

August 21, 2024 Pursuant to Sections 327(e), 328(a), 330, and 363(b)(1) of the Bankruptcy Code [Docket No. 222, Ex. B] attached to the Application, to retain Legalpeople as Legal Staffing Provider pursuant to section 327(a) of title 11 of the United States Code (the “Bankruptcy Code”), the rules of this Court, and rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). I am over the age of eighteen, competent to testify, and authorized to submit this declaration on behalf of the Debtors. The facts set forth herein are based either upon my personal knowledge, discussions with other personnel at Legalpeople, and client/matter records of Legalpeople reviewed by myself or by personnel of Legalpeople acting under my supervision and direction and, if called and sworn as a witness, I would testify competently thereto.

Legalpeople’s Qualifications

2. The Debtors seek to retain Legalpeople because of Legalpeople’s expertise and extensive experience in legal staffing services, as well as Legalpeople’s familiarity with, among other things, the Debtors’ systems and personnel through the prepetition services it performed for the Debtors. Specifically, Legalpeople provides teams of contract lawyers and other legal professionals to review and categorize the large volumes of electronically stored information and hard-copy documents produced during the discovery process, while keeping costs down by offering low hourly rates and facilities to house review teams. Legalpeople’s contract lawyers and other legal professionals also assist in carrying out other legal tasks related to the discovery process, such as creating privilege logs and compiling key documents in preparation for witness interviews, depositions, and examinations. Legalpeople’s services, therefore, complement services provided by other legal professionals by providing essential support services in a cost-effective manner. Accordingly, I believe that Legalpeople is both well qualified and uniquely able to provide these services in connection with the Investigation Matters during these chapter 11 cases in an efficient and timely manner.

Services to Be Provided

3. In March 2024, the Company engaged Skadden, Arps, Slate, Meagher & Flom LLP (“Skadden”) to provide advice in connection with responding to any subpoenas received from governmental entities or agencies and any resulting investigations (the “Investigation Matters”). The Investigation Matters remain ongoing, and during the pendency of these chapter 11 cases, the Debtors anticipate that they will continue to require advice and guidance from Skadden in connection with the Investigation Matters.³

4. The Debtors request the employment and retention of Legalpeople to provide legal staffing services, including document review and related projects, in connection with the Investigation Matters under the terms of the Engagement Letter.⁴ Specifically, Legalpeople will provide the Debtors with a team of legal professionals on a temporary basis (collectively, the “Legalpeople Professionals”) who will review documents in connection with the Investigation Matters. Complying with the Investigation Matters will require the Debtors to review and organize thousands of documents. Utilizing the Legalpeople Professionals to assist in the review process is necessary and will benefit the Debtors’ estates because: (a) the Debtors do not currently have the internal resources to undertake a document review of this size and scope in-house; (b) the Legalpeople Professionals will be substantially less expensive than the cost of Skadden performing the review; and (c) the Legalpeople Professionals have particular expertise in assisting in

³ The Investigation Matters and Skadden’s retention are discussed in greater detail in the *Application of Debtors for Entry of an Order Authorizing Retention and Employment of Skadden, Arps, Slate, Meagher & Flom LLP as Special Counsel Effective as of the Petition Date Pursuant to Sections 327(e), 328(a), 330, and 363(b)(1) of the Bankruptcy Code* [Docket No. 211], incorporated herein by reference.

⁴ Although the Debtors and Legalpeople executed the Engagement Letter after the Petition Date, Legalpeople provided prepetition services to the Debtors under prior engagement letters.

large-scale document review and related projects, and have provided such services to the Debtors in the past.

5. I believe that the failure to retain Legalpeople would result in unnecessary delay and expense to the detriment of all parties in interest. Given that Legalpeople has a preexisting relationship with the Debtors, Legalpeople is familiar with the Debtors' systems and the factual background underpinning the Investigation Matters. If the Debtors were required to retain a different legal staffing provider, it would be time consuming, inefficient, and unduly expensive for such provider to get up to speed with the Debtors' business and the issues and status of matters that Legalpeople has handled and is handling for the Debtors in connection with the Investigation Matters.

6. Subject to further order of the Court and consistent with the terms of the Engagement Letter, the Legalpeople Professionals will provide the following services to the Debtors as requested and directed by the Debtors and the Debtors' counsel:

- a. organizing relevant documents pursuant to the Investigation Matters;
- b. reviewing such documents;
- c. providing Skadden summaries of the documents; and
- d. participating in other document review and summary services as needed.

7. Legalpeople has indicated its willingness to act in these chapter 11 cases as Legal Staffing Provider and to render the foregoing services. Legalpeople will work closely with the Debtors to take the necessary and appropriate steps to avoid any unnecessary duplication of effort with other estate professionals.

