7. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.
