(c) On the Effective Date, J&J and Holdco shall execute and deliver to the Talc Personal Injury Trust the Cash Contributions Parent Guarantee. If a Reorganized Debtor Payment Event of Default occurs, the Talc Personal Injury Trust may, upon five (5) days' written notice to the Reorganized Debtor and Holdco, foreclose upon the Talc PI Pledge.

4.9.3 Imerys/Cyprus Related Rights.

(a) On the Effective Date, the Reorganized Debtor and J&J shall (and J&J shall cause any other LTL Corporate Party that has Imerys/Cyprus Related Rights to) transfer and assign to the Talc Personal Injury Trust the Imerys/Cyprus Related Rights. The transfer and assignment of the Imerys/Cyprus Related Rights to the Talc Personal Injury Trust pursuant to this Section 4.9.3 shall not impair, alter, or modify the right of any Imerys/Cyprus Party against whom the Talc Personal Injury Trust may exercise the Imerys/Cyprus Related Rights to assert each and every defense or basis for claim reduction such Person could have asserted against the Debtor prior to the Effective Date; *provided, however*, for the avoidance of doubt, that no such Person may assert, as a defense or basis for claim reduction, that the Plan or any of the other Plan Documents does not comply with the Bankruptcy Code or that the transfer and assignment of the Imerys/Cyprus Related Rights to the Talc Personal Injury Trust pursuant to this Section 4.9.3, or any other action contemplated by this Section 4.9.3, is prohibited by applicable non-bankruptcy law.

(b) From and after the Effective Date: (a) the Talc Personal Injury Trust shall have control over the Imerys/Cyprus Related Rights and the Talc Personal Injury Trust shall be the estate representative pursuant to section 1123(b)(3)(B) of the Bankruptcy Code with the exclusive right to enforce the Imerys/Cyprus Related Rights; and (b) the proceeds of the recoveries on any Imerys/Cyprus Related Rights shall be deposited in and become the property of Talc Personal Injury Tort Claims Sub-Trust.

effectuate the transfer and assignment of the Imerys/Cyprus Related Rights to the Talc Personal Injury Trust in accordance with this Section 4.9.3; and (ii) without limiting the generality of the foregoing clause (i), the Reorganized Debtor and J&J shall provide the Talc Personal Injury Trust with copies of the Imerys/Cyprus Agreements and such other information within the possession and control of the Reorganized Debtor and J&J as the Reorganized Debtor and J&J may determine to be necessary or appropriate in their respective sole discretion. Pursuant to the Plan and the Confirmation Order, to the extent the Reorganized Debtor or J&J provides to the Talc Personal Injury Trust privileged information pursuant to the provisions of this Section 4.9.3 or the Cooperation Agreement, such provision of information shall not result in the destruction or waiver of any applicable privileges pertaining to such information.

4.9.4 Talc Insurance Assets.

(a) Subject to the provisions of this Section 4.9.4 and the Cooperation Agreement, on the Effective Date, the Reorganized Debtor shall transfer and assign to the Talc Personal Injury Trust the Talc Insurance Assets; *provided, however*, that, for the avoidance of doubt, the Reorganized Debtor shall not transfer and assign to the Talc Personal Injury Trust, and shall retain, (i) all proceeds of Talc In-Place Insurance Coverage received by the Debtor on or prior to the Effective Date, (ii) all proceeds or benefits of any Talc Insurance Action received by the Debtor on or prior to the Effective Date, and (iii) all amounts payable pursuant to any Talc Insurance Settlement Agreement received by the Debtor on or prior to the Effective Date.

Subject to the provisions of the Cooperation Agreement, the Reorganized Debtors shall pay, and bear sole responsibility with respect to the payment of, all costs and expenses, including attorneys' fees and expenses and other out-of-pocket fees and expenses, incurred by the Reorganized Debtor acting as agent for and subrogee of the Talc Personal Injury Trust pursuant to this Section 4.9.4(b). For the avoidance of doubt, nothing in the Plan, the Plan Documents, or the Confirmation Order shall impair or otherwise affect any rights that any LTL Corporate Party may have under any Talc Insurance Policy or Talc Insurance Settlement Agreement.

(c) From and after the Effective Date, pursuant to the Cooperation Agreement: (i) the Reorganized Debtor, J&J, and the Talc Trustee shall cooperate and use their respective commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things that are reasonably necessary or appropriate to

Pursuant to the Plan and the Confirmation Order, to the extent the Reorganized Debtor or J&J provides to the Talc Personal Injury Trust privileged information pursuant to the provisions of this Section 4.9.4 or the Cooperation Agreement, such provision of information shall not result in the destruction or waiver of any applicable privileges pertaining to such information.

(d) If, notwithstanding the provisions of the Plan and Confirmation Order, the transfer and assignment of any of the Talc Insurance Assets is determined by any court of competent jurisdiction to be invalid under, or to violate the provisions of, any Talc Insurance Policy, then, notwithstanding anything to the contrary in the Plan, solely with respect to such Talc Insurance Asset, (i) the Reorganized Debtor will be deemed to have retained such Talc Insurance Asset and (ii) each provision of the Plan that provides or contemplates that the Talc Personal Injury Trust shall act through the Reorganized Debtor, or that the Reorganized Debtor shall act, as the agent for and subrogee of the Talc Personal Injury Trust with respect to such Talc Insurance Asset shall be deemed to instead provide or contemplate that the Reorganized Debtor will act for the benefit of the Talc Personal Injury Trust with respect to such Talc Insurance Asset. For the avoidance of doubt, nothing in this Section 4.9.4(d) shall affect clause (ii) of Section 4.9.4(b).

4.10 Payment of Talc Personal Injury Trust Expenses From and After the Effective Date. Subject to Section 4.6, (a) the Talc Personal Injury Trust shall pay all Talc Personal Injury Trust Expenses from the assets of the Talc Personal Injury Trust and (b) the Talc Personal Injury Trust shall bear sole responsibility with respect to the payment of the Talc Personal Injury Trust Expenses. Subject to Section 4.9.4(b) and the provisions of the Cooperation Agreement, the Talc Personal Injury Trust shall promptly pay all reasonable and documented Talc Personal Injury Trust Expenses incurred by the Reorganized Debtor or any Non-Debtor Affiliate for any and all liabilities, costs, or expenses as a result of taking action on behalf of or at the direction of the Talc Personal Injury Trust. The Talc Trustees shall cause (i) all Talc Personal Injury Trust Expenses related to Governmental Action Claims to be paid using Talc Personal Injury Governmental Action Claims Sub-Trust Funds, (ii) all Talc Personal Injury Trust Expenses related to TPP Lien Claims to be paid using Talc Personal Injury TPP Lien Claims Sub-Trust Funds, and (iii) all Talc Personal Injury Trust Expenses related to Talc Personal Injury Claims other than Governmental Action Claims to be paid using Talc Personal Injury Tort Claims Sub-Trust Funds.

4.11 Treatment of Remainder Assets. To the extent there are any assets of the Talc Personal Injury Governmental Action Claims Sub-Trust remaining at such time as the Talc Personal Injury Governmental Action Claims Sub-Trust is dissolved or any assets of the Talc Personal Injury TPP Lien Claim Sub-Trust remaining at such time as the Talc Personal Injury TPP Lien Claim Sub-Trust is dissolved, such remaining assets shall be transferred to the Talc Personal Injury Tort Claims Sub-Trust. To the extent there are any assets of the Talc Personal Injury Tort Claims Sub-Trust remaining at such time as the Talc Personal Injury Tort Claims Sub-Trust is

dissolved, such remaining assets shall be transferred to a charity or charities for such charitable purposes as the Talc Trustees, in their reasonable discretion, shall determine.

4.12 Dissolution. The Talc Personal Injury Trust shall be dissolved upon satisfaction of the purposes of the Talc Personal Injury Trust pursuant to the Talc Personal Injury Trust Documents. Upon dissolution of the Talc Personal Injury Trust, the Talc Trustees, the Talc Trust Advisory Committee Members, the FCR under the Talc Personal Injury Trust Agreement, the Talc Trust Claim Administrator, and the Talc Trust Liens Resolution Administrator shall be released and discharged from all further authority, duties, responsibilities, and obligations relating to and arising from and in connection with the Chapter 11 Case.

4.14 Compliance with QSF Regulations. The Debtor and the Reorganized Debtor shall take all actions required of them as “transferor,” and the designated Talc Trustee shall take all actions required of him or her as “administrator,” with respect to the Talc Personal Injury TPP Lien Claims Sub-Trust and the Talc Personal Injury Tort Claims Sub-Trust pursuant to Treasury Regulations promulgated under section 468B of the Internal Revenue Code. Pursuant to such Treasury Regulations, the Talc Trustee designated as “administrator” shall be responsible for all tax reporting and withholding requirements in respect of distributions made from the Talc Personal Injury TPP Lien Claims Sub-Trust and the Talc Personal Injury Tort Claims Sub-Trust. Any issue of interpretation of the Plan, the Talc Personal Injury Trust Agreement or other Talc Personal Injury Trust Documents, or the Confirmation Order shall be resolved in favor of an interpretation that conforms to the requirements of section 468B of the Internal Revenue Code and the Treasury Regulations promulgated thereunder.

4.15 Cooperation Agreement. On the Effective Date, the Reorganized Debtor, J&J, and the Talc Personal Injury Trust shall enter into the Cooperation Agreement. The parties to the Cooperation Agreement shall be bound by the terms thereof. The provision of information by the Reorganized Debtor or J&J to the Talc Personal Injury Trust pursuant to the Cooperation Agreement shall not result in the destruction or waiver of any applicable privileges pertaining to such information.

4.16 Indemnification and Reimbursement of the Protected Parties. From and after the Effective Date, the Talc Personal Injury Trust shall indemnify, defend, and hold harmless, to the fullest extent permitted by applicable law, each of the Reorganized Debtor and the other Protected Parties (other than the Imerys/Cyprus Parties, if they are Protected Parties, for claims based on, arising out of, or in any way relating to the Imerys/Cyprus Related Rights) from and against any and all claims, demands, disputes, suits, damages, remedies, losses, awards, judgments, settlements, liabilities, expenses, costs, fees (including attorneys’ fees), and other charges whatsoever suffered or incurred by it subsequent to the Effective Date arising out of or in any way relating to any Talc Personal Injury Claim. Without limiting the generality of the foregoing, from and after the Effective Date, the Talc Personal Injury Trust shall promptly reimburse each

Protected Party (other than the Imerys/Cyprus Parties, if they are Protected Parties, for claims based on, arising out of, or in any way relating to the Imerys/Cyprus Related Rights) for any and all out-of-pocket damages, remedies, losses, awards, judgments, liabilities, expenses, costs, fees (including attorneys' fees), and other charges whatsoever actually incurred by such Protected Party subsequent to the Effective Date attributable to the defense of any Talc Personal Injury Claim in the event that the holder of such Talc Personal Injury Claim seeks to hold such Protected Party liable for such Talc Personal Injury Claim in violation of the Plan and the Channeling Injunction. For the avoidance of doubt, notwithstanding the foregoing, under this Section 4.16, (a) the Talc Personal Injury Governmental Action Claims Sub-Trust shall indemnify, defend, and hold harmless such Persons from against such items arising out of or in any way relating to any Governmental Action Claim, (b) the Talc Personal Injury TPP Lien Claims Sub-Trust shall indemnify, defend, and hold harmless such Persons from against such items arising out of or in any way relating to any TPP Lien Claim, and (c) the Talc Personal Injury Tort Claim Sub-Trust shall indemnify, defend, and hold harmless such Persons from and against any such items arising out of or in any way relating to any Talc Personal Injury Claim other than Governmental Action Claims and TPP Lien Claims.

None of the Protected Parties shall have or incur any liability to any Person for any act or omission taken or to be taken in connection with, arising out of, or in any way relating to the administration or operation of the Talc Personal Injury Trust, including (a) the management of the assets of the Talc Personal Injury Trust and (b) the processing, liquidation, and payment of Talc Personal Injury Claims in accordance with the Talc Personal Injury Trust Documents.

ARTICLE V

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

5.1 General Treatment. Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document entered into in connection with the Plan, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the Debtor or the Reorganized Debtor shall assume each of its Executory Contracts and Unexpired Leases other than those listed on Exhibit N; *provided, however*, that the Debtor reserves the right, at any time prior to the Effective Date, to amend Exhibit N to: (a) delete any Executory Contract or Unexpired Lease listed therein, thus providing for its assumption pursuant hereto; or (b) add any Executory Contract or Unexpired Lease to Exhibit N, thus providing for its rejection pursuant to Section 5.5. The Debtor shall provide notice of any amendments to Exhibit N to the parties to the Executory Contracts or Unexpired Leases affected thereby and to the parties on the then-applicable service list in the Chapter 11 Case. Nothing herein shall constitute an admission by the Debtor or the Reorganized Debtor that any contract or lease is an Executory Contract or Unexpired Lease or that the Debtor or the Reorganized Debtor has any liability thereunder.

5.2 Assumption and Assignment.

5.2.1 Assumption. Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related

thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated, or is rejected or repudiated under the Plan.

5.2.2 Postpetition Amendments. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtor during the Chapter 11 Case shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

5.2.3 Assignment. Each assumed Executory Contract or Unexpired Lease shall be a contract or lease of the Reorganized Debtor unless an assignee is identified in accordance with the procedures in Section 5.3.

5.3 Approval of Assumptions and Assignments and Related Procedures.

5.3.1 Effect of Assumption. Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of the assumption.

5.3.2 Approval and Related Procedures. The Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions described in Section 5.1, pursuant to section 365 of the Bankruptcy Code, as of the Effective Date. The procedures for assumption or assumption and assignment of an Executory Contract or Unexpired Lease are as follows:

(a) After the entry of the Confirmation Order, the Debtor shall serve upon each party to an Executory Contract or Unexpired Lease being assumed pursuant to the Plan notice of: (i) the contract or lease being assumed or assumed and assigned and, if applicable, any assignee; (ii) the Cure Amount Claim, if any, that the Debtor believes would be payable in connection with such assumption; and (iii) the procedures for such party to object to the assumption or assumption and assignment of the applicable contract or lease or the amount of the proposed Cure Amount Claim.

(b) Any Person wishing to object to (i) the proposed assumption or assumption and assignment of an Executory Contract or Unexpired Lease under the Plan or (ii) the proposed amount of the related Cure Amount Claim must file and serve on counsel to the Debtor or the Reorganized Debtor a written objection setting forth the basis for the objection within twenty (20) days of service of the notice described in Section 5.3.2(a).

(c) If no objection to the proposed assumption or assumption and assignment or the proposed amount of the Cure Amount Claim is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease:

(i) the proposed assumption or assumption and assignment of the Executory Contract or Unexpired Lease shall be approved in accordance with the Plan and the Confirmation Order, effective as of the Effective Date, without further action of the Bankruptcy Court; and (ii) the Cure Amount Claim identified by the Debtor in the notice shall be fixed and shall be paid in accordance with the Plan on or after the Effective Date, without further action of the Bankruptcy Court, to the appropriate contract or lease party identified on the notice.

(d) If an objection to the proposed assumption or assumption and assignment or the proposed amount of the Cure Amount Claim is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease, the Debtor or the Reorganized Debtor, as applicable, and the objecting party may resolve such objection by stipulation, without further action of the Bankruptcy Court.

(e) If an objection to the proposed assumption or assumption and assignment or the proposed amount of the Cure Amount Claim is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease and the parties are unable to resolve such objection: (i) the Debtor or the Reorganized Debtor, as applicable, may file a reply to such objection no later than thirty (30) days after the filing and service of such objection and ask the Bankruptcy Court to schedule a hearing on the particular objection and the related reply at an appropriate time; or (ii) the Debtor or the Reorganized Debtor, as applicable, may designate the Executory Contract or Unexpired Lease underlying such objection for rejection pursuant to Section 5.5 and amend Exhibit N accordingly.

5.4 Payments Related to Assumption.

5.4.1 Payment Options. To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the Debtor or the Reorganized Debtor assuming such contract or lease or the assignee of the Debtor or the Reorganized Debtor, if any: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or as promptly as reasonably practicable after the Cure Amount Claim is allowed or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease.

5.4.2 Disputes. Pursuant to section 365(b)(2)(D) of the Bankruptcy Code, no Cure Amount Claim shall be allowed for a penalty rate or other form of default rate of interest. If there is a dispute regarding (a) the amount of any Cure Amount Claim, (b) the ability of the Reorganized Debtor or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (c) any other matter pertaining to assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving the dispute and approving the assumption.

5.5 Executory Contracts and Unexpired Leases to Be Rejected and Rejection Procedures.

5.5.1 Rejection Generally. On the Effective Date, each Executory Contract and Unexpired Lease listed on Exhibit N shall be rejected pursuant to section 365 of the Bankruptcy Code. Each contract and lease listed on Exhibit N shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. Listing a contract or lease on Exhibit N shall not constitute an admission by the Debtor or the Reorganized Debtor that such contract or lease is an Executory Contract or Unexpired Lease or that the Debtor or the Reorganized Debtor has any liability thereunder. The Confirmation Order shall constitute an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the Effective Date.

5.5.2 Rejection Procedures. The procedures for rejection of an Executory Contract or Unexpired Lease are as follows:

(a) After the entry of the Confirmation Order, the Debtor shall serve upon each party to an Executory Contract or Unexpired Lease being rejected pursuant to the Plan notice of such proposed rejection. For the avoidance of doubt, additional notices may be served upon any amendment to Exhibit N (including pursuant to Section 5.3.2(e)).

(b) Any Person wishing to object to the proposed rejection of an Executory Contract or Unexpired Lease under the Plan must file and serve on counsel to the Debtor or the Reorganized Debtor a written objection setting forth the basis for the objection within twenty (20) days of service of the notice described in Section 5.5.2(a).

(c) If no objection to the proposed rejection is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease, the proposed rejection of the applicable Executory Contract or Unexpired Lease shall be approved in accordance with the Plan and the Confirmation Order, effective as of the Effective Date, without further action of the Bankruptcy Court.

(d) If an objection to the proposed rejection is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease, the Debtor or the Reorganized Debtor, as applicable, and the objecting party may resolve such objection by stipulation, without further action of the Bankruptcy Court.

(e) If an objection to the proposed rejection is properly filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease and the parties are unable to resolve such objection, the Debtor or the Reorganized Debtor, as applicable, may file a reply to such objection no later than 30 days after the filing and service of such objection and ask the Bankruptcy Court to schedule a hearing on the particular objection and the related reply at an appropriate time.

5.6 Claims Based on Rejection.

5.6.1 Proof of Claim Required. If the rejection or deemed rejection of an Executory Contract or Unexpired Lease by the Debtor results in damages to the other party

or parties to such Executory Contract or Unexpired Lease, a Claim for such damages shall be forever barred and shall not be enforceable against the Debtor, the Reorganized Debtor, any assignee, or their properties, whether by way of setoff, recoupment, or otherwise, unless a Proof of Claim is filed with the Claims Agent and served upon counsel for the Debtor or the Reorganized Debtor by the later of (a) thirty (30) days after service of the notice described in Section 5.5.1(a), and (b) thirty (30) days after service of notice of entry of a Final Order rejecting such Executory Contract or Unexpired Lease, which notice, in each case, will set forth such deadline.

5.6.2 Classification of Claims. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time period provided in Section 5.6.1 will be automatically disallowed, forever barred from assertion, and unenforceable, without the need for any objection, or further notice to, or action, order, or approval of the Bankruptcy Court. All Allowed Claims arising from the rejection of an Executory Contract or Unexpired Lease shall be classified as a Class 3 Unsecured Claim and shall be treated in accordance with Section 3.2.3.

5.7 Contracts and Leases Entered Into After the Petition Date. Notwithstanding any other provision of the Plan, contracts and leases entered into after the Petition Date by the Debtor, including any Executory Contracts and Unexpired Leases assumed by the Debtor, shall be performed by the Debtor or the Reorganized Debtor in accordance with the terms and conditions of such contracts and leases in the ordinary course of its business. Accordingly, such contracts and leases and other obligations (including any assumed Executory Contracts and Unexpired Leases) shall survive and remain unaffected by entry of the Confirmation Order.

5.8 Reservation of Rights. Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the list of the Executory Contracts and Unexpired Leases to be rejected by the Debtor, or anything contained in the Plan or Plan Supplement, shall constitute an admission by the Debtor that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Reorganized Debtor, or any assignee has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtor, the Reorganized Debtor, or any assignee, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

5.9 Imerys/Cyprus Agreements. Notwithstanding any other provision of this Plan, this Article V shall not apply to the Imerys/Cyprus Agreements. To the extent that the Imerys/Cyprus Agreements are considered to be executory contracts, the Plan shall constitute a motion to assume and assign the Imerys/Cyprus Agreements to the Talc Personal Injury Trust in accordance with Section 4.9.3, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption and assignment pursuant to section 365(a) of the Bankruptcy Code and a finding by the Bankruptcy Court that such assumption and assignment is in the best interest of the Debtor, the Debtor's Estate, and all parties in interest in the Chapter 11 Case. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Imerys/Cyprus Agreements. The Imerys/Cyprus Agreements shall be assigned by the Reorganized Debtor and J&J (and other

applicable LTL Corporate Parties) to the Talc Personal Injury Trust as of the Effective Date to effect the assignment of the Imerys/Cyprus Related Rights in accordance with Section 4.9.3.

5.10 Talc Insurance Assets. Notwithstanding any other provision of this Plan, this Article V shall not apply to the Talc Insurance Assets. To the extent that the Talc Insurance Assets are considered to be executory contracts, the Plan shall constitute a motion to assume and assign the Talc Insurance Assets to the Talc Personal Injury Trust in accordance with Section 4.9.4, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption and assignment pursuant to section 365(a) of the Bankruptcy Code and a finding by the Bankruptcy Court that such assumption and assignment is in the best interest of the Debtor, the Debtor's Estate, and all parties in interest in the Chapter 11 Case. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Talc Insurance Asset. The Talc Insurance Assets shall be assigned by the Reorganized Debtor to the Talc Personal Injury Trust in accordance with Section 4.9.4 as of the Effective Date.

ARTICLE VI

DISTRIBUTIONS UNDER THE PLAN ON ACCOUNT OF NON-TALC CLAIMS

6.1 Distributions. Distributions on account of Allowed Non-Talc Claims shall be made on or after the Distribution Date as provided in this Article VI. This Article VI shall not apply to Talc Personal Injury Claims. All Talc Personal Injury Claims shall be liquidated and, as appropriate, paid, or otherwise resolved, by the Talc Personal Injury Trust pursuant to and in accordance with the Talc Personal Injury Trust Documents.

6.2 Timing and Calculation of Amounts to be Distributed

6.2.1 General. On the Effective Date or as soon as reasonably practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such a Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each holder of an Allowed Non-Talc Claim shall receive the full amount of the Distribution that the Plan provides for such Allowed Claim in the applicable Class and in the manner provided herein. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Any Distribution to be made pursuant to the Plan shall be deemed to have been timely made if made within sixty (60) days after the time therefor specified in the Plan. No interest shall accrue or be paid with respect to any Distribution as a consequence of such Distribution not having been made on the Effective Date.

6.2.2 Disputed Non-Talc Claims. If and to the extent that there are Disputed Non-Talc Claims, Distributions on account of any such Disputed Non-Talc Claims shall be made pursuant to the provisions set forth in this Article VI.

6.3 Designation of Disbursing Agent. All Distributions under the Plan shall be made by the Disbursing Agent. The Reorganized Debtor, or any such other Person or Persons designated by the Reorganized Debtor, shall serve as Disbursing Agent for all Non-Talc Claims.

6.4 Rights and Powers of Disbursing Agent.

6.4.1 General. The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all Distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions thereof.

6.4.2 Fees and Expenses. Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtor.

6.5 Distributions on Account of Claims Allowed After the Effective Date. Notwithstanding any other provision of the Plan, no Distributions shall be made under the Plan on account of any Disputed Non-Talc Claim, unless and until such Disputed Non-Talc Claim becomes an Allowed Non-Talc Claim. Distributions made after the Effective Date to holders of Disputed Non-Talc Claims that are not Allowed Non-Talc Claims as of the Effective Date but which later become Allowed Non-Talc Claims shall be made as if such Claim had been an Allowed Claim on the Effective Date. Except as otherwise may be agreed to by the Debtor or the Reorganized Debtor, on the one hand, and the holder of a Disputed Non-Talc Claim, on the other hand, and notwithstanding any provision otherwise in the Plan, no partial payments and no partial Distributions shall be made with respect to any Disputed Non-Talc Claim until all Disputed Non-Talc Claims held by the holder of such Disputed Non-Talc Claim have become Allowed Non-Talc Claims or have otherwise been resolved by settlement or Final Order.

6.6 Delivery of Distributions and Undeliverable or Unclaimed Distributions.

6.6.1 Delivery of Distributions to Holders of Non-Talc Claims. Distributions to holders of Allowed Non-Talc Claims shall be made to holders of record as of the Distribution Record Date by the Disbursing Agent: (a) to the signatory set forth on any of the Proof of Claim filed by such holder or other representative identified therein (or at the last known addresses of such holder if no Proof of Claim is filed or if the Debtor has been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent after the date of any related Proof of Claim; or (c) at the addresses reflected in the Schedules if no Proof of Claim has been filed and the Disbursing Agent has not received a written notice of a change of address.

