Documents Are Subject to Change Based on Negotiation and the Approval of the Bankruptcy Court

The terms of the DIP Facility Documents have not been finalized and are subject to change based on negotiations between the Debtors and the DIP Lenders. As a result, the final terms of the DIP Facility Documents may differ from the terms set forth in the DIP Term Loan Term Sheet attached as Exhibit C to the RSA.

5. The Bankruptcy Court and the Canadian Court May Not Approve the Debtors' Continued Utilization of the Securitization Program

On the Petition Date, the Debtors will also seek Bankruptcy Court's approval of the continued utilization of the Securitization Program and an order of the Canadian Court recognizing and enforcing such order in Canada. There can be no assurance that the Bankruptcy Court will approve the Securitization Program Motion or grant the lenders under the Securitization Facilities the protection that they require to continue advancing funds to the Debtors, or that the Canadian Court will enter the requested Canadian Recognition Order in Canada, among other things, recognizing the Bankruptcy Court order in respect of the Securitization Facilities. The Debtors rely on the liquidity from the Securitization Facilities for continued ordinary course operations.

6. The RSA May Be Terminated

As more fully set forth in the RSA, the RSA may be terminated upon the occurrence of certain events, including, among others, the Debtors' failure to meet specified milestones relating to the filing, confirmation, and consummation of the Plan, and breaches by the Debtors and/or the Consenting Stakeholders of their respective obligations under the documents. In the event that the RSA is terminated, the Debtors may seek a non-consensual restructuring alternative, including a potential liquidation of their assets.

7. The Conditions Precedent to the Effective Date of the Plan May Not Occur

As more fully set forth in Article IX of the Plan, the Confirmation and Effective Date of the Plan are subject to a number of conditions precedent. If such conditions precedent are not waived or not met, the Confirmation and Effective Date of the Plan will not take place. In the event that the Effective Date does not occur, the Debtors may seek Confirmation of a new plan. If the Debtors do not secure sufficient working capital to continue their operations or if the new plan is not confirmed, however, the Debtors may

be forced to sell all of a portion of their assets pursuant to Bankruptcy Code section 363 or convert the Chapter 11 Cases to a chapter 7 and liquidate their assets.

8. Necessary Governmental Approvals May Not be Granted

Consummation of the Restructuring Transactions may depend on approvals required by a Governmental Unit. Failure by any Governmental Unit to grant a necessary approval could prevent Consummation of the Restructuring Transactions and Confirmation of the Plan.

9. The Debtors May Fail to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may need to seek to confirm an alternative chapter 11 plan or transaction, subject to the terms of the RSA. There can be no assurance that the terms of any such alternative chapter 11 plan or other transaction would be similar or as favorable to the Holders of Interests and Allowed Claims as those proposed in the Plan and the Debtors do not believe that any such transaction exists or is likely to exist that would be more beneficial to the Estates than the Plan.

10. The Debtors May Not Be Able to Secure Confirmation of the Plan

Bankruptcy Code section 1129 sets forth the requirements for confirmation of a chapter 11 plan, and requires, among other things, a finding by the Bankruptcy Court that: (a) such plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting classes; (b) confirmation of such plan is not likely to be followed by a liquidation or a need for further financial reorganization unless such liquidation or reorganization is contemplated by the plan; and (c) the value of distributions to non-accepting holders of claims or equity interests within a particular class under such plan will not be less than the value of distributions such holders would receive if the debtors were liquidated under chapter 7 of the Bankruptcy Code.

There can be no assurance that the requisite acceptances to confirm the Plan will be received. Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting Holder of an Allowed Claim might challenge either the adequacy of this Disclosure Statement or whether the balloting procedures and voting results satisfy the requirements of the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that this Disclosure Statement, the balloting procedures, and voting results are appropriate, the Bankruptcy Court could still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation are not met. If a chapter 11 plan of reorganization is not confirmed by the Bankruptcy Court, it is unclear whether the Debtors will be able to reorganize their business and what, if anything, Holders of Interests and Allowed Claims against them would ultimately receive.

The Debtors, subject to the terms and conditions of the Plan and the RSA, reserve the right to modify the terms and conditions of the Plan as necessary for Confirmation. Any such modifications could result in less favorable treatment of any non-accepting class of Claims or Interests, as well as any class junior to such non-accepting class, than the treatment currently provided in the Plan. Such a less favorable treatment could include a distribution of property with a lesser value than currently provided in the Plan or no distribution whatsoever under the Plan.

11. The Debtors May Not Be Able to Secure Nonconsensual Confirmation Over Certain Impaired Non-Accepting Classes

In the event that any Impaired Class of Claims or Interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents' request if at least one Impaired Class (as defined under Bankruptcy Code section 1124) has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and, as to each Impaired Class that has not accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting Impaired Class(es). The Debtors believe that the Plan satisfies these requirements, and the Debtors may request such nonconsensual Confirmation in accordance with Bankruptcy Code section 1129(b). Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual Confirmation or Consummation of the Plan may result in, among other things, increased expenses relating to professional compensation.

12. Even if the Restructuring Transactions are Successful, the Debtors Will Face Continued Risk Upon Confirmation

Even if the Plan is consummated, the Debtors will continue to face a number of risks, including certain risks that are beyond their control, such as further deterioration or other changes in economic conditions, changes in the industry, potential revaluing of their assets due to chapter 11 proceedings, changes in demand for the Debtors' services, and increasing expenses. See Article VIII.C of this Disclosure Statement, entitled "Risks Related to the Debtors' and the Reorganized Debtors' Businesses." Some of these concerns and effects typically become more acute when a case under the Bankruptcy Code continues for a protracted period without indication of how or when the case may be completed. As a result of these risks and others, there is no guarantee that a chapter 11 plan of reorganization reflecting the Plan will achieve the Debtors' stated goals.

In addition, at the outset of the Chapter 11 Cases, the Bankruptcy Code provides the Debtors with the exclusive right to propose the Plan and prohibits creditors and others from proposing a plan. The Debtors will have retained the exclusive right to propose the Plan upon filing their Petitions. If the Bankruptcy Court terminates that right, however, or the exclusivity period expires, there could be a material adverse effect on the Debtors' ability to achieve confirmation of the Plan in order to achieve the Debtors' stated goals.

Furthermore, even if the Debtors' debts are reduced and/or discharged through the Plan, the Debtors may need to raise additional funds through public or private debt or equity financing or other various means to fund the Debtors' businesses after the completion of the proceedings related to the Chapter 11 Cases. Adequate funds may not be available when needed or may not be available on favorable terms.

13. The Bankruptcy Court May Find the Solicitation of Acceptances Inadequate

Usually, votes to accept or reject a plan of reorganization are solicited after the filing of a petition commencing a chapter 11 case. Nevertheless, a debtor may solicit votes prior to the commencement of a chapter 11 case in accordance with Bankruptcy Code sections 1125(g) and 1126(b) and Bankruptcy Rule 3018(b). Bankruptcy Code sections 1125(g) and 1126(b) and Bankruptcy Rule 3018(b) require that:

- solicitation comply with applicable nonbankruptcy law;
- the plan of reorganization be transmitted to substantially all creditors and other interest holders entitled to vote; and

- the time prescribed for voting is not unreasonably short.

In addition, Bankruptcy Rule 3018(b) provides that a holder of a claim or interest who has accepted or rejected a plan before the commencement of the case under the Bankruptcy Code will not be deemed to have accepted or rejected the plan if the court finds after notice and a hearing that the plan was not transmitted in accordance with reasonable solicitation procedures. Bankruptcy Code section 1126(b) provides that a holder of a claim or interest that has accepted or rejected a plan before the commencement of a case under the Bankruptcy Code is deemed to have accepted or rejected the plan if (i) the solicitation of such acceptance or rejection was in compliance with applicable nonbankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation or (ii) there is no such law, rule, or regulation, and such acceptance or rejection was solicited after disclosure to such holder of adequate information (as defined by Bankruptcy Code section 1125(a)). While the Debtors believe that the requirements of Bankruptcy Code sections 1125(g) and 1126(b) and Bankruptcy Rule 3018(b) will be met, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

14. The Chapter 11 Cases May Be Converted to Cases under Chapter 7 of the Bankruptcy Code

If the Bankruptcy Court finds that it would be in the best interest of creditors and/or the debtor in a chapter 11 case, the Bankruptcy Court may convert a chapter 11 bankruptcy case to a case under chapter 7 of the Bankruptcy Code. In such event, a chapter 7 trustee would be appointed or elected to liquidate the debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. The Debtors believe that liquidation under chapter 7 would result in significantly smaller distributions being made to creditors than those provided for in a chapter 11 plan because of (a) the likelihood that the assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time, rather than reorganizing or selling the business as a going concern at a later time in a controlled manner, (b) additional administrative expenses involved in the appointment of a chapter 7 trustee, and (c) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation, including Claims resulting from the rejection of Unexpired Leases and other Executory Contracts in connection with cessation of operations.

15. The Debtors May Object to the Amount or Classification of a Claim

Except as otherwise provided in the Plan, the Debtors reserve the right to object to the amount or classification of any Claim under the Plan, subject to the terms of the RSA. The estimates set forth in this Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is subject to an objection. Any Holder of a Claim that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

16. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover,

the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

17. Releases, Injunctions, and Exculpations Provisions May Not Be Approved

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases that may otherwise be asserted against the Debtors, Reorganized Debtors, or Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

The releases provided to the Released Parties and the exculpation provided to the Exculpated Parties is necessary to the success of the Debtors' reorganization because the Released Parties and Exculpated Parties have made significant contributions to the Debtors' reorganizational efforts and have agreed to make further contributions, but only if they receive the full benefit of the Plan's release and exculpation provisions. The Plan's release and exculpation provisions are an inextricable component of the RSA and Plan and the significant deleveraging and financial benefits that they embody.

B. Risks Related to Recoveries Under the Plan

1. The Reorganized Debtors May Not Be Able to Achieve Their Projected Financial Results

The Reorganized Debtors may not be able to achieve their projected financial results. The Financial Projections set forth in this Disclosure Statement represent the Debtors' management team's best estimate of the Debtors' future financial performance, which is necessarily based on certain assumptions regarding the anticipated future performance of the Reorganized Debtors' operations, as well as the United States, Canada, and world economies in general, and the industry segments in which the Debtors operate in particular. While the Debtors believe that the Financial Projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized. If the Debtors do not achieve their projected financial results, the value of the New Equity Interests may be negatively affected and the Debtors may lack sufficient liquidity to continue operating as planned after the Effective Date. Moreover, the financial condition and results of operations of the Reorganized Debtors from and after the Effective Date may not be comparable to the financial condition or results of operations reflected in the Debtors' historical financial statements.

2. Estimated Valuations of the Debtors, the Exit Facility, and the New Equity Interests, and Estimated Recoveries to Holders of Allowed Claims and Interests Are Not Intended to Represent Potential Market Values

The Debtors' estimated recoveries to Holders of Allowed Claims and Allowed Interests are not intended to represent the market value of the Debtors' Securities. The estimated recoveries are based on numerous assumptions (the realization of many of which will be beyond the control of the Debtors), including: (a) the successful reorganization of the Debtors; (b) an assumed date for the occurrence of the Effective Date; (c) the Debtors' ability to achieve the operating and financial results included in the Financial Projections; (d) the Debtors' ability to maintain adequate liquidity to fund operations; (e) the assumption that capital and equity markets remain consistent with current conditions; and (f) the Debtors' ability to maintain critical existing customer relationships, including customer relationships with key customers.

3. The Terms of the Governance Documents Are Subject to Change Based on Negotiation and the Approval of the Bankruptcy Court

The terms of the Governance Documents are subject to change based on negotiations between the Debtors and the Consenting Stakeholders. Holders of Claims that are not the Consenting Stakeholders will not participate in these negotiations and the results of such negotiations may affect the rights of equity holders in Reorganized CURO following the Effective Date.

4. A Small Number of Holders or Voting Blocks May Control the Reorganized Debtors

Consummation of the Plan may result in a small number of holders owning a significant percentage of the outstanding New Equity Interests in the Reorganized Debtors. These holders may, among other things, exercise a controlling influence over the business and affairs of the Reorganized Debtors and have the power to elect directors or managers and approve significant mergers and other material corporate transactions.

5. The New Equity Interests are an Equity Interest and Therefore Subordinated to the Indebtedness of the Reorganized Debtors

In any liquidation, dissolution, or winding up of the Reorganized Debtors, the New Equity Interests would rank junior to all debt claims against the Reorganized Debtors. As a result, holders of New Equity Interests will not be entitled to receive any payment or other distribution of assets upon the liquidation, dissolution, or winding up of the Reorganized Debtors until all of the Reorganized Debtors' obligations to their debt holders have been satisfied.

6. The Payment of Dividends, if Any, With Respect to the New Equity Interests Will Be at the Discretion of the Boards of Directors or Managers of the Reorganized Debtors

Any future determination by the Reorganized Debtors to pay dividends with respect to any of the New Equity Interests will be at the discretion of the New Board and will be dependent on then-existing conditions, including the financial condition, results of operations, capital requirements, contractual restrictions, business prospects, and other factors that the board of directors or managers of the Reorganized Debtors considers relevant. As a result, the trading price of the New Equity Interests could be materially and adversely affected.

7. The New Equity Interests are Subject to Dilution

The ownership percentage represented by the New Equity Interests distributed on the Effective Date under the Plan will be subject to dilution from the New Equity Interests issued in connection with the warrants, or other securities that may be issued post-emergence, including pursuant to the Management Incentive Plan.

8. The Terms of the Exit Facility Documents Are Subject to Change Based on Negotiation and the Approval of the Bankruptcy Court

The terms of the Exit Facility Documents have not been finalized and are subject to change based on negotiations between the Debtors and the Consenting Stakeholders. Holders of Claims that are not the Consenting Stakeholders will not participate in these negotiations, and the results of such negotiations may affect the rights of the holders of the New Equity Interests following the Effective Date. As a result, the final terms of the Exit Facility Documents may be less favorable to Holders of Claims and Interests than as described herein and in the Plan.

9. A Decline in the Reorganized Debtors' Credit Ratings Could Negatively Affect the Debtors' Ability to Refinance Their Debt

The Debtors' or the Reorganized Debtors' credit ratings could be lowered, suspended, or withdrawn entirely, at any time, by the rating agencies, if, in each rating agency's judgment, circumstances warrant, including as a result of exposure to the credit risk and the business and financial condition of the Debtors or the Reorganized Debtors, as applicable. Downgrades in the Reorganized Debtors' long-term debt ratings may make it more difficult to refinance their debt and increase the cost of any debt that they may incur in the future.

10. Certain Tax Implications of the Plan May Increase the Tax Liability of the Reorganized Debtors

Holders of Allowed Claims should carefully review Article XII of this Disclosure Statement, entitled "Certain United States Federal Income Tax Consequences of the Plan," to determine how the tax implications of the Plan and the Chapter 11 Cases may adversely affect the Reorganized Debtors and Holders of certain Claims.

C. Risks Related to the Debtors' and the Reorganized Debtors' Businesses

1. The Reorganized Debtors May Not Be Able to Generate Sufficient Cash to Service All of Their Indebtedness

The Reorganized Debtors' ability to make scheduled payments on, or refinance their debt obligations, depends on the Reorganized Debtors' financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors' control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Reorganized Debtors to pay the principal, premium, if any, and interest on their indebtedness, including, without limitation, potential borrowings under the Exit Facility and upon emergence.

2. The Debtors Will Be Subject to the Risks and Uncertainties Associated with the Chapter 11 Cases and the Canadian Recognition Proceeding

For the duration of the Chapter 11 Cases, the Debtors' ability to operate, develop, and execute a business plan, and continue as a going concern, will be subject to the risks and uncertainties associated with bankruptcy. These risks include the following: (a) ability to develop, confirm, and consummate the Restructuring Transactions specified in the Plan; (b) ability to obtain Bankruptcy Court approval with respect to motions Filed in the Chapter 11 Cases and applicable order of the Canadian Court in the Canadian Recognition Proceeding from time to time; (c) ability to maintain relationships with suppliers, vendors, service providers, customers, employees, and other third parties; (d) ability to maintain contracts that are critical to the Debtors' operations; (e) ability of third parties to seek and obtain Bankruptcy Court approval to terminate contracts and other agreements with the Debtors; (f) ability of third parties to seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm a chapter 11 plan, to appoint a chapter 11 trustee, or to convert the Chapter 11 Cases to chapter 7 proceedings; (g) the actions and decisions of the Debtors' creditors and other third parties who have interests in the Chapter 11 Cases that may be inconsistent with the Debtors' plans, and (h) the Canadian stakeholders' compliance with the automatic stay or other orders of the Bankruptcy Court if not recognized and enforced by the Canadian Court in the Canadian Recognition Proceeding.

These risks and uncertainties could affect the Debtors' businesses and operations in various ways. For example, negative events associated with the Chapter 11 Cases could adversely affect the Debtors'

relationships with suppliers, service providers, customers, employees, and other third parties, which in turn could adversely affect the Debtors' operations and financial condition. Also, the Debtors will need the prior approval of the Bankruptcy Court for transactions outside the ordinary course of business, which may limit the Debtors' ability to respond timely to certain events or take advantage of certain opportunities. Because of the risks and uncertainties associated with the Chapter 11 Cases, the Debtors cannot accurately predict or quantify the ultimate impact of events that occur during the Chapter 11 Cases that may be inconsistent with the Debtors' plans.

3. Operating in Bankruptcy for a Long Period of Time May Harm the Debtors' Businesses

The Debtors' future results will be dependent upon the successful confirmation and implementation of a plan of reorganization. A long period of operations under Bankruptcy Court protection could have a material adverse effect on the Debtors' businesses, financial condition, results of operations, and liquidity. So long as the proceedings related to the Chapter 11 Cases continue, senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations. A prolonged period of operating under Bankruptcy Court protection also may make it more difficult to retain management and other key personnel necessary to the success and growth of the Debtors' businesses. In addition, the longer the proceedings related to the Chapter 11 Cases continue, the more likely it is that customers and suppliers will lose confidence in the Debtors' ability to reorganize their businesses successfully and will seek to establish alternative commercial relationships.

So long as the proceedings related to the Chapter 11 Cases continue, the Debtors will be required to incur substantial costs for professional fees and other expenses associated with the administration of the Chapter 11 Cases. The chapter 11 proceedings also require the Debtors to seek debtor-in-possession financing to fund operations. If the Debtors are unable to obtain final approval of such financing on favorable terms or at all, or if the Debtors are unable to fully draw on the availability under the DIP Facility, the chances of successfully reorganizing the Debtors' businesses may be seriously jeopardized, the likelihood that the Debtors will instead be required to liquidate or sell their assets may be increased, and, as a result, creditor recoveries may be significantly impaired.

Furthermore, the Debtors cannot predict the ultimate amount of all settlement terms for the liabilities that will be subject to a plan of reorganization. Even after a plan of reorganization is approved and implemented, the Reorganized Debtors' operating results may be adversely affected by the possible reluctance of prospective lenders and other counterparties to do business with a company that recently emerged from bankruptcy protection.

4. Financial Results May Be Volatile and May Not Reflect Historical Trends

The Financial Projections attached hereto as Exhibit C are based on assumptions that are an integral part of the projections, including Confirmation and Consummation of the Plan in accordance with its terms, the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize.

In addition, unanticipated events and circumstances occurring after the date hereof may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the value of the New Equity Interests and the ability of the Debtors to make payments with respect to their indebtedness. Because the actual results achieved may vary from projected results, perhaps significantly, the Financial Projections should not be relied upon as a guarantee or other assurance of the actual results that will occur.

Further, during the Chapter 11 Cases, the Debtors expect that their financial results will continue to be volatile as restructuring activities and expenses, contract terminations and rejections, and claims assessments significantly impact the Debtors' consolidated financial statements. As a result, the Debtors' historical financial performance likely will not be indicative of their financial performance after the Petition Date. In addition, if the Debtors emerge from the Chapter 11 Cases, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors also may be required to adopt fresh start accounting, in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends.

Lastly, the business plan was developed by the Debtors with the assistance of their advisors. There can be no assurances that the Debtors' business plan will not change, perhaps materially, as a result of decisions that the board of directors may make after fully evaluating the strategic direction of the Debtors and their business plan. Any deviations from the Debtors' existing business plan would necessarily cause a deviation from plan projections.

5. The Debtors' Business is Subject to Various Laws and Regulations That Can Adversely Affect the Cost, Manner, or Feasibility of Doing Business

The financial services industry is regulated at the federal, state and local levels in the U.S. and at the federal and provincial levels in Canada. Laws and regulations governing the Debtors' loan products typically impose restrictions and requirements, such as those on:

- the terms of loans (such as interest rates, fees, durations, repayment terms, maximum loan amounts, renewals and extensions and repayment plans);
- and the number and frequency of loans;
- underwriting requirements;
- collection and servicing activity, including initiation of payments from consumer accounts;
- licensing, reporting and document retention;
- unfair, deceptive and abusive acts and practices and discrimination;
- disclosures, notices, advertising, and marketing;
- loans to members of the military and their dependents;
- insurance products and traditional ancillary products;
- requirements governing electronic payments, transactions, signatures and disclosures;
- check cashing;
- privacy and use of personally identifiable information and consumer data, including credit reports; and
- repossession practices in certain jurisdictions where the Debtors operate as a title lender.

The legal environment is constantly changing as new laws and regulations are introduced and adopted, and existing laws and regulations are repealed, amended or reinterpreted, any of which could have material adverse effect on the Debtors' results of operations or financial condition. In addition, certain of the applicable regulators have significant discretion in connection with enforcement and granting or terminating licenses or other approvals. If the Debtors fail to comply with applicable laws and regulations, and a range of penalties is imposed, it could have a material adverse effect on the Debtors' results of operations or financial condition.

6. The Reorganized Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases

The Debtors currently are, and in the future, the Reorganized Debtors, may become parties to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Reorganized Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Plan. It is not possible to predict the potential litigation that the Reorganized Debtors may become party to, nor the final resolution of such litigation. The impact of any such litigation on the Reorganized Debtors' businesses and financial stability, however, could be material.

7. The Loss of Key Personnel Could Adversely Affect the Debtors' Operations

The Debtors' operations are dependent on a relatively small group of key management personnel. The Debtors' recent liquidity issues and the Chapter 11 Cases have created distractions and uncertainty for key management personnel and employees. As a result, the Debtors may experience increased levels of employee attrition. Because competition for experienced personnel can be significant, the Debtors may be unable to find acceptable replacements with comparable skills and experience and the loss of such key management personnel could adversely affect the Debtors' ability to operate their businesses. In addition, a loss of key personnel or material erosion of employee morale could have a material adverse effect on the Debtors' ability to meet expectations, thereby adversely affecting the Debtors' businesses and the results of operations.

8. The Debtors May be Unable to Protect the Debtors' Proprietary Technology and Analytics or Keep up With That of the Debtors' Competitors

The success of the Debtors' business depends, in part, upon their ability to protect their proprietary technology, which the Debtors use for pricing and underwriting loans. The Debtors seek to protect the Debtors' intellectual property with nondisclosure agreements with third parties and employees and through standard measures to protect trade secrets. The Debtors also implement cybersecurity policies and procedures to prevent unauthorized access to the Debtors' systems and technology. However, the Debtors may be unable to deter misappropriation of their proprietary information, detect unauthorized use or take appropriate steps to enforce their intellectual property rights. The Debtors do not have agreements with all of their employees requiring them to assign to the Debtors proprietary rights to technology developed in the scope of employment. Additionally, while the Debtors have registered trademarks and pending applications for trademark registration(s), the Debtors do not own any patents or copyrights with respect to the Debtors' intellectual property.

9. Changes in the Demand for the Debtors' and Specialty Financial Services or the Debtors' Failure to Adapt to Such Changes Could Have a Material Adverse Effect on the Debtors' Business, Prospects, Results of Operations, or Financial Condition

The demand for a product or service may change due to many factors such as regulatory restrictions that reduce customer access to products, the availability of competing products, reduction in the Debtors' marketing spend, macroeconomic changes (including inflation, recession or higher interest rates) or changes in customers' financial conditions among others. If the Debtors do not adapt to a significant change in customers' demand for, or access to, the Debtors' products or services, the revenue could decrease significantly. Even if the Debtors make adaptations or introduce new products or services, customer demand could decrease if the adaptations make them less attractive, less available or more expensive, all of which could have a material adverse effect on the Debtors' business, prospects, results of operations or financial condition.

10. Acquisitions of Companies, Products, or Technologies, or Internal Restructuring and Cost Savings Initiatives May Disrupt the Debtors' Ongoing Business

The Debtors have experienced significant growth in recent years. The Debtors may not be able to manage this growth successfully, and the pace of the future growth may slow. Continued growth involves significant risks and uncertainties, including:

- inability to successfully integrate the acquired technology and operations into the Debtors' business and maintain uniform standards, controls, policies, and procedures;
- inability to realize synergies expected to result from an acquisition;
- challenges retaining the key employees, customers, resellers, and other business partners of the acquired operation; and
- the internal control environment of an acquired entity may not be consistent with the Debtors' standards and may require significant time and resources to improve.

Acquisitions and divestitures are inherently risky. The Debtors' transactions may not be successful and may, in some cases, harm operating results or their financial condition. In addition, if the Debtors use debt to fund acquisitions or for other purposes, their interest expense and leverage may significantly increase. If the Debtors issue equity securities as consideration in an acquisition, current shareholders' percentage ownership and earnings per share may be diluted.

In addition, from time to time, the Debtors may undertake internal restructurings and other initiatives intended to reduce expenses. These initiatives may not lead to the benefits the Debtors expect, may be disruptive to the Debtors' personnel and operations, and may require substantial management time and attention. Moreover, the Debtors could encounter delays in executing their plans, which could entail further disruption and associated costs. If these disruptions result in a decline in productivity of the Debtors' personnel, negative impacts on operations, or if they experience unanticipated expenses associated with these initiatives, the Debtors' business and operating results may be harmed.

11. The Debtors' Businesses May be Adversely Affected by the Adverse Economic Conditions, Including Those Resulting from Recession or Recessionary Environment, Natural Disasters, Man-Made Events, or Health Emergencies

The Debtors operate stores across the U.S. and Canada and derive the majority of their revenue from consumer lending. Macroeconomic conditions, such as interest rates, whether the economy is in a recession or recessionary environment, levels of employment, personal income and consumer sentiment, may influence demand for the Debtors' products. Additionally, weather-related events, power losses, telecommunication failures, terrorist attacks, acts of war, widespread health emergencies (such as COVID-19) and governmental responses thereto, and similar events, may significantly impact the Debtors' customers' ability to repay their loans and cause other negative impacts on the Debtors' business. The Debtors' underwriting standards require their customers to have a steady source of income. Therefore, if unemployment increases among the Debtors' customer base, the number of loans the Debtors originate may decline and defaults could increase. If consumers become more pessimistic regarding the economic outlook and spend less and save more, demand for consumer loans may decline. Accordingly, poor economic conditions could have a material adverse effect on the Debtors' results of operations or financial condition.

12. Improper Disclosure of Customer Personal Data Could Result in Liability and Harm to the Debtors' Reputation.

The Debtors are subject to cybersecurity risks and security breaches which could result in the unauthorized disclosure or appropriation of customer and employee data. The Debtors may not be able to implement effective preventive measures against these types of breaches, especially because the techniques change frequently or may not be recognized until launched. The Debtors may need to spend significant resources to protect against security breaches or to address problems caused by breaches. Actual or anticipated attacks and risks may increase the Debtors' expenses, including costs to deploy additional personnel and protection technologies, train employees and engage third-party experts and consultants. The Debtors' protective measures also could fail to prevent a cyber-attack and the resulting disclosure or appropriation of customer data. A significant data breach could harm the Debtors' reputation, diminish customer confidence and subject the Company to significant legal claims, any of which may have a material adverse effect.

The Debtors' servers are also vulnerable to computer viruses, physical or electronic break-ins and similar disruptions, including "denial-of-service" type attacks. The Debtors may need to expend significant resources to protect against security breaches or to address problems caused by breaches. Security breaches, including any breach of the Debtors' systems or unauthorized release of consumers' personal information, could damage the Debtors' reputation and expose it to litigation and liability.

13. The Outcome of a CFPB Investigation into Certain of Heights Finance LLC's Business Practices is Uncertain

In April 2020, Heights Finance LLC received a civil investigative demand ("CID") from the Consumer Financial Protection Bureau (the "CFPB") applicable to its small loan business. The Company is currently unable to predict the ultimate timing or outcome of the CFPB investigation. While the Debtors have contractual rights to indemnification under the acquisition document for certain losses that arise with respect to the CFPB investigation, there can be no assurance that such indemnification will be sufficient to address all covered losses or that the CFPB's ongoing investigation or future exercise of its enforcement, regulatory, discretionary or other powers will not result in findings or alleged violations of consumer financial protection laws that could lead to enforcement actions, proceedings or litigation, whether by the CFPB, other state or federal agencies, or other parties, and the imposition of damages, fines, penalties, restitution, other monetary liabilities, sanctions, settlements or changes to Heights Finance's business practices or operations that could materially and adversely affect its or the combined business', financial condition, results of operations or reputation. The outcome of the CFPB investigation may ultimately affect the value of the New Equity Interests.

D. Risks Related to the Offer and Issuance of Securities Under the Plan

1. The Debtors Do Not Intend to Offer to Register the New Equity Interests and Certain Holders of New Equity Interests May Be Restricted in Their Ability to Transfer or Sell Their Securities

The New Equity Interests have not been registered under the Securities Act or any state securities laws. As summarized in Article XI of this Disclosure Statement, entitled "Certain Securities Laws Matters," certain of the New Equity Interests may not be re-offered or re-sold except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws. The Debtors do not intend currently to register the New Equity Interests under the Securities Act. As a result, certain of the New Equity Interests may be transferred or re-sold only in transactions exempt from the securities registration requirements of federal and applicable state laws.

The Debtors believe that all shares of New Equity Interests (other than any DIP Backstop Commitment Shares and any New Equity Interests underlying the Management Incentive Plan) issued after the Petition Date in exchange for the Claims described above will satisfy the requirements of Bankruptcy Code section 1145(a). Accordingly, the Debtors believe that such New Equity Interests (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) will be freely tradeable and transferable without registration under the Securities Act in the United States by the recipients thereof that are not, and have not been within 90 days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of Bankruptcy Code section 1145(b)(1) relating to the definition of an underwriter in Bankruptcy Code section 1145(b), and compliance with applicable securities laws and any rules and regulations of the United States Securities and Exchange Commission or state or local securities laws, if any, applicable at the time of any future transfer of such securities or instruments.

All DIP Backstop Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder and/or Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and pursuant to applicable state securities laws. Holders of such restricted securities may not be entitled to have their restricted securities registered and are not permitted to resell them except in accordance with an available exemption from registration under the Securities Act. Generally, Rule 144 of the Securities Act would permit the resale of securities received by a Person after a specified holding period if current information regarding the issuer is publicly available and, under certain circumstances, volume limitations, manner of sale requirements and certain other conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 will not be available for resales of such New Equity Interests by affiliates of the issuer. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

The Debtors make no representation regarding the right of any Holder of New Equity Interests to freely resell such securities. *See* Article XI of this Disclosure Statement, entitled “Certain Securities Law Matters.”

2. A Liquid Trading Market for the Shares of New Equity Interests May Not Develop

Although the Debtors may apply to relist the New Equity Interests on a national securities exchange (subject to the terms of the RSA), the Debtors make no assurance that they will be able to obtain this listing or, even if the Debtors do, that liquid trading markets for shares of New Equity Interests will develop. The liquidity of any market for New Equity Interests will depend upon, among other things, the number of holders of shares of New Equity Interests, the Debtors’ financial performance, and the market for similar securities, none of which can be determined or predicted. Accordingly, there can be no assurance that an active trading market for the New Equity Interests will develop, nor can any assurance be given as to the

liquidity or prices at which such securities might be traded. In the event an active trading market does not develop, the ability to transfer or sell New Equity Interests may be substantially limited.

In addition, the Reorganized Debtors do not expect to be subject to the reporting requirements of the Securities Act, and Holders of the New Equity Interests will not be entitled to any information except as expressly required by the Governance Documents. As a result, the information which the Debtors are required to provide in order to issue the New Equity Interests may be less than the Debtors would be required to provide if the New Equity Interests were registered. Among other things, the Debtors may not be required to provide: (a) separate financial information for any subsidiary; (b) selected historical consolidated financial data of CURO; (c) selected quarterly financial data of CURO; (d) certain information about the Debtors' disclosure controls and procedures and their internal controls over financial reporting; and (e) certain information regarding the Debtors' executive compensation policies and practices and historical compensation information for their executive officers. This lack of information could impair your ability to evaluate your ownership and the marketability of the New Equity Interests.

3. The New Equity Interests, New Warrants and CVRs will be Subject to Resale Restrictions

The offering, issuance, and distribution of the New Equity Interests (other than the New Equity Interests underlying the Management Incentive Plan and the DIP Backstop Commitment Shares) will be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145. However, holders of New Equity Interests issued pursuant to Bankruptcy Code section 1145(a) who are deemed to be "underwriters" under Bankruptcy Code section 1145(b) will also be subject to resale restrictions. The New Equity Interests underlying the Management Incentive Plan and DIP Backstop Commitment Shares are being issued and sold pursuant to an exemption from registration under the applicable securities laws. Accordingly, such New Equity Interests will be subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration, or an applicable exemption from registration, under the Securities Act, and other applicable law. The New Equity Interests will be subject to any restrictions in the Governance Documents to the extent applicable. The New Warrants will be subject to any restrictions in the New Warrant Agreement to the extent applicable. Transfer restrictions on the New Warrants will be governed by the Governance Documents and be substantially similar to the transfer restrictions applicable to the New Equity Interests. The CVRs will be subject to any restrictions in the CVR Agreement to the extent applicable, and will be non-transferable. See Article XI of this Disclosure Statement for a further discussion of the transfer restrictions applicable to the New Equity Interests.

5. The Trading Price for the New Equity Interests May Be Depressed Following the Effective Date

Following the Effective Date of the Plan, certain shares of the New Equity Interests may be sold to satisfy withholding tax requirements, to the extent necessary to fund such requirements. In addition, Holders of Claims that receive the New Equity Interests may seek to sell such securities in an effort to obtain liquidity. These sales and the volume of New Equity Interests available for trading could cause the trading price for the New Equity Interests to be depressed, particularly in the absence of an established trading market for the New Equity Interests.

6. The New Equity Interests and CVRs will be Subject to Resale Restrictions in Canada

Any New Equity Interests that are issued and sold under the Plan to Purchasers in Canada are being issued and sold pursuant to an exemption from the registration and prospectus requirements of applicable Canadian Securities Laws. Such New Equity Interests and New Equity Interests distributed outside of

Canada will be subject to resale restrictions in Canada and may be resold in Canada only: (a) pursuant to a final prospectus qualified under applicable Canadian Securities laws; (b) pursuant to an available exemption from the registration and prospectus requirements of Canadian Securities Laws; or (c) if each of the following conditions are satisfied: (i) the issuer of the New Equity Interests has been a reporting issuer in a jurisdiction of Canada of the four months immediately preceding the trade; (ii) the trade is not a “control distribution” within the meaning of Canadian Securities Laws; (iii) no unusual effort is made to prepare the market or create a demand for the security that is the subject of the trade; and (iv) no extraordinary commission or consideration is paid to a person or company in respect of the trade. **THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISORS WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER CANADIAN SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS.**

IX. SOLICITATION AND VOTING PROCEDURES

This Disclosure Statement, which is accompanied by a ballot (the “Ballot”) to be used for voting on the Plan, is being distributed to the Holders of Claims in those Classes that are entitled to vote to accept or reject the Plan.

A. Holders of Claims Entitled to Vote on the Plan

The Debtors are soliciting votes to accept or reject the Plan only from Holders of Claims in Classes 3, 4, and 5, and Holders of Interests in Class 11 (the “Voting Classes”). The Holders of Claims and Interests in the Voting Classes are Impaired under the Plan and may, in certain circumstances, receive a distribution under the Plan. Accordingly, Holders of Claims and Interests in the Voting Classes have the right to vote to accept or reject the Plan. The Debtors are *not* soliciting votes from Holders of Claims or Interests in Classes 1, 2, 6, 7, 8, 9, and 10.

