(dgrassgreen@pszjlaw.com), Bradford J. Sandler (bsandler@pszjlaw.com), and Steven W. Golden (sgolden@pszjlaw.com).

- d. ***No Objection Timely Filed.*** If no objection to the rejection of any Contract is timely filed, each Contract listed in the applicable Rejection Notice shall be rejected as of the applicable Rejection Date set forth in the Rejection Notice or such other date as the Debtors and the applicable Rejection Counterparty agrees; *provided, however*, that the Rejection Date for a rejection of a lease of non-residential real property shall not occur until the later of (i) the Rejection Date set forth in the Rejection Notice and (ii) the date the Debtors relinquish control of the premises by notifying the affected landlord in writing of the Debtors' surrender of the premises and (A) turning over keys, key codes, and security codes, if any, to the affected landlord or (B) notifying the affected landlord in writing that the keys, key codes, and security codes, if any, are not available, but the landlord may rekey the leased premises; *provided, further*, that the Rejection Date for a lease of non-residential real property rejected pursuant to these Rejection Procedures shall not occur earlier than the date the Debtors filed and served the applicable Rejection Notice.

Absent a timely objection, any and all property located on the Debtors' leased premises on the Rejection Date of the applicable lease of nonresidential real property shall be deemed abandoned pursuant to

section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. After the Abandoned Property is deemed abandoned pursuant to section 554 of the Bankruptcy Code, the applicable Contract counterparty or counterparties may, in their sole discretion and without further order of this Court, utilize and/or dispose of such property and, to the extent applicable, the automatic stay is modified to allow such disposition. 3. The following Assumption Procedures are approved in connection with assuming and assuming and assigning Contracts *other* than the assumption and assignment or transfer of Contracts in connection with any Sale Transaction (as such term is defined in the Bidding Procedures Order):⁴
 - a. ***Assumption Notice.*** The Debtors shall file a notice substantially in the form attached hereto as **Exhibit 2** (the "Assumption Notice") indicating the Debtors' intent to assume a Contract or Contracts pursuant to section 365 of the Bankruptcy Code other than in connection with a Sale Transaction, which shall set forth, among other things: (i) the Contract or Contracts to be assumed; (ii) the names and addresses of the counterparties to such Contracts (each an "Assumption Counterparty"); (iii) the identity of the proposed assignee of such Contracts (the "Assignee"), if applicable; (iv) the effective date of the assumption for each such Contract (the "Assumption Date"); (v) the proposed cure amount, if any for each such Contract; (vi) a description of any material amendments to the Contract made outside of the ordinary course of business; and (vii) the deadlines and procedures for filing objections to the Assumption Notice (as set forth below).

⁴ Capitalized terms used but not defined in this paragraph shall have the meanings ascribed to them in the *Order (I) Approving Bidding Procedures and Bid Protections, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving the Complete Solaria Stalking Horse APA, (V) Establishing Notice and Procedures for the Assumption and Assignment of Assumed Contracts and Leases, (VII) Approving the Sale of Assets, and (VIII) Granting Related Relief* [Docket No. ●] (the "Bidding Procedures Order").

- b. ***Service of the Assumption Notice and Evidence of Adequate Assurance.*** The Debtors will cause the Assumption Notice to be served (i) by overnight delivery upon the Assumption Counterparties affected by the Assumption Notice and each Assignee, if applicable, at the address set forth in the notice provision of the applicable Contract (and upon the Assumption Counterparties' counsel, if known) and (ii) by first class mail, email, or fax upon the Master Notice Parties.⁵ To the extent the Debtors seek to assume and assign a lease of non-residential real property, the Debtors will cause evidence of adequate assurance of future performance to be served with the Assumption Notice by overnight delivery upon the Assumption Counterparties affected by the Assumption Notice at the address set forth in the notice provision of the applicable Contract (and upon the Assumption Counterparties' counsel, if known, by electronic mail).
- c. ***Objection Procedures.*** To the extent a Contract identified in an Assumption Notice is, at the time of the filing of such Assumption Notice, listed on a Cure Notice or Supplemental Cure Notice as set forth in the Bidding Procedures Order, a party objecting to the proposed assumption or assumption and assignment of such Contract must object to such proposed assumption or assumption and assignment by the applicable Cure Objection Deadline or Supplemental Cure Objection Deadline; *provided*, that any objection to an identified Assignee must file and serve a written objection⁶ so that such objection is filed with this Court and actually received by the Objection Service Parties no later than seven (7) days after the date the Debtors file and serve the relevant Assumption Notice and promptly serve such objection on the Objection Service Parties.

