Declaration (including all filed supplements, if any, to the Agent Declaration); and this Court having jurisdiction over this matter in accordance with 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware*, dated February 29, 2012; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of these cases is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein and that such relief is in the best interests of the Debtors, their estates, their creditors and all parties in interest; and upon all of the proceedings had before the Court after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:

1. As demonstrated by evidence adduced at and prior to the Hearing and the representations of counsel made on the record at the Hearing, the Debtors' entry into the Agency Agreement and retention of the Agent represent a sound exercise of the Debtors' business judgment under the circumstances. The Debtors have demonstrated good, sufficient, and sound business purposes and justifications for entry into the Agency Agreement pursuant to section 363(b) of the Bankruptcy Code. Approval of the Agency Agreement is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. The Agency Agreement was negotiated, proposed, and entered into by the Debtors and the Agent without collusion, in good faith, and from arms' length bargaining positions. The Agent is not an "insider" of the Debtors, as that term is defined in Section 101 of the Bankruptcy Code. Upon entry of this Order, the Debtors shall have full authority

to consummate and perform under, and pursuant to, the terms and conditions of the Agency Agreement.

2. Any and all sales of the Remaining Assets at any auction, private sale, or otherwise pursuant to the Agency Agreement, will be a legal, valid, and effective transfer of the Remaining Assets to the buyer(s) of the Remaining Assets and, upon the sale thereof, will vest the buyers with all right, title, and interest of the Debtors to the Remaining Assets free and clear of all liens, claims, encumbrances, and other interests of any kind and every kind whatsoever; provided that all liens, claims, encumbrances and interests of which the Remaining Assets are sold free and clear shall, after payment of GB's fees and expenses, automatically attach to all proceeds of the applicable sale for the benefit of existing lienholders, if any, in order of priority of such liens, claims, encumbrances, and interests, with the same validity, force, and effect which they had against the applicable Remaining Assets prior to the sale. For the avoidance of doubt, all proceeds of any sale, net of GB's fees and expenses, shall be funded into and held in an account owned and controlled by the Debtors. The Agent and the Debtors may sell the Remaining Assets free and clear of all such liens, claims, encumbrances, and interests because, in each case, one or more of the standards set forth in section 363(f)(1) through (5) of the Bankruptcy Code have been satisfied.

3. The Agency Agreement is a valid and binding contract between the Debtors and the Agent, which is and shall be immediately enforceable upon entry of this Order according to its terms and provisions.

IT IS HEREBY ORDERED THAT:

4. The Motion is GRANTED, as set forth herein.

5. Any objections to the Motion or to the entry of this Order that have not been withdrawn, waived or settled, and all reservations of rights included therein, are hereby DENIED and OVERRULED.

6. The Agency Agreement, including all of its terms and conditions (except as revised by this Order), and sales of the Remaining Assets as contemplated therein, are approved in all respects pursuant to sections 327(a), 328(a), and 363 of the Bankruptcy Code. The Debtors and the Agent are authorized, without further order of the Court, to take all steps they deem necessary or appropriate to sell the Remaining Assets in accordance with the Agency Agreement, as well as to perform any and all other duties and obligations contemplated by the Agency Agreement.

7. Notwithstanding anything to the contrary in the Motion, the Agency Agreement, or this Order, the terms of the Agency Agreement are hereby modified as follows:

- (1) **Article IV(A) of the Agency Agreement is deleted and replaced in its entirety with the following:** “A. Agent Responsibilities. During the Sale Term, Agent shall: (1) develop an advertising and marketing plan for the sale or other disposition strategy for all Assets; (2) prepare all marketing materials necessary to run a commercially reasonable sale to ensure that the value of the Assets is maximized; (3) accept or reject offers to purchase the Assets in consultation with the Company and negotiate the terms and conditions of any sales thereof; (4) charge and collect on the Company’s behalf from all purchasers of the Assets any purchase price, together with all applicable taxes in connection therewith, and remit same to the Company; (5) provide qualified personnel necessary to conduct and oversee the Sale as determined by

Agent, at the Company's expense; (6) provide regular sales reporting to the extent not otherwise readily obtainable from the Company's systems; and (7) perform such other related services deemed by Agent to be required or prudent to facilitate the Sale.

