**DEBTORS' EMERGENCY MOTION FOR INTERIM AND FINAL ORDERS
AUTHORIZING DEBTORS TO PAY PREPETITION SALES, USE, TRUST FUND,
PROPERTY, FOREIGN, AND OTHER TAXES AND SIMILAR OBLIGATIONS**

(Emergency Hearing Requested)

Basis for Requested Emergency Hearing

The Debtors respectfully request that the Court conduct an emergency hearing on this Motion. If the Taxes and Fees (as defined herein) are not paid it is possible that some, if not all, of the Taxing Authorities (as defined herein) may, pursuant to section 362(b)(9) of the Bankruptcy Code, cause the Debtors to be audited and

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number are Red Lobster Management LLC (6889); Red Lobster Sourcing LLC (3075); Red Lobster Supply LLC (9187); RL Kansas LLC (2396); Red Lobster Hospitality LLC (5297); Red Lobster Restaurants LLC (4308); RL Columbia LLC (7825); RL of Frederick, Inc. (9184); RL Salisbury, LLC (7836); RL Maryland, Inc. (7185); Red Lobster of Texas, Inc. (1424); Red Lobster of Bel Air, Inc. (2240); RLSV, Inc. (6180); Red Lobster Canada, Inc. (4569); and Red Lobster International Holdings LLC (4661). The Debtors' principal offices are located at 450 S. Orange Avenue, Suite 800, Orlando, FL 32801.

subjected to various administrative proceedings. Such audits and administrative proceedings and the accompanying disruption in business activities would materially and adversely affect the Debtors' restructuring efforts and unnecessarily divert the Debtors' attention away from these cases.

Red Lobster Management LLC and its debtor affiliates, as debtors and debtors-in-possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), by and through their proposed undersigned counsel, file this motion (the "Motion") seeking the entry of interim and final orders authorizing, but not directing, the Debtors to pay prepetition sales, use, trust fund, property, foreign and other taxes and similar obligations, as detailed herein, in the ordinary course of the Debtors' businesses. In addition, the Debtors request that (i) to the extent the Debtors have paid certain taxes which should not have been paid, the Court authorize the Debtors to seek a refund of such taxes, and (ii) to the extent that the Debtors dispute any such prepetition tax, the Court authorize the Debtors to set aside, in a segregated account, funds to pay the subject tax until a final determination is made as to whether the Debtors are obligated to pay the subject tax. In support of this Motion, the Debtors rely upon the *Declaration of Jonathan Tibus in Support of Debtors' Chapter 11 Petitions and First Day Relief* (the "First Day Declaration") which has been filed with the Court on or about the date hereof and is incorporated herein and respectfully represents as follows:

Jurisdiction and Venue

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).
2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought herein are sections 105(a), 363(b), 507(a)(8), 541, 1107(a) and 1108 of chapter 11 of title 11 of the United States Code (the

“Bankruptcy Code”), Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 9013-1(d) of the Local Rules of the United States Bankruptcy Court for the Middle District of Florida.

Procedural Background

4. On May 19, 2024 (the “Petition Date”), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

5. The Debtors are operating their businesses and managing their affairs as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. For a detailed description of the Debtors and their operations, the Debtors respectfully refer the Court and parties in interest to the First Day Declaration.

Relief Requested

7. By this Motion, the Debtors request authority, (i) authorizing, but not directing the Debtors: (A) to pay, in the Debtors’ sole discretion, sales, use, trust fund, property, foreign and other taxes and similar obligations, as detailed herein, in the ordinary course of the Debtors’ businesses, without regard to whether such obligations accrued or arose before or after the Petition Date; and (B) (i) to seek a refund of any taxes that have been already paid by the Debtors that the Debtors determine, in the exercise of their business judgment, should not have been paid, (ii) to set aside, in a segregated account, funds to pay any unpaid taxes that the Debtors dispute, until a final determination is made as to whether the Debtors are obligated to pay such tax, and (iii) authorizing financial institutions to receive, process, honor and pay all related checks and electronic payment requests, solely to the extent the Debtors have sufficient funds standing to their credit with such financial institutions, and such financial institution may rely on the representations of the Debtors as to which checks are issued and authorized or wire transfers are made and

authorized to be paid in accordance with this Motion without any duty of further inquiry and without liability for following the Debtors' instructions.

Factual Background

8. In the ordinary course of operating their businesses, the Debtors (a) incur certain sales, use, trust fund, property, foreign, and other taxes (collectively, the "Taxes"), and (b) are charged amounts for fees and other similar charges and assessments by various licensing authorities (collectively, the "Fees"). The Debtors remit the Taxes and Fees to various federal, state, foreign and local taxing, licensing and other governmental authorities (collectively, the "Taxing Authorities") on a periodic basis (whether monthly, quarterly, or annually, as established for each particular Tax or Fee) via checks and electronic funds transfers that are processed through their banks and other financial institutions or service providers, such as Anybill Financial Services, Inc. (together with certain of its affiliates, "Anybill").