6.6.2 Full Benefit of Distributions. Distributions under the Plan on account of Non-Talc Claims shall not be subject to levy, garnishment, attachment, or similar legal process, so that each holder of an Allowed Non-Talc Claim shall have and receive the benefit of the Distributions in the manner set forth in the Plan. None of the Debtor, the Reorganized Debtor, or the applicable Disbursing Agent shall incur any liability whatsoever on account of any Distributions under the Plan except where such Distributions are found by Final Order to have been made with gross negligence, willful misconduct, or fraud.

6.6.3 Undeliverable Distributions and Unclaimed Property. In the event that any Distribution to any holder of an Allowed Non-Talc Claim is returned as undeliverable, no further Distribution to such holder shall be made unless and until the Disbursing Agent has determined the then current address of such holder, at which time such Distribution shall be made as soon as practicable after such Distribution has become deliverable to such holder without interest; *provided, however*, that such Distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and forfeited at the expiration of three (3) months from the applicable Distribution Date. After such date, all “unclaimed property” or interests in property in respect of the Reorganized Debtor shall revert to the Reorganized Debtor, notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary. The claim of any holder to such property or interest in property shall be discharged and forever barred. Nothing contained in the Plan shall require the Debtor, the Reorganized Debtor, or the Disbursing Agent to attempt to locate any holder of an Allowed Claim.

6.7 Time Bar to Cash Payments. Checks issued by the Disbursing Agent in respect of Allowed Non-Talc Claims shall be null and void if not cashed within one hundred and eighty (180) days of the date of issuance thereof. The holder of the Allowed Non-Talc Claim with respect to which such check originally was issued may make a request for re-issuance of any check directly to the Disbursing Agent; *provided, however*, that any such request for re-issuance of a check shall be made on or before the twelve (12) month anniversary of the Distribution Date. After such date, all Non-Talc Claims in respect of void checks shall be discharged and forever barred.

6.8 Record Date for Holders of Claims. Except as otherwise provided in an order of the Bankruptcy Court that is not subject to any stay, the transferees of Claims that are transferred pursuant to Bankruptcy Rule 3001, on or prior to the Distribution Record Date, shall be treated as the holders of such Claims for all purposes, notwithstanding that any period provided by Bankruptcy Rule 3001 for objecting to such transfer has not expired by the Distribution Record Date. If there is any dispute regarding the identity of the Person entitled to receive a Distribution in respect of a Claim under the Plan, no Distribution need be made in respect of such Claim until such dispute has been resolved.

6.9 Compliance with Tax Requirements and Allocations.

6.9.1 General. In connection with the Plan and all Distributions hereunder, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed on them by any federal, state, or local taxing authority, and all Distributions pursuant to the Plan shall be subject to such withholding and reporting requirements.

Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the Distribution to be made under the Plan if necessary to generate sufficient funds to pay applicable withholding taxes, withholding Distributions pending receipt of information necessary to facilitate such Distributions including tax certification forms, or establishing any other reasonable mechanisms it believes are necessary or appropriate. To the extent that any Claim holder fails to submit appropriate tax certification forms required by a Disbursing Agent or to comply with any other mechanism established by a Disbursing Agent to comply with such withholding and reporting requirements, such Claim holder's Distribution may, in such Disbursing Agent's reasonable discretion, be deemed "unclaimed property" subject to Section 6.6.3.

6.9.2 Tax Withholding. Without limiting the generality of the foregoing, in accordance with the Internal Revenue Code's backup withholding rules, a holder of a Claim may be subject to backup withholding with respect to Distributions made pursuant to the Plan, unless the holder (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates this fact; or (b) provides at the applicable Disbursing Agent's request a completed IRS Form W-9 (or substitute therefor) on which the holder includes a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Among other things, to receive any Postpetition Interest, if requested by a Disbursing Agent, a holder of an Allowed Claim shall be required to establish an exemption from backup withholding or to make arrangements with respect to the payment of backup withholding. Non-U.S. Allowed Claim holders may be required by the applicable Disbursing Agent to provide a completed IRS Form W-8BEN or W-8BEN-E, as applicable (or other applicable Form W-8 or successor form) to establish an exemption from or a treaty-reduced rate of withholding on interest distributed pursuant to the Plan. Unless a Disbursing Agent, in its discretion, determines otherwise, no Distributions on account of Postpetition Interest shall be made to a holder of an Allowed Claim until such time as the holder of such Claim establishes exemption from withholding or provides the applicable IRS Form.

6.9.3 Obligations of Distribution Recipients. Notwithstanding any other provision of the Plan, each Person receiving a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on it by any governmental unit on account of such Distribution, including income, withholding, and other tax obligations.

6.9.4 Tax Allocations. For tax purposes, Distributions in full or partial satisfaction of Allowed Claims shall be allocated first to the principal amount of Allowed Claims, with any excess allocated to unpaid interest that accrued on such Claims.

6.10 Transfers of Claims. In the event that the holder of any Non-Talc Claim shall transfer such Claim after the Distribution Record Date, it shall immediately advise the Reorganized Debtor in writing of such transfer and file a notice of the transfer with the Bankruptcy Court. The

Reorganized Debtor shall be entitled to assume that no transfer of any Claim has been made by any holder unless and until written notice of a transfer has been actually received by the Reorganized Debtor. Each transferee of any Non-Talc Claim shall take such Claim subject to the provisions of the Plan, and, except as provided in a notice of transfer, the Reorganized Debtor shall be entitled to assume conclusively that the transferee named in any notice of transfer shall thereafter be vested with all rights and powers of the transferor of such Claim.

6.11 Setoffs. The Debtor and the Reorganized Debtor may, pursuant to the applicable provisions of the Bankruptcy Code, or applicable non-bankruptcy law, set off against any applicable Allowed Claim (before any Distribution is made on account of such Claim) any and all claims, rights, causes of action, debts, or liabilities of any nature that the Debtor or the Reorganized Debtor may hold against the holder of such Allowed Claim; *provided, however*, that the failure to effect such a setoff shall not constitute a waiver or release of any such claims, rights, causes of action, debts, or liabilities.

ARTICLE VII RESOLUTION OF DISPUTED CLAIMS OTHER THAN TALC PERSONAL INJURY CLAIMS

7.1 Disputed Claims. This Article VII shall apply to all Disputed Claims against the Debtor, other than Talc Personal Injury Claims and Administrative Claims (including Fee Claims and Cure Amount Claims). This Article VII shall not apply to Talc Personal Injury Claims or Administrative Claims (including Fee Claims and Cure Amount Claims). All Talc Personal Injury Claims shall be resolved by the Talc Personal Injury Trust in accordance with the Talc Personal Injury Trust Documents as indicated in Section 7.2.2. All Administrative Claims (including Fee Claims and Cure Amount Claims) shall be resolved as provided in Article II and Article V as indicated in Section 7.2.2.

7.2 Prosecution of Claims Generally.

7.2.1 No Approval or Notice Required Generally. Subject to the provisions contained herein, after the Effective Date, only the Reorganized Debtor may object to the allowance of any Non-Talc Claim. After the Effective Date, the Reorganized Debtor shall be accorded the power and authority to allow or settle and compromise any Non-Talc Claim without notice to any other party or approval of or notice to the Bankruptcy Court.

7.2.2 Procedures for Specified Claims. Notwithstanding anything to the contrary in this Article VII, (a) resolution of Talc Personal Injury Claims shall be handled exclusively by the Talc Personal Injury Trust in accordance with the Talc Personal Injury Trust Documents, (b) objections to Administrative Claims (excluding Fee Claims and Cure Amount Claims) shall be handled in accordance with Section 2.1, (c) objections to Fee Claims shall be handled in accordance with the Compensation Procedures Order, subject to Section 2.2, and (d) resolution of Cure Amount Claims shall be handled in accordance with Section 5.3 and Section 5.4.

7.3 Prosecution of Disputed Non-Talc Claims and Claims Objection Deadline.

7.3.1 Right to Litigate. The Reorganized Debtor shall have the right, after the Effective Date, to file objections to Non-Talc Claims that have not already been Allowed by Final Order, agreement, or the Plan, and litigate to judgment, settle, or withdraw such objections to Disputed Non-Talc Claims. Without limiting the foregoing, the Reorganized Debtor shall have the right to litigate any Disputed Non-Talc Claim either in the Bankruptcy Court or in any court of competent jurisdiction.

7.3.2 Claims Objection Deadline. Unless otherwise ordered by the Bankruptcy Court, objections to Non-Talc Claims (other than Administrative Claims, including Fee Claims and Cure Amount Claims) shall be filed with the Bankruptcy Court and served upon the holders of each such Non-Talc Claim to which objections are made on or before the Claims Objection Bar Date, unless extended by order of the Bankruptcy Court prior to the expiration of such period.

7.4 Distributions on Account of Disputed Claims. At such time as determined to be practicable by the Reorganized Debtor, the Disbursing Agent will make Distributions on account of any Disputed Claim that has become Allowed. Such Distributions will be made pursuant to the applicable provisions of Article VI.

7.5 No Distributions Pending Allowance. No Distributions or other consideration shall be paid with respect to any Claim that is a Disputed Claim unless and until all objections to such Disputed Claim are resolved by agreement or Final Order and such Disputed Claim becomes an Allowed Claim.

7.6 Authority to Amend Schedules. The Debtor or the Reorganized Debtor shall have the authority to amend the Schedules with respect to any Non-Talc Claim and to make Distributions based on such amended Schedules without approval of the Bankruptcy Court. If any such amendment to the Schedules reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtor or the Reorganized Debtor shall provide the holder of such Claim with notice of such amendment and such holder shall have twenty (20) days to file an objection to such amendment with the Bankruptcy Court. If no such objection is filed, the Debtor or the Reorganized Debtor may proceed with Distributions based on such amended Schedules without approval of the Bankruptcy Court.

ARTICLE VIII
CONDITIONS PRECEDENT TO CONFIRMATION
AND CONSUMMATION OF THE PLAN

8.1 Conditions Precedent to the Confirmation of the Plan. Confirmation of the Plan shall not occur unless each of the following conditions has been satisfied or waived pursuant to Section 8.3:

(a) The Bankruptcy Court shall have entered an order, acceptable in form and substance to the Debtor, J&J, and the AHC of Supporting Counsel approving the Disclosure Statement as containing adequate information within the meaning of section 1125 of the Bankruptcy Code.

(b) Class 4 shall have voted in requisite numbers and amounts in favor of the Plan as required by sections 524(g), 1126, and 1129 of the Bankruptcy Code.

(c) The Plan and the Plan Supplement, including any schedules, documents, supplements, and exhibits thereto, shall be in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel and shall be consistent with (i) section 524(g) of the Bankruptcy Code, as applicable, and (ii) the other provisions of the Plan.

(d) The Confirmation Order shall:

(i) have been entered by the Bankruptcy Court and the District Court acting jointly, or by the District Court affirming an order entered separately by the Bankruptcy Court;

(ii) be reasonably acceptable in form and substance to the Debtor, J&J, and the AHC of Supporting Counsel; and

(iii) provide for the Injunctions in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel.

(e) The Bankruptcy Court and the District Court acting jointly or the Bankruptcy Court acting separately but affirmed by the District Court shall have made the following findings, each of which shall be contained in the Confirmation Order:

(i) The Channeling Injunction and the Insurance Entity Injunction are to be implemented in connection with the Plan and the Talc Personal Injury Trust.

(ii) (A) As of the Effective Date, the Talc Personal Injury Trust shall assume all liability and responsibility, financial and otherwise, for all Talc Personal Injury Claims and (B) subject to the delivery, transfer, or assignment, as applicable, to the Talc Personal Injury Trust of the Cash Contributions, Talc PI Note, Talc Pledge Agreement, Imerys/Cyprus Related Rights, and Talc Insurance Assets pursuant to Section 4.9, from and after the Effective Date, no Protected Party (other than any Imerys/Cyprus Party, if the Imerys/Cyprus Parties are Protected Parties, for claims based on, arising out of, or in any way relating to the Imerys/Cyprus Related Rights, as applicable) shall have any liability or responsibility, financial or otherwise, for any Talc Personal Injury Claims.

(iii) As of the Petition Date, the Debtor had been named as a defendant in personal injury or wrongful death actions seeking recovery for damages allegedly caused by the presence of, or exposure to, asbestos or asbestos-containing products.

(iv) The Talc Personal Injury Trust shall be funded in whole or in part by securities of the Reorganized Debtor and by the obligation of the Reorganized Debtor to make future payments.

(v) The Talc Personal Injury Trust, by the exercise of rights granted under the Plan, would be entitled to own, if specified contingencies occur, a majority of the voting shares of the Reorganized Debtor.

(vi) The Talc Personal Injury Trust shall use its assets or income to pay Talc Personal Injury Claims, including Talc Personal Injury Demands.

(vii) As to Talc Personal Injury Demands:

(A) The Debtor is likely to be subject to substantial future Talc Personal Injury Demands for payment arising out of the same or similar conduct or events that gave rise to the Talc Personal Injury Claims that are addressed by the Channeling Injunction and the Insurance Entity Injunction.

(B) The actual amounts, numbers, and timing of future Talc Personal Injury Demands cannot be determined.

(C) Pursuit of Talc Personal Injury Demands outside the procedures prescribed by the Plan and the Plan Documents, including the Trust Distribution Procedures, is likely to threaten the Plan's purpose to deal equitably with Talc Personal Injury Claims and Talc Personal Injury Demands.

(viii) The terms of the Channeling Injunction and the Insurance Entity Injunction, including any provisions barring actions against third parties pursuant to section 524(g)(4)(A) of the Bankruptcy Code, are set out in the Plan and in the Disclosure Statement.

(ix) The Plan establishes a separate class of the claimants whose claims are to be addressed by the Talc Personal Injury Trust which class has voted, by at least 75% of those voting, in favor of the Plan.

(x) Pursuant to court orders or otherwise, the Talc Personal Injury Trust shall operate through mechanisms, such as structured, periodic, or supplemental payments, *pro rata* distributions, matrices, or periodic review of estimates of the numbers and values of Talc Personal Injury Claims, or other comparable mechanisms, that provide reasonable assurance that the Talc Personal Injury Trust shall value, and be in a financial position to pay, Talc Personal Injury Claims, including Talc Personal Injury Demands, that involve similar claims in substantially the same manner.

(xi) Each Protected Party is:

(A) identifiable from the terms of the Channeling Injunction and the Insurance Entity Injunction by name or as part of an identifiable group and is or may be alleged to be directly or indirectly liable for the conduct of, claims against, or demands on the Debtor to the extent that such alleged liability arises by reason of one or more of the following:

(I) such Person's ownership of a financial interest in the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, or a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI);

(II) such Person's involvement in the management of the Debtor or the Reorganized Debtor or a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI);

(III) such Person's service as an officer, director, manager, or employee of the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI), or a Person that owns or at any time has owned a financial interest in the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor or a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI);

(IV) such Person's provision of insurance to the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI), or a Person that owns or at any time has owned a financial interest in the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, or a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI); or

(V) such Person's involvement in a transaction changing the corporate structure, or in a loan or other financial transaction affecting the financial condition, of the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, a

predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI), or any Person that owns or at any time has owned a financial interest in the Debtor or the Reorganized Debtor, a past or present affiliate of the Debtor or the Reorganized Debtor, or a predecessor in interest of the Debtor or the Reorganized Debtor (including Old JJCI), including (I) involvement in providing financing (debt or equity) or advice to a Person involved in such a transaction or (II) acquiring or selling a financial interest in any Person as part of such transaction; and/or

(B) otherwise entitled to the Channeling Injunction pursuant to section 105(a) of the Bankruptcy Code.

(xii) The FCR was appointed as part of the proceedings leading to issuance of the Channeling Injunction and the Insurance Entity Injunction for the purpose of protecting the rights of all Persons, whether known or unknown, that might subsequently assert, directly or indirectly, against the Debtor a Talc Personal Injury Demand that is addressed in the Channeling Injunction and the Insurance Entity Injunction and channeled to the Talc Personal Injury Trust.

(xiii) Identifying each Protected Party (by name or as part of an identifiable group, as applicable) in the Channeling Injunction and the Insurance Entity Injunction is fair and equitable with respect to individuals that might assert Talc Personal Injury Demands against each such Protected Party, in light of the benefits provided, or to be provided, to the Talc Personal Injury Trust by or on behalf of any such Protected Party.

(xiv) The Plan and the Plan Documents comply with section 524(g) of the Bankruptcy Code in all respects, and the Talc Personal Injury Trust Documents are fully consistent with the Plan.

(xv) The Plan, including the Channeling Injunction and the Insurance Entity Injunction, and the other Plan Documents are a fair, equitable, and reasonable resolution of the liability of the Debtor for the Talc Personal Injury Claims, including Talc Personal Injury Demands.

(xvi) The FCR has adequately and completely fulfilled her duties, responsibilities, and obligations as the representative for any and all persons who may assert Talc Personal Injury Demands in the future, but who are currently unknown, in accordance with section 524(g) of the Bankruptcy Code.

(xvii) Adequate and sufficient notice of the Plan and the Confirmation Hearing, as well as all deadlines for objecting to the Plan, has been given to: (A) all known creditors and holders of Interests; (B) parties

that requested notice in accordance with Bankruptcy Rule 2002 (including the TCC and the FCR); (C) all parties to Unexpired Leases and Executory Contracts with the Debtor; (D) all taxing authorities listed on the Debtor's Schedules or in the Debtor's Claims database; (E) the Department of the Treasury by service upon the District Director of the IRS; (F) state attorneys general and state departments of revenue for states in which the Debtor has conducted business; and (G) the Securities and Exchange Commission; in each case, (I) in accordance with the solicitation procedures governing such service and (II) in substantial compliance with Bankruptcy Rules 2002(b), 3017, and 3020(b). Such transmittal and service were adequate and sufficient to bind, among other parties, each holder of a Talc Personal Injury Claim, and each party represented by the FCR, and no other or further notice is or shall be required.

(xviii) Each holder of a Talc Personal Injury Claim and each party represented by the TCC or the FCR has been afforded due process based on the notice referenced in clause (xvii) above, the appointment of the TCC and the FCR, and the Plan's compliance with section 524(g) of the Bankruptcy Code.

(xix) The Bankruptcy Code authorizes the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4, and from and after the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust, no Imerys/Cyprus Party may assert under any Imerys/Cyprus Agreement or otherwise (i) any defense that the Plan or any other Plan Document does not comply with the Bankruptcy Code or (ii) any defense that the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.3, or any other action contemplated by Section 4.9.3, is prohibited by any Imerys/Cyprus Agreement or by applicable non-bankruptcy law.

(xx) The Bankruptcy Code authorizes the transfer and assignment of the Talc Insurance Assets by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4, and from and after the transfer and assignment of the Talc Insurance Assets to the Talc Personal Injury Trust pursuant to Section 4.9.4, no Talc Insurance Company may assert under any Talc Insurance Policy or Talc Insurance Settlement Agreement (i) any defense that the Plan or any other Plan Document does not comply with the Bankruptcy Code or (ii) any defense that the transfer and assignment of the Talc Insurance Assets by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4, or any other action contemplated by Section 4.9.4, is prohibited by any Talc Insurance Policy or Talc Insurance Settlement Agreement or by applicable non-bankruptcy law.

(xxi) Neither the Plan nor any other Plan Document, including the Trust Distribution Procedures, creates any obligation under Case Management Order No. 7(A) entered by the United States District Court for the District of New Jersey in the multidistrict litigation *In re: Johnson & Johnson Talcum Powder Products Marketing, Sales Practices and Products Liability Litigation*, Civil Action No. 3:16-md-02738, that would require the Reorganized Debtor or the Talc Personal Injury Trust to withhold any amounts from payments made by it under the Plan or any other Plan Document, including the Trust Distribution Procedures, in respect of Talc Personal Injury Claims to account for any common benefit assessments thereunder or to make any payment to the common benefit fund account established pursuant thereto.

(f) The Bankruptcy Court and the District Court, as required, shall have entered an order approving the Channeling Injunction and the Insurance Entity Injunction, which order may be included in the Confirmation Order and which order shall be in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel.

(g) The Debtor shall have entered into a settlement agreement with Imerys Talc America, Inc. and such other Imerys/Cyprus Parties as may be necessary or appropriate in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel, pursuant to which a contribution shall be made to the Talc Personal Injury Trust by or on behalf of the Imerys/Cyprus Parties.

8.2 Conditions Precedent to the Effective Date of the Plan. Notwithstanding any other provision of the Plan or the Confirmation Order, the Effective Date of the Plan shall occur on the first Business Day on which each of the following conditions has been satisfied or waived pursuant to Section 8.3:

(a) The Confirmation Order in form and substance reasonably acceptable to the Debtor, J&J, and the AHC of Supporting Counsel shall have been entered by the Bankruptcy Court and the District Court acting jointly or by the District Court affirming an order entered separately by the Bankruptcy Court, and shall have become a Final Order.

(b) An order shall have been entered by the Bankruptcy Court and the District Court acting jointly or by the District Court affirming an order entered separately by the Bankruptcy Court approving the Channeling Injunction and the Insurance Entity Injunction and authorizing the Debtor and the Reorganized Debtor to implement the Plan, which order may be included in the Confirmation Order and which order shall be in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel.

(c) The Confirmation Order, the Channeling Injunction, and the Insurance Entity Injunction shall be in full force and effect, and no order shall be in effect staying or enjoining the implementation or enforcement of the Plan, the Confirmation Order, the Channeling Injunction, or the Insurance Entity Injunction.

(d) The Talc Personal Injury Trust Defenses, initial Cash Contribution, Talc PI Note, Talc PI Pledge Agreement, Imerys/Cyprus Related Rights, and Trust Insurance Assets shall, simultaneously with the occurrence of the Effective Date or as otherwise provided herein, be delivered, transferred, and assigned, as applicable, to the Talc Personal Injury Trust in accordance with Article IV.

(e) The Talc Personal Injury Trust Agreement (and related documents), and the other applicable Plan Documents (including those attached to the Plan Supplement) necessary or appropriate to implement the Plan shall have been executed, delivered, and, where applicable, filed with the appropriate governmental units in form and substance acceptable to the Debtor, J&J, and the AHC of Supporting Counsel, and shall be fully enforceable in accordance with their terms.

(f) The fees of the United States Trustee then owing by the Debtor shall have been paid in full.

(g) The Canadian Court shall have entered an order in the Canadian Proceeding recognizing the Confirmation Order in its entirety and ordering the Confirmation Order and the Plan to be implemented and effective in Canada in accordance with their terms.

The Effective Date shall occur as of 12:01 a.m., prevailing Eastern Time, on the date that the Debtor or Reorganized Debtor files a notice with the Bankruptcy Court stating that the Effective Date has occurred because each of the conditions to the Effective Date has been satisfied or waived in accordance with the Plan.

8.3 Waiver of Conditions Precedent. To the greatest extent permitted by law, each of the conditions precedent in this Article VIII may be waived or modified, in whole or in part, by the Debtor (with the consent of (a) in the event such waiver or modification affects the rights of J&J expressly contained herein, J&J and (b) in the event such waiver or modification affects the rights of the AHC of Supporting Counsel expressly contained herein, the AHC of Supporting Counsel). For the avoidance of doubt, the condition precedent to Confirmation of the Plan set forth in Section 8.1(g) may not be waived or modified, in whole or in part, by the Debtor without the consent of J&J and the AHC of Supporting Counsel. Any waiver or modification of a condition precedent under this Section 8.3 may be effected at any time, without notice, without leave or order of the Bankruptcy Court or District Court, and without any other formal action. Confirmation and the Effective Date shall occur irrespective of whether any Claims allowance process or related litigation has been completed.

8.4 Notice of Effective Date. The Debtor shall file with the Bankruptcy Court a notice of the occurrence of the Effective Date within five (5) Business Days thereafter, which notice shall confirm that the foregoing conditions have been satisfied or waived.

8.5 Effect of Nonoccurrence of Conditions Precedent to the Effective Date of the Plan. If any of the conditions precedent to the Effective Date of the Plan set forth in Section 8.2 has not been satisfied or duly waived in accordance with Section 8.3, then, upon motion by the Debtor made before the time that each of such conditions precedent has been satisfied or duly waived and

upon notice to such parties in interest as the Bankruptcy Court may direct, the Confirmation Order shall be vacated by the Bankruptcy Court; *provided, however*, that, notwithstanding the filing of such motion, the Confirmation Order may not be vacated if each of the conditions precedent set forth in Section 8.2 is either satisfied or duly waived before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section 8.5: (a) the Plan shall be null and void in all respects, including with respect to the discharge of Claims; and (b) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against, or any Interest in, the Debtor or (ii) prejudice in any manner the rights, including any claims or defenses, of the Debtor or any other Person.