- (2) **The definition of "Gross Proceeds" set forth in Article V(A)(1) of the Agency Agreement is deleted and replaced in its entirety with the following: "Gross Proceeds" means the gross proceeds from the sale of Assets (net only of sales taxes).**

8. The Debtors are authorized to employ and retain the Agent on the terms and provision set forth in the Agency Agreement, as may be modified by this Order, effective as of the filing of the Motion.

9. Pursuant to section 363 of the Bankruptcy Code, the Debtors are authorized, without further order of the Court, to employ and retain the Agent on the terms and provisions set forth in the Agency Agreement, effective as of the filing of the Motion, and to execute, deliver, and perform under, consummate, and implement the Agency Agreement together with any additional instruments and documents that may be reasonably necessary or desirable to implement the transaction contemplated by the Agency Agreement.

10. The Agent shall perform all of its obligations, including, without limitation, marketing and selling the Remaining Assets on the Debtors' behalf, pursuant to the Agency Agreement, and shall be compensated, in accordance with the terms and provisions of the Agency Agreement. The Agent shall be permitted and hold power of attorney from the Debtors to sign any title, release, or other similar instrument to transfer ownership to a purchaser of any Remaining Assets free and clear of liens, claims, interests, and encumbrances.

11. Pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Remaining Assets shall be sold, pursuant to the Agency Agreement, free and clear of all liens, claims, encumbrances, and other interests of any kind and every kind whatsoever (effective upon the sale thereof), in accordance with section 363(f) of the Bankruptcy Code; provided that all liens, claims, encumbrances, and interests of which the Remaining Assets are sold free and clear pursuant to the Agency Agreement and this Order shall, after payment of GB's fees and expenses, automatically attach to all proceeds of the applicable sale. For the avoidance of doubt, upon the sale of each Remaining Asset, GB's fees and expenses shall first be calculated and paid from the Gross Proceeds and the remaining net proceeds shall be funded into and held in an account owned and controlled by the Debtors.

12. For the avoidance of doubt and notwithstanding anything to the contrary in the Agency Agreement or any other document, the Remaining Assets subject to the liquidation process contemplated in the Agency Agreement shall be limited to the tangible equipment and inventory assets listed on a revised and redacted version of which is attached hereto as **Exhibit 2**, and shall not include any of the Debtors' (a) actual and potential claims, causes of action (including avoidance actions), awards, and judgments; (b) intellectual property; (c) Environmental Credits (as defined in the *Debtors' Expedited Motion for Entry of an Order (I) Authorizing the Debtors to Immediately Employ and Retain STX Commodities LLC as Commodities Broker and to Enter into the Letter Agreement, (II) Approving Bidding Procedures for the Sale of the Environmental Credits, (III) Authorizing the Debtors to Designate Paccar Inc. as the Stalking Horse Bidder and Provide Bid Protections, (IV) Approving the Sale of the Environmental Credits Free and Clear of Liens, Claims, Interests, and Encumbrances; and (v) Granting Related Relief* [Docket No 454]; and (d) any Assets

not explicitly listed in **Exhibit 2**. For the avoidance of doubt, GB is not authorized to collect, service, settle, or otherwise resolve any of the Debtors' accounts receivable.

13. This Order is and shall be effective as a determination that all liens, claims, encumbrances and interests shall be and are released with respect to the Remaining Assets as of the closing of any sale of Remaining Assets. The provisions of this Order authorizing the sale and assignment of the Remaining Assets free and clear of all liens, claims, encumbrances and interests, subject to the terms and provisions hereof, shall be self-executing upon the sale of any Remaining Assets pursuant to the terms of the Agency Agreement.

14. Notwithstanding the failure of the Debtors, the Agent, or any other party to execute, file or obtain releases, termination statements, assignments, consents or other instruments to effectuate, consummate and/or implement the provisions hereof, all liens, claims, encumbrances, and other interests on or against the Remaining Assets, if any, shall be deemed released, discharged and terminated as of the closing of any sale of Remaining Assets. This Order shall be the sole and sufficient evidence of authority to transfer title to any particular purchaser of the Remaining Assets, and the transactions consummated pursuant to this Order shall be binding upon and shall govern the acts of all persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the property sold pursuant to this Order, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, administrative agencies, governmental departments, secretaries of state, and federal, state, and local officials, and each of such persons and entities is hereby directed to accept this Order as sole and sufficient evidence of such transfer of title and shall rely upon this Order in consummating the transaction.

