Notwithstanding the foregoing, if the National PSA is terminated because National exercised its termination option under the National PSA or National does not vote to accept the Plan, then National shall receive the same treatment as Holders of Allowed Unsecured Bond Claims within Class 5 who do not enter into the Second Bond Settlement Agreement on account

of National's Allowed Unsecured Bond Claims. Notwithstanding the foregoing, if the Title III Court does not approve the National Settlement, (i) the Oversight Board shall promptly propose different treatment of the National Allowed Unsecured Bond Claims which it believes is confirmable, (ii) National may oppose such treatment, and (iii) National's acceptance of the Plan shall not be deemed an acceptance of any treatment different from the treatment provided for in the National PSA.

Pursuant to sections 105(a) and 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019, the treatment of the National Insured Bond Claims as set forth in this Plan is expressly conditioned upon the approval and effectiveness of the compromise and settlement between the Oversight Board, on behalf of PREPA, and National, with respect to the National Insured Bond Claims, pursuant to which the National Insured Bond Claims are Allowed as set forth in Article XXII.A of the Plan and shall receive the treatment described in Article XI and Article XII of the Plan.

Notwithstanding anything to the contrary, if the Title III Court does not approve the National Settlement or determines the treatment of the National Insured Bond Claims does not comply with PROMESA for reasons including, without limitation, the Allowability and/or treatment of the National Insured Bond Claims, or the Title III Court finds the treatment of National Insured Bond

Claims constitutes unfair discrimination, (i) the Oversight Board shall promptly propose different treatment of the National Allowed Unsecured Bond Claims which it believes is confirmable, (ii) National may oppose such treatment, and (iii) National's acceptance of the Plan shall not be deemed an acceptance of any treatment different from the treatment provided for in the National PSA.

K. Settlement of the Fuel Line Loan Claims

Pursuant to sections 105(a) and 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019, the provisions of the Fuel Line Lender Settlement shall constitute a good-faith compromise and settlement among PREPA, the Oversight Board, and the Fuel Line Lender PSA Creditors of all Claims, Causes of Action, interests, and controversies among such parties, including all potential Claims, Causes of Action, interests, and controversies between PREPA, the Oversight Board, and Fuel Line Lender PSA Creditors, and are in consideration of the value provided to PREPA by the Fuel Line Lender PSA Creditors pursuant to the Fuel Line Lender Settlement. The Plan shall be deemed a motion to approve the Fuel Line Lender Settlement as a good-faith compromise and settlement of all of the Claims, interests, Causes of Action and controversies described in the foregoing sentence pursuant to section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019, and entry of the Confirmation Order shall constitute the Title III Court's approval of the Fuel Line Lender Settlement.

Pursuant to sections 105(a) and 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019, the treatment of the Fuel Line Loan Claims as set forth in this Plan is expressly conditioned upon the approval and effectiveness of the compromise and settlement between the Oversight Board, on behalf of PREPA, and the Fuel Line Lender PSA Creditors, with respect to the Fuel Line Loan Claims, pursuant to which the Fuel Line Loan Claims are Allowed as set forth in Article XXII.A of the Plan and shall receive the treatment described in Article XIV of the Plan.

Notwithstanding anything in the Plan to the contrary, if the Title III Court does not approve the Fuel Line Lender Settlement or determines the treatment of the Fuel Line Loan Claims does not comply with PROMESA for reasons including, without limitation, the Allowability and/or treatment of the Fuel Line Loan Claims, or the Title III Court finds the treatment of the Fuel Line Loan Claims constitutes unfair discrimination, (i) the Oversight Board shall promptly propose different treatment of the Fuel Line Loan Claims which it believes is confirmable, (ii) the Fuel Line Lenders may oppose such proposed treatment, and (iii) the Fuel Line Lenders' acceptance of the Plan shall not be deemed an acceptance of any treatment different from the treatment provided for in the Fuel Line Lender PSA.

On the Effective Date, Reorganized PREPA shall issue two series of New Bonds: Series A Bonds and Series B Bonds. The maturities, interest rates, and amortization schedules for the New Bonds are attached hereto as Schedule E.

a) *Series A Bonds*

Series A Bonds shall be issued in a principal amount sufficient to comply with the terms of the Fuel Line Lender PSA and Article XIV hereof, which shall be approximately \$650,069,869.00. They shall have a final stated maturity of fifteen (15) years from the Effective Date, which final stated maturity date may be modified based on agreed upon covenants in the New Master Indenture and relating to the Legacy Charge, which final stated maturity date shall be acceptable to the Required Fuel Line Lenders, with an expected repayment of nine (9) years from the Effective Date and an expected weighted average life of less than 5 years from the Effective Date, in each case based upon 2023 Fiscal Plan Projections. The Series A Bonds shall be issued on the Effective Date but shall accrue interest from the deemed issuance date of December 1, 2022 for purposes of the calculation of accrued interest; *provided, however*, the period for accrual of interest prior to the Effective Date shall not exceed one (1) year and that the interest accrued prior to the Effective Date shall be payable upon the Effective Date in the form of Series A Bonds or Cash, at the Oversight Board's sole discretion. From and after the latest stated maturity date of any other series of New Bonds, the unpaid principal of the Series A Bonds shall no longer accrue

interest, although principal and accrued but unpaid interest outstanding shall continue to be paid. Series A Bonds shall bear interest at a rate of six percent (6.00%) per annum payable semi-annually in Cash. The Series A Bonds shall have priority as to payment of principal over the Series B Bonds.

b) *Series B Bonds*

The Series B Bonds shall be issued in two maturities with an aggregate principal amount equal to \$1,632,433,097.00. The Series B Bonds shall be dated as of the Effective Date. The Series B Bonds shall no longer accrue interest after year 50, although principal outstanding shall continue to be paid.

The first maturity of Series B Bonds (the “Series B-1 Bonds”) issued to the First Settlement Bondholders, the Purchasers, or distributed as part of the Plan Consideration shall be issued in the principal amount of \$278,736,088.00 and shall have a final stated maturity of seventeen (17) years from the Effective Date, with an expected repayment of 13 years from the Effective Date based upon 2023 Fiscal Plan Projections, which is subject to change based on load projections in subsequent PREPA Fiscal Plans, as described further in the Disclosure Statement. Such Series B-1 Bonds will be current interest bonds and shall bear federally tax-exempt interest at a rate of six percent (6.00%) per annum.

The second maturity of Series B Bonds (the “Series B-2 Bonds”) issued to the Purchasers or distributed as part of the Plan Consideration shall be issued in the principal amount of \$1,353,697,009.00 and shall have a final stated maturity of thirty-five (35) years from the Effective Date, with an expected repayment of thirty-five (35) years from the Effective Date based upon 2023 Fiscal Plan Projections, which is subject to change based on load projections in subsequent PREPA Fiscal Plans, as described further in the Disclosure Statement. The Series B-1 Bonds shall have priority as to payments of principal over the Series B-2 Bonds.

2. CVI-1

On the Effective Date, Reorganized PREPA shall issue the CVI-1 in the amount of the CVI-1 Notional Amount with a zero percent (0.00%) coupon and a final maturity date of the CVI-1 Maturity Date. Payments shall be made on the CVI-1 only after the Series B Bond Defeasance Date has occurred, so long as the Series B Bond Defeasance Date occurs prior to the CVI-1 Maturity Date. If the Series B Bond Defeasance Date occurs prior to the CVI-1 Maturity Date, the CVI-1 shall be payable from the Remaining Legacy Charge Revenues deposited to the credit of the Debt Service Fund in accordance with the Payment Waterfall until the earlier of (a) the date on which the CVI-1 Notional Amount has been paid in full and (b) the CVI-1 Maturity Date.

On the CVI-1 Maturity Date, any amount of principal outstanding on account of the CVI-1 shall no longer be due and payable.

The CVI-1 shall not carry any default rate of interest. The CVI-1 will be issued in denominations to be specified in the New Master Indenture.

3. CVI-2

On the Effective Date, Reorganized PREPA shall issue the CVI-2 in the amount of the CVI-2 Notional Amount with a zero percent (0.00%) coupon and a final maturity date of the CVI-2 Maturity Date.

Payments shall be made on the CVI-2 prior to the CVI-2 Maturity Date at the end of each Fiscal Year only if the CVI-2 Distribution Conditions have been met in the applicable Fiscal Year.

The CVI-2 is not projected to provide cash flow to the Holders of CVI-2 unless PREPA achieves Actual Savings.

On the CVI-2 Maturity Date, the CVI-2 shall no longer be due and payable, provided that any Incentive Payment due on or before the CVI-2 Maturity Date shall be due and payable under the terms of the CVI-2 Indenture.

The CVI-2 shall not carry any default rate of interest. The CVI-2 will be issued in denominations to be specified in the CVI-2 Indenture.

C. Excess Plan Consideration

On the Effective Date, Reorganized PREPA shall, in its sole discretion, distribute some, all, or none of the Excess Plan Consideration to the PREPA PayGo Trust. Any amount of Series B Bonds included in the Excess Plan Consideration that is available for distribution to the PREPA PayGo Trust, but that Reorganized PREPA determines to not issue to the PREPA PayGo Trust, shall be deemed to have not been issued, and the amount of Series B Bonds issued pursuant to the Plan shall be reduced on dollar-for-dollars basis by the aggregate principal amount of such unissued Series B Bonds.

D. Payment Provisions

1. New Bonds

Pursuant to the New Master Indenture, interest on the New Bonds shall be paid on the next January 1 or July 1 date following the Effective Date and each January 1 and July 1 thereafter until the earlier of (a) the respective stated maturity dates of the New Bonds or (b) the payment or satisfaction in full of the New Bonds in accordance with their respective terms. Principal payments will be made on July 1 date following the Effective Date.

Pursuant to the New Master Indenture, all unpaid principal on the New Bonds not paid when due, whether at or prior to final scheduled maturity date, shall remain outstanding and due and payable until paid. Interest shall continue to accrue on any amounts not paid when scheduled, provided, that interest shall not accrue on any outstanding obligations under the New Bonds after year 50; only unpaid principal and unpaid interest accrued through year 50 shall be payable following such final stated maturity dates. Interest on the New Bonds will be computed on the

basis of a 360-day year consisting of twelve 30-day months. The New Bonds shall not carry any default rate of interest.

2. CVI-1

PREPA shall pay Cash to holders of CVI-1 pursuant to the terms and conditions of the New Master Indenture; *provided, however*, that PREPA shall only be required to make payment to a Holder of CVI-1 until such Holder receives aggregate consideration under the Plan equal to the greater of (a) 100% recovery on its Allowed Claim or (b) if such Holder has received CVI-1 on account of its Remaining Disallowed Claim, 100% recovery on its Remaining Disallowed Claim.

3. CVI-2

PREPA shall pay Cash to holders of CVI-2 pursuant to the terms and conditions of the CVI-2 Indenture, which shall describe the following “CVI-2 Distribution Conditions”:

Pursuant to the Genera O&M Agreement, Genera will operate PREPA’s legacy generation assets for an initial term of ten years.

Under the terms of the Genera O&M Agreement, Genera will receive certain fees on an annual basis to operate the system (the “Service Fee”). In addition, Genera will receive certain incentive payments (the “Incentive Payment”), including incentive payments for actual savings associated with Operation Cost Efficiency and or Fuel Savings (the “Actual Savings”). In the event Genera is entitled to an Incentive Payment in any year as detailed in the Genera O&M Agreement, and that year’s Incentive Payment is the results of Actual Savings in that year, and not because of a rollover of excess Incentive Payments above the annual Incentive Payment cap (\$100 million per annum) for Genera from a prior year, such Incentive Payment shall trigger a payment under the CVI-2.

Upon determination that an Incentive Payment is due Genera, during the Initial Term, a calculation shall be completed by a calculation agent to determine the amount due on the CVI-2. Such calculation shall take fifty percent (50%) of the Actual Savings Genera achieved in the applicable fiscal year, subtract actual Service Fees due Genera in such year and multiply the remainder by fifty percent (50%). If such calculation results in a positive number, PREPA shall arrange for payment of such amount under the CVI-2 no later than eighteen (18) months following such calculation date. For avoidance of doubt, consistent with the Genera O&M Agreement, any savings related to Federal programs or market conditions do not constitute Actual Savings and therefore do not trigger the Incentive Payment or CVI-2 Distribution Conditions.

Payments due on CVI-2 shall be an Operating Expense under the CVI-2 Indenture, subject to the operation and maintenance covenants therein, as well as debt service payments due on CVI-2 thereunder.

Notwithstanding anything to the contrary above, PREPA shall only be required to make payment to a Holder of CVI-2 until such Holder receives aggregate consideration under the Plan

equal to the greater of (a) 100% recovery on its Allowed Claim or (b) if such Holder has received CVI-2 on account of its Remaining Disallowed Claim, 100% recovery on its Remaining Disallowed Claim.

E. Security

In accordance with the Confirmation Order, as security for the Secured Obligations, and the performance and observance of each and every covenant and condition contained herein and in the Secured Obligations, and subject to the occurrence of the Effective Date, Reorganized PREPA shall grant a first-priority lien and first-priority security interest to the New Master Trustee, in all of its legal and equitable right, title and interest to the Trust Estate, wherever located, and whether then existing or thereafter acquired to the fullest extent permitted under applicable law. The Confirmation Order shall provide that such first-priority lien and first-priority security interest, to be held by the New Master Trustee, in the Trust Estate shall (i) be deemed automatically perfected as of the Effective Date and valid, binding, perfected, and enforceable against all Persons having claims of any kind in tort, contract, or otherwise against Reorganized PREPA or its assets irrespective of whether such Persons have notice of such lien or security interest, without any further act or agreement by any Person, and shall remain in full force and effect until the Secured Obligations (as defined in Section 2.01(i) of the New Master Indenture) have been paid or satisfied in full in accordance with their terms, (ii) not be subject to recharacterization or equitable subordination for any purposes whatsoever, and (iii) not constitute preferential transfers or fraudulent conveyances under PROMESA or any applicable non-bankruptcy law, and (iv) be “closed” such that no debt, other than Refunding Bonds, may be issued pursuant to the New Master Indenture and shall remain in full force and effect until the New Bonds, Refunding Bonds and CVI-1 have been paid or satisfied in full in accordance with their terms.

