#### General Notes:

On August 12, 2024, the Initial Debtors each filed a voluntary petition in the United States Bankruptcy Court for the District of Delaware (“the “**Bankruptcy Court**”) seeking relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). Subsequently, on October 25, 2024, the Additional Debtors commenced with the Bankruptcy Court voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only under the lead case, *In re: AIO US, Inc., et al.*, 24-11836 (CTG). The Debtors are authorized to continue to operate their business and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 27, 2024, the Office of the United States Trustee appointed an official committee of unsecured creditors (the “**Creditors’ Committee**”). No trustee or examiner has been appointed in these chapter 11 cases.

On December 5, 2024, the Bankruptcy Court entered an order (the “**Natura Settlement Order**”) approving that certain *Settlement Agreement*, dated December 4, 2024, by and among the Debtors and Natura & Co Holding S.A., Natura Cosméticos S.A., Natura & Co UK Holdings Limited, and Natura & Co. Luxembourg

Case Name: AIO US, INC., et al.

Lead Case No. 24-11836 (CTG)

Holdings S.à r.l. (collectively, “**Natura**”) (the “**Natura Settlement Agreement**”). See Docket No. 581. The Natura Settlement Agreement, which released all of the Debtors’ potential claims and causes of action against Natura in exchange for cash and other consideration, is attached to the Natura Settlement Order as Exhibit 1.

On December 6, 2024, the Bankruptcy Court entered the *Order (I) Approving the Sale of Substantially All of the Debtors’ Assets Free and Clear of All Non-Assumed Liens, Claims, Encumbrances and Interests, (II) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (III) Granting Related Relief* [Docket No. 582] (the “**Natura Sale Order**”), whereby the Bankruptcy Court approved the Debtors’ sale of substantially all of their assets to Natura & Co UK Holdings Limited (the “**Buyer**”) for an aggregate consideration consisting of (i) \$125 million in the form of a credit bid and (ii) assumption of certain liabilities (the “**Natura Sale**”). The Natura Sale was consummated on December 10, 2025. See Docket No. 608.

The Debtors are filing their MORs solely for the purpose of complying with the monthly reporting requirements in the Debtors’ chapter 11 cases. The MORs should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their current or former non-Debtor affiliates, including any entities that were affiliated with the Debtors prior to the consummation of the Natura Sale (as defined herein) (collectively, the “**Non-Debtor Affiliates**”).

The following notes, statements, and limitations should be referred to and referenced in connection with any review of the MORs:

#### Basis of Presentation

The financial statements and information contained herein are unaudited and preliminary. The Debtors maintain their books and records in accordance with International Financial Reporting Standards, and the information furnished in the MORs uses the Debtors’ normal accrual method of accounting. In preparing the MORs, the Debtors relied on financial data derived from their books and records that were available at the time of preparation. Subsequent information or discovery may result in material changes to the MORs and errors or omissions may exist. Notwithstanding any such results, discovery, new information, errors, or omissions, the Debtors do not take any obligation or commitment to update the MORs.

#### Reporting Periods

The reporting period for the Debtors’ MORs is April 1, 2025 to April 30, 2025 (the “**Reporting Period**”), except as stated herein.

Cash receipts and disbursements set forth in **Part 1** are from the period covering April 1, 2025 to April 30, 2025. Assets and liabilities set forth in **Part 2** are as of April 30, 2025. The Debtors’ income statements set forth in **Part 4** are for the period covering April 1, 2025 to April 30, 2025.

#### Accuracy

Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information considering the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluation of the Debtors based on this financial information or any other information.

#### Reservation of Rights

The Debtors reserve all rights to amend or supplement the MORs in all respects, as may be necessary or appropriate. Nothing contained in these MORs shall constitute a waiver of any of the Debtors’ rights or an admission with respect to the Debtors’ chapter 11 cases.

Case Name: AIO US, INC., et al.