B. Voting on the Plan

The Voting Deadline is **April 19, 2024, at 4:00 p.m. (prevailing Central Time)**. In order to be counted as votes to accept or reject the Plan, all Ballots must be properly executed, completed, and delivered as directed, so that your ballot or the master ballot containing your vote is actually received by the Solicitation Agent on or before the Voting Deadline. Ballots or master ballots returned by facsimile will not be counted.

C. Ballots Not Counted

No ballot will be counted toward Confirmation if, among other things: (1) it is illegible; (2) it is submitted by or on behalf of a Holder of a Claim or an Interest that is not entitled to vote on the Plan; (3) it is unsigned; or (4) it is not clearly marked. Please refer to the proposed Disclosure Statement Order for additional requirements with respect to voting to accept or reject the Plan.

D. Votes Required for Acceptance by a Class

Under the Bankruptcy Code, acceptance of a plan of reorganization by a class of claims or interests is determined by calculating the amount and, if a class of claims, the number, of claims and interests voting to accept, as a percentage of the allowed claims or interests, as applicable, that have voted. Acceptance by a class of claims requires an affirmative vote of more than one-half in number of total allowed claims that have voted and an affirmative vote of at least two-thirds in dollar amount of the total allowed claims that

have voted. Acceptance by a class of interests requires an affirmative vote of at least two-thirds in amount of the total allowed interests that have voted.

E. Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all Holders of Claims and Interests entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan and include, among other things:

- unless otherwise specifically indicated, the financial information contained in the Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and the Disclosure Statement;
- although the Debtors believe that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan;
- the Debtors may request Confirmation without the acceptance of the Plan by all Impaired Classes in accordance with Bankruptcy Code section 1129(b); and
- any delays of either Confirmation or Consummation could result in, among other things, increased Administrative Claims and Professional Claims.

While these factors could affect distributions available to Holders of Allowed Claims and Allowed Interests under the Plan, the occurrence or impact of such factors may not necessarily affect the validity of the vote of the Voting Class or necessarily require a re-solicitation of the votes of Holders of Claims or Interests in the Voting Class pursuant to Bankruptcy Code section 1127.

For a further discussion of risk factors, please refer to “Risk Factors” described in Article VIII of this Disclosure Statement.

F. Solicitation Procedures

1. Claims and Noticing Agent

The Debtors have retained Epiq Corporate Restructuring, LLC to act as, among other things, the Claims and Noticing Agent in connection with the solicitation of votes to accept or reject the Plan.

2. Solicitation Package

The following materials constitute the solicitation package distributed to Holders of Claims and Interests in the Voting Classes (collectively, the “Solicitation Package”): (a) instructions on how to access an electronic copy of the Disclosure Statement; and (b) the appropriate ballot in the form attached to the Order as Exhibits 4A, 4B, 4C, 4D, 4E, 4F, 4G, and 4H (each, a “Ballot,” and collectively, the “Ballots”).

3. Distribution of the Solicitation Package and Plan Supplement

The Debtors will cause the Claims and Noticing Agent to commence distribution of the Solicitation Package to Holders of Claims in the Voting Classes on March 24, 2024, which is 26 days before the Voting Deadline (*i.e.*, 4:00 p.m. (prevailing Central Time) on April 19, 2024), and will complete the hard-copy mailing of all Solicitation Packages to Holders of Claims and Interests in the Voting Classes on or before March 29, 2024.

The Solicitation Package (except the Ballot) may also be obtained from the Claims and Noticing Agent by: (a) calling the Debtors' restructuring hotline at (877) 354-3909 (U.S. or Canada) or +1 (971) 290-1442 (international), (b) emailing curo@epiqglobal.com, and/or (c) writing to the Claims and Noticing Agent at CURO Group Holdings Corp., c/o Epiq Ballot Processing Center, 10300 SW Allen Blvd., Beaverton, OR 97005. After the Debtors file the Chapter 11 Cases, you may also obtain copies of any pleadings Filed with the Bankruptcy Court for free by visiting the Debtors' restructuring website, <https://dm.epiq11.com/Curo> (free of charge), or for a fee via PACER at <https://www.pacer.gov/>.

The Debtors shall file the Plan Supplement, to the extent reasonably practicable, with the Bankruptcy Court no later than seven (7) days before the Voting Deadline. If the Plan Supplement is updated or otherwise modified, such modified or updated documents will be made available on the Debtors' restructuring website.

X. CONFIRMATION OF THE PLAN

A. The Combined Hearing

Under Bankruptcy Code section 1128(a), the Bankruptcy Court, after notice, may hold a hearing to confirm a plan of reorganization. The Debtors will request, on the Petition Date, that the Bankruptcy Court set a hearing to approve the Plan and Disclosure Statement. The Combined Hearing may, however, be continued or adjourned from time to time without further notice to parties in interest other than an adjournment announced in open court or a notice of adjournment Filed with the Bankruptcy Court and served in accordance with the Bankruptcy Rules. Subject to Bankruptcy Code section 1127 and the RSA, the Plan may be modified, if necessary, prior to, during, or as a result of the Combined Hearing, without further notice to parties in interest.

Additionally, Bankruptcy Code section 1128(b) provides that a party in interest may object to Confirmation. The Debtors, in the same motion requesting a date for the Combined Hearing, will request that the Bankruptcy Court set a date and time for parties in interest to file objections to Confirmation of the Plan. An objection to Confirmation of the Plan must be Filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest in accordance with the applicable order of the Bankruptcy Court so that it is actually received on or before the deadline to file such objections as set forth therein.

B. Requirements for Confirmation of the Plan

Among the requirements for Confirmation of the Plan pursuant to Bankruptcy Code section 1129 are: (1) the Plan is accepted by all Impaired Classes of Claims or Interests, or if rejected by an Impaired Class, the Plan "does not discriminate unfairly" and is "fair and equitable" as to the rejecting Impaired Class; (2) the Plan is feasible; and (3) the Plan is in the "best interests" of Holders of Claims or Interests.

At the Combined Hearing, the Bankruptcy Court will determine whether the Plan satisfies all of the requirements of Bankruptcy Code section 1129. The Debtors believe that: (1) the Plan satisfies, or will satisfy, all of the necessary statutory requirements of chapter 11 for plan confirmation; (2) the Debtors have complied, or will have complied, with all of the necessary requirements of chapter 11 for plan confirmation; and (3) the Plan has been proposed in good faith.

C. Feasibility

Bankruptcy Code section 1129(a)(11) requires that confirmation of a plan of reorganization is not likely to be followed by the liquidation, or the need for further financial reorganization of the debtor, or any successor to the debtor (unless such liquidation or reorganization is proposed in such plan of reorganization).

To determine whether the Plan meets this feasibility requirement, the Debtors, with the assistance of their advisors, have analyzed their ability to meet their respective obligations under the Plan. As part of this analysis, the Debtors have prepared their projected consolidated balance sheet, income statement, and statement of cash flows (the “Financial Projections”). Creditors and other interested parties should review Article VIII of this Disclosure Statement, entitled “Risk Factors,” for a discussion of certain factors that may affect the future financial performance of the Reorganized Debtors.

The Financial Projections are attached hereto as **Exhibit C** and incorporated herein by reference. Based upon the Financial Projections, the Debtors believe that they will be a viable operation following the Chapter 11 Cases and that the Plan will meet the feasibility requirements of the Bankruptcy Code.

D. Acceptance by Impaired Classes

The Bankruptcy Code requires, as a condition to confirmation, except as described in the following section, that each class of claims or equity interests impaired under a plan, accept the plan. A class that is not “impaired” under a plan is deemed to have accepted the plan and, therefore, solicitation of acceptances with respect to such a class is not required.⁶

Bankruptcy Code section 1126(c) defines acceptance of a plan by a class of impaired claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in a number of allowed claims in that class, counting only those claims that have *actually* voted to accept or to reject the plan. Thus, a class of Claims will have voted to accept the Plan only if two-thirds in amount and a majority in number of the Allowed Claims in such class that vote on the Plan actually cast their ballots in favor of acceptance.

Bankruptcy Code section 1126(d) defines acceptance of a plan by a class of impaired equity interests as acceptance by holders of at least two-thirds in amount of allowed interests in that class, counting only those interests that have *actually* voted to accept or to reject the plan. Thus, a Class of Interests will have voted to accept the Plan only if two-thirds in amount of the Allowed Interests in such class that vote on the Plan actually cast their ballots in favor of acceptance.

Pursuant to Article III.E of the Plan, if a Class contains Claims or Interests is eligible to vote and no Holders of Claims or Interests eligible to vote in such Class vote to accept or reject the Plan, the Holders of such Claims or Interests in such Class shall be deemed to have accepted the Plan.

E. Confirmation Without Acceptance by All Impaired Classes

Bankruptcy Code section 1129(b) allows a bankruptcy court to confirm a plan even if all impaired classes have not accepted it; *provided* that the plan has been accepted by at least one impaired class. Pursuant to Bankruptcy Code section 1129(b), notwithstanding an impaired class’s rejection or deemed rejection of the plan, the plan will be confirmed, at the plan proponent’s request, in a procedure commonly known as a “cramdown” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims or equity interests that is impaired under, and has not accepted, the plan.

If any Impaired Class rejects the Plan, the Debtors reserve the right to seek to confirm the Plan utilizing the “cramdown” provision of Bankruptcy Code section 1129(b). To the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the Debtors may request Confirmation of the

⁶ A class of claims is “impaired” within the meaning of Bankruptcy Code section 1124 unless the plan (a) leaves unaltered the legal, equitable and contractual rights to which the claim or equity interest entitles the holder of such claim or equity interest or (b) cures any default, reinstates the original terms of such obligation, compensates the holder for certain damages or losses, as applicable, and does not otherwise alter the legal, equitable, or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

Plan, as it may be modified from time to time, under Bankruptcy Code section 1129(b). The Debtors reserve the right to alter, amend, modify, revoke, or withdraw the Plan or any Plan Supplement document, including the right to amend or modify the Plan or any Plan Supplement document to satisfy the requirements of Bankruptcy Code section 1129(b).

1. No Unfair Discrimination

The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under a plan. The test does not require that the treatment be the same or equivalent, but that treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims or interests of equal rank (*e.g.*, classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly. A plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

2. Fair and Equitable Test

The “fair and equitable” test applies to classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no class of claims receive more than 100 percent of the amount of the allowed claims in the class. As to the dissenting class, the test sets different standards depending upon the type of claims or equity interests in the class.

The Debtors submit that if the Debtors “cramdown” the Plan pursuant to Bankruptcy Code section 1129(b), the Plan is structured so that it does not “discriminate unfairly” and satisfies the “fair and equitable” requirement. With respect to the unfair discrimination requirement, all Classes under the Plan are provided treatment that is substantially equivalent to the treatment that is provided to other Classes that have equal rank. With respect to the fair and equitable requirement, no Class under the Plan will receive more than 100 percent of the amount of Allowed Claims or Interests in that Class. The Debtors believe that the Plan and the treatment of all Classes of Claims or Interests under the Plan satisfy the foregoing requirements for nonconsensual Confirmation of the Plan.

F. Valuation Analysis

The Plan provides for the distribution of the New Equity Interests to certain Holders of Claims upon consummation of the restructuring transactions contemplated by the Plan. Accordingly, Oppenheimer performed an analysis of the estimated implied equity value of the Debtors on a going-concern basis as of an assumed Effective Date (the “Valuation Analysis”) at the Debtors’ request. Based on the Valuation Analysis which is attached hereto as **Exhibit D**, the enterprise value of the consolidated corporate entity that includes both Debtors and wholly owned bankruptcy-remote non-Debtor subsidiaries is estimated to be within the range of approximately \$1,380 million to \$1,660 million, and the value of the Reorganized Debtors alone is estimated to be within the range of approximately \$450 million to \$730 million, with a midpoint of \$590 million as of the Effective Date.

The Valuation Analysis, including the procedures followed, assumptions made, qualifications, and limitations on review undertaken, should be read in conjunction with Article VIII of this Disclosure Statement entitled “Risk Factors.” Oppenheimer makes no representations as to changes to such data and information that may have occurred since the date of the Valuation Analysis.

G. Liquidation Analysis

Often called the “best interests” test, Bankruptcy Code section 1129(a)(7) requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each

impaired class, that each Holder of a Claim or Interest in such impaired class either (a) has accepted the plan or (b) will receive or retain under the plan property of a value that is not less than the amount that the non-accepting Holder would receive or retain if the debtors liquidated under chapter 7.

Attached hereto as **Exhibit E** and incorporated herein by reference is a liquidation analysis (the “Liquidation Analysis”) prepared by the Debtors with the assistance of the Debtors’ advisors and reliance upon the valuation methodologies utilized by the Debtors’ advisors. As reflected in the Liquidation Analysis, the Debtors believe that liquidation of the Debtors’ businesses under chapter 7 of the Bankruptcy Code would result in substantial diminution in the value to be realized by Holders of Claims or Interests as compared to distributions contemplated under the Plan. Consequently, the Debtors and their management believe that Confirmation of the Plan will provide a substantially greater return to Holders of Claims or Interests than would a liquidation under chapter 7 of the Bankruptcy Code.

XI. CERTAIN SECURITIES LAW MATTERS

A. New Equity Interests and CVRs

As discussed herein, the Plan provides for the offer, issuance, sale, and distribution of New Equity Interests to certain Holders of prepetition Claims against the Debtors. The Debtors believe that the class of New Equity Interests will be “securities,” as defined in section 2(a)(1) of the Securities Act, Bankruptcy Code section 101 and any applicable Blue-Sky Law.

The Debtors further believe that the issuance of the New Equity Interests (other than any DIP Backstop Commitment Shares and any New Equity Interests underlying the Management Incentive Plan) after the Petition Date pursuant to the restructuring transactions under the Plan is, and subsequent transfers of such New Equity Interests by the holders thereof that are not “underwriters” (which definition includes “Controlling Persons”) will be, exempt from federal and state securities registration requirements under the Bankruptcy Code and any applicable state Blue-Sky Law as described in more detail below, except in certain limited circumstances.

The Debtors further believe that either the CVRs shall not constitute a “security” under applicable U.S. securities laws or that the issuance of the CVRs shall be exempt from the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145.

Further, the Debtors are relying on Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act, and similar Blue-Sky Laws provisions, to exempt from registration under the Securities Act and Blue-Sky Laws the offer to certain Holders of Allowed First Lien Claims of the New Equity Interests (including the DIP Backstop Commitment Shares) prior to the Petition Date, including in connection with the Solicitation. Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder provide that the offering, issuance, and distribution of securities by an issuer in transactions not involving any public offering are exempt from registration under the Securities Act. Regulation S under the Securities Act provides an exemption from registration under the Securities Act for the offering, issuance, and distribution of securities in certain transactions to persons outside of the United States.

In addition, the Debtors believe that all DIP Backstop Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder and/or Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. Any New Equity Interests underlying the Management Incentive Plan will be offered,

issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration, and will also be considered “restricted securities.”

The following discussion of the issuance and transferability of the New Equity Interests relates solely to matters arising under federal and state securities laws. The rights of holders of New Equity Interests, including the right to transfer such interests, will also be subject to any restrictions in the Governance Documents to the extent applicable. Recipients of the New Equity Interests are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable Blue-Sky Laws.

B. Exemption from Registration Requirements; Issuance of New Equity Interests under the Plan

All shares of New Equity Interests (other than any DIP Backstop Commitment Shares and any New Equity Interests underlying the Management Incentive Plan) will be issued after the Petition Date without registration under the Securities Act or any similar federal, state, or local law in reliance on Bankruptcy Code section 1145(a).

Bankruptcy Code section 1145 provides, among other things, that Section 5 of the Securities Act and any other applicable U.S. state or local law requirements for the issuance of a security do not apply to the offering, issuance, distribution or sale of stock, options, warrants, or other securities by a debtor if (1) the offer or sale occurs under a plan of reorganization, (2) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense against, the debtor, and (3) the securities are issued in exchange for a claim against, interest in, or claim for an administrative expense against a debtor or are issued principally in such exchange or partly for cash and property. The Debtors believe that all shares of New Equity Interests (other than any DIP Backstop Commitment Shares and any New Equity Interests underlying the Management Incentive Plan) issued after the Petition Date in exchange for the Claims described above satisfy the requirements of Bankruptcy Code section 1145(a).

All DIP Backstop Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder and/or Regulation S under the Securities Act. Any New Equity Interests underlying the Management Incentive Plan will also be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration.

Accordingly, no registration statement will be Filed under the Securities Act or any state securities laws with respect to the initial offer, issuance, and distribution of New Equity Interests. Recipients of the New Equity Interests are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable state Blue-Sky Law. As discussed below, the exemptions provided for in section 1145(a) do not apply to an entity that is deemed an “underwriter” as such term is defined in Bankruptcy Code section 1145(b).

C. Resales of New Equity Interests; Definition of “Underwriter” Under Bankruptcy Code Section 1145(b)

1. Resales of New Equity Interests Issued Pursuant to Section 1145

New Equity Interests (other than any DIP Backstop Commitment Shares and any New Equity Interests underlying the Management Incentive Plan) to the extent offered, issued, and distributed pursuant to Bankruptcy Code section 1145, (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) will be transferable without registration under the Securities Act in the United

States by the recipients thereof that are not, and have not been within 90 days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of Bankruptcy Code section 1145(b)(1) relating to the definition of an underwriter in Bankruptcy Code section 1145(b), and compliance with applicable securities laws and any rules and regulations of the United States Securities and Exchange Commission or state or local securities laws, if any, applicable at the time of any future transfer of such securities or instruments.

Bankruptcy Code section 1145(b)(1) defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (1) purchases a claim against, interest in, or claim for an administrative expense in the case concerning, the debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (2) offers to sell securities offered or sold under a plan for the holders of such securities; (3) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (a) with a view to distribution of such securities and (b) under an agreement made in connection with the plan, with the consummation of the plan, or with the offer or sale of securities under the plan; or (4) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a Person who receives a fee in exchange for purchasing an issuer’s securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an “issuer” for purposes of whether a Person is an underwriter under Bankruptcy Code section 1145(b)(1)(D), by reference to section 2(a)(11) of the Securities Act, includes as “statutory underwriters” all “affiliates,” which are all Persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to “issuer,” as used in the definition of “underwriter” contained in section 2(a)(11) of the Securities Act, is intended to cover “Controlling Persons” of the issuer of the securities. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be a “Controlling Person” of the debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. In addition, the legislative history of Bankruptcy Code section 1145 suggests that a creditor who owns 10% or more of a class of securities of a reorganized debtor may be presumed to be a “Controlling Person” and, therefore, an underwriter.

Resales of the New Equity Interests issued in exchange for Prepetition 1.5L Notes Claims pursuant to the Plan by entities deemed to be “underwriters” (which definition includes “Controlling Persons”) are not exempted by Bankruptcy Code section 1145 from registration under the Securities Act or other applicable law. Under certain circumstances, holders of such New Equity Interests who are deemed to be “underwriters” may be entitled to resell their New Equity Interests pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act. Generally, Rule 144 of the Securities Act would permit the public sale of control securities received by such Person if the requirements for sales of such control securities under Rule 144 have been met, including that current information regarding the issuer is publicly available and volume limitations, manner of sale requirements and certain other conditions are met. Whether any particular Person would be deemed to be an “underwriter” (including whether the Person is a “Controlling Person”) with respect to the New Equity Interests would depend upon various facts and circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any Person would be deemed an “underwriter” with respect to such New Equity Interests and, in turn, whether any Person may freely trade such New Equity Interests. However, the Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, Rule 144 will not be available for resales of such New Equity Interests by Persons deemed to be underwriters or otherwise.

IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF SECURITIES MAY BE AN UNDERWRITER OR AN AFFILIATE OF THE REORGANIZED DEBTORS, THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE IN SECURITIES TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, THE DEBTORS RECOMMEND THAT POTENTIAL RECIPIENTS OF NEW EQUITY INTERESTS CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES.

2. Resales of New Equity Interests Issued Pursuant to Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or Regulation S under the Securities Act

All DIP Backstop Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder and/or Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and pursuant to applicable state securities laws. Any New Equity Interests underlying the Management Incentive Plan will also be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration.

Generally, Rule 144 of the Securities Act provides a limited safe harbor for the public resale of restricted securities if certain conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. Rule 144 defines an affiliate as “a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such issuer.” A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 may not be available for resales of such New Equity Interests by affiliates of the Debtors. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

In addition, in connection with resales of any New Equity Interests offered, issued and distributed pursuant to Regulation S under the Securities Act: (i) the offer or sale, if made prior to the expiration of the one-year distribution compliance period (six months for a reporting issuer), may not be made to a U.S. person or for the account or benefit of a U.S. person (other than a distributor); and (ii) the offer or sale, if made prior to the expiration of the applicable one-year or six-month distribution compliance period, is made pursuant to the following conditions: (a) the purchaser (other than a distributor) certifies that it is not a U.S. person and is not acquiring the securities for the account or benefit of any U.S. person or is a U.S. person who purchased securities in a transaction that did not require registration under the Securities Act; and (b) the purchaser agrees to resell such securities only in accordance with the provisions of Regulation S, pursuant to registration under the Securities Act, or pursuant to an available exemption from registration; and agrees not to engage in hedging transactions with regard to such securities unless in compliance with the Securities Act.

All DIP Backstop Commitment Shares will bear a restrictive legend. Each certificate or book-entry representing, or issued in exchange for or upon the transfer, sale, or assignment of, any DIP Backstop Commitment Shares shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ORIGINALLY ISSUED ON [DATE OF ISSUANCE], HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY OTHER APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM REGISTRATION.”

The Debtors will reserve the right to require certification, legal opinions, or other evidence of compliance with Rule 144 as a condition to the removal of such legend or to any resale of the DIP Backstop Commitment Shares. The Debtors will also reserve the right to stop the transfer of any DIP Backstop Commitment Shares if such transfer is not registered in compliance with Rule 144, or in compliance with another applicable exemption from registration.

Notwithstanding anything to the contrary in this Disclosure Statement, no Entity shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan or this Disclosure Statement, including, for the avoidance of doubt, whether the New Equity Interests are exempt from the registration requirements of Section 5 of the Securities Act.

In addition to the foregoing restrictions, the New Equity Interests will also be subject to any applicable transfer restrictions contained in the Governance Documents.

PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISOR WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER THE FEDERAL OR STATE SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS. THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING, AND DO NOT PROVIDE, ANY OPINIONS OR ADVICE WITH RESPECT TO THE SECURITIES OR THE BANKRUPTCY MATTERS DESCRIBED IN THIS DISCLOSURE STATEMENT. IN LIGHT OF THE UNCERTAINTY CONCERNING THE AVAILABILITY OF EXEMPTIONS FROM THE RELEVANT PROVISIONS OF FEDERAL AND STATE SECURITIES LAWS, WE ENCOURAGE EACH RECIPIENT OF SECURITIES AND PARTY IN INTEREST TO CONSIDER CAREFULLY AND CONSULT WITH ITS OWN LEGAL ADVISORS WITH RESPECT TO ALL SUCH MATTERS. BECAUSE OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A SECURITY IS EXEMPT FROM THE REGISTRATION REQUIREMENTS UNDER THE FEDERAL OR STATE SECURITIES LAWS OR WHETHER A PARTICULAR RECIPIENT OF NEW EQUITY INTERESTS MAY BE AN UNDERWRITER, WE MAKE NO REPRESENTATION CONCERNING THE ABILITY OF A PERSON TO DISPOSE OF THE SECURITIES ISSUED UNDER THE PLAN.

D. Certain Canadian Securities Law Matters

Any New Equity Interests will be subject to resale restrictions under applicable Canadian Securities Laws and may be resold in Canada only: (a) pursuant to a final prospectus qualified under applicable Canadian Securities laws; (b) pursuant to an available exemption from the registration and prospectus requirements of Canadian Securities Laws; or (c) if each of the following conditions are satisfied: (i) the

issuer of the New Equity Interests has been a reporting issuer in a jurisdiction of Canada of the four months immediately preceding the trade; (ii) the trade is not a “control distribution” within the meaning of Canadian Securities Laws; (iii) no unusual effort is made to prepare the market or create a demand for the security that is the subject of the trade; and (iv) no extraordinary commission or consideration is paid to a person or company in respect of the trade.

THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISORS WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER CANADIAN SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS. THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING, THE AVAILABILITY OF EXEMPTIONS UNDER CANADIAN SECURITIES LAWS IN RESPECT OF REALES OF THE SECURITIES IN CANADA AND DO NOT PROVIDE, ANY OPINIONS OR ADVICE WITH RESPECT TO THE REALE OF SECURITIES IN CANADA. WE ENCOURAGE EACH RECIPIENT OF SECURITIES AND PARTY IN INTEREST TO CONSIDER CAREFULLY AND CONSULT WITH ITS OWN LEGAL ADVISORS WITH RESPECT TO ALL SUCH MATTERS. BECAUSE OF THE COMPLEX NATURE OF REALES OF SECURITIES IN CANADA WE MAKE NO REPRESENTATION CONCERNING THE ABILITY OF A PERSON TO DISPOSE OF THE SECURITIES ISSUED UNDER THE PLAN.

XII. CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

A. Introduction

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtors, the Reorganized Debtors, and to certain Holders (which, solely for purposes of this discussion, means the beneficial owners for U.S. federal income tax purposes) of Class 3 Prepetition 1L Term Loan Claims, Class 4 Prepetition 1.5L Notes Claims, Class 5 Prepetition 2L Notes Claims, and Class 11 Existing CURO Interests. This summary is based on the U.S. Internal Revenue Code of 1986, as amended (the “IRC”), the U.S. Treasury Regulations promulgated thereunder (the “Treasury Regulations”), judicial decisions and authorities, published administrative rules, positions and pronouncements of the U.S. Internal Revenue Service (the “IRS”), and other applicable authorities (collectively, “Applicable Tax Law”), all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained, and the Debtors do not intend to seek a ruling or determination from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors or to certain Holders of Claims in light of their individual circumstances. This discussion does not address tax issues with respect to such Holders of Claims subject to special treatment under the U.S. federal income tax laws (including, for example, banks, brokers, dealers, mutual funds, governmental authorities or agencies, pass-through entities, beneficial owners of pass-through entities, subchapter S corporations, dealers and traders in securities, insurance companies, financial institutions, retirement plans, small business investment companies, regulated investment companies, real estate

investment trusts, tax-exempt organizations, controlled foreign corporations, passive foreign investment companies, Persons who are related to the Debtors within the meaning of the IRC, Persons liable for alternative minimum tax, U.S. Holders whose functional currency is not the U.S. dollar, U.S. Holders who prepare “applicable financial statements” (as defined in section 451 of the IRC), Persons using a mark-to-market method of accounting, Holders of Claims who are themselves in bankruptcy, and those holding, or who will hold, any property described herein as part of a hedge, straddle, conversion, or other integrated transaction). No aspect of state, local, estate, gift, or non-U.S. taxation is addressed. Furthermore, this summary assumes that a Holder of a Claim holds only Claims in a single Class and holds Claims as “capital assets” (within the meaning of section 1221 of the IRC). This summary also assumes that the various debt and other arrangements to which the Debtors and the Reorganized Debtors are or will be a party will be respected for U.S. federal income tax purposes in accordance with their form, and that the Claims constitute interests in the Debtors “solely as a creditor” for purposes of section 897 of the IRC. This summary does not discuss differences in tax consequences to Holders of Claims that act or receive consideration in a capacity other than any other Holder of a Claim of the same Class or Classes, and the tax consequences for such Holders may differ materially from that described below. This summary does not address the U.S. federal income tax consequences to Holders of Claims (a) whose Claims are Unimpaired or otherwise entitled to payment in full in Cash under the Plan, (b) that are deemed to reject the Plan, or (c) that are otherwise not entitled to vote to accept or reject the Plan.

For purposes of this discussion, a “U.S. Holder” is a Holder of a Claim (including a beneficial owner of a Claim) that for U.S. federal income tax purposes is: (1) an individual citizen or resident of the United States; (2) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (4) a trust (a) if a court within the United States is able to exercise primary jurisdiction over the trust’s administration and one or more “United States persons” (within the meaning of section 7701(a)(30) of the IRC) has authority to control all substantial decisions of the trust or (b) that has a valid election in effect under applicable Treasury Regulations to be treated as a “United States person” (within the meaning of section 7701(a)(30) of the IRC). For purposes of this discussion, a “Non-U.S. Holder” is any Holder of a Claim that is not a U.S. Holder other than any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder of a Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or other beneficial owner) and the activities of the partner (or other beneficial owner) and the partnership (or other pass-through entity). Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Claims are urged to consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM. ADDITIONALLY, THE FOLLOWING SUMMARY DOES NOT ADDRESS THE CANADIAN FEDERAL INCOME TAX OR OTHER NON-U.S. INCOME TAX CONSEQUENCES TO HOLDERS OF CLAIMS. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL, AND NON-U.S. INCOME, ESTATE, AND OTHER TAX CONSEQUENCES OF THE PLAN.

B. Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors and the Reorganized Debtors

Each of the Debtors organized in the United States (each such Debtor a “U.S. Debtor” and collectively, the “U.S. Debtors”) is a member of an affiliated group of corporations that files consolidated federal income tax returns with Holdings as the common parent (such consolidated group, the “CURO Group”) or an entity disregarded as separate from its owner for U.S. federal income tax purposes whose business activities and operations are reflected on the consolidated U.S. federal income tax returns of the CURO Group. The non-U.S. Debtors are not currently directly subject to U.S. federal income tax, and the Debtors expect that such non-U.S. Debtors will not be subject to U.S. federal income tax immediately following the Restructuring Transactions. The U.S. Debtors estimate that, as of the filing date of the tax returns for the year ended December 31, 2021, the CURO Group had consolidated net operating loss carryforwards (“NOL”) of approximately \$229 million, among other tax attributes (including tax basis in assets), and approximately \$76 million of capital loss carryforwards. However, the amount of CURO Group NOLs and other tax attributes, as well as the application of any limitations thereon, remains subject to review and adjustment, including by the IRS. As discussed below, the U.S. Debtors’ NOLs and certain other tax attributes are expected to be significantly reduced or eliminated entirely upon implementation of the Plan.

The tax consequences of the implementation of the Plan to the U.S. Debtors will differ depending on how the Restructuring Transactions are structured for applicable tax purposes including as a taxable sale of the U.S. Debtors’ assets and/or stock to an indirect subsidiary of a newly formed Reorganized CURO (a “Newco Acquisition”) or as an exchange of restructured interests in Reorganized CURO for Claims (a “Restructuring in Place”). The U.S. Debtors have not yet determined whether they intend to structure the Restructuring Transactions as a Newco Acquisition, a Restructuring in Place, or in another manner. Such decision will depend on, among other things, the magnitude of any anticipated cash tax liability arising from a Newco Acquisition, the fair market value of any tax basis arising in connection with the same, and the anticipated cash tax profile of the U.S. Debtors following implementation of the Plan in the absence of a Newco Acquisition.

1. Newco Acquisition

If the transaction undertaken pursuant to the Plan is structured as a Newco Acquisition, the U.S. Debtors would recognize gain or loss upon the transfer in an amount equal to the difference between (i) the fair market value of the assets transferred (or deemed to be transferred) by the Debtors and (ii) the U.S. Debtors’ tax basis in the assets or stock transferred (including any assets deemed transferred, such as by reason of an election to treat a stock transfer as an asset transfer for U.S. federal income tax purposes (via one or more elections pursuant to IRC sections 338(g), 338(h)(10) or 336(e)) or the transfer of the membership interests in a wholly-owned limited liability company that is disregarded for U.S. federal income tax purposes). In connection with such transaction U.S. Debtors (or subsidiaries thereof) will be deemed to or will actually liquidate for U.S. federal income tax purposes in a taxable transaction and the U.S. Debtors may recognize additional gain or loss in respect of such liquidations (e.g. in respect of insolvent subsidiaries). Depending on the fair market value of the assets transferred (or deemed to be transferred) by the Debtors over the tax basis of the Debtors in those assets that would be transferred, the amount of any gain or loss on such liquidations and the availability of NOLs or other tax attributes to offset any gain on the transfer or liquidations, the U.S. Debtors could be subject to material U.S. federal, state or local income tax liability, which amount cannot be determined at this time. Reorganized CURO (and its subsidiaries) would not succeed to any U.S. federal income tax attributes of the U.S. Debtors (such as NOLs, tax credits or tax basis in assets).

If an indirect subsidiary of a newly-formed Reorganized CURO (the “Newco Entities”) purchases assets or stock of the U.S. Debtors pursuant to a Newco Acquisition, such entity will generally take a fair market value basis in the transferred assets or stock. However, if a Newco Acquisition involves a purchase of stock of a U.S. Debtor, such Debtor will retain its basis in its assets unless the parties make an election pursuant to IRC sections 338(g), 338(h)(10) or 336(e) to treat the stock purchase as the purchase of assets. There is no authority directly on point with respect to a transaction structured as a Newco Acquisition and there is no guaranty that the IRS would not take a position contrary to the U.S. Debtors’ reporting of such Newco Acquisition, which position may ultimately be sustained by a court.

Although the U.S. Debtors expect a transfer of the stock or assets of the U.S. Debtors to an indirect subsidiary of a newly formed Reorganized CURO in a transaction intended to qualify as a Newco Acquisition to be treated as a taxable asset acquisition, there is no assurance that the IRS would not take a contrary position and assert that such transaction is instead a tax-free reorganization. Moreover, it is possible that Reorganized CURO may make (or cause its subsidiaries to make) certain elections to cause such transaction to be treated as a tax-free reorganization. If the transfer of the U.S. Debtors’ stock or assets to an indirect subsidiary of a newly formed Reorganized CURO were treated as a tax-free reorganization, Reorganized CURO and its subsidiaries would carry over the tax attributes of the CURO Group (including tax basis in assets), subject to the required attribute reduction attributable to the substantial COD Income incurred in connection with emergence and other applicable limitations (as discussed below). If the Restructuring Transactions were treated as a tax-free reorganization, the impact of the associated Restructuring Transactions to the U.S. Debtors could be materially different from the consequences described herein. The remainder of this disclosure assumes that any sale of the U.S. Debtors’ assets and/or stock to a subsidiary of Reorganized CURO in a transaction intended to qualify as a Newco Acquisition in connection with the Restructuring Transaction will be a taxable sale as described above under “Newco Acquisition”.

2. Restructuring in Place

If the transactions undertaken pursuant to the Plan are structured as a Restructuring in Place, the Restructuring will be subject to the application of section 382 of the IRC and to the rules with respect to cancellation of indebtedness income (“COD Income”), as described below.

a. Cancellation of Debt and Reduction of Tax Attributes

In general, absent an exception, a taxpayer will realize and recognize COD Income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the fair market value of the New Equity Interests, Exit Term Loans, CVRs, plus any other consideration, in each case, given in satisfaction of such indebtedness at the time of the exchange. COD Income should not arise to the extent that payment of the indebtedness would have given rise to a deduction.

Under section 108 of the IRC, a taxpayer will not, however, be required to include COD Income in gross income (i) if the taxpayer is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding, or (ii) to the extent that the taxpayer is insolvent immediately before the discharge. Instead, as a consequence of such an exclusion, a taxpayer-debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. Such reduction in tax attributes occurs only after the tax for the year of the debt discharge has been determined. In general, tax attributes will be reduced in the following order: (a) NOLs and NOL carryforwards; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the Reorganized Debtors remain subject immediately after the discharge); (f) passive activity loss

and credit carryovers; and (g) foreign tax credit carryovers. Deductions deferred under Section 163(j) of the IRC are not subject to reduction under these rules. Any excess COD Income over the amount of available tax attributes will generally not give rise to U.S. federal income tax and will generally have no other U.S. federal income tax impact. Alternatively, a debtor with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC. In such a case, the limitation described in (e) does not apply to the reduction in basis of depreciable property and, following such reduction, any remaining COD Income that is excluded from gross income reduces any remaining tax attributes in the order specified in the second prior sentence. The reduction of the taxpayer's tax attributes occurs at the end of the tax year for which the excluded COD Income is realized, but only after the taxpayer's net income or loss for the taxable year of the debt discharge has been determined; in this way, the attribute reduction is generally effective as of the start of the taxable year following the discharge. If the amount of excluded COD Income exceeds available tax attributes, the excess generally is not subject to U.S. federal income tax.