Parties objecting to a proposed assumption or assumption and assignment (including as to the cure amount), as applicable, of a Contract that was not, as of the time of filing the applicable Assumption Notice, previously listed on a Cure Notice or Supplemental Cure Notice must file and serve a written objection so that such objection is filed with this Court and actually received by the Objection Service Parties no later than fourteen (14) after the date the Debtors file and serve the relevant Assumption Notice and promptly serve such objection on the Objection Service Parties.

- d. ***No Objection.*** If no objection to the assumption of any Contract is timely filed, each Contract shall be assumed as of the Assumption Date set forth in the applicable Assumption Notice or such other date as the Debtors and the applicable Assumption Counterparties agree, and the proposed cure amount shall be binding on all counterparties to such Contract and no amount in

⁵ The Debtors shall serve (by electronic mail, if requested) a counterparty to a Contract other than a lease of non-residential real property to be assumed under the Contract Procedures with evidence of adequate assurance as soon as reasonably practicable upon such counterparty's written request to the Debtors' proposed counsel.

⁶ An objection to the assumption of any particular Contract listed on an Assumption Notice shall not constitute an objection to the assumption of any other Contract listed on such Assumption Notice.

excess thereof shall be paid for cure purposes; *provided, however*, that the Assumption Date for a lease of nonresidential real property shall not occur earlier than the date the Debtors filed and served the applicable Assumption Notice.

- e. ***Unresolved Timely Objections.*** If an objection to an Assumption Notice is timely filed and properly served as specified above and not withdrawn or resolved, the Debtors shall schedule a hearing on such objection and shall provide at least seven (7) days' notice of such hearing to the applicable Assumption Counterparty and the other Objection Service Parties. If such objection is overruled or withdrawn, such Contract shall be assumed as of the Assumption Date set forth in the Assumption Notice or such other date to which the Debtors and the Assumption Counterparty to such Contract have agreed, or as ordered by the Court.
- f. ***Removal from Schedule.*** The Debtors reserve the right to remove any Contract from the schedule to an Assumption Notice at any time prior to the Assumption Date (including, without limitation, upon the failure of any proposed assumption and assignment to close).

4. With regard to Contracts to be assigned, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the assignment of any Contract shall: (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds in the same order and priority subject to all existing defenses, claims, setoffs, and rights) and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, guaranties of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, claims and encumbrances (A) that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contract(s), or (B) in respect of any taxes); and (b) constitutes a legal, valid, and effective transfer of such Contract(s) and vests the applicable Assignee with all rights, titles, and

interests to the applicable Contracts.⁷ For the avoidance of doubt, all provisions of the applicable assigned Contract, including any provision limiting assignment, shall be binding on the applicable Assignee.

5. Subject to and conditioned upon the occurrence of a closing with respect to the assumption and assignment of any Contract, and subject to the other provisions of this Order (including the aforementioned Assumption Procedures), the Debtors are hereby authorized in accordance with sections 365(b) and (f) of the Bankruptcy Code to (a) assume and assign to any Assignees the applicable Contracts, with any applicable Assignee being responsible only for the post-assignment liabilities or defaults under the applicable Contracts except as otherwise provided for in this Order and (b) execute and deliver to any applicable Assignee such assignment documents as may be reasonably necessary to sell, assign, and transfer any such Contract.

6. The Debtors' right to assert that any provisions in the Contract that expressly or effectively restrict, prohibit, condition, or limit the assignment of or the effectiveness of such Contract to an Assignee are unenforceable anti-assignment or *ipso facto* clauses is fully reserved.

7. The Assignee shall have no liability or obligation with respect to defaults relating to the assigned Contracts arising, accruing, or relating to a period prior to the applicable Assumption Date.

8. The Debtors are hereby authorized, pursuant to section 363(b) of the Bankruptcy Code, to enter into the consensual amendments as set forth in an Assumption Notice.

9. Approval of the Contract Procedures and this Order will not prevent the Debtors from seeking to reject or assume a Contract by separate motion.

⁷ Certain of the Contracts may contain provisions that restrict, prohibit, condition, or limit the assumption and/or assignment of such Contract. The Debtors reserve all rights with respect to the enforceability of such provisions.

10. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief (including any payment made in accordance with this Order), nothing in this Order is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Order or the Motion or any order granting the relief requested by the Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. Any payment made pursuant to this Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

11. All rights and defenses of the Debtors and their estates are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is expired or terminated and is no longer an executory contract or unexpired lease, respectively.

12. Notice of the Rejection as provided therein shall be deemed good and sufficient notice of such Rejection Notice and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.
