**REVISED AND AMENDED CLARIFYING ORDER ENFORCING (A)  
THE FIRST AMENDED JOINT CHAPTER 11 PLAN OF  
REORGANIZATION OF WELLPATH HOLDINGS, INC. AND  
CERTAIN OF ITS DEBTOR AFFILIATES, AND (B) THE  
TRUST DISTRIBUTION PROCEDURES  
(Relates to ECF No. 690)**

Upon the *Wellpath Liquidating Trust’s Motion for Clarifying Order Enforcing (A) the First Amended Joint Chapter 11 Plan of Reorganization of Wellpath Holdings, Inc. and Certain of Its Debtor Affiliates and (B) the Trust Distribution Procedures (ECF No. 690)* (the “Motion”)<sup>1</sup> of the Wellpath Liquidating Trust (the “Trust”), for entry of an order (this “Order”) clarifying and enforcing process, status, and rights provided for under the Plan (Case No. 24-90533, ECF No. 2596) and Trust Distribution Procedures (“TDPs”) (Case No. 24-90533, ECF No. 2679, pages 344 to 374); and this Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. § 1334 and the *Order of Reference to Bankruptcy Judges*, General Order 2012-6 (S.D. Tex. May 24, 2012) (Hinojosa, C.J.); and this Court finding this to be a core proceeding pursuant to 28 U.S.C. § 157; and this Court having considered the Motion and having determined that the legal and factual basis set forth in the Motion establish just cause for the relief granted herein; and this Court having found that the relief requested in the Motion is in the best interest of parties in interest; and

after due deliberation and sufficient cause appearing therefor, it is hereby

**ORDERED, ADJUDGED, AND DECREED THAT:**

1. In accordance with Article IV.J of the TDPs, Holders of General Unsecured Claims arising from alleged pre-petition personal injury tort or wrongful death may “proceed in the appropriate civil court and litigate such claim with the [Trust] included as a *nominal defendant*.” (emphasis added). As a nominal defendant, the Trust is not required to file answers, participate in discovery or hearings, or take an active role in any such litigation; *provided, however*, that nothing herein or in the Plan or TDPs shall prevent the Trust from participating in any such case at the direction of the Trustee or engaging in settlement discussions for purposes of determining stipulated Allowed Claim Amounts at the discretion of the Trustee.

2. The Plan does not permit any party to proceed against the Post-Restructuring Debtors or any Debtor, including but not limited to Wellpath LLC, in any capacity, including as a nominal defendant.<sup>2</sup> Pursuant to the Plan, the Court will permit parties to proceed with pre-petition claims (*i.e.*, before November 11, 2024) against a Debtor only where such inclusion is necessary for the party to seek or maintain insurance coverage for their claim. Any motion filed by a Holder of an Unsecured Claim seeking an order of this Court to proceed against a Debtor for purposes of pursuing insurance proceeds must provide sufficient evidence to this Court that (a) insurance coverage exists for such claims and (b) either (i) there is no applicable SIR or (ii) such claim will exceed the applicable SIR.

3. To the extent a Holder of General Unsecured Claims arising from alleged personal injury tort or wrongful death has, as of the

<sup>2</sup> Nothing in this Order impacts or negates the Agreed Proposed Order this Court entered at ECF No. 238, regarding the Hirsch litigation in *Hirsch v. Will County, et al.*, 19 CV 7398, currently pending in the Northern District of Illinois, Eastern Division, including the entry of judgment.

date of this Order, filed such claims against the Post-Restructuring Debtor or any Debtor, including but not limited to Wellpath LLC, and (a) no insurance coverage exists for such claims or (b) (i) there is an applicable SIR and (ii) such claim will not exceed the applicable SIR, that Holder must substitute the Liquidating Trust as a nominal defendant in place of the Post-Restructuring Debtor in that litigation. Substitution of the Trust as a nominal defendant is procedural only and shall not alter the relevance of the Debtor's conduct, policies, or actions, nor the scope of discovery reasonably necessary to liquidate a claim or determine liability or apportionment. The Trust may be substituted as a nominal defendant in any dispositive motion currently pending in any such litigation against the Post-Restructuring Debtor or any Debtor.

4. To the extent a Holder of General Unsecured Claims attempts to pursue pre-petition claims against any Debtor, including but not limited to Wellpath LLC, or to pursue such claims against the Trust in any capacity other than proceeding against the Trust as a nominal defendant, all such attempts are contrary to the Plan and barred by the injunction as set forth in the Plan and/or the discharge injunction under Bankruptcy Code § 524(a)(2). *See* Plan, Case No. 24-90533, Docket No. 2596, Exhibit A, Article IX.F (page 134 of the PDF); 11 U.S.C. § 524(a)(2).

5. A party that proceeds in violation of the Plan, which incorporates the TDPs, as clarified and enforced by this Order, shall be subject to the jurisdiction of this Court, and the Trust or the Post-Restructuring Debtors may seek any and all remedies available under the Bankruptcy Code against such a party for interference with the Plan including, but not limited to, monetary sanctions. To the extent any such monetary remedies are awarded, those amounts shall, to the extent not already paid, be otherwise debited from monies or property.

6. To the extent a Holder of General Unsecured Claims obtains a judgment resulting from or relating to actions inconsistent

with the Plan, TDPs, or this Order, said judgment will not be considered in determining the Holder's Allowed Claim Amount.

7. Notwithstanding anything to the contrary in this Order, a court of appropriate jurisdiction may determine the responsibility of or liability of any Debtor if necessary for determining the liability of or judgment against any other person, provided that no Post-Restructuring Debtor shall be required to participate in any manner (other than through appropriate third-party discovery) in such litigation or be personally liable to the plaintiff on account of such determination of the Debtor's responsibility or liability. For the avoidance of doubt, the extent to which the Post-Restructuring Debtors or any Debtor need not participate in any such litigation, as described in this Order, does not affect the Post-Restructuring Debtors' or any Debtors' obligation to otherwise comply with subpoenas, requests for production of documents or ESI, depositions including those under Fed. R. Civ. P. 30(b)(6), identification of custodians or witnesses, or other discovery pursuant to Fed. R. Civ. P. 45 and its state equivalents reasonably necessary to determine responsibility, liability, or apportionment.

8. This Court remains the sole forum, subject only to appeals, to which the party may be entitled, for the resolution of disputes concerning General Unsecured Claims which do not arise from alleged bodily injury or wrongful death.

9. For the avoidance of doubt, nothing in this Order or the Plan imposes any restrictions upon a party's right or ability to seek third-party discovery from any person or entity, including, but not limited to, the Post-Restructuring Debtors, pursuant to Fed. R. Civ. P. 45 and its state equivalents. The removal or substitution of Wellpath as a party defendant shall not, by itself, be a basis to stay, deny, or limit third-party discovery.

10. Nothing in this Order impacts, alters, amends or otherwise modifies any insurance policies issued to or covering the Debtors, nor

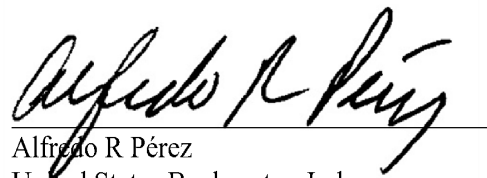

any treatment of such policies contained in the Plan or the Confirmation Order.

11. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

12. The Trust is authorized to take all necessary and appropriate action to further and effectuate relief granted pursuant to this Order and in accordance with the Motion.

13. The Court retains jurisdiction with respect to all matters arising from or related to the interpretation or implementation of this Order, and exclusive jurisdiction with respect to any relief from the injunctions set forth in the Plan.