15. The Agency Agreement may be amended by (i) the Debtors and (ii) the Agent in a writing signed by both Parties without further order of the Court; *provided* that the Debtors shall provide reasonable advanced notice to the Committee of any such amendment, and no such amendment may affect the economic consideration granted to GB without the written consent of the Committee. The Debtors will file a notice on the Court's docket setting forth any such foregoing modifications or amendments (if any).

16. Neither the Debtors nor the Agent shall be required to file a separate motion or seek Court approval for any sale or other disposition of the Remaining Assets, which sale or other disposition shall be authorized to be sold pursuant to the terms set forth in the Agency Agreement, any amendment thereof, and this Order. The Debtors shall not be required to file a separate motion or to seek Court approval to pay or reimburse the Agent in accordance with and for any purposes under the Agency Agreement, and the Agent shall not be required to file a separate motion or to seek Court approval to be paid any fee or reimbursed any expense from Gross Proceeds in accordance with and for any purposes under the Agency Agreement. For the avoidance of doubt, Houlihan Lokey Capital, Inc., investment banker to the Debtors, shall not earn any transaction fees in respect of any sale(s) of the Remaining Assets by the Agent on behalf of the Debtors.

17. The Agent shall not be required to maintain time records or to file interim or final fee applications with the Court. Any and all commissions, reimbursements, fees, or other amounts due to, earned by, and paid to the Agent in accordance with the Agency Agreement (including those to be set forth in the Final Report (defined below)) shall not be subject to the review by the Court, any party in interest (except as and only to the extent provided in the Agency Agreement), or the U.S. Trustee. Upon the conclusion of the term of the Agency Agreement or at such earlier time following Agent's completion of the sale process for the Remaining Assets, the Agent shall prepare, and the

Debtors shall file, a report (the “Final Report”) with the Court that identifies (i) the Remaining Assets sold pursuant to the terms set forth in the Agency Agreement, (ii) the sale prices for the Remaining Assets, and (iii) the commission, fees, and reimbursement of expenses deducted by the Agent with respect to each transaction (or in the aggregate with respect to expenses if not directly incurred to sell a Remaining Asset). For avoidance of doubt, the Final Report need only describe the information contained in this paragraph, and the Agent shall not be required to file interim reports or to keep time records of hours spent performing the services set forth in the Agency Agreement.

18. The Agent shall provide a weekly update to the Debtors and the Committee. The weekly update shall include (i) the items that will be included in the Final Report, (ii) all material developments in connection with the efforts of the Debtors and the Agent to make Remaining Sales, and (iii) on an ongoing basis, any other reports and information as may otherwise be reasonably requested by the Debtors, the Committee or its advisors, and the Debtors will provide access to their accountants, attorneys, Agent, financial advisors, investment bankers, and consultants to cooperate, consult with, and promptly provide to the Committee (and its consultants, advisors, and professionals) all such information as may be reasonably requested with respect to the sale process for the Remaining Assets.

19. Parties who purchase the Remaining Assets shall be afforded the protections under section 363(m) of the Bankruptcy Code.

20. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the transactions authorized herein, including the Agency Agreement and the Agent sale authorized therein.

21. The failure to include specifically any particular provision of the Agency Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Bankruptcy Court that the Agency Agreement be authorized and approved in its entirety.

22. Notwithstanding anything contained in the Motion or this Order, no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order) is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's (including the Committee) rights to dispute any particular claim on any grounds; (c) except as expressly provided herein, a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this Order or the Motion or any order granting the relief requested by the Motion, except to the extent expressly authorized with respect to the fees and expenses of Agent as provided for herein; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the

obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. Any payment made pursuant to this Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim; provided, that, consistent with the relief granted herein, payments to Agent shall not be subject to further review under sections 327, 330 or 331 of the Bankruptcy Code.

