### III. Civil Judgments and Criminal Action Against the Defendants

The Securities and Exchange Commission (“SEC”) commenced this civil enforcement action against the Defendants in 2016, asserting that the Defendants had violated securities laws of the United States. A *Temporary Restraining Order and Order Freezing Assets*<sup>25</sup> was entered by the Court, and the Receiver was appointed to, among other things, take custody and control of Traffic Monsoon and the assets of Scoville.<sup>26</sup> After an evidentiary hearing, the Court entered a *Preliminary Injunction*<sup>27</sup> together with a *Memorandum Decision and Order*<sup>28</sup> finding among other things, that the SEC made a clear showing that it was likely to succeed in establishing that Traffic Monsoon was a Ponzi scheme. The Defendants appealed and in January 2019 the United States Court of Appeals for the Tenth Circuit affirmed the Court’s orders.<sup>29</sup> The United States Supreme Court also denied the Defendants’ *Petition for a Writ of Certiorari* in November 2019.<sup>30</sup>

<sup>25</sup> See Docket Nos. [8](#), [14](#).

<sup>26</sup> Docket No. [11](#) (entered July 27, 2016); see Docket Nos. [81](#), [120](#) (amendments).

<sup>27</sup> Docket No. [80](#) (entered March 28, 2017).

<sup>28</sup> Docket No. [79](#) (entered March 28, 2017).

<sup>29</sup> See *SEC v. Scoville*, 913 F.3d 1204 (10th Cir. 2019).

<sup>30</sup> See S. Ct. Case No. 18-1566. The Court denied Scoville’s requests for attorney’s fees related to the appeals.

See Docket No. [244](#).

Final judgments have now been entered in this case against Scoville<sup>31</sup> and Traffic Monsoon.<sup>32</sup> Scoville and his agents are enjoined from operating any business similar to Traffic Monsoon, and Scoville has been ordered to disgorge \$2,537,642.93 to the SEC for victim compensation and pay civil penalties in the amount of \$2,426,749.00.<sup>33</sup> Traffic Monsoon consented to entry of a final judgment against it, and agreed not to participate in the issuance, purchase, offer, or sale of any security. Traffic Monsoon also agreed to disgorge \$145,736,805.22 to the SEC, which is deemed satisfied by the collection efforts to date and the Receiver's future distribution of funds to those holding allowed claims.<sup>34</sup>

In addition to the above-described civil enforcement action, Defendants were charged criminally.<sup>35</sup> Specifically, on August 5, 2020, the United States obtained a criminal indictment against Defendants, charging them with wire fraud under 18 U.S.C. § 1343 and tax fraud under 26 U.S.C. § 7206.<sup>36</sup> Recently, on August 30, 2023, this criminal case was voluntarily dismissed by the United States,<sup>37</sup> without prejudice and with a reservation of rights to seek a new

#### **IV. Work Done by Receiver and Receiver’s Professionals During the Reporting Period**

The primary work performed by the Receiver and the Receiver’s professionals during the Reporting Period is outlined below:

##### **A. Proof of Claim Services**

##### **1. Proofs of Claim Submitted and Deemed Allowed**

Pursuant to the *Order Granting Renewed and Amended Motion Seeking Approval of (1) Claims Process; (2) Setting Claims Bar Date; and (3) Certain Notice Procedures* (the “Claims Process Order”),<sup>39</sup> the deadline to submit Proofs of Claim in this case expired at 11:59 p.m. (Mountain Time) on April 10, 2020. As part of the procedures approved by the Court in the Claims Process Order, Claimants were provided the amount of their claim as calculated by the Receiver (the “Scheduled Claim Amount”) and given the option to accept the Scheduled Claim Amount, or reject the Scheduled Claim Amount, assert a different amount and provide information about their asserted claim.

The Receiver received a total of 23,221 Proofs of Claim as outlined in the Claims Reports incorporated herein.<sup>40</sup> Excluding one Proof of Claim asserting a claim in the amount of \$99,999,999,999.99, investors submitted Proofs of Claim asserting \$216,496,877 in claims.

---

<sup>38</sup> See *id.*, Docket No. [4](#), p. 1.

<sup>39</sup> Docket No. [232](#).

<sup>40</sup> See Third Claims Report ¶ 4.

PayPal also submitted a Proof of Claim asserting a secured claim in the amount of \$3,144,021.<sup>41</sup>

The procedures approved by the Court as part of the Claims Process Order proved to be successful as over 14,276 Proofs of Claim asserting claims totaling \$43,177,843 were allowed without the need for objection.<sup>42</sup>

## 2. Disputed Claims

The Receiver proposed objection procedures for dealing with the approximately 9,000 disputed Proofs of Claim and those procedures were approved by the Court pursuant to an *Order Granting Receiver's Ex Parte Motion for Approval of Claims Objection Process and Settlement Authority* (the "Approved Objection Procedures").<sup>43</sup> A total of twenty-two claim objections were served in accordance with the Approved Objection Procedures, all of which were sustained by the Court.<sup>44</sup> The Receiver also exercised the court-approved settlement authority with regard to certain Proofs of Claim as allowed under the Approved Objection Procedures.<sup>45</sup> As a result of these efforts, a large majority of the 9,000 formally disputed Proofs of Claim were allowed in part or disallowed.<sup>46</sup>

There was a total of 511 disputed claims that had not been resolved by objection or settlement (the “Unresolved Claims”) at the time that the Third Claims Report was filed on April 15, 2022.<sup>47</sup> Thereafter, the Receiver took various actions to resolve the Unresolved Claims,<sup>48</sup> and all remaining Unresolved Claims were submitted to the Special Master for adjudication.

