FOUND AND DETERMINED THAT:

A. To the extent any of the following findings of fact constitute conclusions of law, they are hereby adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are hereby adopted as such. below), as "Buyer." On September 10, 2026, the Debtors filed a notice with this Court [Dkt. No. 1572], identifying Welltower as the successful bidder (together with any Buyer Designee, the "Successful Bidder"), being the highest or otherwise best bid for the Acquired Assets (the "Successful Bid" and the transaction contemplated thereby, the "Sale Transaction"). A copy of the APA is attached hereto as **Exhibit 1** and is incorporated herein by reference.

C. This Court has jurisdiction to hear and determine the Motion, and over the Selling Debtors, the Selling Debtors' estates, and the Acquired Assets pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

D. The statutory and legal bases for the relief requested in the Motion are sections 105(a), 363(b), 363(f), 363(k), 363(m), 365, 503, and 507 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, 9008, 9013 and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and the Local Rules of the United States Bankruptcy Court for the Northern District of Texas (the "Local Rules").

E. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 4001(a)(3), 6004(h), 6006(d), or any other applicable Bankruptcy Rules, and to any extent necessary under Rule 9014 of the Bankruptcy Rules and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order.

F. Following a hearing held on March 20, 2026 (the "Bid Procedures Hearing"), this Court entered its *Order Granting Debtors' Motion for the Entry of an Order (I) Establishing Bid Procedures, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Authorizing the Debtors to Enter into a Stalking Horse Agreement and Provide Bid Protections, (IV) Approving*

the Form and Manner of Notice Thereof, (V) Establishing Notice and Procedures for the Assumption and Assignment of Contracts and Leases and (VI) Granting Related Relief [Dkt. No. 465] (the "Bid Procedures Order") on April 13, 2026.

G. Certain of the Selling Debtors are Delaware statutory trusts (each, a "DST Seller") formed under the Delaware Statutory Trust Act, 12 Del. C. § 3801 et seq. (the "DST Act"). Each DST Seller holds legal title to the real property on which a senior living community ("Senior Living Communities" or "Communities," and each, a "Community") is located, as well as certain operating assets related to such Community. Each DST Seller is managed by a signatory trustee (each, a "Signatory Trustee"), which is a limited liability company wholly owned by Inspired Healthcare Capital Holdings, LLC ("Holdings"). Pursuant to section 5.03 of the applicable Trust Agreement,[5] any sale or other conveyance of the Trust Property (as defined in the Trust Agreement) by the Signatory Trustee made pursuant to the terms of the Trust Agreement shall bind the applicable DST Seller and the investors of such DST Seller (the "DST Investors") and be effective to transfer or convey all rights, title, and interest of the DST Sellers and the DST Investors in and to the Trust Property.

H. Certain of the Selling Debtors are limited liability companies that serve as master tenants (each, a "Master Tenant Seller") under master lease agreements with the DST Sellers (the "Master Leases"). Each Master Tenant Seller subcontracts management responsibilities to third-party management companies (each, a "Third-Party Manager") and, with respect to nearly all Senior Living Communities, holds contracts with residents of the applicable Community (the "Resident Agreements"). With respect to each Community contemplated under the APA, the operating licenses required by applicable state or local law to operate the Community (the

[5] "Trust Agreement" refers to the trust agreement governing each applicable DST Seller.

"Operating Licenses") are held by the applicable Master Tenant Seller. The Master Tenant Sellers are wholly owned subsidiaries of Holdings.

I. The Acquired Assets constitute property of the Selling Debtors' estates and title thereto is vested in the Selling Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code. The Selling Debtors have the exclusive right and power to transfer good title to the Acquired Assets to the Successful Bidder, subject to the provisions of the Bankruptcy Code and this Order. No other person or entity has any ownership right, title, or interest in the Acquired Assets that would prevent or restrict the Sale Transaction or the transfer of the Acquired Assets to the Successful Bidder free and clear of Interests pursuant to this Order. The Selling Debtors have articulated good and sufficient reasons for this Court to grant the relief requested in the Motion.

J. Notice of the Motion, the Bid Procedures, the Auction, the APA, and the Sale Hearing was provided as evidenced by the Epiq Declaration previously filed with the Court [Dkt. No. 1693].

K. Actual written notice of the Motion and a reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein have been afforded to the following parties: (i) all entities known to have expressed an interest in a transaction with respect to some or all of the Acquired Assets; (ii) all entities known to have asserted any interest in or upon any of the Acquired Assets, including counsel to each Prepetition Secured Party;[6] (iii) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion, including the applicable Senior

[6] "Prepetition Secured Parties" shall have the meaning ascribed in the *Debtors' Emergency Motion (i) Authorizing (a) Postpetition Financing and (b) the Use of Cash Collateral, (ii) Granting Liens and Providing Superpriority Administrative Expense Claims, (iii) Granting Adequate Protection to Prepetition Secured Parties, (iv) Modifying the Automatic Stay, (v) Scheduling a Final Hearing, and (vi) Granting Related Relief* [Dkt. No. 28].

Living Regulatory Authority in each state in which a Community is located; (iv) known counterparties to any unexpired leases or executory contracts that could potentially be assumed and assigned to a Successful Bidder; (v) the United States Trustee; (vi) the Internal Revenue Service; (vii) any governmental authority known to have a claim against any Selling Debtor; (viii) all environmental authorities having jurisdiction over any of the Acquired Assets; (ix) the Office of the Attorney General and Office of the Secretary of State in each state in which any Acquired Assets are held; (x) the Official Committee of Unsecured Creditors (the "Committee"); (xi) the Official Committee of Delaware Statutory Trust Investors (the "DST Committee" and together with the Committee, the "Committees"); (xii) the Securities and Exchange Commission (the "SEC"); (xiii) all parties entitled to notice pursuant to Bankruptcy Rule 2002; (xiv) all residents of each Community that is part of the Acquired Assets; (xv) counsel to the Successful Bidder; and (xvi) other persons or entities reasonably requested by a potential purchaser of the Acquired Assets (collectively, the "Notice Parties") [Dkt. Nos. 99 and 158].

L. In accordance with the provisions of the Bid Procedures Order, the Debtors served the Sale Notice on the Notice Parties within three (3) Business Days (or as soon as reasonably practicable thereafter) after the entry of the Bid Procedures Order (the "Mailing Date"), in accordance with Bankruptcy Rules 2002(a) and (c), by first-class mail or, for those parties who have consented to receive notice by the Electronic Case Files ("ECF") system, by ECF (collectively, the "Mailing Notice") [Dkt. No. 522]. Publication of the Sale Notice was made by publication in The Wall Street Journal on April 15, 2026, as evidenced by the Affidavit of Publication filed with the Court [Dkt. No. 1092].

M. The Sale Notice indicated the Sale Objection Deadline and the anticipated date of the Auction and Sale Hearing. On August 4, 2026, the Debtors filed the *Corrected Amended Notice*

of Auction and Sale Hearing and Related Deadlines for the Sale of Substantially all Debtors' Assets ("Corrected Amended Notice of Auction and Sale Hearing") [Dkt. 1270] and caused it to be served [Dkt. Nos. 1372 and 1374]. The Corrected Amended Notice of Auction and Sale Hearing set the Sale Objection Deadline for August 20, 2026, the Auction, if any, for August 25, 2026, the Post-Auction Objection Deadline the later of August 28, 2026, at 4:00 p.m., prevailing Central Time and one (1) Business Day following the conclusion of the Auction, and the Sale Hearing for September 15, 2026. Publication of the Corrected Amended Notice of Auction and Sale Hearing was made by publication in The Wall Street Journal on August 7, 2026, as evidenced by the Affidavit of Publication filed with the Court [Dkt. No. 1348]. On September 15, 2026, the Court conducted a status conference regarding the auction and sale process. The Sale Hearing commenced on September 22, 2026, and concluded on September 29, 2026 [Dkt. No. 1563].

N. In accordance with the Bid Procedures Order, on April 14, 2026, the Debtors filed the *Notice to Contract Parties to Potentially Assumed Executory Contracts and Unexpired Leases* [Dkt. No. 471] ("Initial Cure Notice"), on June 26, 2026, filed the *First Supplemental Notice to Contract Parties to Potentially Assumed Executory Contracts and Unexpired Leases* [Dkt. No. 940] (the "First Supplemental Notice"), on July 21, 2026, filed the *Second Supplemental Notice to Contract Parties to Potentially Assumed Executory Contracts and Unexpired Leases* [Dkt. No. 1171] (the "Second Supplemental Notice"), on September 15, 2026, filed the *Third Supplemental Notice to Contract Parties to Potentially Assumed Executory Contracts and Unexpired Leases* [Dkt. No. 1657] (the "Third Supplemental Notice," and together with the Initial Cure Notice, First Supplemental Notice, and the Second Supplemental Notice, the "Cure Notices") and served the Cure Notices on all known counterparties to executory contracts and unexpired leases that potentially would be assumed and assigned in connection with a sale of the Acquired Assets [Dkt.

Nos. 523, 982, 1073 and 1184]. The Cure Notices specified: (i) each of the Selling Debtors' executory contracts and unexpired leases that may be assumed and assigned in connection with the sale (the "365 Contracts"), including the name of each non-Debtor counterparty to such 365 Contracts (each, a "Counterparty"); (ii) the proposed amount necessary, if any, to cure all monetary defaults, if any, under the 365 Contracts (the "Cure Costs"); and (iii) the deadline by which any Counterparty shall have filed an objection to the Cure Costs or to assumption and assignment of the applicable 365 Contract.

O. Following the Auction, and in accordance with the Bid Procedures Order, the Debtors filed a notice [Dkt. No. 1572] (the "Post-Auction Notice") with this Court identifying the Successful Bidder at the Auction for the Acquired Assets. The Debtors caused the Post-Auction Notice to be served on all counterparties to executory contracts and unexpired leases that were identified by the Successful Bidder as a contract or lease that potentially would be assumed and assigned in connection with the Sale Transaction. The Post-Auction Notice contains (a) the identification of such contracts or leases (the "Desired 365 Contracts"), (b) information necessary and appropriate to provide notice of the proposed assumption and assignment of Desired 365 Contracts, and (c) Cure Costs, to the extent amended from the Cure Notices.

P. The Cure Notices, and the Post-Auction Notice provided each Qualified Bidder and each Counterparty with proper notice of the potential assumption and assignment of the 365 Contracts and any Cure Costs relating thereto and the procedures established by this Court and undertaken by the Debtors with regard to any Cure Costs satisfy section 365 of the Bankruptcy Code and Bankruptcy Rule 6006. Each Counterparty has had an opportunity to object to the Cure Costs.

Q. Each Counterparty has had an opportunity to object to the Successful Bidder's proposed adequate assurance of future performance. The Successful Bidder has provided adequate assurance of its future performance under the Desired 365 Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code.

R. The notices described above were good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, Bid Procedures, Auction, Sale Hearing, Sale Transaction, Desired 365 Contracts, or Cure Costs, and all related deadlines, is or shall be required.

S. The APA and other documents and instruments related to and connected with the Sale Transaction (the "Transaction Documents") were all negotiated and entered into after arm's length, good faith negotiations between the Selling Debtors, the Successful Bidder, and their respective counsel and advisors, and without collusion. None of the Selling Debtors, the Successful Bidder, or their respective representatives engaged in any conduct or acted in any improper manner that would cause or permit the APA, any of the other Transaction Documents, or the Sale Transaction to be avoided under section 363(n) of the Bankruptcy Code or otherwise.

T. In connection with the Debtors' consideration, negotiation, approval, and consummation of the Sale Transaction and the marketing and sale process leading thereto, James Calandra ("Calandra"), CRS Capstone Partners LLC ("Capstone"), Mark Andrews ("Andrews"), Trinity River Advisors, LLC ("Trinity River," and together with Calandra, Capstone, and Andrews, the "Independent Managers"), and M. Benjamin Jones, as Chief Restructuring Officer of the Debtors (the "CRO"), possessed and exercised independent authority with respect to the sale process and the Sale Transaction, including the authority to evaluate and pursue alternative transactions, negotiate the terms of the Sale Transaction, reject the Sale Transaction if they

determined that it was not in the best interests of the Debtors and their estates, and approve or recommend approval of the Sale Transaction only after independently determining, in the exercise of their business judgment and consistent with their fiduciary duties, that the Sale Transaction was in the best interests of the Debtors and their estates. The Independent Managers and the CRO, acting with the advice of their legal and financial advisors, were fully informed regarding the material terms and circumstances of the Sale Transaction and the alternatives reasonably available to the Debtors, actively participated in and appropriately oversaw the sale process, and exercised their independent business judgment in good faith and in a manner they reasonably believed to be in the best interest of the Debtors and their estates. The Independent Managers and the CRO were disinterested and independent of all bidders, including the Successful Bidder, secured lenders, and other interested parties, considered alternatives and received sufficient information and had sufficient time to deliberate.

U. Based upon the foregoing and the evidentiary record before the Court, the Court finds that the Independent Managers and the CRO appropriately considered the interests of the Debtors and their estates and relevant stakeholders, evaluated the Sale Transaction and reasonably available alternatives thereto, and determined, after due consideration and consultation with their advisors, that the Sale Transaction represented the highest or otherwise best transaction reasonably available under the circumstances and was in the best interests of the Debtors and their estates. The Independent Managers and the CRO acted independently, disinterestedly, in good faith, and with due care in connection with the foregoing, appropriately and fully discharged and satisfied their fiduciary duties under applicable law with respect to the Sale Transaction and the sale process, and did not engage in any self-dealing, improper conduct, or breach of fiduciary duty in connection therewith. The decisions and actions of the Independent Managers and the CRO in connection

with the Sale Transaction and the sale process constituted a reasonable exercise of their business judgment and are hereby approved.

V. Neither the Successful Bidder nor any of its affiliates or representatives are insiders of the Selling Debtors. Neither the Successful Bidder nor any Buyer Designee is an "insider" or "affiliate" of any Selling Debtor as those terms are defined in sections 101(31) and 101(2) of the Bankruptcy Code, and no common identity of directors, officers, managers, or controlling equity holders exists between the Successful Bidder or any Buyer Designee, on the one hand, and any Selling Debtor, on the other hand.[7] The Purchase Price was not controlled by any agreement among bidders.

W. Without limiting the foregoing, the Successful Bidder complied with all the provisions in the Bid Procedures Order, and in proceeding with the Sale Transaction, the Successful Bidder did nothing to interfere with the Selling Debtors' ability to seek higher and better offers for the Acquired Assets. All terms and conditions of the APA and the Transaction Documents, including all payments to be made by the Successful Bidder, were fully disclosed to the Court and the Notice Parties.

X. Accordingly, the Successful Bidder is a "good faith purchaser" as that term is used in section 363(m) of the Bankruptcy Code and is hereby granted all of the protections and benefits provided to a good faith purchaser under such section. Reversal, modification, or vacatur by a subsequent order of the Bankruptcy Court or any other court of this Order or the authorization contained herein shall not affect the validity of the Sale Transaction and the consummation of the transactions contemplated under the APA and other Transaction Documents. The good faith

[7] The Successful Bidder shall not designate a Buyer Designee that is an insider or affiliate of any of the Debtors, or that shares common directors, officers, managers, or controlling equity holders with any of the Debtors.

findings set forth in this Order extend to each Buyer Designee and to the Bridging Agreements, the Operations Transfer Agreements, the Assumption Agreement, the Bill of Sale, the Deeds, the Escrow Agreement, the Title Company Agreement, and each other Transaction Document, and to any applicable Closing. The Successful Bidder and each Buyer Designee are entitled to the protections of section 363(m).

Y. The Debtors conducted an open, extensive, fair, and competitive marketing process consistent with the Bid Procedures. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bid Procedures Order. The Auction was duly noticed, and the sale process was conducted in a diligent, non-collusive, fair, and good-faith manner. The Debtors: (i) afforded interested Qualified Bidders a full, fair, and reasonable opportunity to qualify as bidders and submit their highest or otherwise best offer for the Acquired Assets; (ii) provided potential bidders sufficient information to enable them to make an informed judgment on whether to bid for the Acquired Assets; and (iii) considered any Qualified Bids properly submitted in accordance with the Bid Procedures. A reasonable opportunity was given to any interested party to make a higher or otherwise better offer to purchase all or a portion of the Acquired Assets in accordance with the terms of the Bid Procedures.

Z. The APA constitutes the highest or otherwise best offer for the Acquired Assets and provides a greater recovery for the Selling Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in consultation with the Consultation Parties, that the APA constitutes the highest or otherwise best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

AA. The terms of the APA represent a fair and reasonable offer to purchase the Acquired Assets, including the Desired 365 Contracts, under the circumstances of these Chapter 11 Cases.

No other person or entity or group of entities has offered to purchase the Acquired Assets for greater value to the Selling Debtors' estates than the Successful Bidder.

BB. Approval of the Motion and the consummation of the Sale Transaction contemplated thereby are in the best interests of the Selling Debtors, their estates, creditors of the Selling Debtors' estates, and other parties in interest.

CC. The Selling Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the Sale Transaction outside of a plan of reorganization, including, without limitation, the need to ensure the continued care of their residents and the need to preserve the value of the Selling Debtors' estates for all of their respective stakeholders.

DD. The consideration provided by the Successful Bidder pursuant to the APA is fair and adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, and the District of Columbia. The APA was not entered into, and the Sale Transaction will not be consummated, fraudulently or for the purpose of escaping liability for any of the Selling Debtors' debts, or for the purpose of hindering, delaying, or defrauding creditors of the Selling Debtors, and neither the Selling Debtors nor the Successful Bidder has entered into the APA or is consummating the Sale Transaction contemplated thereby with any fraudulent or otherwise improper purpose.

EE. The Selling Debtors have full power and authority to execute and deliver the APA, the Transaction Documents, and all other documents contemplated thereby, and no further consents or approvals are required for the Selling Debtors to consummate the Sale Transaction, except as otherwise set forth in the APA. With respect to each DST Seller, the applicable Signatory Trustee has the power and authority under the applicable Trust Agreement and the 12 Del. C.

§ 3801 et seq. to sell, convey, and transfer the Trust Property of the DST Seller on the terms set forth in the APA, all in accordance with Trust Agreement sections 2.03(iii), 5.03, 5.04, and 7.02(a).

FF. The transfer of the Acquired Assets, including the Desired 365 Contracts, to the Successful Bidder, as of the applicable Closing Date, will be a legal, valid, and effective transfer of such Acquired Assets and will vest the Successful Bidder with all right, title, and interest of the Selling Debtors to the Acquired Assets free and clear, to the fullest extent possible under 11 U.S.C. § 363(f), of all Interests and all Claims (as defined in section 101(5) of the Bankruptcy Code) relating to, accruing, or arising any time prior to the applicable Closing Date, with the exception of Permitted Liens and Assumed Liabilities. The Selling Debtors may sell the Acquired Assets free and clear of all Interests, Claims, and other interests of any kind or nature whatsoever (except for the Permitted Liens and Assumed Liabilities), because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied.

GG. For purposes of this Order, "Interests" means all Liens, Claims, encumbrances, debts, Liabilities, obligations, demands, guarantees, suits, defenses, deposits, credits, allowances, rebates, refunds, actions, proceedings, causes of action, choses in action, counterclaims, rights of subrogation, rights of recovery, mortgages, deeds of trust, pledges, charges, hypothecations, easements, servitudes, leases, subleases, rights-of-way, encroachments, restrictive covenants, rights of offset, setoff, or recoupment, rights of use or possession, orders and decrees of any court or governmental entity, taxes (including foreign, state, and local taxes and tax liens), licenses, covenants, indentures, instruments, title defects, survey defects, options (including put options and purchase options), rights of first offer, rights of first refusal, assignments, preferences, preferential transfers, security interests, conditional sale agreements, other title retention agreements, judgments, contractual commitments, restrictions, transfer restrictions, proxy or voting trusts,

ownership, property, and equitable interests, equitable title, and employment-related claims, including claims arising under the Employee Retirement Income Security Act of 1974, as amended (ERISA), the Worker Adjustment and Retraining Notification Act of 1988 (WARN Act), the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), or any labor or employment law, successor liability claims, transferee liability claims, vicarious liability claims, derivative liability claims, alter ego liability claims, de facto merger claims, substantial continuity claims, continuity of enterprise claims, product line liability claims, products liability claims, environmental liabilities (including under CERCLA and any Environmental Laws), regulatory liabilities, antitrust claims, veil piercing claims, pension liabilities, multiemployer plan liabilities, claims arising under bulk sales or similar laws, claims arising under tax statutes or ordinances (including the Internal Revenue Code of 1986, as amended), and claims arising under any statutory or common-law basis for successor liability, and any other interests, rights, or restrictions of any kind or nature whatsoever (whether similar or dissimilar to any of the foregoing), in each case to the fullest extent of the law, in, on, against, or with respect to any of the Selling Debtors or in, on, against, or with respect to any of the Acquired Assets, including any Interest arising out of, relating to, or in connection with the Selling Debtors' past or present operations, prepetition conduct, business activities, or any period prior to the applicable Closing, whether known or unknown, matured or unmatured, choate or inchoate, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether legal or equitable, secured or unsecured, senior or subordinate, whether arising prior to or subsequent to the Petition Date, and whether imposed by agreement, understanding, law, equity, or otherwise, but excluding Permitted Liens and Assumed Liabilities, in each case as defined in the APA.

HH. All parties in interest, including, without limitation, any holders of Interests and other interests and any Counterparties who did not object, or who withdrew their objections, to the Sale Transaction, the Motion, or the assumption and assignment of the applicable Desired 365 Contracts or the associated Cure Costs are deemed to have consented to the Sale Transaction, pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Interests who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Interests, if any, attach to the proceeds of the Sale Transaction in the same order of priority, with the same validity, force, and effect that such Interests had prior to the Sale Transaction, subject to any rights, claims, defenses, or objections, if any, that the Selling Debtors, their estates, or the Committees may possess with respect thereto. Each ground constitutes an independent and sufficient basis for the relief granted herein. Thus, any such objections are expressly overruled.

II. Certain of the Acquired Assets are, or were immediately prior to Closing, subject to the liens and security interests of DST DIP LLC (the "DIP Lender") under the *Final Order (I) Authorizing (A) Postpetition Financing and (B) the Use of Cash Collateral; (II) Granting Liens and Providing Superpriority Administrative Expense Claims; (III) Granting Adequate Protection to Prepetition Secured Parties; (IV) Modifying the Automatic Stay; and (V) Granting Related Relief* [Dkt. No. 339] (the "Final DIP Order") and the Prepetition Liens (as defined in the Final DIP Order) of the applicable Prepetition Secured Parties (which include Provident Bank, as successor by merger to Lakeland Bank) (collectively, the "DIP and Prepetition Lienholders"). Pursuant to section 363(f) of the Bankruptcy Code and this Order, upon the applicable Closing, the applicable Acquired Assets shall be transferred to the Successful Bidder free and clear of all such liens and security interests of the DIP and Prepetition Lienholders and any other Interests,

including, without limitation, all DIP Liens (as defined in the Final DIP Order) and all Prepetition Liens, and such liens and security interests shall not attach to or encumber the Acquired Assets or any interest therein in the hands of the Successful Bidder or any of its successors or assigns. All such liens and security interests of the DIP and Prepetition Lienholders shall attach solely to the proceeds of the Sale Transaction with respect to the applicable Acquired Assets in the same order of priority, with the same validity, force, and effect that such liens and security interests had against the applicable Acquired Assets immediately prior to the Closing, subject to any rights, claims, defenses, or objections, if any, that the Selling Debtors, their estates, or either of the Committees may possess with respect thereto, including, but not limited to, the claims and causes of action asserted in Adversary Proceeding No. 26-9010-mxm.

JJ. Nothing in this Order alters or modifies in any way the Final DIP Order with respect to the DIP Lender. The DIP Lender shall be served with notice of (i) any modification, amendment, or supplement to the APA or other Transaction Documents and any related agreements, documents, or other instruments, not including any casualty or condemnation event provided for in the APA, that has a net negative impact to the Selling Debtors' estates of at least $200,000 in the aggregate; and (ii) any payment to be made pursuant to paragraph 43 of this Order.

KK. The Successful Bidder would not have entered into the APA and would not consummate the Sale Transaction contemplated thereby if the sale of the Acquired Assets to the Successful Bidder were not, except as otherwise provided in the APA, free and clear of all Interests of any kind or nature whatsoever, or if the Successful Bidder were not free of all successor liability with respect to the Selling Debtors' liabilities, except as expressly assumed in the APA. The total consideration to be provided under the APA reflects the Successful Bidder's reliance on this Order to provide it, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, with title to and

possession of the Acquired Assets free and clear of all Interests (other than Permitted Liens and Assumed Liabilities). A sale of the Acquired Assets other than on a free-and-clear basis would yield substantially less value for the Selling Debtors' estates, with less certainty than is provided by the Sale Transaction. The Successful Bidder's obligation to consummate the Sale Transaction is expressly conditioned upon entry of this Order containing the free-and-clear and no-successor-liability provisions set forth herein, and the Successful Bidder would not close absent such provisions.

LL. The assumption and assignment of the Desired 365 Contracts pursuant to the terms of the APA and this Order is integral to the APA, is in the best interests of the Selling Debtors and their estates, creditors, and other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Selling Debtors. The Desired 365 Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Successful Bidder in accordance with their respective terms. The failure of the Selling Debtors or the Successful Bidder to enforce prior to the Closing of the Sale Transaction one or more terms or conditions of the Desired 365 Contracts shall not be a waiver of such terms or conditions.

MM. Pursuant to the terms of the APA, including the Successful Bidder's right to modify the list of Desired 365 Contracts, the Selling Debtors shall assume and assign to the Successful Bidder each Desired 365 Contract identified on the applicable schedule to the APA that is capable of being assumed and assigned. The Successful Bidder shall be solely responsible for the payment of the Cure Costs with respect to all Desired 365 Contracts assumed by the Selling Debtors and assigned to the Successful Bidder, unless otherwise provided under the APA. The Successful Bidder shall, subject to the terms of the APA, assume and perform and discharge the Assumed Liabilities, if any, under the Desired 365 Contracts. The Successful Bidder has provided adequate

assurance of its future performance under the Desired 365 Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. The Cure Costs specified in the Cure Notices are hereby found to be the sole amounts necessary to cure any and all defaults under the Desired 365 Contracts under section 365(b) of the Bankruptcy Code, subject to any timely filed objections to such Cure Costs and the dispute resolution procedures in the Bid Procedures and APA.

