**ORDER GRANTING APPLICATION OF SYMMETRY ENERGY SOLUTIONS,
LLC FOR ALLOWANCE OF ADMINISTRATIVE EXPENSES**

Upon the application (the “Application”) of Symmetry Energy Solutions, LLC (“SES”), for allowance and payment of administrative expenses, all as more fully set forth in the Application; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having found that SES’s notice of the Application and opportunity

for a hearing on the Application were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Application, and finding that no timely responses were filed, and this Court having determined that the legal and factual bases set forth in the Application establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT:**

1. The Application is granted as set forth herein.
2. SES shall have an allowed Chapter 11 administrative expense claim against the Debtor in the sum of \$24,735.47, which reflects a final unpaid post-petition balance of \$45,735.47 minus the application of the \$21,000 post-petition deposit (the “Administrative Claim”).
3. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