### **3. Actions Regarding Special Master’s Report and Recommendation**

On January 19, 2023, in accordance with the Court’s *Order* appointing Melanie J. Var-tebedian as special master (the “Special Master”) <sup>49</sup> and its *Order* approving the Receiver’s proposed adjudication procedures regarding any report and recommendation submitted by the Special Master,<sup>50</sup> the Special Master filed with the Court her *Report and Recommendation* regarding the Unresolved Claims.<sup>51</sup> A total of 14 objections were filed to the Report and Recommendation (collectively, the “Objections”).<sup>52</sup>

On May 22, 2023, in accordance with the Court’s *Order*,<sup>53</sup> the Receiver filed his *Omni-bus Response to the Objections to the Special Master’s Report and Recommendation*.<sup>54</sup> On July

<sup>54</sup> Docket No. [562](#).

26, 2023, the Court issued its *Order Adopting in Part Report and Recommendation*, thereby bringing to conclusion the remaining Unresolved Claims.<sup>55</sup> Since the entry of the Court's *Order Adopting in Part Report and Recommendation*, the Receiver and his professionals have been preparing a final claims register to be used as part of the Plan of Distribution. Due to the significant number of claims in this case, the preparation of the final claims register (including the process of verifying that all allowed claims on the register are consistent with the numerous claim orders entered in this case) has taken longer than the Receiver originally anticipated. The final claims register should be completed within the next two weeks.

**B. Asset Recovery**

During the Reporting Period, the Receiver and the Receiver's professionals continued to pursue those who profited from their investment in Traffic Monsoon ("Net Winners") as well as others. As previously reported, *Default Judgments* were obtained against Ernest Ganz III and David Barker,<sup>56</sup> both Net Winners who reside in the United States. The Receiver domesticated those Default Judgments and has taken appropriate action related thereto. David Barker filed for bankruptcy protection in the United States Bankruptcy Court for the District of North Carolina and received a Chapter 7 discharge. The Receiver continues to take appropriate action with respect to the Default Judgment entered against Ernest Ganz III.

<sup>55</sup> Docket No. [568](#).

<sup>56</sup> See *Hunt v. Aslam*, Case No. 2:19-cv-275, Docket Nos. [65](#), [66](#).

The Receiver has continued to seek appropriate recourse against Net Winners located outside the United States. Default Judgments have been entered against Net Winners in the United Kingdom,<sup>57</sup> and during the Reporting Period the Receiver continued to work with counsel located in the United Kingdom to pursue avenues of recovery as to these Default Judgments.

Additionally, Default Judgments against Vincent Boutin,<sup>58</sup> a Net Winner located in Canada, and Piotr Chajkowski,<sup>59</sup> a Net Winner located in Poland, have been obtained and the Receiver is taking appropriate action with regard to those Judgments. During the Reporting Period the Receiver negotiated and entered into a *Settlement Agreement* with Mr. Boutin which fully resolves the Default Judgment in exchange for a cash payment from Mr. Boutin to the Receivership Estate. That payment was received during the Reporting Period and, just after the Reporting Period, the Receiver filed a *Motion*<sup>60</sup> to approve the Settlement Agreement which was granted by the Court on October 20, 2023.<sup>61</sup>

The Receiver also has determined that there may be other claims held by the Receivership Estate, particularly related to certain entities' failure to turn over assets of the Receivership Estate in accordance with the Receivership Order and the Preliminary Injunction. During the Reporting Period, the Receiver continued efforts to obtain additional funds from

Allied Wallet, an e-wallet company that turned over approximately \$4.3 million on the Receiver's demand, but improperly charged over \$1.8 million in fees and charges both before and after the commencement of this case. Allied Wallet is currently in liquidation proceedings in the United Kingdom, and the Receiver has submitted a formal claim in that proceeding. During the Reporting Period, the Receiver has continued efforts to obtain payment of the Receivership Estate's claim in the liquidation proceedings.

The Receiver also has continued with efforts related to the Receivership Estate's claims against MH Pillars Ltd., d/b/a Payza ("Payza"), another e-wallet company that it is believed held funds of Traffic Monsoon at the time that the Court froze Traffic Monsoon's assets. Through consensual exchanges of information, the Receiver obtained significant records from Payza that allowed the Receiver to recreate Traffic Monsoon's records. The Receiver made demand on Payza for Traffic Monsoon funds that it appeared Payza held at the time this case was commenced, but Payza refused to turn over any funds, claiming that if it was holding Traffic Monsoon funds, they were subject to chargebacks by account holders. Principals of Payza have since been indicted and Payza's assets have been the subject of criminal forfeiture proceedings. The Receiver was not provided notice of an opportunity to submit a claim in the forfeiture proceedings. During the Reporting Period, the Receiver has continued efforts to have the Receivership Estate's petition seeking allowance of a claim recognized in the forfeiture proceedings.