9. The Debtors indirectly pay certain sales and use taxes and other Taxes and Fees in the ordinary course of business through their third-party tax administrator, Anybill. To do so, certain of the Debtors' employees provide Anybill with information related to amounts owed to the applicable Taxing Authorities and the required timing for payment. The Debtors remit funds to Anybill via ACH, wire transfer or through an automatic debit, pulling funds directly into Anybill's account. In turn, Anybill remits such tax payments to the applicable Taxing Authorities once the funds are received from the Debtors. As of the Petition Date, the Debtors estimate that they owe Anybill approximately \$5,000 on account of its services as the Debtors' tax administrator ("Anybill Service Fees"). The Debtors request authority, but not direction, to pay such Anybill Service Fees due and owing as of the Petition Date and further seek authority to continue honoring

such Anybill Service Fees as they become due and owing in the ordinary course of business during their chapter 11 cases.

10. As of the Petition Date, the Debtors estimate that, collectively, they owe the various Taxing Authorities described in detail on **Exhibit A** approximately \$34,634,000 in prepetition Taxes and Fees.² Through this Motion, the Debtors seek only the authorization, but not direction, to pay the Taxing Authorities the amounts described herein, when they become due in the ordinary course. The following table describes the various categories of Taxes and Fees incurred by the Debtors in the ordinary course of business and includes good faith estimates of such Taxes that have accrued as of the Petition Date based on the Debtors' books and records and remain subject to potential audits and other adjustments:

Category of Taxes and Fees	Approximate Amount Accrued and Unpaid as of the Petition Date (inclusive of interim relief requested)	Interim Relief Requested (due within 30 days of Petition Date)
Sales and Use Taxes	\$16,700,000	\$16,680,000
Franchise and Income Taxes	\$1,820,000	\$510,000
Real and Personal Property Taxes	\$13,720,000	\$2,370,000
Foreign Taxes	\$1,994,000	\$1,994,000
Other Taxes and Fees	\$400,000	\$130,000
Total	\$34,634,000	\$21,684,000

A. Sales and Use Taxes

11. The Debtors incur and collect from customers a variety of state and local sales taxes, gross receipts taxes, and similar obligations in connection with sales in the Debtors'

² As of the Petition Date, the Debtors have also incurred prepetition state and federal payroll and employment-related Taxes in the ordinary course of business and that such Taxes are owed (but not yet paid), to the Taxing Authorities pursuant to the Debtors' payroll. The Debtors do not seek authority to collect and pay state and federal employee withholding taxes under this Motion, but rather request such authority as part of the *Debtors' Emergency Motion for Authorization Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Employee Obligations and (II) Maintain Employee Benefit Programs*, filed concurrently herewith.

restaurants (collectively, the “Sales Taxes”). Sales Taxes are essentially general consumption taxes charged at the point of purchase for certain goods, including alcohol, which are usually established by the applicable Taxing Authority as a percentage of the price of the good or service purchased.³ The Debtors also incur use taxes from purchasing various inventory, supplies, or other goods utilized by the Debtors in the ordinary course of business (collectively, the “Use Taxes,” and together with Sales Taxes, “Sales and Use Taxes”). The Debtors’ liability for Use Taxes arises when the Debtors purchase fixtures, capital assets, supplies, or other goods used by the Debtors in the ordinary course of business for use in a jurisdiction where the acquisition of such personal property is taxable, but the Debtors do not pay sales tax. Purchases without sales taxes generally occur when personal property is purchased from a vendor for use in a state in which the vendor has no business operation. Without such a nexus, the vendor may not be obligated to charge or remit sales taxes within the state. Nevertheless, the purchasers, such as the Debtors, are obligated to self-assess and pay the Use Taxes, when applicable, to the state in which the Debtors operate. The Debtors generally remit Sales and Use Taxes to the applicable Taxing Authorities on a monthly, quarterly or annual basis either indirectly through Anybill, in which the Debtors fund the Anybill account and the funds are utilized in order to remit the Taxes to the appropriate Taxing Authority, or directly through online accounts with the specific Taxing Authority. In certain jurisdictions, the Debtors’ directors and officers may have personal liability for failure to timely pay Sales and Use Taxes. The Debtors also pre-pay certain Sales and Use Taxes in accordance with certain states applicable law.

³ The Debtors utilize various delivery platforms (e.g., DoorDash) in the ordinary course of business. In such instance, the platform will collect Sales Taxes from the customer and either (i) remit such Sales Taxes directly to the appropriate Taxing Authority or (ii) remit such Sales Taxes to the Debtors to then remit to the appropriate Taxing Authority. For the avoidance of doubt, this Motion does not reflect, or request authority to pay, Sales Taxes paid by the delivery platform directly to the appropriate Taxing Authority.

