requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion, and having heard the statements in support of the relief requested therein at the hearing (the "**Hearing**") before this Court; and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Customer Claims reflected on **Exhibit A** to this Order are temporarily disallowed against the respective Debtor and in the dollar amounts reflected on **Exhibit A** to this Order in the columns titled "Debtor Entity" and "Proof of Claim No. & Amount in USD" only to the extent that such claims are based on the respective Customer's asserted beneficial interests in Platform Securities. Any other claims asserted in such Customer Claims are preserved for voting purposes.

2. The Customer Claims reflected on **Exhibit A** to this Order are temporarily allowed solely for voting purposes, pursuant to Bankruptcy Rule 3018(a), in the applicable share amounts reflected on **Exhibit A** to this Order in the column titled "Allowed Claim Against Linqto Liquidshares LLC (For Voting Purposes Only)." To the extent that the Plan fails to become effective, the temporary disallowance of the Customer Claims and the temporary allowance of the Customer Claims in share amounts for voting purposes shall be deemed null and void *ab initio*. In such event, each Customer Claim shall revert to its status and amount as originally set forth in each such proof of claim and all parties in interest shall retain and reserve all rights, claims and defenses

with respect to the allowance, amount, or priority of each such Customer Claim for all other purposes.

3. The Motion is withdrawn with respect to each Customer Claim reflected on **Exhibit B** to this Order.

4. Epiq Corporate Restructuring, LLC, the Debtors' claims, noticing, and solicitation agent, is authorized and directed to update the Claims Register maintained in the Chapter 11 Cases to reflect the relief granted in this Order.

5. This Order is without prejudice to the Debtors' rights to object to the Customer Claims on any grounds other than those stated in the Motion, or to any other claims held by the Holders of Customer Claims.

6. With respect to any response filed regarding any Customer Claim, each such Customer Claim, and the objection as it pertains to such Customer Claim, constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order shall be deemed a separate order with respect to each Customer Claim. Any stay of this Order shall apply only to the contested matter that involves such claim and shall not act to stay the applicability or finality of this Order with respect to the other contested matters covered hereby.

7. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order or the Motion shall be deemed: (a) an admission as to the validity, priority, or amount of any particular claim against any Debtor; (b) a waiver of the Debtors' or any other party in interest's right to dispute and object to any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined herein or any order granting the relief requested by the Motion, or a finding that any particular claim is an administrative expense claim or other

priority claim; (e) a request or authorization to assume any agreement, contract, or lease pursuant to Section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of any Debtors' rights under the Bankruptcy Code or any other applicable law; (h) a waiver or other adjudication of the Debtors' rights to further object to the claims that are the subject of this Order on any and all grounds, including validity, priority, or amount; or (i) a waiver, adjudication, or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law or to assert any and all rights, claims, and defenses with respect to such claims.

8. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion under the circumstances and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

9. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

10. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order.

11. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
