formation about the case for creditors, debtors, including information about the meeting of creditors and deadlines Read careful

Head Carefully. The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, reposess property, or otherwise ty to collect from the debtor. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attomey's fess. Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy derk's office within the deadline specified in this notice. Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits the creditor to the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial. The deadline for filing objections to claims will be established pursuant to local Rule 3007 – 1(8)(1). **Filing Deadline for a Creditor with a Foreign Address:** The deadlines for filing proofs of claim in this notice apply to all creditors.