23. Except as specifically stated, to the extent of any inconsistency between the provisions of this Order and the Agency Agreement, the provisions contained in the Order shall govern.

24. The Debtors have demonstrated that the requested relief is "necessary to avoid immediate and irreparable harm," as contemplated by Bankruptcy Rule 6003.

25. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

26. Notice of the Motion as provided therein shall be deemed good and sufficient notice of the Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

27. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

28. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

3. **Sale Term.** The “Sale Term” shall commence upon the execution of this Agreement and shall terminate on the date that is 180 days from the date hereof; provided, that the Sale Term may be extended upon the written mutual consent of the Parties.

4. **Parties’ Undertakings.**

A. **Agent Responsibilities.** During the Sale Term, Agent shall:

(1) Develop an advertising and marketing plan for the sale or other disposition strategy for all Assets;

(2) Prepare all marketing materials necessary to run a commercially reasonable sale to ensure that the value of the Assets is maximized;

(3) Accept or reject offers to purchase the Assets in consultation with the Company and negotiate the terms and conditions of any sales thereof;

(4) Charge and collect on the Company’s behalf from all purchasers of the Assets any purchase price, together with all applicable taxes in connection therewith, and remit same to the Company;

(5) Collect, service, settle and otherwise resolve the Accounts Receivable on the Company’s behalf in compliance with applicable law;

(6) Provide qualified personnel necessary to conduct and oversee the Sale as determined by Agent, at the Company’s expense;

(7) Provide regular sales reporting to the extent not otherwise readily obtainable from the Company’s systems; and

(8) Perform such other related services deemed by Agent to be required or prudent to facilitate the Sale.

B. **Company Responsibilities.** During the Sale Term, the Company shall:

(1) Direct all communications regarding the sale of the Assets to Agent and provide Agent with any and all offers or inquires they have received regarding such assets;

(2) Assist Agent in obtaining complete access to IT and operational systems Agent deems necessary to provide the services hereunder;

(3) Provide Agent with access to and services from employees knowledgeable about order processing, customer services and other functions necessary to facilitate sales;

(4) Ensure Agent has peaceful use and occupancy of the Facility and/or any other premises where the Assets are located to effect the Sale, collection and removal of the Assets, which access shall include without limitation reasonable before and after-hours access to the Facility and ordinary course use of utilities;

(5) Provide all security personnel and maintain all alarm systems to maintain the Facility in a secure manner to ensure preservation of the Assets in a manner consistent with past practice until all such assets have been sold;

(6) Maintain all insurance, licenses, permits, and other consents (as applicable) required to sell the Assets; and

(7) Pay all current obligations related to lease and rent payments, taxes, utility bills and other expenses associated with the Facility where the Assets are located until expiration of the Sale Term.

5. Agent Compensation.

A. Definitions. For the purposes hereof:

(1) “Gross Proceeds” means the gross proceeds from the sale of Assets (net only of sales taxes) or, with respect to Accounts Receivable, the gross collections on account of such receivables, in each case, net only of sales taxes.

B. Private Treaty Sales. With respect to Assets sold in connection with the Sale outside of an auction, the Company shall pay to Agent a fee equal to 10% of the Gross Proceeds from such sale (the “Agent Fee”).

C. Auction Sales. With respect to Assets sold in connection with the Sale via auction, the Company shall be entitled to retain 100% of the Gross Proceeds of such Assets for its own account; provided, that the Agent shall be entitled to charge purchasers of such Assets an industry-standard buyer’s premium of 18% and retain such amount for its own account (the “Buyer’s Premium”). The Buyer’s Premium shall not be included in the calculation of Gross Proceeds.

D. Fee Credit. Pursuant to the terms of the Engagement Letter dated as of January 16, 2025 by and between the Company and Agent and Nations Capital, LLC, in respect of the Project Fee paid thereunder, the Company shall receive a credit (the “Fee Credit”) of \$100,000 towards the amounts that would otherwise be payable to Agent as part of the Agent Fee or Buyer’s Premium hereunder. For clarity, notwithstanding anything to the contrary herein, the first \$100,000 collected by Agent in respect of the Agent Fee or Buyer’s Premium hereunder shall be remitted to the Company in satisfaction of the Fee Credit.