ARTICLE IX MEANS FOR IMPLEMENTATION OF THE PLAN

9.1 General. On or after the Confirmation Date, the Debtor shall be empowered and authorized to take or cause to be taken, prior to the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtor to implement effectively the provisions of the Plan, the Talc Personal Injury Trust Documents, and the Confirmation Order, including the creation of the Talc Personal Injury Trust and the preparations for the delivery, transfer, and assignment of assets to the Talc Personal Injury Trust pursuant to Article IV.

9.2 Operations of the Debtor Prior to the Effective Date. The Debtor shall continue to operate as debtor and debtor-in-possession through and until the Effective Date.

9.3 Articles of Organization and Operating Agreement. From and after the Effective Date, the Reorganized Debtor shall be governed pursuant to the Amended Charter Documents. The Amended Articles of Organization and the Amended Operating Agreement shall contain such provisions as are necessary to satisfy the provisions of the Plan and, to the extent necessary to prohibit the issuance of non-voting equity securities as required by section 1123(a)(6) of the Bankruptcy Code, subject to further amendment of the Amended Charter Documents after the Effective Date, as permitted by applicable law.

9.4 Corporate Action. On the Effective Date, the matters under the Plan involving or requiring corporate action of the Debtor or Reorganized Debtor, including actions requiring a vote of the board of managers and execution of all documentation incident to the Plan, shall be deemed to have been authorized by the Confirmation Order and to have occurred and be in effect from and after the Effective Date without any further action by the Bankruptcy Court or the officers or managers of the Debtor or Reorganized Debtor.

9.5 Authority of Officers. Each officer of the Debtor and the Reorganized Debtor shall be authorized and empowered to execute, deliver, file, or record such contracts, instruments, releases, and other agreements and documents and take such other actions as may be necessary or appropriate to effect and implement the provisions of the Plan. The secretary or any assistant secretary of the Debtor or the Reorganized Debtor shall be authorized to certify or attest to any of the actions taken pursuant to this Section 9.5.

9.6 Post-Effective Date Governance; Continued Existence of the Reorganized Debtor.

9.6.1 General. The Reorganized Debtor shall continue its existence as a separate entity after the Effective Date, with all the powers thereof, pursuant to the applicable law in the jurisdiction in which the Reorganized Debtor is formed and pursuant to the Amended Charter Documents and any other formation documents in effect following the Effective Date, and such documents are deemed to be adopted pursuant to the Plan and require no further action or approval.

9.6.2 Officers and Managers. On the Effective Date, the officers and managers of the Reorganized Debtor shall consist of the individuals that will be identified in Exhibit O.

9.6.3 Property and Operations. On the Effective Date, all property of the Debtor's Estate other than the assets delivered, transferred, or assigned to the Talc Personal Injury Trust pursuant to Article IV, including any property acquired by the Debtor or the Reorganized Debtor pursuant to the Plan, shall vest in the Reorganized Debtor, free and clear of all Claims, interests, liens, other Encumbrances, and liabilities of any kind. On and after the Effective Date, the Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any claims, interests, or Retained Rights of Action, without supervision or approval by the Bankruptcy Court, or notice to any other Person, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

9.7 Arrangements of the Reorganized Debtor with Managers, Officers and Employees. As of the Effective Date, the Reorganized Debtor shall be authorized to: (a) maintain, amend, or revise existing indemnification and other arrangements with its active and retired managers and officers, subject to the terms and conditions of any such agreement, or enter into new indemnification and other arrangements with its active and retired managers and officers; and (b) maintain, amend, cancel, or revise the Secondment Agreement or enter into new employee secondment arrangements with its Affiliates; all as determined by the board of managers of the Reorganized Debtor.

9.8 Good Faith Compromise and Settlement. The Plan, the other Plan Documents, and the Confirmation Order constitute a good faith compromise and settlement of Claims and controversies based on the unique circumstances of this Chapter 11 Case, and none of the foregoing documents, the Disclosure Statement, or any other papers filed in furtherance of Plan Confirmation, nor any drafts of such documents, may be offered into evidence or deemed as an admission in any context whatsoever beyond the purposes of the Plan, in any other litigation or proceeding, except as necessary, and as admissible in such context, to enforce their terms before the Bankruptcy Court or any other court of competent jurisdiction.

9.9 Resolution of Talc Personal Injury Claims. Talc Personal Injury Claims shall be channeled to and resolved by the Talc Personal Injury Trust in accordance with the Talc Personal Injury Trust Documents, subject to: (a) the right of any Talc Insurance Company to raise any valid Talc Insurer Coverage Defense in response to any claim, cause of action, or right asserted by the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee

having the exclusive right to right (i) to pursue and resolve any Talc In-Place Insurance Coverage, (ii) to pursue and resolve any Talc Insurance Action, (iii) to pursue and obtain any Talc Insurance Recoveries, and (iv) to negotiate and enter into any Talc Insurance Settlement Agreement, pursuant to the Cooperation Agreement) in respect of any Talc Insurance Assets; and (b) the right of any Imerys/Cyprus Party to raise any valid Imerys/Cyprus Defense in response to any claim, cause of action, or right asserted by the Talc Personal Injury Trust in respect of any Imerys/Cyprus Related Rights.

9.10 Cash for Cash Contributions, Distributions, and Other Payments Pursuant to the Plan. All Cash for the payment of Cash Contributions, Distributions, and other Cash payments to be made by the Reorganized Debtor pursuant to the Plan and the Talc Personal Injury Trust Documents shall be funded by the Reorganized Debtor. All Cash necessary for the Reorganized Debtor to fund the payment of such Cash Contributions, Distributions, and other Cash payments pursuant to the Plan and the Talc Personal Injury Trust Documents shall be obtained through (a) the Reorganized Debtor's Cash balances, (b) the Funding Agreement and, if such funding is not provided to the Reorganized Debtor under the Funding Agreement as required pursuant thereto, the Support Agreement, or (c) such other means of financing or funding as determined by the board of managers of the Reorganized Debtor. On the Effective Date, J&J and Holdco shall execute and deliver to the Talc Personal Injury Trust the Cash Contributions Parent Guarantee as provided in Section 4.9.1(c). For the avoidance of doubt, nothing contained in this Section 9.10 shall in any way affect the obligations of J&J and Holdco under the Cash Contributions Parent Guarantee.

9.11 Modification of the Plan. To the extent permissible under section 1127 of the Bankruptcy Code, at any time prior to substantial consummation of the Plan, any proposed amendments to or modifications of the Plan under section 1127 of the Bankruptcy Code or as otherwise permitted by law may be submitted by the Debtor (with the consent of J&J and the AHC of Supporting Counsel), without additional disclosure pursuant to section 1125 of the Bankruptcy Code, unless section 1127 of the Bankruptcy Code requires additional disclosure. To the extent permissible under section 1127(b) of the Bankruptcy Code, following substantial consummation of the Plan, the Reorganized Debtor may remedy any defects or omissions or reconcile any inconsistencies in the Plan Documents for the purpose of implementing the Plan in such manner as may be necessary or appropriate to carry out the purposes and intent of the Plan. From and after the Effective Date, any holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented pursuant to this Section 9.11, unless the Bankruptcy Court rules otherwise.

9.12 Revocation or Withdrawal of the Plan. The Debtor reserves the right to revoke and withdraw the Plan (with the consent of J&J and the AHC of Supporting Counsel) at any time before its substantial consummation. If the Debtor revokes or withdraws the Plan, the Plan shall be deemed null and void and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtor, or any other Person, or to prejudice in any manner the rights of the Debtor, or such Person in any further proceedings involving the Debtor until the occurrence of the Effective Date. For the avoidance of doubt, unless and until the Plan is confirmed and the Effective Date occurs, the Plan will have no force or effect.

9.13 Certain Technical Modifications. Prior to the Effective Date, the Debtor may make appropriate technical adjustments and modifications to the Plan without further order or approval

of the Bankruptcy Court, to the extent permissible under section 1127 of the Bankruptcy Code; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the rights or protections of the Protected Parties or the treatment of holders of Claims or Interests under the Plan.

ARTICLE X EFFECT OF CONFIRMATION

10.1 Preservation of Rights of Action by the Debtor and the Reorganized Debtor.

10.1.1 Retained Rights of Action. The Reorganized Debtor shall retain and may enforce, prosecute or settle, and shall have the sole right to enforce, prosecute or settle, the Retained Rights of Action. The Reorganized Debtor or its successors may pursue or resolve such Retained Rights of Action, as appropriate in accordance with the best interests of the Reorganized Debtor or its successors holding such Retained Rights of Action. The Reorganized Debtor's rights under this Section 10.1.1 shall be preserved notwithstanding the occurrence of the Effective Date.

10.1.2 Reservation of Rights. No Person may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Retained Rights of Action against them as any indication that the Reorganized Debtor will not pursue the Retained Rights of Action. The Reorganized Debtor expressly reserves all rights to prosecute any and all Retained Rights of Action. Unless any of the Retained Rights of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Reorganized Debtor expressly reserves all such Retained Rights of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Rights of Action as a consequence of the Confirmation of the Plan.

10.1.3 Retained Defenses. Without limiting the generality of the foregoing, upon the Effective Date, except as expressly provided in Article IV with respect to Talc Personal Injury Trust Defenses, Imerys/Cyprus Related Rights, and Talc Insurance Assets, the Reorganized Debtor shall retain and enforce all defenses and counterclaims to all Claims that were or could have been asserted against the Debtor or its Estate, including setoff, recoupment, and any rights under section 502(d) of the Bankruptcy Code.

10.1.4 No Approval Required. On or after the Effective Date, subject to Article IV with respect to Talc Personal Injury Trust Defenses, Imerys/Cyprus Related Rights, and Talc Insurance Assets, the Reorganized Debtor may pursue, settle, or withdraw, without Bankruptcy Court approval, claims, rights, or causes of action as it determines in accordance with its best interests.

10.2 Imerys/Cyprus Related Rights. The provisions of this Section 10.2 shall apply to all Persons (including the Imerys/Cyprus Parties).

10.2.1 Preservation of Imerys/Cyprus Related Rights. All Imerys/Cyprus Related Rights, and all claims, causes of action, and rights in respect thereof, shall be

preserved notwithstanding anything to the contrary contained in the Plan or the Confirmation Order. For the avoidance of doubt, nothing in the Plan or the Confirmation Order shall discharge, settle, release, enjoin, or otherwise impair any claim against any Imerys/Cyprus Party based on, arising out of, or in any way relating to the Imerys/Cyprus Related Rights.

10.2.2 Actions in Respect of Imerys/Cyprus Related Rights From and After the Effective Date.

(a) Upon the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.3 on the Effective Date, the Imerys/Cyprus Related Rights shall exclusively vest in the Talc Personal Injury Trust in accordance with section 1123(a)(5)(B) of the Bankruptcy Code;

(b) From and after the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.3 on the Effective Date, the Talc Personal Injury Trust shall retain the Imerys/Cyprus Related Rights, and all claims, causes of action, and rights in respect thereof, as the appointed estate representative in accordance with section 1123(b)(3)(B) of the Bankruptcy Court; and

(c) From and after the transfer and assignment of the Imerys/Cyprus Related Rights by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.3 on the Effective Date, the Talc Personal Injury Trust shall have the exclusive right to pursue and resolve the Imerys/Cyprus Related Rights.

10.2.3 No Impairment of Rights or Obligations of Imerys/Cyprus Parties.

(a) Nothing contained in the Plan, the Plan Documents, or the Confirmation Order, including any provision that purports to be preemptory or supervening, shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying the rights or obligations of any Imerys/Cyprus Party or the Debtor arising out of or under any Imerys/Cyprus Agreement. For all issues relating to indemnity rights of the Debtor, including the venue and choice-of-law rules for resolving disputes relating thereto, the provisions, terms, conditions, and limitations of the Imerys/Cyprus Agreements shall control. For the avoidance of doubt, nothing contained in the Plan, the Plan Documents, or the Confirmation Order shall operate to require any Imerys/Cyprus Party to indemnify or pay the liability of any other Protected Party that it would not have been required to pay in the absence of the Plan, or to impose any requirement for an Imerys/Cyprus Party to mount the defense of any claim, indemnify any claim, or otherwise undertake any action that an Imerys/Cyprus Party would not have been required to take in the absence of the Plan.

(b) The Plan, the Plan Documents, the Confirmation Order, and all proceedings, determinations, and findings in, of, or by the Bankruptcy Court are neutral with respect to, and have no effect on, the rights, defenses, and obligations of the Debtor,

the Imerys/Cyprus Parties, and the Talc Personal Injury Trust under the Imerys/Cyprus Agreements. Nothing in the Chapter 11 Case shall be construed otherwise or be used as evidence to support or suggest a construction to the contrary.

10.2.4 Plan Binding on Imerys/Cyprus Parties. The Plan, the Plan Documents, and the Confirmation Order shall be binding on the Imerys/Cyprus Parties; *provided, however,* that, except as provided in Section 10.2.5, none of (a) the Bankruptcy Court's approval of the Plan or the Plan Documents, (b) the Confirmation Order or any findings and conclusions entered with respect to Confirmation, nor (c) any estimation or valuation of Talc Personal Injury Claims, either individually or in the aggregate (including any agreement as to the valuation of Talc Personal Injury Claims) in the Chapter 11 Case shall, with respect to the Imerys/Cyprus Parties, constitute a trial or hearing on the merits or an adjudication, judgment, finding, conclusion, or other determination, or be used as evidence of or suggestion regarding the rights and obligations of any of them under any Imerys/Cyprus Agreement.

10.2.5 Issues Actually Litigated by Imerys/Cyprus Parties. Nothing in this Section 10.2 is intended or shall be construed to preclude otherwise applicable principles of *res judicata* or collateral estoppel from being applied against the Imerys/Cyprus Parties with respect to any issue that is actually litigated by any of them as part of its objections, if any, to Confirmation of the Plan or as part of any contested matter or adversary proceeding filed by any Imerys/Cyprus Party in conjunction with or related to Confirmation of the Plan; *provided, however,* that any Plan objection that an Imerys/Cyprus Party withdraws prior to the conclusion of the Confirmation Hearing (or a finding that an Imerys/Cyprus Party lacks standing to litigate or is otherwise unable to or chooses not to litigate at or before the Confirmation Hearing) shall be deemed not to have been actually litigated. The resolution of any related objection raised by other parties and any related findings or determinations (other than those contemplated by Section 8.1(e)(xix)) shall not be offered for evidentiary purposes nor be binding on any Imerys/Cyprus Party in any way or otherwise prejudice, impair, or affect (under principles of preclusion, waiver, estoppel, or otherwise) an Imerys/Cyprus Party's legal, equitable, or contractual rights or obligations. No Imerys/Cyprus Party shall be bound, prejudiced, impaired, or affected (under principles of preclusion, waiver, estoppel, or otherwise) by the fact that an Imerys/Cyprus Party withdrew, chose to withdraw, or did not press any objection or argument before or after Confirmation.

10.3 Talc Insurance Assets. The provisions of this Section 10.3 shall apply to all Persons (including all Talc Insurance Companies).

10.3.1 Preservation of Talc Insurance Assets. Except as otherwise provided in Section 11.2.1, all Talc Insurance Assets, and all claims, causes of action, and rights in respect thereof, shall be preserved notwithstanding anything to the contrary contained in the Plan or the Confirmation Order. For the avoidance of doubt, except as otherwise provided in Section 11.2.1, nothing in the Plan or the Confirmation Order shall discharge, settle, release, enjoin, or otherwise impair any claim against any Talc Insurance Company based on, arising out of, or in any way relating to the Talc Insurance Assets.

10.3.2 Actions in Respect of Talc Insurance Assets From and After the Effective Date.

(a) Upon the transfer and assignment of the Talc Insurance Assets by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4 on the Effective Date, subject to the provisions of Section 4.9.4 and the Cooperation Agreement, the Talc Insurance Assets shall exclusively vest in the Talc Personal Injury Trust in accordance with section 1123(a)(5)(B) of the Bankruptcy Code;

(b) From and after the transfer and assignment of the Talc Insurance Assets by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4 on the Effective Date, subject to the provisions of Section 4.9.4 and the Cooperation Agreement, the Talc Personal Injury Trust shall retain the Talc Insurance Assets, and all claims, causes of action, and rights in respect thereof, as the appointed estate representative in accordance with section 1123(b)(3)(B) of the Bankruptcy Court; and

(c) From and after the transfer and assignment of the Talc Insurance Assets by the Reorganized Debtor to the Talc Personal Injury Trust pursuant to Section 4.9.4 on the Effective Date, pursuant to the provisions of Section 4.9.4 and the Cooperation Agreement, (i) the Reorganized Debtor, as the agent for and subrogee of the Talc Personal Injury Trust, shall have the exclusive right (A) to pursue and resolve any Talc In-Place Insurance Coverage, (B) to pursue and resolve any Talc Insurance Action, (C) to pursue and obtain any Talc Insurance Recoveries, and (D) to negotiate and enter into any Talc Insurance Settlement Agreement and (ii) any of the following received by the Talc Personal Injury Trust shall be delivered to, and retained by, the Reorganized Debtor: (A) all proceeds of Talc In-Place Insurance Coverage; (B) all proceeds or benefits of any Talc Insurance Action; and (C) all amounts payable pursuant to any Talc Insurance Settlement Agreement. For the avoidance of doubt, nothing in the Plan, the Plan Documents, or the Confirmation Order shall impair or otherwise affect any rights that any LTL Corporate Party may have under any Talc Insurance Policy or Talc Insurance Settlement Agreement.

10.3.3 No Impairment of Rights or Obligations of Talc Insurance Companies.

(a) Except as provided in any Talc Insurance Settlement Agreement or in Section 11.2.1 or Section 11.3.1, nothing contained in the Plan, the Plan Documents, or the Confirmation Order, including any provision that purports to be preemptory or supervening, shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying the rights or obligations of any Talc Insurance Company or the Debtor arising out of or under any Talc Insurance Policy. For all issues relating to insurance coverage, the provisions, terms, conditions, and limitations of the Talc Insurance Policies or Talc Insurance Settlement Agreements shall control. For the avoidance of doubt, nothing contained in the Plan, the Plan Documents, or the Confirmation Order shall operate to require any Talc Insurance Company to indemnify or pay the liability of any Protected Party that it would not have been required to pay in the absence of the Plan.

(b) The Plan, the Plan Documents, the Confirmation Order, and all proceedings, determinations, and findings in, of, or by the Bankruptcy Court are neutral with respect to, and have no effect on, the rights, defenses, and obligations of the Debtor, the Talc Insurance Companies, and the Talc Personal Injury Trust under the Talc Insurance Policies. Nothing in the Chapter 11 Case shall be construed otherwise or be used as evidence to support or suggest a construction to the contrary.

10.3.4 Plan Binding on Talc Insurance Companies. The Plan, the Plan Documents, and the Confirmation Order shall be binding on the Talc Insurance Companies; *provided, however*, that, except as provided in Section 10.3.6, none of (a) the Bankruptcy Court's approval of the Plan or the Plan Documents, (b) the Confirmation Order or any findings and conclusions entered with respect to Confirmation, nor (c) any estimation or valuation of Talc Personal Injury Claims, either individually or in the aggregate (including any agreement as to the valuation of Talc Personal Injury Claims) in the Chapter 11 Case shall, with respect to any Talc Insurance Company, constitute a trial or hearing on the merits or an adjudication, judgment, finding, conclusion, or other determination, or be used as evidence of or suggestion regarding the rights and obligations of any Talc Insurance Company under any Talc Insurance Policy.

10.3.5 Plan Protections of Settling Talc Insurance Companies. No provision of the Plan, other than those provisions contained in the applicable Injunctions set forth in Article XI, shall be interpreted to affect or limit the protections afforded to any Settling Talc Insurance Company by the Channeling Injunction or the Insurance Entity Injunction.

10.3.6 Issues Actually Litigated by the Talc Insurance Companies. Nothing in this Section 10.3 is intended or shall be construed to preclude otherwise applicable principles of *res judicata* or collateral estoppel from being applied against any Talc Insurance Company with respect to any issue that is actually litigated by such Talc Insurance Company as part of its objections, if any, to Confirmation of the Plan or as part of any contested matter or adversary proceeding filed by such Talc Insurance Company in conjunction with or related to Confirmation of the Plan; *provided, however*, that any Plan objection that a Talc Insurance Company withdraws prior to the conclusion of the Confirmation Hearing (or a finding that a Talc Insurance Company lacks standing to litigate or is otherwise unable to or chooses not to litigate at or before the Confirmation Hearing) shall be deemed not to have been actually litigated. The resolution of any related objection raised by other parties and any related findings or determinations (other than those contemplated by Section 8.1(e)(xx)) shall not be offered for evidentiary purposes nor be binding on any Talc Insurance Company in any way or otherwise prejudice, impair, or affect (under principles of preclusion, waiver, estoppel, or otherwise) a Talc Insurance Company's legal, equitable, or contractual rights or obligations. No Talc Insurance Company shall be bound, prejudiced, impaired, or affected (under principles of preclusion, waiver, estoppel, or otherwise) by the fact that a Talc Insurance Company withdrew, chose to withdraw, or did not press any objection or argument before or after Confirmation.

10.4 Preservation of Rights of Action by the Talc Personal Injury Trust. As of the Effective Date, the Talc Personal Injury Trust shall be empowered to initiate, prosecute, defend, settle, maintain, administer, preserve, pursue, and resolve all legal actions and other proceedings

related to any asset, liability, or responsibility of the Talc Personal Injury Trust, including Talc Personal Injury Claims and Talc Personal Injury Trust Defenses. Without limiting the foregoing, on and after the Effective Date, the Talc Personal Injury Trust shall be empowered to initiate, prosecute, defend, settle, maintain, administer, preserve, pursue, and resolve all such actions in the name of either the Debtor or the Reorganized Debtor, if deemed necessary or appropriate by the Talc Personal Injury Trust. The Talc Personal Injury Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other charges incurred subsequent to the Effective Date arising out of or in any way relating to any such legal action or other proceeding. This Section 10.4 shall not apply to legal actions and other proceedings related to the Imerys/Cyprus Related Rights, which shall be pursued, resolved, and settled in accordance with the provisions of Section 4.9.3 and Section 10.2, or the Talc Insurance Assets, which shall be pursued, resolved, and settled in accordance with the provisions of Section 4.9.4, Section 10.3, and the Cooperation Agreement.

10.5 Terms of Injunctions and Automatic Stay.

10.5.1 General. All of the injunctions and/or automatic stays provided for in or in connection with the Chapter 11 Case, whether pursuant to sections 105, 362, or any other provision of the Bankruptcy Code, Bankruptcy Rules, or other applicable law in existence immediately prior to the Confirmation Date, shall remain in full force and effect until the Injunctions become effective pursuant to a Final Order, and shall continue to remain in full force and effect thereafter as and to the extent provided by the Plan, the Confirmation Order, or by their own terms. In addition, on and after Confirmation, the Debtor may seek such further orders as the Debtor deems necessary or appropriate to preserve the *status quo* during the time between the Confirmation Date and the Effective Date.

10.5.2 Effectiveness. Each of the Injunctions contained in the Plan or the Confirmation Order shall become effective on the Effective Date and shall continue in effect at all times thereafter unless otherwise provided by the Plan or the Confirmation Order.

10.6 The FCR and the TCC.

10.6.1 General. The FCR and the TCC shall continue in their official capacities until the Effective Date. The Debtor shall pay the reasonable fees and expenses incurred by the FCR and the TCC through the Effective Date, in accordance with the Compensation Procedures Order, the Fee Examiner Order, and the terms of the Plan, including Section 2.2.

10.6.2 Dissolution. On the Effective Date, the TCC shall dissolve and the members of such committee shall be released and discharged from all duties and obligations arising from or related to the Chapter 11 Case. Similarly, on the Effective Date, the FCR shall be deemed released and discharged from all duties and obligations from or related to the Chapter 11 Case. The Professionals retained by the TCC and the members thereof or by the FCR shall not be entitled to assert any Fee Claim for any services rendered or expenses incurred after the Effective Date, except for services rendered and expenses

incurred in connection with any applications for allowance of compensation and reimbursement of expenses pending on the Effective Date or filed and served after the Effective Date pursuant to Section 2.2.

10.7 No Effect on United States Trustee. Nothing in this Section 10 shall limit or otherwise affect the rights of the United States Trustee under section 502 of the Bankruptcy Code or otherwise to object to Claims or requests for allowance of Fee Claims and other Administrative Claims.

10.8 Binding Effect. Subject to Section 10.2 and Section 10.3, the Plan, the Plan Documents, and the Confirmation Order shall be binding on the Debtor, the Reorganized Debtor, the Talc Personal Injury Trust, any and all holders of Claims against or Interests in the Debtor (regardless of whether such Claim or Interest is Impaired and regardless of whether such holder voted to accept the Plan), and any and all other Persons that are affected in any manner by the Plan.

ARTICLE XI

DISCHARGE, SETTLEMENT, RELEASES, INJUNCTIONS, AND EXCULPATION

11.1 Discharge and Injunctions

11.1.1 Discharge of Claims Against the Debtor. As of the Effective Date, Confirmation of the Plan shall afford the Debtor a discharge to the fullest extent permitted by Bankruptcy Code sections 524 and 1141(d)(1).