NN. To the extent any provision in any Desired 365 Contract (a) prohibits, restricts, or conditions, or purports to prohibit, restrict, or condition, such assumption or assignment (including, without limitation, any "change of control" provision), or (b) is modified, breached, or terminated, or deemed modified, breached, or terminated by (i) the commencement of these Chapter 11 Cases, (ii) the insolvency or financial condition of the Selling Debtors at any time before the closing of these Chapter 11 Cases, (iii) the Selling Debtors' assumption and assignment of such Desired 365 Contract, or (iv) the consummation of the Sale Transaction, then such provisions shall be deemed modified so as to not entitle the non-Debtor party thereto to prohibit, restrict, or condition such assumption or assignment, to modify, terminate, or declare a breach or default under such Desired 365 Contract, or to exercise any other default-related rights or remedies with respect thereto. For the avoidance of doubt, all foregoing provisions shall be deemed to constitute unenforceable anti-assignment provisions and are void and of no force and effect pursuant to sections 365(b), 365(e), and 365(f) of the Bankruptcy Code.

OO. In accordance with section 5.01(c) of the applicable Trust Agreements, each DST Seller does not constitute a "business trust" within the meaning of Treasury Regulation section 301.7701-4(b) or any other business entity for U.S. federal income tax purposes, but instead constitutes an "investment trust" within the meaning of Treasury Regulation section 301.7701-

4(c) and a grantor trust under Subpart E of Part I of Subchapter J of the Internal Revenue Code of 1986, as amended (the "IRC"). Further, each such DST Seller is a "domestic trust" within the meaning of Treasury Regulation section 301.7701-7(a)(2). Accordingly, upon a disposition of a United States real property interest by such DST Seller, the applicable Signatory Trustee (or its applicable agent) will be required under section 1445(e)(1) of the IRC and Treasury Regulation section 1.1445-5(c)(1)(iv) to withhold tax with respect to the portion of any gain realized that is allocable to a beneficial interest treated as owned by a grantor that is not a United States person within the meaning of section 7701(a)(30) of the IRC. The Signatory Trustee (or its applicable agent) may rely on a valid IRS Form W-9 or other permitted certification of non-foreign status from the relevant owner and, absent such certification, shall withhold as required under the applicable Treasury Regulations. Additionally, any applicable withholding agent shall be entitled to withhold on any amounts treated as interest for U.S. federal income tax purposes. Except as set forth above, no deduction or withholding of U.S. federal withholding taxes shall be made with respect to any payments made pursuant to this Order.

PP. To enhance the Selling Debtors' level of liquidity, to preserve the value of the Selling Debtors' estates and reduce the amount of post-petition expenses borne by the Selling Debtors, and to maximize the amount of funding available to provide for a timely exit from these Chapter 11 Cases, it is essential that the sale of the Acquired Assets occur within the time constraints set forth in the APA. Time is of the essence in consummating the Sale Transaction.

QQ. Given all of the circumstances of these Chapter 11 Cases and the adequacy and fair value of the Purchase Price, the sale of the Acquired Assets to the Successful Bidder constitutes a reasonable and sound exercise of the Selling Debtors' business judgment and should be approved.

RR. The Sale Transaction does not constitute a de facto or sub rosa plan of reorganization or liquidation because the Selling Debtors do not propose to (i) impair or restructure existing debt of, or equity interests in, the Selling Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Selling Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in sections 1125 and 1129 of the Bankruptcy Code, or (iv) classify claims or equity interests.

SS. The consummation of the Sale Transaction is legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b), and 365(f), and all of the applicable requirements of such sections have been complied with in respect of the Sale Transaction.

TT. The terms of the APA, including any amendments, supplements, and modifications thereto, are fair and reasonable in all respects.

UU. The continued and uninterrupted care and safety of the residents of the Senior Living Communities is of paramount importance and constitutes an independent basis supporting approval of the Sale Transaction. The Successful Bidder has demonstrated adequate assurance of its ability to continue to operate the Communities in compliance with all applicable Senior Living Laws (as defined below).

VV. The Sale Transaction is subject to the Successful Bidder obtaining all required governmental authorizations and regulatory approvals necessary to operate the Communities included in the Acquired Assets, including, without limitation, the operating licenses required by applicable state or local law to operate the Community (the "Operating Licenses") or change-of-ownership approvals from the applicable state senior living regulatory authority in each state in which a Community is located (each, a "Senior Living Regulatory Authority" and collectively, the

"Senior Living Regulatory Authorities," and the laws enforced by such authorities, together with all other federal, state, and local laws applicable to the ownership, operation, and licensing of assisted-living, independent-living, and memory-care facilities, the "Senior Living Laws"). To the extent that any required Operating License has not been issued to the Successful Bidder as of the applicable Closing Date, the Selling Debtors and the Successful Bidder shall enter into (a) an Interim Management Agreement (the "Interim Management Agreement"), and (b) an Interim Lease (the "Interim Lease" and together with the Interim Management Agreement, the "Bridging Agreements") incorporating the terms set forth on Schedule 7.11(b) to the APA, pursuant to which the applicable Master Tenant Seller shall remain the licensee of record and shall continue to hold the applicable Operating License, and the Successful Bidder or a Buyer Designee shall act solely as lessor under the Interim Lease or sublease and its designated manager as manager under the Interim Management Agreement, in each case in accordance with such Bridging Agreements. The Selling Debtors and the Successful Bidder are authorized to execute, deliver, and perform the Bridging Agreements, which shall be on terms consistent with the Bridging Agreement Terms contained in Schedule 7.11(b) of the APA, as such terms may be modified by mutual agreement of the parties, subject to any applicable notice to the Committees required under paragraph 47. For the avoidance of doubt, nothing in this Order shall be construed to authorize the Successful Bidder or any Buyer Designee to operate any Community without the Healthcare Permits required under applicable Senior Living Laws, or to constitute the Successful Bidder or any Buyer Designee a licensee, co-licensee, or operator of record with respect to any Community.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED THAT:

1. The relief requested in the Motion with respect to the Acquired Assets of the Selling Debtors is GRANTED AND APPROVED as set forth in this Order, and the Sale Transaction contemplated thereby is APPROVED.

2. Notice of the Motion, the Sale Hearing, the Bid Procedures, Sale Objection Deadline, the Auction, and the Sale Transaction, including, without limitation, the Sale Notice, the Mailing Notice, the Cure Notices, and the Post-Auction Notice was provided as evidenced by the certificates of service previously filed with the Court, and was timely, adequate, fair, and equitable under the circumstances and complied in all respects with sections 102(1), 105(a), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 4001, 6004, 6006, 9007 and 9008. All objections to the relief requested in the Motion that have not been withdrawn, waived, or settled as announced to the Court at the Sale Hearing or by stipulation filed with the Court, and all reservations of rights included therein, are hereby overruled on the merits or have been otherwise satisfied or adequately provided for pursuant to this Order.

3. The APA and the terms and conditions thereof are hereby APPROVED, and the Selling Debtors are authorized and directed to enter into the APA and all Transaction Documents including any Bridging Agreements that are necessary or desirable, and such other ancillary documents consistent with the terms hereof and in furtherance thereof.

4. The CRO is hereby authorized (consistent with his fiduciary duties), and empowered, in the name of and on behalf of the Selling Debtors, to take or cause to be taken any and all such other and further action to: execute, acknowledge, deliver, and file any and all such agreements, certificates, instruments, and other documents as shall be necessary, advisable, or desirable, including all Transaction Documents, to fully consummate the Sale Transaction. With respect to each DST Seller, the applicable Signatory Trustee is authorized and directed to execute

and deliver such instruments of transfer, including deeds and trust certificates, as are necessary to convey the DST Seller's Trust Property to the Successful Bidder.

5. Pursuant to section 363(b) of the Bankruptcy Code, the Selling Debtors are authorized and directed to take any and all actions necessary or appropriate to (a) consummate the sale of the Acquired Assets to the Successful Bidder pursuant to and in accordance with the terms and conditions of the APA, (b) close the Sale Transaction as contemplated in the APA and this Order, and (c) execute and deliver, close, perform under, consummate, and implement the APA, together with all other Transaction Documents and ancillary documents that may be reasonably necessary or desirable to implement the APA and the Sale Transaction.

6. This Order authorizes and approves multiple closings on different dates with respect to different Acquired Assets, to the extent contemplated by the APA. Each Closing with respect to any Acquired Assets shall be deemed a separate "Sale Transaction" entitled to the full protections of this Order, including sections 363(b), 363(f), 363(m), and 365 of the Bankruptcy Code, without the need for any further order of this Court, and no supplemental order of this Court shall be required in connection with any individual Closing. The removal of any Community from Schedule 2 to the APA, whether as a Seller Removed Community pursuant to section 2.1(b) of the APA or as a Buyer Removed Community pursuant to section 2.1(c) of the APA, and the corresponding automatic reduction of the Purchase Price by the Allocation attributable to such Community, shall be effective automatically upon delivery of the applicable notice in accordance with the APA and without further order of this Court. The inability or failure to close a Sale Transaction with respect to any particular Community shall not affect the validity or enforceability of any other Sale Transaction consummated under this Order, unless otherwise provided under the APA.

7. This Order shall be binding in all respects upon the Selling Debtors, their estates, successors, and assigns, all holders of equity interests in the Selling Debtors (including all DST Investors), all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Selling Debtors, whether known or unknown, and any and all other parties in interest, including, without limitation, any holders of Interests, claims, encumbrances, and other interests of any kind or nature whatsoever on all or any portion of the Acquired Assets, all Counterparties, the Notice Parties, the Successful Bidder, all successors and assigns of the Successful Bidder, any other Bidder for the Acquired Assets, and any trustees or successor trustee, if any, subsequently appointed in these Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code. This Order and the APA shall inure to the benefit of the Selling Debtors, their estates, their creditors, the Successful Bidder, and their respective successors and assigns.

8. The Sale Transaction contemplated by and consummated under the APA and the Transaction Documents was undertaken by the Successful Bidder, without collusion and in good faith and at arm's length, as that term is used in section 363(m) of the Bankruptcy Code. The APA was not entered into and will not be consummated for the purpose of hindering, delaying, or defrauding creditors of the Selling Debtors, and neither the Selling Debtors nor the Successful Bidder has entered into the APA or is consummating the Sale Transaction contemplated thereby with any fraudulent or otherwise improper purpose.

9. The Successful Bidder is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale of the Acquired Assets shall not affect the validity of the Sale Transaction (including the assumption and assignment of the Desired 365 Contracts), unless

such authorization and such Sale Transaction are duly stayed pending such appeal. The APA and the Sale Transaction contemplated thereby cannot be avoided under section 363(n) of the Bankruptcy Code. The Selling Debtors and the Successful Bidder have not engaged in any conduct that would cause or permit the APA or the consummation of the Sale Transaction contemplated thereby to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

10. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bid Procedures Order. The Auction was duly noticed, the sale and sale process were conducted in a non-collusive manner, and the Debtors afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase all or a portion of the Acquired Assets.

11. The APA constitutes the highest or otherwise best offer for the Acquired Assets and will provide a greater recovery for the Selling Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in consultation with the Consultation Parties, that the APA constitutes the highest and/or best offer for the Acquired Assets is a valid and sound exercise of the Debtors' business judgment.

12. In addition, the APA represents a fair and reasonable offer to purchase the Acquired Assets, including the Desired 365 Contracts, under the circumstances of these Chapter 11 Cases. The Selling Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the Sale Transaction outside of a plan of reorganization. The Sale Transaction contemplated thereby, including the APA and other Transaction Documents, is in the best interests of the Selling Debtors, their estates, creditors of the Selling Debtors' estates, and other parties in interest.

13. Pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, the Selling Debtors are authorized and directed to transfer the Acquired Assets on the applicable Closing Date. Upon the applicable Closing and the Selling Debtors' receipt of the applicable Purchase Price, the applicable Acquired Assets shall be transferred to the Successful Bidder free and clear of all Interests as set forth herein and in the APA, and such transfer shall constitute a legal, valid, binding, and effective transfer of the Acquired Assets. Upon the applicable Closing, the Successful Bidder shall take title to and possession of the applicable Acquired Assets. All Interests shall attach to the proceeds of the Sale Transaction of the applicable Acquired Assets with the same validity, priority, force, and effect that they now have as against such Acquired Assets, subject to any rights, claims, defenses, or objections, if any, that the Selling Debtors, their estates, the Committee, or the DST Committee may possess with respect thereto.

14. Notwithstanding anything to the contrary in the APA or otherwise, (i) causes of action under Chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof, (ii) any pre-petition and post-petition commercial tort claims and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against (a) any insider of the Debtors, including, but not limited to, current or former directors, officers, managers, employees, agents, equity holders, and members of the Selling Debtors and/or their affiliates (including, but not limited to, Luke Lee and any entities controlled by him), (b) any of the Selling Debtors' and/or their affiliates' auditors, broker-dealers (including, but not limited to, Emerson Equity, LLC), such broker-dealers employees and representatives and consultants, and/or (c) the Selling Debtors' affiliates, subsidiaries, or related persons and entities, (iii) all claims, rights, and causes of action arising from or related to the investigation initiated by the SEC on or about April 30, 2025, and any related investigation by the Arizona Corporation Commission

(collectively, the "SEC Claims"), and (iv) claims (including intercompany claims) or causes of action against any party owned or held by the Selling Debtors (including rights of setoff) or the beneficiaries of the Selling Debtors shall constitute Excluded Assets. Consistent with paragraph 25 of the Bid Procedures Order, no cause of action under Chapter 5 of the Bankruptcy Code, commercial tort claim, or claim against any insider of the Debtors, or any proceeds of the foregoing is being sold or assigned. Notwithstanding the foregoing, the Excluded Assets shall not include, and nothing in this paragraph shall limit, impair, or affect the Successful Bidder's acquisition of, (x) the claims and Causes of Action conveyed to the Successful Bidder pursuant to section 2.1(a)(vii) of the APA, including, without limitation, all warranty, guaranty, contribution, indemnity, construction defect, design defect, latent defect, and product liability claims against contractors, subcontractors, design professionals, suppliers, manufacturers, or others, in each case to the extent arising out of or relating to damage to or defects in the Owned Real Property or Improvements, (y) the insurance rights and proceeds conveyed pursuant to section 2.1(a)(vi) of the APA, or (z) any other Acquired Asset described in section 2.1(a) of the APA, that is not a cause of action under Chapter 5 of the Bankruptcy Code, commercial tort claim, or claim against any insider of the Debtors.

15. The Sale Transaction to the Successful Bidder and the sale and assignment of the Desired 365 Contracts to the Successful Bidder shall be, except as otherwise provided in the APA and this Order, free and clear of all Interests. The Acquired Assets shall not be subject to any Claims or interests allowed in these Chapter 11 Cases, including, without limitation, any Claims allowed under sections 361, 362, 363, 365, 502, 503, 506, or 507 of the Bankruptcy Code, nor shall the Acquired Assets be subject to a surcharge or "carve out" that is otherwise agreed to or approved in these Chapter 11 Cases. For the avoidance of doubt and without limiting anything in

this Order, the Sale Transaction shall be free and clear of any successor liability to the Successful Bidder for any of the Selling Debtors' liabilities, except for the Assumed Liabilities set forth in the APA.

16. Except as expressly provided by the APA, all persons and entities holding any Interest on all or any portion of the Acquired Assets are forever barred, estopped, and permanently enjoined from asserting against the Successful Bidder or its successors or assigns, their property, or the Acquired Assets, such Interests and all claims and rights relating thereto. On the applicable Closing Date, each holder of an Interest is authorized and directed to execute such documents and take all other actions as may be deemed by the Successful Bidder to be necessary or desirable to release its Interests on the Acquired Assets, as provided for in this Order, as such Interests may have been recorded or may otherwise exist. The Selling Debtors are authorized and directed to take such actions as may be necessary to ensure that such Interests are released and all filings and records are timely made. Notwithstanding the foregoing, the provisions of this Order authorizing the sale and transfer of the Acquired Assets free and clear of Interests are self-executing, and neither the Selling Debtors nor the Successful Bidder shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate, or implement the provisions of this Order.

17. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Selling Debtors to sell and transfer the Acquired Assets to the Successful Bidder, including the Sale Transaction and the assumption and assignment of the Desired 365 Contracts to the Successful Bidder in accordance with the terms of the APA and this Order.

18. All persons and entities that are in possession of some or all of the Acquired Assets on the applicable Closing Date are directed to surrender possession of such Acquired Assets to the Successful Bidder at Closing.

19. With respect to each Community included in the Acquired Assets, the applicable Master Lease between the DST Seller and the Master Tenant Seller shall be terminated by the applicable Selling Debtors prior to or as of Closing, pursuant to section 2.01 of the Master Lease. Termination of a Master Lease shall not extinguish or impair the applicable Master Tenant Seller's status as licensee of record with respect to the Operating License(s) for the applicable Community. Termination shall be effective simultaneously with the execution and commencement of the Bridging Agreements with respect to the applicable Community, and the Master Tenant Seller's continued status as licensee of record during the bridge period shall be governed by, and maintained pursuant to, the Bridging Agreements independently of the termination of the Master Lease. The Successful Bidder and the applicable Selling Debtor shall coordinate the timing of any Master Lease termination and the execution of the Bridging Agreements to ensure no gap in licensure or operational authority with respect to the applicable Community. Notwithstanding the foregoing and anything in this Order to the contrary, all rights, claims and defenses of the applicable DST Seller and the applicable Master Tenant Seller against each other with respect to the Master Leases, including, without limitation, any damages or claims related to the Master Leases (including any claims for accrued and unpaid pre- or post-petition rent and other charges under the Master Leases) (the "Inter-Company Claims") are fully preserved and shall be resolved in connection with the allocation of Sale Proceeds as contemplated by this Order, and the Successful Bidder's election of treatment of each applicable Master Lease in the APA shall not constitute a consent or waiver by any DST Seller or Master Tenant Seller for any purpose with

respect to the Inter-Company Claims, or a modification of the Master Leases for any purpose with respect to the Inter-Company Claims; *provided*, *however*, that in no event shall the Successful Bidder be liable for any of the Inter-Company Claims.

20. The Successful Bidder shall, as a condition of Closing with respect to each Community, either (a) have obtained the required new Operating License or change-of-ownership approval from the applicable Senior Living Regulatory Authority, or (b) have entered into the Bridging Agreements with the applicable Selling Debtor(s), effective simultaneously with, and as of, the termination of all existing management agreements with respect to such Community at Closing, in each case as provided in sections 9.6 and 7.11(c) of the APA. The Bridging Agreements and the transactions contemplated thereby are hereby authorized and approved and shall be enforceable notwithstanding any anti-assignment, change-of-control, non-delegation, consent, termination, or similar restriction in any applicable contract, lease, permit, license, agreement, or other instrument, subject in each case to applicable Senior Living Laws and any required approval or authorization of the applicable Senior Living Regulatory Authority. The Debtors shall have no liability to the Successful Bidder or any other person or entity for any costs or expenses of operating the applicable Community or maintaining any of the Acquired Assets, in each case following the Closing, including, but not limited to, any costs arising from or in connection with maintaining the required Operating License during the bridge period.

21. Upon the applicable Closing, the Successful Bidder shall (a) assume responsibility for all existing resident petty cash accounts held by the Selling Debtors or Third-Party Managers for the benefit of residents of the Communities; and (b) to the extent the Successful Bidder is a covered entity under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), with respect to a Community, comply with all applicable requirements of HIPAA with respect to

protected health information of residents of such Communities. The Successful Bidder shall retain all resident records, clinical records, care plans, and medication administration records transferred to the Successful Bidder at the applicable Closing (collectively, "Resident Records") for the period required by applicable Legal Requirements. Prior to destroying any Resident Records, the Successful Bidder shall provide written notice to the applicable resident or resident representative in accordance with, and for the time period required by, all applicable Legal Requirements, and shall comply with all applicable HIPAA and state law requirements governing the destruction of protected health information.

22. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder in each state in which any Acquired Asset is located to cancel any Interests of record (other than as contemplated in the APA). All filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, and other persons or entities may rely on this Order, without requiring any separate release, satisfaction, termination statement, assignment, consent, or other instrument, as conclusive evidence of the transfer of the Acquired Assets and the release, cancellation, and discharge of all Interests in accordance with this Order.

23. If any person or entity that has filed statements or other documents or agreements evidencing Interests in all or any portion of the Acquired Assets shall not have delivered to the Successful Bidder prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of Interests, and any other documents necessary or desirable to the Successful Bidder for the purpose of documenting the release of all Interests, which the person or entity has or may assert with respect to all or any portion of the Acquired Assets, the Selling Debtors are hereby authorized and directed, and the

Successful Bidder is hereby authorized, to execute and file such statements, instruments, releases, and other documents on behalf of such person or entity with respect to the Acquired Assets.

24. This Order shall govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease, in any of the states in which the Acquired Assets are located; and each of the foregoing persons and entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the Sale Transaction contemplated by the APA.

25. Effective as of the applicable Closing, and subject to payment of the applicable Cure Costs at or following the applicable Closing in accordance with section 2.5 of the APA, the Selling Debtors are authorized to assume and sell and assign the Desired 365 Contracts to the Successful Bidder free and clear of all Interests. With respect to each Desired 365 Contract, the payment of the applicable Cure Costs (if any) shall (a) effect a cure of all monetary defaults existing thereunder as of the Closing Date, (b) compensate the applicable Counterparty for any actual pecuniary loss resulting from such default, and (c) together with the assumption of the Desired 365 Contracts by the Successful Bidder, constitute adequate assurance of future performance thereof. The Successful Bidder shall be solely responsible for the payment of the Cure Costs. Except for payment of the required applicable Cure Costs, the Successful Bidder shall not be liable for any amounts owed or accruing prior to the Closing Date under any Desired 365

Contract. The Cure Costs set forth in the Cure Notices, the Post-Auction Notice, and Schedule 2.5(a) to the APA (as amended in accordance with the APA) are fixed, final, and binding upon each Counterparty that did not timely file and serve an objection thereto. Each such Counterparty is forever barred, estopped, and permanently enjoined from asserting against the Selling Debtors, the Successful Bidder, any Buyer Designee, or the Acquired Assets any Cure Cost, default, breach, claim, right of setoff or recoupment, or pecuniary loss in excess of, or in addition to, the applicable Cure Costs so fixed, whether arising before or as a result of the Closing. In no event shall the Successful Bidder or any Buyer Designee be liable for Cure Costs in respect of any Contract that is not an Assumed Contract as of the applicable Closing.

26. Any provision in or effect of any Desired 365 Contract that prohibits or conditions the assignment of such Desired 365 Contract or allows the party to such Desired 365 Contract to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon the assignment of such Desired 365 Contract constitutes an unenforceable anti-assignment provision that is void and of no force and effect pursuant to section 365(f) of the Bankruptcy Code. Upon Closing and the payment of the required Cure Costs, in accordance with sections 363 and 365 of the Bankruptcy Code, the Successful Bidder shall be fully and irrevocably vested with all right, title, and interest of the Selling Debtors under each Desired 365 Contract and shall also be fully and irrevocably obligated to perform and fulfill all obligations and responsibilities of the Selling Debtors under each Desired 365 Contract.

27. Upon the Closing and the payment by the Successful Bidder of the Cure Costs applicable to any Desired 365 Contract, the Successful Bidder shall be deemed to be substituted for the Selling Debtors as a party to such Desired 365 Contract, and the Selling Debtors shall be

relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability to the Counterparties under such Desired 365 Contracts arising from and after the Closing.

28. Upon the Closing and the payment of the applicable Cure Costs, if any, the Desired 365 Contracts shall remain in full force and effect, and no default shall exist thereunder nor shall there exist any event or condition that, with the passage of time or giving of notice, or both, would constitute such a default.

29. There shall be no rent accelerations or increases, assignment fees, deposits, increases, or any other fees charged to the Successful Bidder or the Selling Debtors as a result of the assumption and assignment (including due to any change in control) of the Desired 365 Contracts.

30. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, all Counterparties to Desired 365 Contracts are forever barred and permanently enjoined from raising or asserting against the Selling Debtors, their estates, the Successful Bidder, or any of their respective successors and assigns any increased rent or fees, assignment fee, default, breach, claim, pecuniary loss, right of setoff, right of recoupment, reclamation claim, security deposit or letter-of-credit draw, use restriction, radius restriction, exclusivity, right of first refusal, right of first offer, purchase option, consent right, profit-sharing, escalation, or condition to assignment, arising under or related to the Desired 365 Contracts existing as of the Closing Date or arising by reason of these Chapter 11 Cases or the Closing. For the avoidance of doubt, nothing herein shall relieve the Successful Bidder from liability for any default, breach, or similar claim arising subsequent to the Closing under a Desired 365 Contract assumed and assigned to the Successful Bidder.

31. All Counterparties to a Desired 365 Contract shall cooperate and expeditiously execute and deliver, upon the reasonable requests of the Successful Bidder, and shall not charge

the Selling Debtors or the Successful Bidder for any instruments, applications, consents, or other documents which may be required or requested by any public or quasi-public authority or other party or entity to effectuate the applicable transfers of the Desired 365 Contracts in connection with the Sale Transaction. Nothing in this Order or any other document is or shall be deemed an admission by the Selling Debtors that any contract or Desired 365 Contract is an executory contract or unexpired lease or must be assumed and assigned pursuant to the APA in order to consummate the Sale Transaction.

32. Effective upon the Closing Date, all persons and entities are forever prohibited and permanently enjoined from (i) commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Successful Bidder and its successors and assigns, the Acquired Assets, including, without limitation, the Desired 365 Contracts, (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Successful Bidder and its successors, assigns, assets, or properties, (iii) creating, perfecting, or enforcing any Lien against the Successful Bidder and its successors, assigns, assets, or properties, or (iv) asserting a setoff, recoupment, or right of subrogation against any obligation due to the Successful Bidder, in each case, with respect to (a) any Interest arising prior to the Closing Date (other than Permitted Liens and Assumed Liabilities) or (b) any theory of claim or remedy sounding in successor liability.

33. Except as otherwise provided in this Order and to the maximum extent available under applicable law and to the extent provided for under the APA, the Successful Bidder shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and governmental authorization or approval of the Selling Debtors with respect to the Acquired Assets, including the Desired 365 Contracts, and, to the maximum extent available under applicable law

and to the extent provided for under the APA, all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been transferred to the Successful Bidder as of the Closing Date; *provided, however*, that nothing in this paragraph shall be construed to authorize the Successful Bidder to operate under an existing Operating License in any state that requires issuance of a new Operating License or final change-of-ownership approval prior to commencement of operations, and the Bridging Agreements shall govern operations in such states during the period prior to the issuance of the applicable new Operating License or final change-of-ownership approval to the extent required and, during any such bridge period, the applicable existing licensee of record shall continue to operate under its own Operating License in accordance with the Bridging Agreements and paragraph 20 of this Order. All existing licenses or permits applicable to the Acquired Assets shall remain in place for the Successful Bidder's benefit until either new licenses and permits are obtained or existing licenses and permits are transferred in accordance with applicable administrative procedures. To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any grant, permit, or license relating to the operation of the Acquired Assets sold, transferred, or conveyed to the Successful Bidder on account of the filing or pendency of these Chapter 11 Cases or the consummation of the Sale Transaction. Medicaid billing rights and provider numbers applicable to the Acquired Assets shall be addressed and maintained through the Bridging Agreements to the extent required pending issuance of new provider enrollment or Medicaid certifications to the Successful Bidder.