As noted above, in connection with the Restructuring Transactions, the Debtors expect to realize COD Income. The exact amount of any COD Income that will be realized by the Debtors will not be determinable until the consummation of the Plan because the amount of COD Income will depend, in part, on the fair market value of the New Equity Interest and any other consideration, none of which can be determined until after the Plan is consummated.

b. Limitation on NOLs, 163(j) Deductions, and Other Tax Attributes

After giving effect to the reduction in tax attributes pursuant to excluded COD Income described above, the Reorganized Debtors' ability to use any remaining tax attributes post-emergence will be subject to certain limitations under sections 382 and 383 of the IRC.⁷

Under sections 382 and 383 of the IRC, if the Debtors undergo an "ownership change," the amount of any remaining NOL carryforwards, tax credit carryforwards, deductions deferred under section 163(j) of the IRC, and possibly certain other attributes (potentially including losses and deductions that have accrued economically but are unrecognized as of the date of the ownership change and cost recovery deductions) of the Debtors allocable to periods prior to the Effective Date (collectively, "Pre-Change Losses") that may be utilized to offset future taxable income generally are subject to an annual limitation. For this purpose, if a corporation (or consolidated group) has a net unrealized built-in loss at the time of an ownership change (taking into account most assets and items of "built-in" income and deductions), then generally built-in losses (including amortization or depreciation deductions attributable to such built-in losses) recognized during the following five years (up to the amount of the original net unrealized built-in loss) will be treated as Pre-Change Losses and similarly will be subject to the annual limitation. In general, a corporation's

⁷ The IRS issued proposed regulations in September 2019 that would revoke IRS Notice 2003-65 and make substantial changes to the way limitations under section 382 of the IRC are calculated. The changes would decrease the limitation set forth in section 382 of the IRC in most cases and potentially cause entities that would have had a net unrealized built-in gain under Notice 2003-65 to instead have a net unrealized built-in loss, which would result in additional limitations on the ability to deduct Pre-Change Losses (as defined below). Additionally, the IRS issued further proposed regulations in January 2020 that would provide certain transition relief for the application of any finalized regulation. Under such transition relief, any finalized regulations would apply only to ownership changes occurring 31 days after the regulations are finalized and certain specified and identifiable transactions would be subject to a "grandfathering" rule that allows for application of the prior IRS Notice 2003-65 rules. Additionally, the "grandfathering" rule would also apply as long as a company files its chapter 11 case within 31 days of the issuance of final regulations, even where the applicable ownership change occurs more than 31 days after finalization of the regulations. The Debtors anticipate that the Effective Date will occur before any such finalized regulations would be applicable (or that such a "grandfathering" rule would apply to the Restructuring Transactions) and, accordingly, the remainder of this discussion assumes that Notice 2003-65 will apply to the Reorganized Debtors. In the event the proposed regulations are finalized more than 31 days prior to the Effective Date, and the "grandfather" rule does not apply to prevent the finalized regulations from being applied to the Debtors and/or Reorganized Debtors, the Debtors will make a supplemental filing to explain the potential effect of such finalized regulations.

(or consolidated group's) net unrealized built-in loss will be deemed to be zero unless it is greater than the lesser of (a) \$10,000,000 or (b) 15 percent of the fair market value of its assets (with certain adjustments) before the ownership change.

The rules of section 382 of the IRC are complicated, but as a general matter, the Debtors anticipate that the issuance of New Equity Interests pursuant to the Plan will result in an "ownership change" of the Debtors for these purposes, and that the Reorganized Debtors' use of the Pre-Change Losses will be subject to limitation unless an exception to the general rules of section 382 of the IRC applies.

c. General Section 382 Annual Limitation

In general, the amount of the annual limitation to which a corporation that undergoes an "ownership change" would be subject is equal to the product of (i) the fair market value of the stock of the corporation immediately before the "ownership change" (with certain adjustments), and (ii) the "long-term tax-exempt rate" (which is the highest of the adjusted federal long-term rates in effect for any month in the 3-calendar-month period ending with the calendar month in which the ownership change occurs, currently 3.44 percent for March 2024). The annual limitation may be increased to the extent that the Reorganized Debtors recognize certain built-in gains in their assets during the five-year period following the ownership change or are treated as recognizing built-in gains pursuant to the safe harbors provided in IRS Notice 2003-65. Section 383 of the IRC applies a similar limitation to capital loss carryforwards and tax credits. Any unused limitation may be carried forward, thereby increasing the annual limitation in the subsequent taxable year. If the corporation or consolidated group does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation's Pre-Change Losses (absent any increases due to recognized built-in gains). As discussed below, however, special rules may apply in the case of a corporation that experiences an ownership change as the result of a bankruptcy proceeding.

d. Special Bankruptcy Exceptions

Special rules may apply in the case of a corporation that experiences an "ownership change" as a result of a bankruptcy proceeding. An exception to the foregoing annual limitation rules generally applies when so-called "qualified creditors" of a debtor corporation in chapter 11 receive, in respect of their Claims, at least 50 percent of the vote and value of the stock of the debtor corporation (or a controlling corporation if also in chapter 11) as reorganized pursuant to a confirmed chapter 11 plan (the "382(l)(5) Exception"). If the requirements of the 382(l)(5) Exception are satisfied, a debtor's Pre-Change Losses would not be limited on an annual basis, but, instead, NOL carryforwards would be reduced by the amount of any interest deductions claimed by the debtor during the three taxable years preceding the effective date of the plan of reorganization and during the part of the taxable year prior to and including the effective date of the plan of reorganization in respect of all debt converted into stock pursuant to the reorganization. If the 382(l)(5) Exception applies and the Reorganized Debtors undergo another "ownership change" within two years after the Effective Date, then the Reorganized Debtors' Pre-Change Losses thereafter would be effectively eliminated in their entirety.

Where the 382(l)(5) Exception is not applicable to a corporation in bankruptcy (either because the debtor corporation does not qualify for it or the debtor corporation otherwise elects not to utilize the 382(l)(5) Exception), another exception will generally apply (the "382(l)(6) Exception," and together with the 382(l)(5) Exception, the "Bankruptcy Exceptions"). Under the 382(l)(6) Exception, the annual limitation will be calculated by reference to the lesser of (i) the value of the debtor corporation's new stock (with certain adjustments) immediately after the ownership change or (ii) the value of such debtor corporation's assets (determined without regard to liabilities) immediately before the ownership change. This differs from the ordinary rule that requires the fair market value of a debtor corporation that undergoes

an “ownership change” to be determined before the events giving rise to the change. The 382(l)(6) Exception also differs from the 382(l)(5) Exception in that, under it, a debtor corporation is not required to reduce its NOL carryforwards by the amount of interest deductions claimed within the prior three-year period, and a debtor corporation may undergo a change of ownership within two years without automatically triggering the elimination of its Pre-Change Losses. The resulting limitation would be determined under the regular rules for ownership changes.

The Debtors have not determined whether either the 382(l)(5) Exception or the 382(l)(6) Exception will be available or, if it is available, whether the Reorganized Debtors will elect out of its application.

C. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders of Claims Entitled to Vote on the Plan

As discussed below, the tax consequences of the Plan to Holders of Allowed Claims will depend on a variety of factors.

As an initial matter, whether the Plan is fully or partially taxable will depend on whether it is structured as a Newco Acquisition or a Restructuring in Place and, if the latter, whether the debt instruments being surrendered constitute “securities” for U.S. federal income tax purposes. Whether an Allowed Claim that is surrendered and debt instruments received pursuant to the Plan constitute “securities” is determined based on all the facts and circumstances. Most authorities have held that the length of the term of a debt instrument at initial issuance is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. These authorities have indicated that a term of less than five years is evidence that the instrument is not a security, whereas a term of ten years or more is evidence that it is a security. There are numerous other factors that could be taken into account in determining whether a debt instrument is a security, including the security for payment, the creditworthiness of the obligor, the subordination or lack thereof with respect to other creditors, the right to vote or otherwise participate in the management of the obligor, convertibility of the instrument into an Interest of the obligor, whether payments of interest are fixed, variable, or contingent, and whether such payments are made on a current basis or accrued.

In addition, under the Restructuring in Place, the tax treatment to Holders receiving CVRs will depend, in part, on whether such rights are characterized as a contractual right, debt, or stock. The tax law is not clear as to the proper characterization of the CVRs.

Each U.S. Holder is urged to consult its tax advisor regarding the appropriate status for U.S. federal income tax purposes of its Allowed Claims and any consideration received in respect of such Allowed Claims.

The character of any recognized gain as capital gain or ordinary income will be determined by a number of factors, including the tax status of the U.S. Holder, the nature of the Allowed Claim in such U.S. Holder’s hands (including whether the Allowed Claim constitutes a capital asset), whether the Allowed Claim was purchased at a discount, whether and to what extent the U.S. Holder has previously claimed a bad debt deduction with respect to its Allowed Claim, and whether any part of the Holder’s recovery is treated as being on account of accrued but unpaid interest. Accrued interest and market discount are discussed below.

1. Consequences to U.S. Holders of Prepetition 1L Notes Claims

Pursuant to the Plan, each holder of an Allowed Prepetition 1L Term Loan Claim will receive, in full and final satisfaction of such Claim, its Pro Rata portion of the Second Out Exit Term Loans.

If the Restructuring is effected by a Restructuring in Place and the Prepetition 1L Notes Claims and the Second Out Exit Term Loans constitute “securities” for U.S. federal income tax purposes, the Debtors would expect a U.S. Holder’s exchange of Prepetition 1L Notes Claims for the Second Out Exit Term Loans to constitute a tax-deferred “recapitalization” within the meaning of Section 368(a)(1)(E) of the IRC. In such case, such U.S. Holder should not recognize any gain or loss. Such U.S. Holder should have an aggregate tax basis in the Second Out Exit Term Loans received in exchange for its Claims equal to the U.S. Holder’s tax basis in such Claims. The U.S. Holder’s holding period in the Second Out Exit Term Loans received as part of the tax-deferred exchange generally should include the period the U.S. Holder held its Prepetition 1L Notes Claims.

If either Prepetition 1L Notes Claims or Second Out Exit Terms Loans do not constitute “securities” or the Restructuring is effected through a Newco Acquisition, then a U.S. Holder of a Prepetition 1L Notes Claim should be treated as receiving its distribution under the Plan in a taxable exchange under section 1001 of the IRC. Accordingly, other than with respect to any amounts received that are attributable to accrued but untaxed interest, a U.S. Holder of such a Claim should recognize gain or loss equal to the difference between (a) the issue price of the Second Out Exit Term Loans received in exchange for the Claim and (b) such U.S. Holder’s adjusted basis, if any, in such a Claim. A U.S. Holder of such a Claim should obtain a tax basis in the Second Out Exit Term Loans equal to the fair market value of the Second Out Exit Term Loans as of the Effective Date. The holding period for such Second Out Exit Term Loans should begin on the day following the Effective Date.

2. Consequences to Holders of Prepetition 1.5L Notes Claims

Pursuant to the Plan, each holder of an Allowed Prepetition 1.5L Notes Claim shall receive its Pro Rata share of (a) 100% of the New Equity Interests, less (b) the Prepetition 2L Notes Distribution and the DIP Equity Fees, and (c) all subject to dilution by the Management Incentive Plan.

If the Restructuring is effected by a Restructuring in Place and the Prepetition 1.5L Notes Claims constitute “securities” for U.S. federal income tax purposes, the Debtors would expect a U.S. Holder’s exchange of Prepetition 1.5L Notes Claims for the New Equity Interests to constitute a tax-deferred “recapitalization” within the meaning of Section 368(a)(1)(E) of the IRC. In such case, such U.S. Holder should not recognize any gain or loss. Such U.S. Holder should have an aggregate tax basis in the New Equity Interests received in exchange for its Claims equal to the U.S. Holder’s tax basis in such Claims. The U.S. Holder’s holding period in the New Equity Interests received as part of the tax-deferred exchange generally should include the period the U.S. Holder held its Prepetition 1.5L Notes Claims.

If either Prepetition 1.5L Notes Claims do not constitute “securities” or the Restructuring is effected through a Newco Acquisition, then a U.S. Holder of a Prepetition 1.5L Notes Claim should be treated as receiving its distribution under the Plan in a taxable exchange under section 1001 of the IRC. Accordingly, other than with respect to any amounts received that are attributable to accrued but untaxed interest, a U.S. Holder of such a Claim should recognize gain or loss equal to the difference between (a) the fair market value of the New Equity Interests received in exchange for the Claim and (b) such U.S. Holder’s adjusted basis, if any, in such a Claim. A U.S. Holder of such a Claim should obtain a tax basis in the New Equity Interests, other than any such amounts treated as received in satisfaction of accrued but untaxed interest, equal to the fair market value of the New Equity Interests as of the Effective Date. The tax basis of any New Equity Interests treated as received in satisfaction of accrued but untaxed interest should equal the amount of such accrued but untaxed interest, but in no event should such basis exceed the fair market value of the New Equity Interests received in satisfaction of accrued but untaxed interest. The holding period for such New Equity Interests should begin on the day following the Effective Date.

3. Consequences to Holders of Prepetition 2L Notes Claims

Pursuant to the Plan, each holder of an Allowed Prepetition 2L Notes Claim shall receive New Equity Interest in an amount equal to its Pro Rata share of the Prepetition 2L Notes Distribution, subject to dilution by the Management Incentive Plan.

If the Restructuring is effected by a Restructuring in Place and the Prepetition 2L Notes Claims constitute “securities” for U.S. federal income tax purposes, the Debtors would expect a U.S. Holder’s exchange of Prepetition 2L Notes Claims for the New Equity Interests to constitute a tax-deferred “recapitalization” within the meaning of Section 368(a)(1)(E) of the IRC. In such case, such U.S. Holder should not recognize any gain or loss. Such U.S. Holder should have an aggregate tax basis in the New Equity Interests received in exchange for its Claims equal to the U.S. Holder’s tax basis in such Claims. The U.S. Holder’s holding period in the New Equity Interests received as part of the tax-deferred exchange generally should include the period the U.S. Holder held its Prepetition 2L Notes Claims.

If either Prepetition 2L Notes Claims do not constitute “securities” or the Restructuring is effected through a Newco Acquisition, then a U.S. Holder of a Prepetition 1L Notes Claim should be treated as receiving its distribution under the Plan in a taxable exchange under section 1001 of the IRC. Accordingly, other than with respect to any amounts received that are attributable to accrued but untaxed interest, a U.S. Holder of such a Claim should recognize gain or loss equal to the difference between (a) the fair market value of the New Equity Interests received in exchange for the Claim and (b) such U.S. Holder’s adjusted basis, if any, in such a Claim. A U.S. Holder of such a Claim should obtain a tax basis in the New Equity Interests, other than any such amounts treated as received in satisfaction of accrued but untaxed interest, equal to the fair market value of the New Equity Interests as of the Effective Date. The tax basis of any New Equity Interests treated as received in satisfaction of accrued but untaxed interest should equal the amount of such accrued but untaxed interest, but in no event should such basis exceed the fair market value of the New Equity Interests received in satisfaction of accrued but untaxed interest. The holding period for such New Equity Interests should begin on the day following the Effective Date.

4. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders of Existing CURO Interests

Pursuant to the Plan Holders of Existing CURO Interests shall receive, in full and final satisfaction of such Interests, their pro rata share of CVRs in accordance with the CVR Distribution Framework as further described in Article IV.K of the Plan (or, in the event that a Potential CVR Recipient would be eligible to receive CVRs but for the limitation on the Maximum CVR Recipients, Cash in lieu of CVRs, provided, that if the Cash to be distributed to a particular beneficial holder in lieu of CVRs is less than the minimum distribution amount set forth in Article VI.D.2 of the Plan, then such holder shall not receive any additional Cash nor any rights under or interest in the CVRs).

The Debtors intend to take the position that the CVRs do not constitute “stock” or “debt” and that the exchange of CVRs for Existing CURO Interests constitutes a closed transaction for U.S. federal income tax purposes. There is no authority directly on point with respect to CVRs and there is no guaranty that the IRS would not take a position contrary to the U.S. Debtors’ reporting of such CVRs, which position may ultimately be sustained by a court. Each U.S. Holder is urged to consult its own tax advisor regarding our determination.

If the CVRs do not constitute “stock” or “debt” and the exchange of CVRs for Existing CURO Interests constitutes a closed transaction for U.S. federal income tax purposes, or a U.S. Holder of Existing CURO Interests receives only cash, then a U.S. Holder of Existing CURO Interests should be treated as receiving its distribution under the Plan in a taxable exchange under section 1001 of the IRC. Accordingly, a U.S. Holder of such Existing CURO Interests should recognize gain or loss equal to the difference

between (a) the sum of fair market value of the CVRs and amount of Cash received in exchange for the Claim and (b) such U.S. Holder's adjusted basis, if any, in such Existing CURO Interests. A U.S. Holder of such Existing CURO Interests should obtain a tax basis in the CVRs equal to the fair market value of the CVRs as of the Effective Date. The holding period for such CVRs should begin on the day following the Effective Date. As discussed above, however, other characterizations are possible, and U.S. Holders of Existing CURO Interests should consult its tax advisors about such possible alternative characterizations.

5. Distributions Attributable to Accrued Interest (and OID)

A portion of the consideration received by U.S. Holders of Allowed Claims may be attributable to accrued but untaxed interest (or original issue discount ("OID")) on such Claims. If any amount is attributable to such accrued interest (or OID), then such amount should be taxable to that U.S. Holder as interest income if such accrued interest has not been previously included in the U.S. Holder's gross income for U.S. federal income tax purposes. Conversely, U.S. Holders of Allowed Claims should be able to recognize a deductible loss to the extent any accrued interest on the Claims was previously included in the U.S. Holder's gross income but was not paid in full by the Debtors.

If the fair value of the consideration is not sufficient to fully satisfy all principal and interest on an Allowed Claim, the extent to which such consideration will be attributable to accrued but untaxed interest is unclear. Under the Plan, the aggregate consideration to be distributed to U.S. Holders of Allowed Claims in each Class will be allocated first to the principal amount of such Allowed Claims (as determined for United States federal income tax purposes), with any excess allocated to the remaining portion of such Claims, if any. There is no assurance that the IRS will respect such allocation.

U.S. Holders are urged to consult their own tax advisors regarding the allocation of consideration received under the plan, as well as the deductibility of accrued but unpaid interest and the character of any loss claimed with respect to accrued but unpaid interest previously included in gross income for U.S. federal income tax purposes.

6. Market Discount

Under the "market discount" provisions of the IRC, some or all of any gain realized by a U.S. Holder of an Allowed Claim who exchanges an Allowed Claim on the Effective Date may be treated as ordinary income (instead of capital gain) to the extent of the amount of accrued "market discount" on the debt instruments constituting the exchanged Claim. In general, a debt instrument is considered to have been acquired with "market discount" if it is acquired other than on original issue and if the holder's adjusted tax basis in the debt instrument is less than (i) the sum of all remaining payments to be made on the debt instrument, excluding "qualified stated interest" or (ii) in the case of a debt instrument issued with original issue discount, its adjusted issue price, by at least a de minimis amount (equal to 0.25% of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity).

Any gain recognized by a U.S. Holder on the taxable disposition of an Allowed Claim that had been acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while the Allowed Claim was considered to be held by the U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued). To the extent that the Allowed Claims that were acquired with market discount are exchanged in certain tax-free transactions for other property, any market discount that accrued on the Allowed Claims (i.e., up to the time of the exchange) but was not recognized by the U.S. Holder is carried over to the property received therefor and any gain recognized on the subsequent sale, exchange, redemption, or other disposition of the property is treated as ordinary income to the extent of the accrued, but not recognized, market discount with respect to the exchanged debt instrument. To date, specific Treasury Regulations implementing this rule have not been

issued. U.S. Holders of Allowed Claims who acquired the notes underlying their Allowed Claims with market discount are urged to consult with their own tax advisors as to the appropriate treatment of any such market discount and the timing of the recognition thereof.

7. Issue Price of the Second Out Exit Term Loans

The issue price of the Second Out Exit Term Loans will depend on whether a substantial amount of the Second Out Exit Term Loans or Prepetition 1L Notes Claims are considered to be “traded on an established market.” In general, a debt instrument will be treated as traded on an established market if, at any time during the 31-day period ending 15 days after the issue date, (a) a “sales price” for an executed purchase or sale of the debt instrument during the 31-day period appears on a medium that is made available to issuers of debt instruments, persons that regularly purchase or sell debt instruments, or persons that broker purchases or sales of debt instruments; (b) a “firm” price quote for the debt instrument is available from at least one broker, dealer or pricing service and the quoted price is substantially the same as the price for which the person receiving the quoted price could purchase or sell the debt instrument; or (c) an “indicative” price quote for the debt instrument is available from at least one broker, dealer or pricing service for purchase and the price quote is not a firm quote.

If a debt instrument is treated as traded on an established market, then the issue price of such debt instrument is its fair market value on its date of issuance. Therefore, if the Second Out Exit Term Loans are treated as traded on an established market at the Effective Date, the issue price of the Second Out Exit Term Loans will be their fair market value on the Effective Date.

If the Second Out Exit Term Loans are not part of an issue a “substantial amount” of which are not treated as traded on an established market and the Prepetition 1L Notes Claims are treated as traded on an established market, the issue price of the Second Out Exit Term Loans will be based on the fair market value of the Prepetition 1L Notes Claims. If the issue price of the Second Out Exit Term Loans is determined based on the fair market value of the First Lien Take Back Term Loans or the Prepetition 1L Notes Claims, the Reorganized Debtors would be required to provide to U.S. Holders the Reorganized Debtors’ determination of the issue price of the Second Out Exit Term Loans, and the Reorganized Debtors’ determination of the Second Out Exit Term Loans’ issue price would be binding on U.S. Holders unless the holder explicitly discloses that its determination is different from the Reorganized Debtors’ on its U.S. federal income tax return.

If neither the Second Out Exit Term Loans nor the Prepetition 1L Notes Claims are treated as traded on an established market, the issue price of the Second Out Exit Term Loans is expected to be equal to the stated redemption price at maturity of the Second Out Exit Term Loans.

8. Limitation on Use of Capital Losses

A U.S. Holder of an Allowed Claim who recognizes capital losses as a result of the distributions under the Plan will be subject to limits on the use of such capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods), and also ordinary income to the extent of the lesser of (a) \$3,000 (\$1,500 for married individuals filing separate returns) or (b) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them against future capital gains and a portion of their ordinary income for an unlimited number of years. For corporate U.S. Holders, capital losses may only be used to offset capital gains. A corporate U.S. Holder that has more capital losses than may be used in a tax year may carry back unused capital losses to the three years preceding the capital loss year or may carry over unused capital losses for the five years following the capital loss year.

9. Medicare Tax

Certain U.S. Holders that are individuals, estates, or trusts are required to pay an additional 3.8 percent tax on, among other things, gains from the sale or other disposition of capital assets. U.S. Holders that are individuals, estates, or trusts should consult their tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of any consideration to be received under the Plan.

10. U.S. Federal Income Tax Consequences of Ownership and Disposition of the Second Out Exit Term Loans.

a. Characterization of the Second Out Exit Term Loans

A debt instrument that provides for one or more contingent payments may implicate the provisions of the Treasury Regulations relating to “contingent payment debt obligations,” in which case the timing and amount of income inclusions and the character of income recognized may be different from the consequences described herein. Under such Treasury Regulations, however, one or more contingencies will not cause a debt instrument to be treated as a contingent payment debt instrument if, as of the issue date, such contingencies in the aggregate are considered “remote” or “incidental.”

The Debtors intend to treat the Second Out Exit Term Loans as, and the remainder of this discussion assumes that the Second Out Exit Term Loans will not be treated as contingent payment debt instruments. However, Reorganized CURO’s treatment of the Second Out Exit Term Loans ultimately will be based on the final terms and conditions as between the Debtors and other relevant stakeholders. Such treatment will be binding on a U.S. Holder, unless the U.S. Holder explicitly discloses to the IRS on its tax return for the year during which such U.S. Holder acquires an interest in the Second Out Exit Term Loans that it is taking a different position. Our position will not be binding on the IRS. Each U.S. Holder is urged to consult its own tax advisor regarding our determination.

b. Qualified Stated Interest

A U.S. Holder of the Second Out Exit Term Loans will be required to include stated interest that accrues on the Second Out Exit Term Loans in income in accordance with the U.S. Holder’s regular method of accounting to the extent such stated interest is “qualified stated interest.” Stated interest is generally “qualified stated interest” if it is unconditionally payable in cash or property at least annually at a single fixed rate or, subject to certain conditions, based on one or more interest indices. If any interest payment (or portion thereof) is payable in additional debt instruments of the issuer, such interest payment (or portion thereof) will not be treated as qualified stated interest.

c. Original Issue Discount

A debt instrument generally has OID if its “stated redemption price at maturity” exceeds its “issue price” by more than a de minimis amount (generally 0.25% of the product of the stated redemption price at maturity and the number of complete years to maturity from the issue date).

The amount of OID (if any) on the Second Out Exit Term Loans will be the difference between the “stated redemption price at maturity” (the sum of all payments to be made on the Second Out Exit Term Loans other than “qualified stated interest,” including certain amounts payable upon repayment or redemption of the debt instrument) of the Second Out Exit Term Loans and the “issue price” of the Second Out Exit Term Loans, determined as described above.

A U.S. Holder (whether a cash or accrual method taxpayer) generally will be required to include the OID in gross income (as ordinary interest income) as the OID accrues (on a constant yield to maturity

basis), in advance of the Holder's receipt of cash payments attributable to this OID. In general, the amount of OID includible in the gross income of a U.S. Holder will be equal to a ratable amount of OID with respect to the debt instrument for each day in an accrual period during the taxable year or portion of the taxable year on which a U.S. Holder held the debt instrument. An accrual period may be of any length and the accrual periods may vary in length over the term of the debt instrument, provided that each accrual period is no longer than one year and each scheduled payment of principal or interest occurs either on the final day of an accrual period or on the first day of an accrual period. The amount of OID allocable to any accrual period is an amount equal to the excess, if any, of (i) the product of the debt instrument's adjusted issue price at the beginning of such accrual period and its yield to maturity, determined on the basis of a compounding assumption that reflects the length of the accrual period over (ii) the qualified stated interest payments on the debt instruments allocable to the accrual period. The adjusted issue price of a debt instrument at the beginning of any accrual period generally equals the issue price of the debt instrument increased by the amount of all previously accrued OID and decreased by any cash payments previously made on the debt instrument other than payments of qualified stated interest.

Under applicable Treasury Regulations, in order to determine the amount of qualified stated interest and OID in respect of a variable rate debt instrument for which not all interest is qualified stated interest, an "equivalent fixed rate debt instrument" must be constructed. The "equivalent fixed rate debt instrument" is a hypothetical instrument that has terms that are identical to the debt instrument, except that the equivalent fixed rate debt instrument provides for a fixed rate substitute for each qualified floating rate in lieu of each actual rate on the debt instrument. A fixed rate substitute for each qualified floating rate on the debt instrument is the value of such rate as of its issue date.

Once the equivalent fixed rate debt instrument has been constructed pursuant to the foregoing rules, the amount of OID and qualified stated interest, if any, are determined for the equivalent fixed rate debt instrument by applying the general OID rules to the equivalent fixed rate debt instrument and a U.S. Holder of the Second Out Exit Term Loans will account for such OID and qualified stated interest as if the U.S. Holder held the equivalent fixed rate debt instrument. For each accrual period, appropriate adjustments will be made to the amount of qualified stated interest or OID assumed to have been accrued or paid with respect to the "equivalent" fixed rate debt instrument in the event that such amounts differ from the actual amount of interest accrued or paid on the debt instrument during the accrual period. The stated redemption price at maturity of a debt instrument is the sum of all payments provided by the debt instrument other than payments of qualified stated interest.

d. Sale, Taxable Exchange or other Taxable Disposition

Upon the disposition of the Second Out Exit Term Loans by sale, exchange, retirement, redemption or other taxable disposition, a U.S. Holder will generally recognize gain or loss equal to the difference, if any, between (i) the amount realized on the disposition (other than amounts attributable to accrued but unpaid interest, which will be taxed as ordinary interest income to the extent not previously so taxed) and (ii) the U.S. Holder's adjusted tax basis in the Second Out Exit Term Loans. A U.S. Holder's adjusted tax basis will generally be equal to the holder's initial tax basis in the Second Out Exit Term Loans, increased by any accrued OID previously included in such holder's gross income. A U.S. Holder's gain or loss will generally constitute capital gain or loss and will be long-term capital gain or loss if the U.S. Holder has held such Second Out Exit Term Loans for longer than one year. Non-corporate taxpayers are generally subject to a reduced tax rate on net long-term capital gains. The deductibility of capital losses is subject to certain limitations discussed above.

e. Bond Premium

If a U.S. Holder's initial tax basis in the Second Out Exit Term Loans exceeds the stated redemption price at maturity of such debt instrument, such U.S. Holder will be treated as acquiring the Second Out Exit Term Loans with "bond premium" and will not be required to include OID, if any, in income. Such U.S. Holder generally may elect to amortize the premium over the remaining term of the Second Out Exit Term Loans, on a constant yield method as an offset to qualified stated interest when includible in income under such U.S. Holder's regular accounting method. If a U.S. Holder does not elect to amortize the premium, that premium will decrease the gain or increase the loss such U.S. Holder would otherwise recognize on disposition of the Second Out Exit Term Loans. Bond premium elections involve certain procedural requirements and U.S. Holders are urged to consult their tax advisors if they acquire the Second Out Exit Term Loans with bond premium.

11. U.S. Federal Income Tax Consequences to U.S. Holders of Owning and Disposing of New Equity Interests

a. Dividends on New Equity Interests

Any distributions made on account of the New Equity Interests will generally constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of Reorganized CURO as determined under U.S. federal income tax principles. "Qualified dividend income" received by an individual U.S. Holder is subject to preferential tax rates. To the extent that a U.S. Holder receives distributions that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the U.S. Holder's basis in its shares of the New Equity Interests. Any such distributions in excess of the U.S. Holder's basis in its shares (determined on a share-by-share basis) generally will be treated as capital gain.

Subject to applicable limitations, distributions treated as dividends paid to U.S. Holders that are corporations generally will be eligible for the dividends-received deduction so long as there are sufficient earnings and profits. However, the dividends-received deduction is only available if certain holding period requirements are satisfied. The length of time that a shareholder has held its stock is reduced for any period during which the shareholder's risk of loss with respect to the stock is diminished by reason of the existence of certain options, contracts to sell, short sales, or similar transactions. In addition, to the extent that a corporation incurs indebtedness that is directly attributable to an investment in the stock on which the dividend is paid, all or a portion of the dividends-received deduction may be disallowed.

b. Sale, Redemption, or Repurchase of New Equity Interests

Unless a non-recognition provision applies, U.S. Holders generally will recognize capital gain or loss upon the sale, redemption, or other taxable disposition of the New Equity Interests. Such capital gain will be long-term capital gain if at the time of the sale, exchange, retirement, or other taxable disposition, the U.S. Holder has held the New Equity Interests for more than one year. Long-term capital gains of an individual taxpayer generally are taxed at preferential rates. The deductibility of capital losses is subject to certain limitations as described above. Under the recapture rules of section 108(e)(7) of the IRC, a U.S. Holder may be required to treat gain recognized on the taxable disposition of the New Equity Interests, as applicable, as ordinary income if such U.S. Holder took a bad debt deduction with respect to its Claims or recognized an ordinary loss on the exchange of its Prepetition 1.5L Notes Claims and Prepetition 2L Notes Claims for New Equity Interests.

The treatment of the exchange to the extent a portion of the consideration received is allocable to market discount, which differs from the treatment described above, is discussed above.

D. Certain U.S. Federal Income Tax Consequences of the Plan to Non-U.S. Holders of Allowed Claims

The following discussion includes only certain U.S. federal income tax consequences of the Restructuring Transactions to Non-U.S. Holders. The discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Each Non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, and local and the non-U.S. tax consequences of the consummation of the Plan and the ownership and disposition of the New Equity Interests and Exit Term Loans to such Non-U.S. Holders.

1. Gain Recognition

Any gain realized by a Non-U.S. Holder on the exchange of its Claim under the Plan generally will not be subject to U.S. federal income taxation unless (a) the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Restructuring Transactions occur and certain other conditions are met or (b) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, to the extent that any gain is taxable, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange and in the same manner as a U.S. Holder. To claim an exemption from withholding tax, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a Non-U.S. Holder is a corporation, it may be subject to a branch profits tax equal to 30% (or such lower rate provided by an applicable treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

2. Payments of Interest (Including Accrued Interest on Claims)

Subject to the discussion of FATCA and backup withholding below, payments to a Non-U.S. Holder that are attributable to (x) interest on (or OID accruals with respect to) the Second Out Exit Term Loans and (y) amounts received pursuant to the Plan in respect of accrued but untaxed interest generally will not be subject to U.S. federal income tax or withholding, provided that the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the Non-U.S. Holder is not a U.S. person, unless:

- (i) the Non-U.S. Holder actually or constructively owns 10% or more of the total combined voting power of all classes of the Debtors' stock (in the case of interest payments received pursuant to the Plan) or Reorganized CURO's stock (in the case of interest payments with respect to the Second Out Exit Term Loans) entitled to vote;
- (ii) the Non-U.S. Holder is a "controlled foreign corporation" that is a "related person" with respect to the Debtors (in the case of interest payments received pursuant to the Plan) or Reorganized CURO's stock (in the case of interest payments with respect to the Second Out Exit Term Loans) (each, within the meaning of the IRC);

(iii) the Non-U.S. Holder is a bank receiving interest described in section 881(c)(3)(A) of the IRC; or

(iv) such interest is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States.

A Non-U.S. Holder described in the first three bullets above generally will be subject to withholding of U.S. federal income tax at a 30% rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on (x) interest on (or OID accruals with respect to) the Second Out Exit Term Loans and (y) amounts received pursuant to the Plan in respect of accrued but untaxed interest.

A Non-U.S. Holder described in the fourth bullet above generally will not be subject to withholding tax if it provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, but will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the interest at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty).

3. U.S. Federal Income Tax Consequences to Non-U.S. Holders of Owning and Disposing of Second Out Exit Term Loans Received Under the Plan

a. Payments on Second Out Exit Term Loans

Payments to a Non-U.S. Holder with respect to the Second Out Exit Term Loans that are treated as interest, including payment attributable to any original issue discount (see discussion above) will generally not be subject to U.S. federal income or withholding tax, provided that (i) such Non-U.S. Holder does not actually or constructively own 10 percent or more of the total combined voting power of all classes of the stock of the Purchaser Entities (and has provided the withholding agent with the required statement to that effect), (ii) the Non-U.S. Holder is not a controlled foreign corporation that is related to Reorganized CURO (directly or indirectly) through stock ownership, and (iii) the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E, as applicable, or other applicable IRS Form W-8) establishing that the Non-U.S. Holder is not a U.S. person. A Non-U.S. Holder that does not satisfy the foregoing requirements will generally be exempt from U.S. federal withholding tax with respect to interest paid on the notes if the holder establishes such interest (or original issue discount) is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States (and if an income tax treaty applies, is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) (in which case, provided the Non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the Non-U.S. Holder (x) will generally not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued but unpaid interest (or original issue discount) at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty)).

A Non-U.S. Holder that does not qualify for exemption from withholding tax with respect to interest that is not effectively connected income will generally be subject to withholding of U.S. federal income tax at a 30 percent rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on payments that are attributable to interest, including any OID.