6. Reimbursement of Expenses.

A. The Company shall be responsible for all expenses incident to the conduct of the Sale and the operation of the Company during the Sale Term, including without limitation all Agent Advanced Expenses (defined below) and all other Facility and corporate expenses associated with the Sale.

B. Agent will advance funds in the amount of up to \$100,000 for certain expenses associated with the Sale ("Agent Advanced Expenses"). All Agent Advanced Expenses that are actually incurred shall be reimbursed from the Gross Proceeds received in connection with the Sale (excluding the Agent Fee payable therefrom).

7. **Proceeds and Reconciliation.** All proceeds from the Sale shall be collected by Agent and Agent shall be entitled to retain therefrom any Agent Fee or Agent Advanced Expenses payable or reimbursable to Agent hereunder. On a biweekly basis, Agent shall reconcile the Gross Proceeds collected during the prior two-week period and shall (i) retain for its own account (x) Agent Fee payable on account of sales occurring during such period, which amount shall be deemed fully earned by Agent when received; and (y) an amount equal to the Agent Advanced Expenses incurred during such period; and (ii) remit to the Company the remaining portion of the Gross Proceeds collected during such period (collectively, the "Biweekly Reconciliation"). In addition, no more than fourteen (14) days following the conclusion of the Sale Term, Agent shall submit to the Company a final reconciliation of all amounts contemplated by this Agreement and remit any final amounts due to the Company hereunder (the "Final Reconciliation").

8. **Other Sale Terms.**

A. **Conduct of Sale.** The Sale shall be conducted exclusively by Agent as agent in fact for the Company, in the name of and on behalf of the Company. Agent shall set all policies and procedures for the Sale in a commercially reasonable manner and in compliance with all applicable federal, state and local laws and the terms of this Agreement. Title to the Assets shall remain with the Company throughout the Sale Term, unless and until paid for by, and transferred to, a purchaser in connection with the Sale. The Company hereby appoints Agent as its true and lawful proxy and attorney in connection with the sale or transfer of any of the Assets, with full power of substitution, to execute and deliver bills of sale (in such form as Agent shall determine) and other transfer documents in connection with the sale of any Assets on behalf of the Company pursuant to the terms of this Agreement. The proxies and powers granted pursuant to this section are coupled with an interest and are given to secure the performance of the Company's duties under this Agreement. Upon the request of Agent, the Company shall execute and deliver bills of sale and other transfer documents, in form and substance reasonably acceptable to Agent, in connection with the sale of any of the Assets on behalf of the Company pursuant to the terms of this Agreement. The Company hereby grants Agent a non-exclusive, non-transferable license to utilize the Company's intellectual property exclusively for the purpose of the Sale during the Sale Term, in accordance with the terms of this Agreement.

B. **Use of Trade Names, Other Assets, etc.** At no expense to Agent, Agent shall have the right to use the Company's customer lists, supplies, tax identification numbers, computer hardware and software, computer systems, central offices, trade names, logos, furniture, fixtures, and equipment, security equipment, and other assets, in each case until they are sold, for the purposes of the Sale. The Company shall provide, at no expense to Agent, access to the

Company's software, equipment and systems related to the Company's operations throughout the Sale Term.

C. **Removal of Equipment.** Agent shall have no duty, responsibility, or obligation to sell, dismantle, or remove any Equipment located at the Facility. Agent shall have no obligation whatsoever to sell, make, store, handle, treat, dispose, generate, transport or remove any hazardous materials that may be located at the Facility. Agent shall have no liability to any party for any environmental action brought related thereto. The dismantling and removal of the Equipment is solely the responsibility of the successful buyers of the Equipment. Agent will assist in obtaining quotes from recognized millwright and dismantling companies and transportation companies for such buyers but shall have no responsibility or liability therefor. Agent will require buyers and their representatives to provide a certificate of insurance showing no less than a \$1 million limit for general liability and proof of workers' compensation insurance.

D. **Sales Taxes.** The Company (or its subcontractor) shall be responsible for reporting and remitting to the appropriate taxing authorities all sales and similar taxes with respect to the sale of the Assets. All purchasers of Assets shall be required to pay applicable sale or transfer taxes, if any, arising solely in connection with the Sale of the Assets pursuant to this Agreement.