Professional Compensation

8. Legalpeople's decision to provide services to the Debtors in connection with these chapter 11 cases is conditioned upon its ability to be retained in accordance with Legalpeople's

customary terms and conditions of employment, including the compensation arrangement negotiated in good faith between Legalpeople and the Debtors (the “Fee Structure”). Subject to this Court’s approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of this Court, Legalpeople intends to: (a) seek compensation for hourly services in accordance with its ordinary and customary rates in effect on the date such services are rendered and (b) seek reimbursement of actual and necessary costs and expenses incurred by Legalpeople in connection with these services.

9. The Debtors and Legalpeople agreed on the hourly rate structure for the hourly rates for legal staffing services under the Engagement Letter. The hourly rates that will be charged by Legalpeople in connection with the Investigation Matters are as follows:

<u>Billing Category</u>	<u>Rate</u>
Project Manager	\$150
Document Reviewer	\$58

Such rates shall be subject to adjustment annually at such time as Legalpeople adjusts its rates generally. In addition to any fees payable to Legalpeople, the Debtors will reimburse Legalpeople for all reasonable and documented out-of-pocket expenses incurred in connection with its services to the Debtors. The full terms of Legalpeople’s engagement in connection with the Investigation Matters are set forth in the Engagement Letter, attached as Exhibit 1 hereto.

10. The Fee Structure is consistent with, and typical of, compensation arrangements entered into by Legalpeople and other comparable firms in connection with the rendering of similar services under like circumstances. The Debtors believe that the Fee Structure is reasonable, market-based, and designed to fairly compensate Legalpeople for its work and to cover fixed and routine overhead expenses.

11. This Amended and Superseding Rorem Declaration is intended to comply with Bankruptcy Rule 2016(b). Legalpeople intends to apply to this Court for compensation for professional services rendered in connection with these chapter 11 cases. During the ninety (90) days prior to the Petition Date, Legalpeople received an aggregate amount of \$2,250.00 from the Debtors or their affiliates. Legalpeople has rendered services to the Debtors prior to the Petition Date for which it incurred fees and expenses that remain outstanding and for which Legalpeople has a prepetition claim against the Debtors in the amount of \$165,063.30. Legalpeople has waived any such prepetition claim against the Debtors' estates.

12. If retained, Legalpeople will apply to the Court from time to time for allowance of compensation and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of this Court by submitting monthly fee statements and interim and final fee applications on appropriate notice. In light of privilege and confidentiality considerations, however, Legalpeople reserves the right to redact its time and expense records and to seek authority from the Court to file such time and expense records under seal.

Legalpeople's Connections with the Debtors

13. In connection with its proposed retention by the Debtors in these chapter 11 cases, Legalpeople undertook to determine whether Legalpeople has any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors or their estates. Specifically, Legalpeople obtained from the Debtors the names of individuals and entities that may be parties in interest in the chapter 11 cases (the "Potential Parties in Interest"), attached hereto as **Exhibit 2**.

14. Legalpeople's conflict analysis consisted of queries of an internal computer database containing names of individuals and entities that are present or recent former clients of

Legalpeople or involved parties in order to identify relationships with the Potential Parties in Interest. The list of the Potential Parties in Interest on **Exhibit 2** includes the Debtor entities, directors and officers, significant equity holders, bankruptcy professionals, banks, lenders, administrative agents, insurance and surety bond providers, known affiliates and joint venture entities, landlords, litigation counterparties, merger and acquisition parties, material contract counterparties, material vendors, top thirty creditors of the Debtors, U.S. Trustee personnel, judges, court contacts for the District of Delaware and key staff members, UCC lien parties, and utility providers. At this time, and as set forth in further detail herein, Legalpeople is not aware of any connection that would present a disqualifying conflict of interest. Should Legalpeople discover any new relevant facts or connections bearing on the matters described herein during the period of its retention, Legalpeople will use reasonable efforts to promptly file a supplement declaration.

15. Legalpeople is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, in that Legalpeople and its professional personnel:

- a. are not creditors, equity security holders, or insiders of the Debtors;
- b. are not and were not, within two (2) years before the date of the filing of this case, directors, officers, or employees of the Debtors; and
- c. do not have an interest materially adverse to the interest of the Debtors’ estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors.

16. Legalpeople has determined that while Legalpeople has or had a professional relationship with several of the Potential Parties in Interest listed by the Debtors, none of those matters is or was related to the Investigation Matters or the chapter 11 cases, and there is no overlap of Potential Parties in Interest who are Legalpeople clients and have a connection to the Investigation Matters or the chapter 11 cases.

17. As part of its diverse practice, Legalpeople appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and Potential Parties in Interest in these chapter 11 cases. Additionally, Legalpeople has in the past provided, and may currently provide, legal staffing services for various attorneys and law firms in the legal community and has been represented by several attorneys and law firms in the legal community, some of whom may be involved in these chapter 11 cases. Legalpeople has in the past, may currently, and will likely in the future be working with or against other professionals involved in these chapter 11 cases on matters unrelated to the Debtors or these chapter 11 cases. Based on my current knowledge of the professionals involved, and to the best of my knowledge, none of these business relationships create interests materially adverse to the Debtors with respect to the matters for which Legalpeople is to be employed, and none are in connection with these chapter 11 cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.