Lead Case No. 24-11836 (CTG)

Prepetition and Postpetition Liabilities

As a result of the commencement of the chapter 11 cases, the payment of prepetition liabilities may be subject to compromise or other treatment. The Bankruptcy Court authorized the Debtors to pay certain prepetition claims, including, but not limited to, employee obligations, insurance premiums, and taxes.

Part 1: Cash Receipts and Disbursements

AIO's ending cash balance is approximately \$57.1 million as of April 30, 2025, which includes, among other things, approximately \$11.2 million of cash in the professional fee escrow (the "**Professional Fees Escrow Account**") and \$25.9 million of cash proceeds that the Debtors received in March (the "**Trust Proceeds**") from the liquidation of assets held by the Rabbi Trust established under that certain Trust Agreement, by and between API and the initial trustee, JP Morgan Chase & Co. (formerly Chase Manhattan Bank, N.A.), effective as of October 29, 1998 (the "**Trust**").

Historically, prior to the Reporting Period, there were certain regular intra-Debtor cash sweeps from accounts at API to an account at AIO (the "**Cash Sweeps**"). As a result of the Cash Sweeps, historically, beginning and ending cash at API was always \$0.00. However, starting with the current Reporting Period, the Cash Sweeps function was turned off. As a result, cash held in API's bank accounts totaled approximately \$0.52 million at the end of the Reporting Period. Total Cash for both AIO and API at the end of the Reporting Period totaled \$57.6 million.

There was no cash activity at ACC, MIH, or the Additional Debtors during the Reporting Period.

Part 2: Asset and Liability Status

All amounts in the balance sheet detail are stated at book value, including, but not limited to, investment in subsidiaries, property, plant, and equipment owned or leased, accrued and deferred taxes, any value ascribed to subleases entered into by a Debtor, and all obligations of the Debtors.

All accounts receivable and third-party postpetition accounts payable are aged less than ninety (90) days as of April 30, 2025.

The balance sheet detail for all Debtors includes amounts due to and due from certain Non-Debtor Affiliates. As a result of the movement of DIP Financing proceeds and excess third-party receipts via the Cash Sweeps, AIO reflects approximately \$34.0 million of intercompany payables to API. These amounts are comprised of the following, among other things:

- the accumulated result of cash transfers between the Debtors and Non-Debtor Affiliates;
- payments made by the Debtors and Non-Debtor Affiliates on behalf of other Non-Debtor Affiliates (and vice versa);
- expense allocations between the Debtors and Non-Debtor Affiliates; and
- other historical intercompany transactions.

The remaining assets held by the Debtors at April 30, 2025 primarily consist of: (i) cash funds held by AIO and API inclusive of the Trust Proceeds (\$57.6 million); (ii) remaining assets of the Trust (\$0.1 million); (iii) an expense reimbursement receivable from the Buyer (\$0.5 million); and (iv) various unamortized prepaid assets (e.g., insurance, prepayments to vendors, etc.) (\$2.4 million).

Part 4: Income Statement

Reorganization costs included in API's income statement consist of approximately \$3.0 million of accrued estimated professional fees incurred during the Reporting Period.

Part 5: Professional Fees and Expenses

Pursuant to the order approving the Debtors' debtor-in-possession financing on a final basis, fees and expenses for estate professionals were placed into the Professional Fees Escrow Account. Professional fees

Case Name: AIO US, INC., et al.

Lead Case No. 24-11836 (CTG)

paid during the Reporting Period from the Professional Fees Escrow Account to the applicable estate professional, totaled \$4.7 million and are set forth in **Part 1.c** and detailed in **Part 5**. Orrick, Herrington & Sutcliffe LLP (“**Orrick**”) is retained by the Debtors as special counsel and included in **Part 5**; however, their fees and expenses are paid directly by Natura. Natura did not make any payments to Orrick during the Reporting Period.

All fees and expenses of the ordinary course professionals that were approved and/or paid are reflected in **Part 5.b**.

All fees and expenses of the professionals retained by the Creditors’ Committee that were approved and/or paid are reflected in **Part 5.c**.
