### NOTES AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT

On August 12, 2024 (the "Petition Date"), Blink Holdings, Inc. and its affiliated debtors, as debtors and debtors in possession (collectively, the "Debtors"), each commenced with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") a voluntary case (collectively, the "Chapter 11 Cases") under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors are authorized to continue operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of the Chapter 11 Cases, is set forth in detail in the *Declaration of Steven Shenker, Chief Restructuring Officer of the Debtors, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 2] (the "First Day Declaration"), which is incorporated herein by reference. Additional information about the Chapter 11 Cases, court filings, and claims information is available at the website maintained by the Debtors' claims and noticing agent: <a href="https://dm.epiq11.com/blinkfitness">https://dm.epiq11.com/blinkfitness</a>. Additional information may also be obtained by contacting counsel to the Debtors, Timothy R. Powell (tpowell@ycst.com).

- 1) General Methodology: The Debtors are filing this monthly operating report (the "MOR") solely for purposes of complying with the monthly operating reporting requirements of the Debtors' chapter 11 cases. The financial information contained herein is unaudited, limited in scope and as such, has not been subjected to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The MOR should not be relied on by any persons for information relating to current or future financial condition, events or performance of any of the Debtors, as the results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. There can be no assurance that such information is complete. The MOR may be subject to material future revision. The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the MOR.
- 2) Basis of Presentation: The Debtors historically prepared consolidated quarterly and annual financial statements that were audited annually. Solely to comply with their obligations to provide MORs during these Chapter 11 Cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. This MOR only

contains financial information of the Debtors, unless otherwise noted. For the purposes of MOR reporting, the accompanying Balance Sheets and Statement of Operations of the Debtors have been prepared on a consolidated basis. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Nevertheless, in preparing this MOR, the Debtors made reasonable efforts to supplement the information set forth in their books and records with additional information concerning transactions that may not have been identified therein. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. The MOR has been developed to the best of the Debtors' knowledge and ability. Notwithstanding any such discovery, new information or errors or omissions, the Debtors do not undertake any obligation or commitment to update this MOR. Except as previously noted, the financial statements presented herein reflect the book values of the Debtors and, as a result, do not reflect the going concern valuation of the Debtors. The Company is not liable for and undertakes no responsibility to indicate variations from securities laws or for any evaluations of the Company based on this financial information or any other information.

- 3) **Reporting Period:** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. The Statement of Cash Receipts and Disbursements reflects activity from the Petition Date to month end. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
- 4) **Debtors' Full-Time Employees:** The Debtors have reported the total number of employees in their workforce, which includes both salaried and hourly employees.
- **5) Cash Balance:** The beginning cash balance presented in Part 1 reflects cash values held in bank accounts as of the August 31, 2024. Details with respect to the Debtors' cash management system and bank accounts are provided in the *Motion for Interim and Final Orders (I) Authorizing Debtors to (A) Continue Operating Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue to Perform Affiliate Transactions; (II) Authorizing Debtors Continued Use of Corporate Credit Cards and Granting Administrative Expense Status to Postpetition Credit Card Obligations; (III) Waiving Certain U.S. Trustee Guidelines; and (IV) Granting Related Relief [Docket No. 12]. The balance sheet exhibit presented herein represents book cash values and differ from the bank cash values reported in Part 1 of the MOR.*
- 6) Cash Receipts: Total receipts reported in Part 1, Line b of the form includes \$5.4 million of new money proceeds from the Debtors' postpetition debtor in possession ("DIP") loan facility.

- 7) Professional Fee Escrow Transfers: The escrow transfers for the weekly professional fee estimates under the final order authorizing and approving the Debtors' postpetition financing [Docket No. 393] are included in the reported disbursements.
- 8) **Payments to Insiders:** Any payments made to insiders or on prepetition debt have been approved by the Bankruptcy Court in connection with the "first day" orders.
- **9)** Accounts Receivable: The Debtors do not record accounts receivable for memberships, as all dues are billed and paid via credit card without customer terms. Any unpaid dues are written off in the period. The account receivable balance shown in Part 2 primarily comprises amounts owed from program partners, franchisees and legal settlements.
- **10)Postpetition Debt:** As detailed in the Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, and (B) Utilize Cash Collateral; (II) Granting Senior Secured Priming Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection to the Prepetition Secured Parties; (IV) Modifying the Automatic Stay; and (V) Granting Related Relief [Docket 393] (the "Final DIP Order"), the Debtors obtained a DIP facility consisting of new money term loan commitments in the maximum aggregate principal amount of \$21 million. The Debtors are in good standing in relation to their commitments under the DIP Credit Agreement and the funded balance of the DIP Facility is included herein.
- 11)Prepetition Secured Debt: The prepetition secured debt amounts reflected in Part 2, Line k are based on the Debtor's books and records.. These amounts may differ from those reported on the Debtor's Schedules of Assets and Liabilities due to various factors, including but not limited to, the inclusion of accrued interest, fees, and other obligations that may have accrued prior to the Petition Date.
- 12)Prepetition Unsecured Debt: The prepetition unsecured debt represents the Debtors' estimate of prepetition claims to be resolved in connection with the Chapter 11 Cases. As a result of the filing of the Chapter 11 Cases, the payment of prepetition liabilities are subject to compromise or other treatment under a chapter 11 plan. The determination of how liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court approves a chapter 11 plan. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Prepetition liabilities that are subject to compromise under the Financial Accounting Standards Board's Accounting Standards Codification 852 Reorganizations ("ASC 852") are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims,

determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation, payment of such amounts subject to First Day Orders or other events. The consolidated total of secured, priority, and general unsecured claims reported in the Schedules of Assets and Liabilities ("SOAL") may vary materially compared to the presented amount as the Debtors continue the claims reconciliation process. In addition, certain unliquidated claims were listed with no claim balance in the SOAL while the Debtors report them as pre-petition liabilities for reporting purposes, which increases the total prepetition unsecured debt. The amount presented herein is inclusive of \$270.0 million of lease liabilities that were recorded on the Debtors' books and records to comply with GAAP accounting standards.

- **13)Reorganization Items**: During the reporting period, the Debtor incurred restructuring expenses, including legal and financial advisory fees, U.S. Trustee fees, and administrative costs. These expenses are necessary to prosecute the Debtors' Chapter 11 Cases and are reported separately from operational expenses.
- **14)Post Petition Liabilities Aging:** The past due balance reflects amounts owed to vendors that was paid in the subsequent period.