34. The transfer of the Acquired Assets to the Successful Bidder pursuant to the APA does not require any consents other than as specifically provided for in the APA.

35. Except for the Assumed Liabilities under the APA, the Successful Bidder shall not have any liability for any obligation of the Selling Debtors arising under or related to any of the

Acquired Assets. Without limiting the generality of the foregoing, the Successful Bidder shall not be liable for any Claims against the Selling Debtors or any of their predecessors or affiliates to the extent such obligation arises prior to Closing. The Sale Transaction and the APA have been negotiated and are being consummated in a manner that does not constitute a consolidation, merger, or de facto merger of the Successful Bidder and the Selling Debtors. The Successful Bidder is not a mere continuation of the Selling Debtors or their estates, and there is no continuity of enterprise or common identity between the Successful Bidder and the Selling Debtors. By virtue of the Sale Transaction, the Successful Bidder and its affiliates, successors, and assigns shall not be deemed or considered to (a) be a legal successor or otherwise be deemed a successor to any of the Selling Debtors, (b) have, de facto or otherwise, merged with or into the Selling Debtors, or (c) be a continuation or substantial continuation, or be holding itself out as a mere continuation, of the Selling Debtors or their estates, businesses, or operations. The Successful Bidder shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, any theory of antitrust, environmental, successor or transferee liability, labor law, de facto merger, or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, with respect to the Selling Debtors or any obligations of the Selling Debtors arising prior to the Closing Date, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of any of the Acquired Assets prior to the Closing: *provided* that nothing herein shall be deemed to modify or alter any allocation or proration of liabilities as set forth in the APA, including, but not limited to, pursuant to sections 8.1(b) and 8.3 thereof. The Successful Bidder would not have entered into the APA or agreed to consummate the Sale Transaction but for the foregoing protections against successor or transferee liability.

36. Nothing in this Order shall release any claims or causes of action that constitute Excluded Assets, including, without limitation, the SEC Claims, any causes of action under Chapter 5 of the Bankruptcy Code, or any claims or Interests against current or former officers, directors, managers, members, or broker-dealers who may have caused harm to the Selling Debtors' estates. For the avoidance of doubt, all proceeds of Excluded Assets shall constitute property of the respective Selling Debtor's estate and shall not be subject to any lien, claim, encumbrance, or interest of the Successful Bidder.

37. Nothing in this Order shall alter, modify, limit, or amend the terms or provisions of the Final DIP Order [Dkt. No. 339] or any other prior order entered in these Chapter 11 Cases, except that (a) the DIP Liens, the Prepetition Liens, and all other Interests shall be released from, and shall not attach to, the Acquired Assets as provided herein and shall attach solely to the proceeds thereof, and (b) to the extent of any conflict between this Order and any prior order with respect to the Acquired Assets, the Sale Transaction, the Deposit, the APA, or the rights of the Successful Bidder or any Buyer Designee, this Order shall govern.

38. Bid Protections. Nothing herein shall be deemed to modify any terms of the *Stipulation and Agreed Order Between (I) the Debtors, (II) the Committees, and (III) the Stalking Horse Bidders Resolving Objections to Designation and Stalking Horse Bid Protections* [Dkt. No. 1461].

39. Operations Transfer Agreements. The Selling Debtors are authorized and directed to comply with section 7.15 of the APA, including by obtaining as promptly as practicable, for each applicable Community, an Operations Transfer Agreement between the current Third-Party Manager of such Community and Buyer's designated post-Closing third party manager for such Community. Each Third-Party Manager is directed to cooperate with such transition, including

with respect to the transfer of operational records, resident information, employee information, billing and collection functions, and regulatory correspondence, and is enjoined from taking any action that would interfere with the transition of operations contemplated by the APA. The Operations Transfer Agreements are approved in the forms ultimately agreed by the parties thereto and may be executed and performed without further order of this Court.

40. Pursuant to Bankruptcy Rules 4001, 6004(h), 6006(d), 7062, 9014, and any other applicable Bankruptcy Rules or provisions of the Local Rules, this Order shall be effective immediately upon its entry, and the Selling Debtors and the Successful Bidder are authorized to close the Sale Transaction immediately, or as otherwise contemplated under the APA. In the event that any portion of the Deposit is released to the Selling Debtors pursuant to the terms of the APA and the Escrow Agreement, then upon such release, such portion of the Deposit shall be subject to the applicable liens under the Final DIP Order and any prior orders of the Court.

41. Notwithstanding the provisions of Bankruptcy Rule 4001(a)(3), 6004, or any applicable provisions of the Local Rules, this Order shall not be stayed for fourteen (14) days after the entry hereof, but shall be effective and enforceable immediately upon entry, and the fourteen (14) day stay provided in such rules is hereby expressly waived and shall not apply. Any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay within the time prescribed by law and prior to the Closing Date or risk its appeal will be foreclosed as moot.

42. Notwithstanding anything in the APA to the contrary and for the avoidance of doubt: (a) neither this Order nor the APA allocates or determines the distribution of the Sale Transaction proceeds (the "Sale Proceeds"), including the allocation of any non-cash Sale Proceeds, as between any of the Selling Debtors, including any applicable DST Seller that is a

Selling Debtor and the applicable Master Tenant that is a Selling Debtor with respect to any Community; (b) any allocation made for tax or any other purposes between the Selling Debtors and Successful Bidder arising under or related to the APA shall not be binding or otherwise be determinative in any manner or for any purpose whatsoever on the Court, the Debtors, the Committees, any holder of a Lien, or any other party in interest in the Bankruptcy Cases for the purposes of allocating or distributing the Sale Proceeds between the Selling Debtors, including any applicable DST Seller and any applicable Master Tenant that is a Selling Debtor with respect to any Community; (c) any such allocation and/or distribution of the Sale Proceeds among the Selling Debtors shall only occur upon further order of the Court, after notice and a hearing; and (d) all Sale Proceeds payable in cash shall be deposited on a Community basis into an escrow account, and such Sale Proceeds shall not be transferred to or commingled with funds owned by the applicable Selling Debtors, other Selling Debtors or any other Debtors, pending further order of the Court, after notice and a hearing. Clause (d) of this paragraph governs the Selling Debtors' handling of the Sale Proceeds following receipt and shall not limit, impair, or otherwise affect the manner in which the Successful Bidder is required or permitted to pay the Purchase Price under the APA. Delivery of (i) the Closing Cash Payment or any Subsequent Closing Cash Payment to the Title Company or to any Paying Agent in accordance with Article 3, section 4.2, and section 7.14 of the APA , and (ii) to the extent an OP Unit Election is made by the Selling Debtors, and the OP Unit Agreements are approved and authorized as set forth in paragraph 48 hereof, OP Units to the applicable Selling Debtors, shall fully discharge the Successful Bidder's payment obligations, and the Successful Bidder shall have no obligation to monitor, and no liability with respect to, the deposit, segregation, commingling, or distribution of the Sale Proceeds after such

delivery. Nothing in this paragraph shall be a condition to, or permit any party to delay, any Closing.

43. Notwithstanding anything to the contrary in this Order, including without limitation paragraph 42 above, following the Closing, the Debtors are hereby authorized, but not directed, in their sole and absolute discretion, to use all or any portion of the Sale Proceeds to pay, satisfy, or otherwise reduce, in whole or in part, any claims related to the Acquired Assets asserted by the Debtors' secured lenders (collectively, the "Secured Claims") or Raymond James (the "RJ Claim") as a result of the closing of any Transaction (as defined in the Raymond James engagement letter approved by the Court), without further order of the Court; provided, however, that at least seven days prior to making any such payment, the Debtors shall file a notice (a "Payment Notice") with the Court of the Debtors' intention to make such payment and the amount thereof. Any payment made pursuant to this paragraph shall be without prejudice to, and shall not constitute a waiver of, any rights, claims, defenses, objections, or causes of action of the Debtors, their estates, the Committees, or any other party in interest with respect to the validity, priority, extent, enforceability, allowance, or amount of any Secured Claim, except to the extent otherwise expressly provided by this Order or another Final Order of the Court. To the extent that any payment made pursuant to this paragraph is subsequently determined by a Final Order of the Court to exceed the final allowed amount of the applicable Secured Claim, whether as a result of disallowance, reduction, recharacterization, avoidance, surcharge, setoff, recoupment, or otherwise, the recipient of such payment shall promptly repay to the applicable Debtor or its estate the amount of such excess payment. The Court shall retain jurisdiction to enforce the repayment obligations set forth in this paragraph. Nothing in this paragraph shall require the Debtors to make any payment on account of any Secured Claim or RJ Claim or limit the Debtors' discretion as to

the timing or amount of any such payment. Nothing in this paragraph shall alter, amend, modify, or otherwise prejudice or waive any rights, agreements, stipulations, and claims set forth in, or preserved by, (i) any stipulation between the Committee and any Prepetition Secured Party regarding the validity, extent, and priority of the Prepetition Secured Party's liens and claims, or (ii) any adversary proceeding commenced by the Committee challenging, or seeking a determination regarding, the validity, extent, and priority of the Prepetition Secured Party's liens and claims.

44. For the avoidance of doubt, nothing in this Order shall be construed to determine or adjudicate any claim of any Third-Party Manager against the Debtors arising under or relating to any management agreement, reimbursement arrangement, or similar agreement, and all rights with respect thereto are expressly reserved.

45. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale Transaction.

46. The failure specifically to include any particular provision of the APA in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the APA be authorized and approved in its entirety except as otherwise set forth herein, in which case this Order shall govern. For the avoidance of doubt, to the extent there is any inconsistency between the terms of this Order and the terms of the APA (including all ancillary documents executed in connection therewith), the terms of this Order shall govern. In the event of any inconsistency between the terms of the APA and any ancillary documents executed in connection therewith, the terms of the APA shall govern.

47. The APA, other Transaction Documents, and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in

accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Selling Debtors' estates or on the interests of the Successful Bidder. For the avoidance of doubt, additions to and deletions from any schedule to the APA, Previously Omitted Contract designations, Community Removal Notices, Buyer Community Removal Notices, Reinclusion Notices, Paying Agent Notices, and any other notice contemplated to be delivered or that could be delivered pursuant to the terms of the APAs shall not constitute amendments requiring notice to, or further order of, this Court, except as expressly set forth in this paragraph. Notwithstanding the foregoing, (i) the Debtors shall serve the Committees with notice of any modification, amendment, or supplement to the APA or other Transaction Documents and any related agreements, documents, or other instruments, not including any casualty or condemnation event provided for in the APA, that has a net negative impact to the Selling Debtors' estates of at least $200,000 in the aggregate, and (ii) the Committees shall have five days to object to such modification, amendment, or supplement.

48. If the Debtors make an OP Unit Election in accordance with section 3.1(b) of the APA, at least seven days prior to making such OP Unit Election, the Debtors shall file with the Court a notice that the Debtors are electing to receive a portion of the Purchase Price in OP Units (an "OP Unit Election Notice"). The OP Unit Election Notice shall (i) disclose, on a Community-by-Community basis, the amount of the Purchase Price that will be payable in cash and the amount of the Purchase Price that will be payable in OP Units, (ii) disclose the methodology used by the parties to determine the value of OP Units, and (iii) attach copies of all proposed definitive agreements and other documents, together with all schedules and exhibits thereto (the "OP Unit Agreements"), memorializing the issuance of OP Units to the Selling Debtors; *provided* that any

confidential commercial information of the Successful Bidder, including any applicable components of the methodology used to determine the value of OP Units, to the extent not based on publicly available information, shall be redacted from any public filing and shared with the Committees on a "professionals' eyes only" basis. Any objection to the OP Unit Election shall be filed within seven days from the filing of an OP Unit Election Notice (an "OP Unit Election Objection"). Upon filing of an OP Unit Election Objection, the Selling Debtors shall be prohibited from accepting OP Units for any portion of the Purchase Price unless the Court orders otherwise after notice and a hearing; provided, however, notwithstanding the filing of an OP Unit Election Objection, the Debtors and Successful Bidder may close the Sale Transaction so long as the Purchase Price is paid in cash. Parties in interest that fail to file a timely objection shall be deemed to have consented to the OP Unit Election. If no OP Unit Election Objection is filed, the OP Unit Election shall be deemed approved and authorized on the terms set forth in the OP Unit Election Notice and the OP Unit Agreements.

49. The Successful Bidder shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies hereunder or under the APA. The automatic stay imposed by section 362 is modified to the extent necessary to implement the preceding sentence.

50. To the extent not previously filed with the Court, the Selling Debtors shall file, no later than three (3) Business Days following the applicable Closing Date, final execution versions of the APA, together with all schedules, exhibits, annexes, supplements, amendments thereto, and a redline version reflecting any changes in the final versions if applicable; *provided* that the Selling Debtors shall (a) consult with the Successful Bidder no later than one (1) business day prior to any such filing, and (b) redact, or file under seal, such commercially sensitive information, personally

identifiable information, and protected health information as the Successful Bidder shall reasonably request, in each case consistent with section 13.2 of the APA and applicable Legal Requirements.

51. In accordance with, and subject to all limitations set forth in, section 8.7 of the APA, for a period of six (6) years after the applicable Closing Date, the Successful Bidder shall permit the Selling Debtors, the Committee, the DST Committee, their respective professionals, any direct or indirect successors to any of the foregoing (collectively, the "Permitted Parties"), in each case whose representatives have a reasonable need to know at their own expense, reasonable access during normal business hours upon reasonable prior notice to all books and records of the Selling Debtors that are Acquired Assets relating to the Selling Debtors' operations prior to the Closing Date and are in the Successful Bidder's (or any affiliate's, agent's, or affiliate's agent's) possession or control (collectively, the "Business Records") for the purposes of (a) pursuing, assessing, settling, or otherwise dealing with any assets or liabilities that are excluded from the Sale Transaction (including, without limitation, the SEC Claims and any Chapter 5 causes of action); (b) pursuing, assessing, defending, settling, or otherwise dealing with any claim, action, or cause of action that any Permitted Party has a right to pursue; (c) assisting any one or more of the Permitted Parties in connection with or otherwise relating to the claims reconciliation process; and (d) otherwise administering the Selling Debtors' estates; *provided, however*, that such access shall (i) not unreasonably interfere with the Successful Bidder's business operations and shall be subject to the Successful Bidder's reasonable security measures and insurance requirements; and (ii) not require the Successful Bidder to disclose any information that, in the reasonable, good faith judgment (after consultation with counsel, which may be in-house counsel) of the Successful Bidder, is reasonably likely to result in any violation of any legal requirement or any contract to

which the Successful Bidder is a party, or cause any privilege (including attorney-client privilege) that the Successful Bidder would be entitled to assert to be undermined with respect to such information in a manner that could adversely affect in any material respect the Successful Bidder's position in any pending or reasonably anticipated future litigation; *provided further*, that in any such case the parties shall cooperate in seeking to find a way to allow disclosure of such information to the extent doing so would not be reasonably likely to result in such violation, privilege waiver, or adverse effect, including through the use of customary "clean-room" arrangements pursuant to which non-employee representatives of the applicable Permitted Party could be provided access to such information. Nothing in this paragraph or the immediately following paragraph shall limit, or be deemed a waiver of, any right of access of the Successful Bidder under section 8.7 of the APA.

52. The right of access for the Permitted Parties shall include (a) the right of such Permitted Party to copy, at the location of the Acquired Assets during regular business hours on mutually agreed dates, at such Permitted Party's expense, such Business Records as they may reasonably request, or (b) at the Successful Bidder's election, the Successful Bidder's copying and delivering, at the Permitted Party's expense, to such Permitted Party such Business Records as may be reasonably requested; provided, however, that no such right of access shall extend to (i) personnel files, workers' compensation files, employee medical files (including employee "protected health information" as defined in HIPAA), or other employee books and records, or (ii) any information that would be subject to the limitations set forth in the preceding paragraph. The Successful Bidder shall not dispose of or destroy any of the Business Records before the sixth (6th) anniversary of the Closing Date. To the extent that any of the Permitted Parties, prior to the sixth (6th) anniversary of the Closing Date, request in writing that the Successful Bidder refrain

from disposal or destruction of certain Business Records, the Successful Bidder shall not dispose of or destroy such Business Records until the Permitted Party has had a reasonable opportunity to access such Business Records at the Permitted Party's expense.

53. For a period of sixty (60) days after the Closing Date, the Successful Bidder shall use commercially reasonable efforts to make available to Permitted Parties senior executive employees of the Business, upon reasonable prior written notice and during normal business hours, to assist the Permitted Parties in connection with the Selling Debtors' closing of financials; *provided, however*, that (a) any access to or communication with non-executive employees of the Successful Bidder shall require the prior written approval of the Successful Bidder, which approval shall not be unreasonably withheld; and (b) such access shall not unreasonably interfere with the Successful Bidder's business operations.

54. To facilitate the orderly transition of the Communities post-Closing, for the three (3)-month period following the Closing Date, the Selling Debtors agree to cooperate with reasonable written requests for information or assistance from the Successful Bidder; provided, however, that (a) such cooperation shall not unreasonably interfere with the Selling Debtors' administration of their remaining estates or their obligations to other creditors and parties in interest, and (b) the Successful Bidder shall reimburse the Selling Debtors for Seller Cooperation Costs, solely to the extent, and subject to all limitations, caps, and sunsets, provided in sections 2.5(c), 7.4, 7.9, 7.15, and 8.5 of the APA, and this paragraph shall not create any independent or additional reimbursement obligation of the Successful Bidder. For the avoidance of doubt, the cooperation obligations set forth in this paragraph and the sixty (60)-day employee availability period set forth in the previous paragraph shall not be construed to limit, supersede, or otherwise affect any regulatory cooperation obligation of the Selling Debtors or the Successful Bidder arising

under applicable Senior Living Laws or pursuant to the requirements of any Senior Living Regulatory Authority, including, without limitation, obligations relating to open survey findings, plans of correction, Medicaid billing tails, and pending or open governmental authority correspondence, all of which shall survive independently for such period as required by applicable law or regulation.

55. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

56. To the extent that this Order is inconsistent with any prior order or pleading with respect to the Motion filed in these Chapter 11 Cases, the terms of this Order shall govern.

57. The provisions of this Order and the APA and any actions taken pursuant hereto or thereto shall survive entry of any order which may be entered (a) confirming or consummating any plan of reorganization of the Selling Debtors, (b) converting these Chapter 11 Cases from chapter 11 to chapter 7 of the Bankruptcy Code, (c) dismissing these cases, or (d) pursuant to which this Court abstains from hearing these cases.

58. The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order, the APA, and all amendments thereto and any releases, waivers, and consents hereunder and thereunder, and each of the agreements executed in connection therewith, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to any of the foregoing. So long as these Chapter 11 Cases are not closed (or, if closed but then reopened), the Court shall retain jurisdiction to enforce the injunctions and other rights of the Successful Bidder described in this Order, in the event that after the Closing Date any third parties attempt to or actually interfere with such rights, even if the Selling Debtors are not directly involved or named in any such actions or disputes.

59. The Court shall retain jurisdiction as to the implementation, enforcement, and interpretation of this Order, and to, among other things, enforce any right to surcharge or similar relief including equitable claims.

ARTICLE 2

PURCHASE AND SALE

2.1 Purchase and Sale.

(a) Subject to the entry of the Sale Order and upon the terms and subject to the conditions of this Agreement, at the Initial Closing and at each Subsequent Closing, as applicable, each Seller shall sell, transfer, assign, convey and deliver to Buyer or one or more other Persons designated by Buyer (each, a "***Buyer Designee***"), and Buyer shall acquire, assume and accept from such Seller, all of such Seller's right, title and interest in, to and under all assets pertaining to or primarily used in connection with the Business as existing on the applicable Closing Date, wherever located, other than the Excluded Assets (collectively, the "***Acquired Assets***"), Free and Clear, including:

(i) the Owned Real Property owned by such Seller that is then

listed on Schedule 2 (as modified pursuant to Section 2.1(b) or Section 2.1(c)), together with all Improvements (including all fixtures) and all rights and interests appurtenant thereto;

(ii) any rents, receivables and other amounts payable in respect thereof attributable to any period following the Closing;

(iii) all contracts, agreements and rights related to the ownership, use operation or maintenance of the Business (including all leases, subleases, Resident Agreements and other occupancy agreements affecting the Owned Real Property) designated by Buyer as Assumed Contracts pursuant to Section 2.5;

(iv) all Permits, to the extent transferable; provided, that, notwithstanding anything in this Section 2.1(a)(iv) to the contrary, with respect to any Healthcare Permit for which the required consent or approval of the applicable Governmental Authority has not been obtained as of the applicable Closing, the Parties shall not purport to transfer or assign such Healthcare Permit at the applicable Closing, and Buyer shall not operate any senior care community under any Healthcare Permit held by Sellers after the applicable Closing except pursuant to any applicable Bridging Agreement executed by the Parties in accordance with Section 7.11 hereof. The Parties acknowledge and agree that the mere provision by Sellers of the "benefits" of a Healthcare Permit to Buyer as contemplated by this Section 2.1(a)(iv) shall not, in and of itself, constitute legal authority for Buyer to operate a licensed senior care community without obtaining the applicable Healthcare Permit in its own name, and neither Sellers nor Buyer shall represent to any Governmental Authority that such arrangement constitutes licensed operational authority in the absence of executed Bridging Agreements and any required Governmental Authority authorization;

(v) to the extent permitted by Legal Requirements, all Documents and other books and records to the extent primarily related to the Business or the Owned Real Property and reasonably necessary for the ownership and operation thereof, including financial and accounting files (but excluding the general corporate files and records of the Sellers), and correspondence;

(vi) to the extent assignable, all rights under or arising out of all third-party insurance policies to the extent relating to the Business (including in respect of the damage to or loss of the Owned Real Property), including third-party property and casualty insurance proceeds and other insurance proceeds but excluding any rights under or arising out of all third-party insurance policies to the extent relating to an Excluded Asset;

(vii) all claims, interests, rights, rebates, refunds, abatements, remedies, recoveries and benefits of the Sellers, and all claims and Causes of Action (other than with respect to Taxes), including those arising out of Assumed Contracts, express or implied warranties, representations, licenses and guarantees from suppliers, manufacturers, contractors or others, in each case to the extent arising out of or related to damage to or defects in the Owned Real Property or Improvements;

(viii) all deposits issued or entered into by or on behalf of any Seller to the extent related to the Acquired Assets, including, without limitation, all security

deposits, rent, electricity, telephone or otherwise, credits, prepaid expenses, deferred charges, advance payments, refunds, rights of set-off, rights of recovery, security deposits, prepaid items, duties, letters of credit, guarantees, surety bonds, performance bonds, and other financial assurance obligations and all resident trust funds, patient deposits, or any residents' property held by Sellers on the Closing Date or held thereafter for residents at the applicable Community;

(ix) all intangible assets, goodwill, trade names, service marks, and intellectual property used in the Business;

(x) all security deposits and prepaid rents held under or pursuant to all Resident Agreements, including without limitation solely with respect to the Community known as The Landing of North Haven and located at 201 Clintonville Road, North Haven, CT 06473 (the "***North Haven Community***"), any accrued interest in accordance with Chapter 831 of the Connecticut General Statutes, as amended; and

(xi) all assets, if any, listed on Schedule 2.1(a)(x) (regardless of whether such assets are covered by any of the foregoing).

To the extent any Acquired Assets are held by or in the name of a third-party manager, the applicable Seller shall use commercially reasonable efforts to cause such third-party manager to sell, transfer, assign, convey and deliver all right, title and interest in and to such Acquired Assets (i) directly to Buyer or a Buyer Designee, or (ii) first to such Seller and then to Buyer or a Buyer Designee, in either case effective as of the applicable Closing Date.

(b) Sellers' Right to Remove Communities.

(i) Communities; Allocation. The Communities to be transferred pursuant to this Agreement, together with the Allocation attributable to each such Community, are set forth on Schedule 2.

Sellers shall exercise such right by delivering written notice to Buyer (a "***Community Removal Notice***") identifying each Community being removed (each, a "***Seller Removed Community***") as promptly as reasonably practicable after the determination that a higher or better bid has been received for such Seller Removed Community, and in any event no later than five (5) Business Days prior to the Initial Closing Date (or, if a Community Removal Notice is delivered after the Auction, as promptly as reasonably practicable thereafter).

(iii) Automatic Purchase Price Reduction. Upon delivery of a Community Removal Notice, (A) each Seller Removed Community identified therein shall automatically and immediately cease to be an Acquired Asset or a part of the Acquired Assets for all purposes of this Agreement, (B) Schedule 2 shall be deemed automatically amended to remove

such Seller Removed Community, and (C) the Purchase Price shall be automatically reduced by an amount equal to the aggregate of the Allocations attributable to all Seller Removed Communities identified in such Community Removal Notice, without any further action by the Parties and without any adjustment, offset, or other payment obligation arising therefrom. For the avoidance of doubt, no reduction in the Purchase Price pursuant to this Section 2.1(b)(iii) shall give Buyer any right to terminate this Agreement or constitute a failure of any condition set forth in Article 9 or Article 10, provided, that at least one Community remains on Schedule 2 as of the Initial Closing Date.

(iv) Back-Up Bidder Designation. If Buyer is identified on the record at the Auction as the Back-Up Bidder with respect to any Seller Removed Community (any such Seller Removed Community for which Buyer holds Back-Up Bidder status, a "***Back-Up Bidder Community***"), Buyer shall maintain its Back-Up Bid with respect to such Back-Up Bidder Community on the terms and conditions set forth in this Agreement (including, for the avoidance of doubt, the Allocation attributable thereto on Schedule 2) until the Back-Up Termination Date. Nothing in this Section 2.1(b)(iv) shall require Buyer to improve its bid with respect to any Back-Up Bidder Community.

(c) Buyer's Right to Remove Communities.

(i) Right to Remove. Notwithstanding anything to the contrary in this Agreement, Buyer shall have the right, exercisable in its sole discretion, to remove any Community from Schedule 2 upon the occurrence of any of the following events with respect to such Community:

(A) if a Community-Level Material Adverse Effect with respect to such Community has occurred and is continuing as of the date that is five (5) Business Days prior to the applicable Closing with respect to such Community;

(B) the Parties have not agreed on the final form of any Bridging Agreement(s) with respect to such Community by the date that is forty-five (45) days after entry of the Sale Order;

(C) the Operations Transfer Agreement for such Community has not been executed and delivered by the date that is forty-five (45) days after entry of the Sale Order;

(D) any portion of the Owned Real Property of such Community is damaged or destroyed by fire or other casualty, or is taken or threatened to be taken by condemnation or eminent domain, and in either case (i) the estimated cost to repair or restore such damage or destruction exceeds fifteen percent (15%) of the Allocation attributable to such Community, or (ii) such taking would materially impair access to or the use or operation of such Community;

(E) the applicable Governmental Authority has issued a final, non-appealable denial of Licensure Approval with respect to such Community; provided that Buyer shall have diligently pursued such Licensure

Approval, including exhausting all available administrative and judicial appeals, prior to exercising such removal right; or

(F) any Title Objection with respect to the Owned Real Property of such Community has not been cured on or prior to the applicable Closing Date and such Title Objection would reasonably be expected to materially impair the ownership, use or value of the Owned Real Property of such Community, taken as a whole.