12. In calendar year 2023, the Debtors paid, in aggregate, approximately \$161,992,000 on account of Sales and Use Taxes. As of the Petition Date, the Debtors expect to owe approximately \$16,700,000 in Sales and Use Taxes that have not been remitted to the relevant Taxing Authorities, of which \$16,680,000 will become due within thirty (30) days after the Petition Date. Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Sales and Use Taxes that may become due and owing in the ordinary course of business during their chapter 11 cases.

B. Franchise Taxes and Income Taxes

13. The Debtors are required to pay various state franchise taxes (the “Franchise Taxes”) to continue conducting their business in accordance with state laws. Certain states may refuse to qualify the Debtors to do business in a state or recognize a name change, merger or other activity if the Franchise Taxes are not paid. The Debtors generally remit Franchise Taxes on an annual basis. In calendar year 2023, the Debtors have paid, in aggregate, approximately \$1,011,000 on account of Franchise Taxes. As of the Petition Date, the Debtors expect to owe approximately \$550,000 in Franchise Taxes to the relevant Taxing Authorities. Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Franchise Taxes that may become due and owing in the ordinary course of business during their chapter 11 cases.

14. The Debtors incur and are required to pay various state and federal income taxes (collectively, the “Income Taxes”). Income Taxes are generally calculated as a percentage of net income (the difference between gross receipts and expenses, after accounting for additional write-offs). The Debtors generally remit Income Taxes on a quarterly or annual basis, depending on the particular tax. In fiscal year 2023, the Debtors remitted approximately \$1,238,000 in Income Taxes to the applicable Taxing Authorities. As of the Petition Date, the Debtors expect to owe

approximately \$1,270,000 in Income Taxes to the relevant Taxing Authorities. Within thirty (30) days from the Petition Date, the Debtors expect that, in the aggregate, \$510,000 will become due on account of Franchise Taxes and Income Taxes. Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Income Taxes that may become due and owing in the ordinary course of business during their chapter 11 cases.

C. Real and Property Taxes

15. State and local laws in many of the jurisdictions where the Debtors operate generally grant the applicable Taxing Authorities the power to levy property taxes against the Debtors' real and personal property (collectively, the "Property Taxes"). Additionally, certain of the Debtors' leases provide that the Debtors will remit applicable Property Taxes for the leased property directly to the appropriate Taxing Authorities.⁴ To avoid the imposition of statutory liens on their real and personal property, the Debtors typically pay Property Taxes on property that they own in the ordinary course of business on an annual, semi-annual or quarterly basis, depending on how the relevant tax is assessed. The Debtors generally pay Property Taxes by paying Taxing Authorities through their tax advisor Ryan, LLC or directly via checks, electronic funds transfers or ACH. If the Property Taxes are not paid to the Taxing Authorities, certain states have historically revoked or otherwise terminated the liquor licenses issued by such states, resulting in disruption of the Debtors' business operations.

16. In calendar year 2023, the Debtors paid approximately \$24,516,000 in Property Taxes to the applicable Taxing Authorities. The Debtors estimate that they have accrued

⁴ In certain instances, the Debtors' leases require the Debtor to reimburse its landlord for the landlord's payment of property taxes on the leased property. The Debtors do not seek authority in this Motion for the payment of such amounts. However, we have included estimates whereby Red Lobster pays Property Taxes directly to the applicable Taxing Authority on account of (i) real property or buildings (*i.e.*, improvements) owned by the Debtors and (ii) Property Taxes payable by the Debtors directly to the applicable Taxing Authority pursuant to a lease.

approximately \$13,720,000 in Property Taxes as of the Petition Date, of which \$2,370,000 will become due within thirty (30) days after the Petition Date. Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Property Taxes that may become due and owing in the ordinary course of business during their chapter 11 cases.

D. Foreign Taxes

17. The Debtors incur and pay certain Taxes and Fees to foreign Taxing Authorities in the ordinary course of business, including foreign franchise taxes, withholding taxes, goods and services taxes, value-added taxes, harmonized taxes, export taxes, property taxes and other foreign taxes and fees (collectively, the “Foreign Taxes”). For instance, the Debtors operate several restaurants in Canada and pay franchise and sales and related taxes to numerous Canadian provinces in order to continue to do business in those jurisdictions. The Debtors collect and remit sales and related taxes and other taxes to the Taxing Authorities in Canada on a monthly, quarterly or annual basis. In 2023, the Debtors paid, in aggregate, approximately \$11,032,000 on account of Foreign Taxes. The Debtors expect to owe approximately \$1,994,000 in Foreign Taxes that have not been remitted to the relevant Taxing Authorities as of the Petition Date, all of which will become due within thirty (30) days after the Petition Date.⁵ Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Foreign Taxes that may become due and owing in the ordinary course of business during their chapter 11 cases.