The CVI-2 shall have no security.

F. Call Provisions

1. New Bonds

The Series A Bonds are subject to redemption prior to maturity, at the election or direction of Reorganized PREPA, in whole or in part (and, if in part, in an authorized denomination provided for under the New Master Indenture), on any interest or principal payment date that is on or after the 10th anniversary of the Effective Date, at a redemption price equal to the principal amount thereof, plus accrued interest to the redemption date.

The Series B-1 Bonds are not subject to redemption prior to maturity. The Series B-2 are subject to redemption prior to maturity, at the election or direction of Reorganized PREPA, in whole or in part (and, if in part, in an authorized denomination provided for under the New Master Indenture), on any interest or principal payment date that is on or after the 20th anniversary of the Effective Date, at a redemption price of equal to 105% of the principal amount thereof, stepping down by 1% each year until being equal to 100% on any interest or principal payment date that is on or after the 25th anniversary of the Effective date, in each case plus accrued interest to the redemption date.

If less than all the New Bonds of a particular series are called for redemption prior to maturity, Reorganized PREPA will select the maturity or maturities of such series of the New Bonds to be redeemed, and DTC, on behalf of the New Master Trustee, will select the New Bonds within the same maturity of such series to be redeemed by means of a random lottery.

2. CVI-1

The CVI-1 is subject to redemption prior to maturity, at the election or direction of Reorganized PREPA, in whole or in part (and, if in part, in an authorized denomination provided for under the New Master Indenture), as specified in the New Master Indenture. The redemption price shall be equal to the CVI-1 Redemption Price.

3. CVI-2

The CVI-2 shall not be callable.

G. Accounts and Payment Waterfall

The New Bonds and CVI-1 shall be special obligations of Reorganized PREPA payable solely from the Trust Estate in the manner provided in the New Master Indenture.

Pursuant to the New Master Indenture, all revenues shall be deposited in the General Fund held by Reorganized PREPA. On the first Business Day of each month, Reorganized PREPA shall apply, deposit or transfer, as applicable, the Legacy Charge Revenues and Remaining Legacy Charge Revenues in the amounts and in the order set forth in the New Master Indenture (the "Payment Waterfall").

The CVI-2 shall be special obligations of Reorganized PREPA payable in the manner provided in the CVI-2 Indenture.

H. Key Covenants for New Bonds and CVI-1

The Definitive Documents, including the New Master Indenture, shall contain covenants by Reorganized PREPA that it shall, among other things:

1. fix, charge and collect, or cause to be fixed, charged and collected, the Legacy Charge or the Remaining Legacy Charge, as applicable, and deposit such Legacy Charge Revenues or Remaining Legacy Charge Revenues, as applicable, in accordance with the New Master Indenture;

2. take no action that would (i) impair the first-priority lien on and first-priority security interest on the Trust Estate, (ii) impair or prevent the monthly deposits under Section 5.04 of the New Master Indenture, (iii) limit or alter the rights vested in Reorganized PREPA in accordance with the Plan of Adjustment and the Confirmation Order in connection with the New Bonds, or (iv) limit or impair the rights and remedies of the New Master Trustee or the Bondholders under the New Master Indenture;

3. take no action that would, or fail to take any action, if such failure would, (a) cause Reorganized PREPA to lose its status as an issuer of municipal obligations for federal income tax purposes or (b) cause interest on any tax exempt New Bonds to become includable in gross income for federal income tax purposes under applicable federal tax laws;

4. not create any Lien, security interest, or charge on the Trust Estate except in connection with issuance of Refunding Bonds as permitted under the New Master Indenture; and

5. not issue any Series A Bonds to any parties other than to be issued pursuant to this Plan and the Fuel Line Lender PSA.

I. Application of Moneys in Legacy Charge Revenue Fund

Pursuant to the New Master Indenture:

From and after the Effective Date, until the New Bonds, Refunding Bonds, and/or CVI-1 have been paid, satisfied in full in accordance with their terms, or otherwise no longer deemed to be outstanding under the New Master Indenture, Reorganized PREPA shall deposit, in accordance with the Payment Waterfall, the Legacy Charge Revenues on deposit in the General Fund with respect to the New Bonds and the Remaining Legacy Charge Revenues on deposit in the General Fund with respect to the CVI-1 to the credit of the Legacy Charge Revenue Fund.

Under the Payment Waterfall, after the required deposit in the Trustee Expense Fund, prior to the Series B Bond Defeasance Date, monies deposited in the Legacy Charge Revenue Fund shall be deposited into the Debt Service Fund and applied *first* to the payment of interest on the New Bonds on a pro rata basis, *second* to any required deposits in the Arbitrage Rebate Fund and *third* to the turbo payment of principal on the New Bonds. The Series A Bonds shall have priority as to payment of principal over the Series B Bonds.

After the Series B Bond Defeasance Date has occurred, so long as the Series B Bond Defeasance Date occurs prior to the CVI-1 Maturity Date, any excess monies in the Debt Service Fund shall be applied to the payment of the CVI-1 Notional Amount until the earlier of (a) the date on which the CVI-1 Notional Amount has been paid in full and (b) the CVI-1 Maturity Date.

J. Interest Rate Covenant

Pursuant to the New Master Indenture, during such time as the New Bonds remain outstanding, if, after taking into account any other moneys deposited or to be deposited in the Legacy Charge Revenue Fund, as applicable, in any Fiscal Year, (a) the Legacy Charge Revenues deposited, or (b) the Legacy Charge Revenues budgeted in the Annual Budget (as defined in the New Master Indenture) to be deposited in the succeeding Fiscal Year, in the Legacy Charge Revenue Fund are insufficient to pay interest on the Bonds in such Fiscal Year, Reorganized PREPA will, as soon as practicable (and in no event later than 30 days following written notice thereof by the New Master Trustee) (i) implement an increase in the Legacy Charge so that the Legacy Charge Revenues will be sufficient to pay interest on the Bonds when due, or (ii) to the extent necessary to implement such increase in the Legacy Charge, initiate a rate case before PREB

to implement such increase and continue to prosecute the rate case in the ordinary course, or initiate any other proceeding necessary to authorize such increase (the “Interest Rate Covenant”).

K. Operation and Maintenance Covenants

Pursuant to the New Master Indenture, Reorganized PREPA covenants it will operate and maintain, or will cause to be operated and maintained, Reorganized PREPA’s system in conformity with law and all requirements of all governmental authorities having jurisdiction thereover and that it will at all times fix, charge and collect or cause to be charged and collected reasonable rates and charges for the use of the service and facilities furnished by Reorganized PREPA and that from time to time, and as often as necessary, it will adjust such rates and charges so that Reorganized PREPA’s revenues in each Fiscal Year shall be no less than its operating expenses for such Fiscal Year.

L. Amendment Test for Replacement of Legacy Charge and Remaining Legacy Charge

In accordance with and subject to the New Master Indenture, to the extent that the determination is made by Reorganized PREPA or PREB that Reorganized PREPA’s current rate structure is not in the best interest of Reorganized PREPA’s System or is not just and reasonable, Reorganized PREPA, with the consent of PREB, may, at any time, replace the Legacy Charge and Remaining Legacy Charge by imposing and collecting any other rate, fee or charge on its customers (respectively, the “Replacement Legacy Charge” and the “Replacement Remaining Legacy Charge”), solely in accordance with the following procedures (the “Amendment Test”):

- (a) Reorganized PREPA shall deliver to the New Master Trustee a certificate, signed by an Authorized Officer (as defined in the New Master Indenture) of Reorganized PREPA and approved by the Authority Rate Consultant (as defined in the New Master Indenture), certifying (A) the amount of the Legacy Charge Revenues and Remaining Legacy Charge Revenues projected at that time to be received by Reorganized PREPA during the current Fiscal Year and every Fiscal Year thereafter during which any Secured Obligations are scheduled to remain Outstanding (the “Existing Charge Revenue Projection”), along with a report of the Authority Rate Consultant including the methodology and calculations used in deriving such projections and (B) that implementation of the Replacement Legacy Charge and Replacement Remaining Legacy Charge will not delay or extend the expected repayment date or weighted average life of the New Bonds as set for in the New Master Indenture;
- (b) Reorganized PREPA will file a petition with PREB seeking a ruling that Reorganized PREPA is required to pay the annual amounts set forth in the Existing Charge Revenue Projection and thus any Replacement Legacy Charge or Replacement Remaining Legacy Charge must be sufficient to satisfy such payments based on the projected revenues and costs of Reorganized PREPA at that time during the period of the Existing Charge Revenue Projection, which petition shall be subject to the procedures for

any challenge by the New Master Trustee as provided in the New Master Indenture;

- (c) A rating confirmation on any New Bonds rated by a rating agency; and
- (d) Upon the issuance of the ruling described in paragraph (b) above, Reorganized PREPA shall file a separate petition with PREB to set a Replacement Legacy Charge or Replacement Remaining Legacy Charge sufficient to satisfy the payments set forth in the Existing Charge Revenue Projection.

Following the date of delivery of the information described immediately above (such date, the “Delivery Date”), the Trustee may, if instructed by not less than a Quarter in Interest (the “Instructing Bondholders”) appoint a Bond Rate Consultant (as defined in the New Master Indenture) acceptable to a majority of the Instructing Bondholders to review the report of the Authority Rate Consultant with respect to the Existing Charge Revenue Projection. If the Bond Rate Consultant delivers a report to the Authority and the Trustee not later than 90 days following the Delivery Date challenging the Existing Charge Revenue Projection, Reorganized PREPA and the Trustee shall cause the Authority Rate Consultant and the Bond Rate Consultant, respectively, to confer with PREB, and together shall use reasonable best efforts to resolve any discrepancies in the respective Existing Charge Revenue Projections. In the event the Authority Rate Consultant, the Bond Rate Consultant and PREB do not resolve such discrepancies no later than 104 days following the Delivery Date, Reorganized PREPA shall request PREB to appoint a PREB Rate Consultant to prepare a report with respect to the Existing Charge Revenue Projection to be delivered to Reorganized PREPA and the Trustee no later than 120 days following the Delivery Date. The conclusions of the PREB Rate Consultant contained in its report shall control and be deemed to comply with the requirements listed above absent manifest error.

In the event the Trustee, as directed by the Instructing Bondholders, is unable to appoint a Bond Rate Consultant for any reason, or if the Bond Rate Consultant does not deliver its report to the Authority and the Trustee not later than 90 days following the Delivery Date, the conclusions of the Authority Rate Consultant contained in its report shall control, subject to approval by PREB, and be deemed to comply with the requirements listed above absent manifest error.

In the event PREB, after using reasonable best efforts, is unable to appoint a PREB Rate Consultant for any reason, then PREB alone shall resolve the discrepancies between the respective reports of the Authority Rate Consultant and the Bond Rate Consultant. The conclusions of PREB shall control and be deemed to comply with the requirements listed above absent manifest error.

M. No Rights of Acceleration

There shall be no right of acceleration with respect to the New Bonds, the CVI-1, and the CVI-2.

N. Limited Default

1. New Bonds

There shall be no event of default on the New Bonds (prior to the stated final maturity date of the Series A Bonds, solely with respect to the Series A Bonds, and generally with respect to the Series B Bonds) for failure to pay scheduled debt service, so long as Reorganized PREPA (a) charges and employs its reasonable best efforts to (i) levy the Legacy Charge, (ii) collect the revenues generated by the Legacy Charge, and (iii) deposit the full amount of the Legacy Charge Revenues in accordance with the Payment Waterfall, and (b) complies with the Interest Rate Covenant.

2. CVI-1

There shall be no event of default on the CVI-1 so long as Reorganized PREPA takes reasonable actions to collect the Remaining Legacy Charge and deposits the Remaining Legacy Charge Revenues into the Legacy Charge Revenue Fund.

3. CVI-2

There shall be no event of default on the CVI-2 so long as Reorganized PREPA takes reasonable actions to comply with the CVI Distribution Conditions.

O. Limited Remedies

Pursuant to the New Master Indenture, upon the occurrence of an event of default on the New Bonds, or the CVI-1, the New Master Trustee's sole remedies shall be to: (a) seek enforcement of Reorganized PREPA's obligation to take reasonable measures to levy the Legacy Charge and the Remaining Legacy Charge and collect revenues generated by the Legacy Charge and Remaining Legacy Charge and deposit the Legacy Charge Revenues and Remaining Legacy Charge Revenues in accordance with the Payment Waterfall; (b) prior to the Series A Bond Defeasance Date or the earlier of the Series B Bond Defeasance Date or Series B Bonds final maturity, as applicable, at the request of not less than a Quarter in Interest of outstanding New Bonds and CVI-1, as applicable, seek, by action or suit in law or in equity for specific performance, enforcement of any covenant contained in the New Master Indenture and/or (c) seek enforcement of Reorganized PREPA's obligation under the New Master Indenture to budget sufficient money to fund Operating Expenses.