11.1.2 Discharge Injunction. From and after the Effective Date, to the maximum extent permitted under applicable law, all Persons that hold, have held, or may hold a Claim, demand, or other debt or liability that is discharged are permanently enjoined from taking any of the following actions on account of, or on the basis of, such discharged Claims, demands, debts, or liabilities: (i) commencing or continuing any action or other proceeding of any kind against the Debtor, the Reorganized Debtor, or their respective property; (ii) enforcing, attaching, collecting, or recovering by any manner or means of any judgment, award, decree, or order against the Debtor, the Reorganized Debtor, or their respective property; (iii) creating, perfecting, or enforcing any lien or other Encumbrance of any kind against the Debtor, the Reorganized Debtor, or their respective property; and (iv) commencing or continuing any judicial or administrative proceeding, in any forum and in any place in the world, that does not comply with or is inconsistent with the provisions of the Plan or the Confirmation Order. The foregoing injunction shall extend to the successors of the Debtor (including the Reorganized Debtor) and their respective properties and interests in property. The discharge provided in this Section 11.1.2 shall void any judgment obtained against the Debtor at any time, to the extent that such judgment relates to a discharged Claim or demand.

11.2 Settlement of Certain Estate Claims

11.2.1 Settlement of Certain Claims Against Certain Released Parties. Pursuant to Bankruptcy Rule 9019 and in consideration for the Distributions and

other benefits provided under the Plan, any and all claims against the Reorganized Debtor, the LTL Corporate Parties, and the respective Representatives of the Debtor, the Reorganized Debtor, and the LTL Corporate Parties that are or would have been property of the Estate or could have been brought by the Estate, including Recovery Actions and any claims based upon a legal or equitable theory of liability in the nature of veil piercing, alter ego, successor liability, vicarious liability, fraudulent transfer, malpractice, breach of fiduciary duty, waste, fraud, or conspiracy, except for Intercompany Claims, shall be deemed settled, released, and extinguished. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims and the Bankruptcy Court's finding that such compromise or settlement is in the best interest of the Debtor, the Reorganized Debtor, and the holders of Claims and Interests and is fair, equitable, and reasonable. For the avoidance of doubt, nothing contained in this Section 11.2.1 shall release or affect the obligations of any Person to be performed from and after the Effective Date under the Funding Agreement or the Support Agreement.

11.2.2 Settlement of Certain Claims Against Holders of Talc Personal Injury Claims. Pursuant to Bankruptcy Rule 9019 and in consideration for the releases and other benefits provided under the Plan, any and all claims against the holders of Talc Personal Injury Claims who received payments in respect of their claims from the Debtor or any of its predecessors, or from any Affiliate of the Debtor or any of its predecessors, prior to the Petition Date, and their professionals (but only with respect to their representation of or work for such holders in connection with such payments), that are or would have been property of any of the Estate or could have been brought by the Estate or any Protected Party, including Recovery Actions, and any claims based upon a legal or equitable theory of liability, in each case arising out of, based upon, or resulting from payments to holders of Talc Personal Injury Claims from the Debtor or any of its predecessors, or from any Affiliate of the Debtor or any of its predecessors, prior to the Petition Date, shall be deemed settled, released, and extinguished. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims and the Bankruptcy Court's finding that such compromise or settlement is in the best interest of the Debtor, the Reorganized Debtor, and the holders of Claims and Interests and is fair, equitable, and reasonable.

11.3 Releases.

11.3.1 Releases by the Debtor and Its Estate. As of the Effective Date, for good and valuable consideration (including services provided before and during the Chapter 11 Case to facilitate the implementation of the Talc Personal Injury Trust), the adequacy of which is hereby confirmed, the Reorganized Debtor, the LTL Corporate Parties, and the respective Representatives of the Debtor, the Reorganized Debtor, and the LTL Corporate Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Debtor and the Estate from any and all claims, counterclaims, disputes, obligations, suits,

judgments, damages, demands, debts, rights, causes of action, liens, remedies, losses, contributions, indemnities, costs, liabilities, fees (including attorneys' fees) and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor or the Estate (including any Recovery Actions), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that the Debtor or the Estate would have been legally entitled to assert in its own right, or on behalf of the holder of any Claim or Interest or other Person, based on, arising out of, or in any way relating to, in whole or in part, the Debtor (as it existed prior to or after the Petition Date), the 2021 Corporate Restructuring, the 2021 Chapter 11 Case, the Prepetition Funding Agreement Modifications, the Estate, the Chapter 11 Case, the purchase, sale, or rescission of the purchase or sale of any security of the Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements or interactions (including the exercise of any common law or contractual rights of setoff or recoupment at any time on or prior to the Effective Date) between the Debtor, on the one hand, and the Reorganized Debtor, any LTL Corporate Party, or any Representative of the Debtor, the Reorganized Debtor, or any LTL Corporate Party, on the other hand, the restructuring of any Claim or Interest before or during the Chapter 11 Case, the Disclosure Statement, the Plan, and related agreements, instruments, and other documents, and the negotiation, formulation, preparation, or implementation of, the solicitation of votes with respect to, the Plan, or any other related act or omission. Notwithstanding the foregoing, claims or causes of action against the Reorganized Debtor, any LTL Corporate Party, or any Representative of the Debtor, the Reorganized Debtor, or any LTL Corporate Party arising out of or relating to any act or omission of such Person prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act, actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to this Section 11.3.1. For the avoidance of doubt, nothing contained in this Section 11.3.1 shall release or otherwise affect the obligations of any Person to be performed from and after the Effective Date under the Funding Agreement, the Support Agreement, the Cash Contributions Parent Guarantee, or any other Plan Document to which it is a party. The Reorganized Debtor, and any other entity that continues the Debtor's business after the Effective Date, shall be bound, to the same extent the Debtor and the Estate are bound, by the releases set forth in this Section 11.3.1.

11.3.2 Releases by Holders of Claims. As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties before and during the Chapter 11 Case to facilitate the implementation of the Talc Personal Injury Trust, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released, to the maximum extent permitted by law, as such law may be extended subsequent to

the Effective Date, by the Releasing Claim Holders from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, causes of action, liens, remedies, losses, contributions, indemnities, costs, liabilities, fees (including attorneys' fees), and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor or the Estate (including any Recovery Actions), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively), or on behalf of the holder of any Claim or Interest or other Person, based on, arising out of, or in any way relating to, in whole or in part, the Debtor (as it existed prior to or after the Petition Date), the 2021 Corporate Restructuring, the 2021 Chapter 11 Case, the Prepetition Funding Agreement Modifications, the Estate, the Chapter 11 Case, the purchase, sale, or rescission of the purchase or sale of any security of the Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements or interactions (including the exercise of any common law or contractual rights of setoff or recoupment at any time on or prior to the Effective Date) between the Debtor, on the one hand, and any other Released Party, on the other hand, the restructuring of any Claim or Interest before or during the Chapter 11 Case, the Disclosure Statement, the Plan, and related agreements, instruments, and other documents, and the negotiation, formulation, preparation, or implementation thereof, the solicitation of votes with respect to the Plan, or any other related act or omission. Notwithstanding the foregoing, claims or causes of action against a Released Party arising out of or relating to any act or omission of such Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act, actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to this Section 11.3.2. For the avoidance of doubt, nothing contained in this Section 11.3.2 shall release or otherwise affect the obligations of any Person to be performed from and after the Effective Date under the Funding Agreement, the Support Agreement, or the Cash Contributions Parent Guarantee or any other Plan Document to which it is a party.

11.3.3 Injunction Related to Releases. The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively, or otherwise, of any claims, commitments, obligations, suits, judgments, damages, demands, debts, causes of action, and liabilities released pursuant to this Section 11.3.

11.4 Channeling Injunction and Insurance Entity Injunction. In order to supplement the injunctive effect of the Discharge Injunction, and pursuant to sections 524(g) and 105(a) of the Bankruptcy Code, the Confirmation Order shall provide for the following permanent injunctions to take effect as of the Effective Date.

11.4.1 Channeling Injunction.

(a) To preserve and promote the settlements contemplated by and provided for in the Plan and pursuant to the exercise of the equitable jurisdiction and power of the Bankruptcy Court and the District Court under sections 524(g) and 105(a) of the Bankruptcy Code, notwithstanding anything to the contrary contained in the Plan, (i) the sole recourse of any holder of a Talc Personal Injury Claim against a Protected Party (on account of such Talc Personal Injury Claim) shall be to and against the Talc Personal Injury Trust pursuant to the Talc Personal Injury Trust Documents and (ii) such holder shall have no right whatsoever at any time to assert its Talc Personal Injury Claim against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all holders of Talc Personal Injury Claims shall be permanently and forever stayed, restrained, barred, and enjoined from taking any action for the purpose of, directly or indirectly or derivatively, collecting, recovering, or receiving payment, satisfaction, or recovery of, on, or with respect to any Talc Personal Injury Claim against a Protected Party other than from the Talc Personal Injury Trust pursuant to the Talc Personal Injury Trust Documents, including:

(i) commencing, conducting, or continuing in any manner, directly, indirectly, or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;

(ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering, by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against any Protected Party or any property or interests in property of any Protected Party;

(iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any lien of any kind against any Protected Party or any property or interests in property of any Protected Party;

(iv) asserting, implementing, or effectuating any setoff, recoupment, right of contribution, reimbursement, subrogation, or indemnification, or similar right of any kind, in any manner, directly or indirectly, against any obligation due to any Protected Party or

against any property or interests in property of any Protected Party;
and

(v) taking any act in any manner, and in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan, the Plan Documents, or the Talc Personal Injury Trust Documents or with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Talc Personal Injury Trust, except in conformity and compliance with the Talc Personal Injury Trust Documents.

(b) Notwithstanding anything to the contrary in Section 11.4.1(a), this Channeling Injunction shall not impair:

(i) the rights of holders of Talc Personal Injury Claims to assert such Talc Personal Injury Claims solely against the Talc Personal Injury Trust in accordance with the Talc Personal Injury Trust Documents;

(ii) the rights of holders of Talc Personal Injury Claims to assert such claims against anyone other than a Protected Party;

(iii) the rights of all Persons to assert any Claim, debt, obligation, cause of action, or liability for payment of Talc Personal Injury Trust Expenses solely against the Talc Personal Injury Trust;
or

(iv) the Talc Personal Injury Trust from enforcing its rights explicitly provided to it under the Plan and the Talc Personal Injury Trust Documents, including the Imerys/Cyrus Related Rights.

(c) There shall be no modification, dissolution, or termination of the Channeling Injunction, which shall be a permanent injunction.

(d) Nothing in the Plan or the Talc Personal Injury Trust Agreement shall be construed in any way to limit the scope, enforceability, or effectiveness of the Channeling Injunction issued in connection with the Plan or the Talc Personal Injury Trust's assumption of all liability with respect to Talc Personal Injury Claims.

(e) The Debtor's compliance with the formal requirements of Bankruptcy Rule 3016(c) shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

(f) Any Protected Party may enforce the Channeling Injunction as a defense to any Claim brought against such Protected Party that is enjoined under the Plan as to such Protected Party and may seek to enforce such injunction in a court of competent jurisdiction.

(g) If a non-Settling Talc Insurance Company asserts that it has Contribution Claims against a Settling Talc Insurance Company, (i) such Contribution Claims may be asserted as a defense or counterclaim against the Talc Personal Injury Trust in any Talc Insurance Action involving such non-Settling Talc Insurance Company, and the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee having the exclusive right to pursue and resolve any Talc Insurance Action, pursuant to the Cooperation Agreement) may assert the legal or equitable rights (if any) of the Settling Talc Insurance Company, and (ii) to the extent such Contribution Claims are determined to be valid, the liability (if any) of such non-Settling Talc Insurance Company to the Talc Personal Injury Trust shall be reduced by the amount of such Contribution Claims.

11.4.2 **Insurance Entity Injunction.**

(a) In order to protect and preserve the Talc Insurance Assets, pursuant to the equitable jurisdiction and power of the Bankruptcy Court, the Bankruptcy Court shall issue the Insurance Entity Injunction; *provided, however*, that the Insurance Entity Injunction is not issued for the benefit of any Talc Insurance Company, and no Talc Insurance Company is a third-party beneficiary of the Insurance Entity Injunction, except as otherwise specifically provided in any Talc Insurance Settlement Agreement.

(b) Subject to the provisions of Section 11.4.1 and this Section 11.4.2, all Persons that have held or asserted, that hold or assert, or that may in the future hold or assert any claim, demand, or cause of action against any Talc Insurance Company based on, arising out of, or in any way relating to any Talc Personal Injury Claim, whenever and wherever arising or asserted, whether in the United States of America or anywhere else in the world, whether sounding in tort, contract, warranty, or any other theory of law, equity, or admiralty, shall be stayed, restrained, and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments, satisfaction, or recovery with respect to any such claim, demand, or cause of action including:

(i) commencing, conducting, or continuing, in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum with respect to any such claim, demand, or cause of action against any Talc Insurance Company, or against the property of any Talc Insurance Company, with respect to any such claim, demand, or cause of action;

(ii) enforcing, levying, attaching, collecting, or otherwise recovering, by any means or in any manner, whether directly or indirectly, any judgment, award, decree, or other order against any Talc Insurance Company, or against the property of any Talc Insurance Company, with respect to any such claim, demand, or cause of action;

(iii) creating, perfecting, or enforcing in any manner, directly or indirectly, any Encumbrance against any Talc Insurance Company, or the property of any Talc Insurance Company, with respect to any such claim, demand, or cause of action; and

(iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution, or recoupment of any kind, directly or indirectly, against any obligation of any Talc Insurance Company, or against the property of any Talc Insurance Company, with respect to any such claim, demand, or cause of action;

provided, however, that (A) the injunction set forth in this Section 11.4.2(b) shall not impair in any way (I) any actions pursued by the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee, pursuant to the Cooperation Agreement) against any Talc Insurance Company or (II) the rights of any co-insured of the Debtor (x) with respect to any Talc Insurance Policy or Talc Insurance Settlement Agreement against any Talc Insurance Company or (y) as specified under any Final Order of the Bankruptcy Court approving a Talc Insurance Settlement Agreement; and (B) the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee, pursuant to the Cooperation Agreement) shall have the sole and exclusive authority at any time to terminate, or reduce or limit the scope of, the injunction set forth in this Section 11.4.2(b) with respect to any Talc Insurance Company upon express written notice to such Talc Insurance Company, except that the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee, pursuant to the Cooperation Agreement) shall not have any authority to terminate, reduce, or limit the scope of the injunction herein with respect to any Settling Talc Insurance Company so long as, but only to the extent that, such Settling Talc Insurance Company complies fully with its obligations under any applicable Talc Insurance Settlement Agreement.

(c) Notwithstanding anything to the contrary above, this Insurance Entity Injunction shall not enjoin:

(i) the rights of all Persons to the treatment accorded them under the Plan, as applicable, including the rights of holders of Talc Personal Injury Claims to assert such Claims, as applicable, in accordance with the Talc Personal Injury Trust Documents;

(ii) the rights of all Persons to assert any claim, debt, obligation, cause of action, or liability for payment of Talc Personal Injury Trust Expenses solely against the Talc Personal Injury Trust;

(iii) the rights of the Talc Personal Injury Trust (acting through the Reorganized Debtor, as its agent and subrogee, pursuant to the Cooperation Agreement) (A) to pursue and resolve any Talc In-Place Insurance Coverage, (B) to pursue and resolve any Talc Insurance Action, (C) to pursue and obtain any Talc Insurance

Recoveries, and (D) to negotiate and enter into any Talc Insurance Settlement Agreement; or

(iv) the rights of any Talc Insurance Company to assert any claim, debt, obligation, cause of action, or liability for payment against any other Talc Insurance Company that is not a Settling Talc Insurance Company, or as otherwise specifically provided in any Talc Insurance Settlement Agreement.

(d) For the avoidance of doubt, nothing in the Plan, the Plan Documents, or the Confirmation Order shall impair or otherwise affect any rights that any LTL Corporate Party may have under any Talc Insurance Policy or Talc Insurance Settlement Agreement.

11.5 Exculpation.

11.5.1 Exculpation of Certain Parties. None of the Exculpated Parties shall have or incur any liability to any Person for any act or omission taken or to be taken, whether before, on, or after the Petition Date through and including the Effective Date in connection with, arising out of, or in any way relating to: (a) the 2021 Corporate Restructuring, the 2021 Chapter 11 Case, the Prepetition Funding Agreement Modifications, or the Chapter 11 Case; (b) the negotiation, formulation, and preparation of the Plan and the other Plan Documents, and any of the terms and/or settlements and compromises reflected in the Plan and the other Plan Documents, and the releases and Injunctions contained in the Plan; (c) the pursuit of Confirmation of the Plan; (d) the administration, consummation, and implementation of the Plan or the property to be distributed under the Plan or the Trust Distribution Procedures; or (e) the management or operation of the Debtor (except for any liability that results primarily from such Person's criminal acts, actual fraud, willful misconduct, or gross negligence as determined by a Final Order). In all respects, each and all of such Persons shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under, or in connection with, the Chapter 11 Case, the Plan, the Plan Documents, and the administration of each of them.

11.5.2 Injunction Related to Exculpation. The Confirmation Order shall permanently enjoin all Persons from taking any action against any Exculpated Party for the purpose of, directly or indirectly or derivatively, receiving payment of, on, or with respect to any liability from which the Exculpated Parties are exculpated pursuant to this Section 11.5.

11.6 Disallowed Claims. On and after the Effective Date, the Debtor and the Reorganized Debtor shall have no liability or obligation on a Disallowed Claim, and any order disallowing a Claim which is not a Final Order as of the Effective Date solely because of a Person's right to move for reconsideration of such Final Order pursuant to section 502 of the Bankruptcy Code or Bankruptcy Rule 3008 shall, nevertheless, become and be deemed to be a Final Order on the Effective Date. The Confirmation Order shall constitute a Final Order: (a) disallowing all Claims (other than Talc Personal Injury Claims) to the extent such Claims are not allowable under

any provision of Section 502 of the Bankruptcy Code, including time-barred Claims and Claims for unmatured interest, and (b) disallowing or subordinating to all other Claims, as the case may be, any Claims for penalties, punitive damages or any other damages not constituting compensatory damages.

11.7 No Successor Liability. The Reorganized Debtor does not, pursuant to the Plan or otherwise, assume, agree to perform, pay, or indemnify any Person, or otherwise have any responsibility for any liabilities or obligations of the Debtor arising out of or in any way relating to the operations of or assets of the Debtor, whether arising prior to, on, or after the Effective Date. None of the Reorganized Debtor, the other Protected Parties, and the Talc Personal Injury Trust is, or shall be deemed to be, a successor to the Debtor by reason of any theory of law or equity (except as otherwise provided in Article IV), and none shall have any successor or transferee liability of any kind or character; *provided, however*, the Reorganized Debtor and the Talc Personal Injury Trust shall assume and remain liable for their respective obligations specified in the Plan and the Confirmation Order.

11.8 Corporate Indemnities.

11.8.1 Prepetition Indemnification and Reimbursement Obligations. The obligations of the Debtor to indemnify and reimburse Persons who are or were managers, officers, or employees of the Debtor on the Petition Date or at any time thereafter through the Effective Date, against and for any obligations pursuant to the articles of organization or operating agreement of the Debtor, applicable state or non-bankruptcy law, or specific agreement, or any combination of the foregoing, (a) shall survive Confirmation of the Plan and remain unaffected thereby, (b) are assumed by the Debtor, and (c) shall not be discharged under Section 1141 of the Bankruptcy Code, irrespective of whether indemnification or reimbursement is owed in connection with any event occurring before, on, or after the Petition Date.

11.8.2 Plan Indemnity. In addition to the matters set forth above and not by way of limitation thereof, the Debtor shall indemnify, defend, and hold harmless all Persons who are or were managers or officers of the Debtor on the Petition Date or at any time thereafter through the Effective Date on account of and with respect to any claim, cause of action, liability, judgment, settlement, cost, or expense (including attorney's fees) on account of claims or causes of action threatened or asserted by any third party against such managers or officers that seek contribution, indemnity, equitable indemnity, or any similar claim, based upon or as the result of the assertion of primary claims against such third party by any representative of the Debtor's Estate.

11.8.3 Limitation on Indemnification. Notwithstanding anything to the contrary set forth in the Plan or elsewhere, the Debtor and the Reorganized Debtor, as applicable, shall not be obligated to indemnify, defend, or hold harmless any Person for any claim, cause of action, liability, judgment, settlement, cost, or expense that results primarily from (i) such Person's bad faith, gross negligence, or willful misconduct or (ii) a Talc Personal Injury Claim.

11.9 Independent Legal Significance of Individual Provisions. For the avoidance of doubt, each of Sections 11.1 through 11.8 is legally independent from the other such Sections and the validity and effect of any such Section is not dependent upon, will not be affected in any manner by, and will not be interpreted or construed by reference to any other such Section. By way of illustration and not limitation, the releases set forth in Section 11.3 are independent from, will not be affected in any manner by, and will not be interpreted or construed by reference to the Channeling Injunction set forth in Section 11.4.

ARTICLE XII JURISDICTION OF BANKRUPTCY COURT

12.1 Jurisdiction. Subject to Section 12.3, the Bankruptcy Court shall retain the fullest and most extensive exclusive jurisdiction (and to the extent not permitted, non-exclusive jurisdiction) that is permissible, including the jurisdiction necessary to ensure that the purposes and intent of the Plan are carried out. The Bankruptcy Court shall retain exclusive jurisdiction (and to the extent not permitted, non-exclusive jurisdiction) to hear and determine all Claims against the Debtor, and to adjudicate and enforce the Talc Insurance Actions, and all other causes of action which may exist on behalf of the Debtor.

12.2 Specific Purposes. Subject to Section 12.3, in furtherance to the foregoing, the Bankruptcy Court shall retain exclusive jurisdiction (and to the extent not permitted, non-exclusive jurisdiction) for each of the following specific purposes after Confirmation of the Plan:

- (a) to modify the Plan after Confirmation, pursuant to the provisions of the Bankruptcy Code and the Bankruptcy Rules;
- (b) to correct any defect, cure any omission, reconcile any inconsistency, or make any other necessary changes or modifications in or to the Plan, the Talc Personal Injury Trust Agreement, or the Confirmation Order as may be necessary to carry out the purposes and intent of the Plan;
- (c) to assure the performance by the Talc Personal Injury Trust and the Disbursing Agent of their respective obligations under the Plan;
- (d) to enforce and interpret the terms and conditions of the Plan, the other Plan Documents, and the Talc Personal Injury Trust Agreement; to enter such orders or judgments, including injunctions (i) as are necessary to enforce the title, rights, and powers of the Reorganized Debtor and the Talc Personal Injury Trust, and (ii) as are necessary to enable holders of Claims to pursue their rights against any Person that may be liable therefor pursuant to applicable law or otherwise;
- (e) to hear and determine any motions or contested matters involving taxes, tax refunds, tax attributes, tax benefits, and similar or related matters, including contested matters arising on account of transactions contemplated by the Plan, or relating to the period of administration of the Chapter 11 Case;

(f) to hear and determine all applications for compensation of Professionals and reimbursement of expenses under sections 327, 328, 329, 330, 331, 503(b), or 1103 of the Bankruptcy Code;

(g) to hear and determine any causes of action arising during the period from the Petition Date through the Effective Date, or in any way related to the Plan or the transactions contemplated hereby;

(h) to adjudicate any Retained Rights of Action that are retained by the Reorganized Debtor hereunder, including any Recovery Actions and the causes of action listed or described on Exhibit G;

(i) to resolve any matters related to the assumption, assumption and assignment, or rejection of any Executory Contract or Unexpired Lease to which the Debtor is a party or with respect to which the Debtor or the Reorganized Debtor may be liable and to hear, determine and, if necessary, liquidate any Claims arising therefrom, including any Cure Amount Claims;

(j) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(k) to determine the allowance and/or disallowance of any Claims, including Administrative Claims, against the Debtor or the Estate, including any objections to any such Claims, and the compromise and settlement of any Claim, including Administrative Claims, against the Debtor or the Estate;

(l) to determine all questions and disputes regarding title to the assets of the Debtor or the Estate, or the Talc Personal Injury Trust;

(m) to issue such orders as may be necessary for the addition of any Settling Talc Insurance Company as a Protected Party;

(n) to hear and determine any other matters related hereto, including the implementation and enforcement of all orders entered by the Bankruptcy Court in the Chapter 11 Case;

(o) to resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Case, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Case, any bar date established in the Chapter 11 Case, in each case, for the purpose of determining whether a Claim is discharged hereunder or for any other purpose;

(p) to enter in aid of implementation of the Plan such orders as are necessary, including the implementation and enforcement of the releases and the Injunctions described herein; and

(q) to enter and implement such orders as may be necessary or appropriate if any aspect of the Plan, the Talc Personal Injury Trust, or the Confirmation

Order is, for any reason or in any respect, determined by a court to be inconsistent with, violative of, or insufficient to satisfy any of the terms, conditions, or other duties associated with any Talc Insurance Policy, *provided, however*, (i) such orders shall not impair any Talc Insurer Coverage Defense or the rights, claims, or defenses, if any, of any Talc Insurance Company that are set forth or provided for in the Plan, the Plan Documents, the Confirmation Order, or any other Final Orders entered in the Chapter 11 Case, (ii) this provision does not, in and of itself, grant the Bankruptcy Court jurisdiction to hear and decide disputes arising out of or relating to any Talc Insurance Policy, and (iii) all interested parties, including any Talc Insurance Company, reserve the right to oppose or object to any such motion or order seeking such relief.