E. Other Taxes and Fees

18. Applicable federal, state, and local laws and regulations require the Debtors to pay taxes and fees for a wide range of annual reports, import taxes, business licenses, liquor licenses

⁵ The Foreign Taxes are calculated based on either a calendar or fiscal year depending on the type of tax.

and permits. The Debtors also incur certain obligations in connection with the importation or transportation of inventory or other goods used by the Debtors in the operation of their businesses, as well as certain annual tax reporting, privilege fees and filing related fees (collectively, the “Other Taxes and Fees”). The method for calculating Other Taxes and Fees and the deadlines for paying such amounts varies by jurisdiction. In 2023, the Debtors paid approximately \$3,033,000 in aggregate on account of Other Taxes and Fees to the applicable Taxing Authorities. The Debtors estimate that they have accrued approximately \$400,000 in aggregate Other Taxes and Fees as of the Petition Date, of which \$130,000 will become due within thirty (30) days after the Petition Date. Accordingly, the Debtors request authority, but not direction, to satisfy any amounts owed on account of such Other Taxes and Fees that may become due and owing in the ordinary course of business during their chapter 11 cases.

F. Custom Brokers

19. Additionally, the Debtors utilize custom brokers Maersk Customs Services USA Inc. (“Maersk”) and Livingston International Inc. (individually, “Livingston”, and together with Maersk, the “Custom Brokers”) for the payment of various import and export taxes. Maersk, in connection with inventory shipped from the United States to Canada, and Livingston, in connection with inventory shipped from Canada to the United States, files import and export taxes with the applicable Taxing Authority and then invoices the Debtors. Once the invoice is paid, the Custom Brokers remit payment on behalf of the Debtors (collectively, the “Custom Broker Fees”). In 2023, the Debtors paid a de minimis amount on account of Custom Broker Fees. The Debtors are unaware of any outstanding Custom Broker Fees that are due and payable by the Debtors as of the Petition Date. However, the Debtors request authority, but not direction, to satisfy any amounts

owed on account of such Custom Broker Fees that may become due and owing in the ordinary course of business during their chapter 11 cases.

G. Audits

20. The Debtors are subject to certain ongoing audit investigations of prior year tax returns and may be subject to further investigations (the “Audits”) during the pendency of these chapter 11 cases. These Audits may result in additional prepetition Taxes being assessed against the Debtors (such additional Taxes, “Audit Amounts”), though the Debtors will use their best efforts to avoid any such additional liability. The Debtors seek authority, but not direction, to satisfy any such Audit Amounts in the ordinary course of business.⁶

21. The Debtors believe that many of the Taxes and Fees collected prepetition are not property of the Debtors’ estates, and therefore, must be remitted to the Taxing Authorities. Even if certain prepetition Taxes and Fees are not considered to be the property of the Debtors’ estates, they may give rise to priority claims by the Taxing Authorities. Moreover, if the Taxes and Fees are not paid, it is possible that some, if not all, of the Taxing Authorities may, pursuant to section 362(b)(9) of the Bankruptcy Code, cause the Debtors to be audited and subjected to various administrative proceedings. Such Audits and administrative proceedings and the accompanying disruption in business activities would materially and adversely affect the Debtors’ restructuring efforts and unnecessarily divert the Debtors’ attention away from these cases. In the event that such action is taken by the Taxing Authorities, the Debtors need the authority of this Court to pay, if necessary, the various Taxes and Fees, including any Audit Amounts.

⁶ Nothing contained herein or in the order approving the Motion constitutes or should be construed as an admission of liability by the Debtors with respect to any Audit or Audit Amount. The Debtors expressly reserve all rights with respect to any Audit. Furthermore, the Debtors reserve the right to contest the Audit Amounts, if any, claimed to be due as a result of an Audit.

Authority for Relief

22. Ample cause exists to authorize the payment of the Taxes and Fees, including that (i) certain of the Taxes and Fees may not be property of the Debtors' estates; (ii) the failure to pay the Taxes and Fees may interfere with the Debtors' continued operations; (iii) the failure to pay prepetition Property Taxes may increase the scope of secured and priority claims held by the applicable Taxing Authorities against the Debtors' estates; (iv) the payment of Taxes and Fees generally affects only the timing of payments, because most, if not all, of the Taxes and Fees are afforded priority status under the Bankruptcy Code; and (v) the Court has authority to grant the requested relief under sections 363 and 105(a) of the Bankruptcy Code.

A. Certain of Prepetition Taxes and Fees May Not Be Property of the Debtors' Estates

23. Certain of the Taxes and Fees may not be property of the Debtors' estates, as they have been collected from third parties and held in trust for payment to various Taxing Authorities. Section 541(d) of the Bankruptcy Code provides, in relevant part:

Property in which the debtor holds, as of the commencement of the case, only legal title and not an equitable interest . . . becomes property of the estate . . . only to the extent of the debtor's legal title to such property, but not to the extent of any equitable interest in such property that the debtor does not hold.

