**SECOND SUPPLEMENTAL DECLARATION
OF SPENCER A. WINTERS IN SUPPORT OF THE
DEBTORS’ APPLICATION FOR ENTRY OF AN ORDER
AUTHORIZING THE RETENTION AND EMPLOYMENT
OF KIRKLAND & ELLIS LLP AND KIRKLAND & ELLIS
INTERNATIONAL LLP AS ATTORNEYS FOR THE DEBTORS
AND DEBTORS IN POSSESSION EFFECTIVE AS OF SEPTEMBER 17, 2024**

I, Spencer A. Winters, being duly sworn, state the following under penalty of perjury:

1. I am the president of Spencer A. Winters, P.C., a partner of the law firm of Kirkland & Ellis LLP, located at 333 West Wolf Point Plaza, Chicago, Illinois 60654, and a partner of Kirkland & Ellis International, LLP (together with Kirkland & Ellis LLP, “Kirkland”).² I am one of the lead attorneys from Kirkland working on the above-captioned chapter 11 cases. I am a member in good standing of the Bar of the State of Illinois, and I have been admitted to practice in the United States District Court for the Northern District of Illinois. There are no disciplinary proceedings pending against me.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Tupperware Brands Corporation (2333); Dart Industries Inc. (5570); Deerfield Land Corporation (0323); Premiere Products, Inc. (4064); Tupperware Home Parties LLC (1671); Tupperware International Holdings Corporation (8983); Tupperware Products, Inc. (8796); Tupperware U.S., Inc. (2010); and Tupperware Brands Latin America Holdings, L.L.C. (0264). The location of the Debtors’ service address in these chapter 11 cases is: 14901 S Orange Blossom Trail, Orlando, FL 32837.

² Capitalized terms used but not otherwise defined herein shall have the meaning as set forth in the Application or the Original Declaration (as defined herein), as applicable.

2. On September 17–18, 2024, (the “Petition Date”), each of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed a petition with this Court under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). On October 18, 2024, the Debtors filed an application to employ and retain Kirkland as counsel for the Debtors [Docket No. 211] (the “Application”) pursuant to sections 327(a) and 330 of the Bankruptcy Code, rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”).

3. My declaration in support of the Application (the “Original Declaration”) was attached to the Application as Exhibit B. On November 15, 2024, the Court entered the *Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland and Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of September 17, 2024* [Docket No. 347] (the “Retention Order”). On December 13, 2024, I submitted the *Supplemental Declaration of Spencer A. Winters in Support of the Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of September 17, 2024* [Docket No. 406].

4. In connection with the Application and the Retention Order, I submit this second supplemental declaration (the “Second Supplemental Declaration”) to provide additional disclosures in accordance with rules 2014(a) and 2016(b) of the Bankruptcy Rules and as required under the Retention Order. Unless otherwise stated in this Second Supplemental Declaration, I have personal knowledge of the facts set forth herein.

Additional Disclosures

5. This Second Supplemental Declaration makes certain additional disclosures. As I stated in the Original Declaration, Kirkland has searched its electronic database of representations for connections to parties in interest in these chapter 11 cases. Consistent with this statement, Kirkland has continued to obtain information regarding all Potential Parties in Interest disclosed on Schedule 1 attached to the Original Declaration.

6. Based on the conflicts searches conducted to date, to the best of my knowledge, neither I, Kirkland, nor any partner, of counsel, or associate thereof, insofar as I have been able to ascertain, has any connections with the Debtors, their creditors, or any other entities who may be parties in interest, their respective attorneys or accountants, the Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”), any person employed by the U.S. Trustee, or any person employed by the United States Bankruptcy Court for the District of Delaware, the United States District Court for the District of Delaware, or the United States Court of Appeals for the Third Circuit, except as disclosed or otherwise described herein and in the Original Declaration.

7. As I stated in the Original Declaration, Kirkland has searched its electronic database of representations for connections to parties in interest in these chapter 11 cases. Certain connections were disclosed in the Original Declaration. Since the filing of the Original Declaration, Kirkland has updated those conflicts searches and has searched additional parties in interest in these chapter 11 cases of whom Kirkland has become aware. In addition to the entities searched and disclosed in the Original Declaration, Kirkland has searched its electronic

database for the entities listed on **Schedule 1** attached hereto. The following is a list of the additional categories that Kirkland has searched:³

Schedule	Category
1(a)	Lenders/Lenders Agents
1(b)	Litigation Parties
1(c)	Notice of Appearance – Proof of Claim Parties
1(d)	Taxing Authorities
1(e)	Trade Vendors

8. I have included the results of Kirkland’s conflicts searches of the entities included in the above-listed categories on **Schedule 2** to this Second Supplemental Declaration.⁴ In addition, Kirkland re-ran searches in its electronic database for the entities that were previously reviewed as set forth in the Original Declaration. The results of Kirkland’s conflicts searches from the entities that were re-run are listed on **Schedule 3**. All current and prior representations of the parties identified on **Schedule 2** and **Schedule 3** are in matters unrelated to the Debtors and these chapter 11 cases.