For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, as applicable, or other applicable IRS Form W-8, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business.

b. Sale, Redemption, or Repurchase of the Second Out Exit Term Loans

Any gain recognized by a Non-U.S. Holder on the sale, exchange or other disposition of the Second Out Exit Term Loans (other than an amount representing accrued but untaxed interest (or original issue discount) on the Second Out Exit Term Loans, which is subject to the rules discussed above under "Payments on Second Out Exit Term Loans") will generally not be subject to U.S. federal income taxation unless (i) the Non-U.S. Holder is an individual who was treated as present in the United States for 183 days or more during the taxable year in which the disposition occurs and certain other conditions are met or (ii) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder will generally be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder will generally be subject to U.S. federal income tax with respect to any gain realized on the exchange in the same manner as a U.S. Holder. To claim an exemption from withholding tax, such Non-U.S. Holder will generally be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a Non-U.S. Holder is a corporation for U.S. federal income tax purposes, it may also be subject to a branch profits tax equal to 30 percent (or such lower rate provided by an applicable treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

4. U.S. Federal Income Tax Consequences to Non-U.S. Holders of Owning and Disposing of New Equity Interests

a. Dividends on New Equity Interests

Any distributions made with respect to New Equity Interests will constitute dividends for U.S. federal income tax purposes to the extent of Reorganized CURO's current or accumulated earnings and profits as determined under U.S. federal income tax principles. To the extent that a Non-U.S. Holder receives distributions that would otherwise constitute dividends for U.S. federal income tax purposes but that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the Non-U.S. Holder's basis in its shares. Any such distributions in excess of a Non-U.S. Holder's basis in its shares (determined on a share-by-share basis) will generally be treated as capital gain from a sale or exchange (and the respective excess distributions as proceeds from a sale or exchange).

Except as described below, dividends paid with respect to New Equity Interests held by a Non-U.S. Holder that are not effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (or if an income tax treaty applies, are not attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) will be subject to U.S. federal withholding tax at a rate of 30 percent (or lower treaty rate or exemption from tax, if applicable). A Non-U.S. Holder will generally be required to satisfy certain IRS certification requirements in order to claim a reduction of or exemption from withholding under a tax treaty by filing IRS Form W-8BEN or W-8BEN-E (or successor form) upon which the Non-

U.S. Holder certifies, under penalties of perjury, its status as a non-U.S. person and its entitlement to the lower treaty rate or exemption from tax with respect to such payments. Dividends paid with respect to New Equity Interests held by a Non-U.S. Holder that are effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, are attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) will generally be subject to U.S. federal income tax in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the dividends at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

b. Sale, Redemption, or Repurchase of New Equity Interests

A Non-U.S. Holder will generally not be subject to U.S. federal income tax with respect to any gain realized on the sale or other taxable disposition (including a cash redemption) of New Equity Interests unless:

- (i) such Non-U.S. Holder is an individual who is treated as present in the United States for 183 days or more in the taxable year of disposition and certain other requirements are met;
- (ii) such gain is effectively connected with such Non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States); or
- (iii) such New Equity Interests constitute U.S. real property interests ("USRPIs") by reason of Reorganized CURO's status as a "United States real property holding corporation" ("USRPHC") for U.S. federal income tax purposes at any time within the shorter of the five-year period preceding such disposition or the period in which the Non-U.S. Holder held the New Equity Interests.

If the first exception applies, the Non-U.S. Holder will generally be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition of New Equity Interests.

If the second exception applies, the Non-U.S. Holder will generally be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to earnings and profits effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If the third exception does apply, the Non-U.S. Holder will generally be subject to U.S. federal income tax on any gain recognized on the disposition of all or a portion of its New Equity Interests under the Foreign Investment in Real Property Tax Act ("FIRPTA"). Taxable gain from the disposition of an interest in a USRPHC (generally equal to the difference between the amount realized and such Non-U.S. Holder's adjusted tax basis in such interest) will constitute effectively connected income. Further, the buyer of the New Equity Interests will be required to withhold a tax equal to 15 percent of the amount realized on the sale. The amount of any such withholding would be allowed as a credit against the Non-U.S. Holder's federal income tax liability and may entitle the Non-U.S. Holder to a refund, provided that the Non-U.S. Holder properly and timely files a tax return with the IRS. In the event the New Equity Interests are regularly traded on an established securities market, the withholding obligation described above would not apply, even if a Non-U.S. Holder is subject to the substantive FIRPTA tax and is required to file a U.S.

federal income tax return. The Debtors do not anticipate, based on its current business plans and operations, that Reorganized CURO will be a USRPHC following the Plan. Because the determination of whether Reorganized CURO is a USRPHC depends, however, on the fair market value of its USRPIs relative to the fair market value of its non-U.S. real property interests and its other business assets, there can be no assurance Reorganized CURO will not become a USRPHC in the future.

5. FATCA

Under legislation commonly referred to as the Foreign Account Tax Compliance Act (“FATCA”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income, and, subject to the paragraph immediately below, also include gross proceeds from the sale of any property of a type which can produce U.S.-source interest or dividends. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding.

Withholding with respect to the gross proceeds of a disposition of any stock, debt instrument, or other property that can produce U.S.-source dividends or interest has been eliminated under proposed Treasury Regulations, which can be relied on until final regulations become effective.

Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of FATCA withholding rules on such Non-U.S. Holder.

E. Information Reporting and Back-Up Withholding

The Debtors and applicable withholding agents will withhold all amounts required by law to be withheld from payments of interest and dividends, whether in connection with distributions under the Plan or in connection with payments made on account of consideration received pursuant to the Plan, and will comply with all applicable information reporting requirements. The IRS may make the information returns reporting such interest and dividends and withholding available to the tax authorities in the country in which a Non-U.S. Holder is resident. In general, information reporting requirements may apply to distributions or payments made to a Holder of a Claim under the Plan. Additionally, under the backup withholding rules, a Holder may be subject to backup withholding (currently at a rate of 24 percent) with respect to distributions or payments made pursuant to the Plan unless that Holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact; or (b) timely provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding (generally in the form of a properly executed IRS Form W-9 for a U.S. Holder, and, for a Non-U.S. Holder, in the form of a properly executed applicable IRS Form W-8 (or otherwise establishes such Non-U.S. Holder’s eligibility for an exemption)). Backup withholding is not an additional tax but is, instead, an advance payment that may be refunded to the extent it results in an overpayment of tax; provided that the required information is timely provided to the IRS.

In addition, from an information reporting perspective, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer’s claiming a loss in excess of specified thresholds. Holders subject to the Plan are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the Holders’ tax returns.

XIII. RECOMMENDATION

In the opinion of the Debtors, the Plan is preferable to all other available alternatives and provides for a larger distribution to the Debtors' creditors than would otherwise result in any other scenario. Accordingly, the Debtors recommend that Holders of Claims and Interests entitled to vote on the Plan vote to accept the Plan and support Confirmation of the Plan.

All of the shares of New Equity Interests issued pursuant to the Plan (including the New Equity Interests underlying the New Warrants) shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI hereof shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, including the Governance Documents, which terms and conditions shall bind each Holder receiving such distribution or issuance. Any Holder's acceptance of New Equity Interests shall be deemed as its consent to the terms and conditions of the Governance Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms. The Reorganized Debtors, as the successors-in-interest to the Debtors and the Estates, may, and shall have the exclusive right to, enforce, sue on, settle, compromise, transfer or assign (or decline to do any of the foregoing) any or all of such Causes of Action without notice to or approval from the Bankruptcy Court.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, the Combined Order, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. Except as otherwise set forth herein, the Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity.

The Debtors expressly reserve all Causes of Action for later adjudication by the Debtors or the Reorganized Debtors (including, without limitation, Causes of Action of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time or facts or circumstances that may change or be different from those the Debtors now believe to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon or after the Confirmation or Consummation of this Plan based on the Disclosure Statement, this Plan, or the Combined Order, except in each case where such Causes of Action have been expressly waived, relinquished, released, compromised or settled in this Plan (including, for the avoidance of doubt, pursuant to the Debtor Releases provided in Article VIII.C and the Exculpation contained in Article VIII.E of this Plan) or any other Final Order (including, without limitation, the Combined Order and the DIP Orders). In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits.

In accordance with Bankruptcy Code section 1123(b)(3), except as otherwise provided herein, any Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor. The applicable Reorganized Debtors through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Court.

G. Cancellation of Existing Agreements and Interests.

On the Effective Date, except with respect to the Exit Facility, the Securitization Facilities Amendments, or to the extent otherwise provided in the Plan, including in Article V.A hereof, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including credit agreements and indentures, shall be cancelled and the obligations of all parties thereto, including the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto shall be deemed satisfied in full, cancelled, discharged, and of no force or effect; *provided, however*, that notwithstanding anything to the contrary contained herein, any agreement that governs the rights of the DIP Agent shall continue in effect solely for purposes of allowing the DIP Agent to (i) enforce its rights against any Person other than any of the Released Parties, pursuant and subject to the terms of the DIP Orders and the DIP Facility Documents, (ii) receive distributions under the Plan and to distribute them to the Holders of the Allowed DIP Claims, in accordance with the terms of DIP Orders and the DIP Facility Documents, (iii) enforce its rights to payment of fees, expenses, and indemnification obligations as against any money or property distributable to Holders of Allowed DIP Claims, in accordance with the terms of DIP Orders and the DIP Facility Documents, and (iv) appear and be heard in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court, including to enforce any obligation owed to either of the DIP Agent or Holders of the DIP Claims under the Plan, as applicable. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to this Plan.

Any credit agreement, indenture or other instrument that governs the rights, claims, and remedies of the Holder of a Claim shall continue in full force and effect for purposes of allowing Holders of Allowed Claims to receive distributions under the Plan and to allow Agents/Trustees, as applicable, to enforce its rights to payment of fees, expenses, and indemnification obligations, including preservation of charging liens, as against any money or property distributable to such Holders.

For the avoidance of doubt, any credit agreement or other instrument evidencing claims arising from or related to the Securitization Facilities Amendments shall continue in full force and effect for all purposes.

If the record Holder of the Prepetition 1.5L Notes or Prepetition 2L Notes is DTC or its nominee or another securities depository or custodian thereof, and such Prepetition 1.5L Notes or Prepetition 2L Notes, as applicable, are represented by a global security held by or on behalf of DTC or such other securities depository or custodian, then each such Holder of the Prepetition 1.5L Notes or Prepetition 2L Notes, as applicable, shall be deemed to have

surrendered such Holder's note, debenture, or other evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof.

H. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including: (1) adoption or assumption, as applicable, of the Employment Obligations; (2) selection of the directors, officers, or managers for the Reorganized Debtors (as applicable) in accordance with the Governance Term Sheet; (3) the issuance and distribution of the New Equity Interests and the New Warrants; (4) implementation of the Restructuring Transactions; (5) entry into the Exit Facility Documents; (6) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (7) adoption of the Governance Documents; (8) the assumption or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (9) the entry into the CVR Agreement and the issuance and distribution of the CVRs; and (10) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Reorganized Debtors, and any corporate action required by the Debtors or the Reorganized Debtor, as applicable, in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Reorganized Debtors, as applicable. Before, on or after (as applicable) the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Reorganized Debtors, including the New Equity Interests, the New Warrants, the CVRs, the Governance Documents, the Exit Facility, and the Exit Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Governance Documents.

On or immediately prior to the Effective Date, the Governance Documents shall be adopted or amended in a manner consistent with the terms and conditions set forth in the Governance Term Sheet, as may be necessary to effectuate the transactions contemplated by the Plan. Each of the Reorganized Debtors will file its Governance Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The Governance Documents will prohibit the issuance of non-voting Equity Securities to the extent required under Bankruptcy Code section 1123(a)(6). For the avoidance of doubt, the principal Governance Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Reorganized Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents.

On the Effective Date, Reorganized CURO shall enter into and deliver the New Stockholders Agreement, which shall become effective and binding in accordance with its terms and conditions upon the parties thereto without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Entity. Holders of New Equity Interests shall be deemed to have executed the New Stockholders Agreement and be parties thereto and bound by the terms thereof without the need to deliver signature pages thereto.

J. Directors and Officers of the Reorganized Debtors.

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of CURO shall expire and such Persons shall be deemed to have resigned from the board of directors of CURO, and the members for the initial term of the New Board shall be appointed in accordance with the Governance Documents. The initial members of the New Board will be identified in the Plan Supplement, to the extent known at the time of filing. Each such member and officer of the Reorganized Debtors shall serve from and after the Effective Date pursuant to the terms of the Governance Documents and other constituent documents of the Reorganized Debtors.

K. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Reorganized Debtors, and their respective officers and boards of directors and managers, are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

L. CVR Agreement and CVR Distribution Framework.

On the Effective Date, Reorganized CURO shall enter into the CVR Agreement with the CVR Agent. After the Effective Date, the CVRs shall either be distributed through DTC, or, if the Debtors, upon consultation with the Ad Hoc Group, determine that distribution through DTC is not reasonably practicable, according to the following CVR Distribution Framework:

No later than five (5) days after the Effective Date, Reorganized CURO will mail a notice of the potential right to receive one CVR per share of Existing CURO Interest (the “CVR Notice”) to all known registered and beneficial Holders of Existing CURO Interests as of the Effective Date (immediately prior to the cancellation thereof) (such Holders, the “Potential CVR Recipients”) and each such CVR Notice shall contain (i) information as to the process for a Potential CVR Recipient to receive their CVR (or Cash in lieu of CVR); and (ii) notification that the Potential CVR Recipient will lose the right to obtain any interest in the CVRs (or to obtain Cash in lieu of a CVR distribution) if the CVR Recipient Certification is not received by the CVR Submission Deadline.

In order to obtain any interest in the CVRs, by no later than 90 days after service of the CVR Notice (“CVR Submission Deadline”), Potential CVR Recipients shall be required to return a certification and agreement (the “CVR Recipient Certification”) that will provide for, among other things (“CVR Recipient Conditions”):

- (a) The Potential CVR Recipient shall certify whether or not they are an accredited investor (as defined in Rule 501 promulgated under the Securities Act) (each such accredited investor, an “Accredited Investor”);
- (b) If the Potential CVR Recipient opted-out of the Third-Party Release, such Potential CVR Recipient consents to being deemed to have withdrawn such opt-out upon receipt of the CVRs (or Cash in lieu of the CVRs);
- (c) The Potential CVR Recipient agrees to release (and shall be deemed to have released) any Section 510(b) Claims upon receipt of the CVRs (or Cash in lieu of the CVRs);
- (d) For any beneficial Holders that hold their Existing CURO Interests through a registered broker or agent, a certification from such Holder’s broker or agent as to the amount of shares beneficially owned by such holder as of the Effective Date (immediately prior to the cancellation thereof); and
- (e) Such other standard identification information reasonably requested by the Reorganized Debtors (such as mailing address, contact information, and information related to preferred method of delivery).

Reorganized CURO will distribute the CVRs; *provided* that Reorganized CURO, on the Effective Date, shall be a privately held company whose securities are not required to be registered under the Securities Exchange Act, *provided* further that CVRs shall not be distributed to more than 1,900 beneficial holders of Existing Common Stock Interests, of which no more than 450 shall be non-Accredited Investors (“Maximum CVR Recipients”).

If more Potential CVR Recipients meeting the CVR Recipient Conditions than the Maximum CVR Recipients return a properly executed CVR Recipient Certification by the CVR Submission Deadline, then the Reorganized Debtors shall only distribute the CVRs pursuant to the Plan to the Potential CVR Recipients that hold

the largest percentage of Existing CURO Securities until CVRs have been distributed to the Maximum CVR Recipients. In the event that multiple Potential CVR Recipients hold the same number of shares and all such holders cannot be included due to the Maximum CVR Recipient Requirement, then the Reorganized Debtors shall include such Potential CVR Recipients in alphabetical order (based on last name or entity name) until the Maximum CVR Recipient threshold is reached.

For any Potential CVR Recipient meeting the CVR Recipient Requirements that would have been eligible to receive the CVRs but for the limitation on the Maximum CVR Recipients, the Reorganized Parent shall pay Cash in an amount equal to the value of the CVRs at the Effective Date (“Effective Date CVR Value”) to a particular Holder in lieu of distribution of CVRs to such Holder; *provided*, that if the Cash to be distributed to a particular beneficial Holder in lieu of CVRs is less than the minimum distribution amount set forth in Article VI.D.2 of the Plan, then such Holder shall not receive any additional Cash nor any rights under or interest in the CVRs. The Cash payment will be paid to the address identified by the Potential CVR Recipient on the CVR Recipient Certification. The Effective Date CVR Value will be made available to the Potential CVR Recipients as soon as practicable.

For the avoidance of doubt, any Potential CVR Recipient that does not submit a CVR Recipient Certification by the CVR Submission Deadline shall not receive any interest in the CVRs or any additional Cash payment in lieu of the CVRs.

The CVR Agreement shall be duly authorized without the need for any further corporate action and without any further action by CURO or Reorganized CURO, as applicable.

As a result of the distribution of the CVRs pursuant to the CVR Distribution Framework in accordance with the Plan, the CVRs shall not be listed on a public stock exchange (nor shall Reorganized CURO be under any obligation to list them on a recognized U.S. or any foreign stock exchange) or voluntarily subjected to any reporting requirements promulgated by the SEC.

M. Certain Securities Law Matters.

The offering, issuance, and distribution of the New Equity Interests (other than the DIP Commitment Shares and any New Equity Interests underlying the Management Incentive Plan), as contemplated by Article III of this Plan, after the Petition Date, shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145, and to the extent such exemption is not available, then such New Equity Interests will be offered, issued, and distributed under the Plan pursuant to other applicable exemptions from registration under the Securities Act and any other applicable securities laws. The Debtors believe that either the CVRs shall not constitute a “security” under applicable U.S. securities laws or that the issuance of the CVRs shall be exempt from the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, Bankruptcy Code section 1145.

Such New Equity Interests and CVRs (to the extent such CVRs constitute a “security”), as a result of being offered, issued, and distributed pursuant to Bankruptcy Code section 1145, (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) (A) will be freely tradeable and transferable without registration under the Securities Act in the United States by any recipient thereof that is not an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of Bankruptcy Code section 1145(b)(1) relating to the definition of an underwriter in Bankruptcy Code section 1145(b) and any restrictions in the Governance Documents and CVR Agreement, as applicable, and (B) may not be transferred by any recipient thereof that is an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom (including by complying with the conditions of Rule 144 under the Securities Act with respect to “control securities”).

The DIP Commitment Shares will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or reliance on Regulation S under the Securities Act, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. The New Equity Interests underlying the Management

Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other exemptions from registration, and will be considered “restricted securities.”

The New Equity Interests will be subject to any restrictions in the Governance Documents to the extent applicable. The New Warrants will be subject to any restrictions in the New Warrant Agreement to the extent applicable. Transfer restrictions on the New Warrants will be governed by the Governance Documents and be substantially similar to the transfer restrictions applicable to the New Equity Interests. The CVRs will be subject to any restrictions in the CVR Agreement to the extent applicable and will be non-transferable.

The Reorganized Debtors need not provide any further evidence other than the Plan or the Combined Order to any Entity (including DTC and any transfer agent for the New Equity Interests) with respect to the treatment of the New Equity Interests to be issued under the Plan under applicable securities laws. DTC and any transfer agent for the New Equity Interests shall be required to accept and conclusively rely upon the Plan and Combined Order in lieu of a legal opinion regarding whether the New Equity Interests to be issued under the Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding anything to the contrary in the Plan, no Entity (including DTC and any transfer agent for the New Equity Interests) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Equity Interests to be issued under the Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

The offering, issuance, and distribution of New Equity Interests (other than any New Equity Interests underlying the Management Incentive Plan but including any CVRs to the extent the CVRs are deemed to be securities) pursuant to or in connection with the Plan to persons in Canada will be exempt from the prospectus and registration requirements of applicable Canadian Securities Laws pursuant to Section 2.11 of National Instrument 45-106 “Prospectus Exemptions”. New Equity Interests (including New Equity Interests distributed outside of Canada) will not be freely tradable in Canada and may only be resold to persons in Canada: (a) pursuant to an available exemption from the prospectus and registration requirements of Canadian Securities Laws; (b) pursuant to a final prospectus qualified under applicable Canadian Securities Laws; or (c) if each of the following conditions are satisfied: (i) the issuer of the New Equity Interests has been a reporting issuer in a jurisdiction of Canada of the four months immediately preceding the trade; (ii) the trade is not a “control distribution” within the meaning of Canadian Securities Laws; (iii) no unusual effort is made to prepare the market or create a demand for the security that is the subject of the trade; and (iv) no extraordinary commission or consideration is paid to a person or company in respect of the trade. “Canadian Securities Laws” means, as applicable, the securities laws, regulations, rules, rulings and orders in each of the Provinces and Territories of Canada, and the applicable policy statements, notices, blanket rulings, orders and all other regulatory instruments of the securities regulators in each of such jurisdictions. THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISORS WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER CANADIAN SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS.

N. Section 1146 Exemption.

To the fullest extent permitted by Bankruptcy Code section 1146(a), any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Plan or pursuant to: (1) the issuance, reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Reorganized Debtors; (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for any or all of the Exit Facility; or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of

the Combined Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of Bankruptcy Code section 1146(c), shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

O. Employment Obligations.

Unless otherwise provided herein, and subject to Article V of the Plan, all employee wages, compensation, and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Reorganized Debtors and shall remain in place as of the Effective Date, and the Reorganized Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to Bankruptcy Code section 1129(a)(13), as of the Effective Date, all retiree benefits (as such term is defined in Bankruptcy Code section 1114), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Reorganized Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Reorganized Debtors and such employee.

P. Management Incentive Plan.

On the Effective Date, the New Board shall be authorized to adopt and implement (a) the Management Incentive Plan, which will be on the terms and conditions (including any and all awards granted thereunder) determined by the New Board (including, without limitation, with respect to participants, allocations, duration, timing, and the form and structure of the equity and compensation thereunder) and (b) such other incentive plans as may be agreed to by the New Board.

Q. DTC Eligibility.

The Debtors and the Reorganized Debtors, as applicable, shall use commercially reasonable efforts to promptly make the New Equity Interests, the New Warrants, and CVRs eligible for deposit with DTC.

R. Closing the Chapter 11 Cases.

Upon the occurrence of the Effective Date, the Reorganized Debtors shall be permitted to close all of the Chapter 11 Cases except for one of the Chapter 11 Cases as determined by the Reorganized Debtors, and all contested matters relating to each of the Debtors, including objections to Claims, shall be administered and heard in such Chapter 11 Case. Following entry of the Combined Order, CURO shall seek an order of the Canadian Court permitting the discharge of the Information Officer and termination of the Canadian Recognition Proceeding upon written notice from CURO to the Information Officer that the Effective Date has occurred and the Information Officer's delivery to the CURO of a termination certificate.

ARTICLE V. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption of Executory Contracts and Unexpired Leases.

Each Executory Contract and Unexpired Lease shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under Bankruptcy Code section 365, unless such Executory Contract and Unexpired Lease: (1) was assumed or rejected previously by the Debtors; (2) previously expired or terminated pursuant to its own terms; (3) is the subject of a motion to reject Filed on or before the Effective Date; or (4) is identified on the Rejected Executory Contract and Unexpired Lease List. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Combined Order will constitute an order of the Bankruptcy Court approving the above-described assumptions and assignments.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

B. Indemnification Obligations.

The Debtors, and upon the Effective Date, the Reorganized Debtors, shall assume all of the Indemnification Obligations in place on and before the Effective Date for Indemnified Parties for Claims related to or arising out of any actions, omissions or transactions occurring before the Effective Date.

C. Assumption of the D&O Liability Insurance Policies.

The Debtors, and upon the Effective Date, the Reorganized Debtors, shall assume all of the D&O Liability Insurance Policies pursuant to Bankruptcy Code section 365(a). Unless previously effectuated by separate order entered by the Bankruptcy Court, entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of each of the D&O Liability Insurance Policies and authorization for the Debtors to take such actions, and to execute and deliver such documents, as may be reasonably necessary or appropriate to implement, maintain, cause the binding of, satisfy any terms or conditions of, or otherwise secure for the insureds the benefits of the D&O Liability Insurance Policies.

In addition and for the avoidance of doubt, after the Effective Date, none of the Company Parties shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies covering the Debtors' current boards of directors in effect on or after the Petition Date and, subject to the terms of the applicable D&O Liability Insurance Policies, all directors and officers of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

D. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Entry of the Combined Order shall constitute a Bankruptcy Court order approving the rejections, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan or the Rejected Executory Contract and Unexpired Lease List, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Combined Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Combined Order and served on the Reorganized Debtors no later than thirty (30) days after the effective date of such rejection. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Claims and Noticing Agent within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property, without the need for any objection by the Debtors or Reorganized Debtors, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary. All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to Bankruptcy Code section 365 shall be treated as a General Unsecured Claim pursuant to Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules. Notwithstanding anything to the contrary in the Plan, the Debtors, or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contract and Unexpired Lease List at any time through and including thirty days after the Effective Date.

E. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Reorganized Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the amounts paid or proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty must be Filed with the Bankruptcy Court on or before thirty (30) days after the Effective Date. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of the Cure; *provided* that nothing herein shall prevent the Reorganized Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Reorganized Debtors also may settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before 30 days after the Effective Date. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' or Reorganized Debtors', as applicable, first scheduled omnibus hearing, or such other setting as requested by the Debtors or Reorganized Debtors, for which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of Bankruptcy Code section 365, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable Cure pursuant to this Article V.E shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, and for which any Cure has been fully paid pursuant to this Article V.E, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

F. Insurance Policies.

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims and (2) such insurance policies and any agreements, documents, or instruments relating thereto shall revert in the Reorganized Debtors.

G. Reservation of Rights.

Nothing contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Reorganized Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

H. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to Bankruptcy Code section 365(d)(4).

I. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or the Reorganized Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Combined Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed.

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Disbursing Agent.

All distributions under the Plan shall be made by the Disbursing Agent on the Effective Date. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Delivery of Distributions in General.

Except as otherwise provided herein, the Disbursing Agent shall make distributions to Holders of Allowed Claims as of the Effective Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records (or the records of the DIP Agent and the Prepetition 1L Agent with respect to the DIP Claims and Prepetition 1L Term Loan Claims); (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; (d) with respect to Securities held through DTC, in accordance with the applicable procedures of DTC; or (e) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

2. Minimum Distributions.

No fractional shares of New Equity Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests shall be rounded as follows: (a) fractions of one-half (½) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half (½) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

Except with respect to the ordinary course payment in Cash of interest arising under the Prepetition 1.5L Notes Indenture or the Prepetition 2L Notes Indenture, none of the Reorganized Debtors or the Disbursing Agent shall have any obligation to make a Cash distribution that is less than two hundred and fifty dollars (\$250) to any Holder of an Allowed Claim.

3. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property shall be discharged and forever barred.

E. Manner of Payment.

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary to comply with such withholding and reporting requirements, including

liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan or the Combined Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in this Plan, each Reorganized Debtor may, pursuant to Bankruptcy Code section 553, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and Holder of Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties.

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within 14 days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of

such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the 14-day grace period specified above until the amount is fully repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained herein (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. *Disputed Claims Process.*

1. No Filing of Proofs of Claim or Interest.

Except as otherwise provided in this Plan, Holders of Claims or Interests shall not be required to File a Proof of Claim or proof of interest, and no parties should File a Proof of Claim or proof of interest. All Filed Proofs of Claims shall be deemed objected to and Disputed without further action by the Debtors or Reorganized Debtors; *provided, however*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim or Interest that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan. Instead, the Debtors intend to make distributions, as required by this Plan, in accordance with the books and records of the Debtors. For the avoidance of doubt, the Plan does not intend to impair or otherwise impact the rights of Holders of General Unsecured Claims or the Debtors' customers.

If any such Holder of a Claim or an Interest disagrees with the Debtors' books and records with respect to the Allowed amount of such Holder's Claim or Interest, such Holder must so advise the Debtors in writing within 30 days of receipt of any distribution on account of such Holder's Claim or Interest, in which event the Claim or Interest shall become a Disputed Claim or a Disputed Interest. The Reorganized Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the jurisdiction of the Bankruptcy Court.

Nevertheless, the Reorganized Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection to the allowance of any Claim or Interest or any other appropriate motion or adversary proceeding with respect thereto. All such objections shall be litigated to Final Order; *provided, however*, that the Reorganized Debtors may compromise, settle, withdraw, or resolve by any other method approved by the Bankruptcy Court any objections to Claims or Interests.

Except as otherwise provided herein, all Proofs of Claim Filed before or after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against

any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

2. Claims Estimation.

Any Debtor or Reorganized Debtor, as applicable, may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Bankruptcy Code section 502(c), regardless of whether such Debtor has previously objected to such Claim or whether the Bankruptcy Court has ruled on any objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal related to any such objection. Notwithstanding any provision otherwise in this Plan, a Claim against any Debtor that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or the Reorganized Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned objection, estimation, and resolution procedures are cumulative and are not necessarily exclusive of one another. Claims may be estimated and thereafter resolved by any permitted mechanism.

B. Allowance of Claims and Interests.

Except as expressly provided herein or any order entered in the Chapter 11 Cases on or before the Effective Date (including the Combined Order), no Claim or Interest shall be deemed Allowed unless and until such Claim or Interest is deemed Allowed under the Bankruptcy Code or under this Plan, or the Bankruptcy Court enters a Final Order in the Chapter 11 Cases allowing such Claim under Bankruptcy Code section 502. Except as expressly provided in any order entered in the Chapter 11 Cases on or before the Effective Date (including the Combined Order), the Reorganized Debtors after Confirmation shall have and retain any and all rights and defenses the Debtors had with respect to any Claim or Interest as of the Petition Date.

C. Claims Administration Responsibilities.

From and after the Effective Date, the Reorganized Debtors shall have the exclusive authority to File, settle, compromise, withdraw or litigate to judgment any objections to Claims or Interests as permitted under this Plan. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim or Disputed Equity Interest without approval of the Bankruptcy Court. The Reorganized Debtors shall administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors also reserve the right to resolve any Disputed Claim or Disputed Equity Interest in an appropriate forum outside the jurisdiction of the Bankruptcy Court under applicable governing law.

D. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest, any Claim that is substantiated by an invoice that is invalid, previously rejected, or otherwise deemed erroneous by the Debtors, any Claim asserted solely on the basis of an Equity Interest (other than a 510(b) Claim), or any Claim or Interest that has been paid, satisfied, amended, or superseded, may be adjusted on the Claims Register by the Reorganized Debtors without filing a claim objection and without any further notice or action by the Reorganized Debtors or any order or approval of the Bankruptcy Court.

E. Disallowance of Claims or Interests.

All Claims and Interests of any Entity from which property is sought by the Debtors under Bankruptcy Code sections 542, 543, 550, or 553 or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under Bankruptcy Code sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree

or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned Bankruptcy Code sections; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

ARTICLE VIII. SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Discharge of Claims and Termination of Interests.

Pursuant to Bankruptcy Code section 1141(d), and except as otherwise specifically provided in the Plan, the Combined Order, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in Bankruptcy Code sections 502(g), 502(h), or 502(i), in each case whether or not: (1) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to Bankruptcy Code section 502; or (2) the Holder of such a Claim or Interest has accepted the Plan. The Combined Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

B. Release of Liens.

Except as otherwise provided in the Exit Facility Documents, the Plan, the Combined Order, any Canadian Court order with respect to the Canadian charges, or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 hereof, the Securitization Facilities Claims, and the Postpetition Securitization Facilities Claims, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Combined Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. Releases by the Debtors.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Definitive Documents, and the obligations contemplated by the Restructuring Transactions or as otherwise provided in any order of the Bankruptcy Court or the Canadian Court, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors and the Estates, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of

the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, the Estates, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Canadian Recognition Proceeding, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Securitization Facilities Amendments, the Securitization Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the New Warrants, the CVR Agreement, and all other Definitive Documents, or any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing (the “Debtor Releases”).

Notwithstanding anything to the contrary in the foregoing, the releases set forth in the preceding paragraph shall not release any Released Party from any claim or Cause of Action arising from an act or omission that is determined by a Final Order to have constituted actual fraud, willful misconduct, criminal conduct or gross negligence. For the avoidance of doubt, the “Debtor Releases” set forth above do not release (1) any post-Effective Date obligations of any Entity under this Plan or any document, instrument or agreement executed in connection with this Plan with respect to the Debtors, the Reorganized Debtors or the Estates; or (2) the Causes of Action set forth in the List of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court’s finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties’ contributions to facilitating the Restructuring and implementing the Plan; (2) a good faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors’ Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

D. Releases by Third Parties.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Definitive Documents, the Securitization Facilities Amendments, and the obligations contemplated by the Restructuring Transactions or as otherwise provided in any order of the Bankruptcy Court or the Canadian Court, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties’ authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or

equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Canadian Recognition Proceeding, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the Securitization Facilities Amendments, the Securitization Orders, the New Warrants, the CVR Agreement and all other Definitive Documents, or any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing (the “Third-Party Releases”).

Notwithstanding anything to the contrary in the foregoing, the releases set forth in the preceding paragraph shall not release any Released Party from any claim or Cause of Action arising from an act or omission that is determined by a Final Order to have constituted actual fraud, willful misconduct, criminal conduct or gross negligence.

Entry of the Combined Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court’s finding that the Third-Party Release is: (1) consensual; (2) essential to the confirmation of the Plan; (3) given in exchange for the good and valuable consideration provided by the Released Parties; (4) a good faith settlement and compromise of the Claims released by the Third-Party Release; (5) in the best interests of the Debtors and their Estates; (6) fair, equitable, and reasonable; (7) given and made after due notice and opportunity for hearing; and (8) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

E. Exculpation.

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action in connection with or arising out of the administration of the Chapter 11 Cases, the Canadian Recognition Proceeding, the negotiation and pursuit of the RSA, the Restructuring Transactions, the Governance Documents, the DIP Facility, the DIP Orders, the Canadian Recognition Order or other orders granted in the Canadian Recognition Proceeding, the Disclosure Statement, the Plan Supplement, the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the Exit Facility Documents, the New Warrants, the CVR Agreement and all other Definitive Documents, the solicitation of votes for, or confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the

solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

F. Injunction.

Except as otherwise expressly provided in this Plan or the Combined Order or for obligations issued or required to be paid pursuant to the Plan or the Combined Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, provided however, that no Claim or Cause of Action of any kind may be asserted, commenced or pursued against the Information Officer without leave of the Canadian Court.

The Bankruptcy Court will have sole and exclusive jurisdiction to adjudicate the underlying colorable Claim or Causes of Action other than with respect to the Canadian Recognition Proceeding and the Information Officer.

G. Protections Against Discriminatory Treatment.

Section 5. *Additional Provisions Regarding the Consenting Stakeholders' Commitments.*

5.01. Notwithstanding anything contained in this Agreement, nothing in this Agreement shall:

(a) affect the ability of any Consenting Stakeholder to consult with any other Consenting Stakeholder, the Company Parties, or any other party in interest in the Chapter 11 Cases (including any official committee and the United States Trustee) or the Information Officer appointed in the Canadian Recognition Proceedings, provided that such consultation and any communications in connection therewith do not violate this Agreement or any applicable Confidentiality Agreement;

(b) be construed to prohibit any Consenting Stakeholder from asserting or enforcing rights in any applicable bankruptcy, insolvency, foreclosure or similar proceeding, including the right to appear as a party in interest in any matter to be adjudicated in order to be heard concerning any matter arising in the Chapter 11 Cases or the Canadian Recognition Proceedings; *provided*, that such appearance and the positions advocated in connection therewith (i) are not inconsistent

with this Agreement and (ii) are not for the purpose of hindering, delaying or preventing consummation of the Plan or the Restructuring Transactions;

(c) be construed to impair or limit any rights of any Consenting Stakeholder to purchase, sell or enter into any transactions in connection with its Company Claims/Interests subject to the terms of this Agreement pursuant to Section 8 hereof;

(d) be construed to impair or limit any rights of any Consenting Stakeholder to enforce any right, remedy, condition, consent or approval requirement under this Agreement or any of the Definitive Documents or to contest whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement; or

(e) (i) prevent any Consenting Stakeholder from taking any action which is required by applicable Law, or (ii) require any Consenting Stakeholder to take any action which is prohibited by applicable Law or to waive or forego the benefit of any applicable legal professional privilege; *provided, however*, that if any Consenting Stakeholder proposes to take any action that is otherwise inconsistent with this Agreement in order to comply with applicable Law, such Consenting Stakeholder shall, to the extent reasonably practicable, provide at least three (3) Business Days' advance notice to the Company Parties.

