**DEBTORS’ APPLICATION FOR ENTRY OF AN ORDER (I) APPROVING THE
RETENTION AND APPOINTMENT OF EPIQ CORPORATE RESTRUCTURING, LLC
AS THE CLAIMS AND NOTICING AGENT TO THE DEBTORS, EFFECTIVE AS OF
THE PETITION DATE, AND (II) GRANTING RELATED RELIEF**

Fluid Market, Inc. and its affiliated debtors and debtors in possession (each, a “Debtor” and collectively, the “Debtors”) in the above-captioned chapter 11 cases, by and through their undersigned proposed counsel, hereby submit this motion (this “Motion”) for entry of an order granting the relief described below. In support hereof, the Debtors rely on the *Declaration of T. Scott Avila in Support of the Debtors’ Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”)² filed concurrently herewith, and further represent as follows:

Jurisdiction and Venue

1. The United States District Court for the District of Delaware has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, which was referred to the United States Bankruptcy Court for the District of Delaware (the “Court”) under 28 U.S.C. § 157 pursuant to the *Amended Standing Order of Reference from the United States District Court for the District of Delaware*, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2),

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are Fluid Market Inc. (1365) and Fluid Fleet Services, LLC (5994). The Debtors’ service address is 3827 Lafayette St., Suite #149, Denver, CO 80205.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

and the Debtors confirm their consent pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”) to the entry of a final order by the Court in connection with this application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. The statutory predicates for the relief requested herein are section 156(c) of title 28 of the United States Code, sections 503 and 1107 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Bankruptcy Rule 2002, Local Rules 2002-1 and 9013-1, and the Court’s *Protocol for the Employment of Claims and Noticing Agents Under 28 U.S.C. § 156(c)*, instituted by the Clerk on February 1, 2012 (the “Claims Agent Protocol”).

Background

3. On the date hereof (the “Petition Date”), each Debtor filed a voluntary petition for relief pursuant to chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrently with the filing of this Motion, the Debtors filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committee of unsecured creditors has been appointed in these chapter 11 cases.

4. The Debtors operate and manage a technology-based, peer-to-peer truck-sharing platform across the United States with a fleet of nearly 5,500 vehicles owned by their nondebtor affiliates or third-party owners who have elected to put their vehicles on the Debtors’ platform,

<https://www.fluidtruck.com/>. Customers have quick and easy access to the right vehicle whenever they need it via the Debtors' mobile app and website. Faced with severely constrained liquidity, and after multiple failed efforts to raise additional capital or debt financing, the Debtors, in an exercise of their business judgment, commenced these Chapter 11 Cases with the intention of pursuing a prompt sale of their assets to preserve their business as a going concern and maximize value for all their stakeholders.

5. Additional factual background regarding the Debtors, including their business operations, their corporate and capital structure, and the events leading to the filing of these chapter 11 cases, is set forth in detail in the First Day Declaration, filed concurrently herewith and incorporated herein by reference.

Relief Requested

6. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Order"), (a) appointing Epiq Corporate Restructuring, LLC ("Epiq") as the claims and noticing agent in the Debtors' chapter 11 cases (the "Claims and Noticing Agent") effective as of the Petition Date (as defined below); and (b) granting related relief. In support of this application, the Debtors rely upon the *Declaration of Kate Mailloux in Support of the Debtors' Application for Entry of Order (I) Approving the Retention and Appointment of Epiq Corporate Restructuring, LLC as the Claims and Noticing Agent to the Debtors, Effective as of the Petition Date and (II) Granting Related Relief* (the "Mailloux Declaration"), a copy of which is attached hereto as **Exhibit B**. The Debtors' selection of Epiq to act as the Claims and Noticing Agent has satisfied the Claims Agent Protocol (as defined below), in that the Debtors have obtained and reviewed engagement proposals from at least two other court-approved claims and noticing agents to ensure selection through a competitive process. Moreover, the Debtors submit, based on all

engagement proposals obtained and reviewed, that Epiq’s rates are competitive and reasonable given Epiq’s quality of services and expertise. The terms of Epiq’s retention are set forth in the engagement agreement attached as Exhibit 1 to the Order (the “Engagement Agreement”); *provided* that Epiq is seeking approval solely of the terms and provisions as set forth in this application and the Order.

7. By separate application, the Debtors may seek authorization to retain and employ Epiq as administrative advisor in the chapter 11 cases pursuant to section 327(a) of the Bankruptcy Code (defined below), as the administration of the chapter 11 cases may require Epiq to perform duties outside the scope of 28 U.S.C. § 156(c).