11 U.S.C. § 541(d).

24. Certain of the Taxes and Fees constitute "trust fund" taxes, which the Debtors are required to collect from third parties and hold in trust for payment to the Taxing Authorities. As a result, courts have held that such taxes are not part of a debtor's estate. *See, e.g., Begier v. Internal Revenue Serv.*, 496 U.S. 53, 57-60 (1990) (holding that any prepetition payment of trust fund taxes is not a transfer subject to avoidance because such funds are not the debtor's property); *Official Comm. of Unsecured Creditors v. Columbia Gas Sys. Inc. (In re Columbia Gas Sys. Inc.)*,

997 F.2d 1039, 1056–60 (3d Cir. 1993) (indicating that even if a statute does not establish an express trust, a constructive trust may be found);⁷ *In re Al Copeland Enters., Inc.*, 991 F.2d 233, 235 (5th Cir. 1993) (finding that debtors’ prepetition collection of sales taxes and interest thereon held subject to trust and not property of estate); *Tex. Comptroller of Pub. Accounts v. Megafoods Stores (In re Megafoods Stores, Inc.)*, 163 F.3d 1063, 1067–69 (9th Cir. 1999) (holding that, under applicable state law, state sales taxes collected created statutory trust fund, if traceable, and were not property of the estate); *In re Equalnet Commc’ns Corp.*, 258 B.R. 368, 370 (Bankr. S.D. Tex. 2000) (“[C]ertain prepetition tax claims, such as sales taxes, could be trust fund claims.”); *In re Am. Int’l Airways, Inc.*, 70 B.R. 102, 103 (Bankr. E.D. Pa. 1987) (holding that funds held in trust for federal excise and withholding taxes are not property of the debtor’s estate). The Debtors, therefore, generally do not have an equitable interest in such funds held in trust and should be permitted to pay such funds to the applicable Authority as the related Taxes and Fees become due.

B. Failure to Pay Prepetition Taxes and Fees May Increase the Scope of Secured and Priority Claims Held By the Taxing Authorities

25. Payment of prepetition Taxes and Fees is also warranted because the Debtors’ non-payment of certain of the Taxes and Fees may give rise to tax liens or increase the amount of secured claims held by the Taxing Authorities against the Debtors’ estates. Specifically, the Taxing Authorities may assert liens against any personal property for which the Taxes and Fees are due and owing. Arguably, the relation back of a tax lien to the assessment or tax status date generally does not affect the enforceability of the tax lien against a debtor or violate the automatic

⁷ Additionally, a constructive trust may be imposed on collected taxes where there exists a reasonable nexus between the funds and the taxes in question. See *In re Integrated Health Servs., Inc.*, 344 B.R. 262, 270 (Bankr. D. Del. 2006). The Debtors, therefore, may not have a legally cognizable interest in funds held on account of such “trust fund” taxes and, accordingly, such taxes, which generally consist of sales taxes, would not constitute “property of the [Debtors’] estate” as such term is defined in section 541 of the Bankruptcy Code.

stay imposed by section 362(a) of the Bankruptcy Code. *See* 11 U.S.C. § 362(b)(3). In fact, the creation and perfection of such a lien may not violate the automatic stay—even if the lien arises under applicable law for taxes due after the Petition Date. *See* 11 U.S.C. § 362(b)(18) (automatic stay does not apply to “the creation or perfection of a statutory lien for an ad valorem property tax, or a special tax or special assessment on real property whether or not ad valorem, imposed by a governmental unit, if such tax or assessment comes due after the date of the filing of the petition”); *see also In re Gifaldi*, 207 B.R. 54, 56 n.1 (Bankr. W.D.N.Y. 1997) (noting that section 362(b)(18) of the Bankruptcy Code reversed case law that had held that the creation of a statutory lien against ad valorem property taxes violated the automatic stay).

26. Furthermore, to the extent the Taxing Authorities hold oversecured claims, if the prepetition Taxes and Fees are not paid, postpetition interest, fees, penalties, and other charges may accrue. *See* 11 U.S.C. § 506(b); *United States v. Ron Pair Enters., Inc.*, 489 U.S. 235, 241–43 (1989) (holding that nonconsensual lienholders may receive interest on their claims under section 506(b) of the Bankruptcy Code). Even if such Taxes and Fees are not treated as secured claims, they may be entitled to priority treatment. *See* 11 U.S.C. § 507(a)(8). Any attendant penalties assessed by the applicable Taxing Authority on delinquent taxes owed by the Debtors may be entitled to similar treatment. The Debtors’ failure to pay prepetition Taxes and Fees thus may increase the amount of priority claims held by the Taxing Authorities against the Debtors’ estates. Indeed, if the Debtors are required to pay interest on such tax claims, section 511 of the Bankruptcy Code provides that “the rate of interest shall be the rate determined under applicable nonbankruptcy law,” which may exceed prevailing market interest rates. *See* 11 U.S.C. § 511(a).