The Parties understand that the Consenting Stakeholders are engaged in a wide range of financial services and businesses. In furtherance of the foregoing, the Parties acknowledge and agree that, unless a Consenting Stakeholder expressly indicates otherwise on its signature page hereto, the obligations set forth in this Agreement shall only apply and are limited to the specific trading desk(s), business group(s), and/or discretionary account(s) of the Consenting Stakeholder holding or beneficially owning the Company Claims/Interests and shall not apply to any other trading desk, business group, or discretionary account of the Consenting Stakeholder; *provided*, that the foregoing shall not diminish or otherwise affect the obligations and liability therefor of any legal entity that (i) executes this Agreement or (ii) on whose behalf this Agreement is executed by a Consenting Stakeholder.

Section 6. *Commitments of the Company Parties.*

6.01. Affirmative Commitments. Except as set forth in Section 7, during the Agreement Effective Period, the Company Parties agree to:

(a) support and take all steps reasonably necessary and desirable to implement and consummate the Restructuring Transactions in accordance with this Agreement;

(b) to the extent any legal or structural impediment arises that would prevent, hinder, or delay the consummation of the Restructuring Transactions contemplated herein, take all steps reasonably necessary and desirable to address any such impediment;

(c) use commercially reasonable efforts to obtain any and all required governmental, regulatory (including self-regulatory) and/or third-party approvals for the Restructuring Transactions;

(d) negotiate in good faith and use commercially reasonable efforts to execute and deliver the Definitive Documents and any other required agreements to effectuate and consummate the Restructuring Transactions as contemplated by this Agreement;

(e) use commercially reasonable efforts to seek additional support for the Restructuring Transactions from their other material stakeholders to the extent reasonably prudent and, to the extent the Company Parties receive any Joinder Agreements or Transfer Agreements, notify counsel to the Ad Hoc Group of such Joinder Agreements and Transfer Agreements;

(f) (i) provide counsel to the Ad Hoc Group a reasonable opportunity to review draft copies of all First Day Pleadings and all application materials to be filed with the Canadian Court and (ii) to the extent reasonably practicable, provide a reasonable opportunity to counsel to the Ad Hoc Group to review draft copies of all other documents that the Company Parties intend to file with the Bankruptcy Court or Canadian Court, as applicable (including all Definitive Documents and any motions, pleadings, declarations, exhibits, and proposed orders related thereto (each of which shall contain terms and conditions consistent with the terms of this Agreement)), and, in each case, consider any such comments in good faith and consistent with their obligations under this Agreement;

(g) provide prompt written notice to counsel to the other Parties hereto (email being sufficient) as soon as reasonably practicable after becoming aware (and in any event within two (2) Business Days after becoming so aware) of (A) the occurrence of any event or circumstance described in Section 11.01; (B) any matter or circumstance that is likely to be a material impediment to the implementation or consummation of the Restructuring Transactions; (C) any notice of any commencement of any insolvency proceeding or legal suit, or enforcement action from or by any person or entity in respect of any Debtor or subsidiary thereof, in each case to the extent that it would materially impede or frustrate the Restructuring Transactions; and (D) any written notice, including from any governmental authority, of any material proceeding commenced or of any material complaints, litigations, investigations, or hearings, or, to the knowledge of the Company Parties, threatened in writing against the Company Parties, relating to or involving the Company Parties (or any communications regarding the same that may be contemplated or threatened);

(h) use commercially reasonable efforts to (A) operate the business of the Company Parties and their direct and indirect subsidiaries in all material respects in the ordinary course in a manner that is consistent with this Agreement, past practices, and in compliance with applicable law, and (B) preserve intact the Company's business organization and relationships with material third parties (including material lessors, licensors, suppliers, distributors and customers) and employees, in each case of (A) and (B), taking into account the Restructuring Transactions and the pendency of the Chapter 11 Cases; and

(i) maintain good standing (or a normal status or its equivalent) under the laws of the jurisdiction or state in which each Company Party is incorporated or organized (other than as a result of the Chapter 11 Cases).

6.02. Negative Commitments. Except as set forth in Section 7, during the Agreement Effective Period, each of the Company Parties shall not directly or indirectly:

- (a) object to, delay, impede, or take any other action to interfere with acceptance, implementation, or consummation of the Restructuring Transactions;
- (b) take any action that is inconsistent in any material respect with, or is intended to frustrate or impede approval, implementation, and consummation of the Restructuring Transactions described in this Agreement or the Plan;
- (c) modify the Plan, in whole or in part, in a manner that is not consistent with this Agreement in all material respects;
- (d) file any motion, pleading, or Definitive Document with the Bankruptcy Court or any other court (including any modifications or amendments thereof) that, in whole or in part, is not materially consistent with this Agreement or the Plan; or
- (e) consummate any material merger, consolidation, disposition, asset sale, equity sale, acquisition, investment, dividend, incurrence of indebtedness or other transaction outside the ordinary course of business (other than the Restructuring Transactions); or
- (f) file or support another party in filing with the Bankruptcy Court or any other court a motion, application, pleading, or proceeding challenging the amount, validity, enforceability, extent, perfection, or priority of, or seeking avoidance or subordination of, any Prepetition 1L Term Loan Claims, Prepetition 1.5L Notes Claims and Prepetition 2L Notes Claims held by any Consenting Stakeholder.

Section 7. *Additional Provisions Regarding Company Parties' Commitments.*

7.01. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Party or the board of directors, board of managers, or similar governing body of a Company Party, after consulting with counsel, to take any action or to refrain from taking any action with respect to the Restructuring Transactions to the extent taking or failing to take such action would be inconsistent with applicable Law or its fiduciary obligations under applicable Law, and any such action or inaction pursuant to this Section 7.01, including a determination to pursue an Alternative Restructuring Proposal, shall not be deemed to constitute a breach of this Agreement (other than solely for the purpose of establishing the occurrence of an event that may give rise to a termination right). The Company shall give prompt written notice to counsel to the Consenting Stakeholders of any determination made in accordance with this Section 7.01.

7.02. Notwithstanding anything to the contrary in this Agreement (but subject to, and solely in the circumstances set forth in, Section 7.01), each Company Party and their respective directors, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the rights to: (a) consider, respond to and facilitate Alternative Restructuring Proposals; (b) provide access to non-public information concerning any Company Party to any Entity or enter into Confidentiality Agreements or nondisclosure

agreements with any Entity; (c) maintain or continue discussions or negotiations with respect to Alternative Restructuring Proposals; (d) otherwise cooperate with, assist, participate in or facilitate any inquiries, proposals, discussions, or negotiation of Alternative Restructuring Proposals; and (e) enter into or continue discussions or negotiations with holders of Claims against or Equity Interests in a Company Party (including any Consenting Stakeholder), any other party in interest in the Chapter 11 Cases (including any official committee and the United States Trustee), or any other Entity regarding the Restructuring Transactions or Alternative Restructuring Proposals.

7.03. Nothing in this Agreement shall: (a) impair or waive the rights of any Company Party to assert or raise any objection permitted under this Agreement in connection with the Restructuring Transactions; or (b) prevent any Company Party from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

Section 8. *Transfer of Company Claims/Interests.*

8.01. During the Agreement Effective Period, no Consenting Stakeholder shall Transfer any ownership (including any beneficial ownership as defined in the Rule 13d-3 under the Securities Exchange Act of 1934, as amended) in any Company Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless:

(a) either (i) the transferee executes and delivers to counsel to the Company Parties and counsel to the Ad Hoc Group, at or before the time of the proposed Transfer, a Transfer Agreement or (ii) the transferee is a Consenting Stakeholder and the transferee provides notice of such Transfer (including the amount and type of Company Claim/Interest Transferred) to counsel to the Company Parties and counsel to the Ad Hoc Group at or before the time of the proposed Transfer; and

(b) in the case of any Company Claims/Interests, the authorized transferee is either (i) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (ii) a non-U.S. person in an offshore transaction as defined under Regulation S under the Securities Act, (iii) an institutional accredited investor (as defined in the Rules), or (iv) a Consenting Stakeholder.

8.02. Upon compliance with the requirements of Section 8.01, the transferee shall be deemed a Consenting Stakeholder, and the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests. Any Transfer in violation of Section 8.01 shall be void *ab initio*.

8.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Company Claims/Interests; *provided, however*, that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the Ad Hoc Group) and (b) such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to

counsel to the Company Parties and counsel to the Ad Hoc Group within five (5) Business Days of such acquisition.

8.04. This Section 8 shall not impose any obligation on any Company Party to issue any “cleansing letter” or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreements.

8.05. Notwithstanding Section 8.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall not be required to execute and deliver a Transfer Agreement in respect of such Company Claims/Interests if (a) such Qualified Marketmaker subsequently transfers such Company Claims/Interests (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund, or affiliated entity with a common investment advisor of the Qualified Marketmaker; (b) the transferee otherwise is a Permitted Transferee under Section 8.01; and (c) the Transfer otherwise is a Permitted Transfer under Section 8.01. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee.

8.06. Notwithstanding anything to the contrary in this Section 8, the restrictions on Transfer set forth in this Section 8 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 9. *Representations and Warranties of Consenting Stakeholders.* Solely with respect to Consenting Stakeholders that are holders of Company Claims/Interests, each such Consenting Stakeholder severally, and not jointly, represents and warrants that, as of the date such Consenting Stakeholder executes and delivers this Agreement and as of the Effective Date:

(a) it is the beneficial or record owner of the face amount of the Company Claims/Interests or is the nominee, investment manager, advisor, or sub-advisor for beneficial holders of the Company Claims/Interests reflected in, and, having made reasonable inquiry, is not the beneficial or record owner of any Company Claims/Interests other than those reflected in, such Consenting Stakeholder’s signature page to this Agreement or a Transfer Agreement, as applicable (as may be updated pursuant to Section 8);

(b) it has the full power and authority to act on behalf of, vote and consent to matters concerning, such Company Claims/Interests and to transfer all of its Company

Claims/Interests referable to it as contemplated by this Agreement subject to applicable Law;

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed; and

(d) (i) it is either (A) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (B) a non-U.S. person (as defined under Regulation S under the Securities Act), or (C) an institutional accredited investor (as defined in the Rules), and (ii) any securities acquired by the Consenting Stakeholder in connection with the Restructuring Transactions will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act.

Section 10. *Additional Representations, Warranties, and Covenants.*

10.01. General Representations, Warranties, and Covenants. Each of the Parties represents, warrants, and covenants to each other Party, as of the date such Party executed and delivers this Agreement, on the Effective Date:

(a) it is validly existing and in good standing under the Laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, the Plan, the Bankruptcy Code or as may be provided by orders of the Canadian Court in the Canadian Recognition Proceedings, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation applicable to it or with any of its articles of association, memorandum of association or other constitutional documents;

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(e) except as expressly provided by this Agreement, it is not party to any agreement, arrangement or understanding related, in each case, to the Restructuring

Transactions or the subject matter of this Agreement, with any other Party to this Agreement that has not been disclosed to all Parties to this Agreement; and

(f) except as expressly provided by this Agreement, all representations, warranties, covenants, and other agreements made by any Consenting 1L Lender that is an investment advisor, sub-advisor, or manager of discretionary accounts are being made only with respect to the Company Claims/Interests managed, advised, or sub-advised by such investment manager, advisor, or sub-advisor (subject to Section 8.03, in the amount identified on the signature page hereto), and shall not apply to (or deemed to be made in relation to) any Company Claims/Interests that are not held through discretionary accounts managed, advised or sub-advised by such investment manager, advisor or sub-advisor.

Section 11. *Termination Events.*

11.01. Consenting Stakeholder Termination Events. This Agreement may be terminated with respect to the Consenting Stakeholders, by the Required Consenting Stakeholders, by the delivery to the Company Parties of a written notice in accordance with Section 14.10 hereof upon the occurrence of any of the following events:

(a) the breach (other than an immaterial breach) in any respect by a Company Party of any of the representations, warranties, or covenants of the Company Parties (i) set forth in this Agreement and (ii) made to, owed to, or for the benefit of the Consenting Stakeholders seeking termination pursuant to this provision, so long as such breach either (x) is due to the Company Parties' failure to comply with Section 6.01(g) after becoming aware of the occurrence of the event or circumstance described in Section 11.01(j) or (y) remains uncured for ten (10) Business Days after such applicable terminating Consenting Stakeholders transmit a written notice in accordance with Section 14.10 hereof detailing any such breach;

(b) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order that (i) enjoins the consummation of, or renders illegal, a material portion of the Restructuring Transactions and (ii) either (A) has been issued at the request of or with the acquiescence of any Company Party or (B) remains in effect for thirty (30) days; *provided*, that this termination right shall not apply to or be exercised by any Consenting Stakeholder that (i) failed to provide information required to process regulatory applications or (ii) sought or requested such ruling or order in contravention of any obligation or restriction set out in this Agreement;

(c) three (3) Business Days after the Bankruptcy Court enters an order denying confirmation of the Plan (or reverses or vacates an order confirming the Plan); *provided*, the Required Consenting Stakeholders and the Company Parties shall use commercially reasonable efforts to agree to an approach to cure any infirmities causing the denial and, if the Required Consenting Stakeholders and the Company Parties have agreed to such approach (evidenced in writing, which may be by email) within three (3) Business Days, then no parties may terminate this Agreement pursuant to this Section 11.01(c);

(d) the entry of an order by the Bankruptcy Court, or the filing of a motion or application by any Company Party seeking an order, (i) dismissing any of the Chapter 11 Cases, (ii) converting one or more of the Chapter 11 Cases of a Company Party to a case under chapter 7 of the Bankruptcy Code, (iii) appointing a trustee or an examiner with expanded powers pursuant to section 1104 of the Bankruptcy Code, (iv) terminating or shortening exclusivity under section 1121 of the Bankruptcy Code, (v) rejecting this Agreement or (vi) the effect of which would render the Restructuring Transactions incapable of consummation on the terms set forth in this Agreement;

(e) any of the Company Parties (i) publicly announces their intention not to support the Restructuring Transactions, (ii) files, publicly announces, or executes a definitive written agreement with respect to an Alternative Restructuring Proposal, or (iii) otherwise provides written notice to the Consenting Stakeholders of a determination not to proceed with the Restructuring Transactions, or to pursue an Alternative Restructuring Proposal, in accordance with Section 7.01;

(viii) the Effective Date occurs on or prior to the date that is one hundred twenty (120) calendar days after the Petition Date;

(g) an order is entered by the Bankruptcy Court granting relief from the automatic stay to the holder or holders of any security interest to permit foreclosure (or the

granting of a deed in lieu of foreclosure on the same) on any assets of any Company Party (other than with respect to assets having an immaterial value to the Company Parties);

(h) any court of competent jurisdiction has entered a judgment or order declaring this Agreement to be unenforceable;

(i) the occurrence of an Event of Default under the DIP Credit Agreement that has not been cured or waived in accordance with the DIP Credit Agreement;

(j) the occurrence of an “Event of Default” or other similar event or circumstance under any Securitization Facility (after giving effect to any amendment, waiver or forbearance, including those entered into as part of the Restructuring Transactions), in each case, after giving effect to any grace period therein, the effect of which “Event of Default” is to cause, or to permit the holder or holders of such Securitization Facility Indebtedness to cause, with or without the giving of notice or lapse of time, such Securitization Facility Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed, or an offer to repurchase, prepay, defease or redeem such Securitization Facility Indebtedness to be made, prior to its stated maturity; *provided that* this Section 11.01(j) shall not apply to any secured Securitization Facility Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Securitization Facility Indebtedness, if such sale or transfer is not prohibited hereunder and permitted under the documents providing for such Securitization Facility Indebtedness and such Securitization Facility Indebtedness is repaid when required under the documents providing for such Securitization Facility Indebtedness; or

(k) any Definitive Document filed by any Company Party, or any related order entered by the Bankruptcy Court in the Chapter 11 Cases, is inconsistent with this Agreement, including the Consenting Stakeholders’ consent rights under this Agreement (in each case implicating a Definitive Document, solely to the extent that the terminating Consenting Stakeholders have consent rights over such Definitive Document), or is otherwise not in accordance with this Agreement in any material respect.

11.02. Company Party Termination Events. The Company Parties may terminate this Agreement as to all Parties upon prior written notice to all Parties in accordance with Section 14.10 hereof upon the occurrence of any of the following events:

(a) the breach (other than an immaterial breach) by Consenting 1L Lenders holding an amount of Prepetition 1L Term Loan Claims that would result in non-breaching Consenting 1L Lenders holding less than two-thirds (2/3) of the aggregate principal amount of Prepetition 1L Term Loan Claims of their undertakings, representations, warranties, or covenants (i) set forth in this Agreement and (ii) made to, owed to or for the benefit of the Company Parties, that remains uncured for a period of five (5) Business Days after the Company Parties transmit a written notice in accordance with Section 14.10 hereof detailing any such breach;

(b) the breach (other than an immaterial breach) in any respect by Consenting 1.5L Noteholders holding an amount of Prepetition 1.5L Notes Claims that would result in

non-breaching Consenting 1.5L Noteholders holding less than two-thirds (2/3) of the aggregate principal amount of Prepetition 1.5L Notes Claims of their undertakings, representations, warranties, or covenants (i) set forth in this Agreement and (ii) made to, owed to, or for the benefit of the Company Parties, that remains uncured for a period of five (5) Business Days after such Company Parties transmit a written notice in accordance with Section 14.10 hereof detailing any such breach;

(c) the breach (other than an immaterial breach) in any respect by Consenting 2L Noteholders holding an amount of Prepetition 2L Notes Claims that would result in non-breaching Consenting 2L Noteholders holding less than two-thirds (2/3) of the aggregate principal amount of Prepetition 2L Notes Claims of their undertakings, representations, warranties, or covenants (i) set forth in this Agreement and (ii) made to, owed to, or for the benefit of the Company Parties, that remains uncured for a period of five (5) Business Days after such Company Parties transmit a written notice in accordance with Section 14.10 hereof detailing any such breach;

(d) the breach (other than an immaterial breach) in any respect by Backstop Commitment Parties that would result in the DIP Facility not being fully funded (in the full amount set forth in the borrowing notice delivered to the DIP Agent) on the date of the Initial Draw or the date of the Final Draw (each, as defined in the DIP Facility Term Sheet) as contemplated by the DIP Facility Term Sheet, that remains uncured for a period of five (5) Business Days after such Company Parties transmit a written notice in accordance with Section 14.10 hereof detailing any such breach;

(e) upon the termination of this Agreement as to all Consenting Stakeholders, by the Required Consenting Stakeholders, pursuant to Section 11.01;

(f) the board of directors, board of managers, or such similar governing body of any Company Party determines, after consulting with counsel, (i) that proceeding with any of the Restructuring Transactions would be inconsistent with the exercise of its fiduciary duties or applicable Law or (ii) in the exercise of its fiduciary duties, to pursue an Alternative Restructuring Proposal;

(g) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for thirty (30) Business Days after such terminating Company Party transmits a written notice in accordance with Section 14.10 hereof detailing any such issuance; *provided*, that this termination right shall not apply to or be exercised by any Company Party that sought or requested such ruling or order in contravention of any obligation or restriction set out in this Agreement; or

(h) three (3) Business Days after the Bankruptcy Court enters an order denying confirmation of the Plan; *provided*, the Required Consenting Stakeholders and the Company Parties shall use commercially reasonable efforts to agree to an approach to cure any infirmities causing the basis for the denial and, if the Required Consenting Stakeholders and the Company Parties have agreed to such approach (evidenced in writing,

which may be by email) within three (3) Business Days, then the Company Parties may not terminate this Agreement pursuant to this Section 11.02(h).

11.03. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among the Required Consenting Stakeholders and the Company Parties.

11.04. Automatic Termination. This Agreement shall terminate automatically without any further required action or notice immediately upon the occurrence of the Effective Date.

11.05. Effect of Termination; Damages. Except as set forth in Section 14.20, upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force and effect as to such Party and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action. Notwithstanding the foregoing, in no event shall any such termination relieve any such applicable Party from (a) any claim for breach of this Agreement or non-performance of its obligations under this Agreement that occurs prior to such Termination Date, and all rights and remedies with respect to such claims shall remain in full force and effect and not be prejudiced in any way by such termination, or (b) any obligations under this Agreement that expressly survive any such termination under this Agreement, including pursuant to Section 14.20 of this Agreement; *provided*, notwithstanding anything to the contrary in this Agreement, none of the Parties shall claim or seek to recover from any other Party on the basis of anything in this Agreement any punitive, special, indirect or consequential damages or damages for lost profits. Upon the occurrence of a Termination Date prior to the Effective Date, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholder, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Stakeholder. No purported termination of this Agreement shall be effective under this Section 11.05 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement, except a termination pursuant to Section 11.02(f) or Section 11.02(h). Nothing in this Section 11.05 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 11.02(f). For the avoidance of doubt, the automatic stay arising pursuant to section 362 of the Bankruptcy Code shall be deemed waived or modified for purposes of providing notice or exercising rights under this Agreement. The Company Parties, to the extent

enforceable, waive any right to assert that the exercise of termination rights under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code and expressly stipulate and consent hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

Section 12. *Amendments and Waivers.*

(a) This Agreement (including as to the required content of any Definitive Document) may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 12.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by the Company Parties and the Required Consenting Stakeholders; *provided, however*, that if the proposed modification, amendment supplement or waiver has a material, disproportionate (as compared to other Consenting Stakeholders holding Claims within the same class as provided for in the Plan), and adverse effect on any of the Company Claims/Interests held by any Consenting Stakeholder(s), then the consent of each such affected Consenting Stakeholder shall also be required to effectuate such modification, amendment, supplement or waiver; *provided, further*, if the proposed modification, amendment supplement or waiver has a material and adverse effect on the holders of the Prepetition 1L Term Loan Claims, Prepetition 1.5L Notes Claims or Prepetition 2L Notes Claims relative to holders of the other classes of such Claims, then the consent of the Required Consenting First Lien Lenders, Required Consenting 1.5L Noteholders or Required Consenting 2L Noteholders, as applicable, shall also be required to effectuate such modification, amendment, supplement or waiver; *provided, further*, any modification, amendment supplement or waiver to Section 4.03 or other provisions directly or indirectly affecting the Backstop Commitment Parties in their capacities as such shall require the consent of each Backstop Commitment Party.

(c) Any proposed modification, amendment, waiver or supplement that does not comply with this Section 12 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 13. *Releases.* The releases set forth in the Plan shall be applicable on the Effective Date.

Section 14. *Miscellaneous.*

14.01. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities Laws, provisions of the Bankruptcy Code, and/or other applicable Law.

14.02. Exhibits Incorporated by Reference; Conflicts. Each of the exhibits, annexes, signatures pages, and schedules attached hereto is expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to the exhibits, annexes, and schedules hereto) and the exhibits, annexes, and schedules hereto, this Agreement (without reference to the exhibits, annexes, and schedules thereto) shall govern. In the event of any conflict among the terms and provisions of the Plan and this Agreement, the terms and provisions of the Plan shall control.

14.03. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transactions and otherwise carry out the purposes and intent of this Agreement, as applicable; *provided, however*, that this Section 14.03 shall not limit the right of any party hereto to exercise any right or remedy provided for in this Agreement (including the approval rights set forth in Section 3.02).

14.04. Complete Agreement. Except as otherwise explicitly provided herein, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Confidentiality Agreement.

14.05. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

14.06. TRIAL BY JURY WAIVER. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING

ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14.07. Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

14.08. Rules of Construction. This Agreement is the product of negotiations among the Company Parties and the Consenting Stakeholders, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The Company Parties and the Consenting Stakeholders were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

14.09. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. There are no third party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other person or entity.

14.11. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

14.12. Enforceability of Agreement. Each of the Parties to the extent enforceable waives any right to assert that the exercise of rights granted under this Agreement (including any termination right) is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising rights granted under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

14.13. Waiver. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

14.14. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any

such breach, including seeking an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

14.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

14.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

14.17. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

14.18. Capacities of Consenting Stakeholders. To the extent applicable, each Consenting Stakeholder has entered into this Agreement on account of all Company Claims/Interests that it holds or beneficially owns (directly or through discretionary accounts that it manages, advises or sub-advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

14.19. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 3.02, Section 12, or otherwise, including a written approval by the Company Parties, the Required Consenting Stakeholders, or any other Consenting Stakeholder, as applicable, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

14.20. Survival of Agreement. Notwithstanding the termination of this Agreement in accordance with its terms, the agreements and obligations of the Parties in Section 13, Sections 14.01 through 14.20, Section 14.21 (to the extent of Consenting Stakeholder Expenses accrued up to and including such Termination Date), and Section 14.22 (and any defined terms used in such Sections) survive such termination and shall continue in full force and effect in accordance with the terms hereof and the Confidentiality Agreements, Joinder Agreement, and Transfer Agreement and/or termination and shall continue in full force and effect for the benefit of the Parties in accordance with the terms hereof and thereof.

14.21. Fees and Expenses. Regardless of whether the Restructuring Transactions are consummated, the Company Parties shall promptly pay in cash all reasonable and documented fees and expenses (without duplication) of (i) Wachtell, as counsel to the Ad Hoc Group, (ii) one local law firm in each relevant jurisdiction (which shall include each of Texas and Canada),

(iii) Houlihan, as financial advisor to the Ad Hoc Group, and (iv) EY, as consultant to the Ad Hoc Group (collectively, the “**Consenting Stakeholder Expenses**”).

14.22. Relationship Among Parties. Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Stakeholders under this Agreement shall be several, not joint. None of the Consenting Stakeholders shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities to each other, any Consenting Stakeholder, any Company Party, or any of the Company Party’s respective creditors or other stakeholders, and there are no commitments among or between the Consenting Stakeholders, in each case except as expressly set forth in this Agreement. It is understood and agreed that any Consenting Stakeholder may trade in any debt or equity securities of any Company Parties without the consent of CURO or any Consenting Stakeholder, subject to Section 8 of this Agreement and applicable securities laws. No prior history, pattern or practice of sharing confidence among or between any of the Consenting Stakeholders, and/or the Company Parties shall in any way affect or negate this understanding and agreement. The Parties have no agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any securities of any of the Company Parties and do not constitute a “group” within the meaning of Section 13(d)(3) of the Exchange Act or Rule 13d-5 promulgated thereunder. For the avoidance of doubt, (a) each Consenting Stakeholder is entering into this Agreement directly with the Company Parties and not with any other Consenting Stakeholder, (b) no other Consenting Stakeholder shall have any right to bring any action against any other Consenting Stakeholder with respect to this Agreement (or any breach thereof), and (c) no Consenting Stakeholder shall, nor shall any action taken by a Consenting Stakeholder pursuant to this Agreement, be deemed to be acting in concert or as any group with any other Consenting Stakeholder with respect to the obligations under this Agreement nor shall this Agreement create a presumption that the Consenting Stakeholders are in any way acting as a group. All rights under this Agreement are separately granted to each Consenting Stakeholder by the Company Parties and vice versa, and the use of a single document is for the convenience of the Company Parties. The decision to commit to enter into the transactions contemplated by this Agreement has been made independently.

EXHIBIT C

DIP Facility Term Sheet

CURO GROUP HOLDINGS CORP.**\$70 MILLION SUPERPRIORITY SENIOR SECURED
DEBTOR-IN-POSSESSION CREDIT FACILITY TERM SHEET**

The terms set forth in this Summary of Principal Terms and Conditions (the “DIP Term Sheet”) are being provided on a confidential basis as part of a comprehensive proposal, each element of which is consideration for the other elements and an integral aspect of the proposed DIP Facility (as defined below). Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Restructuring Support Agreement (the “RSA”) to which this DIP Term Sheet is attached as Exhibit C, the Interim DIP Order (as defined in Schedule A attached to this DIP Term Sheet) attached as Exhibit A to this DIP Term Sheet or the Plan (as defined in the RSA) attached to the RSA as Exhibit B.

Summary of Proposed Terms and Conditions

- Borrower:** CURO Group Holdings Corp., a Delaware corporation (the “Borrower” and, together with its affiliated debtors and debtors-in-possession, the “Debtors”), in its capacity as a debtor and debtor-in-possession in a case (together with the cases of the other Debtors, the “Chapter 11 Cases”) to be filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) and jointly administered with the Chapter 11 Cases of the Guarantors.
- Guarantors:** The obligations of the Borrower shall be unconditionally guaranteed, on a joint and several basis, by each other Debtor that guarantees (or is required to guarantee) the Prepetition 1L Indebtedness (each, a “Guarantor” and, collectively, the “Guarantors”). Each entity that guarantees (or is required to guarantee) the Prepetition 1L Indebtedness shall be a Guarantor and a Debtor.
- DIP Lenders:** (a) OCO (\$7 million) and (b) holders of Prepetition 1L Indebtedness who, on or prior to the DIP Joinder Deadline (as defined below), have (i) executed the RSA and (ii) elected to provide DIP Commitments and DIP Loans (\$63 million allocated pro rata based on holdings of Prepetition First Lien Indebtedness) (the “DIP Lenders”).
- Notwithstanding anything herein to the contrary, each DIP Lender shall be permitted to allocate all or any portion of its DIP Commitments to any of its affiliates or any holder of Prepetition Secured Indebtedness.
- “Required DIP Lenders” means not fewer than two unaffiliated DIP Lenders representing more than 50% of the aggregate DIP Loan Exposure (as defined below).
- DIP Agent:** Alter Domus (US) LLC, in its capacity as administrative agent and collateral agent (together, the “DIP Agent” and, together with the DIP Lenders, the “DIP Secured Parties”).
- DIP Facility:** A superpriority senior secured debtor-in-possession “new money” multidraw term loan credit facility in an aggregate principal amount of \$70 million (the “DIP Facility”; the DIP Lenders’ commitments thereunder, the “DIP Commitments”; the loans thereunder, the “DIP Loans” and, the outstanding DIP

Loans together with the outstanding DIP Commitments as of any time, the “DIP Loan Exposure”; the DIP Lenders’ claims thereunder, the “DIP Claims”), of which (i) an amount of no more than \$25 million will be drawn in a single drawing upon the entry of the Interim DIP Order (such initial draw, the “Initial Draw”), (ii) an amount of, together with the amount of the Initial Draw, no more than \$50 million will be drawn in a single drawing upon entry of the Final DIP Order and the satisfaction or waiver of the other conditions precedent to subsequent draws (such additional draw, the “Second Draw”) and (iii) subject to the consent of the Required DIP Lenders, an additional amount of no more than \$20 million may be drawn in up to two drawings, each of no more than \$10 million, upon entry of the Final DIP Order and the satisfaction or waiver of the other conditions precedent to subsequent draws (the “Delayed Draws”), in each case, subject to the terms and conditions set forth in this DIP Term Sheet and the DIP Loan Documents.

Documentation:

The DIP Facility will be evidenced by a credit agreement (the “DIP Credit Agreement”) based upon the Prepetition 1L Credit Agreement, consistent with this DIP Term Sheet and otherwise in form and substance reasonably satisfactory to the Borrower and the Required Backstop Parties, with such modifications as are necessary to reflect the nature of the DIP Facility as a debtor-in-possession facility, including appropriate qualifications to reflect the commencement and continuation of the Chapter 11 Cases, the events leading up to the Chapter 11 Cases, the effect of the bankruptcy, the conditions in the industry in which the Borrower operate as existing on the Closing Date (as defined below) for the DIP Facility and/or the consummation of transactions contemplated by the Debtors’ “first day” pleadings, and to reflect operational and other matters reasonably acceptable to the Required Backstop Parties and the Debtors (the foregoing, the “Documentation Principles”), security documents, guarantees and other legal documentation (collectively, together with the DIP Credit Agreement, the “DIP Loan Documents”), which DIP Loan Documents shall be in form and substance consistent with the Documentation Principles, this DIP Term Sheet and otherwise reasonably satisfactory to the Required Backstop Parties and the Debtors.

Backstop Commitments

The Backstop Commitment Parties shall backstop the DIP Facility, as set forth in Section 4.03 of the RSA.

“Required Backstop Parties” means not fewer than two unaffiliated Backstop Commitment Parties representing more than 50% of the aggregate Backstop Commitments.

DIP Commitments / Allocation

Following the execution of the RSA, the opportunity to provide DIP Commitments shall be made available, on terms and pursuant to procedures reasonably satisfactory to the Debtors and the Required Backstop Parties, to each holder of Prepetition 1L Indebtedness, so long as such holder executes a joinder to the RSA and elects to provide DIP Commitments prior to a date to be determined by the Debtors, with the consent of the Required Backstop Parties, which date shall be prior to April 8, 2024 (such date, the “DIP Joinder Deadline” and each such holder, an “Additional DIP Lender”). Following entry of the Final DIP Order, the DIP Commitments in respect of the Second Draw will be allocated among the DIP Lenders such that, assuming that the Second Draw is

drawn in full, (a) OCO (and its assignees) shall hold 10% of the aggregate amount of DIP Loans and (b) the remaining aggregate amount of DIP Loans shall be allocated among the DIP Lenders (and their respective assignees) on a *pro rata* basis relative to the principal amount of Prepetition 1L Indebtedness held by each DIP Lender (or its assignors) as of the date of the RSA. The DIP Commitments in respect of the Delayed Draw shall be allocated (x) 10% to OCO (and its assignees) and (y) 90% to other DIP Lenders (and their respective assignees) on a *pro rata* basis relative to the principal amount of Prepetition 1L Indebtedness held by each DIP Lender (or its assignors) as of the date of the RSA. In connection with the DIP Allocation, the DIP Commitments of the Backstop Commitment Parties shall be reduced by the amount of DIP Commitments allocated to the Additional DIP Lenders, which reduction shall be applied *pro rata* among the Backstop Commitment Parties based on their Backstop Commitments.

The Debtors, the Backstop Commitment Parties and the Additional DIP Lenders shall use commercially reasonable efforts to effect the DIP Allocation prior to the Second Draw and shall cooperate with each other and the DIP Agent with respect to the DIP Allocation.

If the DIP Allocation does not occur prior to the date upon which all conditions precedent to the Second Draw as set forth herein and in the DIP Credit Agreement relating to such borrowing are satisfied and such borrowing is to occur, then the Backstop Commitment Parties and the Debtors shall use commercially reasonable efforts to effectuate the DIP Allocation (including by way of assignment of funded DIP Loans) as soon as reasonably possible after such borrowing, it being agreed that the failure of the DIP Allocation to occur prior to the Second Draw shall not affect the availability or amount of the Second Draw.

DIP Conversion:

On the effective date of the Plan, the principal amount of outstanding DIP Loans and all other amounts outstanding under the DIP Facility (except as expressly stated herein) shall be exchanged for an equivalent principal amount of the First-Out Takeback Term Loans as set forth in the Plan (and undrawn commitments with respect to the Delayed Draws shall be exchanged into commitments to fund delayed-draw First-Out Takeback Term Loans as set forth in the Plan), which First-Out Takeback Term Loans shall be subject to definitive documentation consistent with the RSA and the Plan.

Maturity:

Unless converted to First-Out Takeback Term Loans (or, with respect to undrawn Delayed Draw commitments, commitments to fund delayed-draw First-Out Takeback Term Loans) pursuant to the Plan, all obligations under the DIP Loan Documents will be due and payable (and all commitments thereunder will terminate) in full in cash on the earliest of: (a) the date that is six (6) months after the Petition Date; (b) 45 calendar days after the Petition Date if the Final DIP Order has not been entered by such date; (c) the date of acceleration of such obligations in accordance with the DIP Credit Agreement and the other DIP Loan Documents; (d) the effective date of any plan of reorganization or liquidation in the Chapter 11 Cases; (e) the date on which the sale of all or substantially all of the Debtors' assets is consummated; (f) the date on which termination of the RSA occurs; (g) the date the Bankruptcy Court converts any

of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (h) the date the Bankruptcy Court dismisses any of the Chapter 11 Cases; and (i) the date an order is entered in any Chapter 11 Case appointing a Chapter 11 trustee or examiner with enlarged powers.

Amortization:

None.