Buyer shall exercise such right by delivering written notice to Sellers (a "***Buyer Community Removal Notice***") identifying the Community being removed (each such Community, a "***Buyer Removed Community***") no later than five (5) Business Days prior to the Initial Closing Date or Subsequent Closing Date, as applicable.

(ii) Automatic Purchase Price Reduction. Upon delivery of a Buyer Community Removal Notice:

(A) each Buyer Removed Community identified therein shall automatically and immediately cease to be an Acquired Asset or a part of the Acquired Assets for all purposes of this Agreement;

(B) Schedule 2 shall be deemed automatically amended to remove such Buyer Removed Community; and

(C) the Purchase Price shall be automatically reduced by an amount equal to the Allocation attributable to such Buyer Removed Community, without any further action by the Parties and without any adjustment, offset, or other payment obligation arising therefrom.

(iii) No Termination Right; Minimum Communities. For the avoidance of doubt, no removal of any Community pursuant to this Section 2.1(c) shall give Sellers any right to terminate this Agreement or constitute a failure of any condition set forth in Article 9 or Article 10; provided, that at least one (1) Community remains on Schedule 2 as of the applicable Closing Date. Nothing in this Section 2.1(c) shall limit or otherwise affect any separate termination rights of Buyer under Section 11.1.

2.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement (including Section 2.1), nothing herein shall be deemed to sell, transfer, assign, convey or deliver any assets of any Seller other than the Acquired Assets set forth in Section 2.1, and all other assets shall be retained by the applicable Seller (the "***Excluded Assets***"). Without limiting the generality of the foregoing, the Excluded Assets shall include:

(a) with respect to each DST Seller, any cash or cash equivalents, accounts, investment interests, or other financial assets of such DST Seller;

(b) any Contracts that are not expressly assumed and assigned to Buyer pursuant to Section 2.5;

(f) any documents or records (i) required by applicable Legal Requirements to be retained by any Seller, (ii) that are subject to attorney-client privilege or work product doctrine, or (iii) the transfer of which would violate applicable Legal Requirements;

(g) all personnel records for Employees;

(h) all Tax refunds, credits and other Tax attributes of any Seller for Pre-Closing Tax Periods;

(m) any (i) Seller Removed Community and all assets associated with or attributable to any Seller Removed Community, for so long as such Seller Removed Community has not been reinstated on Schedule 2 pursuant to Section 4.1(b) and (ii) any Buyer Removed Community and all assets associated with or attributable to any Buyer Removed Community; and

(n) any assets listed on Schedule 2.2(n).

2.3 Assumed Liabilities. (c) all Liabilities incurred in connection with the ownership, use or operation of the Business or the Acquired Assets arising out of or relating to (i) events, occurrences, acts or omissions occurring on or after the Closing or (ii) the operation and ownership of the Business or the Acquired Assets by Buyer from and after the Closing Date;

(d) all Liabilities with respect to (i) Taxes imposed on the Acquired Assets that are attributable to any Post-Closing Tax Period and (ii) Sales Taxes and Transfer Taxes; and

(e) all Liabilities in connection with the employment or engagement (or termination thereof) of, or with respect to any employment or labor-related claim with respect to, any Employee, or any current or former director, manager or individual independent contractor of Sellers or any of their Affiliates, in each case (i) providing services at, or on behalf of, the Communities on or after the applicable Closing and to the extent such Liabilities arise or relate to (A) events, occurrences, acts or omissions occurring on or after the applicable Closing or (B) the operation and ownership of the Business or the Acquired Assets by Buyer from and after the applicable Closing Date, or (ii) as provided in Section 8.6 of this Agreement;

(f) all Liabilities arising from the ownership of the Owned Real Property from and after the applicable Closing Date.

2.4 Excluded Liabilities. Notwithstanding any provision in this Agreement to the contrary, neither Buyer nor any Buyer Designee shall assume, nor shall Buyer or any of its applicable Buyer Designees be obligated to assume or be obliged to pay, perform or otherwise discharge, any Liability of, or Liability against, Sellers of any kind or nature, whether absolute, accrued, contingent or otherwise, whether due or to become due and whether or not assets, and whether or not known or unknown or currently existing or hereafter arising or matured or unmatured, direct or indirect, and however arising (including the Excluded Employee Liabilities), other than the Assumed Liabilities, and Sellers shall be solely and exclusively liable with respect to all Liabilities of Sellers, other than the Assumed Liabilities (such Liabilities other than Assumed Liabilities, collectively, the "***Excluded Liabilities***").

2.5 Assignment and Assumption of Contracts.

(a) Assumed and Excluded Contracts.

(i) Schedule 2.5(a) sets forth a list of all executory Contracts (including all Leases primarily involving or primarily related to the Business to which one or more of the Sellers are party) and which are to be included in the Acquired Assets (the "***Assumed Contracts***") (subject to the terms of this Section 2.5) and sets forth the Seller entity party to such Assumed Contract and Sellers' good faith estimate of the Cure Costs associated with each Assumed Contract as of the Execution Date. From and after the Execution Date but in any event not later than two (2) Business Days prior to the Sale Hearing, the Sellers shall make such additions or deletions to Schedule 2.5(a) as Buyer shall request in writing in Buyer's reasonable discretion, and Buyer shall be solely responsible for all Cure Costs related to any Assumed Contract. Automatically upon the addition of any Contract to Schedule 2.5(a), on or prior to the

Determination Date, such Contract shall be an Assumed Contract for all purposes of this Agreement. Buyer shall be responsible for all Cure Costs with respect to Assumed Contracts. Any deleted Contract shall be deemed to no longer be an Assumed Contract, and for the avoidance of doubt, no Party shall be responsible for any Cure Costs related thereto. The Parties acknowledge and agree that there will be no reduction in, or increase to, the Purchase Price as a result of (x) any change in Cure Costs or (y) any addition or elimination of any Contract as an Assumed Contract. All Contracts of Sellers that are not listed on Schedule 2.5(a) shall not be considered an Assumed Contract or an Acquired Asset and shall be deemed "***Excluded Contracts***"; provided, that, notwithstanding anything to the contrary herein, Buyer has the right at any time before the date that is two (2) Business Days prior to the applicable Closing Date (such date, the "***Determination Date***") to remove from Schedule 2.5(a) any Contract, including any Contract that is subject to a cure dispute with the counterparty thereto or other dispute with the counterparty thereto as to the assumption or assignment of such Contract that has not been resolved to the satisfaction of Buyer (in its sole discretion) prior to the Determination Date (any such Contract, a "***Disputed Contract***").

(ii) Sellers shall take all actions reasonably required to assume and assign the Assumed Contracts to Buyer or any of its applicable Buyer Designees, including taking all actions reasonably required to obtain an Order containing a finding that the proposed assumption and assignment of the Assumed Contracts to Buyer satisfies all applicable requirements of Section 365 of the Bankruptcy Code.

(iii) If prior to the Closing Date there are Contracts or Leases that have not been designated as an Assumed Contract or an Excluded Contract which are related to the Business, the Sellers shall not assume or reject any such Contract or Lease pursuant to Section 365 of the Bankruptcy Code and any order of the Bankruptcy Court, until the earlier of (A) the date Buyer so directs the Sellers and (B) the Closing Date.

(iv) At each applicable Closing, (x) Sellers shall, pursuant to the Sale Order and the Assumption Agreement, assume and assign to Buyer or the applicable Buyer Designee (the consideration for which is included in the Purchase Price) each of the Assumed Contracts that is capable of being assumed and assigned in connection with such assumption and assignment (as agreed to among Buyer and Sellers or as determined by the Bankruptcy Court) and (y) Buyer or Sellers, as applicable, shall assume and perform and discharge the Assumed Liabilities (if any) under the Assumed Contracts, pursuant to the Assumption Agreement.

(v) No later than three (3) Business Days prior to the applicable Closing Date, Sellers shall provide Buyer with a list of all Disputed Contracts and the amount of Cure Costs that has been proposed by each such non-Seller counterparty for such Disputed Contracts. If Sellers, with the consent of Buyer, and the non-Seller counterparty with respect to any Disputed Contract, are unable to agree on Cure Costs or the assumption and assignment of such Disputed Contract within five (5) Business Days following the applicable Closing Date, Sellers shall, solely upon Buyer's written request and at Buyer's sole cost and expense, use reasonable efforts to seek to have the amount of Cure Costs related to such Disputed Contract or the proposed assumption and assignment of such Disputed Contract determined by the Bankruptcy Court (a "***Disputed Contract Determination***") in accordance with the Bidding Procedures Order. Buyer shall be solely responsible for all costs and expenses arising from any such Disputed Contract Determination, including any related proceedings before the Bankruptcy Court. Upon a

Disputed Contract Determination that prohibits assumption and assignment to Buyer, such Disputed Contract will automatically be an Excluded Contract. If assumption and assignment to Buyer is not prohibited, then Buyer may elect to re-designate such Assumed Contract as an Excluded Contract. If such Assumed Contract is not so re-designated, (x) the applicable Sellers shall promptly take such steps as are reasonably necessary, including, if applicable and reasonably practicable, promptly on delivery of no less than five (5) Business Days' notice to the non-Seller counterparty to such Contract, to cause such Contract to be assumed by the applicable Seller and assigned to Buyer, including by executing and delivering to Buyer an Assignment and Assumption Agreement with respect to such Assumed Contract, and (y) Buyer shall pay the Cure Costs with respect to such Assumed Contract, either (i) concurrently with Sellers' assumption and assignment thereof to Buyer or (ii) as agreed in writing by Buyer and the applicable counterparty to such Assumed Contract, and execute and deliver to the applicable Sellers an Assignment and Assumption Agreement with respect to such Assumed Contract.

(b) Previously Omitted Contracts.

(i) If prior to or following Closing until the date of confirmation of a plan of liquidation or any other plan is confirmed in the Bankruptcy Cases, it is discovered that a Contract should have been listed on Schedule 2.5(a) but was not listed on Schedule 2.5(a) and has not been rejected by Sellers (any such Contract, a "***Previously Omitted Contract***"), Sellers shall, immediately following the discovery thereof (but in no event later than three (3) Business Days following the discovery thereof), notify Buyer in writing of such Previously Omitted Contract and all Cure Costs (if any) for such Previously Omitted Contract. Buyer shall thereafter deliver written notice to Sellers, no later than ten (10) Business Days following notification of such Previously Omitted Contract from Sellers, but in any event prior to confirmation of any plan confirmed in the Bankruptcy Cases, designating such Previously Omitted Contract as "Assumed" or "Rejected" (a "***Previously Omitted Contract Designation***"). A Previously Omitted Contract designated in accordance with this Section 2.5(b)(i) as "Excluded," or with respect to which Buyer fails to deliver a Previously Omitted Contract Designation, shall be an Excluded Contract.

(ii) If Buyer designates a Previously Omitted Contract as "Assumed" in accordance with Section 2.5(b)(i), Sellers shall serve a notice (the "***Previously Omitted Contract Notice***") on the counterparties to such Previously Omitted Contract notifying such counterparties of the Cure Costs with respect to such Previously Omitted Contract and Sellers' intention to assume and assign such Previously Omitted Contract in accordance with this Section 2.5. The Previously Omitted Contract Notice shall provide the counterparties to such Previously Omitted Contract with ten (10) Business Days to object, in writing (including email) to the Sellers and Buyer, to the Cure Costs or the assumption of its Contract. If the counterparties, Sellers and Buyer are unable to reach a consensual resolution with respect to the objection, the Sellers will seek an expedited hearing before the Bankruptcy Court to determine the Cure Costs and approve the assumption. If no objection is served on the Sellers and Buyer, Sellers shall obtain an order of the Bankruptcy Court, which may be the Sale Order, fixing the Cure Costs and approving the assumption of the Previously Omitted Contract.

(c) Non-Assignment of Contracts and Permits. Notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any Contract or any Permit, if, notwithstanding the provisions of

Sections 363 and 365 of the Bankruptcy Code, an attempt at assignment or transfer thereof, without the consent or approval required or necessary for such assignment or transfer, would constitute a breach thereof or in any way adversely affect any of the rights of Buyer, as the assignee or transferee of such Contract or Permit (as the case may be) thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code and the commercially reasonable efforts of Sellers, such consent or approval is required but not obtained with respect to an Assumed Contract or a Permit, neither Sellers nor Buyer shall be in breach of this Agreement nor shall the Purchase Price be adjusted nor (but subject to the satisfaction of the conditions set forth in Section 9.6 (unless waived by Buyer in its sole and absolute discretion)) shall the applicable Closing be delayed in respect of the Assumed Contracts or the Permits; provided, however, if the applicable Closing occurs, then, with respect to any Assumed Contract or Permit for which consent or approval is required but not obtained, from and after the applicable Closing, Sellers shall, at Buyer's request and at Buyer's sole cost and expense, cooperate with Buyer in any reasonable arrangement Buyer may request to provide Buyer with all of the benefits of, or under, the applicable Assumed Contract or applicable Permit, including enforcement for the benefit of Buyer of any and all rights of Sellers against any party to the applicable Assumed Contract or applicable Permit arising out of the breach or cancellation thereof by such party; provided, however, to the extent that any such arrangement has been made to provide Buyer with the benefits of, or under, the applicable Assumed Contract or applicable Permit, from and after such Closing, Buyer shall be responsible for, and shall promptly pay all payment and other obligations under such Assumed Contract or Permit (all of which shall constitute, and shall be deemed to be, Assumed Liabilities hereunder) to the same extent as if such Assumed Contract or Permit had been assigned or transferred at the applicable Closing with respect to Assumed Contracts and Permits, and at such applicable later date specified in this Section 2.5(c) with respect to any additional Assumed Contracts. Any assignment to Buyer of any Assumed Contract or Permit that shall, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, require the consent or approval of any Person for such assignment as aforesaid shall be made subject to such consent or approval being obtained. With respect to the foregoing, (i) Buyer shall reimburse Sellers for 50% of all Seller Cooperation Costs within ten (10) Business Days of receipt of an invoice from Sellers; (ii) Sellers have no obligation to provide dedicated or full-time personnel or to take any action that would unreasonably interfere with the administration of the Bankruptcy Cases; and (iii) Sellers make no representation that any regulatory approval will be obtained within any particular timeframe, and regulatory delay does not give Buyer any termination right or constitute a Seller breach. Notwithstanding anything herein to the contrary, all Sellers' obligations pursuant to this Section 2.5(c) shall automatically terminate 90 days following the applicable Closing unless such period is extended by mutual written agreement of the Sellers and Buyer.

2.6 Further Assurances. At and after each applicable Closing, and without further consideration therefor, the Parties shall, and shall cause their respective Affiliates to, execute and deliver such further instruments and certificates as shall be necessary or desirable (i) to vest, perfect or confirm ownership (of record or otherwise) in Buyer or one or more Buyer Designees, Sellers' right, title or interest in, to or under any or all of the Acquired Assets Free and Clear, (ii) to confirm assumption by Buyer or one or more Buyer Designees of all obligations related to the Assumed Liabilities, or (iii) to otherwise effectuate the purposes and intent of this Agreement and the other Transaction Documents or for aiding, assisting, collecting and reducing to possession any of the Acquired Assets or the Assumed Liabilities and exercising rights with respect thereto. Each of the Parties shall take, or cause to be taken, all actions, do or cause to be

done all things as may be reasonably requested by the other Parties in order to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in Buyer or one or more Buyer Designees or otherwise to carry out this Agreement, and shall execute and deliver all deeds, bills of sale, instruments of conveyance, powers of attorney, assignments, assumptions and assurances, and as may be required to consummate the transactions contemplated by this Agreement.

2.7 Resident Agreements. Each Master Tenant Seller shall assign, transfer and deliver, or shall cause to be assigned, transferred, and delivered, as applicable, to Buyer or a Buyer Designee, all right, title and interest of such Master Tenant Seller in and to the Resident Agreements relating to the applicable Community (regardless of whether such Resident Agreements are in the name of the applicable Master Tenant Seller or any other Person, including any Affiliate of such Master Tenant Seller or any third-party manager or operator), together with all security deposits and prepaid rents held thereunder. To the extent any Resident Agreement is not in the name of the applicable Master Tenant Seller, such Master Tenant Seller shall use reasonable best efforts to cause the Person holding such Resident Agreement to assign and transfer all right, title and interest in and to such Resident Agreement (including all security deposits and prepaid rents held thereunder) directly to Buyer or a Buyer Designee, or first to such Master Tenant Seller and then to Buyer or a Buyer Designee, in either case effective as of the applicable Closing Date. Notwithstanding the foregoing, the Resident Agreements shall not be assigned to a New Licensee until such New Licensee receives the New Licensee Permit.

ARTICLE 3

PURCHASE PRICE

3.1 Consideration.

(a) The aggregate consideration (the "***Purchase Price***") for the purchase, sale, assignment and conveyance of Sellers' right, title and interest in, to and under the Acquired Assets shall consist of:

(i) an aggregate amount equal to (A) with respect to the Initial Closing, the sum of all Allocations set forth on Schedule 2 as of the Initial Closing Date (as adjusted for any Seller Removed Communities pursuant to Section 2.1(b) or Buyer Removed Communities pursuant to Section 2.1(c)) minus the amount of the PTO Obligations for the applicable Acquired Assets being transferred at the Initial Closing (the "***Closing Cash Payment***") and (B) in the case of any Subsequent Closing, the sum of the Allocations set forth on Schedule 2 attributable to the Back-Up Bidder Communities being transferred at such Subsequent Closing pursuant to Section 4.1(b)(ii)(C) minus the amount of the PTO Obligations for the applicable Acquired Assets being transferred at such Subsequent Closing (the "***Subsequent Closing Cash Payment***") (for the avoidance of doubt, in no event will the sum of the Closing Cash Payment and Subsequent Closing Cash Payment exceed the sum of the Allocations set forth on Schedule 2 as of the Execution Date minus the aggregate amount of the PTO Obligations for all Communities); and

(ii) the assumption by Buyer or any of its applicable Buyer Designees, as applicable, of the Assumed Liabilities from Sellers (which shall include Cure Costs).

(b) In addition, the Parties agree that the Sellers may elect, by written notice to Buyer delivered no less than twenty (20) Business Days prior to the applicable Closing Date (each, an "***OP Unit Election***"), to receive a portion of the Closing Cash Payment or the applicable Subsequent Closing Cash Payment, as applicable, in the form of Class A Units of Welltower OP LLC, a Delaware limited liability company ("***OP Units***"). Any OP Unit Election shall specify the portion of the Closing Cash Payment or Subsequent Closing Cash Payment, as applicable, to be satisfied in OP Units, which portion shall not be less than fifty percent (50%) of the Closing Cash Payment or Subsequent Closing Cash Payment, as applicable, payable at such Closing. If the Sellers deliver an OP Unit Election, the Parties shall negotiate in good faith the definitive agreements and other documents as may be necessary or appropriate to memorialize the issuance of the OP Units and the terms applicable thereto; provided, for the avoidance of doubt, that a failure to agree on the terms of such definitive agreements and other documents shall not be a condition to consummate the Closing and if the Parties have not agreed upon and executed such definitive agreements or other documents on or prior to the applicable Closing Date, then the applicable OP Unit Election shall be deemed rescinded and the entire Closing Cash Payment or the applicable Subsequent Closing Cash Payment, as applicable, shall be paid in cash in accordance with the terms of this Agreement.

3.2 Deposit.

(a) Concurrently with the execution of this Agreement, (i) Sellers and Buyer shall execute and deliver to each other an escrow agreement in mutually agreeable form (the "***Escrow Agreement***"), and (ii) within three (3) Business Days of the Execution Date, Buyer shall deposit with the Escrow Agent an amount equal to the Escrow Amount (the "***Deposit***") pursuant to and in accordance with the terms of the Escrow Agreement. All reasonable fees, costs and expenses payable to the Escrow Agent pursuant to the terms of the Escrow Agreement shall be borne and timely paid by Buyer. The Deposit shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any Seller or Buyer, except as required by the Escrow Agreement. The Deposit shall be deposited in an interest-bearing account. For the avoidance of doubt, the Deposit shall not be considered property of any Seller's estate under section 541 of the Bankruptcy Code.

(b) The Deposit shall be credited against the Purchase Price at Closing, and otherwise held and disbursed pursuant to the terms of the Escrow Agreement, the Bidding Procedures Order and this Agreement, and Sellers and Buyer shall deliver joint written instructions pursuant to and in accordance with the Escrow Agreement instructing the Escrow Agent to comply with the following:

(i) if a Community listed on Schedule 2 as of the Execution Date becomes a Seller Removed Community pursuant to Section 2.1(b)(ii) (x) but is not designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) or (y) is designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) but is not reincluded on Schedule 2 pursuant to a Reinclusion Notice in accordance with Section 4.1(b) prior to the Initial Closing, then, in each

case, the Closing Cash Payment shall be reduced on a dollar for dollar basis by the pro rata share of the Deposit attributable to such Seller Removed Communities (which, for the avoidance of doubt, shall be based on the Allocation attributable to each such Community relative to the Allocations attributable to all other Communities included on Schedule 2 as of the Execution Date);

(ii) if a Community listed on Schedule 2 as of the Execution Date becomes a Buyer Removed Community pursuant to Section 2.1(c), then, in each case, the Closing Cash Payment shall be reduced on a dollar for dollar basis by the pro rata share of the Deposit attributable to such Buyer Removed Community (which, for the avoidance of doubt, shall be based on the Allocation attributable to each such Community relative to the Allocations attributable to all other Communities included on Schedule 2 as of the Execution Date);

(iii) if any Closing shall occur, then the pro rata share of the Deposit attributable to the Communities being transferred to Buyer or the applicable Buyer Designee at such Closing (which, for the avoidance of doubt, shall be based on the Allocation attributable to each such Community relative to the Allocations attributable to all other Communities included on Schedule 2 as of the Execution Date) (together with any interest or earnings thereon) shall be credited against and applied toward the Closing Cash Payment or Subsequent Closing Cash Payment, as applicable;

(iv) if this Agreement is terminated prior to the Initial Closing by (A) Sellers pursuant to Section 11.1(d)(i) or (B) by Buyer pursuant to Section 11.1(b)(i), Section 11.1(b)(ii) or Section 11.1(c)(iii), in each case solely in circumstances where the Sellers would be entitled to terminate this Agreement pursuant to Section 11.1(d)(i), then the Deposit shall be promptly delivered to Sellers no later than five (5) Business Days after such termination;

(v) if this Agreement is terminated other than as described in Section 3.2(b)(iv), then the Deposit shall be promptly returned to Buyer no later than five (5) Business Days following such termination;

(vi) if any Community has been designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iii), the Buyer has received a Reinclusion Notice, the Subsequent Closing with respect to such Community does not occur within sixty (60) days following the delivery of such Reinclusion Notice (a "Subsequent Closing Deadline"), and the conditions to Closing set forth in Article 9 have been satisfied or waived as of the Subsequent Closing Deadline, then the pro rata share of the Deposit attributable to such Back-Up Bidder Community (which, for the avoidance of doubt, shall be based on the Allocation attributable to such Community relative to the Allocations attributable to all other Communities included on Schedule 2 as of the Execution Date) (together with any interest or earnings thereon) shall be released to Sellers as liquidated damages and as the sole and exclusive remedy of Sellers against Buyer for such failure no later than five (5) Business Days after such Subsequent Closing Deadline; and

(vii) if any Community has been designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iii), upon the closing of an Alternative Transaction with respect to such Community the pro rata share of the Deposit attributable to such Back-Up Bidder Community (which, for the avoidance of doubt, shall be based on the Allocation attributable to

such Community relative to the Allocations attributable to all other Communities included on Schedule 2 as of the Execution Date) (together with any interest or earnings thereon) shall be promptly returned to Buyer no later than five (5) Business Days following the closing of such Alternative Transaction.

(c) In the event the Deposit becomes payable to Buyer or the Sellers pursuant to Section 3.2(b), the Parties agree to cause the Escrow Agent to disburse the Deposit to Buyer or Sellers, as applicable, by wire transfer of immediately available funds to an account designated by the applicable Party in writing.

3.3 Allocation of Purchase Price. Sellers and Buyer have agreed to allocate the amount set forth on Schedule 2 as the purchase price for the portion of Acquired Assets for purposes of recording the Deeds and filing any applicable transfer tax declarations or similar documentation. The Parties agree to use two separate line items on a single closing statement to separately account for the portion of the Purchase Price attributable to (i) the Owned Real Property and (ii) the remaining Acquired Assets (other than the Owned Real Property), in accordance with the foregoing allocation (such allocation, the "***Purchase Price Allocation***"). The Purchase Price Allocation is only intended to be utilized for state and local transfer tax and real property assessment tax purposes and not for federal or state income tax.

3.4 Withholding. Buyer and the Paying Agent shall be entitled to deduct and withhold, or cause to be deducted and withheld, from any amounts payable pursuant to this Agreement, such amounts as are required to be deducted or withheld therefrom under the Code or any provision of state, local or foreign tax Law. To the extent that such amounts are so deducted and withheld, each such payor shall take all action as may be necessary to ensure any such amounts so withheld are timely and properly remitted to the appropriate Governmental Authority. Any amounts deducted and withheld under this Agreement that are remitted to the appropriate Governmental Authority shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

ARTICLE 4

CLOSING AND DELIVERIES

4.1 Closing Date.

(a) Initial Closing. Upon the terms and subject to the conditions hereof, the initial closing of the sale of the Acquired Assets then listed on Schedule 2 (as modified pursuant to Section 2.1(b) or Section 2.1(c)) and the assumption of the Assumed Liabilities relating thereto (other than those pertaining to Previously Omitted Contracts pursuant to Section 2.5(b) and Disputed Contracts pursuant to Section 2.5(a)) (the "***Initial Closing***") shall take place remotely by electronic mail or other electronic exchange of documents, among and between the Parties or their respective counsel (which shall include delivery of the Purchase Price, the Transaction Documents and any other documentation or funds to be delivered or exchanged at Closing (including any title insurance policy) to the Title Company pursuant to the Title Company Agreement), no later than three (3) Business Days following the date on which all the conditions set forth in Article 9 and Article 10 have been satisfied or (if permissible) waived by the Party entitled to waive such

condition (other than the conditions which by their nature are to be satisfied at the Initial Closing, but subject to the satisfaction or (if permissible) waiver of such conditions), or on such other date and time as Sellers and Buyer may mutually agree in writing (such date, the "***Initial Closing Date***"). Upon consummation of the Initial Closing, the purchase and sale of the Acquired Assets and the assumption of the Assumed Liabilities, and the Initial Closing, shall be deemed to have occurred as of 12:01 a.m. (New York time) on the Initial Closing Date.

(b) Subsequent Closings for Back-Up Bidder Communities.