27. Accordingly, prompt payment of the Taxes and Fees may avoid the potential imposition of liens, prevent the accrual of interest charges and unnecessary fees and penalties on

such claims, and eliminate claims for interest at potentially above-market rates for any resulting secured claims, all thereby preserving the value of the Debtors' estates and maximizing the distribution available for creditors in these chapter 11 cases.

C. Many of the Taxes and Fees are Priority Claims, the Payment of Which Will Affect Only the Timing of Payments

28. Most, if not all, of the Taxes and Fees described herein may be afforded priority status pursuant to section 507(a)(8) of the Bankruptcy Code and, thus, payment of such Taxes and Fees would give the Taxing Authorities no more than that to which they otherwise would be entitled under a chapter 11 plan. Payment of the Taxes and Fees will save the Debtors potential interest expense, legal expense, and penalties that otherwise might accrue on, or be incurred in connection with, such Taxes and Fees.

29. Section 507(a)(8) of the Bankruptcy Code provides that claims entitled to priority status include unsecured claims of governmental units for (i) taxes on or measured by income or gross receipts for a taxable year ending on or before the Petition Date, for which a return, if required, is last due after three years prior to the Petition Date, and which is assessed within 240 days before the Petition Date, *see* 11 U.S.C. § 507(a)(8)(A); (ii) property taxes incurred before the Petition Date and last payable without penalty after one year before the Petition Date, *see* 11 U.S.C. § 507(a)(8)(B); and (iii) taxes required to be collected or withheld and for which the debtor is liable in whatever capacity, *see* 11 U.S.C. § 507(a)(8)(C). Moreover, to the extent that the Taxes and Fees are entitled to priority treatment under section 507(a)(8)(B) of the Bankruptcy Code, the governmental unit also may attempt to assess penalties that may also be accorded priority status. *See* 11 U.S.C. § 507(a)(8)(G) (granting eighth-priority status to “a penalty related to a claim of a kind specified in [section 507(a)(8)] and in compensation for actual pecuniary loss”).

30. Courts frequently authorize early payment of priority claims when such early payment is intended to prevent some harm or to procure some benefit for the estate. *See, e.g., CEI Roofing*, 315 B.R. at 60–61 (finding that authorization of early payment of priority claims does not upset the Code’s priority scheme or trigger concerns of unfair discrimination); *In re CoServ, L.L.C.*, 273 B.R. 487, 493 (Bankr. N.D. Tex. 2002) (implying that bankruptcy court may authorize early payment of prepetition priority claims in instances where nonpayment could impair debtor’s ability to operate); *Equalnet Commc’ns*, 258 B.R. at 370 (stating that court may authorize pre-plan payment of priority claims, including certain tax claims, because “the need to pay these claims in an ordinary course of business time frame is simple common sense”).

31. To the extent the prepetition Taxes and Fees are priority claims, they must be paid in full before any general unsecured obligations of the Debtors may be satisfied. Based on the foregoing, payment of the Taxes and Fees amounts to largely a timing issue, and, will save the Debtors potential interest expense, legal expense, and penalties that otherwise might accrue on, or be incurred in connection with, the Taxes and Fees.

D. Payment of Taxes and Fees Is Warranted Under Sections 363 and 105(a) of the Bankruptcy Code

32. Section 363(b) of the Bankruptcy Code provides, in relevant part, that “[t]he [debtor], after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). To approve the use of assets outside the ordinary course of business pursuant to section 363(b) of the Bankruptcy Code, courts require only that the debtor “show that a sound business purpose justifies such actions.” *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999) (internal citations omitted); *see also In re Phoenix Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987). Moreover, if “the debtor

articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.” *In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (citation omitted); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (stating that “[o]vercoming the presumptions of the business judgment rule on the merits is a near-Herculean task”).