All provisions of the Commonwealth Constitution, Commonwealth statutes, executive orders, rules, regulations, and policies that provide the "Right to Receivership Upon Default," codified at 22 L.P.R.A. § 207, are preempted as inconsistent with PROMESA. Pursuant to the New Master Indenture, the New Master Trustee and all holders of New Bonds or CVI-1 waive any and all right to appoint a receiver under Puerto Rico law. Neither the New Master Trustee nor the

holders of New Bonds or CVI-1 shall have any right to seek appointment of a receiver or obtain the appointment of a receiver under any circumstances. Pursuant to the New Master Indenture, the New Master Trustee and all holders of New Bonds or CVI-1 waive any rights that could arise in any bankruptcy proceeding to any unsecured claim based on any equitable rights of performance the New Master Trustee and/or the bondholders may have, including, without limitation, any claim that could arise under 11 U.S.C. § 101(5)(B).

P. Additional Indebtedness and Refunding Bonds

Reorganized PREPA may issue Refunding Bonds to refund, refinance, or defease outstanding New Bonds authorized under the New Master Indenture. Such Refunding Bonds may be secured by the Trust Estate as more specifically set forth in the New Master Indenture.

Reorganized PREPA may issue additional indebtedness so long as such indebtedness is not secured by the Trust Estate and so long as Reorganized PREPA is current on all debt service payable on account of the New Bonds under the New Master Indenture and no event of default has occurred and is continuing under the New Master Indenture unless the use of proceeds of such additional indebtedness would cure such event of default.

Q. Force Majeure

1. New Bonds

In the event of a federally-declared disaster as a result of a storm or other catastrophic event prior to the Initial Bonds Defeasance Date (as defined in the New Master Indenture) that disrupts Reorganized PREPA's operations such that Reorganized PREPA cannot collect revenues (excluding Legacy Charge Revenues) sufficient to pay its Operating Expenses for a given Fiscal Year, Reorganized PREPA may elect, in its sole discretion, to (i) defer up to two (2) consecutive semi-annual debt service payments, (ii) use the Legacy Charge Revenues for Operating Expenses for up to twelve (12) months, and/or (iii) to reduce or eliminate the Legacy Charge from customer bills for up to twelve (12) months.

For the avoidance of doubt, if Reorganized PREPA exercises such election, unpaid interest on the New Bonds will continue to accrue at their respective interest rates per annum until paid. All deferred principal and interest on Series A Bonds impacted by such election shall be paid on or before the earlier of (a) the final stated maturity of the Series A Bonds and (b) the first scheduled payment date five (5) years after the end of the debt service deferral period. All deferred principal and interest on Series B Bonds impacted by such election shall be paid on or before the first scheduled payment date five (5) years after the end of the debt service deferral period. For the avoidance of doubt, principal on the New Bonds that is deferred as a result of such election shall continue to be due, and interest on the New Bonds that is deferred as a result of such election shall continue to accrue, until paid.

2. CVI-1

In the event of a federally-declared disaster as a result of a storm or other catastrophic event on or following the Initial Bonds Defeasance Date (as defined in the New Master Indenture) that

disrupts Reorganized PREPA's operations such that Reorganized PREPA cannot collect revenues (excluding Remaining Legacy Charge Revenues) sufficient to fund Operating Expenses, Reorganized PREPA may elect, in its sole discretion, to (i) use the Remaining Legacy Charge Revenues for Operating Expenses for up to twelve (12) months and/or (ii) reduce or eliminate the Remaining Legacy Charge from customer bills for up to twelve (12) months. If Reorganized PREPA elects to use Remaining Legacy Charge Revenues under the foregoing clause (i), the amount of such Remaining Legacy Charge Revenues used for Operating Expenses shall be paid on or before the date that is five (5) years after the end of the debt service deferral period, without interest. If Reorganized PREPA elects not to charge the Remaining Legacy Charge under the foregoing clause (ii), the CVI Maturity Date shall be extended by the number of full months during which the Remaining Legacy Charge was not charged as a result of such event; ***provided, however,*** that the CVI Maturity Date shall not exceed 50 years from the date of issuance of the CVI.

R. Direct Right of Action

Subject in all respects to the additional rights and limitations (including as described in "Limited Remedies" above) contained in the New Master Indenture and this Plan, the New Master Trustee shall have a direct right of action to enforce the terms of the New Master Indenture, including, without limitation, with respect to funding deposits in the Legacy Charge Revenue Fund and seeking specific performance remedies for any breach of covenants in the New Master Indenture.

S. Indentures

The New Master Indenture will govern the above sections included within Article XXIII of the Plan, as well as, among other things, amendments of or supplements to the New Bonds, the CVI-1, or the New Master Indenture, events of default, remedies, priority of payments after default under the New Master Indenture, and defeasance under the New Master Indenture will be set forth in the New Master Indenture. The New Master Indenture will be executed and delivered on or prior to the Effective Date.

The CVI-2 Indenture will govern the above sections included within Article XXIII of the Plan, as well as, among other things, amendments of or supplements to the CVI-2, or the CVI-2 Indenture, events of default, remedies, priority of payments after default under the CVI-2 Indenture, and defeasance under the CVI-2 Indenture will be set forth in the CVI-2 Indenture. The CVI-2 Indenture will be executed and delivered on or prior to the Effective Date.

T. Governing Law

The New Master Indenture, and the Secured Obligations issued thereunder, as applicable, shall be governed by the laws of the State of New York applicable to agreements made in and to be performed wholly within such jurisdiction, and the laws of the State of New York, without giving effect to principles of conflicts of laws, shall apply to any action or proceeding arising under the New Master Indenture and the Secured Obligations; ***provided, however,*** that the authorization

of the New Master Indenture and the issuance of the Secured Obligations by Reorganized PREPA shall be governed by the laws of the Commonwealth.

The CVI-2 Indenture, and the CVI-2 issued thereunder, as applicable, shall be governed by the laws of the State of New York applicable to agreements made in and to be performed wholly within such jurisdiction, and the laws of the State of New York, without giving effect to principles of conflicts of laws, shall apply to any action or proceeding arising under the CVI-2 Indenture and the CVI-2; *provided, however*, that the authorization of the CVI-2 Indenture and the issuance of the CVI-2 by Reorganized PREPA shall be governed by the laws of the Commonwealth.

In accordance with the Confirmation Order, the Title III Court shall retain jurisdiction from and after the Effective Date of all matters arising from or related to the Plan, the Confirmation Order, the New Master Indenture, and the CVI-2 Indenture including, without limitation, under Article XXXIX of the Plan and with respect to the payment of the Secured Obligations and CVI-2 and the enforcement of the remedies set forth herein to the fullest extent permitted by law. Any disputes, legal action, suit, or proceeding arising from or related to the New Master Indenture or the Secured Obligations (a) shall be brought in accordance with the terms of the New Master Indenture in the Title III Court and any appellate court therefrom, or, in the event such court does not have or accept such jurisdiction, in any federal district court sitting in Puerto Rico and any appellate court therefrom or, in the event such federal district court does not have or accept jurisdiction, a Commonwealth court and any appellate court therefrom and (b) the parties shall be deemed to consent to the jurisdiction thereof. Any disputes, legal action, suit, or proceeding arising from or related to the CVI-2 Indenture or the CVI-2 (a) shall be brought in accordance with the terms of the CVI-2 Indenture in the Title III Court and any appellate court therefrom, or, in the event such court does not have or accept such jurisdiction, in any federal district court sitting in Puerto Rico and any appellate court therefrom or, in the event such federal district court does not have or accept jurisdiction, a Commonwealth court and any appellate court therefrom and (b) the parties shall be deemed to consent to the jurisdiction thereof.

U. Tax Exemption of the New Bonds

The Government Parties are planning to seek a ruling from the IRS (the “Determination”) that certain features of the New Bonds will not prevent the issuance of all of the New Bonds on the Effective Date as tax-exempt obligations. However, Holders of Claims or Entities are only agreeing to receive New Bonds pursuant to the Plan if such New Bonds are, at the time of issuance, accompanied by the favorable opinion of Section 103 Bond Counsel that the interest, other than pre-issuance accrued interest, on such New Bonds is, in such counsel’s opinion, excluded from gross income for purposes of U.S. federal income tax. Bond Counsel shall use its reasonable best efforts to opine that the New Bonds are exempt from Commonwealth income tax, and U.S. state and local income tax.

V. CVI-1 and CVI-2 Not Tax Exempt

Any payments received on account of CVI-1 or CVI-2 shall not be treated as tax-exempt interest excluded from gross income for purposes of U.S. federal income tax, Commonwealth income tax, and U.S. state and local income tax. Holders of CVI-1 or CVI-2 that receive payments

thereon are themselves to determine the proper treatment of any such payments for federal, state and Commonwealth tax purposes.

ARTICLE XXIV

For each of Class 4-9 that vote to accept the Plan in accordance with section 1126 of the Bankruptcy Code, and provided that all Monoline Insurance Policies and related agreements related to Insured Bonds in the respective classes are in full force and effect, or have otherwise been fully performed by the respective Monoline Insurer, with no outstanding payment defaults by the respective Monoline Insurer with respect to such Insured Bonds up to and including the Effective Date, then, notwithstanding any other provision of the Plan, on the Effective Date, Holders of Allowed Insured Bond Claims shall receive the following treatments, which treatments shall be selected by the respective Monoline Insurer, in its sole and absolute discretion, at or prior to the Plan Supplement Deadline and be set forth on the Insured Bondholder Election Form; *provided, however*, that, for the avoidance of doubt, Insured Bonds owned or held by a Monoline Insurer (by subrogation or otherwise) shall not be subject to the treatment elections set forth in this Article XXIV and, subject to the rights of the Bond Trustee, such Monoline Insurer shall receive the treatment to be provided such bonds in their respective Class; and, *provided, further*, that, subject to providing Holders of Allowed Insured Bond Claims with the treatment or elections set forth in this Article XXIV and satisfying all such treatment or elections, the Monoline Insurer shall have all right, title, and interest in the treatment and consideration and shall manage it in its sole and absolute discretion subject to and in accordance with all applicable laws and regulations; and, *provided, further*, that any calculations and/or payments to be made to a Holder based on, or in relation to, such Holder's Allowed Insured Bond Claim pursuant to the options set forth in this Article XXIV will take into account any payments of principal and/or accrued interest already made to such Holder by the respective Monoline Insurer pursuant to the terms of the relevant Monoline Insurance Policies, and such Holder shall not be compensated for any amounts already paid to such Holder pursuant to the terms of the relevant Monoline Insurance Policies.

A. Commutation Treatment of Insured Bond Claims

The Insured Bonds of a

Holder that timely and validly elects to receive the Commutation Treatment or makes an improper election as described in Article XXIV.F hereof, shall be deemed cancelled on the Effective Date, and the respective Monoline Insurer's obligations under the applicable Monoline Insurance Policies shall be fully and finally satisfied, released, and discharged.

B. Non-Commutation Treatment of Insured Bond Claims

In the event that a Holder of an Insured Bond Claim timely and validly elects on the Insured Bondholder Election Form to receive the Non-Commutation Treatment in accordance with the provisions of Article XXIV.B and Article XXIV.F hereof, (i) the respective Monoline Insurer shall receive the Monoline Plan Consideration distributable on account of the applicable Allowed Insured Bond Claim, and (ii) such Holder shall receive one or more of the following treatments, at the respective Monoline Insurer's election, which election shall be exercised by the respective Monoline Insurer in its sole discretion at or prior to the Plan Supplement Deadline, and as detailed in the Insured Bondholder Election Form.

3. Payment of Accelerated Amounts

Each Monoline Insurer shall receive its respective Monoline Plan Consideration that would be otherwise allocable to such Holder of an Allowed Insured Bond Claim and the Monoline Insurer shall fully and completely discharge its obligation to such Holder of an Allowed Insured Bond Claim by paying on the Effective Date, in Cash, the amount thereof at the Monoline Acceleration Price as of the date of payment.

4. Alternative Treatment

The Oversight Board and the respective Monoline Insurers reserve the right to formulate an alternative election or implementation option with respect to the applicable Insured Bonds that is mutually acceptable to the Oversight Board and the applicable Monoline Insurer, each in their

respective sole discretion; *provided, however*, that any such alternative election or implementation option must be proposed, in writing, prior to the Plan Supplement Deadline. Notwithstanding the foregoing, and for the avoidance of doubt, the Monoline Insurer may make different elections, with respect to different CUSIPs and different holders of Insured Bonds.

C. Acceleration of Insured Bonds

For each of Classes 4-9 that vote to accept the Plan in accordance with section 1126 of the Bankruptcy Code, and to the extent that there are no outstanding payment defaults by the respective Monoline Insurer with respect to their respective Insured Bonds up to and including the Effective Date, the payment of the principal of the respective Insured Bonds shall be accelerated as of the Effective Date, and such Insured Bonds shall be due and payable from and after the Effective Date at the Monoline Acceleration Price of one hundred percent (100%) of the principal amount thereof plus interest accrued thereon (or, in the case of any capital appreciation bonds, the compounded amount thereof) to the date of payment. Each Monoline Insurer shall have the right to pay the Monoline Acceleration Price with respect to its respective Insured Bonds at any time, and the Holder of such Insured Bonds and the trustee or fiscal agent (as applicable) shall be required to accept the same in satisfaction of the respective Monoline Insurer's obligations under the applicable Monoline Insurance Policy with respect to such bonds, and, upon such payment, the Monoline Insurer's obligations under the applicable Monoline Insurance Policy shall be fully satisfied and extinguished, notwithstanding any provision of the applicable Monoline Insurance Policy or other documents related to the Insured Bonds. For the avoidance of doubt, notwithstanding such acceleration, there shall be no acceleration of any payment required to be made under any Monoline Insurance Policy unless the applicable Monoline Insurer elects, in its sole and absolute discretion, to make such payment(s) on an accelerated basis.