(i) Reinclusion of Back-Up Bidder Communities. If (A) any Seller Removed Community constitutes a Back-Up Bidder Community, (B) the transaction with respect to such Back-Up Bidder Community between the Sellers and the applicable higher or better bidder is not consummated for any reason and (C) such Back-Up Bidder Community has not otherwise been transferred to another Person or become the subject of an Alternative Transaction pursuant to Section 7.10), then Sellers shall have the right, exercisable in their sole discretion to notify Buyer (no later than the Back-Up Termination Date) in writing (a "***Reinclusion Notice***") that such Back-Up Bidder Community is reinstated as an Acquired Asset under this Agreement, and Sellers and Buyer shall consummate the transactions contemplated by this Agreement with respect to such Back-Up Bidder Community, subject to the terms and conditions set forth in this Agreement. The Reinclusion Notice shall: (x) identify the applicable Back-Up Bidder Community by reference to Schedule 2; (y) confirm the Allocation attributable to such Back-Up Bidder Community; and (z) specify the proposed date for the Subsequent Closing (which shall be no later than thirty (30) days after delivery of the Reinclusion Notice, subject to clause (ii) below).

(ii) Conduct of Subsequent Closing. Within thirty (30) days following the delivery of a Reinclusion Notice (or such other date as Sellers and Buyer may mutually agree in writing) (each such date, a "***Subsequent Closing Date***"), the Parties shall consummate an additional closing (each, a "***Subsequent Closing***") with respect to the applicable Back-Up Bidder Community. At each Subsequent Closing:

(A) the applicable Sellers shall convey to Buyer or a Buyer Designee, free and clear of all Liens (other than Permitted Liens), all of such Sellers' right, title and interest in and to the Acquired Assets related to such Back-Up Bidder Community, as set forth on Schedule 2, pursuant to a Deed (with respect to the Owned Real Property), a Bill of Sale, and such other instruments of conveyance as are customary and appropriate;

(B) Buyer shall pay to Sellers, by wire transfer of immediately available funds to an account designated by the Sellers, an amount equal to the Subsequent Closing Cash Payment for the applicable Back-Up Bidder Community; and

(C) the Parties shall deliver such other documents and instruments as are required by Section 4.2 and Section 4.3, *mutatis mutandis*, with respect to the Acquired Assets being transferred at such Subsequent Closing.

(iii) Conditions to Subsequent Closing. The obligations of each Party to consummate any Subsequent Closing are subject to the satisfaction or waiver, as of such Subsequent Closing Date, of the conditions set forth in Article 9 and Article 10 (as applicable), *mutatis mutandis*, with respect to the Acquired Assets being transferred at such Subsequent Closing, including, without limitation, the entry of the Sale Order (or a supplemental order of the Bankruptcy Court, if required) authorizing the transfer of the applicable Back-Up Bidder Community to Buyer on the terms set forth in this Agreement.

(iv) No Obligation to Deliver Reinclusion Notice. For the avoidance of doubt, Sellers shall have no obligation to deliver a Reinclusion Notice with respect to any Back-Up Bidder Community and may determine, in their sole discretion, not to reinclude any Back-Up Bidder Community as an Acquired Asset. The failure of Sellers to deliver a Reinclusion Notice shall not constitute a breach of this Agreement or give Buyer any claim or right of action against any Seller.

(v) Multiple Subsequent Closings. There may be more than one Subsequent Closing, one for each Back-Up Bidder Community (or group of Back-Up Bidder Communities) for which a Reinclusion Notice is delivered. Each Subsequent Closing shall be independent of, and shall not be conditioned upon, any other Subsequent Closing.

(vi) Survival of Agreement. This Agreement shall survive the Initial Closing and shall remain in full force and effect with respect to any Back-Up Bidder Communities and any potential Subsequent Closings until the earliest of (A) the consummation of a Subsequent Closing with respect to all Back-Up Bidder Communities, (B) the date on which Sellers deliver written notice to Buyer that they have elected not to deliver a Reinclusion Notice with respect to any remaining Back-Up Bidder Community, or (C) the Back-Up Termination Date applicable to the last remaining Back-Up Bidder Community.

4.2 Buyer's Deliveries. At each Closing (whether the Initial Closing or any Subsequent Closing), Buyer shall deliver (or cause one or more of its Affiliates or Buyer Designees to deliver) to Sellers, in escrow with the Title Company pursuant to this Article 4 and the Title Company Agreement:

(a) payment of the Closing Cash Payment (or, in the case of a Subsequent Closing, the Subsequent Closing Cash Payment), in the case of the Initial Closing, net of the Deposit (which, for the avoidance of doubt, shall be disbursed to Sellers by the Escrow Agent as contemplated by this Agreement), by wire transfer of immediately available funds to an account designated by the Sellers;

(b) the Assumption Agreement, the Bill of Sale, any Bridging Agreement (or any amendment to any Bridging Agreement in connection with a Subsequent Closing) required pursuant to Section 7.11, and each other Transaction Document to which Buyer is a party, duly executed by Buyer or the applicable Buyer Designee;

(c) joinders or other instruments, in form reasonably acceptable to Sellers, pursuant to which each Buyer Designee assumes its applicable obligations under this Agreement;

(d) the certificates of Buyer to be received by Sellers pursuant to Sections 10.1 and 10.3;

(e) a FIRPTA – Notice of Settlement Agent Responsibility in a form as set forth on Exhibit D, duly executed by Buyer;

(f) solely with respect to the North Haven Community, a copy of Form OP-236 Schedule B - Grantees Supplemental Information for Connecticut Real Estate Conveyance Tax Return, completed by Buyer with such information required by the State of Connecticut, Department of Revenue Services and the terms of such form;

(g) if Licensure Approval has not been obtained, the Bridging Agreements, duly executed by Buyer or the applicable Buyer Designee; and

(h) such other documents as Sellers may reasonably request that are customary for a transaction of this nature and necessary to evidence or consummate the transactions contemplated by this Agreement.

4.3 Sellers' Deliveries. At each Closing (whether the Initial Closing or any Subsequent Closing), Sellers shall deliver to Buyer, in escrow with the Title Company pursuant to this Article 4 and the Title Company Agreement:

(a) the Bill of Sale, the Assumption Agreement, any Bridging Agreement (or any amendment to such Bridging Agreement in connection with a Subsequent Closing), the Deeds (with respect to each Owned Real Property or Back-Up Bidder Community being transferred at such Closing), and each other Transaction Document to which any Seller is a party, duly executed by the applicable Sellers;

(b) a copy of the Sale Order (and, if applicable, any supplemental order of the Bankruptcy Court required in connection with a Subsequent Closing);

(c) the certificates of Sellers to be received by Buyer pursuant to Sections 9.1 and 9.2;

(d) a valid IRS Form W-9 from each Seller (which, for the avoidance of doubt, excludes any IRS Form W-9 or other tax form of the beneficiaries of the DST Sellers);

(e) for the Owned Real Property, an original limited or special warranty deed (or applicable local equivalent), in form and substance acceptable to Sellers and the Title Company conveying the Owned Real Property, Free and Clear, together with all excise tax declarations, recording cover sheets, transfer tax affidavits or declarations;

(f) such customary affidavits, certificates, and other documents as may be reasonably required by the Title Company and are customary for a transaction of this nature and do not impose any material post-Closing liability on Sellers;

(g) a fully executed copy of the Operations Transfer Agreement (if any) for each Community being transferred at such Closing;

(h) solely with respect to the North Haven Community, a copy of Form OP-236 Schedule B - Grantees Supplemental Information for Connecticut Real Estate Conveyance Tax Return, completed by Buyer with such information required by the State of Connecticut, Department of Revenue Services and the terms of such form; and

(i) such other documents as Buyer may reasonably request that are customary for a transaction of this nature and necessary to evidence or consummate the transactions contemplated by this Agreement.

ARTICLE 5

REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the Disclosure Schedules, Sellers hereby jointly and severally represent and warrant to Buyer that, as of the date hereof:

5.1 Status. Each Seller is duly organized, validly existing, and in good standing (to the extent the concept is recognized by the applicable jurisdiction) under the Legal Requirements of the jurisdiction in which it is organized. Each Seller has all requisite corporate or similar organizational power and authority to own, operate, or lease its properties and assets and to carry on its business as now being conducted. Each Seller is legally qualified to transact business as a foreign entity in all jurisdictions where the nature of its properties and the conduct of its business as now conducted require such qualification, except where the failure to be so qualified would not have a Community-Level Material Adverse Effect with respect to any Community.

5.2 Power and Authority. Each Seller has all requisite corporate or similar organizational power and authority to execute and deliver each of the Transaction Documents to which such Seller is a party, to perform its obligations hereunder or thereunder, and to consummate the transactions contemplated hereby and thereby, subject to obtaining Bankruptcy Court approval pursuant to the Sale Order. All acts or proceedings required to be taken by the Sellers to authorize the execution and delivery of this Agreement and the performance of the Sellers' obligations hereunder and thereunder have been properly taken.

5.3 Enforceability. Each Transaction Document to which a Seller is a party has been duly authorized, executed, and delivered by such Seller, and, assuming the due and valid authorization, execution, and delivery of such Transaction Document by the other parties thereto, such Transaction Document constitutes the legal, valid, and binding obligation of such Seller, enforceable against it in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar Legal Requirements affecting or relating to creditors' rights generally and general equitable principles (the "***Bankruptcy and Equity Exceptions***").

5.4 Subsidiaries. No Seller has any Subsidiary. No Seller has any direct or indirect Equity Interests in any Persons.

5.5 No Violation; Consents and Approvals. Except as set forth on Schedule 5.5 of the Disclosure Schedules, the execution and delivery by each Seller of each of the Transaction Documents to which such Seller is a party and the consummation by it of the transactions contemplated hereby or thereby will not (a) violate any provision of the Organizational Documents of such Seller, (b) violate any material Legal Requirement applicable to, binding upon, or enforceable against such Seller, or (c) result in the creation or imposition of any Lien upon any of the material property or material assets of such Seller. Other than Bankruptcy Court approval pursuant to the Sale Order, and except for any approvals, consents, waivers, authorizations, declarations, filings or notices that may be required under Contracts or Legal Requirements and are addressed pursuant to Section 2.5 or the Bankruptcy Code, no approval, consent, waiver, authorization, or other order of, and no declaration, filing, registration, qualification, recording, or other action or filing with, any Governmental Authority or any other Person is required to be obtained or made by or on behalf of such Seller in connection with the execution, delivery, or performance of the Transaction Documents to which it is a party in accordance with the terms and conditions thereof, except where failure to obtain such approval, consent, waiver, authorization, or other order, or to make such declaration, filing, registration, qualification, recording, or other action, would not be material to such Seller.

5.6 Title to Acquired Assets; Sufficiency of Assets. Each Seller has, and immediately prior to the applicable Closing will have, such right, title and interest in and to the Acquired Assets to be transferred by such Seller at the applicable Closing as is necessary to permit such Seller to transfer the Acquired Assets to Buyer pursuant to this Agreement. Upon consummation of the applicable Closing and entry of the Sale Order, Buyer shall acquire all right, title and interest of each Seller in and to the Acquired Assets, Free and Clear, in each case to the maximum extent permitted under Sections 105, 363 and 365 of the Bankruptcy Code. To Sellers' Knowledge, the Acquired Assets, together with the rights and assets to be made available to Buyer pursuant to the other Transaction Documents, are in all material respects sufficient to operate the Communities in substantially the same manner as conducted by Sellers as of the date hereof.

5.7 Affiliate Transactions. Except for this Agreement and the other Transaction Documents, Schedule 5.7 of the Disclosure Schedules sets forth a true and complete list of all Contracts between (i) any Seller, on the one hand, and (ii) any other Seller or any Affiliate of any Seller, on the other hand.

5.8 Brokers. Except with respect to the brokers representing Seller in this transaction, Raymond James & Associates, Inc. (whose commission shall be paid by Sellers), the Sellers have not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby.

5.9 Healthcare Matters; Healthcare Permits; Compliance.

(a) Each Healthcare Permit required for the operation of the Business as currently conducted by Sellers is in full force and effect, and to the Knowledge of Sellers, no

proceeding is pending or threatened seeking the revocation, suspension, limitation, or non-renewal of any Healthcare Permit.

(b) To the Knowledge of Sellers, (i) no Seller has received written notice of any material deficiency from any Governmental Authority that remains uncured, and (ii) to the Knowledge of Sellers, all surveys conducted by any Governmental Authority at any Community within the two (2) years prior to the date hereof, and any material deficiencies cited therein, have been made available to Buyer in the Data Room.

(c) To the Knowledge of Sellers, as of the date of this Agreement, each Community is operated pursuant to a healthcare license or permit issued by the applicable Governmental Authority in the state in which such Community is located to the extent required by applicable Legal Requirements, and each such license or permit is held in the name of the entity identified as the licensed operator of such Community in the due diligence materials made available to Buyer in the Data Room as of the date such materials were prepared. To the Knowledge of Sellers, as of the date of this Agreement, no Governmental Authority has issued written notice to Sellers of any formal proceeding to revoke or suspend any Healthcare Permit held by Sellers with respect to the Communities.

(d) With respect to the Hamilton Owned Real Property (the "***New Jersey Community***"), (i) the New Jersey Community participates in the New Jersey Medicaid program and holds a valid Medicaid provider agreement, (ii) to the Knowledge of Sellers, no Seller or any employee or agent of any Seller providing services at the New Jersey Community has been excluded or debarred from participation in any Government Sponsored Health Care Program, (iii) to the Knowledge of Sellers, there is no material outstanding overpayment, refund obligation, or recoupment claim asserted by any Government Sponsored Health Care Program or other third-party payor against any Seller with respect to the New Jersey Community, and (iv) to the Knowledge of Sellers, except as disclosed in the Data Room, there are no current, pending, or outstanding Government Sponsored Health Care Program reimbursement audits or appeals with respect to the New Jersey Community.

5.10 NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS ARTICLE 5, NONE OF THE SELLERS NOR ANY OTHER PERSON MAKES ANY REPRESENTATION OR WARRANTY, WRITTEN OR ORAL, STATUTORY, OR EXPRESS OR IMPLIED, WITH RESPECT TO ANY OF THE SELLERS, OR ANY OF THEIR RESPECTIVE BUSINESSES, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE), OR PROSPECTS. BUYER HEREBY EXPRESSLY WAIVES ANY CLAIMS AND CAUSES OF ACTION AND ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE, OR OTHERWISE, IN EACH CASE, RELATING TO THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA, OR OTHER MATERIALS (WRITTEN OR ORAL) HERETOFORE FURNISHED TO BUYER AND ITS REPRESENTATIVES BY OR ON BEHALF OF THE SELLERS. WITHOUT LIMITING THE FOREGOING, NONE OF THE SELLERS, NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY TO BUYER WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR

OTHERWISE), OR PROSPECTS OF THE SELLERS. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS SECTION 5.10, NOTHING IN THIS SECTION 5.10 SHALL LIMIT, WAIVE OR OTHERWISE AFFECT ANY CLAIM OR REMEDY OF BUYER ARISING FROM FRAUD.

ARTICLE 6

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Sellers as of the date hereof that:

6.1 Organization and Good Standing. Buyer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has the requisite power and authority to own or lease and to operate and use its properties and to carry on its business as now conducted.

6.2 Power and Authority. Buyer has all requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby. All acts or proceedings required to be taken by Buyer to authorize the execution and delivery of this Agreement and the performance of Buyer's obligations hereunder have been properly taken.

6.3 Enforceability. This Agreement has been duly authorized, executed, and delivered by Buyer, and, assuming the due and valid authorization, execution, and delivery of this Agreement by the Sellers, this Agreement constitutes the legal, valid, and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as the same may be limited by the Bankruptcy and Equity Exceptions.

6.4 No Violations; Consents and Approvals. The execution and delivery of this Agreement by Buyer, and the consummation by it of the transactions contemplated hereby, will not (i) violate any provision of the Organizational Documents of Buyer, (ii) violate any material Legal Requirement applicable to, binding upon, or enforceable against Buyer, (iii) result in any material breach of, or constitute a material default (or an event which would, with the passage of time or the giving of notice or both, constitute a material default) under, or give rise to a right of payment under or the right to terminate, any Contract to which Buyer is a party or bound, or (iv) result in the creation or imposition of any Lien upon any of the material property or material assets of Buyer. No approval, consent, waiver, authorization, or other order of, and no declaration, filing, registration, qualification, recording, or other action or filing with, any Governmental Authority or any other Person is required to be obtained or made by or on behalf of Buyer in connection with the execution, delivery, or performance of this Agreement and the consummation of the Initial Closing or any Subsequent Closing hereunder in accordance with the terms and conditions of this Agreement, except where failure to obtain such approval, consent, waiver, authorization, or other order, or to make such declaration, filing, registration, qualification, recording, or other action, would not be material to Buyer taken as whole.

6.5 Sufficient Funds. Buyer has, and at the applicable Closing will have, immediately available funds in cash in an amount sufficient to pay the Purchase Price and all other

amounts payable by Buyer pursuant to this Agreement at such Closing and to consummate the transactions contemplated hereby.

6.6 Brokers. Buyer has not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby for which the Sellers may be liable.

6.7 NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF SELLERS SET FORTH IN ARTICLE 5, BUYER ACKNOWLEDGES AND AGREES THAT NONE OF THE SELLERS, NOR ANY OTHER PERSON MAKES ANY REPRESENTATION OR WARRANTY, WRITTEN OR ORAL, STATUTORY, OR EXPRESS OR IMPLIED, WITH RESPECT TO ANY OF THE SELLERS OR ANY OF THEIR RESPECTIVE BUSINESSES, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE), OR PROSPECTS. BUYER HEREBY EXPRESSLY WAIVES ANY CLAIMS AND CAUSES OF ACTION AND ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AT COMMON LAW, BY STATUTE, OR OTHERWISE, IN EACH CASE, RELATING TO THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA, OR OTHER MATERIALS (WRITTEN OR ORAL) HERETOFORE FURNISHED TO BUYER AND ITS REPRESENTATIVES BY OR ON BEHALF OF THE SELLERS. WITHOUT LIMITING THE FOREGOING, NONE OF THE SELLERS NOR ANY OTHER PERSON, IS MAKING ANY REPRESENTATION OR WARRANTY TO BUYER WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE), OR PROSPECTS OF THE SELLERS. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS SECTION 6.7, NOTHING IN THIS SECTION 6.7 SHALL LIMIT, WAIVE OR OTHERWISE AFFECT ANY CLAIM OR REMEDY OF BUYER ARISING FROM FRAUD.

6.8 AS IS, WHERE IS ACKNOWLEDGEMENT. BUYER HEREBY ACKNOWLEDGES AND AGREES THAT, EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF SELLERS SET FORTH IN ARTICLE 5, BUYER IS PURCHASING THE ACQUIRED ASSETS ON AN "AS IS, WHERE IS" AND "WITH ALL FAULTS" BASIS (AND SOLELY WITH RESPECT TO THE NORTH HAVEN COMMUNITY, INCLUDING BUT NOT LIMITED TO ANY POTENTIAL ENVIRONMENTAL CONDITIONS WHETHER KNOWN OR UNKNOWN). BUYER ACKNOWLEDGES THAT IT HAS CONDUCTED ITS OWN INDEPENDENT INVESTIGATION, REVIEW AND ANALYSIS OF THE BUSINESS, THE FACILITIES AND THE ACQUIRED ASSETS, AND ACKNOWLEDGES THAT IT HAS BEEN PROVIDED ADEQUATE ACCESS TO THE PERSONNEL, PROPERTIES, ASSETS, PREMISES, BOOKS AND RECORDS, AND OTHER DOCUMENTS AND DATA OF SELLERS FOR SUCH PURPOSE. BUYER ACKNOWLEDGES AND AGREES THAT: (A) IN MAKING ITS DECISION TO ENTER INTO THIS AGREEMENT AND TO CONSUMMATE THE TRANSACTIONS CONTEMPLATED HEREBY, BUYER HAS RELIED SOLELY UPON ITS OWN INVESTIGATION AND THE REPRESENTATIONS AND WARRANTIES OF SELLERS EXPRESSLY SET FORTH IN ARTICLE 5 AND IN THE OTHER TRANSACTION DOCUMENTS; AND (B) NONE OF SELLERS, THEIR AFFILIATES OR THEIR RESPECTIVE REPRESENTATIVES HAS MADE ANY REPRESENTATION OR WARRANTY AS TO SELLERS, THE BUSINESS, THE FACILITIES OR THE ACQUIRED

ASSETS, EXCEPT AS EXPRESSLY SET FORTH IN ARTICLE 5 AND IN THE OTHER TRANSACTION DOCUMENTS. WITHOUT LIMITING THE FOREGOING, BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY PROJECTIONS, FORECASTS, ESTIMATES OR BUDGETS DELIVERED TO OR MADE AVAILABLE TO BUYER OF FUTURE REVENUES, FUTURE RESULTS OF OPERATIONS, FUTURE CASH FLOWS OR FUTURE FINANCIAL CONDITION OF THE BUSINESS OR THE FACILITIES. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS SECTION 6.8, NOTHING IN THIS SECTION 6.8 SHALL LIMIT, WAIVE OR OTHERWISE AFFECT ANY CLAIM OR REMEDY OF BUYER ARISING FROM FRAUD.

ARTICLE 7

ACTIONS PRIOR TO THE CLOSING DATE

7.1 Access and Reports.

(a) During the period from and including the Execution Date through and including the applicable Closing Date or the earlier termination of this Agreement in accordance with the provisions of Article 11, Sellers shall use commercially reasonable efforts to afford Buyer and its Representatives reasonable access, upon reasonable notice during normal business hours, to (i) the senior executive officers of the Business and to the books and records of the Business, and all records concerning the Business and Acquired Assets, in each case to the extent such books and records are with the possession, custody, or control of Sellers or any of their Affiliates, and Sellers shall instruct such senior executive officers to reasonably cooperate with Buyer and its Representatives regarding the same and (ii) to the Communities; provided, that (A) such access does not unreasonably interfere with the operation of the Business and shall be subject to the Sellers' reasonable security measures and insurance requirements; and (B) Buyer and its authorized agents and representatives shall not contact or otherwise communicate with the Employees or the employees (other than executive employees), customers, or suppliers of the Sellers, unless, in each instance, approved in writing in advance by the Sellers, which approval shall not be unreasonably withheld. Notwithstanding anything contained in this Agreement to the contrary, none of Buyer or its Representatives or any Buyer Designees shall have any right to perform or conduct, or cause to be performed or conducted, any environmental sampling or testing at, in, on or underneath any of Sellers' properties without written consent from the Sellers, which consent shall not be unreasonably withheld. Buyer will protect, indemnify, defend, save, and hold Sellers, their manager, partners, agents, representatives, and their respective successors and assigns, harmless from and against any claims for injury or death to persons, damage to property or other demands, suits, obligations, losses, damages or claims, and costs and expenses, including reasonable out-of-pocket attorneys' fees and litigation costs, arising out of any action of any person or firm entering the Owned Real Property on Buyer's behalf as aforesaid, including claims made by any occupant against Seller for Buyer's damage to any occupant's premises or property in connection with Buyer's entry upon and review of the Owned Real Property, other than as a result of the discovery of any pre-existing conditions (but only for so long as Buyer or its agents or contractors have not exacerbated any such condition), which indemnity will survive the Closing and any termination of this Agreement without the Closing having occurred. In addition, on Buyer's written request, Sellers shall provide to Buyer no later than two (2) Business Days prior

to the applicable Closing, with respect to each Community, a rent roll for such Community, as of a date no earlier than five (5) Business Days prior to the applicable Closing Date.

(b) This Section 7.1 shall not require Sellers to permit any access to, or to disclose (i) any information that, in the reasonable, good faith judgment (after consultation with counsel, which may be in-house counsel) of the Sellers, is reasonably likely to result in any violation of any Legal Requirement or any Contract to which any Seller is a party or cause any privilege (including attorney-client privilege) that Sellers would be entitled to assert to be undermined with respect to such information and such undermining of such privilege could in the Sellers' good faith judgment (after consultation with counsel, which may be in-house counsel) adversely affect in any material respect Sellers' position in any pending or, what the Sellers believe in good faith (after consultation with counsel, which may be in-house counsel) could be, future litigation; provided that Sellers shall use commercially reasonable efforts to provide access to withheld information through redaction, common interest arrangements, or clean-room procedures where reasonably practicable, (ii) personnel files, workers' compensation files, employee medical files (including employee "protected health information" (as defined in the HIPAA Standards for Privacy of Individually Identifiable Health Information, 45 CFR Part 146)), and other employee books and records, or (iii) if any Seller, on the one hand, and Buyer or any of its Affiliates, on the other hand, are adverse parties in a litigation, any information that is reasonably pertinent thereto; provided, that, in the case of clause (i), the Parties hereto shall cooperate in seeking to find a way to allow disclosure of such information to the extent doing so (A) would not (in the good faith belief of the Sellers (after consultation with counsel, which may be in-house counsel)) be reasonably likely to result in the violation of any such Legal Requirement or Contract or be reasonably likely to cause such privilege to be undermined with respect to such information or (B) could reasonably (in the good faith belief of the Sellers (after consultation with counsel, which may be in-house counsel)) be managed through the use of customary "clean-room" arrangements pursuant to which non-employee Representatives of Buyer could be provided access to such information.

7.2 Title Matters. Sellers have delivered to Buyer copies of any existing ALTA/NSPS surveys of each parcel of Owned Real Property as set forth on Schedule 7.2 within Seller's possession or control (each a "***Survey***" and collectively the "***Surveys***"). Prior to the Closing Date, Buyer shall have the right to obtain title commitments and, to the extent available, surveys with respect to the Owned Real Property. Buyer shall notify Sellers in writing of any objections to title or survey matters (other than items included in clause (a) of the definition of Permitted Liens) within ten (10) Business Days after receipt of such title commitments or surveys or any updated title commitment or updated survey (the "***Title Objections***"). For the sake of clarity and avoidance of any doubt, no exception appended hereto as Schedule 1.1(b) (unless such exception gives rise to Buyer's rights under Section 2.1(c)(i)(A) or Section 2.1(c)(i)(F)) nor exception from the Current Title Commitment, as defined herein, shall be a Title Objection. Sellers shall have the right, but not the obligation, to cure any such Title Objections prior to the Closing Date. If any Title Objection arising after the Execution Date is not cured on or prior to the Closing Date with respect to any Community, Buyer shall have the right to either (i) waive such Title Objection and proceed to Closing, or (ii) terminate this Agreement with respect to such to such Community if such Title Objection would reasonably be expected to materially impair the ownership, use or value of the Owned Real Property of such Community, taken as a whole. In no event shall Buyer be required to object to Required Removal Items and Buyer shall be deemed to

have objected to any Required Removal Items. Notwithstanding the foregoing, Buyer acknowledges and agrees that Buyer has obtained a title commitment ("***Current Title Commitment***") with respect to the Owned Real Property and that except as expressly set forth in this Agreement, Buyer is acquiring the Owned Real Property in its current state of title, subject only to Permitted Liens and Assumed Liabilities. For the avoidance of doubt, Buyer shall not have any general right to object or require the cure of any, encumbrance easement, covenant, condition, restriction or other matter of record affecting the Owned Real Property set forth in the Current Title Commitment, other than (a) as expressly provided in this Agreement and (b) Required Removal Items. Prior to the applicable Closing Date, Sellers shall, at Buyer's sole cost and expense, coordinate and cooperate with Buyer to cause each Survey to be certified to Buyer (and any affiliates thereof) and the Title Company and to be updated to reflect the information shown on any subsequent title commitments obtained by Buyer; provided that obtaining each such certification shall not be a condition precedent to Buyer's obligation to close the transactions contemplated by this Agreement.