33. In addition, the Court has the authority, pursuant to its equitable powers under section 105(a) of the Bankruptcy Code, to authorize the relief requested herein, because such relief is necessary for the Debtors to carry out their fiduciary duties under section 1107(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code empowers bankruptcy courts to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105; *see In re Ionosphere Clubs*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) (applying section 105(a) to justify an order authorizing the payment of certain prepetition wages, salaries, medical benefits, and business expense claims to debtor’s employees). Section 1107(a) of the Bankruptcy Code “contains an implied duty of the debtor-in-possession” to act as a fiduciary to “protect and preserve the estate, including an operating business’ going-concern value,” on behalf of a debtor’s creditors and other parties in interest. *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *In re CoServ, L.L.C.*, 273 B.R. at 497); *see also Unofficial Comm. of Equity Holders v. McManigle (In re Penick Pharm., Inc.)*, 227 B.R. 229, 232–33 (Bankr. S.D.N.Y. 1998) (“[U]pon filing its petition, the Debtor became debtor in possession and, through its management . . . was burdened with the duties and responsibilities of a bankruptcy trustee.”). Courts consistently have permitted payment of prepetition obligations where necessary to preserve or enhance the value of a debtor’s estate for the benefit of all creditors. *See, e.g., In re Lehigh & New Eng. Ry. Co.*, 657 F.2d 570, 581 (3d Cir. 1981) (holding that “if payment of a claim which

arose prior to reorganization is essential to the continued operation of the . . . [business] during reorganization, payment may be authorized even if it is made out of [the] corpus”).

34. The Court may also authorize the payment of prepetition claims in appropriate circumstances under section 105(a) of the Bankruptcy Code and the doctrine of necessity when such payment is essential to the continued operation of a debtor’s business. *See, e.g., In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code provides a statutory basis for payment of prepetition claims under the doctrine of necessity and noting that “[t]he Supreme Court, the Third Circuit and the District of Delaware all recognize the court’s power to authorize payment of pre-petition claims when such payment is necessary for the debtor’s survival during chapter 11”); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191–92 (Bankr. D. Del. 1994) (confirming that the doctrine of necessity is standard for enabling a court to authorize payment of prepetition claims prior to confirmation of a reorganization plan).

35. The Debtors’ timely payment of the Taxes and Fees represents a sound exercise of the Debtors’ business judgment and will maximize value by allowing them to continue the operation of their business without interruption, which is necessary to ensure a smooth transition into chapter 11. First, if the Debtors fail to pay the Taxes and Fees in a timely manner, the Taxing Authorities may assert that the Debtors’ directors and officers are personally liable for payment of certain Taxes and Fees. This is the case even if failure to pay the Taxes and Fees was not a result of malfeasance on their part. Any claims or litigation related to the failure to pay the Taxes and Fees would be distracting for the Debtors, their directors and officers, as well as the Court, which may be asked to entertain various motions by Taxing Authorities seeking relief. Second, the Taxing Authorities may seek to assert liens on estate assets or seek to lift the automatic stay. Finally, a failure to satisfy the Taxes and Fees may jeopardize the Debtors’ maintenance of good

standing to operate in the jurisdictions in which they do business. As such, it is in the best interest of the Debtors' estates to eliminate the possibility of these distractions and to enable the Debtors to continue operating without interruption and to focus on their restructuring efforts.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

36. The Debtors have sufficient funds to pay any amounts related to the Taxes and Fees in the ordinary course of business. Under the Debtors' existing cash management system, the Debtors have made arrangements to readily identify checks or wire transfer requests relating to the Taxes and Fees, as applicable. The Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Thus, the Debtors request that the Court authorize all applicable financial institutions to receive, process, honor, and pay any and all checks or wire transfer requests as directed by the Debtors in respect of the Taxes and Fees, to the extent the Debtors have sufficient funds on deposit in their accounts with such financial institutions, whether such checks or wire transfers are dated before, on or after the Petition Date, and such financial institutions may rely on the representations of the Debtors without any duty of further inquiry and without liability for following the Debtors' instructions.

The Requirements of Bankruptcy Rule 6003 Are Satisfied

37. Bankruptcy Rule 6003 empowers a court to grant relief within the first 21 days after the Petition Date "to the extent that relief is necessary to avoid immediate and irreparable harm." For reasons discussed above, authorizing the Debtors, in their sole discretion, to pay the Taxes and Fees accrued prior to the Petition Date and granting the other relief requested herein is integral to the Debtors' ability to transition their operations into these chapter 11 cases. Failure to receive such authorization and other relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture. *See In re Ames Dep't Stores, Inc.*, 115

B.R. 34, 36 n.2 (Bankr. S.D.N.Y. 1990) (finding that “immediate and irreparable harm” exists where loss of the business threatens ability to reorganize). For the reasons discussed herein, the relief requested is necessary in order for the Debtors to operate their businesses in the ordinary course and preserve the ongoing value of the Debtors’ operations and maximize the value of their estates for the benefit of all stakeholders. Accordingly, the Debtors submit that it has satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003 to support granting the relief requested herein.