Dear Bradley:

Thank you for selecting Legalpeople for your temporary staffing needs at Sunpower Corporation ("Sunpower"). We look forward to providing you with legal professionals ("Professionals") to assist with your *SEC* document review matter and surrounding projects. This agreement (the "Agreement") sets forth the terms and conditions that will apply in connection with our services.

- 1. Legalpeople Services.** Legalpeople is dedicated to providing legal professionals to satisfy short- and long-term staffing needs. We will work with you to analyze your specific staffing requirements and will provide pre-screened Professionals who we believe are best suited for the specific assignment and who we have confirmed, with your assistance, have no conflicts or adversity in this matter. The final selection of each Professional is made by you and can be changed by you at any time.
- 2. Engagement and Compensation.** Each week the Professionals will complete time forms provided by Legalpeople that will state the amount of time spent each day on the assignment (but not a description of the matter(s) or services), and will reflect the agreed upon hourly rates of \$58 for document reviewers and \$150 for Project Managers, which you agree not to discuss with the Professional(s). The hourly rate will include both the Professional's compensation as well as our placement and servicing fee. Both you (or an authorized representative of Sunpower), and the Professionals must sign the time forms or submit them through Legalpeople's electronic timekeeping system. Should you not approve or otherwise comment on the submitted timesheet within 7 days after the last day on the timesheet, the timesheet will be deemed to be approved by you. Legalpeople will invoice Sunpower for those hours each week. Upon approval under our retained status, Legalpeople will draw payment of invoices from the agreed upon retainer balance, to be paid in advance. Legalpeople will regularly share a report of ongoing transactions to the retainer and running balances. Legalpeople will also prepare projections of the retainer balance so that retainer funds can be replenished timely and commensurate with invoice volumes. Legalpeople will make deductions from the Contractors' pay, where applicable and required by law, for appropriate unemployment insurance, social

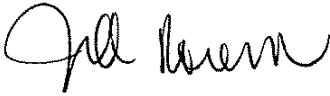

security, disability, federal and local income taxes and worker's compensation coverage. If Sunpower desires to raise the compensation of a Professional, you may do so by contacting us so that we can revise our hourly rate to reflect a proportionate increase in the compensation we pay the Professional.

- 3. No Supervision.** Legalpeople is a placement agency whose business is to meet your needs by procuring quality legal professionals on a temporary or permanent basis. Legalpeople is not engaged in the practice of law. Legalpeople will not control, direct or supervise the professional activities of any Professional we provide, and Legalpeople does not participate in, has no knowledge of and assumes no responsibility for reviewing, examining or verifying either the assignment furnished by you or the work product produced by any Professionals that we provide. The Professionals referred by Legalpeople will work under the supervision of Sunpower (or your Outside Counsel). Sunpower has the right, without any input from or explanation to Legalpeople to terminate the engagement of a Professional at any time (subject to any applicable local, state and federal laws).
- 4. Confidentiality.** Legalpeople acknowledges that, during the term hereof, Legalpeople may learn of confidential information about Sunpower. Legalpeople agrees that it will never, directly or indirectly, use or disclose such confidential information to third parties. Legalpeople has communicated to the Professionals the need to maintain client confidences, and you should feel free to discuss this subject directly with the Professionals. Our attorney Professionals have agreed to observe the Disciplinary Rules of Professional Conduct and the guidelines set forth in ABA Comm. on Ethics and Professional Responsibility in performing assignments for your firm. Our attorney Professionals have also represented that they are currently members in good standing of the appropriate state bar.
- 5. Equal Opportunity:** Legalpeople is an equal opportunity employer. Sunpower agrees to comply with all applicable laws prohibiting discrimination on the basis of race, color, sex, religion, age, national origin, physical or mental disability or status as a Vietnam era veteran or special disabled veteran.

The terms and conditions of this letter agreement, including the hourly rates, are confidential and should only be discussed between Sunpower and the principals of Legalpeople. Any and all references in this Agreement to (a) "you" and "your" are intended to refer to Sunpower as well as their successors and assigns and to (b) "Legalpeople", "we", "us" and "our" are intended to refer to Legalpeople, as well as its successors, assigns, partners and related entities. Sunpower, and Legalpeople agree that no oral agreement or representations, not contained in the letter, were made or relied upon by either party in entering this agreement. The terms and conditions set forth in this Agreement will remain in full force and effect unless expressly waived or modified in writing by the party against whom enforcement is sought.

In order to confirm your agreement and acceptance of the terms and conditions set forth in this Agreement, please sign your names in the appropriate space provided below and return the executed Agreement to us. We look forward to assisting you with your staffing needs.

Sincerely,

Jill Rorem