To the extent that the Bankruptcy Court is not permitted under applicable law to preside over any of the foregoing matters, the reference to the “Bankruptcy Court” in this Article shall be deemed to be replaced by the “District Court.” Notwithstanding anything to the contrary in this Article 12, the resolution of Talc Personal Injury Claims, and the forum in which such resolution will occur, shall be governed by and in accordance with the provisions of Section 3.2.4 and Article IV and the Talc Personal Injury Trust Documents.

12.3 District Court Jurisdiction. The District Court shall, without regard to the amount in controversy, retain exclusive jurisdiction after entry of the Confirmation Order to hear and determine any motion to extend the Channeling Injunction, and shall be deemed to have withdrawn the reference to the Bankruptcy Court for such purpose.

12.4 Reservation of Rights. Nothing contained in the Plan will (i) constitute a waiver of any claim, right, or cause of action that the Debtor, the Reorganized Debtor, or the Talc Personal Injury Trust, as the case may be, may hold against the insurer under any policy of insurance or insurance agreement, except to the extent the insurer is a Settling Insurance Company; or (ii) limit the assertion, applicability, or effect of any Talc Insurer Coverage Defense.

12.5 Compromises of Controversies. From and after the Effective Date, the Reorganized Debtor and/or the Talc Personal Injury Trust, as appropriate based on assets and liabilities retained or owed by each respectively, shall be authorized to compromise controversies in their discretion in a manner not inconsistent with the terms of the Plan, without notice to any other party or approval of or notice to the Bankruptcy Court.

ARTICLE XIII MISCELLANEOUS PROVISIONS

13.1 Closing of Chapter 11 Case. The Reorganized Debtor shall, promptly after the full administration of the Chapter 11 Case, file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Case.

13.2 Timing of Distributions or Actions. If any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

13.3 Governing Law. Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules), or an instrument, agreement, or other document executed under the Plan provides otherwise, the rights, duties, and obligations arising under the Plan, and the instruments, agreements, and other documents executed in connection with the Plan, shall be governed by, and construed and enforced in accordance with, the internal laws of the State of New Jersey without giving effect to the principles of conflicts of law thereof.

13.4 Entire Agreement. The Plan Documents set forth the entire agreement and undertakings relating to the subject matter thereof and supersede all prior discussions, negotiations, understandings, and documents. No Person shall be bound by any terms, conditions, definitions, warranties, understandings, or representations with respect to the subject matter hereof, other than as expressly provided for in the Plan or the other Plan Documents or as may hereafter be agreed to by the affected parties in writing.

13.5 Headings. Headings are utilized in the Plan for convenience and reference only and shall not constitute a part of the Plan for any other purpose.

13.6 Notices to the Debtor and Reorganized Debtor. All notices, requests, and demands required or permitted to be provided to the Debtor or the Reorganized Debtor under the Plan, in order to be effective, shall be in writing, and unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, to the addresses set forth below:

TRUST DISTRIBUTION PROCEDURES

The Trust Distribution Procedures (hereafter “TDP”) contained herein provide the means for resolving all Talc Personal Injury Claims, including Individual Claims, Indirect Talc Personal Injury Claims, TPP Lien Claims, and Governmental Action Claims, as provided in and required by the Plan and the Talc Personal Injury Trust Agreement (the “Trust Agreement”).

The Plan and the Trust Agreement establish the Talc Personal Injury Trust (the “Trust”). The trustee(s) of the Trust (the “Trustees”) shall implement and administer these TDP in accordance with the Trust Agreement.

Article 1

INTRODUCTION & OVERVIEW

1.1 Purpose

These TDP have been adopted pursuant to the Plan and Trust Agreement and are intended to provide reasonable assurance that the Trust will evaluate, value, and pay Talc Personal Injury Claims that involve similar claims in substantially the same manner, and otherwise comply with the requirements of a trust set forth in section 524(g) of the Bankruptcy Code. To achieve this goal, these TDP set forth procedures for processing, evaluating, resolving, and paying (as appropriate) Individual Claims through either the Qualification Evaluation Process or the Accelerated Evaluation Process described herein, and for liquidating and paying Indirect Talc Personal Injury Claims, including Governmental Action Claims. These TDP are designed to be consistent with characteristics known to be relevant to the valuation of Talc Personal Injury Claims in the tort system, including disease type and age at diagnosis, and/or the theories promulgated by plaintiffs’ experts in the MDL, including time since last talc use.

1.2 Interpretation

Except as expressly provided below, nothing in these TDP shall be deemed to create a substantive right for the holder of any Talc Personal Injury Claim. To the extent these TDP provide certain rights and benefits to holders of Talc Personal Injury Claims, such rights and benefits shall vest in such holders as of the Effective Date.

1.3 Exclusivity

These TDP and any related procedures set forth or designated herein shall be the sole and exclusive method by which a Person may seek allowance and distribution on a Talc Personal Injury Claim.

1.4 General Principles

These TDP are founded on the following principles:

- 1) The efficient resolution of all Talc Personal Injury Claims and equitable valuation of all similarly situated Talc Personal Injury Claims;

- 2) Clear and objective qualification and valuation criteria;
- 3) Clear and reliable evidentiary requirements;
- 4) A rigorous review and evaluation process requiring the Trustees to determine the appropriate Scheduled Values for Individual Claims in accordance with these TDP and applicable law;
- 5) Independence of the Trust and the Trustees;
- 6) Administrative transparency; and
- 7) Fraud detection and prevention.

Article 3

TDP ADMINISTRATION

3.1 General Administration

3.1.1 Coordination of Trustees, Claims Administrator & Claims Processor

The Trust shall utilize the services of the Claims Administrator and Claims Processor to assist in the evaluation of claims submitted to the Trust. The Trustees shall implement these TDP to resolve any and all existing and future Individual Claims, Indirect Talc Personal Injury Claims, and Governmental Action Claims pursuant to the Plan and Trust Agreement, with the assistance of the Claims Administrator and the Claims Processor. Further, the Trustees, the Claims Administrator, and the Claims Processor shall consult and coordinate with each other to develop and implement administrative and background processes intended to (i) provide the Trustees with all information necessary to implement these TDP, (ii) streamline the submission procedures for Individual Claimants, (iii) ensure maximally efficient evaluation of the Individual Claims and the Reconsideration Requests, (iv) ensure proper application of the Qualification Criteria and audit provisions described herein, and (v) limit payment of Trust funds to and promote prompt payment of Allowed Claims.

3.1.2 Preparation of and Deadline for Distribution of Trust Rules and Submission Procedures

Within sixty (60) days following entry of the Confirmation Order, the Trustees shall propose detailed Submission Procedures required by these TDP to the TAC and FCR, whose approvals are required prior to distribution of the Submission Procedures to counsel for Individual Claimants. Such approvals shall not be unreasonably withheld; however, if either TAC or FCR approval is not obtained, the Trustee is authorized to seek an order of the Bankruptcy Court approving the proposed Submission Procedures. Promptly after approval, the Trustees shall make the Submission Procedures publicly available on a website addressing the same.

To effectuate this Section and the other terms of these TDP, immediately upon entry of the Confirmation Order, the Trustees, the Claims Administrator, and the Claims Processor shall coordinate with respect to the development, procurement, documentation, and finalization of the comprehensive platforms, systems, procedures, rules, documents, and actions necessary to implement these TDP.

3.1.3 Consent & Consultation Requirements

The Trustees shall administer the Trust and implement these TDP in consultation with the TAC, the FCR, and the Payor. Pursuant to the Plan, the Trust Agreement, and these TDP, the Trustees, in consultation with the Payor, shall (i) obtain the consent of the TAC and FCR on such matters as are required herein or in the Trust Agreement, including with respect to any proposed substantive amendment, change, or modification to the terms of these TDP, and (ii) consult and coordinate with the Claims Administrator and Claims Processor with respect to the submission, evaluation, and processing of Individual Claims.

In the event that consultation with or consent of the TAC and FCR is required, the Trustees shall provide written notice to the TAC and each of its members and the FCR, the Claims Administrator, and the Claims Processor. The Trustees shall not proceed with any matter requiring consent or consultation unless and until the parties have engaged in the Consultation Process or the Consent Process defined and described in the Trust Agreement. Neither the TAC nor the FCR shall unreasonably withhold consent sought by the Trustees pursuant to these TDP; however, if the Trustees are unable to obtain consent required by these TDP, then the Trustees are authorized to seek an order of the Bankruptcy Court approving the proposal or matter at issue, including any substantive amendment, change, or modification to the terms of these TDP.

Notwithstanding the foregoing, absent Bankruptcy Court approval after appropriate notice and opportunity to object, neither the Trustees, Claims Administrator, Claims Processor, Lien Resolution Administrator, TAC nor FCR may amend these TDP in any material manner that is inconsistent with the Plan.

3.2 Appropriateness of Costs

The Trustees shall seek to ensure that the costs incurred by the Trust with respect to evaluating and investigating the validity of the Claim Materials submitted by an Individual Claimant are necessary and reasonable in light of the expected benefit to the Trust. Nothing herein, however, shall prevent the Trustees from either (i) contesting the validity of any Individual Claim, whatever the costs, or (ii) declining to accept the Claim Materials from sources determined to be deceptive, fraudulent, or otherwise unreliable.

The Trustees shall periodically, and at least annually, review the cost of evaluating and investigating the Submitted Claims and take steps to reduce such costs where feasible and appropriate, while still ensuring that the Trust's obligations pursuant to the Plan, the Trust Agreement, and these TDP are appropriately satisfied.

3.3 Lien Resolution

3.3.1 In General

With respect to Existing Claims that become Qualifying Ovarian Cancer Claims pursuant to these TDP, the Debtor anticipates that related medical liens shall be resolved through the TPP Lien Claims Sub-Trust funds, with appropriate allocations to each Qualifying Ovarian Cancer Claim to be determined by the Trustees in coordination with the Lien Resolution Administrator. With respect to Future Claims that become Qualifying Ovarian Cancer Claims, the Lien Resolution Administrator shall endeavor to ensure that final negotiated lien amounts allocated to resolve Individual Claims is substantially similar to those allocated to resolve Qualifying Ovarian Cancer Claims of Existing Claimants. To that end, the Lien Resolution Administrator is authorized to individually or collectively resolve valid medical liens and claims that are asserted against holders of Future Claims, *provided* that any collective resolution of such liens or claims should be based on common characteristics of such Future Claims as a percentage of the then-known aggregate amount of funds allocated to satisfy Existing Claims. The Trustees shall seek to ensure that each such collective resolution of valid medical liens or claims by the Lien Resolution Administrator is substantially similar to each other collective resolution, and individual resolutions taken as a whole.

3.3.2 Procedures

Upon completion of (i) the applicable evaluation process for each Allowed Claim, and (ii) resolution of any Reconsideration Request of the Claim Administrator's determinations, the Settlement Trust remit the Allowed Claim Amount to a segregated account under the control of the Lien Resolution Administrator pending the satisfaction and release of liens, TPP Lien Claims, Indirect Derivative Talc Personal Injury Claims, and the resolution of any related administrative issues, after which time payment to the relevant Individual Claimant and/or his/her respective attorneys will be made. Subject to the terms of the Trust Agreement, the Lien Resolution Administrator shall, among other things, be responsible for the distribution of net proceeds for Allowed Claims to the appropriate Approved or Qualifying Claimants. All Lien Resolution Administrator Expenses related to TPP Lien Claims shall be paid using Talc Personal Injury TPP Lien Claims Sub-Trust Funds.

On or as soon as practicable following the Effective Date and the submission of any Individual Claim to the Trust, the Lien Resolution Administrator shall begin working to quantify any and all known medical liens or claims (other than liens or claims asserted by Settling Third Party Payors) arising from or related to any Individual Claims for which liens are not covered by Talc Personal Injury TPP Lien Claims Sub-Trust Funds, with the goal of negotiating the satisfaction of any such liens or claims as to each Allowed Claim by the time the Trustees have finalized the relevant Allowed Claim Amount. The Lien Resolution Administrator shall be responsible for the satisfaction of any and all such known and valid liens, including TPP Lien Claims, and Indirect Derivative Talc Personal Injury Claims arising from or related to each Allowed Claim from the TPP Lien Claims Sub-Trust Funds or Allowed Claim Amount being held in the segregated account referenced above. The Lien Resolution Administrator shall provide written verification of the same to the Trustees, Reorganized Debtor, and the Payor prior to distributing the remaining portion of the Allowed Claim Amount to the relevant Individual

Claimant or his/her counsel. Neither the Debtor, the Reorganized Debtor, nor any LTL Corporate Party shall bear any responsibility for payment of any Individual Claimant's liens.

3.4 Trust Disclosure of Information

Periodically, and at least annually, the Trust shall publish a report summarizing the Individual Claims resolved pursuant to these TDP, including breakdowns with respect to (i) the types of Individual Claim involved; (ii) application of the standard Qualification Process, Accelerated Evaluation Process, and/or any ADR Procedures, settlements, or litigations described herein, and (iii) the average Allowed Claim Amounts by type of Individual Claim, specific category of injury within the Qualification Criteria and Accelerated Claim Criteria. The Trustees also shall provide the Payor, the TAC, and the FCR with (i) a more detailed version of the above-mentioned report that also includes breakdowns as to Claimant's Jurisdiction and the law firm and/or attorneys representing Individual Claims submitted to the Trust, and (ii) detailed monthly status reports regarding the evaluation status of all Submitted Claims, as well as the valuation and payment status of all Approved Claims and Qualifying Claims for which Scheduled Values have been determined.

3.5 Notice Requirements

Following entry of the Confirmation Order, the Trustees shall, in consultation with the Payor, coordinate with the Claims Administrator to develop formal procedures for providing notice to Individual Claimants of determinations made pursuant to these TDP, which shall be adopted by the Trust upon consent of the TAC and FCR—provided that such consent shall not be unreasonably withheld, and that if such consent is not obtained, the Trustees are authorized to seek an order of the Bankruptcy Court authorizing the Trustees to develop such procedures. Such notice procedures must include both hard copy and electronic methods of notice and incorporate the applicable notice deadlines as set forth in these TDP.

Individual Claimants shall be provided with notice pursuant to the notice requirements adopted by the Trust after any determination is made by either the Claims Administrator or Trustees with respect to Individual Claims. This includes the following: (i) determinations that insufficient information has been submitted to the Trust to further evaluate an Individual Claim; (ii) determinations as to whether any Submitted Claim satisfied the Preliminary Evaluation Criteria; (iii) determinations as to whether any Confirmed Claim satisfies the required Qualification Criteria or Accelerated Claim Criteria, whichever is applicable; (iv) determinations as to whether or not any Individual Claim is an Allowed Claim; (v) determinations as to the Scheduled Value and/or Allowed Claim Amount for an Individual Claim; and (vi) determinations regarding the outcome of any Reconsideration Request.

3.6 Auditing

3.6.1 Cross-Trust Audit Program

The Trustees, in consultation with the Payor, and with the consent of the TAC and FCR, shall develop and implement a Cross-Trust Audit Program, which shall include methods for auditing the reliability of medical evidence, as well as the reliability of evidence of usage of talc or talc-containing products for which the Trust has legal responsibility and the reliability of

reporting on other asbestos exposure. Neither the TAC nor the FCR shall unreasonably withhold consent sought by the Trustees related to the development and/or implementation of the Cross-Trust Audit Program; however, if the Trustees are unable to obtain the required consent, then the Trustees are authorized to seek an order of the Bankruptcy Court approving the development and/or implementation of such Cross-Trust Audit Program. This Cross-Trust Audit Program will be designed to compare Individual Claims submitted to the Trust against claims filed with any other bankruptcy trusts at the sole discretion of the Auditor (defined below), and is not limited in count to the number of bankruptcy trusts that are subject to the Cross Trust Audit Program. Further, as part of its coordination with other bankruptcy trusts, the Trust shall fully comply with reasonable subpoenas served against it by other bankruptcy trusts or mass-tort trusts seeking to conduct a similar audit.

By submitting an Individual Claim to the Trust, regardless of the treatment sought, an Individual Claimant shall be deemed to have affirmatively consented to (i) any release by the Trust of necessary and sufficient information sought either through the Cross-Trust Audit Program or in response to any subpoena served against the Trust; (ii) any release by any other bankruptcy or mass-tort trusts that participate in the Cross-Trust Audit Program or the Trust has served a subpoena on, to the entity overseeing the Cross-Trust Audit Program (the "Auditor") of all information submitted to such other trusts by or on behalf of the relevant Individual Claimant pursuant to the provisions of the Cross-Trust Audit Program, or subpoena, if applicable, and (ii) disclosure by or to the Auditor of the status, amount, and date of payment made with respect to the claim asserted or filed by the relevant Individual Claimant to the Trust or any other bankruptcy or mass-tort trust.

To the extent that the Trustees believe it is relevant, nothing herein shall preclude the Trust or the Auditor, in the Trustees' sole discretion, from reviewing or taking into consideration filed state or federal court complaints, available discovery from any such case, or other claims filed against other mass-tort trusts. Any Individual Claimant subject to the Cross-Trust Audit Program shall cooperate with and provide the Trust with (i) any non-privileged information reasonably requested by the Trust, and (ii) upon request by the Trust, authorization to obtain from other mass tort trusts any information such claimant has provided to such other trusts.

3.6.2 Claims Audit Program

Separate from the Cross-Trust Audit Program, J&J and the Reorganized Debtor are authorized, but not required, under these TDP to design and implement its own annual Claims Audit Program, and to (i) audit up to ten percent (10%) of the determinations by the Claims Administrator and/or Trustees with respect to any and all Individual Claims submitted to the Trust, which may be either based on 10% of the total universe of Submitted Claims, or be a stratified subset of claims of particular interest to the Payor and/or the Reorganized Debtor, and/or (ii) audit any determinations by the Claims Administrator and/or Trustees with respect to any and all Individual Claims submitted to the Trust where the Individual Claimant is represented by a law firm or attorney whom the Trustees have previously determined submitted fraudulent or deceptive material to the Trust. Any Claims Audit Program pursuant to this Section shall be implemented by Barnes & Thornburg, LLP, as the Payor's agent. Except as otherwise detailed herein, the Payor has the sole discretion regarding whether and/or when to implement such Claims Audit Program. The Payor shall bear the costs associated with implementing the Claims Audit Program, except in

cases where the Claims Audit Program reveals that deception or fraudulent information has been provided to the Trust, as described below in Section 3.6.3.

3.6.3 Consequences of Audit Programs

In the event that the Trustees determine that an audit under either the Cross-Trust Audit Program or the Claims Audit Program reveals that deceptive or fraudulent information has been provided to the Trust with respect to an Individual Claim, the Trust may penalize the relevant Individual Claimant and his/her counsel by (a) disallowing the Individual Claim, (b) seeking to require the source of such deceptive or fraudulent information, including the Individual Claimant and his/her counsel, to reimburse the Trust and/or Payor for all costs incurred in connection with such audit and any future audit or audits of the Individual Claim, (c) reordering the priority of payment of the relevant Individual Claimant, (d) , and (e) any other appropriate action, including seeking sanctions. The Trust may also place reasonable restrictions, limitations, or affirmative requirements on Individual Claims submitted to the Trust in the future by Individual Claimants represented by any attorney and/or law firm who previously represented an Individual Claimant that was determined to have submitted deceptive or fraudulent information to the Trust, including (a) requiring that the attorney and/or law firm representing such Individual Claimants pay a \$1,000 penalty for each new Individual Claim submitted to the Trust, (b) subjecting all such Individual Claims to audit under the Cross-Trust Audit Program and/or the Claims Audit Program, provided that such audit shall not prejudice the relevant Individual Claimant with respect to the processing or evaluation of his/her Individual Claim, or, to the extent such Individual Claim is deemed an Allowed Claim, as to the timing of payment to the Individual Claimant.

Individual Claims determined to be subject to heightened scrutiny pursuant to any part of these TDP shall be automatically subject to audit under either the Cross-Trust Audit Program or the Claims Audit Program, or both. However, taken alone, the fact that an Individual Claim is subject to heightened scrutiny shall not affect or prejudice the relevant Individual Claimant, including with respect to the processing, evaluation, or payment of such the Individual Claim, or its place in the FIFO Processing Queue or the FIFO Payment Queue.

Claim Submissions must be signed under the pains and penalties of perjury and, to the maximum extent permitted under applicable law, the submission of a fraudulent Claim Submission may violate the criminal laws of the United States, including the criminal provisions applicable to Bankruptcy Crimes, including 18 U.S.C. § 152, and may subject those responsible to criminal prosecution in any federal court of competent jurisdiction.

Article 4

INDIVIDUAL CLAIMS ALLOWANCE PROCESS

4.1 General Principles

4.1.1 Recovery Only With Respect to a Single Individual Claim

An Individual Claimant may assert no more than one Individual Claim to the Trust, and may recover only in respect of such Individual Claim from the Trust, based on the Individual Claim asserted at the time he/she submitted the claim to the Trust. For the avoidance of doubt, after submitting his/her claim to the Trust, an Individual Claimant may not allege or seek to assert an

additional or different Individual Claim, with the exception that an Individual Claimant may at any time after the date his/her Individual Claim was submitted to the Trust, but before disallowance or payment of such Individual Claim, as applicable, request that his/her Individual Claim be processed pursuant to the Accelerated Evaluation Process, as set forth in Section 4.4.5.

4.1.2 Treatment of Individual Claims Previously Resolved

A. Individual Claims Previously Settled but Unpaid

If, prior to October 14, 2021, (i) an Individual Claimant submitted his/her Individual Claim to the Debtor and/or any LTL Corporate Party for settlement consideration, and thereafter (ii) reached an agreement with the Debtor and/or any LTL Corporate Party to settle said Individual Claim at an amount certain, but (iii) the Debtor and/or any LTL Corporate Party were unable to process the related transfer of settlement funds before October 14, 2021, then such Individual Claimant may choose to either: (i) submit his/her Individual Claim to the Trust for evaluation pursuant to the procedures set forth in these TDP; or (ii) agree to accept the amount certain that was previously agreed upon to settle his/her claim up to the Maximum Value allowed under these TDP. In the event that an Individual Claim is submitted to the Trust pursuant to this Section, the prior settlement agreement shall be immediately deemed null and void and relevant Individual Claimant's right to recover pursuant to such prior agreement waived.

B. Individual Claims Previously Settled and Paid

Any Individual Claimant who previously (i) reached a settlement with the Debtor or any of its predecessors related to an Individual Claim, (ii) settled in principle subject to a prepetition master settlement agreement ("MSA"), (iii) submitted a release (with the exception of Individual Claims subject to the preceding Section 4.1.2(A)), or (iv) received payment with respect to Individual Claim his/her such Individual Claimant may not receive any additional payment from the Settlement Trust. Further, any Individual Claim being submitted on behalf of or derivative of a previously released Individual Claimant may not receive any additional payment from the Settlement Trust. As part of the establishment of the Trust, the Debtor will provide the Trust and the Trustees with a list of all Individual Claimants subject to this Section, their Identifying Information, and basic settlement information.

C. Individual Claims Subject to Pending MSA Determination

If, prior to October 14, 2021, (i) an Individual Claimant submitted his/her Individual Claim to the Debtor and/or any LTL Corporate Party for settlement consideration, (ii) such Individual Claim is subject to a MSA with said Individual Claimant's counsel, but (iii) a determination as to whether said Individual Claim qualifies for a settlement has not yet been made (a "Pending MSA Determination"), then such Individual Claimant may not submit his/her Individual Claim for valuation pursuant to these TDP until such Pending MSA Determination is made. Individual Claims that are subject to a Pending MSA Determination and satisfy (i) and (ii) of this paragraph shall be tolled pursuant to Section 4.2.2(C)(i) below.

If, following a Pending MSA Determination, an Individual Claim is determined to satisfy the qualification criteria set forth in the relevant MSA (regardless of whether such Individual

Claim has received his/her final allocation pursuant to the MSA), then such Individual Claim is subject to Section 4.1.2.A above. However, if, following a Pending MSA Determination, the Individual Claim is rejected as ineligible for settlement under the relevant MSA, then such Individual Claim is subject to Section 4.1.2.D below.

D. Individual Claims Previously Rejected or Dismissed

Any individual who filed an Individual Claim in any state or federal court prior to October 14, 2021, which was thereafter dismissed with prejudice shall not be eligible to recover any payment whatsoever from the Trust.