Reservation of Rights

38. Nothing contained herein is intended or should be construed as an admission as to the validity of any Tax or Fee against the Debtors, a waiver of the Debtors’ right to dispute any Tax or Fee, or an approval or assumption of any agreement, contract or lease under section 365 of the Bankruptcy Code. The Debtors expressly reserve their rights to contest any claim related to the Taxes and Fees under applicable non-bankruptcy law. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court’s order is not intended and should not be construed as an admission as to the validity of any claim or a waiver of the Debtors’ right to dispute such claim subsequently.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

39. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

WHEREFORE, the Debtors respectfully request the Court enter an order, substantially in the form attached hereto as **Exhibit B**, (i) granting the relief requested herein on an interim basis,

and after a final hearing, on a final basis, (ii) authorizing, but not directing, the Debtors pay the Anybill Service Fees due and owing as of the Petition Date and continue to satisfy such Anybill Service Fees going forward in the ordinary course of business, (iii) authorizing, but not directing, the Debtors to remit and pay the Taxes and Fees as the Debtors, in their sole discretion, deem necessary, (iv) authorizing financial institutions to receive, process, honor, and pay all checks issued and electronic payment requests made relating to the foregoing, and (v) granting such other and further relief as the Court deems appropriate.

**INTERIM ORDER GRANTING DEBTORS' EMERGENCY MOTION FOR INTERIM
AND FINAL ORDERS AUTHORIZING DEBTORS TO PAY PREPETITION SALES,
USE, TRUST FUND, PROPERTY, FOREIGN
AND OTHER TAXES AND SIMILAR OBLIGATIONS**

THIS MATTER came before the Court on [•] [•], 2024 at [•] [a.m./p.m.], in Orlando, Florida for a hearing (the "Hearing")², upon the *Debtors' Emergency Motion for Interim and Final Orders Authorizing Debtors to Pay Prepetition Sales, Use, Trust Fund, Property, Foreign, and Other Taxes and Similar Obligations* [ECF No. [•]] (the "Motion"). The Motion seeks entry of interim and final orders authorizing, but not directing, the Debtors to pay prepetition sales, use, trust fund, property foreign, and similar taxes, and related fees. The Court, having considered the Motion, finding that: (a) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; (b) venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; (c) this matter is core pursuant to 28 U.S.C. § 157(b)(2); (d) the Court may enter a final order consistent with Article III of the United States Constitution; (e) notice of the Motion and the Hearing thereon was sufficient under the circumstances and no other or further notice need be provided; (f) the Court having determined that the legal and factual bases set forth in the Motion, the First Day Declaration and at the Hearing establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and all parties in interest; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor. Accordingly, it is **ORDERED** that:

1. The Motion is **GRANTED** on an interim basis.

²Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Motion.

3. To the extent the Debtors have paid Taxes which should not have been paid, the Debtors are authorized to seek a refund of such Taxes. Likewise, to the extent the Debtors dispute any pre-petition Taxes, the Debtors are authorized to set aside, in a segregated account, funds to pay such Taxes until a final determination is made as to whether the Debtors are obligated to pay such Taxes.

4. The Debtors are authorized, but not directed, in their sole discretion, to pay Anybill Service Fees that are due or will become due within thirty (30) days after the Petition Date, in the approximate amount of \$5,000.00, to Anybill.

5. The Debtors are authorized, but not directed, in their sole discretion, to pay Custom Broker Fees that are due or will become due within thirty (30) days after the Petition Date, if any, to the Custom Brokers.

6. Each of the Banks at which the Debtors maintain their accounts are authorized to (a) receive, process, honor and pay all checks presented for payment and electronic payment requests as directed by the Debtors on account of the relief granted herein, to the extent sufficient funds on deposit in those accounts, whether such checks were presented or electronic requests were submitted before, on or after the Petition Date; and (ii) accept and rely on the Debtors' designation of any particular check or electronic payment request as appropriate pursuant to the

Motion without any duty of further inquiry and without liability for following the Debtors' instructions.

7. Nothing in this Order precludes the Debtors from (i) contesting, in their sole discretion, the validity and amount of any Taxes and Fees under applicable bankruptcy or non-bankruptcy law, or (ii) seeking or not seeking approval or assumption of any agreement, contract, or lease under 11 U.S.C. § 365.

8. All depositories on which checks were drawn in payment of prepetition amounts to the Authorities shall honor such checks as and when presented for payment.

9. Notwithstanding the relief granted in this Order, any payment to be made, or authorization obtained, hereunder shall be subject to the requirements imposed on the Debtors under any approved debtor-in-possession financing facility, or budget in connection therewith, approved by the Court in these chapter 11 cases.

10. Notwithstanding anything to the contrary contained herein, (i) any payment made or to be made, or authorization contained, hereunder shall be subject to the requirements imposed on the Debtors under any approved postpetition financing facility or any order regarding the use of cash collateral approved by the Court in these chapter 11 cases, including, without limitation, the *Interim Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral on a Limited Basis, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying The Automatic Stay, (VI) Scheduling A Final Hearing, and (VII) Granting Related Relief* (the "DIP Order"), and (ii) to the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the DIP Order and the Approved DIP Budget (as defined in the DIP Order) shall control.