9. **Representations and Warranties.** The Company hereby represents and warrants that (i) the Company has all right, power and authority to sell and control all aspects of the sale of the Assets; (ii) the sale of the Assets does not infringe upon any intellectual property rights of third parties; and (iii) good and marketable title to the Assets shall be conveyed to purchasers of the Assets in connection with the Sale, free and clear of all liens, claims and encumbrances.

10. **Termination.** If the Company or Agent shall fail to perform any material obligation hereunder and such failure remains uncured five (5) days after receipt of written notice thereof (e-mail being sufficient) by the defaulting party, the non-defaulting party may in its discretion elect to terminate this Agreement for cause. Upon termination of this Agreement, Agent shall be entitled to payment of the Agent Fee earned prior to the date of termination and reimbursement of all Agent Advanced Expenses incurred prior to the date of termination.

11. **Indemnification; Insurance.**

A. Agent shall defend, indemnify, and hold harmless the Company, its affiliates and their respective directors, managers, officers, employees, advisors and representatives (the "**Company Indemnified Parties**") from and against any and all losses, costs, expenses (including, but not limited to, reasonable attorneys' fees and disbursements), claims, causes of action, liabilities, suits, proceedings and damages in connection with or related to or arising out of Agent's gross negligence or willful misconduct in connection with the Sale or any material breach by Agent of its obligations hereunder; provided, however, that such indemnity shall not apply to any loss, cost, expense, claim, cause of action, liability, suit, proceeding or damage to the extent that it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted from the Company Indemnified Parties' gross negligence or willful misconduct.

B. The Company shall defend, indemnify, and hold harmless Agent, each of its affiliates, and each of their respective directors, managers, officers, employees, members, managers and representatives (the “Agent Indemnified Parties”) from and against any and all losses, costs, expenses (including, but not limited to, reasonable attorneys’ fees and disbursements), claims, causes of action, liabilities, suits, proceedings and damages made, threatened, asserted, brought or commenced in connection with or related to or arising out of (i) the Company’s gross negligence, willful misconduct, or unlawful conduct in connection with the Sale; (ii) any material breach by the Company of its obligations or representations hereunder; (iii) any hazardous materials or other environmental claims relating to the Assets or the Facility; (iv) any product liability claims by purchasers, subsequent purchasers or users of any Assets sold in the Sale; (v) liabilities, obligations, and/or proceedings relating to the Assets or the Company, including their operation or conduct; (vi) any breach by the Company in connection with any transaction involving the sale of Assets to a third party; (vii) claims by the Company’s creditors relating to any amounts paid to or collected by Agent pursuant to this Agreement; or (viii) any tax liability with respect to the Sale of the Assets; provided, however, that such indemnity shall not apply to any loss, cost, expense, claim, cause of action, liability, suit, proceeding or damages to the extent that it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted from such Agent Indemnified Parties’ gross negligence or willful misconduct.

C. For the duration of the Sale Term, the Company shall insure the Assets and the Facility under its policies of insurance on terms and conditions consistent with the ordinary course insurance prior to entry into this Agreement, and Agent shall be named an additional insured under all such policies, with the right to notice of cancellation or material modification on not less than 30 days prior written notice. Without limiting any other provision of this Agreement, the Company acknowledges that (i) Agent shall not be deemed to be in possession or control of the Facility or the Assets or other assets located therein or associated therewith, or of the Company employees or personnel, and (ii) Agent does not assume any of the Company’s obligations or liabilities with respect to any of the foregoing.