Individual Claims which were filed before October 14, 2021, and thereafter either (i) dismissed without prejudice or (ii) rejected as ineligible under an MSA may be submitted to the Trust for evaluation pursuant to these TDP, but shall be subject to heightened scrutiny by the Trustees and the Claims Administrator during their evaluation. For the avoidance of doubt, such Individual Claimant must submit his/her Individual Claim to the Trust for evaluation pursuant to the procedures set forth in these TDP, just as any other Individual Claimant not subject to Section 4.1.2. Failure to submit such an Individual Claim to the Trust in accordance with the Submission Deadline and Submission Procedures provisions below in Sections 4.2 and 4.3, respectively, shall result in disallowance of such Individual Claim.

E. Individual Claims Otherwise Subject to Final Judgment

Any individual who filed an Individual Claim in any state or federal court, and whose Individual Claim was adjudicated and resulted in a final unfavorable judgment (*e.g.*, a defense verdict) shall not be eligible to recover any payment whatsoever from the Trust.

4.2 Submission Deadlines

4.2.1 Deadline to Submit Existing Individual Claims to Trust

Existing Individual Claimants must submit their Individual Claims to the Trust within one-hundred twenty (120) days of the Trust's distribution of its rules and Submission Procedures.¹ If an Individual Claimant fails to submit his/her Existing Individual Claim or seek a deferral pursuant to Section 4.3.3 within this time period, such Individual Claimant shall be deemed to have waived the right to submit his/her Existing Individual Claim or otherwise seek compensation from the Trust pursuant to these TDP.

¹ In the event that the Trustees fail to include an Existing Claimant or his/her counsel in the initial distribution of the Submission Procedures or Trust Rules, then the deadline for any such Existing Claimant to submit his/her Individual Claim to the Trust shall instead be the earlier of (i) one-hundred twenty (120) days after the Submission Procedures or Trust Rules are in fact distributed to the Existing Claimant or his/her counsel, or (ii) within three (3) years of the Initial Filing Date.

4.2.2 Effect of Statutes of Limitations and Repose

A. Existing Individual Claims Previously Filed in Tort System

For each Individual Claim submitted to the Trust that was filed in the tort system against the Debtor and/or a Protected Party prior to October 14, 2021, to be considered timely and therefore eligible to pursue compensation via the procedures set forth in Article 4, the Individual Claim must have been timely filed pursuant to the applicable federal or state statutes of limitations and/or repose that were in effect at the time the related case was filed in the tort system.

B. Unfiled Existing Individual Claims

For each Existing Individual Claim submitted to the Trust that was not filed in the tort system against the Debtor, J&J, and/or a Protected Party prior to October 14, 2021, to be considered timely and therefore eligible to pursue compensation via the procedures set forth in Article 4, the Individual Claim must not be time-barred under the applicable federal or state statutes of limitations as listed in Exhibit [●] to these TDP. The applicable federal or state statutes of limitations shall be deemed to have begun running as of the date that J&J publicly announced the discontinuation of the sale of talc-containing products, including J&J Talc Products, which was May 19, 2020.

C. Tolling and Timeliness

(i) Existing Individual Claims

The running of the applicable statute of limitations or repose shall be considered tolled as of the earliest of: (a) October 14, 2021; (b) the actual filing of a claim against Debtor, J&J, and/or a Protected Party in the tort system prior to the October 14, 2021; or (c) the date specified in any tolling agreement between the relevant Individual Claimant and the Debtor and/or J&J, provided such tolling was still in effect as of April 4, 2023. Any Existing Individual Claim that meets any of these three tolling provisions shall be treated as timely filed so long as (i) the claim was not barred by the applicable federal or state statute of limitations or repose at the time of the relevant tolling event, and (ii) the Submitted Claim is submitted to the Trust within one hundred twenty (120) days after the Initial Filing Date.

(ii) Future Individual Claims

Any Individual Claim involving a Date of Diagnosis after the Effective Date, irrespective of the application of any relevant federal or state statute of limitations or repose, shall be treated as timely filed if it is submitted to the Trust: (i) within three (3) years of the Initial Filing Date, (ii) within two (2) years of the relevant Date of Diagnosis, or (iii) within applicable state statutes of limitations, as listed in Exhibit [●] to these TDP, whichever is later.

4.3 Submission Procedures

The Submission Procedures shall be developed and adopted by the Trustees, in conjunction with the Claims Administrator and Claims Processor and with the consent of the TAC and FCR. The Submission Procedures shall include, but not be limited to, the following:

4.3.1 FIFO Processing Queue

The Trust shall order all claims to be reviewed for processing purposes on a FIFO basis in the order each Claim Submission is received, except as otherwise provided herein. For all Individual Claims submitted to the Trust on or before the date that is one hundred and twenty (120) days after the Initial Filing Date, an Individual Claimant's position in the FIFO Processing Queue shall be determined based on the earliest of (i) the date prior to the Petition Date that the Individual Claimant filed a related case against Debtor, J&J, or any other Protected Party in the tort system; (ii) the date prior to the Petition Date that the Individual Claimant filed a related case against another defendant in the tort system, if at the time the related claim against was subject to a tolling agreement with Debtor or J&J; (iii) the date the Individual Claim is submitted to the Trust; (iv) the date after the Petition Date but before the Effective Date that a Proof of Claim was filed by the Individual Claimant against the Debtor in the Debtor's first chapter 11 case; and (v) the date a ballot was submitted on behalf of the Individual Claimant for purposes of voting to accept or reject the Plan pursuant to voting procedures approved by the Bankruptcy Court.

For all Individual Claims involving a Claim Submission submitted more than one hundred and twenty (120) days after the Initial Filing Date, an Individual Claimant's position in the FIFO Processing Queue shall be determined based on the date that the Individual Claim was properly and completely submitted to the Trust. If any Claim Submissions are filed on the same date, an Individual Claimant's position in the applicable FIFO Processing Queue vis-à-vis such other same-day Claim Submissions shall be determined based on the alleged Date of Diagnosis for each, with the earlier Date of Diagnosis having priority over the later. In the event that two or more Individual Claims are submitted to the Trust on the same date and also have the same Date of Diagnosis, the Individual Claimant with the earliest date of birth shall receive priority in the FIFO Processing Queue over one with a later date of birth.

4.3.2 Withdrawal of Submitted Claims

An Individual Claimant may, at any time after submitting his/her Individual Claim to the Trust, withdraw his/her Submitted Claim, by providing written notice to the Trust. The related Individual Claimant shall retain the right to file a new Individual Claim after withdrawal of the first; however, any such subsequent Claim Submission shall be evaluated the same as a new Claim Submission and otherwise unrelated to the first, except that (i) it shall be subject to heightened scrutiny by Claim Administrator, Claim Processor, and Trustees, and (ii) the Individual Claimant's place in the FIFO Processing Queue shall be determined only based on most recent date that the Individual Claim was submitted to the Trust (*i.e.*, the Individual Claim is moved to the end of the queue).

4.3.3 Deferral of Submitted Claims

An Individual Claimant also may request that the Trust defer processing his/her Submitted Claim for up to three (3) years (a "Deferral Request") so long as the Deferral Request is made (i) in writing pursuant to any procedures adopted by the Trust for such requests, and (ii) before the date the Trustees provide notice to the Individual Claimant either that his/her Submitted Claim is being disallowed, or that the Submitted Claim is an Allowed Claim and of the Scheduled Value proposed by the Claims Administrator.

The Trust shall approve any properly submitted Deferral Request; however, the Trust may only defer a Submitted Claim for a maximum of three (3) years from the date the Individual Claim was originally submitted to the Trust, without such deferral affecting the status of the Submitted Claim for statute of limitations or repose purposes. Any Individual Claimant who makes a Deferral Request shall retain his/her original place in the applicable FIFO Processing Queue only until the earliest of (i) his/her written request that the Trust end the deferral and proceed with processing the relevant Individual Claim, (ii) the expiration of the deferral, or (iii) three (3) years after the date the deferred Individual Claim was originally submitted to the Trust.

4.3.4 Non-Responsive Individual Claimants

Except for those Individual Claimants who (a) have submitted a Reconsideration Request (as defined in as defined in Section 6.1 below), or (b) (i) hold Submitted Claims as a representative on behalf of a deceased or incompetent individual, and (ii) are required to obtain court approval before accepting any Scheduled Value proposed by Trust, Allowed Claimants shall have one hundred eighty (180) days from the date an offer is made by the Trust to accept such offer. In the event that an Individual Claimant neither accepts such settlement offer within 180 days nor falls under either exception (a) or (b) of this Section, such Individual Claimant's Individual Claim shall be deemed waived and ineligible for compensation from the Settlement Trust.

4.3.5 Submission Requirements

Any Individual Claimants who wishes to submit his/her respective Individual Claim to the Trust must satisfy the following applicable requirements with respect to the information and documentation required to prove that the Individual Claim should be allowed pursuant to these TDP. Regardless of the type of treatment sought, every Individual Claimant seeking compensation from the Trust must include the following at the time of submission (the "Submission Requirements"):

- 1) Citizenship/Residency: Proof that the Individual Claimant (and, to any extent applicable, the minor, deceased, or incapacitated individual represented by such Individual Claimant) is a United States citizen, a lawful permanent resident of the United States (or otherwise lawfully residing in the United States), or a Canadian citizen;
- 2) Claimant Information: All claimant information required under the Submission Procedures adopted by the Trust (the "Claimant Information"), including but not limited to the Individual Claimant's Identifying Information.
- 3) Proof of Claim: A properly completed Form 410 (*i.e.*, the "Proof of Claim"), which shall include, without limitation, complete information for where notices to the creditor should be sent, and where payments to the creditor should be sent (including if such payments should be sent directly to counsel

for the claimant). If there is any conflict between the Proof of Claim and the Claim Submission Form the Proof of Claim shall control;

- 4) Claim Submission Form: A properly completed Claim Submission Form (the template for which shall be attached to the Submission Procedures adopted by the Trust);
- 5) Retention Agreement: To the extent the Individual Claimant is represented by counsel, a copy of the related retention agreement;
- 6) Talc Use Evidence: A sworn affidavit or other testimony establishing the Individual Claimant's use, and extent of use, of any and all talc and talc-containing products (including J&J Talc Products) that the Individual Claimant reasonably believes is sufficient to satisfy the applicable Qualification Criteria or Accelerated Claim Criteria pursuant to these TDP;
- 7) Lack of Asbestos Exposure: In the case of a Mesothelioma Claim a sworn affidavit asserting the Mesothelioma Claimant does not, and will not in the future, allege any prior asbestos exposure unrelated to use of talc-based products that may form the basis of a mesothelioma claim he/she may assert against a separate asbestos trust or asbestos tort defendant; and
- 8) Medical Evidence: Medical records that the Individual Claimant reasonably believes is sufficient to (i) satisfy the applicable Qualification Criteria or Accelerated Claim Criteria pursuant to these TDP, and (ii) provide the Claims Administrator with all information necessary to accurately determine the appropriate Scheduled Value and Allowed Claim Amount.

While the precise extent of medical records required by the above Submission Requirements may vary from claim to claim, as well as generally, depending on the particular types of Individual Claims involved, diseases alleged, and other factors relevant to the valuation of Individual Claims pursuant to these TDP, in general, production of all pathology reports and contemporaneous treatment records, along with records sufficient to establish an Individual Claimant's relevant medical history, would be satisfactory for any Individual Claimant regardless of the type of Individual Claim asserted or Evaluation Track elected.

Notwithstanding the foregoing, in the event that the Medical Evidence submitted is deemed insufficient by the Claims Administrator to establish an Individual Claimant's relevant medical history, the Individual Claimant may submit an affidavit from his/her counsel attesting, under the pains and penalties of perjury, to the fact that all available relevant documentation has been submitted, which affidavit must show proof of the Individual Claimant's MyChart or similar patient portal. The Claims Administrator shall have the sole discretion to determine whether such affidavit is sufficient resolve the deficiency as to the Medical Evidence submitted. However, Medical Evidence that does not include either a pathology report related to the Individual Claimant's alleged disease or, for Ovarian Cancer Claims only, the Individual Claimant's treating physician's detailed report as to the Individual Claimant's pathologic diagnosis shall not be deemed satisfactory evidence to establish a Qualifying Claim. Individual Claimants who are

unable to satisfy these requirements may, however, still be eligible to proceed under the Accelerated Evaluation Process.

Individual Claims that are substantially complete at the time of submission shall be deemed Submitted Claims and be subjected to the Preliminary Evaluation Process set forth below.

4.3.6 Disallowed Claims

In the event that an Individual Claimant submits materials that are clearly insufficient (as determined by the Claims Administrator) to satisfy the Submission Requirements, the Trustees shall provide notice of each deficiency to such Individual Claimant and automatically defer the related Submitted Claim for sixty (60) days (the “Deficiency Cure Period”), to ensure the Individual Claimant a fair opportunity to cure any such deficiencies. If the Individual Claimant fails to either supplement his/her Submitted Claim with materials sufficient to resolve any deficiencies identified, or respond to the deficiency notice requesting further relief, the Submitted Claim at issue shall be disallowed (the “Disallowed Claim”) and the Trustees shall provide notice to the Individual Claimant of the same (the “Disallowed Claim Notice”).

If the Trustees find that a Submitted Claim is a Disallowed Claim, the Trustees will not perform the analysis pursuant to the Qualification Evaluation Process described below in Section 4.4.4. Individual Claimants shall have the ability to seek reconsideration of the Trustees’ determination set forth in the Disallowed Claim Notice as described in Article 6 herein.

4.4 Claim Evaluation Procedures

To determine whether each Individual Claim submitted to the Trust is either (i) legally valid and therefore should be allowed, or (ii) legally invalid and therefore should be disallowed, the Claims Administrator, in conjunction with the Claims Processor, shall act according to the following uniform procedures and guidelines to thoroughly and individually evaluate all related Claim Submissions.

4.4.1 FIFO Processing

Individual Claims shall be processed based on their place or places in the applicable FIFO Processing Queues based upon the election of an Evaluation Track. The Trust shall take all reasonable steps to resolve Individual Claims as efficiently and expeditiously as possible at each stage of claims processing, including with respect to any Reconsideration Requests and/or ADR Procedures, which steps may include, in the Trust’s sole discretion, conducting settlement discussions with representatives with respect to more than one Individual Claim at a time, provided that the relevant Individual Claimants’ respective positions in the applicable FIFO Processing Queues are maintained, and each Individual Claim is individually evaluated pursuant to the valuation factors set forth in Article 7.

4.4.2 Preliminary Evaluation of Claim Submissions

Within sixty (60) days of each Individual Claim being submitted to the Trust and thereby becoming a Submitted Claim, the Claims Administrator shall conduct a Preliminary Evaluation of the related Claim Submission to determine whether:

- a) the Submitted Claim was timely submitted to the Trust pursuant to Section 4.2;
- b) the Submitted Claim has not previously been submitted to the Trust pursuant to these TDP or otherwise (except for Individual Claims that were submitted and later formally withdrawn pursuant to Section 4.3.2);
- c) the Submitted Claim had not previously been resolved through litigation and/or settlement involving a Protected Party; and
- d) the Individual Claimant's Proof of Claim and Claim Submission are substantially and substantively completed and signed under penalty of perjury.

Submitted Claims that satisfy these four (4) preliminary criteria (the "Preliminary Evaluation Criteria") shall be deemed Confirmed Claims and thereafter routed to either the standard Qualification Evaluation Process or the Accelerated Evaluation Process, as elected by the Individual Claimant in his/her Claim Submission. Submitted Claims that fail to satisfy one or more of the Preliminary Evaluation Criteria shall be disallowed and the Trust shall give written notice to the Individual Claimant of the disallowance.

In the event that a Submitted Claim is disallowed because it was previously submitted to the Trust with different independent counsel, the Trust shall provide notice to the related Individual Claimant regarding the duplicative submission and such Claimant shall have thirty (30) days to submit to the Trust a certification signed by himself/herself, and both independent counsel who purported to represent the Individual Claimant for one of his/her Individual Submissions confirming which counsel shall be representing the Individual Claimant with respect to the original Submitted Claim and withdrawing any later Submitted Claim. If the Individual Claimant satisfies this option, he/she may retain his/her place in the FIFO Processing Queue and the Individual Claim may proceed through the evaluation processes set forth in these TDP. Failure to submit such certification shall result in (i) the original Submitted Claim being indefinitely deferred pending clarification from the Individual Claimant and his/her counsel as to who represents the Individual Claimant and (ii) any later Submitted Claim being deemed withdrawn.

4.4.3 General Principles for Evaluation of Confirmed Claims

For each Confirmed Claim, the Claims Administrator shall, in conjunction with the Claims Processor, individually evaluate the related Claim Submission pursuant to the Individual Claimant's selected Evaluation Track to determine whether the Individual Claim should be allowed. Regardless of the Evaluation Track selected, this process shall involve (i) a thorough review and consideration of all the submitted Claim Materials, (ii) a full evaluation and determination as to the credibility of such evidence, and (iii) determination as to whether such evidence satisfies the substantive criteria for the applicable Evaluation Track.

If the Claims Administrator verifies that a Confirmed Claim (i) satisfies the applicable substantive criteria as set forth in this Section and (ii) the related Claim Materials are not deceptive or fraudulent, then the Confirmed Claim shall be deemed an Allowed Claim. If, on the other hand, the Claims Administrator verifies that (i) the relevant Claim Materials are not deceptive or

fraudulent, but (ii) the Confirmed Claim does not satisfy the applicable substantive criteria, then the Claims Administrator has the discretion to either (i) disallow the claim, or (ii) request, in writing, that supplemental evidence sufficient to resolve the deficiency from the Individual Claimant in question be submitted within thirty (30) days of the Claims Administrator making such request. The deadline to provide such supplemental evidence may be automatically extended for an additional thirty (30) days upon written notice to the Claims Administrator. Additional extensions of time to produce requested supplemented evidence may be requested upon written request to the Claims Administrator, who retains full discretion to either grant or deny such request. If such supplemental evidence is not received by the Claims Administrator prior to the expiration of the thirty (30) day period (as extended, if applicable), the Claims Administrator will notify the Trustees, who shall disallow said Individual Claim and provide written notice thereof to the relevant Individual Claimant.

In the event, however, that the Claims Administrator determines that any portion of the Claim Materials are deceptive or include fraudulent information, then such Individual Claim shall be disallowed, and the Trustees shall provide the required notice of such disallowance to the related Individual Claimant (the "Fraudulent Claimant"). Further, if the Trust determines that any individual attorney or firm is continually representing and submitting Fraudulent Claimants to the Trust, the Trustees have the discretion to subject the Individual Claims of other Individual Claimants who share the same counsel as a prior Fraudulent Claimant (to the extent such counsel represents other Individual Claimants who have submitted, or in the future submit, their Individual Claims to the Trust) to heightened scrutiny, so long as any such other Individual Claimants are not otherwise prejudiced with respect to the processing of their Claim Submissions and/or the payment (including the timing of payment) of any Qualifying Claims.

Claim Submissions must be signed under the pains and penalties of perjury and to the extent of applicable law, the submission of a fraudulent Claim Submission may violate the criminal laws of the United States, including the criminal provisions applicable to Bankruptcy Crimes, 18 U.S.C. § 152, and may subject those responsible to criminal prosecution in any federal court of competent jurisdiction.

4.4.4 Standard Qualification Evaluation Process

For each Confirmed Claim electing to proceed under the standard Qualification Evaluation Process, the Claims Administrator shall, in conjunction with the Claims Processor, thoroughly review and evaluate the related Claim Submission to determine whether either the Ovarian Cancer Qualification Criteria or the Mesothelioma Qualification Criteria, as applicable, are satisfied. If, in undertaking this Qualification Evaluation Process, the Claims Administrator determines that a Confirmed Claim satisfies the applicable Qualification Criteria, then such claim shall be deemed a Qualifying Claim and may proceed to the valuation processes set forth in these TDP. Individual Claimants who do not satisfy the applicable Qualification Criteria are non-qualifying claims under these TDP and shall be disallowed.

A. Ovarian Cancer Qualification Criteria

Individual Claimants who submit to the Trust an Ovarian Cancer Claim and satisfy the following three (3) Ovarian Cancer Qualification Criteria shall be deemed Qualifying Ovarian

Cancer Claimants. Ovarian Cancer Claims that fail to satisfy these criteria are non-qualifying claims under these TDP and shall be disallowed.

- 1) Proof of Regular Perineal Use of J&J Talc Products: the Individual Claimant consistently used J&J Talc Products in her perineal area after puberty at least fifty (50) times per year for a minimum of four (4) consecutive years , and proves as much via sworn testimony or affidavit, including the alleged dates of first and last use;
- 2) Proof of Injury: the Individual Claimant was newly diagnosed with a Ovarian Cancer at least ten (10) years following her first post-pubertal perineal use of J&J Talc Products; and
- 3) Timeliness: the Individual Claim was timely filed pursuant to the submission deadlines set forth in Section 4.2.

B. Mesothelioma Qualification Criteria

Individual Claimants who submit to the Trust a Mesothelioma Claim and satisfy the following three (3) Mesothelioma Qualification Criteria shall be deemed Qualifying Mesothelioma Claimants. Mesothelioma Claims that fail to satisfy these criteria are non-qualifying claims under these TDP and shall be disallowed.

- 1) Proof of Regular Use of J&J Talc Products: the Individual Claimant establishes Regular Use of J&J Talc Products on his/her own body at least fifty (50) times per year for a minimum of four (4) consecutive years, and proves as much via sworn testimony or affidavit;
- 2) Lack of Asbestos Exposure: the Individual Claimant does not, and will not in the future, allege any prior asbestos exposure unrelated to use of talc-based products that may form the basis of a mesothelioma claim he/she may assert against a separate asbestos trust or asbestos tort defendant;
- 3) Proof of Injury: the Individual Claimant was newly diagnosed with Mesothelioma at least ten (10) years following his/her first use of J&J Talc Products; and
- 4) Timeliness: the Individual Claim was timely filed pursuant to the submission deadlines set forth in Section 4.2.

4.4.5 Accelerated Evaluation Process

A. In General

For each Confirmed Claim electing to proceed under the Accelerated Evaluation Process, the Claims Administrator shall, in conjunction with the Claims Processor and with a focus on efficiency, review and evaluate the related Claim Submission to determine whether the

Accelerated Evaluation Criteria are satisfied. If in doing so the Claims Administrator determines that a Confirmed Claim satisfies the Accelerated Criteria, then such claim shall be deemed an Approved Claim and the Settlement Trust shall promptly issue payment of the applicable Scheduled Value under Section 5.3.

An Individual Claimant who initially elected on his/her Claim Submission to have his/her claim evaluated pursuant to the Standard Qualification Evaluation Process set forth in Section 4.4.4 above may, at any time (i) after the date his/her Individual Claim was submitted to the Trust, but before disallowance or payment of such Individual Claim, as applicable, request to have his/her Individual Claim evaluated under the Accelerated Evaluation Process in this Section 4.4.5, instead (the "Acceleration Request"). Such Acceleration Request must be submitted and received by the Trust before the Trustees or Claims Administrator disallow such claim, if applicable.

B. Accelerated Claims Criteria

Individual Claimants who submit an Other Talc Claim to the Trust and satisfy the following four (4) Accelerated Claims Criteria shall be deemed Other Approved Claimants:

- 1) Proof of Regular Use of J&J Talc Products: the Individual Claimant establishes Regular Use of J&J Talc Products at least fifty (50) times per year for a minimum of four (4) consecutive years, and proves as much via sworn testimony or affidavit;
- 2) Lack of Asbestos Exposure: the Individual Claimant does not, and will not in the future, allege any prior asbestos exposure unrelated to use of talc-based products that may form the basis of a mesothelioma claim he/she may assert against a separate asbestos trust or asbestos tort defendant;
- 3) Proof of Injury: the Individual Claimant was newly diagnosed with a Gynecological Cancer, Ovarian Cancer, or Mesothelioma at least ten years following his/her first use of J&J Talc Products; and
- 4) Timeliness: the Individual Claim was timely filed pursuant to the submission deadlines set forth in Section 4.2.

Article 5

VALUATION OF ALLOWED CLAIMS

5.1 In General

The Claims Administrator, in conjunction with the Claims Processor, shall identify and utilize the appropriate multi-stage valuation process, as described in this Article, to determine the Scheduled Value for every Allowed Claim under these TDP. These valuation processes are intended to be a direct continuation of the resolution process for Individual Claimants, immediately upon determination of allowance pursuant to the standard Qualification Evaluation Process or the Accelerated Evaluation Process. Promptly after determination of each Allowed Claim's Scheduled Value, the Trustees shall notify the related Individual Claimant in writing of (i) the

determination that his/her Individual Claim is either a Qualifying Claim or Other Approved Claim and (ii) the Scheduled Value determined as to the same pursuant to Sections 5.2 and 5.3, below (such notice the “Scheduled Value Notice”).