7.3 Operations Prior to the Applicable Closing Date.

(a) Sellers shall use commercially reasonable efforts to operate the Business in the Ordinary Course of Business in all material respects and to preserve substantially intact the Acquired Assets, subject to (i) actions expressly contemplated by this Agreement, (ii) actions disclosed on Schedule 7.3, (iii) actions taken with Buyer's prior written consent (not to be unreasonably withheld, conditioned or delayed) and (iv) actions required by applicable Legal Requirements or the Bankruptcy Court.

(b) Except as required by applicable Legal Requirements or the Bankruptcy Court, Sellers shall not, without Buyer's prior written consent (not to be unreasonably withheld, conditioned or delayed): (i) sell, transfer or otherwise dispose of any material Acquired Assets outside the Ordinary Course of Business; (ii) enter into, amend or terminate any Assumed Contract or any material Contract relating to the Business outside the Ordinary Course of Business; or (iii) incur any Liens on the Acquired Assets other than Permitted Liens or any Lien that will be removed at or in connection with Closing.

(c) Sellers shall use commercially reasonable efforts to maintain all existing insurance policies with the same coverages and amounts as of the Execution Date.

(d) Nothing in this Section 7.3 is intended to result in Sellers ceding control to Buyer of Sellers' basic ordinary course of business and commercial decisions prior to the applicable Closing Date.

(e) Notwithstanding anything contained in this Agreement to the contrary, any action taken or omitted to be taken by any Seller that otherwise could represent a failure by such Seller to operate in the Ordinary Course of Business, in response to, in connection with, or as a result of, any of the following, shall not be deemed a breach of this Section 7.3: any earthquakes, hurricanes, floods or other natural disasters, epidemics, pandemics, disease outbreaks or public health emergencies, acts of God, or force majeure events, or any escalation or worsening of any of the foregoing.

7.4 Antitrust Filings; Cooperation.

(a) As soon as reasonably practicable following the date hereof, Sellers, on the one hand, and Buyer, on the other hand, shall each prepare and file, or cause to be prepared and filed, any notifications advisable or required to be filed under any applicable Antitrust Laws. Buyer, on the one hand, and Sellers, on the other hand, shall use reasonable best efforts to: (i) respond as promptly as practicable to the appropriate Governmental Authorities to any requests for information in connection with such filings and (ii) take all other actions necessary to cause the waiting or review periods under any applicable Antitrust Laws to terminate or expire at the earliest practicable date after the date of filing including using reasonable best efforts to avoid or eliminate impediments under any Antitrust Law that may be asserted by any Governmental Authority with respect to the transactions contemplated hereby so as to enable the applicable Closing to occur as soon as reasonably possible. Buyer shall be responsible for payment of the applicable filing fee and any applicable Antitrust Laws, and each Party shall be responsible for payment of its own respective costs and expenses (including attorneys' fees and other legal fees and expenses) associated with the preparation of its portion of any antitrust filings.

(b) Sellers shall use commercially reasonable efforts to do, or cause to be done, all things necessary under the applicable Legal Requirements with the appropriate Governmental Authorities to put in place, to transfer, to amend, or to acquire all transferred Permits that are necessary for the operation and conduct of the Business or Acquired Assets by or on the applicable Closing Date, unless the applicable Legal Requirements regarding such a Permit require certain actions to be taken upon or after the applicable Closing, and, in that event, Sellers shall use commercially reasonable efforts to do, or cause to be done, all things necessary or desirable under the applicable Legal Requirements with the appropriate Governmental Authorities which can only be taken or done after the applicable Closing to put in place, to transfer, to amend, or to acquire such remaining Permits as promptly as reasonably practicable after the applicable Closing. Without limiting the foregoing, Buyer shall, or shall cause its applicable Affiliates to, (i) prepare and submit all change of ownership, change of operator or similar regulatory filings and notices required in connection with the Buyer Healthcare Permits as promptly as practicable following the entry of the Sale Order and, in any event, within thirty (30) calendar days thereafter; and (ii) reimburse 50% of the Seller Cooperation Costs within ten (10) Business Days of receipt of an invoice from Seller. Sellers have no obligation to provide dedicated or full-time personnel or to take any action that would unreasonably interfere with the administration of the bankruptcy proceedings. Sellers make no representation that any regulatory approval will be obtained within any particular timeframe, and regulatory delay does not give Buyer any termination right or constitute a Seller breach.

(c) In addition to the actions to be taken under Section 7.4(a) and Section 7.4(b), Sellers, on the one hand, and Buyer, on the other hand, shall use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated hereby, including using reasonable best efforts to accomplish the following: (i) taking all reasonable acts necessary to cause the conditions precedent set forth in Article 9 and Article 10 to be satisfied, (ii) obtaining, at the earliest practicable date, of all necessary Governmental Authorizations and the making of all necessary registrations, declarations and filings (including registrations, declarations

and filings with Governmental Authorities, if any) and the taking of all reasonable steps as may be necessary to avoid any Action by any Governmental Authority, (iii) defending of any Actions challenging this Agreement or the consummation of the transaction contemplated by this Agreement, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Authority vacated or reversed, and (iv) executing and delivering any additional instruments necessary to consummate the transactions contemplated hereby and to fully carry out the purposes of this Agreement. Buyer shall reimburse the Sellers for 50% of the Seller Cooperation Costs within ten (10) Business Days of receipt of an invoice from Sellers. Sellers have no obligation to provide dedicated or full-time personnel or to take any action that would unreasonably interfere with the administration of the bankruptcy proceedings. Sellers make no representation that any regulatory approval will be obtained within any particular timeframe, and regulatory delay does not give Buyer any termination right or constitute a Seller breach.

(d) From and after the Execution Date through and including the Transition Date, Sellers shall, or shall use commercially reasonable efforts to cause the applicable manager to:

(i) provide such information and documents as Buyer may reasonably request in connection with Buyer's applications for Buyer Healthcare Permits, including ownership, staffing, operational and financial information reasonably required by the applicable Governmental Authorities, in each case to the extent such information and documents are within Sellers' possession or control; *provided* that (A) Buyer shall reimburse Sellers for the reasonable and documented out-of-pocket costs incurred by Sellers in providing such cooperation, (B) Sellers shall not be required to disclose information subject to attorney-client privilege or work product doctrine, and (C) Sellers shall not be required to take any action that would violate applicable Legal Requirements or Contracts;

(ii) provide Buyer and its designees with reasonable access to the Licensed Facilities for purposes of any regulatory surveys or inspections required in connection with Buyer's applications for Buyer Healthcare Permits; provided that such access shall be consistent with applicable Legal Requirements and the privacy rights of residents;

(iii) maintain all Healthcare Permits in good standing;

(iv) promptly notify Buyer in writing of any material communications from any Governmental Authority relating to any Healthcare Permit, including any notice of survey, deficiency, complaint, investigation or adverse action; and

(v) cooperate with Buyer in responding to any such communications.

Buyer shall promptly notify Sellers in writing of any material communications from any Governmental Authority relating to any Healthcare Permit application. The obligations set forth in this paragraph shall survive the applicable Closing through and including the Transition Date.

(e) Sellers, on the one hand, and Buyer, on the other hand shall consult and cooperate with one another and consider in good faith the view of one another and, (i) shall promptly inform each other of any communication from any Governmental Authority concerning

this Agreement, the transactions contemplated hereby, and any filing, notification or request for approval and (ii) as far as reasonably practicable, shall permit the other to review in advance any proposed written or non-ministerial oral communication or information submitted to any such Governmental Authority in response thereto, subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine. In addition, none of Parties shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to this Agreement or the transactions contemplated by this Agreement, unless such Party consults with the other Parties in advance and, to the extent permitted by any such Governmental Authority, gives the other Parties the opportunity to attend and participate thereat, in each case to the maximum extent practicable. Subject to restrictions under any Legal Requirements, each of Buyer, on the one hand, and Sellers, on the other hand, shall promptly furnish the other with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and the Governmental Authority or members of its staff on the other hand, with respect to this Agreement, the transactions contemplated hereby (excluding documents and communications which are subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine or which refer to valuation of the Business) or any such filing, notification or request for approval. Each Party shall also furnish the other Party with such necessary information and assistance as such other Party and its Affiliates may reasonably request in connection with their preparation of necessary filings, registration or submissions of information to the Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for approval.

(f) In the event any Action by any Governmental Authority or other Person is commenced which questions the validity or legality of the transactions contemplated hereby, seeks damages in connection therewith, or would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the transactions contemplated hereby, the Parties agree to cooperate and use their reasonable best efforts to resist and defend against such Action and, if an Order is entered or issued, or becomes reasonably foreseeable to be entered or issued, in any such Action, to use their reasonable best efforts to have such Order vacated, modified, reversed, suspended, prevented, eliminated or removed so as to permit such consummation on a schedule as close to possible to that contemplated by this Agreement, and to cooperate reasonably regarding any other impediment to the consummation of the transactions contemplated hereby.

(g) Notwithstanding anything herein to the contrary:

(i) Buyer agrees to take any and all actions necessary to eliminate each and every impediment under any Antitrust Law that is asserted by any Governmental Authority so as to enable the Parties hereto to consummate the transactions contemplated by this Agreement prior to the Outside Date, including negotiating, committing to, and effecting by consent decree or otherwise: (A) the sale, divestiture or disposition of any assets, products, businesses, equity or interests of Buyer or, following the applicable Closing, the Business; (B) any conditions relating to, or changes or restrictions in, any of the Business's assets, products, businesses or interests; (C) any modification or waiver of the terms and conditions of this Agreement; or (D) any other condition that requires Buyer to take any action or that limits the freedom of action with respect to any assets, products, businesses or interests of Buyer or, following the applicable Closing, the Business; provided, however, that Buyer shall not be required

to propose, execute, carry out or agree or submit to any action or remedy that individually or in the aggregate would reasonably be expected to have a material adverse effect on the Business, taken as a whole; and

(ii) neither any Seller nor any Affiliate thereof shall agree to any sale, divestiture or disposal of, any assets, products, businesses or interests of any Person or the Business or any material restriction on any Person or the Business without the prior written consent of Buyer (which shall not be unreasonably withheld, conditioned or delayed); provided, further, that any such action may, at the discretion of the Sellers, be conditioned upon the applicable Closing.

7.5 Bankruptcy Court Matters.

(a) Sale Order. Sellers agree to diligently prosecute the entry of the Sale Order. In the event the entry of the Sale Order shall be appealed, Sellers shall use their commercially reasonable efforts to defend such appeal.

(b) Contracts. Sellers shall serve on all non-Seller counterparties to all of their Contracts a notice specifically stating that Sellers are or may be seeking the assumption and assignment of such Contracts and shall notify such non-Seller counterparties of the deadline for objecting to the Cure Costs, if any, which deadline shall be as set forth in the Bidding Procedures Order.

(c) Bankruptcy Filings. To the extent they relate to the Acquired Assets, any Assumed Liabilities or any of Buyer's obligations hereunder, from and after the date of entry of the Sale Order and until the Closing Date, Sellers shall use commercially reasonable efforts to consult with Buyer in advance of filing any and all such material pleadings, motions, notices, statements, schedules, applications, reports and other papers to be filed or submitted in the Bankruptcy Cases.

7.6 Notice of Developments. Sellers shall promptly notify Buyer of, and furnish Buyer such information as Buyer may reasonably request with respect to: (a) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the Acquired Assets or the transactions contemplated by this Agreement; (b) any material notice or other communication received from any Governmental Authority relating to the Business, the Acquired Assets, the Assumed Liabilities or the transactions contemplated hereby; and (c) any Action or other event of which Sellers become aware that would reasonably be expected to prevent, materially delay or materially impair the consummation of the transactions contemplated hereby.

7.7 Sale Free and Clear. Sellers acknowledge and agree, and the Sale Order shall provide that, on each applicable Closing Date and concurrently with such Closing, all then existing or thereafter arising obligations, Liabilities and Liens (including, for the avoidance of doubt, all successor liability, including any successorship obligations with respect to any Plan) of, against or created by Sellers or their bankruptcy estate, shall be fully released from and with respect to the Acquired Assets being transferred at such Closing, including, without limitation, the Owned Real Property and any mortgages, deeds of trust, security interests, judgment liens or other

encumbrances affecting the Owned Real Property, with such Liens attaching to the proceeds of the sale of the Acquired Assets in the same order of priority, with the same validity, force and effect as immediately prior to such Closing. On each applicable Closing Date, the Acquired Assets being transferred at such Closing, including the Owned Real Property, shall be transferred to Buyer or one or more Buyer Designees, as applicable, Free and Clear.

7.8 Back-Up Bidder.

(a) Portfolio-Level Back-Up Bid. If an Auction is conducted and Buyer is not the Successful Bidder for the entirety of the Acquired Assets at the Auction but is identified on the record at the Auction as the next highest bidder after the Successful Bidder at the Auction, Buyer shall serve as a Back-Up Bidder with respect to all Acquired Assets then listed on Schedule 2 and shall keep its bid to consummate the transactions contemplated by this Agreement (with respect to all Acquired Assets then listed on Schedule 2) on the terms and conditions set forth in this Agreement open and irrevocable (subject to the terms of this Agreement), until earliest of (i) December 31, 2026, (ii) the first Business Day after the closing of a transaction with a Successful Bidder for the entirety of the Acquired Assets that is not Buyer and (iii) the release of the Back-Up Bidder by the Sellers in writing (the "***Back-Up Termination Date***").

(b) Community-Level Back-Up Bid. If, with respect to any individual Community that constitutes a Back-Up Bidder Community, Buyer is identified on the record at the Auction as the next highest bidder after the Successful Bidder at the Auction for any individual Community that constitutes a Back-Up Bidder Community, Buyer shall maintain its backup bid with respect to such Back-Up Bidder Community in accordance with Section 2.1(b)(iv) and Section 4.1(b) until the Back-Up Termination Date. The provisions of Section 4.1(b) shall govern the rights and obligations of the Parties with respect to any Subsequent Closing resulting from Buyer's status as backup bidder for any Back-Up Bidder Community.

(c) Reinstatement as Successful Bidder. If, prior to the Back-Up Termination Date, a Successful Bidder for the Acquired Assets or Back-Up Bidder Community, as applicable, that is not Buyer fails to consummate its transaction as a result of a breach or failure to perform on the part of such Successful Bidder, or because a condition in such Successful Bidder's purchase agreement cannot otherwise be met, and the purchase agreement with such Successful Bidder is terminated, Buyer (as the Back-Up Bidder) will be deemed to have the new prevailing bid for the Acquired Assets or Back-Up Bidder Community, as applicable, and Sellers shall be authorized, to the extent provided in the Sale Order or the Bidding Procedures Order, without further order of the Bankruptcy Court, to, and Buyer (as the Back-Up Bidder) shall, subject to the terms and conditions of this Agreement, consummate the transactions contemplated by this Agreement with respect to the Acquired Assets or Back-Up Bidder Community, as applicable, by the later of (i) ten (10) days after becoming the Successful Bidder and (ii) sixty (60) days after the date of the Sale Hearing, on the terms and conditions set forth in this Agreement, subject to the right of Buyer to elect not to serve as Back-Up Bidder at any time after the Back-Up Termination Date.

7.9 Consents. Sellers shall use commercially reasonable efforts to obtain or provide, at the earliest practicable date, each consent, waiver, approval, order, Permit or authorization of, or declaration or filing with, or notification to, any Person or Governmental

Authority required under applicable Legal Requirements or under any Contract included in the Acquired Assets in order to consummate the transactions contemplated by this Agreement, including those set forth on Schedule 7.9. Sellers shall promptly deliver to Buyer copies of such consents, waivers, approvals, orders, Permits, authorizations, declarations, filings and notifications upon receipt or making thereof. Notwithstanding anything to the contrary in this Agreement, none of the Sellers, Buyer nor any of their respective Affiliates shall be required to pay any amounts in connection with obtaining any such consents, waivers, approvals, orders, Permits, authorizations, declarations, filings or notifications. Notwithstanding the foregoing, (i) Buyer shall reimburse the Sellers for 50% of the Seller Cooperation Costs within ten (10) Business Days of receipt of an invoice from Sellers; (ii) Sellers have no obligation to provide dedicated or full-time personnel or to take any action that would unreasonably interfere with the administration of the Bankruptcy Cases; and (iii) Sellers make no representation that any regulatory approval will be obtained within any particular timeframe, and regulatory delay does not give Buyer any termination right or constitute a Seller breach. Notwithstanding anything herein to the contrary, all Sellers' obligations pursuant to this Section 7.9 shall automatically terminate 90 days following the applicable Closing unless such period is extended by mutual written agreement of the Sellers and Buyer.

7.10 Fiduciary Out.

(a) Notwithstanding anything to the contrary in this Agreement or any document filed with or entered by the Bankruptcy Court, nothing herein or the Bidding Procedures Order shall require Sellers or their boards of directors, boards of managers, or similar governing bodies to take any action or to refrain from taking any action with respect to the transactions contemplated by this Agreement to the extent that Sellers or their governing bodies determine in good faith, in consultation with counsel, that taking or failing to take such action, as applicable, would be inconsistent with applicable Legal Requirements or their fiduciary obligations under applicable Legal Requirements.

(b) Notwithstanding anything to the contrary herein or any document filed with or entered by the Bankruptcy Court, until the entry of the Sale Order by the Bankruptcy Court, Sellers and their directors, managers, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to (i) solicit, consider, respond to, and facilitate any proposals for Alternative Transactions, (ii) provide access to non-public information concerning the Acquired Assets to any entity or enter into confidentiality agreements or nondisclosure agreements with any entity, (iii) maintain or continue discussions or negotiations with respect to Alternative Transactions, (iv) otherwise cooperate with, assist, participate in, or facilitate any inquiries, proposals, discussions, or negotiations of Alternative Transactions, and (v) enter into or continue discussions or negotiations with any person or entity regarding Alternative Transactions.

7.11 State Healthcare Regulatory Obligations; Bridging.

(a) As soon as reasonably practicable (and, in any event, within twenty (20) Business Days following entry of the Sale Order, or such later date as may be agreed by the Parties in writing), Buyer shall prepare and submit, or cause to be prepared and submitted, all notifications, applications, and filings, in each case, that are required in order for Buyer or one of its Buyer Designees to obtain the Healthcare Permits from the state health departments, state aging

or human services agencies, or other applicable Governmental Authorities as required to operate the Business at each Community following the Initial Closing or Subsequent Closing, as applicable, in compliance with all applicable Legal Requirements, as more particularly set forth on Schedule 7.11(a) hereto; provided that Buyer shall use reasonable efforts to file sooner where practicable. Buyer shall deliver to Sellers written evidence that each such submission has been made to the applicable Governmental Authority, including any acknowledgment of receipt from the applicable Governmental Authority, within three (3) Business Days of making such submission. Notwithstanding the foregoing, this Agreement may not be terminated in full solely as a result of one or more Communities being removed from Schedule 2 pursuant to Section 2.1(b) or Section 2.1(c), provided that at least one Community remains on Schedule 2 as of the Initial Closing Date.

Each condition set forth in this Section 11.1, pursuant to which this Agreement may be terminated shall be considered separate and distinct from each other such condition. If more than one of the termination conditions set forth in Section 11.1 are applicable, the applicable party shall have the right to choose the termination condition pursuant to which this Agreement is to be terminated. The Parties acknowledge and agree that no notice of termination or extension of the Outside Date provided pursuant to this Section 11.1 shall become effective until two (2) Business Days after the delivery of such notice to the other Parties, and only if such notice shall not have been withdrawn during such two (2) Business Day period or otherwise become invalid. Notwithstanding anything to the contrary herein, no Party may terminate this Agreement pursuant to this Section 11.1 if such Party's breach of this Agreement was the primary cause of the failure of the Final Closing prior to the Outside Date to occur or the occurrence of the event giving rise to such termination right.

11.2 Effect of Termination. In the event of termination of this Agreement by Buyer or Sellers pursuant to this Article 11, this Agreement shall become null and void *ab initio*

and have no effect and all rights and obligations of the Parties under this Agreement shall terminate without any Liability of any Party to any other Party except (i) nothing herein shall relieve any Party from Liability for any breach of this Agreement occurring prior to such termination and (ii) this Section 11.2 and Article 12 (and, to the extent applicable to the interpretation or enforcement of such provision, Article 1 and Article 13), shall expressly survive the termination of this Agreement. Notwithstanding the foregoing, in the event the Initial Closing has occurred but this Agreement is thereafter terminated with respect to one or more Subsequent Closings, (A) the terms and conditions of this Agreement shall remain in full force and effect with respect to the Acquired Assets transferred at the Initial Closing and any prior Subsequent Closings; (B) the rights, obligations, and Liabilities of the Parties with respect to the Acquired Assets transferred prior to the date of termination shall survive and be unaffected by such termination; and (C) the Parties shall cooperate in good faith to address any transition, operational, or third-party notification obligations arising from the partial consummation of the transactions contemplated hereby.

ARTICLE 12
BID PROTECTIONS

12.1 Stalking Horse Designation. Buyer and Sellers acknowledge and agree that this Agreement constitutes a Stalking Horse Agreement (as defined in the Bidding Procedures) and that Buyer is a Stalking Horse Bidder (as defined in the Bidding Procedures). In consideration of Buyer's expenditure of time, resources and expenses in connection with the negotiation and execution of this Agreement and the transactions contemplated herein, Sellers shall provide Buyer with the following bid protections set forth in this Article 12 (collectively, the "***Bid Protections***"), subject to and in accordance with the terms and conditions set forth herein and in the Bidding Procedures and the Bidding Procedures Order.

12.2 Expense Reimbursement.

(a) If this Agreement is terminated pursuant to Section 11.1 (other than pursuant to Section 11.1(a) or Section 11.1(d)(i)), then Buyer shall be entitled to the reimbursement of, and the Sellers shall, within five (5) Business Days following the closing of an Alternative Transaction (or, if the Communities listed on Schedule 2 are the subject of more than one Alternative Transaction, within five (5) Business Days of the last to occur of such Alternative Transactions), reimburse Buyer by wire transfer of immediately available funds for, the actual, reasonable and documented out-of-pocket fees and expenses incurred by Buyer (including reasonable and documented fees and expenses of legal, financial advisory, and accounting professionals, filing fees, and other similar costs, fees and expenses) and its Representatives in connection with the diligence, preparation, execution, negotiation, documentation, and performance of this Agreement, in an aggregate amount not to exceed $679,800 (the "***Maximum Expense Reimbursement Amount***").

(b) If a Community listed on Schedule 2 as of the Execution Date becomes (i) a Seller Removed Community pursuant to Section 2.1(b)(ii) (x) but is not designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) or (y) is designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) but is not reincluded on Schedule 2 pursuant to a Reinclusion Notice in accordance with Section 4.1(b) or (ii) becomes a Buyer Removed Community, then, in each case, Buyer shall be entitled to the reimbursement of, and the Sellers

shall, within five (5) Business Days following the date on which the closing of the purchase and sale of such Community to another Person occurs, reimburse Buyer by wire transfer of immediately available funds for, the actual, reasonable and documented out-of-pocket fees and expenses incurred by Buyer (including reasonable and documented fees and expenses of legal, financial advisory, and accounting professionals, filing fees, and other similar costs, fees and expenses) and its Representatives in connection with the diligence, preparation, execution, negotiation, documentation, and performance of this Agreement, in an amount up to but not exceeding the pro rata portion (based on the Allocation applicable to such Community relative to the total Allocations set forth on Schedule 2 as of the Execution Date) of the Maximum Expense Reimbursement Amount with respect to such Community. For the avoidance of doubt, any amount paid to Buyer pursuant to this Section 12.2(b) shall reduce the amount payable to Buyer under Section 12.2(a).

(c) The amounts paid by Sellers, if any, pursuant to Section 12.2(a) and/or Section 12.2(b), as applicable (the "***Expense Reimbursement***"), shall constitute an allowed administrative expense of Sellers under Sections 503(b) and 507(b) of the Bankruptcy Code senior to all other administrative expense claims against the Sellers, other than a superpriority administrative expense claim under Section 364(c)(1) of the Bankruptcy Code granted pursuant to any financing order and/or cash collateral order entered in the Sellers' cases of Chapter 11 of the Bankruptcy Code.

12.3 Break-Up Fee.

(a) If this Agreement is terminated pursuant to Section 11.1(b)(iii), Section 11.1(c), or Section 11.1(d)(ii), then in addition to the Expense Reimbursement, Buyer shall be entitled to the payment of, a break-up fee in an amount equal to three percent (3%) of the aggregate amount of the Allocations set forth on Schedule 2 as of the Execution Date (such fee, the "***Full Break-Up Fee***"). The Full Break-Up Fee shall be paid by wire transfer of immediately available funds (x) in the case of a termination pursuant to Section 11.1(b)(iii) or Section 11.1(d)(ii), as a required closing payment at the closing of an Alternative Transaction and (y) in all other cases, within five (5) Business Days of such termination.

(b) If a Community listed on Schedule 2 as of the Execution Date becomes (i) a Seller Removed Community pursuant to Section 2.1(b)(ii) (x) but is not designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) or (y) is designated as a Back-Up Bidder Community pursuant to Section 2.1(b)(iv) but is not reincluded on Schedule 2 pursuant to a Reinclusion Notice in accordance with Section 4.1(b) or (ii) a Buyer Removed Community, then, in each case, Buyer shall be entitled to the payment of a break-up fee in an amount equal to three percent (3%) of the Allocation set forth for such Community on Schedule 2 as of the Execution Date (such fee, the "***Pro Rata Break-Up Fee***"). The Pro Rata Break-Up Fee shall be payable within five (5) Business Days following the date on which the closing of the purchase and sale of the applicable Community to another Person occurs. For the avoidance of doubt, the payment of any Pro Rata Break-Up Fee shall reduce the Full Break-Up Fee by the amount of such Pro Rata Break-Up Fee.

(c) The amounts payable pursuant to this Section 12.3 shall constitute an allowed administrative expense of Sellers under Sections 503(b) and 507(b) of the Bankruptcy

Code senior to all other administrative expense claims against the Sellers, other than a superpriority administrative expense claim under Section 364(c)(1) of the Bankruptcy Code granted pursuant to any financing order and/or cash collateral order entered in the Sellers' cases of Chapter 11 of the Bankruptcy Code.