**C. Plan of Distribution**

With the hearings before the Special Master having concluded and the Report and Recommendation filed, and the Court having ruled on the Report and Recommendation, the Receiver and his professionals continued working on an appropriate Plan of Distribution during the Reporting Period. While the Receiver expected to have a Plan of Distribution on file by now, it has taken longer than anticipated primarily due to the time needed to properly prepare a final claims register and to obtain and analyze expert advice concerning specialized tax and OFAC issues implicated by a Plan of Distribution. Accordingly, the Receiver and the Receiver's professionals have spent an increased amount of time during the Reporting Period analyzing allowed claims, tax and OFAC issues, necessary reserves, and potential distribution models, and continued drafting a proposed Plan of Distribution. The Receiver anticipates that a Plan of Distribution will be filed by December 8, 2023.

**D. Attending to General Administration of the Receivership Estate**

During the Reporting Period, the Receiver and the Receiver's professionals have attended to numerous matters related to the administration of the Receivership Estate. These tasks include, but are not limited to, monitoring and managing bank accounts; negotiating, when appropriate, applicable interest rates for funds on deposit; reviewing professional billings and requesting adjustments when appropriate; following accounting protocols; preparing SFARs (as defined below); communicating with investors; managing the Receivership Website and information provided through the Call Center; evaluating and paying costs related to administration and litigation; evaluating issues related to compliance with applicable tax laws; filing papers required

by applicable tax laws; interfacing with financial account institutions; and coordinating with governmental entities as requested.

**V. Standardized Fund Accounting Report (“SFAR”)**

A summary of the financial condition of the Receivership Estate for each quarter of the Reporting Period is set forth in the SFAR attached hereto as **Exhibit 1**. At the end of the Reporting Period, the Receivership Estate had funds in the total amount of \$49,347,152.81.<sup>62</sup> Interest income has totaled \$370,899.20,<sup>63</sup> and expenses totaled \$129,023.79.<sup>64</sup> The expenses include disbursements to Epiq for data hosting and services, including services related to the Receivership Website, the Call Center, and the claims process.

**VI. Administrative Expenses During the Reporting Period**

The fees and out of pocket expenses of the Receiver, counsel Greenberg Traurig, LLP, accountants Berkeley Research Group and other approved professionals (collectively, the “Professionals”) must be approved by the Court prior to payment. The Court has entered an *Order Establishing Administrative Expense Payment Procedures* (the “Fee Procedures Order”),<sup>65</sup> setting forth procedures for the request and payment of professional fees and expenses in this case. Among other things, the Fee Procedures Order authorizes the Receiver Professionals to file monthly “Notices of Request for Payment.” Absent objection in accordance with the Fee

<sup>65</sup> Docket No. [101](#).

Procedures Order, the Receiver may pay 80% of fees and 100% of out-of-pocket expenses requested in a Notice of Request for Payment. All monthly disbursements and any other requests for fees and expenses not requested pursuant to a Notice for Request for Payment are subject to Court approval through “Fee Applications.”

**A. Fees and Expenses Related to Earlier Reporting Periods – Paid or Pending During This Reporting Period**

On October 11, 2023, the Receiver filed *Notices of Request for Payment* for April, May, and June 2023.<sup>66</sup> 80% of fees and 100% of out-of-pocket expenses requested in the April – June Notices have not been paid at this time, but the Receiver will pay such amounts shortly.

On November 2, 2023, the Receiver filed a *Twentieth Interim Fee Application* seeking approval of the fees and expenses incurred during the period of January 1, 2023 through June 30, 2023.<sup>67</sup> The Fee Application was approved by the Court on November 7, 2023.<sup>68</sup> The Receiver will pay the fees and expenses requested in the Fee Application shortly.

**B. Fees and Expenses Incurred During the Current Reporting Period**

The Receiver intends to file *Notices of Request for Payment* for services rendered and expenses incurred in July, August, and September 2023 shortly and, therefore, none of those fees and expenses have been paid as of this time. Additionally, after filing this Status Report, the Receiver anticipates filing a *Twenty-First Interim Fee Application* for approval of fees and

<sup>67</sup> Docket No. [583](#).

<sup>68</sup> Docket No. [584](#).

expenses incurred during the Reporting Period as set forth in the anticipated *Notices of Request for Payment* for July through September, 2023.

**VII. Conclusion**

The Receiver currently holds over \$49 million which he is working to distribute to those with allowed claims against the Receivership Estate as soon as possible. The Receiver is close to finishing a proposed *Plan of Distribution* and he anticipates that a motion seeking approval of the proposed Plan will be filed by December 8, 2023. Once a *Plan of Distribution* is approved by the Court, distributions will be made to those with allowed claims in accordance with the Plan's terms.

Dated this 8th day of November, 2023.