D. Assignment of Redemption Rights

For each of Classes 4-9 that vote to accept the Plan in accordance with section 1126 of the Bankruptcy Code, to the extent permitted pursuant to applicable definitive documents and not inconsistent with the rights provided in accordance with the applicable Monoline Insurance Policy, on the Effective Date, PREPA shall be deemed to have assigned to each of the Monoline Insurers any and all rights to redeem and call its respective Insured Bonds and any related rights such that such rights may be exercised directly and exclusively by the applicable Monoline Insurers as if it were PREPA for such purpose. Any amounts due in connection with any such redemption shall be equal to the lesser of the applicable redemption price and the Monoline Acceleration Price.

E. Entitlement to Vote

Subject to the terms and provisions of the Disclosure Statement Order, (a) the solicitation of acceptances and rejections to the Plan by Holders of Insured Bond Claims shall be made by the Oversight Board to each of the Monoline Insurers in accordance with the provisions of Section 301(c)(3) of PROMESA, applicable law and governing documents, and (b) the election to choose between the Commutation Treatment as set forth in Article XXIV.A hereof and the Non-Commutation Treatment as set forth in Article XXIV.B hereof shall be made by the beneficial Holders of the applicable Insured Bonds on the applicable Insured Bondholder Election Form;

provided, however, that the form of the applicable Non-Commutation Treatment shall be selected by the applicable Monoline Insurer in accordance with Article XXIV.B hereof.

F. Improper Election

If a Holder of an Allowed Insured Bond Claim (1) fails to timely and validly elect the Non-Commutation Treatment pursuant to Article XXIV.B hereof, or (2) submits an election for less than all of its Insured Bond Claims in a particular class (in which case, such election shall be void and of no force or effect), such Holder shall be deemed to have elected to receive the Commutation Treatment set forth in Article XXIV.A hereof with respect to such Insured Bond Claims, to commute the applicable Monoline Insurance Policies, to release and discharge the respective Monoline Insurer's obligations under such Monoline Insurance Policies, and to receive distributions in accordance with Article XXIV.A hereof. In addition, the Insured Bonds of a Holder of an Allowed Insured Bond Claim that does not validly elect to receive the Non-Commutation Treatment pursuant to clauses (1) or (2) above shall be deemed cancelled on the Effective Date, and the respective Monoline Insurer's obligations under the applicable Monoline Insurance Policies shall be fully and finally satisfied, released, and discharged.

ARTICLE XXV

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Rejection or Assumption of Executory Contracts and Unexpired Leases

Pursuant to Bankruptcy Code section 365(b)(2) and subject to the provisions of Article XXV.F and Article XXV.H hereof, all Executory Contracts and Unexpired Leases that exist between the Debtor and any Entity, and which have not expired by their own terms on or prior to the Confirmation Date, shall be deemed rejected by the Debtor as of the Effective Date, except for any Executory Contract or Unexpired Lease (a) that has been assumed, assumed and assigned, or rejected pursuant to an order of the Title III Court entered prior to the Effective Date, (b) that is specifically designated as a contract or lease to be assumed or assumed and assigned on the Schedule of Assumed Contracts and Leases to the Plan Supplement, (c) that has been registered with the Office of the Comptroller of Puerto Rico or has been approved by the Oversight Board or authorized by the Title III Court, (d) that has been exempt from registration with the Office of the Comptroller of Puerto Rico pursuant to 2 L.P.R.A. § 97 and regulations promulgated pursuant thereto, (e) with the United States, or any of its agencies, departments, or agents pursuant to any federal program, (f) by or between any Commonwealth agencies, departments, municipalities, public corporations, or instrumentalities, unless specifically designated a contract to be rejected in the Plan Supplement, or (g) that contains any easement, license, or permit in favor of PREPA or Reorganized PREPA; *provided, however*, that the Debtor reserves the right, on or prior to the Effective Date, to amend such schedules to delete any Executory Contract and Unexpired Lease therefrom or add any Executory Contract and Unexpired Lease thereto, in which event such Executory Contract(s) and Unexpired Lease(s) shall be deemed to be, as the case may be, either rejected, assumed, or assumed and assigned as of the Effective Date. The Debtor shall serve (y) notice of any Executory Contract and Unexpired Lease to be assumed or assumed and assigned through the operation of this Article XXV.A by including a schedule of such contracts and leases in the Plan Supplement and (z) notice of any Executory Contract and Unexpired Lease to be

rejected through the operation of this Article XXV.A, by serving a separate notice to the relevant counterparties to such agreements. To the extent there are any amendments to such schedules, the Debtor shall provide notice of any such amendments to the parties to the Executory Contract and Unexpired Lease affected thereby. The listing of a document on the schedules to the Plan Supplement or in any separate notice shall not constitute an admission by the Debtor that such document is an Executory Contract and Unexpired Lease or that the Debtor has any liability thereunder. Nothing herein shall impair any easement, license, or permit granted to PREPA by law or agreement.

Except as otherwise provided herein or agreed to by the Debtor and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by PREPA during the Title III Case shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

Except as otherwise provided herein or agreed to by the Debtor and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by PREPA during the Title III Case shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

B. Approval of Rejection or Assumption of Executory Contracts and Unexpired Leases

Entry of the Confirmation Order by the Title III Court shall constitute approval, pursuant to Bankruptcy Code sections 365(a) and 1123(b)(2), of the rejection, assumption, or assumption and assignment, as the case may be, of an Executory Contract and an Unexpired Lease pursuant to Article XXV.A of the Plan.

C. Inclusiveness

Unless otherwise specified on the schedules to the Plan Supplement, each Executory Contract and Unexpired Lease listed or to be listed therein shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract and Unexpired Lease, without regard to whether such agreement, instrument, or other document is listed on such schedule.

D. Cure of Defaults and Objections to Cure and Assumption

Except to the extent that different treatment has been agreed to by the non-Debtor party or parties to any Executory Contract and Unexpired Lease to be assumed or assumed and assigned pursuant to Article XXV.A of the Plan, the Debtor shall, pursuant to the provisions of Bankruptcy Code section 1123(a)(5)(G) and 1123(b)(2) and consistent with the requirements of Bankruptcy Code section 365, within at least twenty (20) days prior to the Confirmation Hearing, file with the Title III Court and serve by first class mail on each non-Debtor party to such Executory Contracts and Unexpired Leases to be assumed pursuant to Article XXV.A of the Plan, a notice, which shall list the cure amount as to each Executory Contract or Unexpired Lease to be assumed or assumed and assigned. The parties to such Executory Contracts and Unexpired Leases will have twenty (20) days from the date of service of such notice to file and serve any objection to the cure amounts listed by the Debtor. If there are any objections filed, the Title III Court shall hold a hearing on a date to be set by the Title III Court. **Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption or assumption and assignment.** Notwithstanding the terms and provisions of Article XXV.A of the Plan, the Debtor shall retain its rights to reject any of its Executory Contracts and Unexpired Leases that are subject to a dispute concerning amounts necessary to cure any defaults through the Effective Date.

Any Cure Claim shall be deemed fully satisfied, released, and discharged upon payment by PREPA of the Cure Claim; *provided, however*, that nothing herein shall prevent PREPA from paying any Cure Claim despite the failure of the relevant counterparty to file such request for payment of such Cure Claim. PREPA also may settle any Cure Claim without any further notice to or action, order, or approval of the Title III Court. If there is any dispute regarding any Cure Claim, the ability of PREPA or any assignee to provide “adequate assurance of future performance” within the meaning of Bankruptcy Code section 365, or any other matter pertaining to assumption, then payment of such Cure Claim shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by PREPA and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cure Claims, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim (but, for the avoidance of doubt, not including Cure Claims) based upon Executory Contracts or Unexpired Leases that have been assumed in the Title III Case, including pursuant to the Confirmation Order, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Title III Court.**

E. Contracts and Leases Entered Into After the Petition Date

Contracts, leases, and other agreements entered into after the Petition Date by PREPA and any Executory Contracts and Unexpired Leases assumed by PREPA may be performed by PREPA in the ordinary course of its operations.

F. Insurance Policies

Subject to the terms and provisions of Article XXV.H hereof, each of the Debtor's Insurance Policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan and shall be assumed as of the Effective Date; *provided, however,* that such treatment shall not, and shall not be construed to, discharge or relieve any Monoline Insurer with respect to its respective obligations to Holders of Claims under policies of insurance and applicable law and governing documents with respect thereto, as applicable, under this Plan, and *provided, further,* that no obligation to any Monoline Insurer is assumed and any Claim that such Monoline Insurer has is discharged and treated under the Plan. Except as otherwise provided in the Plan, on the Effective Date, PREPA shall, or shall cause the Bond Trustee, to deposit or cause the deposit of the applicable Monoline Insurance Policies and any agreements, documents and instruments relating to coverage of the applicable Insured Bond Claims into the respective Monoline Trust. For the avoidance of doubt, nothing contained in the Confirmation Order or this Plan shall prejudice any subrogation, reimbursement, or similar rights of each Monoline Insurer against its respective Monoline Trust or the assets thereof.

G. Rejection Damage Claims

If the rejection of an Executory Contract and Unexpired Lease by the Debtor hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a filed Proof of Claim, shall be forever barred and shall not be enforceable against the Debtor, or its properties or agents, successors, or assigns, including, without limitation, the Reorganized Debtor, unless a Proof of Claim is filed with the Title III Court and served upon attorneys for the Oversight Board and Reorganized Debtor, as the case may be, on or before thirty (30) days after the later to occur of (i) the Effective Date, and (ii) the date of entry of an order by the Title III Court authorizing rejection of a particular Executory Contract and Unexpired Lease.

H. Indemnification and Reimbursement Obligations

For purposes of the Plan, (i) to the extent executory in nature, the obligations of the Debtor, including, without limitation, directors and officers Insurance Policies, to indemnify and reimburse its directors or officers that were directors or officers, respectively, on or prior to the Petition Date, as the case may be, shall be deemed assumed as of the Effective Date, and (ii) indemnification obligations of the Debtor arising from conduct of officers and directors during the period from and after the Petition Date, as the case may be, shall be Administrative Expense Claims; *provided, however,* that, under no circumstances shall the Debtor or the Reorganized Debtor, as the case may be, be responsible for any indemnification obligation, cost, or expense associated with the gross negligence, intentional fraud, or willful misconduct of their respective officers or directors.

I. Nonoccurrence of Effective Date

If the Effective Date does not occur, the Title III Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases pursuant to Bankruptcy Code section 365(d)(4), unless such deadline(s) have expired.

J. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtor, Reorganized Debtor, or any other party that any such contract or lease is in fact an Executory Contract and Unexpired Lease or that the Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtor or Reorganized Debtor shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

ARTICLE XXVI

GUC TRUST

A. Execution of GUC Trust Agreement

On or before the Effective Date, PREPA and the GUC Trustee shall execute the GUC Trust Agreement, and shall take all other necessary steps to establish the GUC Trust and the GUC Trust Interests therein, which shall be for the benefit of the GUC Trust Beneficiaries, whether their Claims are Allowed before, on, or after the Effective Date. The GUC Trust Agreement may provide powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the GUC Trust as a “liquidating trust” for United States federal income tax purposes.

B. Purpose of the GUC Trust

The GUC Trust shall be established for the sole purpose of receiving and distributing the GUC Trust Assets in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust.

C. GUC Trust Assets

The GUC Trust shall consist of the GUC Trust Assets. On the Effective Date, PREPA shall transfer all the GUC Trust Assets to the GUC Trust. The GUC Trust Assets may be transferred subject to certain liabilities, as provided in the Plan or the GUC Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the GUC Trust Assets to the GUC Trust, PREPA and its predecessors, successors and assigns, and each other Entity released pursuant to Article XXXI hereof shall be discharged and released from all liability with respect to the delivery of such distributions.

D. Administration of the GUC Trust

The GUC Trust shall be administered by the GUC Trustee according to the GUC Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the GUC Trust Agreement, the GUC Trust Agreement shall govern.

E. The GUC Trustee

If the GUC Trustee dies, becomes incapacitated, is terminated, or resigns for any reason, the GUC Trust Board shall designate a successor; *provided, however*, that under no circumstance shall the GUC Trustee be a director or officer with respect to any Affiliate of the GUC Trust.

F. Role of the GUC Trustee

In furtherance of and consistent with the purpose of the GUC Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan, and the GUC Trust Agreement, and the oversight of the GUC Trust Board, the GUC Trustee shall, among other things, have the following rights, powers, and duties: (i) to hold the GUC Trust Assets for the benefit of the GUC Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date; (ii) to prepare and file (or cause to be prepared and filed), from and after the Effective Date, all tax and regulatory forms, returns, reports, and other documents required, or that the GUC Trustee otherwise deems appropriate with respect to the GUC Trust; (iii) to hold, manage, and timely distribute Cash obtained through the exercise of its power and authority to the GUC Trust Beneficiaries; and (iv) to not unduly prolong the duration of the GUC Trust. In all circumstances, the GUC Trustee shall act in the best interests of all GUC Trust Beneficiaries and in furtherance of the purpose of the GUC Trust. The GUC Trustee shall be obligated to provide prompt written responses to the Oversight Board's questions, from time to time, about the GUC Trust's progress in administering its Assets and distributions and its finances.

G. GUC Trustee's Tax Power for Reorganized PREPA

From and after the Effective Date, the GUC Trustee shall prepare and file (or cause to be prepared and filed), on behalf of Reorganized PREPA, all tax returns or other tax information statements required to be filed with respect to the GUC Trust or that the GUC Trustee otherwise deems appropriate.