5.2 Determination of Scheduled Values for Qualifying Claims

5.2.1 Qualifying Ovarian Cancer Claims

Upon determination that an Ovarian Cancer Claim submitted to the Trust is a Qualifying Claim, the Claims Administrator, in conjunction with the Claims Processor, shall undertake the following seven (7) stage valuation process for any such Ovarian Cancer Claim that elected evaluation under the Qualification Evaluation Process. This process requires the Claims Administrator:

- 1) To identify the Initial Point Value based on the Individual Claimant’s age at diagnosis and specific category of injury; then
- 2) To established the Adjusted Point Value based on the Initial Point Value and the Diagnostic Adjustment as determined by the disease subtypes; then
- 3) To further adjust that Point Value based on the length of Regular Use of J&J Talc Products; then
- 4) To further adjust that Point Value based on the length of time between the end of the Individual Claimant’s Regular Use and the relevant date of diagnosis; then
- 5) To further adjust that Point Value based on less-than-Regular Use of J&J Talc Products, if applicable; then
- 6) To further adjust that Point Value by a certain percentage discount based on the existence of certain risk factors, if applicable; and finally
- 7) To further adjust the resulting Point Value based on the extent of the Individual Claimant’s use of non-J&J Talc Products, if applicable

Gynecologic Claims other than Ovarian Cancer claims shall only be eligible to receive amounts based on the Accelerated Evaluation Process below in Section 5.3.3.

A. Initial Point Values

The Initial Point Values for Qualifying Ovarian Cancer Claims, prior to the application of any of the listed adjustments and/or reductions will be determined based on the Individual Claimant’s age and stage of cancer as detailed in the chart below. The relevant age shall be determined based on an Individual Claimant’s age on her Date of Diagnosis. The relevant stage of cancer shall be determined by the most advanced stage of Ovarian Cancer the Individual Claimant received a diagnosis for, as established by the medical evidence submitted with the Claim Materials.

Age at Diagnosis (in years)	Stage IV <u>OR</u> Related Death	Stage III (with or without recurrence)	Stage I-II (with recurrence)	Stage II (without recurrence)	Stage I (without recurrence)
Under 45	1,200	840	420	240	120
45-49	1,020	715	355	205	100
50-54	780	545	275	155	80
55-59	660	460	230	130	65
60-64	480	335	170	95	50
65-69	360	250	125	70	35
70+	300	210	105	60	30

B. Point Value Adjustment Factors

Each Individual Claimant's Initial Point Value will then be adjusted based on multiplication of the Diagnostic Adjustment pursuant to the chart set forth in this Section. The resulting claim-specific point value shall be referred to as the "Adjusted Point Value."

The standard Initial Point Value for all claims is the value of a qualifying serous carcinoma claim (*i.e.*, "100%"), and claims involving other Ovarian Cancer disease subtypes shall be treated as being worth a percentage of whatever that standard Initial Point Value is, as follows:

Ovarian Cancer Diagnostic Subtypes	Diagnostic Adjustment (as a percentage of a qualifying serous carcinoma)
Serous Carcinoma	100%
Endometrioid Carcinoma	90%
Clear Cell Carcinoma	75%
Mixed Epithelial Carcinoma	See below
– Each subtype identified is a qualifying subtype (<i>e.g.</i> , serous with clear cell)	100%
– Primary subtype is a qualifying subtype (<i>i.e.</i> , serous, endometrioid, clear cell) but other subtypes are non-qualifying (<i>e.g.</i> , serous with mucinous)	65%
Undifferentiated Epithelial Carcinoma	100%
Ovarian Carcinoma with Epithelial Component of Unknown or Unidentified Subtype (<i>e.g.</i> , "ovarian adenocarcinoma")	50%
Borderline Ovarian Tumors with Serous, Endometrioid, or Clear Cell Subtypes	30%

C. Talc Use and Risk Factor Reductions

Each Individual Claimant's Adjusted Point Value will then be further adjusted based on a series of multiplicative talc usage and medical risk factors to determine the Scheduled Value for the Individual Claim, as set forth in this Section.

(i) Step I Adjustment: Length of Perineal Use

Each Individual Claimant's Adjusted Point Value shall be adjusted based on the total length of the Individual Claimant's Regular Perineal Use (*i.e.*, the number of years she regularly used J&J Talc Products in her perineal area). Specifically, the Adjusted Point Value shall be reduced proportional to the Years of Regular Perineal Use relative to the Maximum Years of Regular Perineal Use. For purposes of this valuation process, "Years of Regular Perineal Use" shall be defined as the lesser of (i) the number of full years of Regular Perineal Use after the Individual Claimant reached puberty², or (ii) 40 years. Similarly, the Maximum Years of Regular Perineal Use is defined as the lesser of (i) the number of years elapsed between puberty and the Individual Claimant's Date of Diagnosis or (ii) 40 years.³

$$\text{Step I Adjustment of Adjusted Point Value} = 1 - \frac{(\text{Years of Regular Perineal Use})}{(\text{Maximum Years of Regular Perineal Use})}$$

This reduction factor shall be referred to as the "Length of Perineal Use Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.

(ii) Step II Adjustment: Time Since Last Perineal Use

Next, the Adjusted Point Value shall be further adjusted based on the length of time between the Individual Claimant's last Regular Perineal Use and her Date of Diagnosis, as set forth in the following table:

Time Since Last Regular Use	Reduction of Point Value
0 to <6 years since last Regular Perineal Use	0%
6 to <30 years since last Regular Perineal Use	2% per year ⁴
30+ years since last Regular Perineal Use	55%

This reduction factor shall be referred to as the "Time Since Last Use Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.

(iii) Step III Adjustment: Non-Regular Perineal Use

Next, if the Claims Administrator and/or Claims Processor determines that an Individual Claimant's perineal use of J&J Talc Products varies substantially from the use pattern of the typical qualifying claim, the Trustee may, at his sole discretion, conduct an individual review of the Claim

² For purposes of evaluating claims pursuant to these TDP, an Individual Claimant shall be assumed to have reached puberty on her thirteenth birthday.

³ By way of example, if an Individual Claimant was 43 years old on her Date of Diagnosis, the Maximum Years of Regular Perineal Use is 30 years. If she regularly used J&J Talc Products in her perineal area for 20 years, then the Adjusted Point Value would be subject to a Length of Perineal Use Factor adjustment of $1 - (20 \text{ years} / 30 \text{ years}) = 33.33\%$.

⁴ For avoidance of doubt, an Individual Claimant who was diagnosed with a qualifying disease 10 years after her last Regular Perineal Use would be subject to a Time Since Last Use Factor discount of $(10 - 5) \times 2\% = 10\%$.

Submission and reasonably reduce the Adjusted Point Value based on the frequency the Individual Claimant's perineal of talc use, as compared to what would constitute normal use based on other submissions. This discretionary adjustment factor shall be referred to as the "Non-Regular Perineal Use Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.

(iv) Step IV Adjustment: Medical Risk Factors

Next, the Adjusted Point Value shall be further reduced based on the Individual Claimant's family history and genetic predisposition to Ovarian Cancer, based on the table below. Only the greatest of the reductions for applicable medical risk factors shall apply. For avoidance of doubt, discounts applicable pursuant to this Section 5.2.1(C)(iv) are not applied cumulatively (*i.e.*, if an Individual Claimant has BRCA 1 as well as a family history of ovarian cancer, the total reduction is 45%, not 80%).

Risk Factor	Reduction of Point Value
BRCA 1 or BRCA 2	45%
Family Hx of ovarian cancer (in 1 st degree relative)	35%
Personal or family history (in 1 st degree relative) of colon or breast cancer	20%

This reduction factor shall be referred to as the "Medical Risk Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.

(v) Step V Reductions: Non-J&J Talc Perineal Use

Next, the Adjusted Point Value shall be further adjusted based on an Individual Claimant's Regular Non-J&J Talc Perineal Use (if applicable and established by affidavit or legal pleadings).

Discounts	Reduction of Point Value
Other Talc Use (applies only if Individual Claimant establishes Regular Non-J&J Talc Perineal Use for a period of greater than 4 years)	25% (increasing to the total percentage of other Regular Non-J&J Talc Perineal Use)

This reduction factor shall be referred to as the "Non-J&J Talc Perineal Use Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.⁵

⁵ By way of example, if an Individual Claimant used J&J Talc Products every morning in her perineal area and used Non-J&J Talc Products every evening for thirty years (*i.e.*, half of her perineal area applications were J&J Talc Products and half were non-J&J Talc Products), then the Adjusted Point Value of her claim will be reduced by 50% = 30 years of Non-J&J Talc Perineal Use / (30 years of Regular Perineal Use + 30 years of Non-J&J Talc Perineal Use). If, instead, she had used Non-J&J Talc Products in her perineal area once a week for a 5 years and used J&J Talc Products in her perineal area every day for 20 years (*i.e.*, one-fifth of the total years she regularly

D. Scheduled Value

Each Qualifying Claimant's Scheduled Value shall be determined based on her Initial Point Value multiplied by the relevant Diagnostic Adjustment and any applicable reduction factors outlined in Steps I–V (rounded to the nearest whole number), as follows:

Scheduled Value

$$\begin{aligned}
 &= (\text{Initial Point Value}) \times (\text{Diagnostic Adjustment}) \\
 &\times (1 - \text{Length of Use Factor Reduction}) \\
 &\times (1 - \text{Time Since Last Use Factor Reduction}) \\
 &\times (1 - \text{Less Than Daily Use Factor Reduction}) \\
 &\times (1 - \text{Medical Risk Factor Reduction}) \\
 &\times (1 - \text{Non J\&J Talc Use Factor Reduction})
 \end{aligned}$$

By way of example, if the Individual Claimant for an Ovarian Cancer Claim is a woman who was diagnosed with Stage IV Clear cell ovarian carcinoma at age 53, had 30 years of Regular Perineal Use, stopped using J&J Talc Products in her perineal area 10 years before her Date of Diagnosis, has a family history of colon cancer in her mother, and never used Non-J&J Talc Products in her perineal area, then her Scheduled Value would be 316 points.

Initial Point Value			780
Diagnostic Adjustment	Clear cell ovarian carcinoma = 75%	×	75%
Adjusted Point Value			585
Adjustment for Length of Regular Perineal Use Factor	$1 - (30 \div 40) = 25\%$	×	$75\% = 1 - 25\%$
Adjustment for Time Since Last Regular Perineal Use Factor	$(10 - 5) \times 2\% = 10\%$	×	$90\% = 1 - 10\%$
Adjustment for Non-Regular Use	Discretionary (not applied)	×	n/a
Adjustment for Medical Risk Factor	Colon cancer in family history = 20%	×	$80\% = 1 - 20\%$
Adjustment for Non-J&J Talc Perineal Use Factor	0 years of total use = 0%	×	$100\% = 1 - 0\%$
Scheduled Value		=	315.9 (rounded to 316)

5.2.2 Qualifying Mesothelioma Claims

Upon determination that an Individual Claim submitted to the Trust is a Qualifying Mesothelioma Claim, the Claims Administrator, in conjunction with the Claims Processor, shall undertake the following five (5) stage valuation process for any such Mesothelioma Claim that elected evaluation under the Qualification Evaluation Process. This process requires the Claims Administrator:

used talc-based products in her perineal area was use of Non-J&J Talc Products), then the Adjusted Point Value of her claim will be reduced by the minimum 25%.

- 1) To identify the Initial Point Value based on the Individual Claimant's age at diagnosis; then
- 2) To established the Adjusted Point Value based on the Initial Point Value and the Diagnostic Adjustment as determined by the disease subtypes; then
- 3) To further adjust that Point Value based on length of use of J&J Talc Products; then
- 4) To further adjust that Point Value based on the non-regular use of J&J Talc Products, if applicable; and finally
- 5) To further adjust that Point Value based on the extent of the Individual Claimant's use of non-J&J Talc Products, if applicable.

A. Initial Point Value

The Initial Point Value for Qualifying Mesothelioma Claims, prior to the application of any of the listed adjustments will be determined based on the Individual Claimant's age on his/her Date of Diagnosis, as detailed below:

Age on Date of Diagnosis	Mesothelioma
Under 45	2,400
45-49	2,040
50-54	1,560
55-59	1,320
60-64	960
65-69	720
70+	600

B. Point Value Adjustment Factors

Each Qualifying Claimant's Initial Point Value will then be adjusted based on multiplication of the Diagnostic Adjustment pursuant to the chart set forth in this Section. The resulting claim-specific point value shall be referred to as the "Adjusted Point Value."

The standard Initial Point Value for all Qualifying Mesothelioma Claims is the value of a qualifying pleural mesothelioma claim (*i.e.*, "100%"), and claims involving other types of malignant mesothelioma are treated as being worth a percentage of whatever that standard Initial Point Value is, as follows:

Diagnostic Subtypes	Diagnostic Adjustment (as a percentage of a qualifying Pleural Mesothelioma claim)
Pleural Mesothelioma (non-WDPM)	100%
Peritoneal Mesothelioma	75%
Pericardial Mesothelioma	10%
Testicular Mesothelioma	10%

C. Talc Use & Risk Factor Reductions

Each Individual Claimant’s Adjusted Point Value will then be reduced based on a series of multiplicative talc usage factors to determine the Scheduled Value for the Individual Claim, as set forth in this Section.

(i) Step I Adjustment: Length of Regular Use

Each Individual Claimant’s Adjusted Point Value shall be reduced based on the length of time the Individual Claimant regularly used J&J Talc Products. Specifically, the Adjusted Point Value shall be reduced proportional to the Years of Regular Use relative to the Maximum Years of Regular Use. For purposes of this valuation process, “Years of Regular Use” shall be defined as the lesser of (i) the number of full years of Regular Use, or (ii) 40 years. Similarly, the Maximum Years of Regular Use is defined as the lesser of (i) the Individual Claimant’s age on his/her Date of Diagnosis or (ii) 40 years.

$$\text{Length of Regular Use Adjustment} = 1 - \frac{(\text{Years of Regular Use})}{(\text{Maximum Years of Regular Use})}$$

This reduction factor shall be referred to as the “Length of Use Factor” and, as defined, cannot be less than 0.0 or exceed 1.0.

(ii) Step II Adjustment: Non-Regular Use

Next, if the Claims Administrator and/or Claims Processor determines that an Individual Claimant’s use of J&J Talc Products is insufficient to establish Regular Use, the Trustee may, at his sole discretion, conduct an individual review of the Claim Submission and reasonably reduce the Adjusted Point Value based on the frequency the Individual Claimant’s use of J&J Talc Products, as compared to what would constitute normal use based on other submissions.

This reduction factor shall be referred to as the “Non-Regular Use Factor” and, as defined, cannot be less than 0.0 or exceed 1.0.

(iii) Step III Adjustment: Non-J&J Talc Use

Next, the Adjusted Point Value shall be further reduced based on an Individual Claimant's Regular Non-J&J Talc Use (if applicable and established by affidavit or legal pleadings).

Discounts	Adjustment of Point Value
Other Talc Use	25% (increasing to the total percentage of other talcum powder use in pleadings or affidavit)

This reduction factor shall be referred to as the "Non-J&J Talc Use Factor" and, as defined, cannot be less than 0.0 or exceed 1.0.⁶

D. Scheduled Value

Each Qualifying Claimant's Scheduled Value shall be determined based on his/her Initial Point Value multiplied by the relevant Diagnostic Adjustment and any applicable reduction factors outlined in Steps I–III, as follows:

Scheduled Value

$$\begin{aligned}
 &= (\text{Initial Point Value}) \times (\text{Diagnostic Adjustment}) \\
 &\times (1 - \text{Length of Use Factor Reduction}) \\
 &\times (1 - \text{Non - Regular Use Factor Reduction}) \\
 &\times (1 - \text{Non J\&J Talc Use Factor Reduction})
 \end{aligned}$$

By way of example, if a Qualifying Claimant was diagnosed with pleural mesothelioma at age 60, used J&J Talc Products every morning for 30 years, and used Non-J&J Talc Products every evening for 30 years (*i.e.*, half his applications were J&J Talc Products and half were non-J&J Talc Products), his Scheduled Value would be 360 points.

Initial Point Value			960
Diagnostic Adjustment	Pleural = 100%	×	100%
Adjusted Point Value			960
Reduction for Length of Use Factor (30 years)	$1 - (30 \div 40) = 25\%$	×	$75\% = (1 - 25\%)$
Adjustment for Non-Regular Use Factor	Discretionary (not applied)	×	n/a
Adjustment for Non J&J Talc Use Factor(half of applications)	50%	×	$50\% = (1 - 50\%)$
Scheduled Value		=	360

⁶ By way of example, if an Individual Claimant used J&J Talc Products twice a day and used Non-J&J Talc Products once a day for thirty years (*i.e.*, two-thirds of his applications were J&J Talc Products and one-third were non-J&J Talc Products), then the Adjusted Point Value of his claim will be reduced by 33.33%. If, instead, he used Non-J&J Talc Products twice a week for a period of greater than 4 years and used J&J Talc Products every day (*i.e.*, regularly used Non-J&J Talc Products two-sevenths of the time he used J&J Talc Products), then the Adjusted Point Value of his claim will be reduced by 25%.

5.3 Scheduled Values for Approved Accelerated Claims

Upon determination that an Individual Claim submitted to the Trust is an Other Approved Claim, the Claims Administrator, in conjunction with the Claims Processor, shall determine the Scheduled Value for any such Other Approved Claim, as follows:

5.3.1 Individual Claims Which Could Have Appropriately Elected to Proceed Under the Qualification Evaluation Process

If an Individual Claimant could have appropriately elected to submit his/her Individual Claim to the Trust pursuant to the standard Qualification Evaluation Process, but for whatever reason chose to instead to elect the Accelerated Evaluation Process, the resulting Other Approved Claim shall have a Scheduled Value of one thousand dollars and zero cents (\$1,000.00).

5.3.2 Canadian Claims

Other Approved Claims that involve an Individual Claimant who is not a citizen or legal permanent resident of the United States, but who is a citizen or legal permanent resident of Canada, shall have a Scheduled Value of five hundred dollars and zero cents (\$500.00).

5.3.3 Other Allegedly Talc-Related Diseases

Other Talc Claims that become Other Approved Claims shall have a Scheduled Value of one thousand dollars and zero cents (\$1,000.00).

Article 6

RECONSIDERATION REQUESTS & ADR PROCEDURES

6.1 Reconsideration of Determination

6.1.1 Requirements for Reconsideration Requests

An Individual Claimant may submit a request to the Trust that the Trustees reconsider any initial determination (a "Reconsideration Request"), as indicated by the Disallowed Claim Notice or Scheduled Value Notice, as applicable, (i) that the Individual Claimant's Submitted Claim is a Disallowed Claim (regardless of the stage of the resolution process pursuant to these TDP that this determination occurred), or (ii) of the applicable Scheduled Value for the relevant Allowed Claim. For a Reconsideration Request to be considered, it must be made pursuant to process described in the Submission Procedures adopted and published by the Trust. Each properly submitted Reconsideration Request must include:

- a) A completed Reconsideration Form, the template for which shall be designed and adopted by the Trustees and included as an Exhibit to the Submission Procedures;
- b) Payment of five hundred dollars (\$500) as an administrative reconsideration fee, in the form of either check, money order, or via any electronic payment process deemed acceptable by the Trustees; and

- c) At the requesting Individual Claimant's discretion, further evidence in support of the relevant Submitted Claim.

6.1.2 Forfeiture of Right to Request Reconsideration

Individual Claimants found to have submitted deceptive or fraudulent information or documents to the Trust shall be deemed to have forfeited their right to request reconsideration pursuant to these TDP.

6.1.3 Failure to Request Reconsideration Deemed Acceptance

The deadline to submit a Reconsideration Request shall be thirty (30) days after receiving a Disallowed Claim Notice or Scheduled Value Notice (the "Reconsideration Deadline"). Any Individual Claimant who fails to properly submit a Reconsideration Request to the Trust by the Reconsideration Deadline shall be deemed to accept the original determination of the Claims Administrator, which determination shall become final and non-appealable.

6.1.4 Reconsideration Request Procedures

Upon receipt of a properly submitted Reconsideration Request, the Trustees shall proceed with an independent evaluation of the Individual Claim and specific determination in question. The Trustees will have the sole discretion whether to grant the Reconsideration Request.

If the Reconsideration Request is denied, the administrative fee will not be returned, and the Trustees will provide written notice within thirty (30) days of receiving the Reconsideration Request that it will not reconsider the specific determination in question. The Individual Claimant shall retain the ability to pursue his/her Individual Claim in mediation or litigation pursuant to the Post-Reconsideration Litigation procedures set forth below in Section 6.3.

If the Reconsideration Request is granted, the Trustees will provide written notice to the Individual Claimant within thirty (30) days of receiving the Reconsideration Request that they are reconsidering his/her Individual Claim. The Trustees will then reconsider the Individual Claim—including all new information provided by the Individual Claimant in the Reconsideration Request—and will have the discretion to maintain or revise the original determination or, alternatively to request supplemental information and/or materials necessary to reach a final conclusion. The Trustees will use their best efforts to notify the Individual Claimant of its decision to affirm or revise the original determination within sixty (60) days of having sent notice that they were reconsidering the Individual Claim.

To the extent that the Trustees determine that a Submitted Claim is, upon reconsideration, an Allowed Claim or should receive a higher proposed Scheduled Value, the Trustees shall provide a Scheduled Value Notice and return the administrative fee to the Individual Claimant. If, however, the Trustees decide that no change to the original determination is warranted, that the Allowed Claim should receive a lower proposed Scheduled Value, or that insufficient information was provided by the Individual Claimant to reach a different conclusion at the time, then the administrative fee shall not be returned and the earlier allowance determination and/or Scheduled Value shall stand and the Trustees will provide written notice thereof within sixty (60) days of the Trust having sent notice that it is reconsidering the Individual Claim.

6.2 Post-Reconsideration ADR Procedures

If (i) a Reconsideration Request is denied or (ii) the Individual Claimant remains unsatisfied with the Trustees' determination upon reconsideration, then the Individual Claimant may elect to proceed to mediation by providing written notice to the Claims Administrator within thirty (30) days of completion of the Reconsideration Request Procedures. If the Individual Claimant does not provide such written notice requesting mediation, then the Disallowed Claim Notice or Scheduled Value Notice shall stand.

The Trustees shall maintain a list of approved mediators, which shall be made available to all Individual Claimants who submit their Individual Claims to the Trust. The Claims Administrator and the Individual Claimant shall jointly choose a mediator (the "Mediator") from the list maintained by the Trustees. If the Claims Administrator and the Individual Claimant are unable to reach agreement regarding the Mediator, the TAC shall select one from the list maintained by the Trustee.

The Mediator will work with the Claims Administrator and the Individual Claimant to reach a settlement of the Individual Claim that is mutually acceptable to both parties; *provided, however*, that the settlement amount may not exceed the Maximum Value of the Individual Claim. The Mediator shall not have the authority to unilaterally impose a settlement upon the parties. The Individual Claimant and Claims Administrator shall split the fees and expenses incurred by the Mediator equally; *provided*, that the Individual Claimant's share of the Mediator's fees and expenses shall be capped at \$2,500. The parties shall otherwise bear their own costs, including legal fees.

If the Post-Reconsideration Mediation results in a settlement agreement, the agreed upon amount shall constitute the Individual Claimant's Allowed Claim and payment of such Allowed Claim shall be processed in the same manner as payments made to Individual Claimants who accept the Claims Administrator's original Scheduled Value determined and proposed for their Allowed Claims, pursuant to Article 5. If the Post-Reconsideration Mediation concludes with no settlement, the Mediator will formally conclude mediated discussions and the Individual Claimant may proceed to litigation pursuant to Section 6.3 below.

6.3 Post-Reconsideration Litigation

Individual Claimants who have exhausted their Reconsideration Request and Post-Reconsideration ADR rights pursuant to Sections 6.1 and 6.2, respectively shall retain the right to institute a lawsuit in the tort system against the Trust in the Claimant's Jurisdiction. Such lawsuit may not name the Debtor, any LTL Corporate Party, or any other Protected Party and must only be filed against the Trust as defendant. Any such lawsuit must be filed by the Individual Claimant in his/her own right and name and not as a member or representative of a class, and no such lawsuit may be consolidated with any other lawsuit.

An Individual Claimant seeking to commence litigation pursuant to this Section must notify the Trust of his/her intention to seek judicial review within thirty (30) days of receiving notice of the Trust's determination following the conclusion of Post-Reconsideration ADR. Individual Claimants (i) who seek judicial review of the Trust's determination of the Scheduled

Amount must pay a fee of \$2,500 to the Trust, and (ii) who seek judicial review of the Trust's determination of the Individual Claim's disallowance must pay a fee of \$10,000 to the Trust.

Both the Individual Claimant and the Trust shall have all appropriate defenses available to them (including, with respect to the Trust, all defenses which could have been asserted by any Protected Party). Further, the Trust may use any and all information and/or materials submitted to the Trust by the Individual Claimant in its defense of any lawsuit in the tort system, including evidence of deceptive or fraudulent behavior. In the event that the Individual Claimant does not prevail at trial or prevails but is awarded a judgment less than the Allowed Claim amount offered by the Trust, the final Allowed Claim Amount shall be reduced on a dollar-for-dollar basis by all costs the Trust incurred in defending against the Individual Claimant's lawsuit, including costs associated with retention of experts, if any; *provided*, that such dollar-for-dollar reduction shall not exceed the Allowed Claim Amount, if applicable.