Epiq’s Qualifications and Need for Epiq’s Services

8. Epiq is one of the country’s leading chapter 11 administrators, with significant expertise in noticing, claims administration, soliciting, balloting, and facilitating other administrative aspects of chapter 11 cases. Epiq has acted as the claims and noticing agent in numerous recent cases of varying size and complexity, including a number of recent cases filed in this District.³

9. The appointment of Epiq as the Claims and Noticing Agent in these Chapter 11 Cases will expedite the distribution of notices and the processing of claims, facilitate other administrative aspects of these Chapter 11 Cases, and relieve the Clerk of the administrative burden of processing what may be an overwhelming number of claims. The Debtors believe that the appointment of Epiq as the Claims and Noticing Agent will thus serve to maximize the value of the Debtors' estates for all stakeholders.

Scope of Services Provided

10. This application pertains only to the services to be performed by Epiq under the Clerk's delegation of duties permitted by 28 U.S.C. § 156(c) and Local Rule 2002-1(f). Any services to be performed by Epiq that are set forth in the Engagement Agreement but outside of the scope of 28 U.S.C. § 156(c) are not covered by this application or by the Proposed Order. Specifically, Epiq will perform the following tasks in its role as the Claims and Noticing Agent, as well as all quality control relating thereto (collectively, the "Claims and Noticing Services"), to the extent requested by the Debtors:

- a. Prepare and serve required notices and documents in the Chapter 11 Cases in accordance with the Bankruptcy Code and the Bankruptcy Rules in the form and manner directed by the Debtors or the Court, including, if applicable: (i) notice of the commencement of the Chapter 11 Cases and the initial meeting of creditors under section 341(a) of the Bankruptcy Code (as applicable); (ii) notices of transfers of claims; (iii) notices of objections to claims and objections to transfers of claims; (iv) notice of any auction or sale proceeding; (v) notices of any hearings on a disclosure statement and confirmation of a plan or plans of reorganization, including under Bankruptcy Rule 3017(d); (vi) notice of the effective date of any plan or plans; and (vii) all other notices, orders, pleadings, publications, and other documents as the Debtors or the Court may deem necessary or appropriate for an orderly administration of the Chapter 11 Cases;

LLC, No. 20-12168 (CSS) (Bankr. D. Del. Sept. 16, 2020); *In re RGNGroup Holdings, LLC*, No. 20-11961 (BLS) (Bankr. D. Del. Aug. 19, 2020).

- b. If applicable, maintain an official copy of the Debtors' schedules of assets and liabilities and statements of financial affairs listing the Debtors' known creditors and the amounts owed thereto;
- c. Maintain: (i) a list of all potential creditors, equity holders, and other parties in interest; and (ii) a "core" mailing list consisting of all parties described in Bankruptcy Rules 2002(i), (j), and (k) and those parties that have filed a notice of appearance pursuant to Bankruptcy Rule 9010; update said lists and make said lists available upon request by a party in interest or the Clerk ;
- d. At the direction of the Debtors, furnish a notice to all potential creditors of the last date for the filing of proofs of claim and a form for the filing of a proof of claim;
- e. Maintain a post office box or address for the purpose of receiving claims and returned mail, and process all mail received;
- f. For all notices, motions, orders, and other pleadings or documents served, prepare and file or caused to be filed with the Clerk an affidavit or certificate of service within seven (7) business days of service that includes: (i) either a copy of the notice served or the docket number(s) and title(s) of the pleading(s) served; (ii) a list of persons to whom it was mailed (in alphabetical order) with their addresses; (iii) the manner of service; and (iv) the date served;
- g. Process all proofs of claim received, including those received by the Clerk, check said processing for accuracy, and maintain the original proofs of claim in a secure area;
- h. Maintain an electronic platform for purposes of filing proofs of claim;
- i. Maintain the official claims register for the Debtors (the "Claims Register") on behalf of the Clerk; upon the Clerk's request, provide the Clerk with a certified, duplicate unofficial Claims Register; and specify in the Claims Register the following information for each claim docketed: (i) the claim number assigned; (ii) the date received; (iii) the name and address of the claimant and agent, if applicable, who filed the claim; (iv) the amount asserted; (v) the asserted classification(s) of the claim (*e.g.*, secured, unsecured, priority, etc.); and (vi) any disposition of the claim;
- j. Provide public access to the Claims Register, including complete proofs of claim with attachments, if any, without charge;