H. Transferability of GUC Trust Interests

The GUC Trust Interests shall not be transferable or assignable except by will, intestate succession, or operation of law.

I. Cash

The GUC Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; *provided, however*, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

J. Distribution of GUC Trust Assets

The GUC Trustee shall make distributions to Holders of Claims in the Unsecured Claims Pool in accordance with Article XXVIII of the Plan.

K. Funding, Costs, and Expenses of the GUC Trust

On or prior to the Effective Date, PREPA shall fund the GUC Trust on a one-time basis in an amount of one million dollars (\$1,000,000). The reasonable costs and expenses of the GUC Trust, including the fees and expenses of the GUC Trust and its retained professionals, shall be paid out of the GUC Trust Assets, including the fifty percent (50.0%) of the Holder of the Allowed Vitol Claim's Pro Rata Share of the General Unsecured Claim Recovery not distributed to the Holder of the Allowed Vitol Claim pursuant to Article XVI of the Plan, which shall be retained by the GUC Trust. The GUC Trustee shall be authorized to use proceeds of GUC Trust Assets to fund the GUC Trust, if necessary.

L. Compensation of the GUC Trustee

The individual(s) serving as or comprising the GUC Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles, the payment of which shall not be subject to the approval of the Title III Court.

M. Retention of Professionals/Employees by the GUC Trustee

Subject to the approval and consent of the GUC Trust Board, the GUC Trust may retain and compensate attorneys, other professionals, and employees to assist the GUC Trust Board on such terms as the GUC Trustee deems appropriate without Title III Court approval.

N. Federal Income Tax Treatment of the GUC Trust

1. GUC Trust Assets Treated as Owned by Creditors. For all United States federal income tax purposes, all parties (including, without limitation, the Debtor, the GUC Trustee, and the GUC Trust Beneficiaries) shall treat the transfer of the GUC Trust Assets to the GUC Trust as (1) a transfer of the GUC Trust Assets (subject to any obligations relating to those Assets) directly to the GUC Trust Beneficiaries, followed by (2) the transfer by such beneficiaries to the GUC Trust of the GUC Trust Assets in exchange for GUC Trust Interests. Accordingly, the GUC Trust Beneficiaries shall be treated for United States federal income tax purposes as the deemed grantors and owners of their respective share of the GUC Trust Assets. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

2. Tax Reporting.

a) The GUC Trustee shall prepare and file (or cause to be prepared and filed) tax returns for the GUC Trust treating the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article XXVI.N. The GUC Trustee also will annually send to each Holder of a GUC Trust Interest a separate statement regarding the receipts and expenditures of the GUC Trust as relevant for U.S. federal income tax purposes and will instruct all such Holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such Holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The GUC Trustee shall also file (or cause to be filed) any other statement, return, or disclosure relating to the GUC Trust that is required by any Governmental Unit.

b) The GUC Trustee shall then in good faith value all other GUC Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the GUC Trust (including, without limitation, the Debtor, the GUC Trustee, and GUC Trust Beneficiaries) for all United States federal income tax purposes.

c) Allocations of GUC Trust taxable income among the GUC Trust Beneficiaries shall be determined by reference to the manner in which an amount of Cash representing such taxable income would be distributed (were such Cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the GUC Trust had distributed all its assets to the holders of the GUC Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the GUC Trust. Similarly, taxable loss of the GUC Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining GUC Trust Assets. The tax book value of the GUC Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

d) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the GUC Trustee), the GUC Trustee shall (A) timely elect to treat any reserve for the GUC Trust Assets as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the GUC Trustee and the GUC Trust Beneficiaries) shall report for United States federal, state, and local income tax purposes consistently with the foregoing.

e) The GUC Trustee shall be responsible for payment, out of the GUC Trust Assets, of any taxes imposed on the trust or its Assets. In the event, and to the extent, any Cash retained on account of Disputed Claims insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the GUC Trustee as a result of the resolution of such Disputed Claims.

3. Tax Withholdings by GUC Trustee. The GUC Trustee may withhold and pay to the appropriate tax authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state, or local tax law with respect to any payment or distribution to the holders of GUC Trust Interests. All such amounts withheld and paid to the appropriate tax authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of GUC Trust Interests for all purposes of the GUC Trust Deed of Trust, and it being understood that any such amount withheld shall reduce the amount actually realized by the applicable holder upon distribution. The GUC Trustee shall be authorized to collect such tax information from the holders of GUC Trust Interests (including, without limitation, social

security numbers or other tax identification numbers) as in its sole discretion the GUC Trustee deems necessary to effectuate the Plan, the Confirmation Order, and the GUC Trust Agreement. In order to receive distributions under the Plan, all holders of GUC Trust Interests shall be required to identify themselves to the GUC Trustee and provide tax information and the specifics of their holdings, to the extent the GUC Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the GUC Trustee for these purposes. This identification requirement generally applies to all holders of GUC Trust Interests, including those who hold their securities in street name. The GUC Trustee may refuse to make a distribution to any holder of a GUC Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered, and may treat such holder's GUC Trust Interests as disputed; *provided, however*, that, if such information is not furnished to the GUC Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such GUC Trust Interest; and, *provided, further*, that, upon the delivery of such information by a holder of a GUC Trust Interest, the GUC Trustee shall make such distribution to which the holder of the GUC Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; and, *provided, further*, that, if the GUC Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the GUC Trustee is later held liable for the amount of such withholding, such holder shall reimburse the GUC Trustee for such liability (to the extent such amounts were actually distributed to such holder).

O. Dissolution of GUC Trust

The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, upon the earlier to occur of (i) all of the GUC Trust Assets have been distributed pursuant to the Plan and the GUC Trust Agreement, and (ii) all distributions required to be made by the GUC Trustee under the Plan and the GUC Trust Agreement have been made. Upon the dissolution of the GUC Trust, all remaining GUC Trust Assets, if any, shall be distributed to the PREPA PayGo Trust.

P. Indemnification of GUC Trustee and Members of GUC Trust Board

The GUC Trustee or the individual(s) comprising the GUC Trustee, as the case may be, the GUC Trust Board, the members of the GUC Trust Board and their respective employees, agents, and professionals, shall not be liable to the GUC Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the GUC Trustee or the GUC Trust Board, as applicable, except those acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement by the GUC Trust for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the GUC Trustee or the GUC Trust Board, as applicable, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the GUC Trustee, the GUC Trust Board, the members of the GUC Trust Board, and the other parties entitled to indemnification under this subsection shall be satisfied solely from the GUC Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the GUC Trust Interests and any other claim to or interest in such assets. The GUC Trustee, the GUC Trust Board, and the members of the GUC Trust Board shall be entitled to rely, in good faith, on the advice of their retained professionals.

ARTICLE XXVII

AVOIDANCE ACTIONS TRUST

A. **Execution of Avoidance Actions Trust Agreement**

On or before the Effective Date, PREPA and the Avoidance Actions Trustee shall execute the Avoidance Actions Trust Agreement, and shall take all other necessary steps to establish the Avoidance Actions Trust and the Avoidance Actions Trust Interests therein, which shall be for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed before, on, or after the Effective Date. D. **Administration of the Avoidance Actions Trust**

The Avoidance Actions Trust shall be administered by the Avoidance Actions Trustee according to the Avoidance Actions Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the Avoidance Actions Trust Agreement, the Avoidance Actions Trust Agreement shall govern.

E. **The Avoidance Actions Trustee**

If the Avoidance Actions Trustee dies, becomes incapacitated, is terminated, or resigns for any reason, the Avoidance Actions Trust Board shall designate a successor; *provided, however*, that under no circumstance shall the Avoidance Actions Trustee be a director or officer with respect to any Affiliate of the Avoidance Actions Trust.

F. Role of the Avoidance Actions Trustee

In furtherance of and consistent with the purpose of the Avoidance Actions Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan and the Avoidance Actions Trust Agreement, and the oversight of the Avoidance Actions Trust Board, the Avoidance Actions Trustee shall, among other things, have the following rights, powers, and duties: (i) to hold, manage, convert to Cash, and timely distribute the Avoidance Actions Trust Assets to the GUC Trust, including prosecuting and resolving the Claims belonging to the Avoidance Actions Trust; (ii) to hold the Avoidance Actions Trust Assets for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date; (iii) in the Avoidance Actions Trustee's reasonable business judgment, to investigate, prosecute, settle and/or abandon rights, Causes of Action, or litigation of the Avoidance Actions Trust; (iv) to prepare and file (or cause to be prepared and filed), from and after the Effective Date, all tax and regulatory forms, returns, reports, and other documents required, or that the Avoidance actions Trustee otherwise deems appropriate with respect to the Avoidance Actions Trust; (v) in the Avoidance Actions Trustee's reasonable business judgment, to control, prosecute, and/or settle on behalf of the Avoidance Actions Trust, objections to Claims on account of which the Avoidance Actions Trustee will be responsible; (vi) to hold, manage, and timely distribute Cash or non-Cash Avoidance Actions Trust Assets obtained through the exercise of its power and authority to the GUC Trustee; and (vii) to not unduly prolong the duration of the Avoidance Actions Trust. The Avoidance Action Trustee shall be obligated to provide prompt written responses to the Oversight Board's questions, from time to time, about the Avoidance Action Trust's progress in administering its assets and distributions and its finances.

G. Avoidance Actions Trustee's Tax Power for Reorganized PREPA

H. Transferability of Avoidance Actions Trust Interests

The Avoidance Actions Trust Interests shall not be transferable or assignable except by will, intestate succession, or operation of law

I. Cash

The Avoidance Actions Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; *provided, however*, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

J. Distribution of Avoidance Actions Trust Assets

The Avoidance Actions Trustee shall distribute to the GUC Trust, on a monthly basis, all unrestricted Cash on hand (including any Cash received from PREPA on the Effective Date), except (i) Cash reserved pursuant to the Avoidance Actions Trust Agreement to fund the activities of the Avoidance Actions Trust, (ii) such amounts as are allocable to or retained to pay reasonable incurred or anticipated expenses (including, but not limited to, any taxes imposed on or payable by the Avoidance Actions Trust in respect of the Avoidance Actions Trust Assets); *provided, however,* that the Avoidance Actions Trustee shall not be required to make a distribution pursuant to this Article XXVII.J if the aggregate, net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such that it would make the distribution impracticable as reasonably determined by the Avoidance Actions Trustee, with the consent of the Avoidance Actions Trust Board, in accordance with applicable law, and so long as such aggregate amount is less than one million dollars (\$1,000,000).

K. Funding, Costs, and Expenses of the Avoidance Actions Trust

On the Effective Date, the Avoidance Actions Trust shall be funded on a one-time basis in an amount of one million dollars (\$1,000,000). L. Compensation of the Avoidance Actions Trustee

The individual(s) serving as or comprising the Avoidance Actions Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles, the payment of which shall not be subject to the approval of the Title III Court.

N. Federal Income Tax Treatment of the Avoidance Actions Trust

1. Avoidance Actions Trust Assets Treated as Owned by Creditors. For all United States federal income tax purposes, all parties (including, without limitation, the Debtor, the Avoidance Actions Trustee, and the Avoidance Actions Trust Beneficiaries) shall treat the transfer of the Avoidance Actions Trust Assets to the Avoidance Actions Trust as (1) a transfer of the Avoidance Actions Trust Assets (subject to any obligations relating to those Assets) directly to the Avoidance Actions Trust Beneficiaries, followed by (2) the transfer by such beneficiaries to the Avoidance Actions Trust of the Avoidance Actions Trust Assets in exchange for Avoidance

Actions Trust Interests. Accordingly, the Avoidance Actions Trust Beneficiaries shall be treated for United States federal income tax purposes as the deemed grantors and owners of their respective share of the Avoidance Actions Trust Assets. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

2. Tax Reporting.

a) The Avoidance Actions Trustee shall prepare and file (or cause to be prepared and filed) tax returns for the Avoidance Actions Trust treating the Avoidance Actions Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article XXVII.N. The Avoidance Actions Trustee also will annually send to each holder of an Avoidance Actions Trust Interest a separate statement regarding the receipts and expenditures of the Avoidance Actions Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such Holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Avoidance Actions Trustee shall also file (or cause to be filed) any other statement, return, or disclosure relating to the Avoidance Actions Trust that is required by any Governmental Unit.

b) The Avoidance Actions Trustee will then in good faith value all other Avoidance Actions Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Avoidance Actions Trust (including, without limitation, the Debtor, the Avoidance Actions Trustee, and Avoidance Actions Trust Beneficiaries) for all United States federal income tax purposes.

c) Allocations of Avoidance Actions Trust taxable income among the Avoidance Actions Trust Beneficiaries shall be determined by reference to the manner in which an amount of Cash representing such taxable income would be distributed (were such Cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Avoidance Actions Trust had distributed all its assets to the holders of the Avoidance Actions Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Avoidance Actions Trust. Similarly, taxable loss of the Avoidance Actions Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Avoidance Actions Trust Assets. The tax book value of the Avoidance Actions Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

d) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Avoidance Actions Trustee of a private letter ruling if the Avoidance Actions Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Avoidance Actions Trustee), the Avoidance Actions Trustee shall (A) timely elect to treat any reserve for the Avoidance Actions Trust Assets as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Avoidance Actions Trustee and the

Avoidance Actions Trust Beneficiaries) shall report for United States federal, state, and local income tax purposes consistently with the foregoing.

e) The Avoidance Actions Trustee shall be responsible for payment, out of the Avoidance Actions Trust Assets, of any taxes imposed on the trust or its assets. In the event, and to the extent, any Cash retained on account of Disputed Claims insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Avoidance Actions Trustee as a result of the resolution of such Disputed Claims.