At any time during the course of a lawsuit pursued under this Section the Individual Claimant and Trustees and/or Claims Administrator may agree to engage in settlement discussions or any mutually agreeable alternative dispute resolution procedure, including, without limitation, mediation or arbitration. The Trustees shall have authority to settle such lawsuits in the exercise of their business judgement and such settlements may include, among other things, the waiver of attorney fees that may otherwise be due pursuant to the preceding paragraph. However, the settlement amount of such settlement agreement may not exceed the Maximum Value of the Individual Claim.

In the event an Individual Claimant elects to pursue a lawsuit pursuant to this Section which results, after waiver and/or exhaustion of any party's rights of appeal, in a final judgment for monetary damages, then such Individual Claimant shall be eligible to receive payment of the portion of such judgment that constitutes compensatory damages (the "Judgment Amount") through the Trust, up to the Maximum Judgment Amount (the "Allowed Judgment Amount"). Payment of the Allowed Judgment Amount shall be processed in the same manner as payments made to Individual Claimants who accepted the Claims Administrator's original Scheduled Value determined and proposed for their Allowed Claims, pursuant to Article 5, except that upon reaching the front of the FIFO Processing Queue, the Settlement Trust shall distribute to the Individual Claimant only an initial payment equal to Trust's last offer, if any, to the Individual Claimant (provided, however, that in no event shall such payment amount exceed the amount of the judgment obtained in the tort system). The balance of the judgment, up to the Allowed Judgment Amount for the Individual Claim, if any, shall be paid to the Individual Claimant in five (5) equal installments in years six (6) through ten (10) following the year of the initial payment. Under no circumstances shall any non-compensatory monetary damages or any interest be paid under any statute on any judgments obtained in the tort system.

Article 7

INDIVIDUAL CLAIMS PAYMENT PROCESS

7.1 Points-Based Monetary Values

7.1.1 Uncertainty of Debtor's Talc Liabilities

Litigation arising from the use of talc or talc-containing products is a relatively new mass tort and there is inherent uncertainty regarding the aggregate value of the Debtor's total talc-related liabilities. As a result of this uncertainty, in undertaking to ensure substantially equitable treatment of all similar Existing and Future Claims, the Trustees must from time to time determine the per-point dollar value of the points used to value Individual Claims under these TDP (the "Cash Value of a Point").

7.1.2 Description & Application of Points Valuation System

A. In General

Promptly after the Trust is established, the Trustees, in consultation with the Payor, TAC, and FCR shall establish an initial Cash Value of a Point (the "Initial Cash Value of a Point"). This Initial Cash Value of a Point shall be calculated on the basis of the initial trust claim submissions, an estimate of future submissions, the claim valuation procedures outlined in these TDP, and the factors set forth in Section 7.1.2(D) below. Given the uncertainty associated with Individual Claims, and in recognition of the fact that the Trust may increase the Cash Value of a Point in the future, the Trust shall take a conservative posture in setting the Initial Cash Value of a Point.

The totality of the Individual Claims to be paid over time pursuant to these TDP is not certain. Further, there is also some uncertainty surrounding the value of the Trust's assets in the future. If the value of the Trust's future assets increases materially and/or if the value or volume of Individual Claims actually filed with the Trust is materially lower than originally estimated, the Trust shall use the increase in Trust assets available first to maintain the Cash Value of a Point then in effect.

B. Supplemental Payments Owed Due to Increases to the Cash Value of a Point

If the Trustees, after consultation with the Payor, TAC, and FCR determine that an increase to the Cash Value of a Point is warranted due to a material change in the estimates of the Trust's future assets and/or liabilities, the Trustees shall provide notice of the increase to all Individual Claimants and Indirect Talc Personal Injury Claimants and their counsel (the "Cash Value of a Point Adjustment Notice") who previously received payment on account of an Allowed Claim based upon a lower Cash Value of a Point. Individual Claimants and Indirect Talc Personal Injury Claimants that wish to receive a supplemental payment must provide written notice to the Trustees within sixty (60) days of the Trustee's issuance of the Cash Value of a Point Adjustment Notice. Individual Claimants and Indirect Talc Personal Injury Claimants who do not submit such a request to the Trust shall be deemed to have waived their rights to this and any and all future supplemental payments. For the avoidance of doubt, the Trustee shall not provide a notice of any future adjustments to the Cash Value of a Point to parties that did not request a supplemental payment in

response to a prior Cash Value of a Point Adjustment Notice. The amount of any supplemental payment shall be the liquidated value of the Allowed Claim in question multiplied by the newly adjusted Cash Value of a Point, less all amounts previously paid by the Settlement Trust with respect to that Allowed Claim.

The Settlement Trust's obligation to make a supplemental payment to any Individual Claimant shall be suspended in the event the payment in question would be less than one hundred dollars and zero cents (\$100.00), and the amount of the suspended payment shall be added to the amount of any prior supplemental payment(s) also suspended because they would have been less than one hundred dollars and zero cents (\$100.00). The Settlement Trust's obligation to make a previously suspended supplemental payment shall resume when the payment in question is equal to or greater than one hundred dollars and zero cents (\$100.00). For the avoidance of doubt, no supplemental payment shall be made to any Other Approved Claims.

C. Determination of Cash Value of a Point

The Trustees shall base its determination of the Cash Value of a Point on (i) current estimates as to the number, types, and Scheduled Values determined for Existing Claims and Future Claims, (ii) the value of the assets available to the Trust for payment of Allowed Claims, (iii) all anticipated administrative and legal expenses, and any other matters that are reasonably likely to affect the sufficiency of funds to pay on an equal application of the TDP methodology to all Existing Claimants and Future Claimants based on the points awarded to each Individual Claimant. When making these determinations, the Trustees shall evaluate all relevant factors to determine a conservative Point Value with the goal of assuring that the Trust will be able to treat all similar Existing and Future Claims in a similar manner.

The Cash Value of a Point shall be subject to change pursuant to the terms of these TDP and the Talc Personal Injury Trust Agreement. The Trustees shall review the then-applicable Cash Value of a Point as it deems necessary to assure that it is based on accurate, current information, and shall compare the liability forecast on which the then-applicable Cash Value of a Point was based with the actual claims submission and payment experience of the Trust to date, and the projected assets of the Trust on which the then-applicable Cash Value of a Point was based with the current assets, and any updated projections of asset values, of the Trust and Future Claims. If the results of the comparisons call into question the ability of the Trust to rely upon the current liability and asset forecasts, the Trustees may, if necessary, propose a change in the Cash Value of a Point. Any adjustment to the Cash Value of a Point Value must be made in consultation with the Payor, TAC, the FCR, and must be approved by the Bankruptcy Court. In the event that adjustment of the Cash Value of a Point is approved, the Trust shall publically disclose the approval and adjusted Cash Value of a Point on its website.

D. Factors to Determine Cash Value of a Point

The Trustees shall consider the following factors in determining the Cash Value of a Point, including the Initial Cash Value of a Point, and any changes to the Cash Value of a Point, if applicable:

[•]

7.2 General Guidelines for Liquidating & Paying Allowed Claims

7.2.1 Documentation Requirements

A. Acceptance & Release

Individual Claimants who decide to accept an offer of payment from the Trust based on the proposed Scheduled Value for their Allowed Claims shall complete and execute the applicable acceptance and release form to be adopted by the Trust in consultation with the Payor and with the consent of the TAC and FCR (the “Acceptance and Release”). The TAC and FCR shall not unreasonably withhold such consent; however, if such consent is not obtained, the Trustees are authorized to seek an order of the Bankruptcy Court approving such Acceptance and Release. The Acceptance and Release provided to Qualifying Claimants and Other Approved Claimants shall include a release of all claims against Debtor, which is discharged, the LTL Corporate Parties, and all of the other Protected Parties, to the extent any such claims arise from or are related to the accepting Individual Claimant’s alleged use talc or talc-containing products, including J&J Talc Products, and resulting injury. The Acceptance and Release shall be filed as a supplemental exhibit to these TDP prior to the Initial Filing Date and included with the distribution of the Submission Procedures. The applicable Acceptance and Release shall be available for completion electronically and may be executed by the accepting Individual Claimant or his/her legal Representative via Adobe Sign or DocuSign, or a similar authorized electronic signature and notarization program, or such other simplified and expedient means that the Trust, in consultation with the Payor and with the consent of the TAC and FCR, may adopt. The TAC and FCR shall not unreasonably withhold such consent; however, if such consent is not obtained, the Trustees are authorized to seek an order of the Bankruptcy Court approving the adoption of such similar programs or other simplified and expedient means.

B. Documents Establishing Legal Representation

Individual Claimants asserting an Individual Claim on behalf of a minor, incapacitated, or deceased person, must, before any funds related to such Allowed Claim may be distributed from the Settlement Trust, submit to the Trust appropriate documentation confirming the Allowed Claimant’s legal authority to resolve the Individual Claim on behalf of the minor, incapacitated, or the deceased person and his/her estate.

7.2.2 Offsets

The Trust shall have the right to offset or reduce payment of an Allowed Claim Amount, on a dollar-for-dollar basis based on any amounts paid, agreed upon, or reasonably likely to be paid to the relevant Individual Claimant on account of his/her Individual Claim as against a Protected Party (or that reduces the liability thereof under applicable law) from any source other than the Trust.

7.3 Payment of Claims

7.3.1 Allowed Claim Amounts Held in Escrow

Promptly upon receipt of an Individual Claimant's properly executed Acceptance and Release, the Allowed Claim Amount for the released Allowed Claim shall be set aside and held in escrow within the Settlement Trust pending the final resolution of various administrative issues involving the resolution of the Individual Claim including, but not limited to issues related to probate, guardianship, personal bankruptcy filings, lien resolution, and duplicate sign-ups.

7.3.2 Payment of Allowed Claims

Once all applicable administrative issues related to an Individual Claimant's acceptance of his/her Allowed Claim Amount are resolved, the Trustees shall transfer to the Individual Claimant his/her Net Award Amount (*i.e.*, the total Allowed Claim Amount, less amounts required to satisfy liens and less any attorney's fees and litigation expenses born by the Individual Claimant's counsel). Alternatively, if an Individual Claimant elected to receive his/her distribution pursuant to these TDP through his/her retained counsel, then the Trustees shall transfer the Net Award Amount to the retained counsel identified on the Individual Claimant's Claim Submission Form.

For those Individual Claimants represented by counsel with respect to their Allowed Claims, the Trust shall only pay attorneys' fees or expenses to the attorneys and/or law firms named in the Individual Claimants' client retention agreements with their counsel. For avoidance of doubt, no payments may be made to any attorney not specifically identified on such agreement. Further, this Plan and these TDP do not contemplate any Common Benefit Fund Obligations for Allowed Claim Amounts paid by the Trust. As such, no common benefit fees or costs shall be deducted from Allowed Claim Amounts or paid by the Settlement Trust, regardless of whether the Allowed Claim Amount was awarded via the procedures set forth in the TDP or outside of the bankruptcy, via the tort system.

7.4 Payment Processing

7.4.1 FIFO Payment Processing

Individual Claims that have been liquidated in accordance with the terms herein shall be paid from the Settlement Trust in FIFO order based on the date that they accepted an offer from the Trust and their liquidation became final, all such payments being subject to the applicable, the applicable Maximum Payment, and sequencing adjustment provided for in below, and as otherwise provided herein (the "FIFO Payment Queue").

For those Individual Claimants who (i) hold Qualifying Claims or Other Approved Claims as a representative on behalf of a deceased or incompetent individual, and (ii) are required to obtain court or other probate approval before accepting any Scheduled Value proposed by Trust, the Individual Claim shall retain its position in the FIFO Payment Queue so long as the as proceedings to obtain such approval remain pending, and provided that the Individual Claimant has provided the Trust with evidence that the proposed Allowed Claim Amount has been submitted to such court or in that probate process for approval. If the Individual Claimant ultimately obtains the required

court or probate approval and a properly completed Acceptance and Release is submitted to the Trust, the Settlement Trust shall pay the Allowed Claim Amount offered, accepted, and approved.

In the event that any Allowed Claims are liquidated on the same date, each Individual Claimant's position in the applicable FIFO Payment Queue shall be determined by his/her relevant Date of Diagnosis, with the earlier diagnosis having priority over the later diagnosis. In the unlikely event that any Allowed Claims are liquidated on the same date and also have the same relevant Date of Diagnosis, those Individual Claimants' positions in the FIFO Payment Queue shall be determined by the Trust based on the such Individual Claimants' dates of births, with older claimants given priority over younger claimants.

7.4.2 Discretion to Vary the Order & Amounts of Payments in Event of Limited Liquidity

Consistent with the provisions hereof and subject to the FIFO Processing Queue, FIFO Payment Queue, and applicable Maximum Values, the Trustees shall proceed as quickly as possible to liquidate Allowed Claims and shall promptly make payments to relevant Individual Claimants in accordance with these TDP on an ongoing basis, as funds become available and as Individual Claims are liquidated, while maintaining sufficient resources to pay Future Claimants who submit Individual Claims that are determined to be Allowed Claims in substantially the same manner.

Because the Trust's assets and liabilities over time remain uncertain, and decisions about payments must be based on estimates that cannot be made precisely, such decisions may have to be revised in light of experiences over time, and there can be no guarantee of any specific level of payment to Individual Claimants. The Trustees shall, however, use their best efforts to treat similar Individual Claims in substantially the same manner, consistent with their duties as Trustees, the purposes of the Trust, and the practical limitations imposed by the inability to predict the future with precision.

In the event that the Trust faces issues with respect to liquidity that cannot be resolved based on adjustments to the Cash Value of a Point, the Trustees may, upon consultation with the Payor, and with the consent of the TAC and FCR, (a) suspend the normal order of payment, or (b) temporarily limit or suspend payments altogether. The TAC and FCR shall not unreasonably withhold such consent; however, if such consent is not obtained, the Trustees are authorized to seek an order of the Bankruptcy Court suspending the normal order of payment or temporarily limiting or suspending payments altogether.

7.5 Punitive Damages

In determining the value of any liquidated or unliquidated Individual Claim, punitive or exemplary damages (*i.e.*, damages other than compensatory damages) shall not be considered or allowed, notwithstanding their availability in the tort system. Similarly, no punitive or exemplary damages shall be payable with respect to any claim litigated against the Trust in the tort system pursuant to Article 6 herein.

Article 8

RESOLUTION OF GOVERNMENTAL ACTION CLAIMS

8.1 Governmental Action Claims Are Subject to These TDP

Each holder of a Governmental Action Claim which (a) prior to the Petition Date, filed a lawsuit against the Debtor or its predecessor asserting a Governmental Action Claim or (ii) filed a Proof of Claim asserting a Governmental Action Claim by the Claims Bar Date (each a “Governmental Holder” and collectively, the “Governmental Holders”) shall participate in these TDP. The Claims Administrator shall have the right at any time to request additional information from any Governmental Holder regarding its Governmental Action Claims.

8.2 Settlement Offer and Negotiations

The Claims Administrator shall make a written or oral offer to settle the Governmental Holder’s Governmental Action Claim (a “Settlement Offer”). The offer shall be made to counsel for the Governmental Holder or, if no counsel has been identified, the Governmental Holder.

After a Governmental Holder has received a Settlement Offer, the Governmental Holder shall contact the Claims Administrator and provide a written or oral response to the Settlement Offer (the “Response”). The Governmental Holder may accept or reject the Settlement Offer or make a counteroffer. In the event the Governmental Holder declines to accept the Settlement Offer, the Governmental Holder and the Claims Administrator shall engage in good faith negotiations regarding the Governmental Action Claim.

If the Governmental Holder accepts the Settlement Offer or the Claims Administrator and the Governmental Holder otherwise reach agreement on the amount of the Governmental Holder’s Governmental Action Claim (in either case, the “Settlement Amount”), the Governmental Action Claim shall be fixed at the Settlement Amount. The Governmental Action Trust shall pay the Settlement Amount pursuant to Section 8.6 below.

If the parties are unable to reach agreement pursuant to the procedures in this Section 8.2, the Governmental Holder’s Governmental Action Claim shall be referred to mediation.

8.3 Mediation

A Governmental Holder’s Governmental Action Claim shall be referred to mediation if the Claims Administrator and the Governmental Holder are unable to reach agreement pursuant to the procedures set forth in Section 8.2 of these TDP.

A mediator (the “Mediator”) shall be jointly chosen by the Claims Administrator and the Governmental Holder. If the parties are unable to reach agreement regarding the Mediator, the Governmental Holder’s Governmental Action Claim shall either, at the option of the Governmental Holder, (i) be referred to arbitration as provided in Section 8.4 of these TDP or (ii) proceed to litigation as provided in Section 8.5 of these TDP.

The Mediator will work with the Claims Administrator and the Governmental Holder to reach a settlement of the Governmental Action Claim that is mutually acceptable to both parties.

The Mediator shall not have the authority to unilaterally impose a settlement upon the parties. The Governmental Holder and the Claims Administrator shall each pay one half of the fees and expenses, including legal fees, incurred by the Mediator. The parties shall otherwise bear their own costs, including legal fees.

If the mediation results in a settlement agreement, the Governmental Action Trust shall pay the Settlement Amount pursuant to Section 8.6, below. If the mediation concludes with no settlement, the Governmental Holder shall elect to either (i) participate in binding arbitration pursuant to Section 8.4 of these TDP or (ii) proceed to litigation pursuant to Section 8.5 of these TDP.

8.4 Arbitration

A Governmental Action Claim may be referred to binding arbitration as provided in Section 8.3 of these TDP and at the option of the Governmental Holder.

If a Governmental Holder's Governmental Action Claim is referred to arbitration, an arbitrator (the "Arbitrator") shall be jointly chosen by the Claims Administrator and the Governmental Holder. If the parties are unable to reach agreement regarding the Arbitrator, the a Governmental Holder's Governmental Action Claim shall proceed to litigation as provided in Section 8.5 of these TDP.

The arbitration shall be governed by the Federal Arbitration Act, Title 9, United States Code. The Arbitrator shall determine the amount of the Governmental Holder's Governmental Action Claim. Unless otherwise agreed by the parties, the arbitration shall be conducted pursuant to the dispute resolution procedures for commercial claims of the American Arbitration Association, as currently in effect and appropriate. The Governmental Holder and the Claims Administrator shall each pay one-half of the fees and expenses, including legal fees incurred by the Arbitrator. The parties shall otherwise bear their own costs, including legal fees.

The amount of the Governmental Holder's Governmental Action Claim awarded by the Arbitrator (the "Arbitration Award") shall be binding and determined by the Arbitrator, in their discretion. In no event shall the Arbitration Award include any punitive or exemplary damages. Neither party shall have the right to appeal the Arbitration Award except on the grounds set forth in the Federal Arbitration Act. There will be no right to a trial de novo. Once the Arbitration Award is final and non-appealable, the Governmental Action Trust shall pay the Arbitration Award pursuant to Section 8.6, below.

8.5 Litigation

Any Governmental Holder that elects to litigate his/her Governmental Action Claim(s) pursuant to the procedures in this Section 8.5 of these TDP, or is otherwise required to litigate his/her Governmental Action Claim pursuant to Section 8.4 of these TDP, shall have the right to institute a lawsuit against the Trust in: (i) the District Court for the District of New Jersey (the "District Court"); or (ii) if Governmental Holder commenced litigation against the Debtor prior to the Petition Date and that litigation remains pending on the Effective Date, at the option of the Governmental Holder, in the District Court or the United States District Court in the jurisdiction

in which the pre-petition litigation is pending. All defenses, which include all defenses that could have been asserted by the Debtor, shall be available to the Talc Personal Injury Trust at trial.

The court adjudicating the Governmental Action Claims shall determine the Debtor's liability for the Governmental Action Claims and shall not consider or allow punitive or exemplary damages. Once any Governmental Action Claims is litigated to a final, non-appealable judgment in accordance with this Section 8.5, the Governmental Action Trust shall pay judgment pursuant to Section 8.6, below. The Governmental Holder shall be responsible for its fees and costs, including legal fees. The Governmental Holder shall also be responsible for the fees and costs, including legal fees, incurred in the litigation by the Claims Administrator if the amount of the final non-appealable judgment is less than the last Settlement Offer made to Governmental Holder by the Claims Administrator.

8.6 Payment of Settlement Amount, Arbitration Award, and Judgment

8.6.1 Payment Upon Final Determination

Only after the Trustees have established an Initial Payment Percentage in accordance with Section [●] of the Trust Agreement, then once there is an agreed upon Settlement Amount pursuant to Section 8.2 or Section 8.3, an Arbitration Award pursuant to Section 8.4, or a money judgment against the Trust pursuant to Section 8.5 with respect to any Governmental Action Claim (collectively, the “Governmental Amounts”), the Governmental Holder will receive a payment of the applicable amounts based on the Payment Percentage then in effect as described in Section 8.6.2 and Section 8.6.3.

8.6.2 Initial Payment Percentage

After the applicable Governmental Amount has been determined, the Governmental Action Trust shall pay an initial distribution (“Initial Distribution”) based on the Initial Payment Percentage established by the Trustees in accordance with the Trust Agreement.

8.6.3 Supplemental Payment Percentage

When the Trustees determines that the then-current estimates of the Governmental Action Trust's assets and its liabilities, as well as then-estimated value of then-pending Governmental Action Claims, warrant additional distributions on account of the Governmental Amounts, the Trustees shall set a Supplemental Payment Percentage in accordance with the Trust Agreement. Such Supplemental Payment Percentages shall be applied to all Governmental Amounts that became final prior to the establishment of such Supplemental Payment Percentage. Governmental Holders whose Governmental Action Claims are assigned a Governmental Amount after a Supplemental Payment Percentage is set shall receive an Initial Distribution equal to the then existing payment percentage.

8.6.4 Release

In order for an Allowed Governmental Action Claim to receive any payment from the Settlement Trust, the Governmental Action Claimant must submit, as a precondition to receiving any payment from the Governmental Action Trust, an executed release in the form attached hereto.

8.6.5 FIFO Claims Processing Queuing

The Governmental Action Trust shall review all Governmental Action Claim Submissions for processing purposes on a FIFO basis as set forth below. A Governmental Holder's position in the FIFO Processing Queue shall be determined as of the Governmental Holder's Governmental Action Claim submission date. If any Governmental Action Claims are filed on the same date, a Governmental Holder's position in the applicable FIFO Processing Queue vis-à-vis such other same-day claims shall be determined by the date on which the basis of such Governmental Action arose, with earlier claims given priority over newer ones.

8.7 Statutes of Limitations & Repose

To be eligible for payment pursuant to these TDP, a Governmental Holder must have either (i) prior to the Petition Date, filed a lawsuit against the Debtor or its predecessor asserting a Governmental Action Claim or (ii) submitted a Proof of Claim asserting a Governmental Action Claim by the Bar Date, in either case prior to the expiration of any applicable statute of limitations or repose as such statute may have been tolled pursuant to section 108 of the Bankruptcy Code. At any time during the administration of these TDP, including during arbitration or litigation, the Claims Administrator may agree to a settlement with a Governmental Holder.

Article 9 **MISCELLANEOUS**

9.1 Non-Binding Effect of Trust and/or Litigation Outcome

Notwithstanding any other provision of these TDP, the Trust's determination to pay or not to pay any claim shall not be binding in, or have any *res judicata*, collateral estoppel, or other preclusive effect in any lawsuit or other proceeding against the Debtor, the Protected Parties, or any other entity other than the Trust. Nor shall the outcome of litigation against the Debtor by the holder of an Indemnified Claim be used in, admissible as evidence in, binding in, or have any other preclusive effect in connection with the Trust's resolution or valuation of an Indemnified Claim.

9.2 Independence of Trust

Except as otherwise specifically stated herein, neither the Debtor nor J&J or the Reorganized Debtor shall have any rights or involvement whatsoever in the Trust. Neither the Debtor nor J&J or the Reorganized Debtor are a third-party beneficiary of the Trust or these TDP, and nothing herein creates any rights or obligations that may give rise to a claim or cause of action by the Debtor, the Reorganized Debtor, or J&J against the Trust or any Talc Personal Injury Claimant.

9.3 Amendments

The Trustees may not amend these TDP in any material manner that is inconsistent with the Plan without consulting with the TAC, FCR, and Payor, and subsequently filing a motion in the Bankruptcy Court seeking approval of Bankruptcy Court for such material modifications. Absent Bankruptcy Court approval after appropriate notice and opportunity to object, neither the

Trustees, Claims Administrator, Claims Processor, Lien Resolution Administrator, TAC nor FCR may amend these TDP in any material manner that is inconsistent with the Plan. Nothing herein is intended to preclude the TAC or FCR from proposing to the Trustees, in writing, amendments to these TDP. For the avoidance of doubt, these TDP may not be amended to alter the allocation of the assets of the Trust between or among the Settlement Trust, the Governmental Action Trust, and the Talc Personal Injury TPP Lien Claims Sub-Trust.

9.4 Severability

Should any provision contained in these TDP be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of these TDP.

The review and evaluation of Individual Claims under these TDP and the law governing mediation, arbitration, or litigation in the tort system shall be the law of the jurisdiction in which the Individual Claimant could have filed a lawsuit alleging an Individual Claim under applicable law.