9. Generally, it is Kirkland’s policy to disclose entities in the capacity that they first appear in a conflicts search. For example, if an entity already has been disclosed in the Original

³ Kirkland’s inclusion of parties in the following schedules is solely to illustrate Kirkland’s conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in the schedules or has a claim or legal relationship to the Debtors of the nature described in the schedules.

⁴ As referenced in **Schedule 2** and **Schedule 3**, the term “current” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 12 months preceding the Petition Date. As referenced in **Schedule 2** and **Schedule 3**, the term “former” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted between 12 and 36 months preceding the Petition Date. As referenced in **Schedule 2** and **Schedule 3**, the term “closed” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 36 months preceding the Petition Date, but for which the client representation has been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Kirkland’s representation rather than its potential listing in Kirkland’s conflicts search system. The list generated from Kirkland’s conflicts search system is over-inclusive. As a general matter, Kirkland discloses connections with “former” or “closed” clients for whom time was posted in the last 36 months, but does not disclose connections if time was billed more than 36 months before the Petition Date.

Declaration in one capacity (*e.g.*, a customer), and the entity appears in a subsequent conflicts search in a different capacity (*e.g.*, a vendor), Kirkland does not disclose the same entity again in supplemental declarations unless the circumstances are such in the latter capacity that additional disclosure is required.

10. As set forth in the Original Declaration and herein, Kirkland in the past may have represented, may currently represent, and may in the future will represent, entities that may be parties in interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed in the Original Declaration and herein) to the Debtors and these chapter 11 cases. None of the representations set forth on **Schedule 2** or **Schedule 3** are materially adverse to the interests of the Debtors' estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, Kirkland is not disqualified from acting as the Debtors' counsel merely because it represents certain of the Debtors' creditors, equity security holders, or other parties in interest in matters unrelated to these chapter 11 cases.

11. From time to time, Kirkland partners, of counsel, associates, and employees personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds, and other types of investment funds (the "**Investment Funds**"), through which such individuals indirectly acquire an interest in debt or equity securities of many companies, one of which may be one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases, often without Kirkland's knowledge. Each Kirkland person generally owns substantially less than one percent of such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. The Investment Fund is generally operated as a blind pool, meaning that when the Kirkland persons make an investment in the Investment Fund, he, she, or they do not

know what securities the blind pool Investment Fund will purchase or sell, and have no control over such purchases or sales.

12. From time to time Kirkland and/or one or more Kirkland partners and of counsel voluntarily choose to form an entity (a “Passive-Intermediary Entity”) to invest in one or more Investment Funds or directly or indirectly in the debt or equity securities of one or more companies. Such Passive-Intermediary Entity is composed only of Kirkland and/or persons who were Kirkland partners and of counsel at the time of the Passive-Intermediary Entity’s formation (although some may later become former Kirkland partners and of counsel). Participation in such a Passive-Intermediary Entity is wholly voluntary and only a portion of Kirkland’s partners and of counsel choose to participate. The Passive-Intermediary Entity generally owns substantially less than one percent of any such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund’s decision to buy, sell, or vote any particular security. Each Investment Fund in which a Passive-Intermediary Entity invests is generally operated as a blind pool, so that the Passive-Intermediary Entity does not know what securities the blind pool Investment Funds will purchase or sell, and has no control over such purchases or sales. And, indeed, the Passive-Intermediary Entity often arranges for statements and communications from certain Investment Funds to be sent solely to a blind administrator who edits out all information regarding the identity of the Investment Fund’s underlying investments, so that the Passive-Intermediary Entity does not learn (even after the fact) the identity of the securities purchased, sold, or held by the Investment Fund. To the extent the Passive-Intermediary Entity is or becomes aware of the identity of the securities purchased, sold, or held by the Investment Funds (“Known Holdings”), such Known Holdings are submitted to Kirkland’s conflict checking system.

13. From time to time, Kirkland partners, of counsel, associates, and employees personally directly acquire a debt or equity security of a company which may be (or become) one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases. Kirkland has a long-standing policy prohibiting attorneys and employees from using confidential information that may come to their attention in the course of their work, so that all Kirkland attorneys and employees are barred from trading in securities with respect to which they possess confidential information.

14. Kirkland will continue to review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Kirkland will use reasonable efforts to identify such further developments and will promptly file an additional supplemental declaration, as required by Bankruptcy Rule 2014(a).

[Remainder of page intentionally left blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: March 3, 2025

Respectfully submitted,

/s/ Spencer A. Winters