3. Tax Withholdings by Avoidance Actions Trustee. The Avoidance Actions Trustee may withhold and pay to the appropriate tax authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state, or local tax law with respect to any payment or distribution to the holders of Avoidance Actions Trust Interests. All such amounts withheld and paid to the appropriate tax authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of Avoidance Actions Trust Interests for all purposes of the Avoidance Actions Trust Agreement, and it being understood that any such amount withheld shall reduce the amount actually realized by the applicable holder upon distribution. The Avoidance Actions Trustee shall be authorized to collect such tax information from the holders of Avoidance Actions Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion the Avoidance Actions Trustee deems necessary to effectuate the Plan, the Confirmation Order, and the Avoidance Actions Trust Agreement. In order to receive distributions under the Plan, all holders of Avoidance Actions Trust Interests shall be required to identify themselves to the Avoidance Actions Trustee and provide tax information and the specifics of their holdings, to the extent the Avoidance Actions Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the Avoidance Actions Trustee for these purposes. This identification requirement generally applies to all holders of Avoidance Actions Trust Interests, including those who hold their securities in street name. The Avoidance Actions Trustee may refuse to make a distribution to any holder of a Avoidance Actions Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered, and may treat such holder's Avoidance Actions Trust Interests as disputed; *provided, however*, that, if such information is not furnished to the Avoidance Actions Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such Avoidance Actions Trust Interest; and, *provided, further*, that, upon the delivery of such information by a holder of a Avoidance Actions Trust Interest, the Avoidance Actions Trustee shall make such distribution to which the holder of the Avoidance Actions Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; and, *provided, further*, that, if the Avoidance Actions Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Avoidance Actions Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Avoidance Actions Trustee for such liability (to the extent such amounts were actually distributed to such holder).

O. Dissolution of Avoidance Action Trust

The Avoidance Actions Trustee and the Avoidance Actions Trust shall be discharged or dissolved, as the case may be, upon the earlier to occur of (i) all of the Avoidance Actions Trust Assets have been distributed pursuant to the Plan and the Avoidance Actions Trust Agreement, (ii) the Avoidance Actions Trustee determines, with the consent of the Avoidance Actions Trust Board, that the administration of any remaining Avoidance Actions Trust Assets is not likely to yield sufficient additional Avoidance Actions Trust proceeds to justify further pursuit, including because the expense of administering the Avoidance Actions Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the Assets remaining in the Avoidance Actions Trust, and (iii) all distributions required to be made by the Avoidance Actions Trustee under the Plan and the Avoidance Actions Trust Agreement have been made. Upon the dissolution of the Avoidance Actions Trust, all remaining Avoidance Action Trust Assets, if any, shall be transferred to the GUC Trust.

P. Indemnification of Avoidance Actions Trustee and Members of Avoidance Actions Trust Board

The Avoidance Actions Trustee or the individual(s) comprising the Avoidance Actions Trustee, as the case may be, the Avoidance Actions Trust Board, the members of the Avoidance Actions Trust Board and their respective employees, agents, and professionals, shall not be liable to the Avoidance Actions Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Avoidance Actions Trustee or the Avoidance Actions Trust Board, as applicable, except those acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement by the Avoidance Actions Trust for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Avoidance Actions Trustee or the Avoidance Actions Trust Board, as applicable, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the Avoidance Actions Trustee, the Avoidance Actions Trust Board, the members of the Avoidance Actions Trust Board, and the other parties entitled to indemnification under this subsection shall be satisfied solely from the Avoidance Actions Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the Avoidance Actions Trust Interests and any other claim to or interest in such assets. The Avoidance Actions Trustee, the Avoidance Actions Trust Board, and the members of the Avoidance Actions Trust Board shall be entitled to rely, in good faith, on the advice of their retained professionals.

ARTICLE XXVIII

PROVISIONS GOVERNING DISTRIBUTIONS

A. Appointment of Distribution Agent

PREPA, Reorganized PREPA, the GUC Trustee, and/or the Solicitation Agent shall act as Distribution Agent or may employ or contract with other Entities, to act as the Distribution Agent or to assist in or make the distributions required by the Plan. Any Distribution Agent appointed by PREPA or the GUC Trustee shall serve without bond. Other than as specifically set forth in the Plan, the Distribution Agent shall make all distributions required to be made under the Plan.

Except as otherwise provided herein, all distributions under the Plan shall be made by the Distribution Agent.

B. Distributions on Account of Claims Allowed as of the Effective Date

Except as otherwise provided herein, a Final Order, or as otherwise agreed to by PREPA and the Holder of the applicable Claim, on the first Distribution Date, the Distribution Agent shall make initial distributions under the Plan on account of Claims Allowed on the Effective Date or as soon as practicable thereafter, subject to PREPA's and Reorganized PREPA's right to object to Claims; *provided, however*, that Allowed Administrative Expense Claims with respect to liabilities incurred by PREPA in the ordinary course of its operations during the Title III Case or assumed by PREPA prior to the Effective Date shall be paid or performed in the ordinary course of its operations in accordance with the terms and conditions of any controlling agreements, course of dealing, course of operations, or industry practice; *provided, further*, that the Distribution Agent may make distributions of Fuel Line Lender PSA Creditors Payments to a party entitled thereto in a manner mutually agreed upon between such party and the Distribution Agent and to the extent the Fuel Line Lender PSA Creditors Payments shall be payable in Cash, such Fuel Line Lender PSA Creditors Payments shall be paid no later than ten (10) Business Days following the Effective Date; *provided, further*, that the Oversight Board will use reasonable efforts to distribute New Bonds through The Depository Trust Company. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a distribution in excess of the Allowed amount of such Claim.

C. Rights and Powers of Distribution Agent

1. Powers of the Distribution Agent

Except as may be provided otherwise hereunder, the Distribution Agent shall be empowered to (a) take all steps and execute all instruments and documents necessary to effectuate the Plan, (b) make distributions contemplated by the Plan, (c) comply with the Plan and the obligations thereunder, and (d) exercise such other powers as may be vested in the Distribution Agent pursuant to order of the Title III Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan.

2. Fees and Expenses Incurred On and After the Effective Date

Except as otherwise ordered by the Title III Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on and after the Effective Date and any reasonable compensation and expense reimbursement claims, including, without limitation, reasonable fees and expenses of counsel, incurred by the Distribution Agent, shall be paid in Cash without further order of the Title III Court.

D. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order; and (b) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order or the Claims have been Allowed or expunged. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims in such Class.

At such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, Reorganized Debtor shall distribute to the Holder thereof the distributions, if any, to which such Holder is then entitled under the Plan, together with any earnings that have accrued thereon (net of any expenses, including any taxes, relating thereto), but only to the extent that such earnings are attributable to the amount of the Allowed Claim. Such distribution, if any, shall be made as soon as practicable after the date that the order or judgement of the Title III Court allowing such Disputed Claim becomes a Final Order.

E. Delivery of Distributions

1. Timeliness of Distributions

Any distribution to be made pursuant to the Plan shall be deemed to be timely made if made within ten (10) Business Days after the date specified in the Plan. Whenever any distribution to be made under this Plan shall be due on a day other than a Business Day, such distribution shall instead be made, without interest, on the immediately succeeding Business Day, but shall be deemed to have been made on the date due.

2. Record Date for Distributions

Subject to the provisions of Bankruptcy Rule 9010, and except as provided in the Confirmation Order or herein, distributions and deliveries to Holders of Allowed Claims shall be made through DTC or at the address of each such Holder as set forth on the Schedules filed with the Court, unless superseded by the address set forth on Proofs of Claim filed by such Holders, or at the last known address of such Holder if no Proof of Claim is filed or if the Debtor has been notified in writing of a change of address; *provided, however*, that initial distributions by the Distribution Agent for the benefit of Holders of Allowed PREPA Revenue Bond Claims shall be made to the Bond Trustee, as applicable, for such obligation and the initial distribution by the Distribution Agent for the benefit of holders of Allowed Fuel Line Loan Claims may be made by a trustee in accordance with the Fuel Line Lender PSA; and, provided, further, that, except as otherwise provided herein, the Distribution Agent may make distributions of Fuel Line Lender PSA Creditor Amounts to a party entitled thereto in a manner mutually agreed upon between such party and the Distribution Agent. Neither PREPA nor any Distribution Agent, including the GUC Trustee, shall have any obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be

entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date; *provided, however*, that the New Bonds shall be transferable and transfers shall be recognized if made in accordance with the terms and conditions of the New Master Indenture. PREPA and any Distribution Agent shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official Claims Register as of the close of business on the Distribution Record Date.

3. Distribution Process

The Distribution Agent shall make all distributions required under the Plan, except that distributions to Holders of Allowed Claims governed by a separate agreement and administered by a Servicer shall be deposited with the appropriate Servicer, at which time such distributions shall be deemed complete, and the Servicer shall deliver such distributions in accordance with the Plan and the terms of the governing agreement. Except as otherwise provided herein, and notwithstanding any authority to the contrary, distributions to Holders of Allowed Claims, including Claims that become Allowed after the Effective Date, shall be made to Holders of record as of the Effective Date by the Distribution Agent or a Servicer, as appropriate: (1) to the address of such Holder as set forth in the books and records of the Debtor (or if the Debtor has been notified in writing, on or before the date that is ten (10) days before the Effective Date, of a change of address, to the changed address); (2) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004, if no address exists in the Debtor's books and records, no Proof of Claim has been filed and the Distribution Agent has not received a written notice of a change of address on or before the date that is ten (10) days before the Effective Date; or (3) on any counsel that has appeared in the Title III Case on the Holder's behalf. The Debtor and the Distribution Agent, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan.

4. Foreign Currency Exchange Rate

Except as otherwise provided in a Final Order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

5. De Minimis, Fractional, Undeliverable, and Unclaimed Distributions

- (a) *De Minimis and Fractional Distributions.* No distribution of (i) New Bonds shall be made by the Distribution Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$1,000.00 and (ii) Cash shall be made by the Distribution Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$100.00. No fractional New Bonds shall be distributed. Where a fractional portion of a New Bond otherwise would be called for

under the Plan, the actual issuance shall reflect a rounding down to the nearest whole New Bond.

- (b) *Undeliverable Distributions.* If any distribution to any Holder is returned to the Distribution Agent as undeliverable, no further distribution shall be made to such Holder unless and until the Distribution Agent is notified, in writing, of such Holder's then-current address. Subject to the terms and provision of Article XXVIII.E.5(c) of the Plan, undeliverable distributions shall remain in the possession of the Distribution Agent until such time as a distribution becomes deliverable. All Entities ultimately receiving previously undeliverable Cash shall not be entitled to any interest or other accruals thereon of any kind. Nothing contained in the Plan shall require the Distribution Agent to attempt to locate any Holder of an Allowed Claim.
- (c) *Reversion of Unclaimed Distributions.* If (i) a check is sent, by the Distribution Agent to a Holder in respect of distributions and such check is not negotiated within one hundred twenty (120) days following the date on which such check was issued, or (ii) any other form of distribution to a Holder is otherwise undeliverable or that has become an Unclaimed Distribution, the Distribution Agent (or its duly authorized agent) shall, on or prior to the date that is one hundred eighty (180) days from (i) the Effective Date, with respect to all Allowed Claims as of the Effective Date, and (ii) the date that a distribution is made with respect to any Disputed Claim that becomes an Allowed Claim subsequent to the Effective Date, file a list with the Title III Court setting forth the names of those Entities for which distributions have been made hereunder that have not been negotiated or have been returned as undeliverable as of the date thereof. Any Holder of an Allowed Claim on such list that does not identify itself and assert its rights pursuant to the Plan to receive a distribution within six (6) months from the date so listed shall have its entitlement to such undeliverable distribution discharged and shall be forever barred from asserting any entitlement pursuant to the Plan, against the Reorganized Debtor or the GUC Trustee, or their respective professionals, agents, or property, and any (1) Cash in the possession of the Distribution Agent or the trustee with respect to existing securities, as the case may be, shall be released to the Reorganized Debtor for use to discharge operating expenses of the Reorganized Debtor and (2) the New Bonds in the possession of the Distribution Agent with respect to existing securities, shall be released to the Reorganized Debtor for cancellation or deposit into the treasury of the Reorganized Debtor, as determined by Reorganized Debtor in its sole and absolute discretion.

6. Surrender of Cancelled Instruments

As a condition to participation under this Plan, the Holder of a note, debenture, or other evidence of indebtedness of PREPA that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture, or other evidence of indebtedness shall

surrender such note, debenture, or other evidence of indebtedness to PREPA or its designee (unless such Holder's Claim will not be Impaired by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; *provided, however*, that, if a claimant is a Holder of a note, debenture, or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by DTC or other securities depository or custodian thereof, there shall be no requirement of surrender. In PREPA's sole discretion, if no surrender of a note, debenture, or other evidence of indebtedness occurs and the Holder of a Claim does not provide an affidavit and indemnification agreement, in form and substance reasonably satisfactory to PREPA, that such note, debenture, or other evidence of indebtedness was lost, then no distribution may be made to such Holder in respect of the Claim based on such note, debenture, or other evidence of indebtedness.