Budget:

The “Budget” shall consist of a 13-week cash flow budget setting forth all forecasted receipts and disbursements on a weekly basis for such 13-week period beginning as of the week of the Petition Date, broken down by week, including the anticipated weekly uses of the DIP Proceeds for such period and draws under the DIP Facility, which shall include, among other things, available cash, cash flow, trade payables and ordinary course expenses, total expenses and capital expenditures, fees and expenses relating to the DIP Facility, fees and expenses related to the Chapter 11 Cases (including professional fees), and working capital and other general corporate needs. The initial Budget shall be prepared by the Borrower and shall be in form and substance reasonably acceptable to the Required Backstop Parties, and such Budget shall be updated and supplemented in the manner required pursuant to the “Financial Reporting” section below.

Use of Proceeds:

The DIP Loans (other than the proceeds of the Delayed Draws) shall be used solely in accordance with the Budget (subject to permitted variances), and the terms and conditions of the DIP Credit Agreement, the Interim DIP Order, and the Final DIP Order, including to (i) provide working capital and for other general corporate purposes of the Debtors, (ii) fund the costs of the administration of the Chapter 11 Cases and claims or amounts approved by the Bankruptcy Court for payment, including without limitation amounts paid pursuant to customary “first day” orders, and (iii) fund interest, fees, and other payments contemplated in respect of the DIP Facility, in each case to the extent applicable. The proceeds of the Delayed Draws shall be used solely in accordance with the Budget (subject to permitted variances) to fund expansion of the business of the Debtors.

Interest:

S + 10.00% (payable in kind and subject to a 2.50% SOFR floor)

Any overdue amounts in respect of the DIP Loans and all other DIP Obligations will automatically bear interest at the otherwise prevailing interest rate *plus* an additional 2.00% *per annum* (the “Default Rate”).

Backstop Fee:

In exchange for the Backstop Commitments, the Backstop Commitment Parties shall receive a premium equal to 5.00% of the initial Backstop Commitments (the “Backstop Premium”), which shall be fully earned upon entry of the Interim DIP Order and paid (i) to the extent the Plan is consummated, in equity of Reorganized Curo at a 25% discount to the implied equity value provided by the Plan upon effectiveness of the Plan, and (ii) otherwise in cash upon payment in full of the DIP Claims, in each case ratably based on each of the Backstop Commitment Parties’ respective Backstop Commitments. For the avoidance of doubt, only the Backstop Commitment Parties shall be entitled to receive the Backstop Premium.

Any fronting / seasoning fees incurred by the DIP Lenders will be paid out of the proceeds of the DIP Loans.

Voluntary Prepayments:

Prepayable at any time and from time to time, in whole or in part, without premium or penalty.

Mandatory Prepayments:

The DIP Credit Agreement will contain customary mandatory prepayment events for financings of this type consistent with the Documentation Principles and other events agreed to by the Required Backstop Parties and the Borrower (“Mandatory Prepayments”), consisting of prepayments from proceeds of (i) insurance and condemnation proceeds, (ii) debt issuances that are not permitted under the DIP Loan Documents, and (iii) the sale or other disposition of assets outside the ordinary course of business (which, for the avoidance of doubt, shall not include transfers of loan receivables in connection with the Securitization Facilities), in each case, received by a Borrower or any of the Guarantors and subject to exceptions to be agreed.

DIP Collateral:

Subject to customary exceptions and to the Carve-Out, the DIP Facility shall be secured by: (a) priming, automatically perfected first priority (subject to Prepetition Priming Liens) liens and security interests on all collateral securing the Prepetition Secured Indebtedness (such collateral, the “Prepetition Collateral”); (b) automatically perfected first priority liens and security interests on all property of the Debtors that is not subject to valid, perfected and non-avoidable liens as of the Petition Date and the proceeds thereof; and (c) automatically perfected junior liens and security interests on all property of the Debtors that is subject to valid, perfected and non-avoidable liens in existence as of the Petition Date, other than liens securing the Prepetition Secured Indebtedness (“Prepetition Priming Liens”) ((a) through (c) collectively, the “DIP Collateral”); *provided further* that no such liens or security interests shall be granted on any receivables or related assets, or proceeds thereof, transferred to, or constituting collateral of, the Securitization Facilities (as defined below) (as in effect on the date hereof).

All DIP Liens authorized and granted pursuant to the DIP Orders shall be deemed valid, binding, enforceable, effective and automatically perfected and non-avoidable as of the Petition Date, and no further filing, notice, or act under applicable law or otherwise will be required to effect such perfection. The DIP Lenders, or the DIP Agent, acting upon the instruction of the Required DIP Lenders, shall be permitted, but not required, to make any filings, deliver any notices, make recordations, perform any searches or take any other acts as may be necessary under state law or other applicable law in order to enforce the security, perfection or priority of the DIP Liens and the DIP Loans.

Adequate Protection:

Pursuant to sections 361, 363(c), 363(e) and 364(d)(1) of the Bankruptcy Code, as adequate protection of their interests in the Prepetition Collateral in light of the incurrence of the DIP Facility, the imposition of the automatic stay, and the Debtors’ use of the Prepetition Collateral, the Debtors and the DIP Lenders agree to the following forms of adequate protection to be granted to the holders of the Prepetition Secured Indebtedness (the “Adequate Protection”): (a) valid, binding, enforceable and perfected replacement liens on and security interests in the DIP Collateral (the “Adequate Protection Liens”), which Adequate

5. *Bank Accounts.* The Debtors acknowledge and agree that, as of the Petition Date, none of the Debtors has either opened or maintains any bank accounts other than the accounts

listed in the applicable exhibit attached to any motion seeking authorization for the Debtors to continue to use the Debtors' existing cash management system.

6. *Intercreditor Agreements.* The Prepetition 1L Collateral Agent, the Prepetition 1.5L Collateral Agent and the Prepetition 2L Collateral Agent are parties to the Intercreditor Agreement, dated as of May 15, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the "Senior Intercreditor Agreement"). The Prepetition 1.5L Collateral Agent and the Prepetition 2L Collateral Agent are parties to the Intercreditor Agreement, dated as of May 15, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the "Junior Intercreditor Agreement") and, together with the Senior Intercreditor Agreement, the "Intercreditor Agreements"). The Prepetition Loan Parties and each other obligor under the Prepetition Secured Indebtedness acknowledged and agreed to the Senior Intercreditor Agreement and the Junior Intercreditor Agreement. Pursuant to Bankruptcy Code section 510, the Intercreditor Agreements and any other applicable intercreditor or subordination provisions contained in any of the Prepetition 1L Credit Documents, any of the Prepetition 1.5L Notes Documents, or any of the Prepetition 2L Notes Documents shall (a) remain in full force and effect, (b) continue to govern the relative obligations, priorities, rights and remedies of (i) the First Lien Creditors and the Junior Lien Creditors (each as defined in the Senior Intercreditor Agreement) in the case of the Senior Intercreditor Agreement; provided that nothing in this Interim DIP Order shall be deemed to provide liens to any of the First Lien Creditors or the Junior Lien Creditors (each as so defined) on any assets of the Debtors except as set forth herein, and (ii) the 1.5 Lien Creditors and Second Lien Creditors (each as defined in the Junior Intercreditor Agreement) in the case of the Junior Intercreditor Agreement, and (c) not be deemed to be amended, altered or modified by the terms of this Interim DIP Order.

7. *Securitization Facilities.* As set forth in more detail in the Debtors' *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Certain Debtors to Continue Selling Receivables and Related Rights Pursuant to the Securitization Facilities, (II) Modifying the Automatic Stay, (III) Scheduling a Final Hearing, and (IV) Granting Related Relief* (the "Securitization Facilities Motion"), certain of the Debtors are parties to five (5) separate Securitization Facilities (as defined therein) (the "Securitization Facilities" and the agents thereunder, the "Securitization Agents") with the Non-Debtor Purchasers (as defined therein) (the "Non-Debtor Purchasers") under the Securitization Transaction Documents (as defined therein) (the "Securitization Transaction Documents"). Contemporaneously with the filing of the Motion, the Debtors have sought approval to continue the Securitization Facilities in accordance with the terms of any order approving the Securitization Facilities Motion (any interim or final order approving the Securitization Facilities Motion, the "Securitization Facilities Order").

8. *No Control.* As of the Petition Date, none of the Prepetition Secured Parties control any of the Debtors or their properties or operations, have authority to determine the manner in which any of the Debtor's operations are conducted, or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from this Interim DIP Order, the DIP Facility, the DIP Documents or the Prepetition Secured Indebtedness Documents.

F. *Adequate Protection.* The Prepetition Secured Parties are entitled, pursuant to Bankruptcy Code sections 105, 361, 362, 363(e) and 364, as a condition for the use of their Prepetition Collateral, including the Cash Collateral, to adequate protection of their respective interests in the Prepetition Collateral, including the Cash Collateral, to the extent of any postpetition diminution in value of their respective interests in the Prepetition Collateral as of the

Petition Date resulting from, among other things, the Carve Out, the Debtors' use, sale, or lease of the Prepetition Collateral (including Cash Collateral), the grant of a lien under Bankruptcy Code section 364, and/or the imposition of the automatic stay pursuant to Bankruptcy Code section 362(a) ("Diminution in Value"). The foregoing shall not, nor shall any other provision of this Interim DIP Order be construed as, a determination or finding that there has been or will be any Diminution in Value of Prepetition Collateral (including Cash Collateral) and the rights of all parties as to such issues are hereby preserved.

G. *Need to Use Cash Collateral.* The Debtors have requested entry of this Interim DIP Order pursuant to Bankruptcy Rule 4001(b)(2) and have an immediate need to obtain postpetition financing pursuant to the DIP Credit Agreement and to obtain use of the Prepetition Collateral, including the Cash Collateral (subject to and in compliance with the Approved Budget, subject to Permitted Variances (as defined below)), in order to, among other things, (i) permit the orderly continuation of their businesses, (ii) pay certain Adequate Protection Payments (as defined below); (iii) pay the costs of administration of their estates; (iv) maintain sufficient Liquidity (as defined below) to satisfy the certain covenants under the Securitization Facilities requiring the Debtors to maintain a minimum amount of liquidity; and (v) satisfy other working capital and general corporate purposes of the Debtors. An immediate and critical need exists for the Debtors to obtain the DIP Facility and to use the Cash Collateral, consistent with the Approved Budget (subject to Permitted Variances), for working capital purposes, other general corporate purposes of the Debtors, and the satisfaction of costs and expenses of administering the Cases. The ability of the Debtors to obtain liquidity through obtaining the DIP Facility and the use of the Cash Collateral is vital to the Debtors and their efforts to maximize the value of their estates. Absent

entry of this Interim DIP Order, the Debtors' estates and reorganization efforts will be immediately and irreparably harmed.

H. ***Best Terms.*** As set forth in the Motion and the Oppenheimer Declaration, the Debtors are unable to obtain postpetition financing or other financial accommodations on more favorable terms under the circumstances from sources other than the DIP Lenders pursuant to the terms and provisions of the DIP Credit Agreement and the DIP Documents and are unable to obtain satisfactory unsecured credit allowable under Bankruptcy Code section 503(b)(1) or secured credit allowable only under Bankruptcy Code sections 364(c)(1), 364(c)(2) or 364(c)(3). The Debtors, therefore, must grant, for the benefit of the DIP Lenders, priming liens under Bankruptcy Code section 364(d)(1) and a DIP Superpriority Claim (as defined below) on the terms and conditions set forth in this Interim DIP Order and the DIP Credit Agreement.

I. ***Sections 506(c) and 552(b).*** In consideration of (i) the DIP Secured Parties' willingness to provide the DIP Facility to the extent set forth herein, (ii) the DIP Secured Parties' and the Prepetition Secured Parties' agreement to subordinate their respective liens and claims to the Carve-Out, (iii) the Prepetition Secured Parties' agreement to subordinate their respective liens and superpriority claims to the DIP Obligations and the Carve Out, (iv) the application and use of Cash Collateral as set forth in this Interim DIP Order, subject to and upon entry of the Final DIP Order, each DIP Secured Party and Prepetition Secured Party is entitled to (x) the rights and benefits of Bankruptcy Code section 552(b), and a waiver of any "equities of the case" claims under Bankruptcy Code section 552(b), (y) a waiver of the provisions of Bankruptcy Code section 506(c) and (z) a waiver of unjust enrichment, the equitable doctrine of marshaling and other similar doctrines.

J. **Notice.** In accordance with Bankruptcy Rules 2002, 4001(b) and (c), and 9014, and Local Rule 4001-2, notice of the Interim Hearing and the emergency relief requested in the Motion has been provided by the Debtors. Under the circumstances, the notice given by the Debtors of the Motion, the relief requested herein, and of the Interim Hearing complies with Bankruptcy Rules 2002, 4001(b) and (c), and 9014 and Local Rule 4001-2.

K. **Consent by Prepetition Secured Parties.** To the extent required, the requisite Prepetition Secured Parties have not objected, have consented or are deemed to consent under the applicable Intercreditor Agreement to the Debtors' obtaining of the DIP Facility, use of Cash Collateral, and the other transactions contemplated hereby in accordance with and subject to the terms and conditions provided for in this Interim DIP Order.

L. **Relief Essential; Best Interest.** The Debtors have requested entry of this Interim DIP Order pursuant to Bankruptcy Rule 4001(b)(2) and Local Rule 4001-2. The relief requested in the Motion (and as provided in this Interim DIP Order) is necessary, essential, and appropriate for the continued operation of the Debtors' businesses and the management and preservation of the Debtors' assets and the property of their estates. It is in the best interest of the Debtors' estates that the Debtors be allowed to obtain the DIP Facility and to use the Cash Collateral under the terms hereof. The Debtors have demonstrated good and sufficient cause for the relief granted herein.

M. **Arm's-Length, Good Faith Negotiations.** The terms of the DIP Facility pursuant to this Interim DIP Order were negotiated in good faith and at arm's-length between the Debtors, the DIP Secured Parties and the Prepetition Secured Parties. The DIP Secured Parties and the Prepetition Secured Parties have acted without negligence or violation of public policy or law in respect of all actions taken by them in connection with or related in any way to negotiating,

implementing, documenting, or obtaining requisite approvals of the obtaining of the DIP Facility and the use of Cash Collateral, including in respect of the granting of DIP Liens (as defined below) and the Adequate Protection Liens (as defined below) and all documents related to and all transactions contemplated by the foregoing.

Now, therefore, upon the record of the proceedings heretofore held before this Court with respect to the Motion, the evidence adduced at the Interim Hearing, and the statements of counsel thereat, and based upon the foregoing findings and conclusions,

IT IS HEREBY ORDERED THAT:

1. ***Motion Granted.*** The Motion is granted on an interim basis as set forth herein, and incurrence of the DIP Obligations and the use of Prepetition Collateral (including, without limitation, Cash Collateral) on an interim basis is authorized, subject to the terms and conditions of this Interim DIP Order.

2. ***Objections Overruled.*** Any objections to the Motion with respect to the entry of this Interim DIP Order that have not been withdrawn, waived or settled and all reservations of rights included therein, are hereby denied and overruled with prejudice.

3. ***Authorization of the DIP Facility and the DIP Documents.***

(a) The Debtors are hereby expressly authorized to execute, enter into and perform under the DIP Credit Agreement and the other DIP Documents, which are each hereby approved.

(b) Upon entry of this Interim DIP Order, the Debtors are immediately authorized, without any further action by the Debtors or any other party, subject to the terms and conditions of this Interim DIP Order, the DIP Credit Agreement, and the other DIP Documents, to borrow an initial aggregate principal amount of no more than \$25,000,000 of DIP Loans (with any

backstop commitment fee paid in kind being incremental thereto) pursuant to the Initial Draw pursuant to the terms and provisions of the DIP Credit Agreement, the other DIP Documents, and this Interim DIP Order, and to incur and pay the principal, interest, premium, fees (including the DIP Fees (as defined below)), indemnities, expenses and other amounts provided for in the DIP Credit Agreement, the other DIP Documents, and this Interim DIP Order, pursuant to the terms and provisions thereof, subject to any limitations on availability or borrowing under the DIP Credit Agreement, the other DIP Documents, and this Interim DIP Order, which borrowings shall be used for all purposes as permitted under the DIP Credit Agreement, the other DIP Documents, and this Interim DIP Order (including pursuant to the Approved Budget (as defined below), subject to Permitted Variances (as described below)).

(c) In furtherance of the foregoing, and without further approval of this Court, the Debtors are authorized, and the automatic stay imposed by Bankruptcy Code section 362 is hereby lifted solely to the extent required to allow the Debtors, to perform all acts and to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of pledge and security agreements, financing statements, and other similar documents) that may be reasonably required, appropriate or desirable for the Debtors' performance of their obligations under or related to the DIP Facility, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Credit Agreement and the other DIP Documents and any collateral documents contemplated thereby;

(ii) the non-refundable and irrevocable payment to the DIP Agent and the DIP Lenders, as the case may be, of all premiums, fees and expenses (which premiums,

fees and expenses, in each case, were and were deemed to have been approved upon entry of this Interim DIP Order, whether or not the fees and expenses arose before or after the Petition Date, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law, or otherwise), and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the DIP Credit Agreement and the other DIP Documents, with respect to those indemnified and/or reimbursable parties specifically set forth therein, including, without limitation, reimbursement of the reasonable and documented fees and out-of-pocket expenses incurred (with respect to Houlihan (as defined below) and EY (as defined below) to the extent consistent with the applicable engagement or reimbursement letters entered into by any of the Debtors) by (i) Wachtell, Lipton, Rosen & Katz, as counsel to the DIP Agent, the Prepetition 1L Agent and the Ad Hoc Group (as defined in the *Restructuring Support Agreement*, dated as of March 22, 2024, by and among the Debtors and the Prepetition Secured Parties party thereto (as amended, restated, supplemented or otherwise modified, the “RSA”)) (“Wachtell”), (ii) Vinson & Elkins LLP, as Texas counsel to the Ad Hoc Group (“V&E”), (iii) Canadian counsel to the DIP Agent, the Prepetition 1L Agent and/or the Ad Hoc Group, if any, (iv) Ernst & Young LLP, as consultant to the Ad Hoc Group (“EY”), and (v) Houlihan Lokey Capital, Inc., as financial advisor to the Ad Hoc Group (“Houlihan” and, together with Wachtell, V&E and EY, the “DIP/Prepetition 1L Advisors”) (collectively, the “DIP Fees”);

(iii) the granting of all liens and claims with respect to, and the making of any payments in respect of, the Adequate Protection Obligations (as defined below) to the extent provided for in this Interim DIP Order; and

(iv) the performance of all other acts necessary, appropriate, or desirable under, or in connection with, the DIP Credit Agreement and the other DIP Documents.

4. ***DIP Obligations.*** Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding, and non-avoidable obligations of the Debtors party thereto, enforceable in accordance with the terms of this Interim DIP Order, the DIP Credit Agreement, and the other DIP Documents, against the Debtors party thereto and their estates and any successors thereto, including any trustee appointed in the Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing. Except as permitted by this Interim DIP Order, no obligation, payment, transfer, or grant of security hereunder or under the DIP Credit Agreement or the other DIP Documents to the DIP Agent and/or the DIP Lenders shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under applicable law (including, without limitation, under Bankruptcy Code sections 502(d), 544, and 547 to 550, or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or challenge, whether under the Bankruptcy Code or any other applicable law or regulation by any person or entity for any reason.

5. ***DIP Liens.*** Subject and subordinate to the Carve Out and to the provisions set forth in this Paragraph 5, effective immediately upon entry of this Interim DIP Order and perfected automatically hereunder as of the Petition Date and without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or by possession or control, the DIP Obligations shall be secured by valid, binding, continuing, enforceable, fully-perfected, non-avoidable, automatically and properly perfected liens on, and security interests in (such liens and security interests, the “DIP Liens”) all (i) the Prepetition Collateral and (ii) all of the DIP Borrower’s and the Guarantors’ other now-owned and hereafter-acquired real and personal property, assets and rights of any kind or nature, wherever located, whether encumbered or unencumbered, including, without limitation, all prepetition property and postpetition property of the DIP Borrower and Guarantors’ estates, and the proceeds, products, rents and profits thereof, whether arising from Bankruptcy Code section 552(b) or otherwise, including, without limitation, all equipment, goods, accounts, cash, payment intangibles, bank accounts and other deposit or securities accounts of the DIP Borrower and the Guarantors (including any accounts opened prior to, on, or after the Petition Date), insurance, equity interests, intercompany claims, accounts receivable, other rights to payment, general intangibles, contracts, securities, chattel paper, interest rate hedging agreements, owned real estate, real property leaseholds, fixtures, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, causes of action (other than those arising under Bankruptcy Code sections 544, 547, 548 and 549 and any related action under Bankruptcy Code section 550 (the “Avoidance Actions”)), and any and all proceeds, products, rents, and profits of the foregoing, and proceeds of Avoidance Actions (all property identified in this Paragraph 5, subject to the following provisos, being collectively

referred to as the “DIP Collateral”); provided that, for the avoidance of doubt and notwithstanding anything to the contrary herein, the DIP Collateral shall exclude (i) all Excluded Assets (as defined in the DIP Credit Agreement), (ii) any of the foregoing to the extent a lien cannot attach to such property, assets or rights pursuant to applicable law, provided the liens granted pursuant to this Interim DIP Order shall, attach to the Debtors’ economic rights, including, without limitation, any and all proceeds of the foregoing, and (iii) (x) any and all Receivables originated and sold pursuant to the Securitization Facilities to the Non-Debtor Purchasers (including any such Receivables purported to be sold pursuant to the Securitization Facilities but subsequently avoided or recharacterized as an extension of credit or a pledge) prepetition or postpetition and any proceeds thereof and (y) any claims or causes of action held by the Non-Debtor Purchasers arising on account of transfers of Receivables to the Non-Debtor Purchasers (the assets described in this clause (iii), “Transferred Receivables Assets”). The DIP Agent shall have a security interest in any residual cash balance remaining in the Carve Out Reserves (as defined below) after all obligations benefitting from the Carve Out have been indefeasibly paid in full in cash pursuant to a final non-appealable order of this Court (or such other Court of competent jurisdiction), which residual balance shall be paid to the DIP Agent for application in accordance with the DIP Credit Agreement (such security interest on residual cash balances remaining in the Carve Out Reserves, the “Carve Out Security Interest”). The Carve Out shall be senior to the DIP Liens, the Prepetition Liens, the Adequate Protection Liens and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Indebtedness whatsoever. The DIP Liens will otherwise have the following priorities:

(a) Pursuant to Bankruptcy Code section 364(c)(2), a valid, binding, continuing, enforceable, non-avoidable, automatically fully-perfected, first-priority senior security

interest in and lien upon all of the DIP Collateral, whether existing on the Petition Date or thereafter created, acquired or arising, and wherever located, that, on or as of the Petition Date, is not subject to Prepetition Liens or any other valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)), subject and subordinate only to (x) the Carve Out, and as to the Carve Out Reserves and funds therein, to the extent of any Carve Out Security Interest, and (y) the Receivables Liens (as defined in the Interim Securitization Order) (which shall apply solely to all rights of the Originators (as defined in the Interim Securitization Order) in the Receivables originated and purported to be sold through the Securitization Facilities on or after the Petition Date, whether existing on the Petition Date or thereafter arising or acquired) and the Pledge Liens (as defined in the Interim Securitization Order) (which apply solely to all limited liability company interests and all other equity interests in each case in the respective Non-Debtor Purchasers, and all proceeds and products thereof) (collectively, the “Securitization Liens”); and

(b) Pursuant to Bankruptcy Code section 364(d)(1), a valid, binding, continuing, enforceable, non-avoidable, automatically fully perfected, first-priority senior priming security interest and lien (the “Priming Liens”) on all DIP Collateral, whether in existence on the Petition Date or thereafter created, acquired, or arising, and wherever located, to the extent that such DIP Collateral is subject to any of the Prepetition Liens or any other valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)), subject and subordinate only to the Carve Out and to the Permitted Prior Liens and as to the Carve Out Reserves, and funds therein, to the extent of any Carve Out Security Interest. The Priming Liens shall prime in all respects the liens and security interests of the Prepetition Secured Parties (including, without limitation, the Prepetition Liens and the Adequate

Protection Liens) (the “Primed Liens”). Notwithstanding anything herein to the contrary, the Priming Liens (x) shall be subject and immediately junior to the Permitted Prior Liens and will have no recourse to the Carve Out Reserves, or the funds therein (other than to the extent of the Carve Out Security Interest on the terms therein and in all cases, for the avoidance of doubt, subject and subordinate to the Carve Out), in all respects, (y) shall be subject and subordinate to the Securitization Liens, and (z) shall be senior in all respects to the Primed Liens.

(c) The DIP Liens shall be entitled to the full protection of Bankruptcy Code section 364(e) if this Interim DIP Order or any provision hereof is vacated, reversed, or modified on appeal.

6. ***DIP Superpriority Claims.*** Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the DIP Borrower and the Guarantors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Borrower and the Guarantors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Bankruptcy Code sections 503(b) and 507(b) and any and all administrative expenses or other claims arising under Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 362, 364, 365, 503(b), 506(c) (subject to Paragraph 19 herein), 507(a), 507(b), 726, 1113, or 1114 (including the Adequate Protection Superpriority Claims (as defined below)), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (the “DIP Superpriority Claims”) shall, for purposes of Bankruptcy Code section 1129(a)(9)(A), be considered administrative expenses allowed under Bankruptcy Code section 503(b), and which DIP Superpriority Claims shall be payable from, and have recourse to, all prepetition and postpetition property of the DIP

Borrower and the Guarantors and all proceeds thereof in accordance with the DIP Credit Agreement, the other DIP Documents, and this Interim DIP Order, subject and subordinate only to (a) payment in full of the superpriority administrative expense claims granted by certain Debtors under the Securitization Facilities Order (the “Superpriority Securitization Facilities Claims”), which Superpriority Securitization Facilities Claims shall be *pari passu* with the DIP Superpriority Claims, and (b) payment in full of the Carve Out, which is senior in priority to the DIP Superpriority Claims, and provided that the DIP Superpriority Claims will have no recourse to the Carve Out Reserves, or the funds therein, except to the extent of any Carve Out Security Interest on the terms set forth herein after payment in full of the Carve Out. The DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) if this Interim DIP Order or any provision hereof is vacated, reversed, or modified on appeal. Notwithstanding the grant of the DIP Superpriority Claims or anything else to the contrary set forth herein or otherwise, each DIP Lender shall be deemed to have consented to the treatment set forth in the Plan (as defined in the RSA).

7. *Authorization to Use Cash Collateral; Budget.*

(a) *Authorization.* Subject to the terms and conditions of this Interim DIP Order, the Court hereby authorizes the Debtors’ use of the proceeds of the DIP Facility and Cash Collateral during the period beginning with the Petition Date and ending on the DIP Termination Date (as defined below), in each case, solely and exclusively in a manner consistent with this Interim DIP Order and the Approved Budget (subject to Permitted Variances), and for no other purposes.

(b) *Approved Budget; Budget Period.* As used in this Interim DIP Order:

(i) “Approved Budget” means the last budget delivered to and agreed with the DIP Agent acting

at the direction of the Required DIP Lenders prior to the Petition Date, including for the thirteen-week period reflected on the budget attached as Exhibit 1 hereto, as such Approved Budget may be modified from time to time by the Debtors subject to not receiving notice of an objection from the DIP Agent acting at the direction of the Required DIP Lenders in their reasonable discretion as set forth in Paragraph 7(e) of this Interim DIP Order; and (ii) “Budget Period” means the rolling four-week (4-week) period set forth in the Approved Budget in effect at such time.

(c) *Budget Testing.* The Debtors may use proceeds of the DIP Facility and Cash Collateral strictly in accordance with the Approved Budget, subject to Permitted Variances. Permitted Variances shall be tested on a rolling four (4) week basis beginning with the period ending on the fourth (4th) Friday following the Petition Date and on every second Friday thereafter (each such date, a “Testing Date”). On or before 5:00 p.m. (prevailing Central time) on the fourth (4th) business day following each Testing Date, the Debtors shall prepare and deliver to the DIP Agent and Wachtell, as counsel to the DIP Agent, in the form attached hereto as Exhibit 2 or otherwise reasonably satisfactory to the DIP Agent, a variance report (the “Variance Report”) setting forth: (i) the Debtors’ actual disbursements, excluding Restructuring Professional Fees (as defined below) (the “Actual Disbursements”) on a line-by-line and aggregate basis during the four-week period ending on the applicable Testing Date; (ii) the Debtors’ actual cash receipts (the “Actual Cash Receipts”) on a line-by-line and aggregate basis during the four-week period ending on the applicable Testing Date; (iii) the Debtors’ net cash flow during the four-week period ending on the applicable Testing Date, calculated by subtracting Actual Disbursements from Actual Cash Receipts (the “Actual Net Cash Flows”); (iv) Restructuring Professional Fees during the four-week period ending on the applicable Testing Date; (v) a comparison (whether positive or negative, in dollars and expressed as a percentage) of the aggregate and line-item Actual Cash Receipts and

Actual Disbursements, and aggregate Actual Net Cash Flows and Restructuring Professional Fees, for the four-week period ending on the applicable Testing Date to the amounts set forth in the Approved Budget for such four-week period; and (vi) management commentary on any individual line item with positive or negative variance of 10.0% or more compared to the Approved Budget for such four-week period (unless the dollar amount corresponding to such variance is less than \$1,000,000, in which case no such commentary shall be required).

(d) *Permitted Variances.* The Debtors shall not permit (i) aggregate Actual Net Cash Flows to be less than 85% of the projected cumulative cash flows set forth in the Approved Budget, in each case, for the relevant four-week budgeted period (such deviations from the applicable projected amount set forth in the Approved Budget satisfying the “Permitted Variances”); *provided* that, for the avoidance of doubt, the cash disbursements considered for determining compliance with this covenant shall exclude the Debtors’ disbursements in respect of restructuring professional fees (including, without limitation, amounts paid to any Committee professionals, payments made to the Prepetition Secured Parties on account of professional fees, and professional fee payments to other creditors or creditor groups (such excluded cash disbursements, the “Restructuring Professional Fees”)), (ii) Liquidity to be less than \$40,000,000 as of 11:59 p.m. prevailing Central time on the last business day of the calendar week in which the Initial Draw occurs or any calendar week thereafter; *provided* that “Liquidity” shall mean, as of any time of determination, (A) the amount of the Debtors’ and their consolidated subsidiaries’ unrestricted cash and cash equivalents plus (B) the amount of any undrawn DIP Commitments and (iii) Cash Liquidity to be less than \$30,000,000 as of 11:59 p.m. prevailing Central time on the last business day of the calendar week in which the Initial Draw occurs or any calendar week thereafter;

provided that “Cash Liquidity” shall mean, as of any time of determination, the amount of the Debtors’ and their consolidated subsidiaries’ unrestricted cash and cash equivalents.

(e) *Proposed Budget Updates.* On or before the second business day before the end of each Budget Period, the Debtors shall deliver to the Notice Parties (as defined in the Interim Securitization Order) a rolling 13-week cash flow forecast of the Debtors substantially in the format of the initial Approved Budget (each, a “Proposed Budget”), which Proposed Budget (including any subsequent revisions to any such Proposed Budget) shall become the Approved Budget effective *unless* the DIP Agent (as directed by the Required DIP Lenders in their reasonable discretion) notifies the Debtors of any reasonable objection to the Proposed Budget within four (4) business days after receipt of the Proposed Budget (the “Approval Deadline”). For the avoidance of doubt, the Debtors’ use of proceeds of the DIP Facility and Cash Collateral shall be governed by the then-existing Approved Budget (x) at all times prior to the earlier of (i) the approval of the DIP Agent (as directed by the Required DIP Lenders in their reasonable discretion) of the Proposed Budget and (ii) the Approval Deadline; and (y) during the pendency of any unresolved objection by the DIP Agent (as directed by the Required DIP Lenders in their reasonable discretion) to the Proposed Budget.

8. *Access to Records.* The Debtors shall provide the DIP/Prepetition 1L Advisors with all reporting and other information required to be provided to the DIP Agent under the DIP Documents to the extent such information is provided to the DIP Agent. In addition to, and without limiting, whatever rights to access the DIP Secured Parties have under the DIP Documents, upon reasonable notice to counsel to the Debtors (email being sufficient), at reasonable times during normal business hours and upon reasonable notice, the Debtors shall, to the extent reasonably practicable, permit the representatives, advisors, agents, and employees of the DIP Agents and the

Required DIP Lenders to, on a confidential basis, (a) have reasonable access to (i) inspect the DIP Collateral, and (ii) reasonably requested information regarding the Debtors' operations, business affairs and financial condition and the Debtors' books and records, excluding, in each case, any information subject to attorney-client or similar privilege, or where such disclosure would not be permitted by any applicable requirements of law or any binding agreement that would violate confidentiality or other obligations, and (b) discuss the Debtors' affairs, financings, and conditions with the Debtors' attorneys and financial advisors.

9. ***Adequate Protection for the Prepetition 1L Secured Parties.***

(a) Subject only to the Carve Out, the Securitization Liens, the Permitted Prior Liens, the DIP Liens, the DIP Superpriority Claims, the Superpriority Securitization Facilities Claims and the terms of this Interim DIP Order, pursuant to Bankruptcy Code sections 361, 362, 363(e) and 364, and in consideration of the stipulations and consents set forth herein, as adequate protection of the interests of the Prepetition 1L Secured Parties in the Prepetition Collateral (including Cash Collateral), in each case, solely for and equal in amount to the Diminution in Value, the Prepetition 1L Secured Parties are hereby granted the following:

(b) ***Prepetition 1L Adequate Protection Liens.*** Pursuant to Bankruptcy Code sections 361(2) and 363(c)(2), solely to the extent of any Diminution in Value of the Prepetition 1L Secured Parties' interests in the Prepetition Collateral and subject in all cases to the Carve Out and the DIP Liens, effective as of the Petition Date and in each case perfected without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or by possession or control, the Debtors are authorized to grant, and hereby deemed to have granted, to the Prepetition 1L Collateral Agent, for the benefit of itself and the other Prepetition 1L Secured

Parties, valid, binding, continuing, enforceable, fully-perfected, nonavoidable, senior additional and replacement security interests in and liens on (all such liens and security interests, the “Prepetition 1L Adequate Protection Liens”) (i) the Prepetition Collateral and (ii) the DIP Collateral, in each case subject only to the Permitted Prior Liens, the Carve Out, the Securitization Liens and the DIP Liens, in which case the Prepetition 1L Adequate Protection Liens shall be junior in priority, first, to the Permitted Prior Liens; second, to the Carve Out; third, to the Securitization Liens; and fourth, to the DIP Liens.

(d) *Right to Seek Additional Adequate Protection.* This Interim DIP Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the rights of any of the Prepetition 1L Secured Parties to request further or alternative forms of adequate protection at any time or the rights of the Debtors or any other party to contest such request.

(e) *Other Covenants.* The Debtors shall maintain their cash management arrangements in a manner consistent with this Court's order(s) granting the Debtors' cash management motion. 12. ***Perfection of DIP Liens and Adequate Protection Liens.***

(a) The DIP Collateral Agent, the Prepetition 1L Collateral Agent, Prepetition 1.5L Collateral Agent and the Prepetition 2L Collateral Agent are hereby authorized, but not

required, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) security agreements, pledge agreements, financing statements, intellectual property filings, deeds of trust, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction in order to validate and perfect the DIP Liens and the Adequate Protection Liens. Whether or not the DIP Collateral Agent, the Prepetition 1L Collateral Agent, Prepetition 1.5L Collateral Agent or the Prepetition 2L Collateral Agent shall, in their discretion or at the direction of the Required DIP Lenders or requisite Prepetition Secured Parties, choose to file such security agreements, pledge agreements, financing statements, intellectual property filings, deeds of trust, mortgages, depository account control agreements, notices of lien, or similar instruments or documents, such DIP Liens and Adequate Protection Liens shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and effective by operation of law, and not subject to challenge, dispute, or subordination (subject to the priorities set forth in this Interim DIP Order), at the time and on the date of this Interim DIP Order, in any jurisdiction (domestic and foreign), without the need of any further action of any kind. This Interim DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and the Adequate Protection Liens without the necessity of filing or recording any security agreements, pledge agreements, financing statement, intellectual property filing, deed of trust, mortgage, depository account control agreement, notice of lien, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to create, attach, validate or perfect the DIP Liens and the Adequate Protection Liens or to entitle the DIP Liens and the Adequate Protection Liens to the priorities granted herein. Upon the request of the DIP Agent, the Prepetition 1L Collateral Agent, Prepetition 1.5L Collateral Agent or the Prepetition 2L

Collateral Agent, as applicable, each of the DIP Secured Parties, the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments to enable the DIP Agent, the Prepetition 1L Collateral Agent, Prepetition 1.5L Collateral Agent or the Prepetition 2L Collateral Agent, as applicable, to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A copy of this Interim DIP Order may, in the discretion of the DIP Agent, the Prepetition 1L Collateral Agent, Prepetition 1.5L Collateral Agent or the Prepetition 2L Collateral Agent or at the direction of the Required DIP Lenders or the requisite Prepetition Secured Parties, as applicable, be filed with or recorded in filing or recording offices in addition to, or in lieu of, such security agreements, pledge agreements, financing statements, intellectual property filings, mortgages, depository account control agreement, deeds of trust, notices of lien, or similar instruments, and all filing offices in all jurisdictions (domestic and foreign) are hereby authorized to accept such certified copy of this Interim DIP Order for filing and recording.