12.4 Exclusive Remedy. The obligations of the Sellers to pay the Bid Protections are subject to approval by the Bankruptcy Court and shall survive the termination of this Agreement in accordance with Section 11.1. Other than as provided in Section 3.2 with respect to Sellers' obligations to return the Deposit and in Section 13.14, the sole and exclusive remedy of Buyer, its Representatives or any other Person against Seller, its Representatives and any other Person for any and all Liabilities of any kind, character or description suffered or incurred in connection with this Agreement, the Transaction Documents and the transactions contemplated hereby and thereby, prior to the termination of this Agreement, shall be the payment of the Full Break-Up Fee or Pro Rata Break-Up Fee and the Expense Reimbursement; provided, that in no event will Buyer be entitled to (x) amounts in excess of the payment of the Full Break-Up Fee, the Pro Rata Break-Up Fee and the Expense Reimbursement, and (y) specific performance pursuant to Section 13.14 if Sellers have exercised their termination rights under Section 11.1(d)(ii). Notwithstanding the foregoing, nothing in this Section 12.4 shall limit, waive, or cap Buyer's rights or remedies in respect of Fraud by any Seller, as to which Buyer shall retain all rights and remedies available at law or in equity, including recovery of actual damages. Nothing herein shall limit Buyer's right to enforce payment of, and to recover, the Bid Protections.

12.5 Liquidated Damages.

(a) The Parties acknowledge and agree that, in the event that the payment of the Full Break-Up Fee, the Pro Rata Break-Up Fee, and/or the Expense Reimbursement becomes due and payable, and such amounts are actually paid to the Buyer, such amounts are not a penalty, but rather are liquidated damages in reasonable amounts that will compensate Buyer for its efforts and resources expended and the opportunities forgone while negotiating this Agreement and in reliance on this Agreement and the Transaction Documents and on the expectation of the consummation of the transactions contemplated hereby and thereby, which amount would otherwise be impossible to calculate with precision. The Parties acknowledge and agree that the agreements contained in this Article 12 are an integral part of this Agreement and the transactions contemplated by this Agreement and are a material and necessary inducement to the Buyer to enter into this Agreement and to consummate the transactions contemplated by this Agreement. Sellers acknowledge and agree that the entry into this Agreement provides value to the Sellers' chapter 11 estates by, among other things, inducing other Persons to submit higher or better offers for the Acquired Assets.

(b) Solely with respect to the North Haven Community:

(i) The forfeiture of the pro rata share of the Deposit attributable to such Community by Buyer to Sellers represents a reasonable estimation as of the Effective Date of Sellers' damages in the event of default by Buyer hereunder, that actual damages would be uncertain in amount, impracticable or extremely difficult to ascertain, and that the provision for liquidated damages hereunder does not constitute a penalty.

(ii) The Parties acknowledge and agree that these damages have been specifically negotiated between themselves and are, among other things, to compensate Sellers for costs and expenses associated with this Agreement and lost opportunity costs.

(iii) Buyer hereby waives the rights and benefits of any law, rule, regulation, or order now or hereafter existing that would allow Buyer to claim a refund of the pro rata share of the Deposit attributable to such Community as unearned earnest money, a penalty, or for any other reason; provided, for the avoidance of doubt, that the foregoing shall in no way modify or limit Buyer's rights to have the Deposit returned as set forth in Section 3.2.

(iv) SELLERS AND BUYER AGREE THAT PAYMENT OF THE PRO RATA SHARE OF THE DEPOSIT FOR SUCH COMMUNITY TO SELLERS PURSUANT TO THIS SECTION 12.5(b) AS LIQUIDATED DAMAGES IS REASONABLE AND IS NOT DISPROPORTIONATE TO THE AMOUNT OF DAMAGE WHICH, AS THE PARTIES LOOK FORWARD, SEEM TO BE THE PRESUMABLE LOSS WHICH WOULD BE SUSTAINED BY SELLERS IN THE EVENT OF A BREACH OF THIS AGREEMENT BY BUYER.

(v) If, notwithstanding the provisions herein, a court determines that Sellers are not entitled to retain the pro rata share of the Deposit attributable to such Community as a result of Buyer's default hereunder, Sellers shall be entitled to seek any and all damages and exercise any and all remedies as provided by law or in equity, including without limitation the right to seek damages (including reasonable attorneys' fees and costs) from Buyer up to an aggregate amount not to exceed the pro rata share of the Deposit attributable to such Community.

ARTICLE 13

GENERAL PROVISIONS

13.1 Survival. All covenants and agreements contained herein which by their terms are to be performed in whole or in part, or which prohibit actions, subsequent to the applicable Closing shall, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the applicable Closing, survive the applicable Closing in accordance with their terms. All other covenants and agreements contained herein, and all representations and warranties contained herein or in any certificated deliveries hereunder, shall not survive the applicable Closing and shall thereupon terminate, including any Actions for damages in respect of any breach thereof.

13.2 Confidentiality. Following the applicable Closing Date, each Seller agrees to, and to cause its Affiliates to, treat and hold as confidential, and not use or disclose all or any of the information concerning the Business, the Acquired Assets, the negotiation or existence and terms of this Agreement or the business affairs of Buyer except disclosure of matters that become a matter of public record as a result of the Bankruptcy Case and the filings related thereto.

13.3 Public Announcements. Unless otherwise required by applicable Legal Requirement or by obligations of Buyer or Sellers or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange, Buyer, on the one hand, and Sellers, on the other hand, shall consult with each other before issuing any press release or otherwise making any public statement with respect to this Agreement, the transactions contemplated by this Agreement or the activities and operations of the other and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, Buyer shall not be restricted from making any public announcements or issuing any press releases regarding the Business after the applicable Closing, provided that such public announcements or press releases do not reference the Sellers or their Affiliates without Sellers' prior written consent.

13.4 Notices.

All notices, requests, demands, waivers and other communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if delivered personally or sent by overnight courier or electronic mail:

or to such other person or address as any Party shall specify by notice in writing to the other party. All such notices, requests, demands, waivers and communications shall be deemed to have been received on the date on which so personally-delivered or delivered by overnight courier or electronic mail.

13.5 Waiver. Neither the failure nor any delay by any Party in exercising any right, power, or privilege under this Agreement or the documents referred to in this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power, or privilege shall preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege. To the maximum extent permitted by Legal Requirements, (a) no waiver that may be given by a Party shall be applicable except in the specific instance for which it is given, and (b) no notice to or demand on one Party shall be deemed to be a waiver of any right of the Party giving such notice or demand to take further action without notice or demand.

13.6 Entire Agreement; Amendment. This Agreement (including the Disclosure Schedules, Schedules and the Exhibits) and the other Transaction Documents supersede all prior agreements between Buyer, on the one hand, and Sellers, on the other hand, with respect to its subject matter and constitute a complete and exclusive statement of the terms of the agreements between Buyer, on the one hand, and Sellers, on the other hand, with respect to their subject matter. This Agreement may not be amended, modified or supplemented except by a written agreement executed by each of the Parties hereto.

13.7 Assignment. This Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of law or otherwise without the express written consent of the other Parties (which consent may be granted or withheld in the sole discretion of such other Party); provided, however, that Buyer shall be permitted to assign all or part of its rights or obligations hereunder to one or more Buyer Designees without the prior consent of Sellers so long as Buyer stands behind the performance by such Buyer Designee of this Agreement.

13.8 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

13.9 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the transactions contemplated by this Agreement are consummated, the Parties shall bear their own respective expenses (including all compensation and expenses of counsel, financial advisors, consultants, actuaries and independent accountants) incurred in connection with this Agreement and the transactions contemplated hereby.

13.10 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement shall be governed by, and construed in accordance with, the laws of the state of Texas, without regard to principles of conflicts of laws or any other law that would make the laws of any other jurisdiction applicable hereto.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes arising out of or relating to this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and any and all such claims shall be filed and maintained only in the Bankruptcy Court. The Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive any objection based on improper venue or forum non conveniens. If the Bankruptcy Case is closed or the Bankruptcy Court declines to exercise jurisdiction, any such claims shall be brought in a state or federal court of competent jurisdiction located in the same jurisdiction as the Bankruptcy Court, and the Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts. The Parties consent to service of process by mail (in accordance with Section 13.4) or any other manner permitted by law.

(c) THE PARTIES HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO

THIS AGREEMENT OR THE ACTIONS OF SELLERS, BUYER OR THEIR RESPECTIVE REPRESENTATIVES IN THE NEGOTIATION OR PERFORMANCE HEREOF.

13.11 Counterparts. This Agreement and any amendment hereto may be executed in two or more counterparts, each of which shall be deemed to be an original of this Agreement or such amendment and all of which, when taken together, shall constitute one and the same instrument. Notwithstanding anything to the contrary in Section 13.4, delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by telecopier, facsimile or email attachment that contains a portable document format (.pdf) file of an executed signature shall be effective as delivery of a manually executed counterpart of this Agreement or such amendment, as applicable.

13.12 Parties in Interest; No Third-Party Beneficiaries. This Agreement and the other Transaction Documents shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns. This Agreement and the other Transaction Documents are for the sole benefit of the Parties and their permitted assigns, and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable benefit, claim, cause of action, remedy or right of any kind.

13.13 Remedies. Neither the exercise of nor the failure to exercise a right of set-off or to give notice of a claim under this Agreement will constitute an election of remedies or limit Sellers or Buyer in any manner in the enforcement of any other remedies that may be available to any of them, whether at law or in equity.

13.14 Specific Performance. With respect to the Parties' respective covenants under this Agreement, (a) each Party recognizes that if such Party breaches or refuses to perform any such covenant, monetary damages alone would not be adequate to compensate the non-breaching Party or Parties for their injuries, (b) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain specific performance of the terms of such covenants, (c) if any Action is brought by the non-breaching Party or Parties to enforce such covenants, the Party in breach shall waive the defense that there is an adequate remedy at law, (d) each Party agrees to waive any requirement for the security or posting of any bond in connection with any Action seeking specific performance of such covenants and (e) each Party agrees that the only permitted objection that it may raise in response to any action for specific performance of such covenants is that it contests the existence of a breach or threatened breach of such covenants.

13.15 Limitations on Damages. NO PARTY (OR ITS AFFILIATES OR REPRESENTATIVES) SHALL, UNDER ANY CIRCUMSTANCE, BE LIABLE TO THE OTHER PARTY (OR ITS AFFILIATES OR REPRESENTATIVES) FOR ANY EXEMPLARY OR PUNITIVE DAMAGES CLAIMED BY SUCH OTHER PARTY UNDER THE TERMS OF OR DUE TO ANY BREACH OF THIS AGREEMENT; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATION SHALL NOT APPLY TO THE EXTENT SUCH DAMAGES ARE PAYABLE TO A THIRD PARTY.

13.16 Risk of Loss. Subject to Section 2.1(c)(i)(D), if prior to the Closing any part of the Acquired Assets is condemned, materially damaged or destroyed (whether by fire, theft, or

other casualty event) (collectively, a "***Casualty or Condemnation Event***"), Sellers shall promptly provide Buyer with written notice of such Casualty or Condemnation Event. In the event of such Casualty or Condemnation Event, Closing shall proceed as scheduled without abatement of the Purchase Price and at and after Closing (i) all insurance proceeds and condemnation awards/settlements relating to such Casualty or Condemnation Event shall be deemed to have been absolutely and irrevocably assigned to and be payable directly to Buyer less any amounts reasonably expended by Sellers prior to Closing for partial restoration for which Buyer has provided prior written consent, (ii) Buyer shall have the right to conduct all settlement proceedings with respect to such insurance claims, (iii) Seller shall deliver to Buyer through escrow an unconditional assignment of all such insurance proceeds, and (iv) Buyer shall receive a credit against the Purchase Price in the amount equal to the deductible amount due under Seller's insurance policy to the extent such deductible has not been paid by the Seller.

13.17 Joinder. At each applicable Closing, any Person to whom Buyer assigns the right to receive any of the Acquired Assets at such Closing shall execute a joinder in customary form, pursuant to which each such other Person will assume, and will be obligated with Buyer on a joint and several basis, to perform and satisfy each of Buyer's obligations under this Agreement.

13.18 No Recording of Agreement. Buyer accepts and agrees that it shall not record on any land records this Agreement, nor any notice thereof, pursuant to Conn. Gen. Stat. § 47-17, Conn. Gen. Stat § 49-92a, or otherwise. Upon any such recording, (a) the applicable Sellers may (but shall not be obligated to) declare Buyer in default of this Agreement; (b) Buyer shall immediately record on such land records a release of this Agreement and/or any notice thereof; and (c) if Buyer shall not immediately record on such land records each and every such release, Buyer hereby appoints the applicable Sellers its agent and attorney-in-fact, coupled with an interest, to execute and record each and every such release and, further authorizes, directs and empowers such applicable Sellers, at such Seller's option and on behalf of Buyer, to execute and record each and every such release.

WHEREAS, pursuant to sections 105, 363 and 365 of the Bankruptcy Code and the Purchase Agreement, Sellers have, among other things, agreed to sell, transfer, assign, convey and deliver to Buyer or one or more Buyer Designees, and Buyer has agreed to purchase, acquire and accept from Sellers, upon the terms and conditions set forth in the Purchase Agreement, all of the rights, titles and interests of Sellers in, to and under the Acquired Assets, Free and Clear; and

WHEREAS, pursuant to Section 2.3 and 2.5 of the Purchase Agreement, Buyer has agreed to assume, effective as of the applicable Closing, the Assumed Liabilities.

7. Section 13.10 of the Purchase Agreement is incorporated herein by this reference, mutatis mutandis.

8. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

Exhibit C
Form of Title Company Agreement

[See attached]

CLOSING ESCROW AGREEMENT

This CLOSING ESCROW AGREEMENT (this "Agreement") is entered into as of July [●], 2026, by and among Welltower OP LLC, a Delaware limited liability company ("Buyer"), the entities listed under the headings "DST Sellers" and "Master Tenant Sellers" on Schedule 1 attached hereto (collectively, the "Sellers" and each a "Seller"), and Chicago Title Insurance Company (the "Title Company" or the "Escrow Agent" and, together with Buyer and Sellers, the "Parties" and each a "Party").

WHEREAS, on February 2, 2026 (the "Petition Date"), each of the Sellers commenced a case by filing a petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") (collectively, the "Bankruptcy Cases") in the United States Bankruptcy Court for the Northern District of Texas, Fort Worth Division (the "Bankruptcy Court"). The Bankruptcy Cases are being jointly administered under the caption Inspired Healthcare Capital Holdings, LLC et al., Case No. 26-90004, for procedural purposes only. The Sellers continue to operate their businesses and manage their properties as debtors and debtors-in-possession pursuant to Bankruptcy Code sections 1107(a) and 1108;

WHEREAS, Buyer and Sellers have entered into that certain Asset Purchase Agreement, dated as of July 16, 2026 (the "Purchase Agreement"), pursuant to which, among other things, (a) the Sellers have agreed to sell all of their right, title and interest in and to certain owned real property and operating assets, in each case on the terms and subject to the conditions set forth in the Purchase Agreement and subject to the entry of a sale order by the Bankruptcy Court authorizing such sale pursuant to Sections 105, 363, and 365 of the Bankruptcy Code (the "Transaction"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Purchase Agreement;

WHEREAS, pursuant to and in accordance with the Purchase Agreement, at each Closing (whether the Initial Closing or any Subsequent Closing), all deliveries shall be made remotely by electronic exchange, including delivery of (i) the balance of the Purchase Price (each, a "Closing Cash Payment"), (ii) the Transaction Documents, and (iii) any other documentation or funds delivered or exchanged at such Closing (including any title insurance policy) (collectively, the "Closing Escrow Items"), to the Escrow Agent pursuant to this Agreement; and

WHEREAS, the Parties have agreed that the Closing Escrow Items shall be held by the Escrow Agent in the Closing Escrow (as hereinafter defined) and released to Buyer or Sellers, as applicable, in accordance with the terms of this Agreement and, as between Buyer and Sellers, the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants hereinafter set forth, the parties hereto agree as follows:

1. Appointment. Buyer and Sellers hereby appoint Title Company to serve as Escrow Agent to facilitate (a) the receipt, holding, and disbursement of the Closing Cash Payment, and (b) the receipt, holding, release, and distribution of the Closing Escrow Items, in each case in

accordance with the terms of this Agreement, and Title Company hereby accepts such appointment under the terms and conditions set forth herein.

2. Establishment of Closing Escrow.

Title Company, in its capacity as Escrow Agent, is authorized (a) to establish a closing escrow account (the "Closing Escrow") to hold in escrow the Closing Cash Payment, which shall be deposited by wire transfer of immediately available funds and held in an interest-bearing deposit account with a financial institution selected by the Escrow Agent and reasonably approved by Buyer and Sellers, and (b) to hold in escrow the other Closing Escrow Items (including, without limitation, the Transaction Documents). The Escrow Agent shall acknowledge receipt of each of the Closing Escrow Items delivered to the Closing Escrow by written confirmation to Buyer and Sellers upon receipt.

Notwithstanding anything to the contrary in this Agreement or under applicable law, Sellers and Buyer acknowledge and agree that the Closing Escrow Items shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any Seller or Buyer, including without limitation pursuant to section 362 of the Bankruptcy Code.

The Escrow Agent acknowledges and agrees that the Closing Escrow Items are held in trust for disbursement and release solely in accordance with the terms of this Agreement. The Sellers and Buyer agree and represent to Escrow Agent that any interest or other income earned on the Closing Cash Payment held in the Closing Escrow shall for the purposes of reporting such income to the appropriate taxing authorities be deemed to be earned by the Buyer. Buyer represents that it is a US person as that term is defined by the IRS. Buyer agrees to provide Escrow Agent with a certified tax identification number by signing and returning a Form W-9 to Escrow Agent upon execution of this Agreement. Buyer understands that, in the event the tax identification number is incorrect or is not certified to Escrow Agent, the Internal Revenue Code, as amended from time to time, may require withholding of a portion of any interest or other income earned on the Closing Cash Payment. Escrow Agent's sole tax reporting obligation hereunder is to file with the IRS any applicable Form 1099, as required by law, with respect to Escrow Agent's investment of the Closing Cash Payment under this Agreement in respect of any earnings thereon. Buyer agrees to assume any and all obligations imposed, now or hereafter, by the applicable tax law and/or applicable taxing authorities, with respect to any interest or other income earned on the Closing Cash Payment and to indemnify and hold Escrow Agent harmless from any liability or obligation on account of taxes, assessments, additions for late payment, interest, penalties, expenses and other governmental charges that may be assessed or asserted against Escrow Agent in connection with or relating to any payment made or other activities performed under the terms of this Agreement, including without limitation any liability for the withholding or deduction of (or the failure to withhold or deduct) the same, and any liability for the failure to obtain proper certifications or to report properly to governmental authorities in connection with this Agreement, including costs and expenses (including reasonable legal fees and expenses) interest and penalties, in each such case to the extent applicable to, or arising in respect of, the interest earned on the Closing Cash Payment, unless finally determined by a court of competent jurisdiction, subject to no further appeal, to have resulted from the gross negligence or willful misconduct of Escrow Agent. The foregoing indemnification and agreement to hold harmless shall survive the termination of this Agreement.

3. Release Instructions. Sellers and Buyer hereby irrevocably and unconditionally agree that the Closing Escrow Items shall be released and/or disbursed in accordance with the following provisions:

a. Closing Release. If all conditions to Closing set forth in the Purchase Agreement have been satisfied or waived by the applicable Parties (the "Closing Release Trigger Event"), then Sellers and Buyer shall each deliver executed closing release instructions (the "Closing Release Instructions") to the Escrow Agent and to the other Parties by no later than the applicable Closing Date, instructing the Escrow Agent to release on the applicable Closing Date: (i) the Closing Cash Payment, as credited and adjusted for prorations in accordance with the Purchase Agreement and the Closing Statement (as hereinafter defined); and (ii) the other Escrowed Items to the applicable recipient(s) as specified in the Closing Release Instructions.

b. Termination Return. If the Closing does not occur, then Sellers and Buyer shall jointly deliver counter-signed and executed return instructions with respect to the Closing Escrow Items (together with the Closing Release Instructions, the "Release Instructions") to the Escrow Agent.

The Escrow Agent shall be entitled to rely on such Release Instructions as valid instructions given by Sellers and Buyer for the purpose of releasing or returning the Closing Escrow Items from the Closing Escrow, subject to Section 4.

4. Duties of Escrow Agent. The Escrow Agent shall receive and hold the Closing Escrow Items in accordance with Section 3 and this Section 4, and in reliance upon information provided in accordance with this Agreement to Title Company by the Authorized Representatives (as defined in Exhibit A-1 and Exhibit A-2) of Buyer or Sellers, as applicable or otherwise in accordance with a final non-appealable decision, order, judgment or decree of a court of competent jurisdiction as to which the period of time for appealing such final decision, order, judgment or decree has expired without an appeal having been timely made, or, if an appeal is timely made, as to which such appeal has been disposed of and there is no recourse to further appeals.

The Escrow Agent shall have only those duties as are specifically and expressly provided herein, which shall be deemed purely ministerial in nature, and no other duties, including but not limited to any fiduciary duties, shall be implied. Except as may be specifically provided in this Agreement, the Escrow Agent shall not be responsible for or under, or chargeable with knowledge of, nor have any requirement to comply with, the terms and conditions of any other agreement, instrument or document executed between/among Buyer and Sellers, including without limitation the Purchase Agreement and any other agreement entered into in connection with the Transaction, nor shall the Escrow Agent be required to determine if any Party has complied with any other agreement. Notwithstanding the terms of any other agreement between or among Title Company, Buyer, Sellers or any other third party, the terms and conditions of this Agreement only shall control the actions of the Escrow Agent. The Escrow Agent may conclusively rely upon instructions delivered to it by the Authorized Representatives of Buyer and Sellers without being required to determine the authenticity or validity thereof or the correctness of any fact stated therein, the propriety or validity of the service thereof, or the jurisdiction of the court issuing any judgment or order delivered in accordance with the Notice section of this Agreement believed by it to be genuine and, as applicable, to have been signed by an Authorized Representative of Buyer

and Sellers, without inquiry and without requiring substantiating evidence of any kind, and the Escrow Agent shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document, notice, instruction or request. The Escrow Agent shall not be liable for any action taken, suffered or omitted to be taken by it in good faith except to the extent that a court of competent jurisdiction determines by final court order that Escrow Agent's fraud and/or gross negligence or willful misconduct was the cause of any loss to Buyer or Sellers. The Escrow Agent may execute any of its powers and perform any of its duties hereunder directly or through any of its affiliates or agents. The Escrow Agent shall have no duty to solicit any payments that may be due to it or to the Closing Escrow. Escrow Agent shall not be obligated to take any legal action or commence any proceeding in connection with the Closing Escrow Items, this Agreement or the Purchase Agreement, or to appear in, prosecute or defend any such legal action or proceeding. The Escrow Agent may consult with legal counsel of its selection in the event of any dispute or question as to the meaning or construction of any of the provisions hereof or its duties hereunder, and it shall incur no liability and shall be fully protected in acting in accordance with the opinion and instructions of such counsel, except to the extent that such loss results from the Escrow Agent's fraud, gross negligence or willful misconduct finally determined by a court of competent jurisdiction. This Agreement sets forth all of the obligations of the Escrow Agent, and no additional obligations shall be implied from the terms of this Agreement or any other agreement, instrument or document. The Escrow Agent shall be under no duty to give the property held by it hereunder any greater degree of care than it gives its own similar property.

The Escrow Agent may resign and be discharged from the performance of its duties hereunder at any time by giving thirty (30) days prior written notice to Buyer and Sellers specifying a date when such resignation shall take effect. Upon any such notice of resignation, the Authorized Representatives shall appoint a successor Escrow Agent hereunder prior to the effective date of such resignation. The retiring Escrow Agent shall transmit all records pertaining to the Closing Escrow Items and shall deliver all Closing Escrow Items to the successor Escrow Agent, after making copies of such records as the retiring Escrow Agent deems advisable and after deduction and payment to the retiring Escrow Agent of all fees and expenses (including court costs and attorneys' fees) payable to, incurred by, or expected to be incurred by the retiring Escrow Agent in connection with the performance of its duties and the exercise of its rights hereunder. After any retiring Escrow Agent's resignation, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Escrow Agent under this Agreement. Any corporation or association into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any corporation or association to which all or substantially all of the escrow business of the Escrow Agent's corporate trust line of business may be transferred, shall be the Escrow Agent under this Agreement without further act.

5. Compensation.

a. Buyer shall compensate Escrow Agent for its services hereunder in accordance with Escrow Agent's standard fee and expense schedule. The obligations of Buyer under this Section 5(a) shall survive any termination of this Agreement and the resignation or removal of Escrow Agent.

b. Buyer shall promptly pay any reasonable and documented amounts due to the Escrow Agent under this Agreement upon receipt of a detailed and itemized invoice from the Escrow Agent. For the avoidance of doubt, Buyer shall bear sole

responsibility for all fees, costs and expenses payable to the Escrow Agent pursuant to this Agreement, consistent with the terms of the Purchase Agreement. Sellers shall have no obligation to pay any fees, costs or expenses of the Escrow Agent.

