Case No. 24-11402 (LSS)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS  
AND METHODOLOGY REGARDING THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (each, a "Debtor," and collectively, the "Debtors") are filing their respective Schedules of Assets and Liabilities (collectively, the "Schedules") and Statements of Financial Affairs (collectively, the "Statements," and together with the Schedules, collectively, the "Schedules and Statements") in the United States Bankruptcy Court for the District of Delaware (the "Court"). The Debtors, with the assistance of their professional advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

These Global Notes and Statement of Limitations and Methodology Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.<sup>2</sup>

The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of the information and data used in preparing the Schedules and Statements. Inadvertent errors, omissions or inaccuracies may exist in the Schedules and Statements. The Debtors and their estates reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate.

**I. Notes Applicable to all Schedules and Statements**

**Note 1: Reporting Date.** All asset and liability information, except where otherwise noted, is provided as of June 23, 2024 (the "Petition Date").

<sup>1</sup> The Debtors in these Chapter 11 Cases are Solar Biotech, Inc. and Noblegen Inc. The location of Debtors' principal place of business is 5516 Industrial Park Rd, Norton, VA 24273, Attn: Alex Berlin.

<sup>2</sup> These Global Notes supplement and are in addition to any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors have prepared a Global Note with respect to any of the individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' other Schedules and Statements, as appropriate.

**Note 2: Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars. To the extent any amounts had to be converted to U.S. dollars, the conversion rate used was as of June 23, 2024.

**Note 3: Signatory.** Alex Berlin has signed each set of Schedules and Statements. Mr. Berlin serves as Chief Executive Officer and is an authorized signatory for each of the Debtors in these chapter 11 cases. In reviewing and signing the Schedules and Statements, Mr. Berlin has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and their legal and financial advisors. Mr. Berlin has not personally verified and could not personally verify the accuracy of each such statement and representation, but believes them to be true, correct and accurate as of the date he signed the Schedules and Statements.

**Note 4: Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. These Schedules and Statements were not filed with the United States Securities and Exchange Commission (the "SEC") or any other authority, and neither the SEC nor any state authority has passed upon the accuracy or adequacy of the Schedules and Statements or upon the merits of the Schedules and Statements.

**Note 5: Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

**Note 6: Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are undetermined amounts, the actual total may be different from the listed total.

**Note 7: Confidential Information.** There are instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as addresses. The Debtors have used this approach for the protection of sensitive commercial information or for the privacy of the applicable individual. The alterations are limited to only what is necessary to protect the Debtors or the applicable third party.

**Note 8: Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment,

account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

**Note 9: Claim Designation.** Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate. Listing a claim does not constitute an admission of liability by the Debtors.

**Note 10: Fiscal Year.** Each Debtor's fiscal year ends on or about December 31.

**Note 11: Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

**Note 12: Undetermined Amounts.** The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

**Note 13: Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

**Note 14: Insiders.** For purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors; (b) officers; (c) holders of interests in excess of 20% of the voting interests of one of the Debtor entities (whether directly or indirectly); (d) relatives of directors, officers, or shareholders of the Debtors (to the extent known by the Debtors); and (e) Debtor/non-Debtor affiliates.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

**Note 15: Payments.** Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their business (the "Cash Management System") (as described in the Debtors' *Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to*

(A) Continue to Operate Their Cash Management System, (B) Maintain Current Bank Accounts, (C) Honor Certain Prepetition Obligations Related Thereto, and (D) Maintain Existing Business Forms; and (II) Granting Related Relief [Docket No. 8]) (the "Cash Management Motion"). Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

**Note 16: Reservation of Rights.** In preparing the Schedules and Statements, the Debtors relied on unaudited financial data derived from their books and records that was available at the time of their preparation. Although the Debtors have made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, inadvertent errors or omissions might exist and subsequent information or discovery might result in material changes or modification to the Schedules and Statements that require the Debtors to file amended Schedules and Statements. **The Debtors reserve all rights under Bankruptcy Rule 1009 to amend or modify any of the Schedules and Statements, including with respect to the treatment, characterization, classification, amount, omission, or inclusion of any claims, assets, liabilities, or executory contracts, and to the extent necessary to advance positions in these chapter 11 cases that might conflict with the Schedules and Statements.**

## **II. Notes to Schedules of Assets and Liabilities**

- 1. *Schedule A/B – Assets.*** The Debtors have potentially excluded the following categories of assets from the Schedules and Statements: deferred tax assets; certain intangibles; deferred revenue accounts; or goodwill. Other immaterial assets may also have been excluded.

***Schedule A/B, Part 1 – Cash.*** The cash and cash equivalents listed in the Schedules reflect values as of June 23, 2024.

***Schedule A/B, Part 11 – All Other Assets.*** Except where otherwise noted, the value of all assets listed on Schedule A/B are calculated as of June 23, 2024.

***Schedule A/B, Part 8 – Other Machinery, fixtures, and equipment (excluding farm machinery and equipment).*** The values provided are based on replacement costs estimated by Debtor Noblegen. The Debtors will attempt to obtain the fair market value of the equipment listed through the sale process in the Chapter 11.

***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtors and Rights to Setoff Claims.*** In the ordinary course of their business, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with their customers, insurance agencies, or insurance carriers. In addition, the Debtors believe that they may possess certain claims and causes of action against various parties. Accordingly, certain of the Debtors may become party to litigation in which such Debtor may assert claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.