D. AGENT MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, NATURE OR DESCRIPTION TO THE COMPANY CONCERNING THE SALE, OR THE RESULTS THEREOF, AND HEREBY EXPRESSLY DISCLAIMS ANY AND ALL IMPLIED OR STATUTORY WARRANTIES WITH RESPECT THERETO. IN NO EVENT SHALL AGENT BE LIABLE TO THE COMPANY OR ANY PERSON CLAIMING BY OR THROUGH THE COMPANY FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR OTHER INDIRECT DAMAGES, WHETHER OR NOT FORESEEABLE AND EVEN IF THE COMPANY HAS BEEN ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL AGENT’S AGGREGATE LIABILITY TO THE COMPANY OR ANY PERSON CLAIMING BY OR THROUGH THE COMPANY FOR DAMAGES IN RESPECT OF ANY AND ALL CLAIMS OR CAUSES OF ACTION, WHETHER IN TORT, CONTRACT OR OTHERWISE, EXCEED THE TOTAL FEES RECEIVED BY AGENT HEREUNDER UNLESS AGENT IS FOUND BY A COURT OF COMPETENT JURISDICTION TO HAVE BEEN GROSSLY NEGLIGENT OR HAVE ENGAGED IN WILFUL MISCONDUCT.

12. Miscellaneous Matters.

A. This Agreement contains the entire understanding between the Parties and supersedes, replaces and takes precedence over any prior understanding or oral or written agreement between the Parties respecting the subject matter of this Agreement. This Agreement is predicated upon the assumption that the Assets are in substantially the same condition as represented to Agent before the date hereof, and that all of the Assets are in fact owned and will be available for sale in accordance with the terms and conditions of this Agreement.

B. This Agreement may not be amended or modified, nor any of its provisions waived, except by written mutual consent of the Parties (email being sufficient). Any waiver by a party of any provision hereof shall be for that specific instance only and shall not be construed as a general waiver of such provision.

C. Neither this Agreement nor any of the Parties' respective rights or obligations hereunder may be assigned by a Party without the prior written consent of the other Parties, which consent shall not unreasonably be withheld or delayed; provided, that Agent shall have the right to joint venture with third parties as it deems appropriate in connection with conducting the Sale.

D. Any notices, consents, approvals or other communications given pursuant to the provisions of this Agreement shall be in writing and shall be given by any reasonable means to the parties as follows, and shall be deemed effective upon documented receipt:

E. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to any choice of law or conflict provision or rule, whether of the State of New York or any other jurisdiction that would cause the laws of any jurisdiction other than the State of New York to be applied. In furtherance of the foregoing, the internal law of the State of New York will control the interpretation and construction of this Agreement even if under such jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply. Each party irrevocably waives the defense of an inconvenient forum with respect to any such action or proceeding, and agrees that service of process in any such action or proceeding may be made upon such party by mailing by certified mail return a copy thereof to such party at its address set forth herein as well as by any other lawful method.

F. Nothing in this Agreement is intended to create, shall be construed as creating or be deemed to create a fiduciary relationship between Agent and the Company. In performing its services under this Agreement, Agent is not assuming any responsibility for the Company's decision to pursue or not to pursue any business strategy or to effect or not to effect any restructuring, business combination, refinancing or other transaction, nor shall Agent be responsible for providing any tax, legal or other specialist advice. Agent makes no representations or warranties, express or implied, concerning the value of its services or the results that may be obtained therefrom. Agent's engagement shall not constitute an audit, review, compilation or any other type of financial statement reporting or consulting engagement that is subject to the rules of any state or national professional bodies.

G. The Company shall promptly seek to have this Agreement, and the transactions contemplated by this Agreement approved by the applicable United States Bankruptcy Court (the "Court") pursuant to sections 363 and 365 of the Bankruptcy Code (and not pursuant to sections 327, 328, 330, or 331 thereof) and an order with terms acceptable to both The Company and Agent that provides, among other things, for: (i) the payment of all fees and reimbursement of expenses hereunder to Agent is approved without further order of the court and shall be free and clear of all liens, claims and encumbrances; (ii) all such payments of fees and reimbursement of expenses shall be made without further order of the Bankruptcy Court and otherwise in accordance with this Agreement; (iii) approval of the transactions contemplated hereby; and (iv) protection of Agent's fees and expenses through inclusion in any debtor-in-possession financing or cash collateral budget and carve-out (the "Approval Order"). In such event, any legal action, suit or proceeding arising in connection with this Agreement shall be submitted to the exclusive jurisdiction of the Court having jurisdiction over the Company, and each Party hereby waives any defenses or objections based on lack of jurisdiction, improper venue, and/or forum non conveniens. From and after entry of the Approval Order, Agent shall conduct the Sale in accordance with the terms of the Approval Order in all material respects.