13. ***Carve Out.***

(a) *Priority of Carve Out.* Each of the DIP Liens, the Prepetition Liens, the Adequate Protection Liens, the DIP Superpriority Claims and the Adequate Protection Superpriority Claims shall be subject and subordinate to payment of the Carve Out (as defined below).

(b) *Definition of Carve Out.* As used in this Interim DIP Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee (the “U.S. Trustee”) under section 1930(a) of title 28 of the United

States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$50,000 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to Bankruptcy Code section 327, 328, or 363 (the “Debtor Professionals”) and the Committee pursuant to Bankruptcy Code section 328 or 1103 (the “Committee Professionals”) and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP Agent (at the direction of the Required DIP Lenders) of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice (the amounts set forth in clauses (i) through (iii), the “Pre Carve Out Trigger Notice Cap”); and (iv) Allowed Professional Fees of Debtor Professionals in an aggregate amount not to exceed \$2,000,000 incurred after the first business day following delivery by the DIP Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the “Post-Carve Out Trigger Notice Cap”); provided that no fees or expenses of any Professional Persons may be included in the calculation of both the Post-Carve Out Trigger Notice Cap and the Pre-Carve Out Trigger Notice Cap. For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (as directed by Required DIP Lenders in their sole discretion) to the Debtors, their lead restructuring counsel (Akin Gump Strauss Hauer & Feld LLP), the U.S. Trustee, and counsel to any Committee (if appointed), which notice may be delivered following the occurrence and during the continuation of an Event of

Default (as defined below) and acceleration of the DIP Obligations under the DIP Facility, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(c) *Carve Out Reserve.* On the day on which a Carve Out Trigger Notice is delivered in accordance with Paragraph 13 (the “Termination Declaration Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees plus reasonably estimated fees not yet allowed for the period through and including the Termination Declaration Date. The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust to pay such then unpaid Allowed Professional Fees plus reasonably estimated fees not yet allowed for the period through and including the Termination Declaration Date (the “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also constitute a demand to the Debtors to utilize all remaining cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in a segregated account in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to any and all other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of “Carve Out” set forth above (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay to the DIP

Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, either in cash or as otherwise expressly permitted under the DIP Documents, and all DIP Commitments have been terminated, in which case any such excess shall be paid to the Prepetition 1L Secured Parties in accordance with their rights and priorities as of the Petition Date and subject to the Intercreditor Agreements. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in the Post-Carve Out Trigger Notice Cap and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to the DIP Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, either in cash or as otherwise expressly permitted under the DIP Documents, and all DIP Commitments have been terminated, in which case any such remaining excess shall be paid to the Prepetition 1L Secured Parties in accordance with their rights and priorities as of the Petition Date and subject to the Intercreditor Agreements. Notwithstanding anything to the contrary in the DIP Documents or this Interim DIP Order, (i) if the Post-Carve Out Trigger Notice Reserve is not funded in full in the amount set forth in this Paragraph 13, then, any excess funds in Pre-Carve Out Trigger Notice Reserve following the payment of the Pre-Carve Out Amounts shall be used to fund the Post-Carve Out Trigger Notice Reserve, up to the applicable amount set forth in this Paragraph 13, prior to making any payments to the DIP Agent or the Prepetition 1L Secured Parties, as applicable, following delivery of a Carve Out Trigger Notice, (ii) if, following delivery of a Carve Out Trigger Notice and any reallocation of amounts in the Carve Out Reserves pursuant to the immediately preceding clause (i), either of the Carve Out Reserves is funded in an amount that does not cover actually incurred Allowed Professional Fees up to the Pre-Carve Out Trigger Notice Cap and the Post-Carve Out Trigger Notice Cap, as applicable, then such Carve Out Reserves will be funded in an amount that will be equal to the value of actually incurred Allowed

Professional Fees up to the Pre-Carve Out Trigger Notice Cap and the Post-Carve Out Trigger Notice Cap, as applicable, as soon as practicable but no later than two (2) business days following discovery of such shortfall by the Debtors; and (iii) following delivery of a Carve Out Trigger Notice, none of the DIP Secured Parties or the Prepetition Secured Parties shall sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agent for application in accordance with the terms hereof and the DIP Documents and this Interim DIP Order. Further, notwithstanding anything to the contrary in this Interim DIP Order, (A) disbursements by the Debtors from the Carve Out Reserves shall not increase or reduce the DIP Obligations or the Prepetition Secured Indebtedness, (B) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (C) in no way shall the Approved Budget, Proposed Budget, Carve Out, the Pre-Carve Out Trigger Notice Cap, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt, the Carve Out shall be senior to all liens and claims securing the DIP Obligations and the Prepetition Secured Indebtedness, the DIP Liens, the Adequate Protection Liens, the DIP Superpriority Claims, the Adequate Protection Superpriority Claims, any claims arising under Bankruptcy Code section 507(b), and any and all other forms of adequate protection, liens, or claims relating to the DIP Obligations or the Prepetition Secured Indebtedness.

(d) *Payment of Allowed Professional Fees Prior to the Termination Declaration Date.* Any payment or reimbursement made prior to the occurrence of the

Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce or be deemed to reduce the Carve Out.

(e) *No Direct Obligation To Pay Allowed Professional Fees.* The DIP Agent, Prepetition 1L Agent, Prepetition 1.5L Agent, the Prepetition 2L Agent, and the other DIP Secured Parties and Prepetition Secured Parties reserve the right to object to the allowance of any fees and expenses, whether or not such fees and expenses were incurred in accordance with the Approved Budget. Except for funding the Carve Out Reserves as provided herein, none of the DIP Secured Parties or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person or any fees or expenses of the U.S. Trustee or Clerk of the Court incurred in connection with the Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim DIP Order or otherwise shall be construed to obligate the DIP Secured Parties or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) *Payment of Carve Out On or After the Termination Declaration Date.* Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding or payment of the Carve Out from cash on hand or other available cash shall not reduce the DIP Obligations or Prepetition Secured Indebtedness, and shall be otherwise entitled to the protections granted under this Interim DIP Order, the DIP Documents, the Bankruptcy Code, and applicable law.

14. ***DIP Termination Date.*** On the DIP Termination Date (as defined below), consistent with the DIP Credit Agreement, (a) all DIP Obligations shall be immediately due and

payable and all DIP Commitments will terminate; (b) all authority to use Cash Collateral shall cease; *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to fund (i) the Carve Out, (ii) payroll and (iii) other expenses critical to the administration of the Debtors' estates provided such payments are in accordance with the Approved Budget, subject to Permitted Variances; and (c) the DIP Secured Parties shall be otherwise entitled to exercise rights and remedies under the DIP Documents in accordance with this Interim DIP Order.

15. ***Events of Default.*** The occurrence of any of the following events, unless waived by the Required DIP Lenders in accordance with the terms of the DIP Documents, shall constitute an event of default (collectively, the "Events of Default"): (a) the failure of the Debtors to comply with any of the Required Milestones (as defined below); or (b) the occurrence of an "Event of Default" under the DIP Credit Agreement.

16. ***Milestones.*** The Debtors shall comply with those certain case milestones set forth on Exhibit 3 to this Interim DIP Order (collectively, the "Required Milestones"). The failure to comply with any Required Milestone shall constitute an "Event of Default" in accordance with the terms of the DIP Credit Agreement.

17. ***Rights and Remedies Upon Event of Default.***

(a) Immediately upon the occurrence and during the continuation of an Event of Default and the delivery of the Carve Out Trigger Notice, notwithstanding the provisions of Bankruptcy Code section 362, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Interim DIP Order, including, without limitation, the Remedies Notice Period (defined below), (x) the DIP Agent (at the direction of the Required DIP Lenders) may declare (any such declaration shall be referred to herein as a

“Termination Declaration”) (i) all DIP Obligations owing under the DIP Documents to be immediately due and payable, (ii) the termination, reduction or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Facility, (iii) termination of the DIP Facility and the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Lenders, but without affecting any of the DIP Liens or the DIP Obligations, and (iv) the application of the Carve Out through the delivery of the Carve Out Trigger Notice to the DIP Borrower and (y) the DIP Agent (at the direction of the Required DIP Lenders) may declare a termination (or reduction or restriction) on the ability of the Debtors to use Cash Collateral (the date on which a Termination Declaration is delivered, the “DIP Termination Date”) in which case such rights and remedies described in clauses (x) and (y) as are set forth in the applicable Termination Declaration shall immediately go into effect, provided, however, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to fund the Carve-Out and pay payroll and other expenses critical to the administration of the Debtors’ estates strictly in accordance with the Approved Budget, subject to Permitted Variances. The Termination Declaration shall not be effective until notice has been provided by electronic mail (or other electronic means) to counsel to the Debtors, counsel to a Committee (if appointed), counsel to the Securitization Agents, and the U.S. Trustee.

(b) Upon the occurrence of an Event of Default, the DIP Agent, (acting at the direction of the Required DIP Lenders) and/or applicable Prepetition 1L Secured Parties, may file a motion with the Court seeking emergency relief (a “Remedies Determination Hearing”) on at least five (5) business days’ notice to the Debtors, the Securitization Agents, and the U.S. Trustee, and the Debtors agree not to object to the shortening of notice of such Remedies Determination Hearing. The “Remedies Notice Period” shall be defined as the date commencing with the

Termination Declaration through a Court determination at the Remedies Determination Hearing. At such Remedies Determination Hearing, (x) the DIP Agent (acting at the direction of the Required DIP Lenders) may seek Court approval to exercise its rights and remedies (in addition to those rights and remedies set forth in Paragraph 17(a) above) in accordance with the DIP Documents and this Interim DIP Order to satisfy the DIP Obligations, DIP Superpriority Claims, and DIP Liens, subject to the Carve Out and the Superpriority Securitization Facilities Claims, including the complete termination of the use of Cash Collateral and (y) the applicable Prepetition Secured Parties may seek to exercise their respective rights and remedies to the extent available in accordance with the applicable Prepetition Secured Indebtedness Documents and this Interim DIP Order with respect to the Debtors' use of Cash Collateral. Upon a Termination Declaration, the Debtors, the Committee (if appointed), and/or any party in interest shall also be entitled to seek an emergency hearing with the Court for the sole purpose of contesting whether an Event of Default has occurred or is continuing.

(c) Nothing herein shall alter the burden of proof set forth in the applicable provisions of the Bankruptcy Code at any hearing on any request by the Debtors or other party in interest to re-impose or continue the automatic stay under Bankruptcy Code section 362(a), use Cash Collateral, or to obtain any other injunctive relief. Any delay or failure of the DIP Agent or the Prepetition IL Agent to exercise rights under the DIP Documents, the Credit Documents, the Intercreditor Agreements, or this Interim DIP Order shall not constitute a waiver of their respective rights hereunder, thereunder or otherwise. The occurrence of the DIP Termination Date shall not affect the validity, priority, or enforceability of any and all rights, remedies, benefits, and protections provided to any of the DIP Secured Parties or the Prepetition Secured Parties under

this Interim DIP Order, which rights, remedies, benefits, and protections shall survive the DIP Termination Date or the delivery of a Termination Declaration.

(d) Upon the termination of the DIP Facility in accordance with the terms of this Interim DIP Order, all DIP Obligations shall be indefeasibly paid in cash.

18. ***Payments Free and Clear.*** Subject to the Carve-Out and Paragraphs 3(c), 9(f) and 38 of this Interim DIP Order, any and all payments or proceeds remitted to the DIP Agent for the benefit of the DIP Secured Parties, the Prepetition 1L Agent for the benefit of the Prepetition 1L Secured Parties, the Prepetition 1.5L Agent for the benefit of the Prepetition 1.5L Secured Parties, or the Prepetition 2L Agent for the benefit of the Prepetition 2L Secured Parties pursuant to the provisions of this Interim DIP Order or any subsequent order of this Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, subject to Paragraph 19 herein, any such claim or charge arising out of or based on, directly or indirectly, Bankruptcy Code section 506(c) (whether asserted or assessed by, through or on behalf of the Debtor) or section 552(b).

19. ***Limitation on Charging Expenses Against Collateral.*** All rights to surcharge the interests of the DIP Secured Parties and Prepetition Secured Parties in any DIP Collateral or Prepetition Collateral, as applicable, under Bankruptcy Code section 506(c) or any other applicable principle or equity or law shall be and are hereby finally and irrevocably waived, and such waiver shall be binding upon the Debtors and all parties in interest in the Cases, provided further that the foregoing waiver shall be without prejudice to any provision of the Final DIP Order with respect to costs or expenses incurred following entry of such Final DIP Order.

20. ***Section 507(b) Reservation.*** Nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the

Prepetition 1L Agent, Prepetition 1.5L Agent, the Prepetition 2L Agent or the other Prepetition Secured Parties hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral (including Cash Collateral) during the Cases or any successor cases, including, but not limited to, any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the Cases.

21. ***Insurance.*** Until the DIP Obligations have been indefeasibly paid in full, at all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of this Interim DIP Order, the DIP Agent is, and will be deemed to be, without any further action or notice, named as additional insureds and lender's loss payees on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral.

22. ***No Waiver for Failure to Seek Relief.*** The failure or delay of the DIP Agent or the Required DIP Lenders to exercise rights and remedies under this Interim DIP Order, the DIP Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder, or otherwise.

23. ***Reservation of Rights of the DIP Secured Parties and Prepetition Secured Parties.*** This Interim DIP Order and the transactions contemplated hereby shall be without prejudice to (a) the rights of any of DIP Secured Parties or the Prepetition Secured Parties, as applicable, to seek additional or different adequate protection, move to vacate the automatic stay, move for the appointment of a trustee or examiner, move to dismiss or convert the Cases, or to take any other action in the Cases and to appear and be heard in any matter raised in the Cases, or any party in interest from contesting any of the foregoing, and (b) any and all rights, remedies,

claims and causes of action which the DIP Secured Parties or the Prepetition Secured Parties may have against any non-Debtor party liable for the DIP Obligations or the Prepetition Secured Indebtedness. For all adequate protection purposes throughout the Cases, each of the Prepetition Secured Parties shall be deemed to have requested relief from the automatic stay and adequate protection for any Diminution in Value from and after the Petition Date. For the avoidance of doubt, such request will survive termination of this Interim DIP Order.

24. ***Modification of Automatic Stay.*** The Debtors are authorized and directed to perform all acts and to make, execute and deliver any and all instruments as may be reasonably necessary to implement the terms and conditions of this Interim DIP Order and the transactions contemplated hereby. The stay of Bankruptcy Code section 362 is hereby modified to permit the parties to accomplish the transactions contemplated by this Interim DIP Order.

25. ***Survival of DIP Documents and Interim DIP Order.*** The provisions of the DIP Documents and this Interim DIP Order shall be binding upon any trustee appointed during the Cases or upon a conversion to cases under chapter 7 of the Bankruptcy Code, and any actions taken pursuant hereto shall survive entry of any order which may be entered converting the Cases to chapter 7 cases, dismissing the Cases under Bankruptcy Code section 1112 or otherwise. The terms and provisions of and the priorities in payments, liens, and security interests granted pursuant to, the DIP Documents and this Interim DIP Order, shall continue notwithstanding any conversion of any of the Cases to a case under chapter 7 of the Bankruptcy Code, or the dismissal of any of the Cases. Subject to the limitations expressly set forth in this Interim DIP Order, the Adequate Protection Payments made pursuant to this Interim DIP Order shall not be subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance in any of the Cases or any subsequent chapter 7 cases (other than a defense that the payment has actually been made).

26. ***No Third-Party Rights.*** Except as explicitly provided for herein, this Interim DIP Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

27. ***Release.*** Subject to the rights and limitations set forth in Paragraph 30 of this Interim DIP Order, and effective upon entry of this Interim DIP Order, each of the Debtors and the Debtors' estates, on its own behalf and on behalf of each of their predecessors, their successors, and assigns, shall, to the maximum extent permitted by applicable law, unconditionally, irrevocably, and fully forever release, remise, acquit, relinquish, irrevocably waive, and discharge each of the DIP Secured Parties and the Prepetition Secured Parties (each in their respective roles as such), and each of their respective affiliates, former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates and assigns, and predecessors and successors in interest, each in their capacity as such, of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened, including, without limitation, all legal and equitable theories of recovery, arising under common law, statute, or regulation or by contract, of every nature and description that exist on the date hereof with respect to or relating to the DIP Loans, the Prepetition 1L Loans, the Prepetition 1.5L Notes, the Prepetition 2L Notes, the DIP Liens, the Prepetition Liens, the DIP Obligations, the Prepetition Secured Indebtedness, the DIP Documents, the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, the Prepetition 2L

Notes Documents, or the Intercreditor Agreements, or this Interim DIP Order, as applicable, and/or the transactions contemplated hereunder or thereunder including, without limitation, (i) any so-called “lender liability” or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and causes of action regarding the validity, priority, extent, enforceability, perfection, or avoidability of the liens or claims of the DIP Secured Parties or the Prepetition Secured Parties; *provided* that nothing herein shall relieve the Released Parties from fulfilling their obligations under the DIP Documents, the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, the Prepetition 2L Notes Documents, the Intercreditor Agreements or this Interim DIP Order.

28. ***Binding Effect.*** The DIP Documents, and the provisions of this Interim DIP Order, including all findings herein, shall be binding upon all parties in interest in the Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any Committee (if appointed), and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to Bankruptcy Code section 1104, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors), and shall inure to the benefit of the DIP Secured Parties and the Prepetition Secured Parties; *provided* neither the DIP Secured Parties nor the Prepetition Secured Parties shall have any obligation to permit the use of DIP Collateral or Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

29. ***Reversal, Stay, Modification or Vacatur.*** In the event the provisions of this Interim DIP Order are reversed, stayed, modified or vacated by court order following notice and any

further hearing, such reversals, modifications, stays or vacatur shall not affect the rights and priorities of the DIP Secured Parties and the Prepetition Secured Parties granted pursuant to this Interim DIP Order. Notwithstanding any such reversal, stay, modification or vacatur by court order, any indebtedness, obligation or liability incurred by the Debtors pursuant to this Interim DIP Order arising prior to the DIP Agent's, the Prepetition 1L Agent's, the Prepetition 1.5L Agent's, or the Prepetition 2L Agent's receipt of notice of the effective date of such reversal, stay, modification or vacatur shall be governed in all respects by the original provisions of this Interim DIP Order, and the DIP Secured Parties and the Prepetition Secured Parties shall continue to be entitled to all of the rights, remedies, privileges and benefits, including any payments authorized herein and the security interests and liens granted herein, with respect to all such indebtedness, obligation or liability, and the validity of any payments made or obligations owed or credit extended or lien or security interest granted pursuant to this Interim DIP Order is and shall remain subject to the protection afforded under the Bankruptcy Code.

30. ***Reservation of Certain Third-Party Rights and Bar of Challenge and Claims.***

(a) Subject to the Challenge Period (as defined below), the stipulations, admissions, waivers, and releases contained in this Interim DIP Order, including the Debtors' Stipulations, shall be binding upon the Debtors, their estates, and any of their respective successors, including, without limitation, any chapter 7 or chapter 11 trustee, responsible person, examiner with expanded powers, or other estate representative, in all circumstances and for all purposes, and the Debtors are deemed to have irrevocably waived and relinquished all Challenges (as defined below) as of the Petition Date. The stipulations, admissions, waivers and releases contained in this Interim DIP Order, including the Debtors' Stipulations, shall be binding upon all other parties in interest, including any Committee and any other person acting on behalf of the

Debtors' estates, unless and solely to the extent that (i) a party in interest is granted standing to file an adversary proceeding or contested matter under the Bankruptcy Rules and files a complaint seeking to avoid, object to, or otherwise challenge the findings or Debtors' Stipulations regarding (A) the validity, enforceability, extent, priority, or perfection of any of the Prepetition Liens or the mortgages, security interests, and liens of any of the Prepetition Secured Parties securing any Prepetition Secured Indebtedness, and the characterization of any of the Prepetition Collateral or (B) the validity, enforceability, allowability, priority, secured status, or amount of the Prepetition Secured Indebtedness (any such claim set forth in such a complaint, a "Challenge") before the earlier of (a) (1) solely in the case of the Committee, if any, sixty (60) days after the appointment of the Committee if such appointment occurs no more than sixty (60) days from the entry of this Interim DIP Order and (2) with respect to all other parties in interest, sixty (60) days from the entry of this Interim DIP Order and (b) the date of entry of an order confirming a plan of reorganization or liquidation, subject to further extension by written agreement of (1) the Debtors and (2) as applicable, the Prepetition 1L Agent (at the direction of the requisite Prepetition 1L Secured Parties), the Prepetition 1.5L Agent (at the direction of the requisite Prepetition 1.5L Secured Parties) or Prepetition 2L Agent (at the direction of the requisite Prepetition 2L Secured Parties) (the "Challenge Period" and, the date of expiration of the Challenge Period, the "Challenge Period Termination Date"); *provided, however*, that if, prior to the end of the Challenge Period, (x) the Cases are converted to Cases under chapter 7 of the Bankruptcy Code, or (y) a chapter 11 trustee is appointed, then, in each such case, the Challenge Period shall be extended by the later of (I) the time remaining under the Challenge Period plus ten (10) days or (II) such other time as ordered by the Court solely with respect to any such trustee appointed; and (ii) the Court enters a final order

in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter, which is no longer subject to appeal.

(b) To the extent the stipulations, admissions, waivers and releases contained in this Interim DIP Order, including the Debtors' Stipulations, are (x) not subject to a Challenge timely and properly commenced prior to the expiration of the Challenge Period Termination Date or (y) subject to a Challenge timely and properly commenced prior to the expiration of the Challenge Period Termination Date, to the extent any such Challenge does not result in a final and nonappealable judgment or order of the Court that is inconsistent with the stipulations, admissions, waivers and releases contained in this Interim DIP Order, including the Debtors' Stipulations, then, without further notice, motion, or application to, or order of, or hearing before, this Court and without the need or requirement to file any proof of claim: (i) any and all such Challenges by any party (including the Committee, any chapter 11 trustee, and/or any examiner or other estate representative appointed or elected in these Cases, and any chapter 7 trustee and/or examiner or other estate representative appointed or elected in any successor case) shall be deemed to be forever, waived, released, and barred; (ii) the Prepetition Secured Indebtedness shall constitute allowed claims, not subject to counterclaim, setoff, recoupment, reduction, subordination, recharacterization, defense, or avoidance for all purposes in the Debtors' Cases and any successor cases; (iii) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, and perfected secured claims, not subject to recharacterization, subordination, or avoidance; and (iv) all of the Debtors' stipulations, admissions, waivers and releases contained in this Interim DIP Order, including the Debtors' Stipulations, and all other waivers, releases, affirmations, and other stipulations as to the priority, extent, and validity as to the Prepetition Secured Parties' claims, liens, and interests contained in this Interim DIP Order (including the

Prepetition Liens) shall be in full force and effect and forever binding upon the Debtors, the Debtors' estates, and all creditors, interest holders, and other parties in interest in these Cases and any successor cases.

(c) If a Challenge is timely and properly filed under the Bankruptcy Rules and remains pending and the Cases are converted to chapter 7, the chapter 7 trustee may continue to prosecute such Challenge on behalf of the Debtors' estates. Furthermore, if any such Challenge is timely and properly filed under the Bankruptcy Rules, the stipulations, admissions, waivers and releases contained in this Interim DIP Order, including the Debtors' Stipulations, shall nonetheless remain binding and preclusive on any Committee and any other person or entity except to the extent that such stipulations and admissions were expressly challenged in such timely and properly filed Challenge prior to the Challenge Period Termination Date and determined by final order of the Court to be disallowed. Nothing in this Interim DIP Order vests or confers on any person (as defined in the Bankruptcy Code), including, without limitation, any Committee appointed in the Cases, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any challenges (including a Challenge) with respect to the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, the Prepetition 2L Notes Documents, the Prepetition Liens, and the Prepetition Secured Indebtedness, and a separate order of the Court conferring such standing on any Committee or other party-in-interest shall be a prerequisite for the prosecution of a Challenge by such Committee or such other party-in-interest. For the avoidance of doubt, to the extent any Challenge is timely and properly commenced, the Prepetition 1L Secured Parties shall be entitled to reimbursement or payment of the related reasonable and documented costs and expenses, including, but not limited to, reasonable and

documented attorneys' fees, incurred in defending themselves in any such proceeding in accordance with and subject to Paragraph 9(f) of this Interim DIP Order.

31. ***Limitation on Use of DIP Proceeds, DIP Collateral and Cash Collateral.***

Notwithstanding anything to the contrary set forth in this Interim DIP Order, but subject to the proviso below in this Paragraph 31, none of the DIP proceeds (the "DIP Proceeds"), the DIP Collateral, the Prepetition Collateral, including Cash Collateral, or the Carve Out or proceeds of the foregoing may be used for the payment of professional fees, disbursements, costs, or expenses incurred by any person: (a) to investigate (including by way of examinations or discovery proceedings), initiate, assert, prosecute, join, commence, support, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, adversary proceeding, or other litigation of any type (i) against any of the DIP Secured Parties or the Prepetition Secured Parties (in their capacities as such), and each of their respective affiliates, officers, directors, employees, agents, representatives, attorneys, consultants, financial advisors, affiliates, assigns, or successors, with respect to any transaction, occurrence, omission, action, or other matter (including formal discovery proceedings in anticipation thereof), including, without limitation, any so-called "lender liability" claims and causes of action, or seeking relief that would impair the rights and remedies of the DIP Secured Parties under the DIP Documents or this Interim DIP Order or the Prepetition Secured Parties under the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, or the Prepetition 2L Notes Documents (as applicable) or this Interim DIP Order, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or any Committee appointed (if any) in these Cases in connection with the assertion of or joinder in any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, adversary proceeding, or

other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Secured Parties to recover on the DIP Collateral or the Prepetition Secured Parties to recover on the Prepetition Collateral or seeking affirmative relief against any of the DIP Secured Parties related to the DIP Obligations or the Prepetition Secured Parties related to the Prepetition Secured Indebtedness (excluding, for the avoidance of doubt, filing and seeking approval of the Securitization Facilities Motion); (ii) invalidating, setting aside, avoiding, or subordinating, in whole or in part, the DIP Obligations or the Prepetition Secured Indebtedness, or the DIP Secured Parties' and the Prepetition Secured Parties' respective DIP Liens, Prepetition Liens or security interests in the DIP Collateral or Prepetition Collateral, as applicable (excluding, for the avoidance of doubt, filing and seeking approval of the Securitization Facilities Motion); or (iii) for monetary, injunctive, or other affirmative relief against any of the DIP Secured Parties, the Prepetition Secured Parties, or the DIP Secured Parties' and the Prepetition Secured Parties' respective liens on or security interests in the DIP Collateral or the Prepetition Collateral that would impair the ability of any of the DIP Secured Parties or the Prepetition Secured Parties to assert or enforce any lien, claim, right, or security interest or to realize or recover on the DIP Obligations or the Prepetition Secured Indebtedness, to the extent applicable; (b) for objecting to or challenging in any way the legality, validity, priority, perfection, or enforceability of the claims, liens, or interests (including the DIP Liens and the Prepetition Liens) held by or on behalf of each of the DIP Secured Parties and the Prepetition Secured Parties related to the DIP Obligations or the Prepetition Secured Indebtedness, to the extent applicable; (c) for asserting, commencing, or prosecuting any claims or causes of action whatsoever (including, without limitation, any Avoidance Actions) related to the DIP Obligations, the DIP Liens, the Prepetition Secured Indebtedness or the

Prepetition Liens; or (d) for prosecuting an objection to, contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of DIP Liens or the Prepetition Liens or any other rights or interests of any of the DIP Secured Parties or the Prepetition Secured Parties related to the DIP Obligations, the DIP Liens, the Prepetition Secured Indebtedness or the Prepetition Liens, to the extent applicable; provided, that notwithstanding the foregoing, an aggregate of \$50,000 of the DIP Proceeds, the DIP Collateral, or the Prepetition Collateral, including Cash Collateral, may be used for the payment of professional fees, disbursements, costs, or expenses incurred by any Committee to investigate potential Challenges.

32. ***Conditions Precedent.*** Except to the extent expressly set forth in this Interim DIP Order, no DIP Lender shall have any obligation to make any DIP Loan under the respective DIP Documents unless all of the conditions precedent to the making of such extensions of credit under the applicable DIP Documents have been satisfied in full or waived in accordance with such DIP Documents.

33. ***Enforceability; Waiver of Any Applicable Stay; Bankruptcy Rules.*** This Interim DIP Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable nunc pro tunc to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rule 6004(h), 6006(d), 7062 or 9014 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim DIP Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim DIP Order. The requirements of Bankruptcy Rules 4001, 6003, and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

34. ***Proofs of Claim.*** Notwithstanding anything to the contrary contained in any prior or subsequent order of the Court, including, without limitation, any order establishing a deadline

for the filing of proofs of claim or requests for payment of administrative expenses under Bankruptcy Code section 503(b), none of the DIP Agent, any DIP Secured Party, the Prepetition 1L Agent, Prepetition 1.5L Agent, the Prepetition 2L Agent or any Prepetition Secured Party shall be required to file any proof of claim or request for payment of administrative expenses with respect to any of the DIP Obligations, the Prepetition Secured Indebtedness or any claims (including, without limitation, Adequate Protection Superpriority Claims) arising under this Interim DIP Order, and the Debtors' Stipulations shall be deemed to constitute timely filed proofs of claim against each of the applicable Debtors in the Cases. Each of (i) the DIP Agent on behalf of the DIP Secured Parties, (ii) the Prepetition 1L Administrative Agent on behalf of the Prepetition 1L Secured Parties, (iii) the Prepetition 1.5L Notes Trustee on behalf of the Prepetition 1.5L Secured Parties, and (iv) the Prepetition 2L Notes Trustee on behalf of the Prepetition 2L Secured Parties, may (but is not required) in its discretion to file (and amend and/or supplement) a proof of claim and/or aggregate proofs of claim in each of the Cases or any successor cases for any claim allowed herein, and any such proof of claim may (but is not required to) be filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor. The failure of the DIP Agent, any DIP Secured Party, the Prepetition 1L Agent, Prepetition 1.5L Agent, the Prepetition 2L Agent, or any Prepetition Secured Party to file any such proof of claim or request for payment of administrative expenses shall not affect the validity, priority, or enforceability of any of the DIP Documents, the Prepetition 1L Credit Documents, Prepetition 1.5L Notes Documents, the Prepetition 2L Notes Documents, or of any indebtedness, liabilities, or obligations arising at any time thereunder or prejudice or otherwise adversely affect the DIP Agent's, any DIP Secured Party's, Prepetition 1L Agent's, Prepetition 1.5L Agent's, Prepetition 2L Agent's, or any Prepetition Secured Party's respective rights,

remedies, powers, or privileges under any of the DIP Documents, the Prepetition 1L Credit Documents, Prepetition 1.5L Notes Documents, the Prepetition 2L Notes Documents, this Interim DIP Order, or applicable law (as applicable). The provisions set forth in this paragraph are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party-in-interest or their respective successors-in-interest.

35. ***Intercreditor Agreements.*** Pursuant to Bankruptcy Code section 510, the Intercreditor Agreements and any other applicable intercreditor agreement, or subordination provision contained in any of the DIP Documents, the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, and the Prepetition 2L Notes Documents shall (a) remain in full force and effect, (b) continue to govern the relative and respective obligations, priorities, rights and remedies of (i) the Prepetition 1L Creditors and the Junior Lien Creditors (each as defined in the Senior Intercreditor Agreement) in the case of the Senior Intercreditor Agreement; *provided* that nothing in this Interim DIP Order shall be deemed to grant liens or security interests to any of the Prepetition 1L Creditors or the Junior Lien Creditors (as so defined) on or in any assets of the Debtors except as set forth herein, and (ii) the 1.5L Lien Creditors and the Prepetition 2L Creditors (each as defined in the Junior Intercreditor Agreement) in the case of the Junior Intercreditor Agreement; provided that nothing in this Interim DIP Order shall be deemed to grant liens or security interests to any of the 1.5L Lien Creditors or the Prepetition 2L Creditors (as so defined) on or in any assets of the Debtors except as set forth herein, and (c) not be deemed to be amended, altered or modified by the terms of this Interim DIP Order unless expressly set forth herein or therein.

36. ***Bankruptcy Code Section 552(b).*** The DIP Secured Parties and the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of Bankruptcy Code section

552(b), and the “equities of the case” exception under Bankruptcy Code section 552(b) shall not apply to the DIP Secured Parties or the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any of the DIP Collateral or the Prepetition Collateral, provided that, with respect to the Prepetition Secured Parties, the foregoing waiver shall be without prejudice to any provisions of the Final DIP Order.

37. ***No Marshaling.*** The DIP Secured Parties and the Prepetition Secured Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, provided that, with respect to the Prepetition Secured Parties, the foregoing waiver shall be without prejudice to any provisions of the Final DIP Order.

38. ***Expense Invoices; Disputes; Indemnification***

(a) Any of the Debtors’ obligations to pay, in accordance with this Interim DIP Order, the principal, interest, fees, payments, expenses, or any other amounts described in the DIP Documents, the Prepetition Documents or this Interim DIP Order, as such amounts become due, shall not require the DIP Loan Parties, the Prepetition Loan Parties, the Prepetition Notes Parties or any other party to obtain further Court approval. For the avoidance of doubt, such payments include, without limitation, reimbursement of the fees and expenses incurred by the DIP/Prepetition 1L Advisors to the extent set forth in Paragraphs 3(c) and 9(f) of this Interim DIP Order, whether or not such fees arose before or after the Petition Date, all to the extent provided in this Interim DIP Order.

(b) The DIP Loan Parties, Prepetition Loan Parties and Prepetition Notes Parties, as applicable, shall be jointly and severally obligated to pay all reasonable and documented fees and expenses described above, which obligations shall constitute DIP Obligations or

Prepetition Secured Indebtedness, as applicable. The Debtors shall pay the reasonable and documented professional fees, expenses, and disbursements of professionals to the extent provided for in Paragraphs 3(c) and 9(f) of this Interim DIP Order without the necessity of filing formal fee applications or complying with the U.S. Trustee Guidelines, including such amounts arising before the Petition Date; *provided, that* copies of invoices for such professional fees, expenses and disbursements arising on or after the Petition Date (the “Invoiced Fees”) shall be served by email on the Debtors, the U.S. Trustee, and counsel to any Committee (collectively, the “Fee Notice Parties”), who shall have ten (10) business days (the “Review Period”) to review and assert any objections thereto. Invoiced Fees shall be in the form of an invoice summary for professional fees and categorized expenses incurred during the pendency of the Cases, and such invoice summary shall not be required to contain time entries, but shall include a list of professionals providing services, with rates and hours worked, and a general, brief description of the nature of the matters for which services were performed, and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any work product doctrine, privilege or protection, common interest doctrine privilege or protection, any other evidentiary privilege or protection recognized under applicable law, or any other confidential information (such information, collectively, “Confidential Information”), and the provision of such invoices shall not constitute any waiver of the attorney-client privilege, work product doctrine, privilege or protection, common interest doctrine privilege or protection, or any other evidentiary privilege or protection recognized under applicable law; *provided, however*, that the U.S. Trustee reserves the right to seek copies of invoices containing detailed time entries of any such professional (which detailed invoices may be redacted to the extent necessary to protect Confidential Information). The Debtors, any Committee or the U.S. Trustee may dispute the payment of any portion of the

Invoiced Fees (the “Disputed Invoiced Fees”) if, within the Review Period, a Debtor, any Committee that may be appointed in these Cases, or the U.S. Trustee notifies the submitting party in writing setting forth the specific objections to the Disputed Invoiced Fees (to be followed by the filing with the Court, if necessary, of a motion or other pleading, with at least ten (10) days’ prior written notice to the submitting party of any hearing on such motion or other pleading). For avoidance of doubt, the Debtors shall promptly pay in full all Invoiced Fees other than the Disputed Invoiced Fees.