2. ***Schedule D – Creditors Who Have Claims Secured by Property.***

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim, subject to the Debtors' rights pursuant to any applicable court order. By listing an "amount of claim" in Schedule D, the Debtors are not admitting or waiving any rights to assert that all or any portion of such claim is wholly unsecured. Further, the listing of a claim as secured is not an admission as to the validity of any lien.

The descriptions provided in Schedule D are intended only to be a summary. In certain instances, a Debtor may be a co-obligor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. Nothing in Schedule D and/or the Notes shall be deemed a modification or interpretation of the terms of such agreements.

Detailed descriptions of the Debtors' prepetition debt structure and descriptions of collateral relating to the debt contained on Schedule D are contained in the *Declaration of Alex Berlin in Support of Debtors' Chapter 11 Petitions and First Day Motions* [Docket No. 3] (the "First Day Declaration").

Except as specifically stated, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule D or Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including any intercompany agreement) related to a creditor's claim. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

3. ***Schedule E/F – Creditors Who Have Unsecured Claims.*** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. Some of the scheduled liabilities are unknown, contingent and/or unliquidated at this time. In such cases, the amounts are listed as "Undetermined." Accordingly, the Schedules and the Statements may not equal the aggregate value of the Debtors' total liabilities as noted on any previously issued financial statements.

***Paid Claims.*** The Debtors have authority to pay certain outstanding prepetition liabilities pursuant to the Bankruptcy Court's first day orders (collectively, the "First Day Orders"). As such, certain liabilities listed in these Schedules and Statements may have been subsequently reduced or satisfied pursuant to the First Day Orders notwithstanding the

fact that the Debtors have listed claims and payables as of the Petition Date in these Schedules and Statements.

***Excluded Liabilities.*** The Debtors have potentially excluded the following categories of liabilities from the Schedules and Statements: deferred tax liabilities; and certain accrued liabilities including salaries and employee benefits. Other immaterial liabilities may also have been excluded.

***Part 1 – Creditors with Priority Unsecured Claims.*** The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority treatment under section 507 of the Bankruptcy Code.

Pursuant to the *Interim Order (I) Authorizing Debtors to (A) Pay Prepetition Wages, Reimbursable Expenses, Employee Benefit Obligations and Other Compensation and (B) Continue Compensation and Employee Benefits Programs and Pay Related Administrative Obligations; and (II) Granting Related Relief* [Docket No. 43] (the "Employee Wage Order"), the Debtors received authority to pay certain prepetition obligations, including certain employee wages and other employee benefits in the ordinary course of business. The Debtors believe that (but cannot guarantee that) such claims will be satisfied in the ordinary course during the chapter 11 cases pursuant to the authority granted in the Employee Wage Order or other order that may be entered by the Bankruptcy Court. Additionally, claims against the Debtors on account of wage or wage-related obligations may maintain priority under section 507 of the Bankruptcy Code, but are subject to the priority cap imposed under subsections (a)(4) and (a)(5) of section 507 of the Bankruptcy Code.

***Part 2 – Creditors with Nonpriority Unsecured Claims.*** The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made reasonable attempts to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. The amounts listed on schedule E/F may not reflect any right of setoff or recoupment, and the Debtors reserve any such setoff or recoupment rights. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtors for amounts listed in Schedule E/F.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected by the Debtors.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was

incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors may not have received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights to amend Schedules D and E/F if, or when, the Debtors receive such invoices.

**Trade Payables.** To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule E/F.

4. **Schedule G – Executory Contracts and Unexpired Leases.** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over inclusions may have occurred. The Debtors hereby reserve all rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other document, instruments and agreements which may not be listed therein. Also, Schedule G is intended to contain all of the Debtors' contracts and agreements as of the Petition Date. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date or have been rejected by the Debtors. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. These rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, and title agreements. To the extent that such documents constitute executory contracts, the documents may have been omitted.

In the ordinary course of business, the Debtors have entered into numerous contracts or agreements, some of which may be oral. While the Debtors have made every effort to reflect the current agreements, to the extent such contracts or agreements constitute executory contracts, certain of these contracts and agreements may not be listed individually on Schedule G.

### III. Notes to Statements of Financial Affairs

1. **Statements, Part 1, Questions 1 and 2 – Income and Non-business Revenue.** Revenue for 2024 has been provided through June 23, 2024, on a prorated basis when indicated below.
2. **Statements, Part 13, Question 26 – Books, Records, and Financial Statements.** The Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients include, among others, regulatory agencies, financial institutions, investment banks, equity holders, debtholders and their legal and financial advisors. Financial statements have also been provided to other parties as requested, subject to customary non-disclosure requirements where applicable. In the event such financial statements are provided, the Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in their response to Statement Question 26d.
3. **Statements, Part 13, Question 28 – Controlling Interest Holders.** For purposes of the Schedules and Statements, the Debtors define "controlling interest holders" to include entities that directly hold in excess of 20% of the voting interests of the applicable Debtor entity.
4. **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Certain directors and executive officers of Debtor Solar Biotech, Inc. are also directors and executive officers of Debtor Noblegen Inc. To the extent payments to such individuals are not listed in the response to Questions 3 and 4 on the Statements for such Debtor entities, they did not receive payment for their services as directors or executive officers of these entities.

In the circumstance where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to certain individuals who the Debtors believe may be included in the definition of "insider" set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. As detailed herein, the listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for (1) the purposes of determining (i) control of the Debtors, (ii) the extent to which any individual exercised management responsibilities or functions or corporate decision-making authority over the Debtors, or (iii) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (2) any other purpose.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