7. Cancellation of Notes, Instruments, Certificates, and Other Documents

Except (a) as provided in any contract, instrument, or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to distribution under the Plan, or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts or Unexpired Leases pursuant to Article XXV.A hereof), on the Effective Date, the PREPA Revenue Bonds and Fuel Line Facilities and all instruments and documents related thereto will be deemed automatically cancelled, terminated, and of no further force or effect against the Debtor without any further act or action under any applicable agreement, law, regulation, order or rule, with the Debtor and the applicable trustee, paying agent, or fiscal agent, as the case may be, having no continuing obligations or duties and responsibilities thereunder and the obligations of the parties to the Debtor, as applicable, under the PREPA Revenue Bonds and Fuel Line Facilities and all instruments and documents related thereto shall be discharged; *provided, however*, that, notwithstanding anything contained herein to the contrary, the PREPA Revenue Bonds and Fuel Line Facilities and such other instruments and documents shall continue in effect solely (i) to allow the Distribution Agent to make any distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) to allow Holders of Allowed PREPA Revenue Bond Claims, Allowed National Insured Bond Claims, and Allowed Fuel Line Loan Claims to receive distributions in accordance with the terms and provisions of the Plan, (iii) for any trustee, agent, contract administrator, or similar entity under all instruments and documents related thereto, to perform necessary functions, including making distributions, in accordance with the Plan and to have the benefit of all the rights and protections and other provisions of such instruments and documents, as applicable, and all other related agreements, (iv) to set forth the terms and conditions applicable to parties to such documents and instruments other than the Debtor, or (v) as may be necessary to preserve any claims under the respective Monoline Insurance Policies and related documents issued by a Monoline Insurer. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan, such bonds or bond documents that remain outstanding shall not form the basis for the assertion of any Claim against the Debtor or Reorganized Debtor, as the case may be.

F. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

A Claim shall be reduced in full, and such Claim shall be Disallowed without an objection to such Claim having to be filed and without any further notice to or action, order, or approval of the Title III Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not the Distribution Agent. To the extent a Holder of a Claim receives a distribution on account of such Claim and also receives payment from a party that is not the Distribution Agent on account of such Claim from the Distribution Agent, such Holder shall repay, return, or deliver any distribution held by or transferred to the Holder to the applicable Distribution Agent to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan.

2. Claims Payable by Insurance Carriers

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of PREPA's Insurance Policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of PREPA's insurers agrees to satisfy in full a Claim, then immediately upon such insurers' agreement, such Claim may be expunged to the extent of any agreed upon satisfaction on the Claims Register by the Solicitation Agent without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Title III Court.

3. Applicability of Insurance Policies

Except as otherwise provided herein, distributions to Holders of Allowed Claims shall be in accordance with the provisions of an applicable insurance policy. Except as otherwise expressly provided herein, nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that PREPA or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

G. Withholding and Reporting Requirements

Any party issuing any instrument or making any distribution under the Plan shall comply with all applicable withholding and reporting requirements imposed by any United States federal, state or local tax law or tax authority, and all distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such Holder by any Governmental Unit, including income, withholding and other tax obligations, on account of such distribution. Any party issuing any instrument or making any distribution under the Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to such issuing or distributing party for payment of any such withholding tax obligations and, if any party issuing any instrument or making any distribution under the Plan fails to withhold with respect to any such Holder's distribution, and is later held liable for the amount of such withholding, the Holder shall reimburse such party. The Distribution Agent may require, as a condition to the receipt of a distribution, that the Holder complete the appropriate Form W-8 or Form W-9, as applicable to each Holder. If the Holder fails to comply with such a request

within one year, such distribution shall be deemed an Unclaimed Distribution. PREPA reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

H. Time Bar to Cash Payments

Checks issued by the Distribution Agent on account of Allowed Claims shall be null and void if not negotiated within one hundred twenty (120) days from and after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Distribution Agent by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before the later of (i) the first (1st) anniversary of the Effective Date or (ii) ninety (90) days after the date of issuance of such check, if such check represents a final distribution hereunder on account of such Claim. After such date, all Claims in respect of voided checks shall be discharged and forever barred and the Distribution Agent shall retain all monies related thereto for the sole purpose of redistribution to Holders of Allowed Claims in accordance with the terms and provisions hereof.

I. Distributions After Effective Date

Distributions made after the Effective Date to Holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article XXVIII.E of the Plan.

J. Setoffs

Except as otherwise provided in the Plan or in the Confirmation Order, the Distribution Agent may, pursuant to applicable bankruptcy or non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim by the Distribution Agent), the claims, rights, and Causes of Action of any nature that the Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim; *provided, however*, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor or Reorganized Debtor of any such claims, rights, and Causes of Action that the Debtor or the Reorganized Debtor may possess against such Holder; and, *provided, further*, that nothing contained herein is intended to limit the ability of any Creditor to effectuate rights of setoff or recoupment preserved or permitted by the provisions of Bankruptcy Code sections 553, 555, 559, or 560 or pursuant to the common law right of recoupment; and, *provided, further*, that nothing in this Article XXVIII.J shall affect the releases and injunctions provided in Article XXXI of the Plan.

K. Allocation Between Principal and Accrued Interest

To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated *first*, to interest accrued and unpaid as of the date immediately preceding the Petition Date, *second*, to the principal amount of the Claim (as determined for federal income tax purposes) and *third*, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts; *provided, however*, that the Debtor's or Reorganized Debtor's treatment of

any distributions for its tax purposes will not be binding on any Creditor as to the treatment of such distributions for any regulatory, tax, or other purposes.

L. Holder of Claim

For all purposes of the Plan, including, without limitation, for purposes of distributions pursuant to the terms and provisions of this Article XXVIII, the Holder of a Claim shall mean any Entity who, directly or indirectly, has investment power with respect to any Claim, which includes the power to dispose or to direct the disposition of such Claim; *provided, however*, that, solely with respect to Insured Bonds and Bankruptcy Code section 1126, the Holder of any Insured Bond Claims shall be determined in accordance with PROMESA section 301(c)(3) and any law or governing documents applicable to such Insured Bond Claims.

M. Exculpation

From and after the Effective Date, the Distribution Agent shall be exculpated by all Entities, including, without limitation, Holders of Claims and other parties in interest, from any and all claims, Causes of Action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Distribution Agent by the Plan or any order of the Title III Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct of such Distribution Agent. No Holder of a Claim or other party in interest shall have or pursue any claim or cause of action against the Distribution Agent for making payments in accordance with the Plan or for implementing the provisions of the Plan.

ARTICLE XXIX

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Objections to Claims and Prosecution of Disputed Claims

Except with respect to Allowed Claims, and subject to the terms and conditions of the ADR Procedures and the ADR Order, the Reorganized Debtor, by and through the Oversight Board, shall object to, and shall assume any pending objection filed by the Debtor to, the allowance of Claims filed with the Title III Court with respect to which it disputes liability, priority or amount, including, without limitation, objections to Claims that have been assigned and the assertion of the doctrine of equitable subordination with respect thereto. All objections, affirmative defenses, and counterclaims shall be litigated to Final Order; *provided, however*, that the Reorganized Debtor, by and through the Oversight Board, shall have the authority to file, settle, compromise, or withdraw any objections to Claims, without approval of the Title III Court. Unless otherwise ordered by the Title III Court, to the extent not already objected to by the Debtor, the Reorganized Debtor shall file and serve all objections to Claims as soon as practicable, but, in each instance, not later than the Claims Objection Bar Date. Notwithstanding anything contained in the Plan to the contrary, on the Effective Date, any (i) PREPA Revenue Bond Claim or Fuel Line Loan Claim filed by any Entity for amounts due under existing securities and (ii) Proofs of Claim included on a schedule to the Plan Supplement, if any, shall be deemed satisfied and expunged and the Oversight Board shall instruct the Solicitation Agent, its court-appointed representative, to remove such Claims from the Claims Register maintained for the benefit of the Title III Court.

Except as otherwise provided herein, no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or PROMESA, or the Title III Court has entered a Final Order allowing such Claim. For the avoidance of doubt, there is no requirement to file a Proof of Claim (or move the Title III Court for allowance) to be an Allowed Claim under the Plan. **Except as otherwise provided herein, all Proofs of Claim filed after the Effective Date shall be Disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against PREPA or Reorganized PREPA, without the need for any objection by PREPA or Reorganized PREPA or any further notice to or action, order, or approval of the Title III Court.**

B. Estimation of Claims

Except with respect to Allowed Claims, on and after the Effective Date, and unless otherwise limited by an order of the Title III Court, including, without limitation, the ADR Order, the Reorganized Debtor, by and through the Oversight Board, may at any time request the Title III Court to estimate for final distribution purposes any contingent, unliquidated or Disputed Claim pursuant to Bankruptcy Code section 502(c) regardless of whether the Debtor previously objected to or sought to estimate such Claim, and the Title III Court will retain jurisdiction to consider any request to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Unless otherwise provided in an order of the Title III Court, in the event that the Title III Court estimates any contingent, unliquidated, or Disputed Claim, the estimated amount shall constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Title III Court; *provided, however*, that, if the estimate constitutes the maximum limitation on such Claim, the Reorganized Debtor, by and through the Oversight Board, may elect to pursue supplemental proceedings to object to any ultimate allowance of such Claim; and, *provided, further*, that the foregoing is not intended to limit the rights granted by Bankruptcy Code section 502(j). All of the aforementioned Claims objection, estimation, and resolution procedures are cumulative and not necessarily exclusive of one another.

C. Claims Administration Responsibilities

Except as otherwise specifically provided in the Plan, after the Effective Date, PREPA shall have the sole authority: (1) to file, withdraw, or litigate to judgment, objections to Claims; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Title III Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Title III Court. Upon motion by Reorganized PREPA to the Title III Court, Reorganized PREPA may request, and the Title III Court may grant, an extension to the Claims Objection Bar Date generally or with respect to specific Claims. PREPA will have the authority to amend the Creditor List with respect to any Claim and to make distributions based on such amended Creditor List without approval of the Title III Court. If no such objection is filed, the Distribution Agent may proceed with distributions based on such amended Creditor List without approval of the Title III Court.

G. No Interest

Unless otherwise specifically provided for herein or by order of the Title III Court, postpetition interest shall not accrue or be paid on Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim or right. EFFECT OF CONFIRMATION OF THE PLAN

A. Discharge and Release of Claims and Causes of Action

1. Complete Satisfaction, Discharge, and Release

Except as expressly provided in the Plan or the Confirmation Order, all distributions and rights afforded under the Plan shall be, and shall be deemed to be, in exchange for, and in complete satisfaction, settlement, discharge, and release of, all Claims or Causes of Action against PREPA and Reorganized PREPA that arose, in whole or in part, prior to the Effective Date, relating to the Title III Case, the Debtor or Reorganized Debtor or any of their respective Assets, property, or interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, and regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims or Causes of Action. Upon the Effective Date, the Debtor and Reorganized Debtor shall be discharged and released from any and all Claims, Causes of Action, and any other Debts that arose, in whole or in part, prior to the Effective Date (including prior to the Petition Date), and all Debts of the kind specified in Bankruptcy Code sections 502(g), 502(h), or 502(i), whether or not (a) a Proof of Claim based upon such Debt is filed or deemed

2. Preclusion from Assertion of Claims Against the Debtor

All Entities are enjoined from asserting any and all Claims or other obligations, suits, judgments, damages, Debts, rights, remedies, Causes of Action, or liabilities, of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtor and Reorganized Debtor and each of their respective Assets, property and rights, relating to the Title III Case, regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims or other obligations, suits, judgments, damages, Debts, rights, remedies, Causes of Action, or liabilities. In accordance with the foregoing, except as expressly provided in the Plan or the Confirmation Order, the Confirmation Order shall constitute a judicial determination, as of the Effective Date, of the discharge and release of all such Claims, Causes of Action, or Debt of or against the Debtor and the Reorganized Debtor pursuant to Bankruptcy Code sections 524 and 944, applicable to the Title III Case pursuant to PROMESA section 301, and such discharge shall void and extinguish any judgment obtained against the Debtor or Reorganized Debtor and their respective Assets, and property at any time, to the extent such judgment is related to a discharged Claim, Debt, or liability. Such injunction shall extend to all successors and assigns of the Released Parties and their respective assets and property.

B. Releases by the Debtor and Reorganized Debtor

Except as otherwise expressly provided in the Plan or the Confirmation Order, on the Effective Date, and for good and valuable consideration, each of the Debtor and Reorganized Debtor, the Distribution Agent and each of the Debtor's and Reorganized Debtor's Related Persons shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally, and forever waive, release, acquit, and discharge the Released Parties from any and all Claims or Causes of Action that the Debtor, Reorganized Debtor, and the Distribution Agent, or any of them, or anyone claiming through them, on their behalf or for their benefit, have or may have or claim to have, now or in the future, that are based upon, relate to, or arise out of or in connection with, in whole or in part, any act, omission, transaction, event, or other circumstance relating to the Title III Case, the Fuel Line Lender PSA, the National PSA, or the Debtor taking place or existing on or prior to the Effective Date, and/or any Claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged or that could have been alleged, including, without limitation, any such Claim, demand, right, liability, or cause of action for indemnification, contribution, or any other basis in law or equity for damages, costs, or fees.