(c) In addition, the Debtors will indemnify the DIP Lenders, the DIP Agent, and their respective affiliates, successors, and assigns and the officers, directors, employees, agents, attorneys, advisors, controlling persons, and members of each of the foregoing (each an “Indemnified Person”) and hold them harmless from and against all costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the transactions contemplated hereby and any actual or proposed use of the proceeds of any loans made under the DIP Facility and any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnified Person is a party thereto and regardless of whether such matter is initiated by a third party or by any of the Debtors or any of their subsidiaries or affiliates; provided that no such person will be indemnified for costs, expenses, or liabilities (x) to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred primarily by reason of the gross negligence, fraud or willful misconduct of such Indemnified Person (or their related persons), (y) that arose from a material breach in bad faith of such Indemnified Person’s (or their related persons’) obligations under any DIP Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or (z) arose from any claim, actions, suits, inquiries, litigation, investigation

or proceeding that does not involve an act or omission of the Debtors and is brought by any Indemnified Person against another Indemnified Person (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against the DIP Agent, in its capacity as such). No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort, or otherwise) to the Debtors or any shareholders or creditors of the Debtors for or in connection with the transactions contemplated hereby, except to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction (x) to have resulted primarily from such Indemnified Person's (or their related persons') gross negligence, fraud, or willful misconduct or breach of their obligations under the DIP Facility or (y) that arose from a material breach in bad faith of such Indemnified Person's (or their related persons') obligations under any DIP Document, and in no event shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential, or punitive damages.

39. **Credit Bidding.** Subject to (a) the terms of the RSA and the Intercreditor Agreements, (b) entry of the Final DIP Order and (c) the rights of the Committee (if any) under Paragraph 30 hereof, (x) the DIP Agent (at the direction of the Required DIP Lenders) and (y) the Prepetition 1L Collateral Agent as instructed by the Prepetition 1L Administrative Agent (at the direction of the Required Lenders (as defined in the Prepetition 1L Credit Agreement)), in each case, shall have the right to credit bid (either directly or through one or more acquisition vehicles), up to the full amount of the underlying lenders' respective claims, including, for the avoidance of doubt, Adequate Protection Superpriority Claims, if any, in any sale of all or any portion of the Prepetition Collateral or the DIP Collateral including, without limitation, sales occurring pursuant to Bankruptcy Code section 363 or included as part of any chapter 11 plan subject to confirmation under Bankruptcy Code section 1129(b)(2)(A)(ii)-(iii).

40. **Preservation of Rights Granted Under this Interim DIP Order.**

(a) Unless and until all DIP Obligations are indefeasibly paid in full, either in cash or as otherwise expressly permitted under the DIP Documents, and all DIP Commitments are terminated, the Prepetition Secured Parties, in such capacities, shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Secured Indebtedness Documents or this Interim DIP Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral; and (ii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral, except as set forth in Paragraph 12 herein.

(b) In the event this Interim DIP Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise, any liens or claims granted to the DIP Secured Parties or the Prepetition Secured Parties hereunder arising prior to the effective date of any such vacatur, reversal, or modification of this Interim DIP Order shall be governed in all respects by the original provisions of this Interim DIP Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges, and benefits afforded in Bankruptcy Code section 364(e).

(c) Notwithstanding any order dismissing any of the Cases entered at any time, (x) the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to this Interim DIP Order shall continue in full force and effect and shall maintain their priorities as provided in this Interim DIP Order until all DIP Obligations and Adequate Protection Payments are paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner

expressly permitted under the DIP Documents) and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to this Interim DIP Order, shall, notwithstanding such dismissal, remain binding on all parties in interest; and (y) to the fullest extent permitted by law the Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in clause (x) above.

(d) Except as expressly provided in this Interim DIP Order or in the RSA, the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Interim DIP Order and the DIP Documents shall survive, and shall not be modified, impaired, or discharged by the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases or terminating the joint administration of these Cases, approval or consummation of any sale, or otherwise. The terms and provisions of this Interim DIP Order and the DIP Documents shall continue in these Cases, in any successor cases if these Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of this Interim DIP Order shall continue in full force and effect until the DIP Obligations and the Adequate Protection Payments are paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner expressly permitted under the DIP Documents).

(e) Other than as set forth in this Interim DIP Order or as required by applicable law, neither the DIP Liens nor the Adequate Protection Liens shall be made subject to or *pari passu* with any lien or security interest granted in any of the Cases or arising after the Petition Date, and neither the DIP Liens nor the Adequate Protection Liens shall be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

41. ***Limitation of Liability.*** Subject to entry of a Final DIP Order, in determining to make any loan under the DIP Documents, permitting the use of Cash Collateral, or in exercising any rights or remedies (excluding any actions taken after an exercise of remedies) as and when permitted pursuant to this Interim DIP Order or the DIP Documents, the DIP Secured Parties and the Prepetition Secured Parties shall not, solely by reason thereof, be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. § § 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim DIP Order or in the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or any Prepetition Secured Parties of any liability for any claims arising from the prepetition or post-petition activities of any of the Debtors.

42. ***Headings.*** The headings in this Interim DIP Order are for purposes of reference only and shall not limit or otherwise affect the meaning of this Interim DIP Order.

43. ***Retention of Jurisdiction.*** The Court has and will retain exclusive jurisdiction to resolve any and all disputes arising under or related to the DIP Obligations, the DIP Documents

and this Interim DIP Order, and to enforce all of the conditions of the DIP Documents and this Interim DIP Order.

44. ***Controlling Effect of Interim DIP Order.*** To the extent any provision of this Interim DIP Order conflicts or is inconsistent with any provision of the Motion, any other order of this Court or any of the DIP Documents, the Prepetition 1L Credit Documents, the Prepetition 1.5L Notes Documents, and the Prepetition 2L Notes Documents, the provisions of this Interim DIP Order shall control to the extent of such conflict, except to the extent expressly provided otherwise herein or in a subsequent order of this Court. To the extent a conflict arises between the provisions of this Interim DIP Order and the Securitization Facilities Order, a hearing shall be held before the Court to resolve such conflict prior to the enforcement of, or any action being taken under, the provisions giving rise to such conflict by any party.

45. ***Final Hearing.*** A final hearing on the relief requested in the Motion shall be held on [●], 2024, at [●] (prevailing Central time). Any party in interest objecting to the relief sought at the Final Hearing shall file written objections no later than [●], 2024 at [●] (prevailing Central time).

- Upon the exercise of any previously-issued warrants or options;
- In consideration for certain M&A and related transactions with third parties;
- Pursuant to conversion or exchange rights included in equity interests previously issued;

Information Rights:

All equityholders:

- Audited consolidated financial statements at the end of each financial year;
- Quarterly reports following each quarter and invitations to join lender calls with the management team of the Company on quarterly results, if applicable; and
- Annual budget.

In addition, as long as the percentage ownership of Oaktree Holder exceeds 10.0%, the management team of the Company will be made reasonably available to, and meet on a reasonable basis with, the portfolio transformation team of the Oaktree Holder at Oaktree Holder's request (it being understood there will be no management or other fee payable on account of services rendered, but the Company shall reimburse reasonable out-of-pocket expenses akin to Board reimbursements (e.g., travel)).

Affiliate Transactions:

Approval required from each applicable equityholder for the removal of its specific Board appointment rights. Any amendment to the vote required to appoint the Unaffiliated Independent Director requires approval from, as long as the percentage of equity interests that are not held by Oaktree Holder, Caspian Holder, Empyrean Holder or OCO Holder collectively exceed 15% of the equity interests issued and outstanding, holders holding a majority of the equity interests issued and outstanding (excluding interests held by Oaktree Holder, Caspian Holder, Empyrean Holder and OCO Holder). Financial Projections

Feasibility Analysis¹

- As a condition to Confirmation, the Bankruptcy Code requires, among other things, the Bankruptcy Court to find that entry of a Combined Order is not likely to be followed by either a liquidation or the need to further reorganize the Debtors or any successor to the Debtors. In accordance with this requirement and in order to assist each Holder of a Claim in determining whether to vote to accept or reject the Debtors' Plan, the Debtors' management team ("Management"), with the assistance of its financial advisors, developed financial projections (the "Financial Projections") to support the feasibility of the Plan, which were prepared as of March 12, 2024.
- The Financial Projections were prepared in good faith by Management with the assistance of its financial advisors and are based on several assumptions made by Management, within the bounds of their knowledge of the Debtors' business and operations, with respect to the future performance of the Debtors' operations. In addition, the Financial Projections contain statements that constitute "forward-looking statements" within the meaning of the Securities Act and the Exchange Act, as amended by the Private Securities Litigation Reform Act of 1995. Forward-looking statements in these projections include the intent, belief, or current expectations of the Debtors and members of its Management concerning the timing of, completion of, and scope of the current restructuring, the Plan, the Debtors' strategic business plan, bank financing, debt and equity market conditions, and the Debtors' future liquidity, as well as the assumptions upon which such statements are based. Although Management has prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that the Debtors can provide no assurance that such assumptions will be realized. Because future events and circumstances may well differ from those assumed and unanticipated events or circumstances may occur, the Debtors expect that the actual and projected results will differ, and the actual results may be materially greater or less than those contained in the Financial Projections and from those contemplated by such forward-looking statements. No representations can be made as to the accuracy of the Financial Projections or the Debtors' ability to achieve the projected results. Therefore, the Financial Projections may not be relied upon as a guarantee or as any other form of assurance as to the actual results that will occur. The inclusion of the Financial Projections herein should not be regarded as an indication that the Debtors considered or consider the Financial Projections to reliably predict future performance. Accordingly, in deciding whether to vote to accept or reject the Plan, creditors should review the Financial Projections in conjunction with a review of the risk factors set forth in the Disclosure Statement and the assumptions and risks described herein, including all relevant qualifications and footnotes.
- AS ILLUSTRATED BY THE FINANCIAL PROJECTIONS, THE DEBTORS BELIEVE THEY WILL HAVE SUFFICIENT LIQUIDITY TO PAY AND SERVICE THEIR DEBT OBLIGATIONS, AND TO OPERATE THEIR BUSINESSES. THE DEBTORS BELIEVE THAT CONFIRMATION AND CONSUMMATION OF THE PLAN ARE NOT LIKELY TO BE FOLLOWED BY THE LIQUIDATION OR FURTHER REORGANIZATION OF THE DEBTORS. ACCORDINGLY, THE DEBTORS BELIEVE THAT THE PLAN SATISFIES THE FEASIBILITY REQUIREMENT OF BANKRUPTCY CODE SECTION 1129(a)(11).
- The Financial Projections were not prepared with a view toward compliance with published rules of the SEC or the American Institute of Certified Public Accountants regarding projections. The Debtors' independent auditor has not examined, compiled, or performed any procedures with respect to the prospective financial information contained in this exhibit and, accordingly, it does not express

¹ Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the *Joint Prepackaged Plan of Reorganization of CURO Group Holdings Corp. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, dated March 23, 2024 (as amended, modified or supplemented from time to time, the "Plan") or the Disclosure Statement to which this exhibit is attached, as applicable.

an opinion or any other form of assurance on such information or its achievability. The Debtors' independent auditor assumes no responsibility for and denies any association with the prospective financial information.

- Accordingly, neither the Debtors nor the Reorganized Debtors intend to and disclaim any obligation to: (1) furnish updated Financial Projections to Holders of Claims or Interests prior to the Effective Date or to any other party after the Effective Date, except as required by the Plan; (2) include any such updated information in any documents that may be required to be filed with the SEC; or (3) otherwise make such updated information publicly available. The Debtors do not intend to update or otherwise revise the Financial Projections to reflect circumstances that may occur after their preparation, or to reflect the occurrence of unanticipated events, even if any or all of the underlying assumptions are shown to be in error. Additional information relating to the principal assumptions used in preparing the Financial Projections are set forth below.
- THE FINANCIAL PROJECTIONS ARE BASED UPON A NUMBER OF SIGNIFICANT ASSUMPTIONS. ACTUAL OPERATING RESULTS AND VALUES MAY VARY SIGNIFICANTLY FROM THESE FINANCIAL PROJECTIONS.

Safe Harbor Under the Private Securities Litigation Reform Act of 1995

- The Financial Projections contain certain statements that are “forward-looking” within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements in the Financial Projections include the intent, belief, or current expectations of the Debtors and Management with respect to the timing of, completion of, and scope of the current restructuring, Plan, Debtors' business plan, and market conditions, and the Debtors' future liquidity, as well as the assumptions upon which such statements are based. While the Debtors believe that the expectations are based upon reasonable assumptions within the bounds of their knowledge of their business and operations, parties in interest are cautioned that any such forward-looking statements are not guarantees of future performance, involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements.

Summary of Significant Assumptions

- The Debtors, with the assistance of various Professionals, including their financial advisors, prepared the Financial Projections for the six months ending December 31, 2024, and the four years from 2025 to 2028 (the “Projection Period”). The Financial Projections are based on numerous assumptions with respect to the future performance of the Reorganized Debtors' operations. Although these Financial Projections have been prepared in good faith and are believed to be reasonable, the Debtors can provide no assurance that such assumptions will be realized. As described in detail in Article VIII of the Disclosure Statement, a variety of risk factors could affect the Reorganized Debtors' financial results and should be considered. The Financial Projections should be reviewed in conjunction with a review of these assumptions, including the qualifications and notes herein.

General Assumptions

- The Financial Projections are based upon the Debtors' operating budget and projections for the period from July 1, 2024 to December 31, 2028, in conjunction with current relevant industry outlooks. The Financial Projections were prepared using a “bottoms-up” approach, incorporating multiple sources of detailed information, including consumer-level forecasts, originations, yield and operating expense data, and separate projections for each of the Debtors' U.S. and Canada direct lending geographies. The operating assumptions assume the Plan will be confirmed and consummated by June 30, 2024.
- The Financial Projections reflect numerous assumptions made by Management with respect to industry performance, general business, economic, market and financial conditions, and other matters,

all of which are difficult to predict and many of which are beyond the Debtors' control. Therefore, although the Financial Projections are necessarily presented with numerical specificity, the actual results achieved during the projection periods presented will likely vary from the projected results. These variations may be material. Accordingly, no definitive representation can be or is being made with respect to the accuracy of the Financial Projections or the ability of the Reorganized Debtors to achieve the projected results.

Summary Financials

I. Projected Statement of Operations

Note – Net Revenue

Net Revenue is projected to be \$465 million during FY 2024, growing to \$543 million during FY 2028. Year-over-year net revenue growth is driven through expansion of the Debtors lending capabilities. Interest & fee yield and other ancillary revenue yield percentage of gross loans receivable is projected to remain flat for each of the respective loans following FY 2024. Net Charge Offs are expected to remain relatively flat as the Debtor targets lending to higher quality consumer base.

Note – Operating Expenses

Operating expenses include all salaries, bonus & benefits, occupancy, advertising, direct operating, depreciation & amortization, and other miscellaneous expenses. Operating expenses are projected to decrease primarily due to the Debtors' decreasing occupancy expense which is a result of the Debtor closing less efficient stores.

Note – Interest Expense

Interest expense over the Projection Period is based upon the Reorganized Debtors' pro forma capital structure and interest rates as contemplated by the Plan. Interest expense includes interest from both recourse and non-recourse debt as well as amortization of deferred financing costs.

Note – Income Tax Benefit / (Expense)

The Debtors calculated estimates based on their financial projections in FY 2024, and utilized a steady rate thereafter beginning in the second half of FY 2025. The actual amount of Cash taxes paid could vary significantly pending the final tax analysis of the reorganization and fresh-start accounting adjustments. Tax calculations are based on a multitude of factors, and the preliminary estimates are subject to material change.

II. Projected Consolidated Balance Sheets

Note – Cash

Cash reflects the restricted and unrestricted consolidated Cash balance of the Debtors. The opening Cash balance reflects the net impact from new money funding including the First Out Exit Term Loans.

Note – Loans Receivable

"Loans Receivable" is related to the Debtors' five special purpose facilities that lend based on the size of the facility (excluding ineligible loans) multiplied by the effective advance rate permitted under each respective credit agreement.

Note – Prepaid Expenses and Other

"Prepaid Expenses and Other" primarily consist of prepaid certain expenses, including insurance, rent, taxes, and miscellaneous expenses.

Note – Right of Use Assets

“Right of Use Assets” primarily consist of the intangible value the Debtors have gained by leasing assets through a specified period of time.

Note – Goodwill & Other Intangible Assets

“Goodwill & Intangible” is composed primarily of the Debtors’ intangible property, specifically its tradenames, proprietary technology, and customer relationships.

Note – Accounts Payable and Accrued Liabilities

“Accounts Payable and Accrued Liabilities” represent outstanding payables to third-party trade vendors and service providers and accrued expenses relating to payroll, employee benefits, employee incentives, and other operating expenses. Accrued interest is not included in Accrued Liabilities.

Note – Non-Recourse Debt

“Non-Recourse Debt” includes loans from the following entities: Heights Financing I, LLC, Heights Financing II, LLC, First Heritage Financing I, LLC, CURO Canada Receivables Limited Partnerships, and CURO Canada Receivables II Limited Partnership. Heights Financing I, LLC Debt is a \$375 million facility bearing interest at 1-Month SOFR plus 5.80% with a maturity of December 2026. Heights Financing II, LLC Debt is a \$140 million facility bearing interest at 1-Month SOFR plus 8.50% with a maturity of November 2026. First Heritage Financing I, LLC debt is a \$200 million facility bearing interest at 1-Month SOFR plus 4.52% with a maturity of December 2026. CURO Canada Receivables limited partnership debt is a \$150 million facility (with an accordion feature of \$113 million) bearing interest at 3-Month CDOR plus 6.00% with a maturity of December 2026. CURO Canada Receivables II Limited Partnership debt is a \$188 million (with an accordion feature of \$75 million) facility bearing interest at 3-Month CDOR plus 8.00% with a maturity of March 2026.

Note – First Out Exit Term Loans

The First Out Exit Term Loans are \$56 million secured first-out term loans with a maturity of June 2028. The facility bears annual interest at 1-Month SOFR (2.50% floor) plus 10.00%; (100% PIK during year 1, 75% PIK during year 2 and 50% PIK thereafter). The First Out Exit Term Loans do not include principal amortization.

Note – Second Out Exit Term Loans

The Second Out Exit Term Loans are \$247 million secured second-out term loans with a maturity of June 2028. The facility bears annual interest at 13.00% (100% PIK during year 1, 75% PIK during year 2 and 50% PIK thereafter). The Second Out Exit Term Loans do not include principal amortization.

Note - Shareholders Equity

Pro forma Shareholders’ Equity on the Opening Balance Sheet has been adjusted to reflect the equity value implied by the estimated Total Enterprise Value as set forth in the summary transaction in the Disclosure Statement. The projections do not reflect the full potential impact of fresh-start and lease accounting; as such, these balances are highly preliminary and illustrative.

III. Projected Consolidated Statement of Cash Flows

Note – Changes in Working Capital

“Changes in Working Capital” consist of changes in gross loans receivable, income tax receivable, prepaid expenses, right of use assets – operating leases, other assets, accounts payable, deferred revenue, lease liability – operating leases and accrued interest.

Note – Capital Expenditures

Capital expenditures are anticipated to remain in line with historical levels.

The Valuation Analysis is based on financial and other information provided to Oppenheimer by the Debtors’ Management and third-party advisors, the Financial Projections attached to the Disclosure Statement as Exhibit C and information provided by other sources.
- The valuation analysis herein represents a valuation of the Reorganized Debtors as the continuing operators of the businesses and assets of the Debtors, after giving effect to the Plan, based on the application of standard valuation techniques. The estimated values set forth below: (a) do not purport to constitute an appraisal of the assets of the Reorganized Debtors; (b) do not constitute an opinion on the terms and provisions or fairness from a financial point of view to any Holder of the consideration to be received by such Holder under the Plan; (c) do not constitute a recommendation to any Holder of Claims or Interests as to how such Holder should vote or otherwise act with respect to the Plan; and (d) do not necessarily reflect the actual market value that might be realized through a sale or liquidation of the Reorganized Debtors.
- In preparing the estimates set forth below, Oppenheimer has relied upon the accuracy, completeness, and fairness of financial and other information furnished by the Debtors. Oppenheimer did not

² Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the *Joint Prepackaged Plan of Reorganization of CURO Group Holdings Corp. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, dated March 23, 2024 (as amended, modified or supplemented from time to time, the “Plan”) or the Disclosure Statement to which this exhibit is attached, as applicable.

attempt to independently audit or verify such information, nor did it perform an independent appraisal of the assets or liabilities of the Debtors or Reorganized Debtors.

- The estimated values set forth herein assume that the Reorganized Debtors will achieve their Financial Projections in all material respects. Oppenheimer has relied on the Debtors' representation that the Financial Projections: (a) have been prepared in good faith; (b) are based on fully disclosed assumptions, which, in light of the circumstances under which they were made, are reasonable; (c) reflect the Debtors' best currently available estimates; and (d) reflect the good faith judgments of the Debtors. Oppenheimer does not offer an opinion as to the attainability of the Financial Projections. As disclosed in the Disclosure Statement, the future results of the Reorganized Debtors are dependent upon various factors, many of which are beyond the control or knowledge of the Debtors and Oppenheimer and, consequently, are inherently difficult to project.
- This Valuation Analysis contemplates facts and conditions known and existing as of the date of the Disclosure Statement. Events and conditions subsequent to this date, including updated projections, as well as other factors, could have a substantial effect upon the Total Enterprise Value. Among other things, failure to consummate the Plan in a timely manner may have a materially negative effect on the Total Enterprise Value. For purposes of this Valuation Analysis, Oppenheimer has assumed that no material changes that would affect value will occur between the date of the Disclosure Statement and the assumed Effective Date.
- The valuation estimates set forth herein represent valuation analyses generally based on the application of customary valuation techniques to the extent deemed appropriate by Oppenheimer. In preparing its valuation, Oppenheimer considered a variety of factors and evaluated a variety of financial analyses, including a (a) comparable companies analysis, (b) discounted Cash flow analysis, and (c) precedent transaction analysis. Oppenheimer also: (a) reviewed certain historical financial information of the Debtors for recent years and interim periods; (b) reviewed certain financial and operating data of the Debtors, including the Financial Projections; (c) discussed the Debtors' operations and future prospects with the Debtors' senior management team and third-party advisors; (d) reviewed certain publicly available financial data for, and considered the market value of, public companies that Oppenheimer deemed generally relevant in analyzing the value of the Reorganized Debtors; and (e) considered certain economic and industry information that Oppenheimer deemed generally relevant to the Reorganized Debtors.
- Oppenheimer believes that its analysis and views must be considered as a whole and that selecting portions of its analysis and factors could create a misleading or incomplete view of the processes underlying the preparation of the valuation. Reliance on only one of these methodologies used or portions of the analysis performed could create a misleading or incomplete conclusion.
- The range of the reorganization values presented assumes that the Effective Date of the Plan is June 30, 2024 (the "Assumed Effective Date") and reflects work performed by Oppenheimer on the basis of information with respect to the business and assets of the Debtors available to Oppenheimer as of the date of the Disclosure Statement. It should be understood that, although subsequent developments may affect Oppenheimer's conclusions, Oppenheimer does not have any obligation to update, revise, or reaffirm its estimate.
- As a result of the analysis described herein, Oppenheimer estimates the Total Enterprise Value of the consolidated corporate entity that includes both Debtors and wholly owned bankruptcy-remote non-Debtor subsidiaries to be within the range of approximately \$1,380 million to \$1,660 million, and as a result the Total Enterprise Value of the Reorganized Debtors to be within the range of approximately \$450 million to \$730 million, with a midpoint of \$590 million as of the Assumed Effective Date. The range and the midpoint are based in part on information provided by the Debtors, are solely for

purposes of the Plan, and assume that no material changes occur from the date of the Disclosure Statement through the Assumed Effective Date that affect Total Enterprise Value.

- The range of Total Enterprise Values and the midpoint set forth herein are not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein depending on the results of the Debtors' operations or changes in the financial markets. Additionally, the estimates of Total Enterprise Value represent hypothetical enterprise values of the Reorganized Debtors as the continuing operator of the Debtors' business and assets, and do not purport to reflect or constitute appraisals, liquidation values, or estimates of the actual market value that may be realized through the sale of any Securities to be issued pursuant to the Plan, which may be significantly different than the values set forth herein. Such estimates were developed solely for purposes of analysis of implied relative recoveries to Holders of allowed Claims and Interests under the Plan. The value of operating businesses such as the Debtors' businesses are subject to uncertainties and contingencies that are difficult to predict and fluctuate with changes in many factors affecting the financial condition and prospects of such businesses.
- Oppenheimer's estimated range for the Total Enterprise Value of the Reorganized Debtors does not constitute a recommendation to any Holder of Claims or Interests as to how such Holder should vote or otherwise act with respect to the Plan. The range and the midpoint of the range of Total Enterprise Value of the Reorganized Debtors set forth herein does not constitute an opinion as to the fairness from a financial point of view to any Holder of the consideration being offered to such Holder under the Plan or of the terms and provisions of the Plan. Accordingly, because valuation estimates are inherently subject to uncertainties, none of the Debtors, Oppenheimer, nor any other person assumes responsibility for the accuracy of the valuation range set forth or any difference between the estimated valuation range or the midpoint set forth herein and any actual outcome or value received for any debt or equity instruments received pursuant to the Plan.
- Oppenheimer is acting as investment banker and financial advisor to the Debtors and will not be responsible for, and will not provide, any tax, accounting, actuarial, legal, or other specialist advice.

Exhibit E

Liquidation Analysis

Liquidation Analysis¹

- Bankruptcy Code section 1129(a)(7) requires that each Holder of an Impaired Allowed Claim or Interest either (i) accept the Plan or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive or retain if the Debtors' assets were liquidated under chapter 7 of the Bankruptcy Code on the Effective Date of the Plan. This requirement is referred to as the "Best Interests Test."
- To demonstrate that the Plan satisfies the Best Interests Test under Bankruptcy Code section 1129(a)(7), the Debtors have prepared a hypothetical liquidation analysis (the "Liquidation Analysis"). The Liquidation Analysis estimates the realizable liquidation value of the Debtors' assets and estimates the distribution to creditors resulting from the liquidation thereof. The Liquidation Analysis indicates that Holders of Allowed Claims in each Impaired Class will receive at least as much under the Plan as they would if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Therefore, the Debtors believe that the Plan satisfies the Best Interests Test.
- The Liquidation Analysis is predicated on the following assumptions: (a) the Debtors file the Chapter 11 Cases in March 2024; (b) the Debtors obtain debtor-in-possession financing pursuant to the Interim DIP Order and Final DIP Order; (c) the Chapter 11 Cases are subsequently converted to a chapter 7 case on or about May 31, 2024 (the "Liquidation Date"); and (d) a chapter 7 trustee (the "Trustee") is appointed to convert all assets into Cash and distribute the proceeds of those assets in accordance with the Bankruptcy Code.
- The Liquidation Analysis is based on the Debtors' projected book values with respect to their assets and liabilities as of May 31, 2024, unless otherwise noted.
- Under chapter 7 of the Bankruptcy Code, the Debtors' assets would be subject to liquidation, and values would be measured based on the premise that such assets are liquidated in an orderly and expeditious fashion. For purposes of this Liquidation Analysis, it is assumed that the Debtors' operations would cease immediately upon conversion to chapter 7. The Trustee would then consolidate the Debtors' operations, retaining certain minimal operational, accounting, treasury, IT, and other management services necessary to wind down the Debtors' Estates. The Trustee would collect receivables, convert other assets to Cash and dispose of the Debtors' available property through sales. The Trustee would commence a three-month marketing process for any salable assets, during which time all of the property of the Debtors' Estates would be sold. The amount of proceeds available from the liquidation of the property would be the net proceeds (after accounting for costs associated with conducting the liquidation) from the collection or sale of property of the Estates the "Liquidation Proceeds"). This Liquidation Analysis assumes that the Liquidation Proceeds would be distributed in the order of priority set forth in Bankruptcy Code section 726: (i) first, to the Holders of Allowed Secured Claims; (ii) second, to the Holders of Allowed superpriority Administrative Claims; (iii) third, to Holders of Administrative Claims; (iv) fourth, to the Holders of any Allowed Other Priority Claims and Priority Tax Claims; and (v) fifth, to the Holders of Allowed General Unsecured Claims.
- The Liquidation Analysis does not include estimates for: (i) the tax consequences that may be triggered upon the liquidation and sale of property of the Debtors' Estates; (ii) damages as a result of

¹ Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the *Joint Prepackaged Plan of Reorganization of CURO Group Holdings Corp. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, dated March 23, 2024 (as amended, modified or supplemented from time to time, the "Plan") or the Disclosure Statement to which this exhibit is attached, as applicable.

breach or rejection of obligations incurred and leases and Executory Contracts assumed or entered into; or (iii) recoveries resulting from any potential preference, avoidable transaction or other litigation or avoidance actions.

- Estimating recoveries in any hypothetical chapter 7 liquidation is an uncertain process involving the extensive use of estimates and assumptions which, although considered reasonable by management, are inherently subject to significant business, economic and competitive uncertainties and contingencies beyond the control of the Debtors or the Trustee. These values have not been subject to any review, compilation, or audit by any independent accounting firm. In the event of a chapter 7 liquidation, the actual results may vary materially from the estimates and projections set forth herein. Similarly, the actual amounts of Allowed Claims in a chapter 7 liquidation could materially and significantly differ from the amounts of Claims estimated in this Liquidation Analysis.
- The following general assumptions were considered by the Debtors and their advisors as assumptions that would be applicable in any hypothetical chapter 7 liquidation.
- Underlying this Liquidation Analysis are numerous estimates and assumptions that are subject to significant economic, regulatory, operational, and competitive uncertainties. Many of these uncertainties are beyond the control of the Debtors, their management, and their advisors. This Liquidation Analysis contains numerous estimates regarding the projected financial statements and remain subject to further legal and accounting analysis. **NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATIONS OR WARRANTIES THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY.**
- In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims, as of the Liquidation Date, based upon the Debtors' latest financial projections and review of liabilities in the Debtors' books and records. The Liquidation Analysis includes estimates for Claims that could be asserted and Allowed in a chapter 7 liquidation, including, among others, equipment recovery and disposal, wind down costs, and trustee and Professional fees required to facilitate disposition of certain assets, resolution of corporate affairs, settlement of Claims and distributions to creditors in a value maximizing manner. The Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims under the Plan. **NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THE LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.**

The Liquidation Analysis is presented on a consolidated basis for all Debtors.

Assets

- 1) **Unrestricted Cash:** The amounts shown are the projected Cash balances available to the Debtors as of the Liquidation Date, based on projected Cash flows. Recovery rates for Cash are assumed to be 100%.
 - **Access to Cash:** The Liquidation Analysis assumes that the Debtors will have access to the Cash in their accounts upon conversion of the Chapter 11 Cases to chapter 7. Any impairment in the Trustee's ability to access Cash could adversely affect the Trustee's ability to run an orderly liquidation and further reduce recoveries.
- 2) **Gross Loan Receivables:** Gross loan receivables were analyzed by collateral and consumer credit scores, with the assumption that loan receivables that are unsecured with consumer borrowers with low credit scores will have a lower assumed collectability rate. Total recoveries range from 60% to 80% in the United States and 50% to 70% in Canada. Additional factors are as follows:
 - **Special Servicer:** The analysis assumes that the Trustee would retain a special servicer to assist in billing and collecting these gross loan receivables while the Trustee pursued a sale of the gross loan receivables. If the Trustee did not have sufficient access to Cash or for any other reason was not able to properly manage the special servicer those factors could negatively impact the recovery of these receivables.
- 3) **Income Tax Receivable:** The amounts shown are the projected income tax receivables, associated with the Flexiti sale, available to the Debtors as of the Liquidation Date. Recovery rates are assumed to range from 80% to 100%.
- 4) **Prepaid Expenses & Other Current Assets:** The Debtors have prepaid certain expenses, including insurance, rent, taxes, and miscellaneous expenses. In some cases, creditors may set off such prepayments against outstanding Claims. Any recovery from prepaid assets is assumed to be *de minimis* in a liquidation while Other Current Assets including CCFI are expected to have a higher recovery rate.
- 5) **Property & Equipment:** Fixed assets are composed of leasehold improvements (LHI), and furniture, fixtures & equipment (F&F). Fixed assets are reported net of depreciation, which is calculated on a straight-line basis over the useful life of the respective assets. Fixed assets are estimated to generate a recovery between 10% and 20% of net book value.
- 6) **Investment in Katapult:** The Debtors have an approximately 23% ownership (as of 9/30/23) in Katapult, a publicly traded company with a market cap of approximately \$54 million. Due to the low liquidity and trading volume, it is assumed that the Trustee would have to sell the Debtors' equity interests in a block sale at a discount resulting in a recovery range of 70% to 80%. If the Trustee were able to sell this asset over a longer period of time, a higher value may be realized.
- 7) **Right of Use Assets – Operating Leases:** The Debtors have certain operating leases. The majority of such leases have an original term up to five years plus renewal options. Any recovery on account of such operating leases is assumed to be *de minimis* in a liquidation.

- 8) **Deferred Tax Assets:** The Debtors have deferred tax assets. Recovery rates are assumed to be 0%.
- 9) **Goodwill, Intangibles and Other Assets, Net:** Goodwill is not projected to generate any proceeds in a liquidation. Intangible assets include customer relationships, trade names and trademarks, and developed technology. Recovery rates for intangible assets are assumed to be 0% to 1%.
- 10) **Net SPV Equity Proceeds Available to Corporate Creditors:** The amounts shown are the projected net SPV equity proceeds available to distribute to the Debtors' creditors as of the Liquidation Date, assuming corporate creditors have an unsecured Claim on the equity of the SPV entities. Recovery rates are assumed to be 100%.

- 11) **Chapter 7 Trustee Fees:** Pursuant to Bankruptcy Code sections 326 and 330, the Bankruptcy Court may allow reasonable compensation for the Trustee's services, not to exceed 25% on the first \$5,000 or less distributed to creditors, 10% on any distributable amount in excess of \$5,000 but not in excess of \$50,000, 5% on any amount in excess of \$50,000 but not in excess of \$1 million, and reasonable compensation not to exceed 3% of such moneys in excess of \$1 million, upon all moneys disbursed or turned over by the Trustee to parties in interest. For purposes of this Liquidation Analysis, these fees are assumed to be 3% of liquidation proceeds realized, excluding Cash.
- 12) **Wind-Down Budget:** Costs to liquidate the Debtors' assets are expected to be incurred over the course of a three-month wind down period. These costs include employee compensation and other operating costs needed to help facilitate the Trustee in winding down operations. This Liquidation Analysis estimates between \$25 million and \$30 million for Wind Down Costs.
- 13) **Accrued Chapter 11 Professional and UST Fees:** The Debtors estimate that Professional Fees will be incurred consistent with the projections, including those fees subject to Bankruptcy Court approval. - 14) **503(b)(9) Claims:** Estimated Claims under Bankruptcy Code section 503(b)(9) for goods and services received in the 20 days prior to the Petition Date that remain unpaid as of the Liquidation Date are estimated to be between \$6 million and \$7 million.
