Exhibit A

Schedule of Assumed Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases that are not otherwise rejected will be deemed assumed by the applicable Reorganized Debtor or Reorganized GCEH, as applicable, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that: (a) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; (b) previously expired or terminated pursuant to their own terms; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (d) are the subject of a motion to reject that is pending on the Effective Date; or (e) have an ordered or requested effective date of rejection that is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Plan, the Schedule of Rejected Executory Contracts and Unexpired Leases, or the Schedule of Assumed Executory Contracts and Unexpired Leases, as applicable, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth in the Plan, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors.

The Debtors or the Reorganized Debtors, as applicable, shall pay the Cure amounts, if any, on the Effective Date or as soon as reasonably practicable thereafter or on such other terms as the parties to such Executory Contracts or Unexpired Leases may agree; *provided* that, if a dispute regarding assumption or Cure is unresolved as of the Effective Date, then payment of the applicable Cure amount shall occur as soon as reasonably practicable after such dispute is resolved. Any Cure shall be deemed fully satisfied, released, and discharged upon payment of the Cure amount.

Unless otherwise agreed in writing by the parties in the applicable Executory Contract or Unexpired Lease, any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related Cure amount must be Filed, served, and actually received by counsel to the Debtors no later than the date and time specified in the notice (which shall not be less than fourteen (14) days after such notice is served). The Debtors or the Reorganized Debtors, as applicable, may reconcile and settle in the ordinary course of the Debtors' business any dispute (following a timely filed objection) regarding any Cure or any other matter pertaining to assumption without any further notice to or action, order, or approval of the Bankruptcy Court.

Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure amount (including any request for an additional or different

cure amount) will be deemed to have assented to such assumption or Cure amount and any untimely request for an additional or different Cure amount shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court.

Nothing contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Reorganized Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

Certain documents, or portions thereof, contained in this **Exhibit A** and the Plan Supplement remain subject to continued review by the Debtors, the Required Consenting Stakeholders, and interested parties with respect thereto. The respective rights of the Debtors and the Required Consenting Stakeholders are expressly reserved, subject to the terms and conditions set forth in the Plan and the RSA, to alter, amend, modify, or supplement the Plan Supplement and any of the documents contained therein in accordance with the terms of the Plan, or by order of the Bankruptcy Court; *provided* that, if any document in this Plan Supplement is altered, amended, modified, or supplemented in any material respect prior to the Confirmation Hearing, the Debtors will file a redline of such document with the Bankruptcy Court.

Exhibit B

Schedule of Rejected Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases that are not otherwise rejected will be deemed assumed by the applicable Reorganized Debtor or Reorganized GCEH, as applicable, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that: (a) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; (b) previously expired or terminated pursuant to their own terms; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (d) are the subject of a motion to reject that is pending on the Effective Date; or (e) have an ordered or requested effective date of rejection that is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Plan, the Schedule of Rejected Executory Contracts and Unexpired Leases, or the Schedule of Assumed Executory Contracts and Unexpired Leases, as applicable, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth in the Plan, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Plan are effective as of the Effective Date. For the avoidance of doubt, the Debtors, or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases and the Schedule of Assumed Executory Contracts and Unexpired Leases at any time up to forty-five (45) days after the Effective Date.

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within thirty (30) days after the later of (a) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (b) the effective date of such rejection, and (c) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary.** All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan and may be objected to in accordance with the provisions of Article VIII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties

or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

Nothing contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Reorganized Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

Certain documents, or portions thereof, contained in this **Exhibit B** and the Plan Supplement remain subject to continued review by the Debtors, the Required Consenting Stakeholders, and interested parties with respect thereto. The respective rights of the Debtors and the Required Consenting Stakeholders are expressly reserved, subject to the terms and conditions set forth in the Plan and the RSA, to alter, amend, modify, or supplement the Plan Supplement and any of the documents contained therein in accordance with the terms of the Plan, or by order of the Bankruptcy Court; *provided* that, if any document in this Plan Supplement is altered, amended, modified, or supplemented in any material respect prior to the Confirmation Hearing, the Debtors will file a redline of such document with the Bankruptcy Court.