6. Reserved.

7. Indemnification and Reimbursement. From and at all times after the date of this Agreement, Buyer and Sellers, each severally and not jointly (and, as among Sellers, on a joint and several basis), shall, to the fullest extent permitted by law indemnify and hold harmless Escrow Agent and each director, officer, employee, attorney, agent and affiliate of Escrow Agent (collectively, the "Indemnitees") against any and all actions, claims (whether or not valid), losses, damages, liabilities, costs and expenses of any kind or nature whatsoever (including without limitation reasonable attorneys' fees, costs and expenses) incurred by or asserted against any of the Indemnitees from and after the date hereof, whether direct, indirect or consequential, as a result of or arising from or in any way relating to any claim, demand, suit, action or proceeding (including any inquiry or investigation) by any person, whether threatened or initiated, asserting a claim for any legal or equitable remedy against any person under any statute or regulation, including, but not limited to, any federal or state securities laws, or under any common law or equitable cause or otherwise, arising from or in connection with the negotiation, preparation, execution, performance or failure of performance of this Agreement or any transactions contemplated herein, whether or not any such Indemnitee is a party to any such action, proceeding, suit or the target of any such inquiry or investigation; provided, however, that no Indemnitee shall have the right to be indemnified hereunder for any liability finally determined by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee; and provided further, that (i) Buyer's indemnification obligation shall apply only to losses arising from or relating to Buyer's acts or omissions in connection with this Agreement or the Transaction, (ii) Sellers' indemnification obligation shall apply only to losses arising from or relating to any of the Sellers' acts or omissions in connection with this Agreement or the Transaction, (iii) in no event shall any Seller be liable for any indemnification obligation of Buyer, and (iv) in no event shall Buyer be liable for any indemnification obligation of any Seller or for any losses arising from or relating to the acts or omissions of any Seller. Each of the Indemnitees shall, in its sole discretion, have the right to select and employ separate counsel with respect to any action or claim brought or asserted against it, and the reasonable fees of such counsel shall be paid upon demand by Buyer (as between Buyer and Sellers, in accordance with the allocation set forth in this Section 7). If Escrow Agent is requested or required to appear as a witness in any action that is brought by, on behalf of, or against Buyer and Sellers or that otherwise relates to this Agreement or the Transaction, Buyer and Sellers, each severally and not jointly (and, as among Sellers, on a joint and several basis) agrees to (i) compensate Escrow Agent for its associated time charges at its regular rates in effect at the time and (ii) reimburse Escrow Agent for all reasonable documented, actual out-of-pocket expenses incurred by Escrow Agent in connection with such appearance or preparing to appear as a witness, including without limitation, the fees and disbursements of legal counsel of Escrow Agent's choosing, in each case in accordance with the several allocation set forth in this Section 7. In addition, Escrow Agent will be compensated and reimbursed for any time and expense (including without limitation, fees and expenses of legal counsel of Escrow Agent's choosing) that Escrow Agent may incur in considering or responding to discovery requests or other formal information requests for documents or information made in connection with any action in connection with this Agreement or the Transaction. The obligations of Buyer and Sellers

under this Section 7 shall survive any termination of this Agreement and the resignation or removal of the Escrow Agent. Notwithstanding anything to the contrary in this Agreement, the Escrow Agent shall not exercise any right of setoff, lien, deduction or self-help against the Closing Escrow or the Closing Escrow Items held therein to satisfy any compensation, reimbursement of expenses, indemnification or other amount owed to it under this Agreement, including pursuant to this Section 7, without either (i) a joint written instruction signed by duly authorized representatives of each of Buyer and Sellers expressly directing such payment, or (ii) a final, non-appealable order of a court of competent jurisdiction expressly authorizing such payment.

8. Limitations on Liability. Escrow Agent shall not be liable for any action taken or omitted by it in good faith except to the extent that a court of competent jurisdiction determines by final court order that Escrow Agent's fraud and/or gross negligence or willful misconduct was the cause of any loss to Buyer or Sellers. ANYTHING IN THIS AGREEMENT TO THE CONTRARY NOTWITHSTANDING, IN NO EVENT SHALL THE ESCROW AGENT, BUYER OR SELLERS BE LIABLE FOR SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND WHATSOEVER (INCLUDING BUT NOT LIMITED TO LOST PROFITS), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE LIKELIHOOD OF SUCH LOSS OR DAMAGE AND REGARDLESS OF THE FORM OF ACTION.

If, at any time, (i) there shall exist any dispute between Buyer and Sellers or the Authorized Representatives with respect to the holding or disposition of all or any portion of the Closing Escrow Items or any other obligations of Escrow Agent hereunder, (ii) Escrow Agent is unable to determine, to Escrow Agent's sole satisfaction, the proper disposition of all or any portion of the Closing Escrow Items or Escrow Agent's proper actions with respect to its obligations hereunder, or (iii) the Authorized Representatives have not within 30 calendar days of the furnishing by Escrow Agent of a notice of resignation pursuant to Section 4 hereof, appointed a successor Escrow Agent to act hereunder, then Escrow Agent may, in its sole discretion, take either or both of the following actions:

a. suspend the performance of any of its obligations (including without limitation any disbursement obligations) under this Agreement until such dispute or uncertainty shall be resolved to the sole satisfaction of the Escrow Agent or until a successor Escrow Agent shall have been appointed (as the case may be); and/or

b. petition (by means of an interpleader action or any other appropriate method) any court of competent jurisdiction in any venue convenient to the Escrow Agent, for instructions with respect to such dispute or uncertainty, and to the extent required or permitted by law, pay into or deliver to such court, for holding and disposition in accordance with the instructions of such court, all Closing Escrow Items, after deduction and payment to the Escrow Agent of all fees and expenses (including court costs and attorneys' fees) payable to, incurred by, or expected to be incurred by the Escrow Agent in connection with the performance of its duties and the exercise of its rights hereunder.

The Escrow Agent shall have no liability to Buyer, Sellers, their respective shareholders or members or any other person with respect to any such suspension of performance or delivery into court taken in accordance with this Section 8, specifically including any liability or claimed liability that may arise, or be alleged to have arisen, out of or as a result

of any delay in the release of the Closing Escrow Items or any delay in or with respect to any other action required or requested of the Escrow Agent as a result of the events described in clauses (i) through (iii) of this Section 8.

9. Confidentiality. The Parties agree to keep confidential all non-public records, systems, procedures, software and other information received from the other Party and identified as confidential in connection with the services provided hereunder; provided, however, that if any such information was publicly available, already in the Party's possession or known to it, independently developed, lawfully obtained from a third party or required to be disclosed by law, then a Party shall bear no responsibility for publicly disclosing such information.

If any Party reasonably believes that it is required to disclose any confidential information pursuant to an order from a governmental authority, such Party shall, to the extent permitted by applicable law and practicable without subjecting the party to liability or penalties, provide written notice to the other Parties promptly after receiving such order, to allow the other Parties sufficient time to seek any remedy available under applicable law to prevent disclosure of the information.

10. Notices. All communications hereunder shall be in writing or set forth in a written PDF (or similar electronic or photostatic method) attached to an email, and all instructions from Buyer and Sellers to the Escrow Agent shall be executed by signature by the Authorized Representatives identified on Exhibit A-1 and Exhibit A-2, as applicable, or by counsel for Buyer or Seller, as applicable, and shall be deemed to be delivered in accordance with the terms of this Agreement (a) no later than the first Business Day following the day of delivery by email provided no delivery failure notice is received, if delivered by email, or (b) when actually received, if delivered by hand, by certified mail return receipt requested, or by courier or express delivery service (with receipt showing signature) to the appropriate email address or notice address set forth for each party hereto as follows:

Any Party may provide notice per this Section 10 of any change in address or Authorized Representative as appropriate.

11. Compliance with Court Orders. In the event that any of the Closing Escrow Items shall be attached, garnished, levied upon or otherwise subject to any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, the Escrow Agent is hereby expressly authorized, in its sole discretion, to obey and comply with all such court orders so entered or issued of a court of competent jurisdiction; *provided* that the Escrow Agent shall (i) promptly notify Buyer and Sellers upon receipt of any such order and, to the extent reasonably practicable, before complying therewith, and (ii) not release, or permit any attachment, garnishment or levy against, the Deposit in contravention of Section 2 (including the agreements that the Deposit is not property of any Seller's estate under section 541 and is not subject to section 362 of the Bankruptcy Code) unless and until directed to do so by an order of the Bankruptcy Court or other court of competent jurisdiction that is in effect and has not been stayed, and in the event that the Escrow Agent obeys or complies with any such court order, it shall not be liable to Buyer, Sellers or any other person or entity by reason of such compliance notwithstanding such order being subsequently reversed, modified, annulled, set aside or vacated.

12. Termination. This Agreement and the duties of the Escrow Agent hereunder shall automatically terminate (a) when all Closing Escrow Items have been released or returned to the applicable Parties and the instructions of Buyer and Sellers with respect thereto complied with, (b) upon delivery to the Escrow Agent of a written notice of termination executed jointly by an Authorized Representative of Buyer and Sellers in accordance with Section 10, or (c) upon the mutual written agreement of the Parties.

13. Representations and Warranties of Buyer. Buyer makes the following representations and warranties to the Escrow Agent:

a. Buyer is duly organized, validly existing, and in good standing under the laws of the state of its incorporation or organization, and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

b. This Agreement has been duly approved by all necessary action, including any necessary shareholder, membership, or court approval, has been executed by its duly authorized officers, and constitutes its valid and binding agreement enforceable in accordance with its terms.

c. The execution, delivery, and performance of this Agreement will not violate, conflict with, or cause a default under its articles of incorporation, articles of organization, bylaws, management agreement or other organizational document, as applicable, any applicable law or regulation, any court order or administrative ruling or decree to which it is a party or any of its property is subject.

d. The applicable persons designated on Exhibit A-1 hereto have been duly appointed to act as representatives of Buyer, respectively, hereunder and have full power and authority to execute and deliver any instructions under this Agreement, to amend, modify or waive any provision of this Agreement on behalf of Buyer and to take any and all other actions as the Authorized Representatives under this Agreement, all without further consent or direction from it.

14. Representations and Warranties of each Seller.

Each Seller makes the following representations and warranties to the Escrow Agent:

a. Seller is duly organized, validly existing, and in good standing under the laws of the state of its incorporation or organization, and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

b. This Agreement has been duly approved by all necessary action, including any necessary shareholder, membership, or court approval, has been executed by its duly authorized officers, and constitutes its valid and binding agreement enforceable in accordance with its terms.

c. The execution, delivery, and performance of this Agreement will not violate, conflict with, or cause a default under its articles of incorporation, articles of organization, bylaws, management agreement or other organizational document, as applicable, any applicable law or regulation, any court order or administrative ruling or decree to which it is a party or any of its property is subject.

d. The applicable persons designated on Exhibit A-2 hereto have been duly appointed to act as representatives of Sellers, respectively, hereunder and have full power and authority to execute and deliver any instructions under this Agreement, to amend, modify or waive any provision of this Agreement on behalf of Sellers and to take any and all other actions as the Authorized Representatives under this Agreement, all without further consent or direction from it.

15. Miscellaneous.

a. The provisions of this Agreement may be waived, altered, amended or supplemented only by a writing signed by the Escrow Agent and an Authorized Representative of each of Buyer and Sellers. No waiver of any provision of this Agreement will be valid unless the waiver is in writing and signed by the waiving parties. The failure of a party at any time to require performance of any provision of this Agreement will not affect such party's rights at a later time to enforce such provision. No waiver by any Party of any breach of this Agreement will be deemed to extend to any other breach hereunder or affect in any way any rights arising by virtue of any other breach.

b. Except as otherwise provided herein, neither this Agreement nor any right or interest hereunder may be assigned by any Party without the prior consent of the Parties; provided, however, that Buyer shall be permitted to assign all of any part of its rights or obligations hereunder to one or more Buyer Designees without the prior consent of any other Party. To comply with federal law, including the USA PATRIOT Act (as defined below), assignees shall provide to the Escrow Agent or the financial institution(s) in which the Deposit Account is held, as appropriate, the appropriate Form W-9 or W-8, as applicable, and such other forms and documentation that the Escrow Agent or financial institution may request for purposes of identification and authorization to act.

c. This Agreement shall be governed by and construed under the laws of the State of New York, without giving effect to any choice-of-law or conflict-of-law rules that would cause the application of the laws of any other jurisdiction; provided that, to the extent the Bankruptcy Code applies, it shall govern to the extent of any conflict with New York law. Each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the United States Bankruptcy Court for the Northern District of Texas, Fort Worth Division (the "Bankruptcy Court") for the purposes of any suit, action or other proceeding arising out of this Agreement or the subject matter hereof. In the event that the Bankruptcy Court declines to exercise or does not have jurisdiction, or upon the closing or dismissal of the Bankruptcy Cases, each of the Parties hereby irrevocably submits to the general exclusive jurisdiction of the federal courts sitting in the Southern District of New York in the State of New York, or if such federal courts do not have jurisdiction, then to the Commercial Division of the state courts residing in the County of New York in the State of New York (or if the Commercial Division does not have jurisdiction, then to other state courts residing in the County of New York in the State of New York), and appellate courts of any of the foregoing.

d. To the extent that in any jurisdiction the Parties may now or hereafter be entitled to claim, for itself or its assets, immunity from suit, execution, attachment (before or after judgment) or other legal process, the Parties shall not claim, and hereby irrevocably waive, such immunity.

e. None of the parties hereto shall be liable to any other party for losses due to, or if it is unable to perform its obligations under the terms of this Agreement because of,

acts of God, fire, war, terrorism, floods, strikes, electrical outages, equipment or transmission failure, the unavailability of the Federal Reserve Bank wire services or any electronic communication facility, or other causes reasonably beyond its control.

f. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument or instruction, as applicable. All signatures of the Parties to this Agreement may be transmitted by email PDF (or other electronic or photostatic method), and such email PDF (or other electronic or photostatic copy) will, for all purposes, be deemed to be the original signature of such party whose signature it reproduces, and will be binding upon such party.

g. If any provision of this Agreement is determined to be prohibited or unenforceable by reason of any applicable law of a jurisdiction, then such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions thereof, and any such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction.

h. Nothing in this Agreement, whether express or implied, shall be construed to give to any person other than the Parties and their respective successors and permitted assigns any legal or equitable right, remedy, interest or claim under or in respect of the Closing Escrow or this Agreement.

i. Waiver of Jury Trial. THE PARTIES WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS AGREEMENT IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE RESPECTING ANY MATTER ARISING UNDER THIS AGREEMENT.

j. This Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, both oral and written, among the Parties with respect to the subject matter hereof.

k. The Escrow Agent hereby represents and warrants to each of the other Parties hereto that (a) it has all requisite corporate or other comparable power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby, (b) this Agreement has been duly and validly executed and delivered by such party and (c) (assuming the due authorization, execution and delivery by the other parties hereto) this Agreement constitutes the legal, valid and binding obligations of the Escrow Agent, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

l. Patriot Act Disclosure. Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the "USA PATRIOT Act") requires the financial institution used by the Escrow Agent to implement reasonable procedures to verify the identity of any person that opens a new account with it. Accordingly, Buyer and each Seller acknowledge that under Section 326 of the USA PATRIOT Act, the financial institution in which the Closing Escrow will be maintained requires the financial institution to follow reasonable procedures to verify the identity including without limitation name, address and organizational documents ("Identifying Information"). Buyer and each Seller agree to provide the financial institution and/or Escrow Agent with, and consent to the Escrow Agent obtaining from third parties, any such Identifying Information required as a condition of opening an account with or using any service provided by the Escrow Agent. The Escrow Agent or financial institutions may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The Escrow Agent will deliver all of the foregoing documents and materials that it collects to the financial institution who shall be responsible for verifying the identity of the parties or persons providing such documents and materials, and the Escrow Agent shall have no liability with respect thereto.

m. Escrow Agent shall not buy, sell, or deal in any of the securities of the Buyer or Sellers. Notwithstanding the foregoing, any stockholder, director, officer, or employee of Escrow Agent may buy, sell, and deal in any of the securities of the Buyer or Sellers and become pecuniarily interested in any transaction in which the Buyer or Sellers may be interested, and contract and lend money to the Buyer or Sellers and otherwise act as fully and freely as though Escrow Agent were not acting under this Agreement, in each case subject to Escrow Agent's internal policies then in effect. Nothing herein shall preclude Escrow Agent from acting in any other capacity for the Buyer or Sellers or for any other entity, subject to Escrow Agent's internal policies then in effect.

STRICTLY CONFIDENTIAL

SUMMARY OF PRINCIPAL TERMS OF INTERIM [LEASE/SUBLEASE] AGREEMENT

This term sheet (the "**Term Sheet**") summarizes the proposed arrangements to be set forth in an interim [lease/sublease] agreement (the "**Lease**") between [BUYER] ("**Buyer**") or one of its designees ("**Lessor**") and [LESSEE] ("**Lessee**") for the lease of the real property on which [FACILITY] ("**Facility**") is located in connection with the transactions contemplated by the Asset Purchase Agreement, dated as of July 16, 2026, among Welltower OP LLC, Inspired Senior Living of Naperville DST, Inspired Senior Living of North Haven DST, Inspired Senior Living of Hamilton DST, Inspired Senior Living of Naperville MT, LLC, Inspired Senior Living of North Haven MT, LLC and Inspired Senior Living of Hamilton MT, LLC. Buyer and Lessee are each referred to herein as a "**Party**" and collectively as the "**Parties**."

Operations Transfer Agreement	Concurrently with entry into the Lease, an affiliate of Lessor or a designee ("**Manager**") will enter into an interim management agreement (the "**IMA**") with Lessee for the operation of the Facility.
Property	"**Property**" includes, to the extent owned by Lessor, all [furnishings, fixtures, equipment] intangible property, and all other agreements and documents used in or about the Facility necessary for operation (other than items required to be maintained, if any, by Lessee in order for it to maintain Lessee's applicable governmental licenses and Medicaid provider numbers necessary for the operation of the Facility as an assisted living facility or personal care home ("**Required Licenses**")). Lessee receives a license to use all certificates of occupancy (to the extent assignable), all books and business records, all assignable guaranties and warranties, and all other assignable intangible property necessary or appropriate for Lessee to act as licensed operator.
Rent	Rent shall equal all net operating income of the Facility, prorated for any partial [calendar] months, to be paid in arrears at the beginning of each [calendar] month.
Facility Operations	Lessee has authority and responsibility, as described in the IMA, to take such actions as are necessary to operate the Facility as a senior housing facility and to maintain ongoing compliance with licensure requirements. All such costs are borne by Lessor to the extent not funded from Facility revenue. Lessee will engage Manager to perform all of Lessee's obligations. Lessor is expressly prohibited from exercising any control, authority, or discretion over Facility operations. Lessor shall in no way interfere with Lessee's operation of the Facility or Lessee's obligation to establish operational policies as described in the IMA . Under no circumstances will Lessor take any action that would require it to be a co-licensee.
Security	Lessor shall provide security in the form and amount sufficient to satisfy the licensing requirements of the governmental agencies such that the Facility continues to qualify for licensing. All licenses and permit fees, charges for public utilities, and all governmental charges which during the term may be assessed or imposed upon or in respect of the Facility shall be paid as a Facility expense (except to the extent arising from fraud, gross negligence, or willful misconduct of Lessee).
Maintenance and Repair Obligations	Lessee will be required to direct Manager to maintain and repair the Facility in accordance with licensure requirements and local codes, including cleaning, painting, plumbing, electrical, HVAC, appliances, carpentry, and grounds care, subject to Lessor's limitations to be mutually agreed— which limitations shall not interfere with Lessee's responsibilities to comply with all licensure requirement
Term	The term of the Lease (the "**Term**") runs from the date of the Lease (the "**Commencement Date**") and shall expire on the date that is 180 days following the Commencement Date (the "**Outside Date**"), unless earlier terminated pursuant to the terms of the Lease; provided,

however, that the Term shall automatically terminate, as to any particular Facility, upon the earliest to occur of: (i) the Outside Date (as the same may be extended pursuant to the Extension Option set forth below or by automatic extension as provided below); (ii) the date on which Lessor receives the Required Licenses for that Facility; (iii) the termination of the IMA with respect to that Facility; or (iv) the date on which that Facility is otherwise no longer subject to this Lease.

Each Party shall have the right (the "**Extension Option**") to extend the Term beyond the Outside Date for additional period(s) of two (2) months each (each, an "Extension Period"), by delivering written notice of such election to the other Party no later than ten (10) days prior to the then-current Outside Date (or the expiration of any then-current Extension Period, as applicable), provided that Lessor is diligently pursuing the Required Licenses in good faith. Each Extension Period, if exercised, shall be on the same terms and conditions as the initial Term. For the avoidance of doubt, Manager shall have no right, power, or authority, under any circumstances, to unilaterally extend, renew, or continue the Term or any Extension Period beyond the then-current Outside Date, and any purported exercise of such right by Manager shall be void and of no force or effect. Notwithstanding the foregoing, each Party shall not unreasonably withhold consent to an Extension Period and shall reasonably cooperate with Extension Periods requested due to delays by an applicable governmental agency issuing any such license or approval or for other reasons outside the control of the other Party.

License Application Transparency and Reporting — Lessor shall diligently and in good faith pursue all Required Licenses and shall take all actions reasonably necessary to obtain such licenses as promptly as practicable. Failure to diligently pursue shall constitute an event of default under the Lease.

Termination — The Lease will be terminable by a Party prior to the expiration of the Term upon the occurrence of an event of default with respect to the other Party. Events of default to be mutually agreed and will include, without limitation, a breach of the Lease subject to a notice and cure right.

Indemnification — Each Party shall indemnify, defend, and hold harmless the other Party and its members, partners, shareholders, officers, directors, and employees from all third-party claims, losses, liabilities, damages, suits, expenses, and costs (including reasonable attorneys' fees) ("**Claims**") arising from such Party's breach of its obligations under the Lease, or from fraud, gross negligence, or willful misconduct of the indemnifying Party.

Indemnity recovery is reduced dollar-for-dollar by applicable insurance proceeds actually collected.

Non-Binding — This Term Sheet is intended to serve only as an expression of the parties' intent and not as a binding or enforceable obligation to consummate the contemplated transactions; any such obligation will be created only by definitive agreements, the provisions of which will supersede this and all other understandings between the Parties. The Parties acknowledge that the definitive documents may contain other terms or conditions not specified herein.

SUMMARY OF PRINCIPAL TERMS OF INTERIM MANAGEMENT AGREEMENT

This term sheet (the "**Term Sheet**") summarizes the proposed arrangements to be set forth in an interim management agreement (the "**IMA**") between [BUYER] ("**Buyer**") or one of its designees ("**Manager**") and [LESSEE] ("**Lessee**") for the operation of [FACILITY] ("**Facility**") in connection with the transactions contemplated by the Asset Purchase Agreement, dated as of July 16, 2026, among Welltower OP LLC, Inspired Senior Living of Naperville DST, Inspired Senior Living of North Haven DST, Inspired Senior Living of Hamilton DST, Inspired Senior Living of Naperville MT, LLC, Inspired Senior Living of North Haven MT, LLC and Inspired Senior Living of Hamilton MT, LLC. Manager and Lessee are each referred to herein as a "**Party**" and collectively as the "**Parties**."

Lease of Facility	Concurrently with entry into the IMA, an affiliate of Buyer ("**Lessor**") will enter into an interim lease/sublease of the real property on which the Facility is located.
Scope of Services	Manager is appointed as the sole and exclusive manager for daily operation and management of the Facility and agrees to manage the Facility during the Term (as defined below). In the performance of its duties and obligations hereunder, Manager will manage the Facility as a seniors housing facility in a professional manner in accordance with the terms of the IMA. Manager will perform such duties as are customarily performed for senior housing facilities similar to the Facility, and with the same diligence and skill as other facilities operated or managed by Manager and its affiliates or otherwise as reasonably requested by Lessee. Without limitation of the foregoing, Manager will be required to obtain and maintain customary insurance policies for the Facility, which policies will waive subrogation rights against Lessee. Lessee will use good faith efforts to maintain all Required License during the Term in accordance with applicable legal requirements.
Management Fee and Expenses	In consideration of the services, Manager will be entitled to a management fee equal to total revenue (to be defined in a customary manner to include all gross revenue from Facility operations), less operating expenses as described in the IMA, payable monthly in arrears through expiration or earlier termination of the IMA.
Billing Functions	Each Party shall use commercially reasonable efforts to cooperate with the other to facilitate the orderly transition of billing and collection functions, including making knowledgeable personnel available, executing such instruments as may be reasonably required, and providing access to relevant systems and records during the Term. Lessee shall retain its Medicaid provider number and enrollment status during the Term for the sole purpose of billing and collection until as such time as Manager obtains a Medicaid provider number with such agency. Lessee shall deposit and maintain Medicaid payments received in accordance with applicable law.
Audit Right	Lessee shall have the right to audit, at any time and without limitation as to frequency, all billing submitted under its Medicaid provider numbers and all sweep instructions (including, without limitation, in connection with any regulatory inquiry, survey, investigation, enforcement action, or correspondence from any governmental or quasi-governmental agency). Manager shall cooperate fully with any such audit and shall make all relevant records available to Lessee within three (3) business days of request. In addition to the foregoing, Lessee may conduct routine periodic audits of Manager's billing practices, records, and sweep instructions at Lessee's election and upon reasonable advance written notice to Manager. Such routine audits shall be conducted at Manager's expense. The audit right set forth herein shall survive the expiration or earlier termination of the IMA

for a period of three (3) years.

Term — The term of the IMA (the "**Term**") runs from the date of the IMA until the earlier of: (i) the Final Commencement Date; or (ii) 180 days from the date of the IMA, as the same may be extended pursuant to any Extension Period (as defined in the Interim Lease); or (iii) termination of the Interim Lease in accordance with its terms. The "Final Commencement Date" will occur as soon as practicable (and, in any event, within three business days, unless the Parties agree otherwise) following receipt of all government licenses and approvals necessary for the operation of the Facility as an assisted living facility or personal care home applicable to the Facility having been obtained by or issued to Lessor or one of its Affiliates.

Extension rights under the IMA shall mirror the extension provisions set forth in the Interim Lease.

Termination — The IMA will be terminable for cause by Lessee prior to the expiration of the Term for (1) certain bankruptcy or insolvency events of Manager, (2) material breach of the IMA by Manager (subject to notice and cure periods), (3) suspension of healthcare permits required to operate the Facility, (4) upon a sale of the Facility by Lessor, and (5) other events to be mutually agreed.

The IMA will be terminable for cause by Manager prior to the expiration of the Term for Lessee's material breach of the IMA (subject to notice and cure periods).

Upon termination for cause, Manager will cooperate in transferring operational control to Lessee or successor, including transfer of computer data, operational licenses, rent rolls, accounting records, resident records, and working capital. Facility employees may become employees of Lessee or successor.

Lessee shall have an immediate termination right without notice or cure period, upon any final revocation proceeding or other regulatory action or a governmental proceeding that would reasonably be expected to result in imminent termination of Lessee's existing Healthcare Permit or Medicaid enrollment status, regardless of whether formal suspension has occurred. Any transition of management functions to a successor manager pursuant to this provision shall also require Lessor's prior written consent.

Indemnification — Lessee is fully indemnified under the Interim Lease for all operations and management of the Facility. No separate indemnification by Manager in favor of Lessee is contemplated under the IMA.

Representations and Warranties — The IMA shall contain customary fundamental representations and warranties regarding organization, authority, and no conflicts.

Non-Binding — This Term Sheet is intended to serve only as an expression of the parties' intent and not as a binding or enforceable obligation to consummate the contemplated transactions; any such obligation will be created only by definitive agreements, the provisions of which will supersede this and all other understandings between the Parties. The Parties acknowledge that the definitive documents may contain other terms or conditions not specified herein.

[**Note**: License application obligations and related transparency and reporting requirements to be addressed in the Interim Lease, as Lessor (not Manager) will be applying for the Required Licenses.]

Regulatory Correspondence — Manager shall promptly forward to Lessee copies of all regulatory correspondence, survey reports, statements of deficiencies, and plans of correction received during the Term, and

	shall consult with Lessee prior to submitting any plan of correction or response to a regulatory authority.
HIPAA/Business Associate Agreement	Prior to or concurrently with execution of the IMA, the parties shall enter into a mutually agreed Business Associate Agreement governing Manager's access to and obligations with respect to Protected Health Information (as such term is defined in HIPAA).
Day-One Operational Handoff	As of the Closing Date, Manager shall receive possession and operational responsibility for the Facility in its then-current condition, subject to explicit terms of the Lease and IMA.