C. Releases by Holders of Claims

Notwithstanding anything contained in this Plan to the contrary, as of the Effective Date, for good and valuable consideration, each Holder of a Claim is deemed to have released and discharged the Debtor and the Reorganized Debtor from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims, asserted on behalf of the Debtor, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtor (including management, ownership, or operation thereof), the Debtor's in- or out-of-court restructuring efforts, intercompany transactions, the Title III Case, the formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan, the Uninsured Bond Settlement Agreement, the Vitol Settlement Agreement, the Restructuring Transactions, the Fuel Line Lender PSA, the National PSA, or any contract, instrument, release, or other Definitive Documents, agreement, or document created or entered into in connection with the Disclosure Statement, or the Plan, the filing of the Title III Case, the pursuit of Confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations

of any party or Entity under the Plan, the Restructuring Transactions, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

D. Exculpation

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is released and exculpated from any Cause of Action for any claim related to any act or omission in connection with, relating to, or arising out of, the Title III Case, the formulation, preparation, dissemination, negotiation, or filing of the Fuel Line Lender PSA, the National PSA, Disclosure Statement, the Plan, the Uninsured Bond Settlement Agreement, the Vitol Settlement Agreement, or any Restructuring Transaction, contract, instrument, release or other Definitive Document, agreement, or document created or entered into in connection with the Disclosure Statement or the Plan, the filing of the Title III Case, the pursuit of Confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, except for claims related to any act or omission determined in a Final Order to have constituted actual fraud or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. For the avoidance of doubt, notwithstanding anything contained herein to the contrary, the Plan shall not, and shall not be construed to, release or exculpate, any payment obligation under the applicable National Insurance Policy, to any beneficial holder of National Insured Bonds, in accordance with its terms solely to the extent of any failure of such holder to receive the treatment provided to Holders of Claims in Class 9 (or any claims that National may have against a beneficial holder of National Insured Bonds with respect to National's applicable obligations under the National Insurance Policies).

E. Injunction

As of the Effective Date, all Entities that hold, have held, or may hold a Released Claim released pursuant to this Article XXXI of the Plan, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred, and enjoined from taking any of the following actions, whether directly or indirectly, derivatively, or otherwise, on account of or based on the subject matter of such discharged Released Claims: (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding (including, without limitation, any judicial, arbitral, administrative, or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting, or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions

from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Article XXXI hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration, or administrative proceeding in any forum, that does not comply with or its inconsistent with the provisions of the Plan or the Confirmation Order.

F. Non-Severability of Releases, Injunctions, and Exculpations

Notwithstanding anything else contained in the Plan, the releases, injunctions, and exculpation provided in this Article XXXI are integral to obtaining the value provided hereunder and constitute an essential component of the compromises reached and are not severable from the other provisions of this Plan.

G. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to Bankruptcy Code section 502(e)(1)(B), then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever Disallowed and expunged notwithstanding Bankruptcy Code section 502(j), unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent; or (2) the relevant Holder of a Claim has filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

H. Release of Liens

Except (a) with respect to the Liens securing the New Bonds and CVI-1, or (b) as otherwise provided herein or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Debtor shall be fully released and discharged, and the Holders of such mortgages, deeds of trust, Liens, pledges, or other security interests shall execute such documents as may be reasonably requested by the Debtor, as applicable, to reflect or effectuate such releases, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Debtor and its successors and assigns.

B. Revocation or Withdrawal

The Plan may be revoked or withdrawn prior to the Confirmation Date by the Oversight Board. If the Plan is revoked or withdrawn prior to the Confirmation Date, or if the Plan does not become effective for any reason whatsoever, then the Plan shall be deemed null and void. The submission of this Plan is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding, or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Entity with respect to any of the matters addressed in this Plan.

None of this Plan (including, without limitation, the exhibits and schedules hereto), or any settlement entered, act performed, or document executed in connection with this Plan: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Entity; (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault, or omission of any Entity in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal; (iii) is or may be deemed to be or used as an admission or evidence against Reorganized Debtor, the Debtor, or any other Entity with respect to the validity of any Claim. It shall be a condition precedent to the Effective Date that the following conditions shall have been satisfied or waived pursuant to Article XXXVI.B of the Plan:

1. **Fiscal Plan Certification:** The Oversight Board shall have determined that the Plan is consistent with the Debtor's Fiscal Plan and shall have certified the submission of the Plan, and any modifications to the Plan through the Confirmation Date, in accordance with PROMESA sections 104(j) and 313. The Fiscal Plan certified as of the Effective Date shall provide for payment of principal and interest with respect to the New Bonds as set forth herein.
2. **Confirmation:** All conditions precedent to Confirmation, including entry of the Confirmation Order, shall have been satisfied or waived pursuant to Article XXXV.B of the Plan.
3. **Final Order; No Injunction:** The Confirmation Order shall be a Final Order, and shall not be stayed in any respect.

4. **Authorizations:** All authorizations, consents, regulatory approvals, rulings, or documents, if any, that are necessary to implement and effectuate the Plan, including that PREB approves rates, fees, and charges necessary to guarantee that Reorganized PREPA meets its obligations to holders of New Bonds and the PREPA PayGo Trust, including the Legacy Charge, have been obtained or enacted or entered and not revoked or reversed.
5. **Execution of Documents; Other Actions:** All actions and all contracts, instruments, settlements, releases and other agreements or documents, including Definitive Documents, necessary to implement the terms and provisions of the Plan, including the Definitive Documents, are effected or executed and delivered, as applicable, are in full force and effect, and are in form and substance satisfactory to the Oversight Board.
6. **Plan Supplement:** The final version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein shall have been filed in a manner consistent in all material respects with the Plan, Fuel Line Lender PSA, and National PSA and shall be in form and substance acceptable to PREPA.

B. Waiver of Conditions Precedent

The Oversight Board may waive any of the conditions to the Effective Date set forth in Article XXXVI.A of the Plan at any time without any notice to any other parties in interest and without any further notice to or action, order, or approval of the Title III Court, and without any formal action other than proceeding to confirm and consummate the Plan, with the consent of (i) the Required Fuel Line Lenders, if the Fuel Line Lender Settlement is approved, with respect to conditions that directly impact its rights under the Plan or Fuel Line Lender PSA (with such consent not to be unreasonably withheld) and (ii) and the Purchasers, solely with respect to the conditions that directly impact the treatment of their claims and the economic terms (which shall also include collateral) of the Series B Bonds and CVI-1, the provisions authorizing the issuance (and the security granted thereunder) of the Series B Bonds and CVI-1, and the protections granted with respect to the Legacy Charge and the enforcement thereof (with such consent not to be unreasonably withheld); *provided*, that the Oversight Board must provide at least five (5) business days' notice to LUMA Energy prior to waiving any condition precedent to the Effective Date.

C. Effect of Non-Occurrence of Conditions to Effective Date

If prior to the Effective Date, the Confirmation Order is vacated pursuant to a Final Order, then except as provided in any order of the Title III Court vacating the Confirmation Order, the Plan will be null and void in all respects, and nothing contained in the Plan or Disclosure Statement shall: (a) constitute a waiver or release of any Claims or Causes of Action; (b) prejudice in any manner the rights of the Debtor or any other Entity; or (c) constitute an admission, acknowledgment, offer, or undertaking of any sort by the Debtor or any other Entity.

ARTICLE XXXVII

PROVISIONS REGARDING COMMITTEE

A. Dissolution of Committee

On the Effective Date, the Creditors' Committee shall be (a) dissolved and be deemed to have satisfied all of its respective duties and obligations, and (b) released and discharged from any action or activity taken, or required to be taken, in connection with the Title III Case. To the extent that, as of the date immediately prior to the Effective Date, the Creditors' Committee was a party to a contested matter or adversary proceeding in connection with the Title III Case or any objection to claim, from and after the Effective Date and to the extent not already a party thereto, the Reorganized Debtor shall be deemed to have assumed such role and responsibility in connection with such contested matter or adversary proceeding and, upon such assumption, the Creditors' Committee shall be relieved of any role, responsibility, or obligation with respect thereto.

ARTICLE XXXVIII

PROVISIONS REGARDING OVERSIGHT BOARD AND COMPLIANCE WITH PROMESA

A. Effect of Confirmation

Nothing in this Plan or the Confirmation Order shall discharge, substitute, alter, or otherwise modify the powers and responsibilities of the Oversight Board pursuant to PROMESA or the obligations of the Reorganized Debtor under PROMESA. From and after the Effective Date, the Reorganized Debtor shall continue to have all of its obligations pursuant to PROMESA, including, without limitation, the terms and conditions of Titles I and II thereof.

B. Ongoing Role of the Oversight Board

Nothing in the Plan or the Confirmation Order shall discharge any or all obligations of each Debtor under PROMESA and, from and after the Effective Date, the Oversight Board's powers and responsibilities under PROMESA shall continue, and the Debtor's duties and obligations shall continue and be unaffected by the Plan and the consummation thereof.

C. Preemption of Laws

As of the Effective Date, and to the extent not previously preempted pursuant to an order of the Title III Court, provisions of Commonwealth laws, rules, or regulations that affect PREPA or Reorganized PREPA and are inconsistent with PROMESA shall be preempted for the reasons, and to the extent, set forth in Exhibit "A" to the Findings of Fact and Conclusions of Law, such preempted laws, rules, and regulations include, without limitation, pursuant to Section 4 of PROMESA, all laws, rules, and regulations (or such portions thereof) of the Commonwealth of Puerto Rico to the extent they give rise to obligations of the Debtor discharged or altered by the Plan and the Confirmation Order pursuant to PROMESA, and such discharge shall prevail over any general or specific provisions of territory laws, rules, and regulations, are preempted to the extent inconsistent with the Plan's discharge of the Debtor's obligations and all such laws shall

not be enforceable to the extent they are inconsistent with the Plan's discharge of the Debtor's obligations or any of the transactions contemplated by the Plan. Without in any way limiting the foregoing, (y) the Commonwealth laws preempted by PROMESA that affect the Debtor include, without limitation, those listed on **Schedule D** hereto for the reasons and to the extent set forth in Exhibit "A" to the Findings of Fact and Conclusions of Law, and (z) all litigation in which any Government Party is a defendant, over whether Commonwealth law listed on **Schedule D** hereto is preempted by PROMESA shall be dismissed, with prejudice, as of the Effective Date and the parties thereto shall provide the Oversight Board prompt notice of such dismissal. For the avoidance of doubt, the non-inclusion of a payment obligation arising from a valid law in a certified Fiscal Plan or PREPA budget is not a basis for disallowance of such obligation to the extent the claim arising therefrom otherwise satisfies the requirements for allowance of a claim under the relevant provisions of the Bankruptcy Code.

ARTICLE XXXIX

Notwithstanding the foregoing, but subject to the approval of the National Settlement, the National PSA shall continue to apply and remain in full force and effect according to its terms until the Effective Date, and the Plan does not supersede any rights or obligations otherwise arising under the National PSA until the Effective Date.

Q. Plan Supplement Exhibits

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. Upon the filing of the Plan Supplement with the Clerk of the Title III Court, copies of the documents contained therein shall be made available upon written request to the Oversight Board's counsel at the address above or by downloading such documents from <https://dm.epiq11.com/case/prepa/info> or the Title III Court's website, available via PACER. After the exhibits and documents are filed, copies of such exhibits and documents shall be made available upon written request to the Oversight Board's counsel at the address above or by downloading such exhibits and documents from <https://dm.epiq11.com/case/prepa/info> or the Title III Court's website, available via PACER. Unless otherwise ordered by the Title III Court, to the extent any exhibit or document in the Plan Supplement is inconsistent with the terms of any part of the Plan that does not constitute the Plan Supplement, such part of the Plan that does not constitute the Plan Supplement shall control; *provided, however*, that with respect to the matters governed by the New Master Indenture or CVI-2 Indenture, to the extent that any provisions of the Plan are inconsistent with the New Master Indenture or CVI-2 Indenture, the respective indenture shall control.

R. Non-Severability

Except to the extent otherwise expressly specified in this Plan, if any term or provision of the Plan is held by the Title III Court to be invalid, void, or unenforceable, the Title III Court, in each case at the election of and with the consent of PREPA, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The provisions of the Plan, including its release, injunction, exculpation, and compromise provisions, are mutually dependent and non-severable. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the consent of PREPA; *provided*, that any such deletion or modification must be consistent with (i) the Fuel Line Lender PSA with

T. Waiver or Estoppel

Each Holder of a Claim shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim should be Allowed in a certain amount, in a certain priority, secured, or not subordinated by virtue of an agreement made with PREPA or its counsel, or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement, or papers filed with the Title III Court prior to the Confirmation Date.

SCHEDULE C

TERMS FOR MODIFICATION OF PREPARERS OBLIGATIONS

To avoid creating future pension liabilities and to stabilize the system for the benefit of future retirees and ratepayers, the PREPA ERS plan benefit accrual shall be frozen upon the Effective Date of the Plan of Adjustment (the “POA Effective Date”).

Following is a summary of the terms of the Plan’s freeze of further defined benefits of under the PREPA ERS.

The modifications listed herein modify the obligations of PREPA and any other government employer whose employees continue to participate in the PREPA ERS defined benefit plan to fund the benefits provided by PREPA ERS as established in regulations by the Governing Board of the Puerto Rico Electric Power Authority on July 1, 1945 and all subsequent amendments through the POA Effective Date, and are to be adhered to in the administration of PREPA ERS benefits by PREPA ERS. Administrative procedures not addressed below (such as rounding procedures in determining ages and service of participants) should be consistent with past practices.

PREPA employees participate under a defined benefit (DB) formula that is either supplemental to, or coordinated with, Social Security. This applies to all active participants of PREPA ERS (“Member” or “Members”), regardless of title or job classification or employer. Members will retain the benefits they have accrued up to and including the POA Effective Date; provided, however, that any future cost of living adjustments shall be eliminated pursuant to the POA, as any right to such future adjustments is not an accrued benefit and will not be an accrued benefit as of the POA Effective Date. Benefits accrued from and after the POA Effective Date shall be based on contributions and earnings in new segregated defined contribution retirement accounts under Act 106-2017 funded by employee contributions. As a result, employees will have the certainty that their contributions and investments will be safeguarded for the future, ensuring retirement security.