- k. Implement necessary security measures to ensure the completeness and integrity of the Claims Register and the safekeeping of the original proofs of claim;
- l. Record all transfers of claims and provide any notices of such transfers as required by Bankruptcy Rule 3001(e);
- m. Relocate, by messenger or overnight delivery, all of the Court-filed proofs of claim to Epiq's offices, not less than weekly;
- n. Upon completion of the docketing process for all claims received to date for each case, turn over to the Clerk copies of the Claims Register for the Clerk's review (upon the Clerk's request);
- o. Monitor the Court's docket for all notices of appearance, address changes, and claims-related pleadings and orders filed, and make necessary notations on, or changes to, the Claims Register and any service or mailing lists, including to identify and eliminate duplicate names and addresses from such lists;
- p. Identify and correct any incomplete or incorrect addresses in any mailing or service lists;
- q. Assist in the dissemination of information to the public and respond to requests for administrative information regarding the Chapter 11 Cases as directed by the Debtors or the Court, including through the use of a case website or call center;
- r. If the Chapter 11 Cases are converted to cases under chapter 7 of the Bankruptcy Code, contact the Clerk's office within three (3) days of the notice to Epiq of entry of the order converting the Chapter 11 Cases;
- s. Within fourteen (14) days of notice to Epiq of entry of an order dismissing or converting the Chapter 11 Cases, or within twenty-eight (28) days of entry of a final decree closing the Chapter 11 Cases, Epiq shall: (a) forward to the Clerk an electronic version of all imaged claims; (b) upload the creditor mailing list into CM/ECF, and (c) docket a Final Claims Register; and
- t. Within the earlier to occur of (a) fourteen (14) days of entry of an order converting the chapter 11 cases and (b) entry of a termination order, Epiq shall: (i) forward to the Clerk an electronic version of all imaged claims; (ii) upload the creditor mailing list into CM/ECF; and (iii) docket a Final Claims Register.

11. The Claims Register shall be open to the public for examination without charge during regular business hours and on a case-specific website maintained by Epiq.

Professional Compensation

12. The Debtors are proposing to compensate Epiq for the Claims and Noticing Services set forth above in accordance with the pricing schedule attached to the Engagement Agreement. The Debtors respectfully request that the undisputed fees and expenses incurred by Epiq in the performance of the Claims and Noticing Services be treated as administrative expenses of the Debtors' chapter 11 estates pursuant to 28 U.S.C. § 156(c) and section 503(b)(1)(A) of the Bankruptcy Code, and that such fees and expenses be paid in the ordinary course of business without further application to or order of the Court.

13. Epiq agrees to maintain records of all Claims and Noticing Services, including dates, categories of Claims and Noticing Services, fees charged, and expenses incurred, and to serve monthly invoices on the Debtors, the Office of the United States Trustee, counsel for the Debtors, counsel for any statutory committee, and any party in interest that specifically requests service of the monthly invoices. If any dispute arises relating to the Engagement Agreement or monthly invoices, the parties shall meet and confer in an attempt to resolve the dispute. If resolution is not achieved, the parties may seek resolution of the matter from the Court.

14. Before the Petition Date, the Debtors provided Epiq a retainer in the amount of \$25,000.00. Epiq seeks first to apply the retainer to all prepetition invoices and thereafter to hold the retainer as security of payment of Epiq's final invoice for services rendered and expenses incurred in performing the Claims and Noticing Services.

15. Additionally, under the terms of the Engagement Agreement, the Debtors have agreed to indemnify, defend, and hold harmless Epiq and its members, directors, officers,

employees, representatives, affiliates, consultants, subcontractors, and agents under certain circumstances specified in the Engagement Agreement, except in circumstances resulting solely from Epiq's gross negligence or willful misconduct or as otherwise provided in the Engagement Agreement or Proposed Order. The Debtors believe that such an indemnification obligation is customary, reasonable, and necessary to retain the services of a Claims and Noticing Agent in these Chapter 11 Cases.

Epiq's Disinterestedness

16. Epiq has reviewed its electronic database to determine whether it has any relationships with the creditors and parties in interest provided by the Debtors, and, to the best of the Debtors' knowledge, information, and belief, and except as disclosed in the Mailloux Declaration, Epiq has represented that it neither holds nor represents any interest materially adverse to the Debtors' estates in connection with any matter on which it would be employed.

17. Moreover, in connection with its retention as Claims and Noticing Agent, Epiq represents in the Mailloux Declaration, among other things, that:

- a. Epiq is not a creditor of the Debtors;
- b. Epiq will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in the Chapter 11 Cases;
- c. By accepting employment in the Chapter 11 Cases, Epiq waives any rights to receive compensation from the United States government in connection with the Chapter 11 Cases;
- d. In its capacity as the Claims and Noticing Agent in the Chapter 11 Cases, Epiq will not be an agent of the United States and will not act on behalf of the United States;
- e. Epiq will not employ any past or present employees of the Debtors in connection with its work as the Claims and Noticing Agent in the Chapter 11 Cases;

- f. Epiq is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code with respect to the matters upon which it is engaged;
- g. In its capacity as Claims and Noticing Agent in the Chapter 11 Cases, Epiq will not intentionally misrepresent any fact to any person;
- h. Epiq shall be under the supervision and control of the Clerk’s office with respect to the receipt and recordation of claims and claim transfers;
- i. Epiq will comply with all requests of the Clerk’s office and the guidelines promulgated by the Judicial Conference of the United States for the implementation of 28 U.S.C. § 156(c); and
- j. None of the services provided by Epiq as Claims and Noticing Agent in the Chapter 11 Cases shall be at the expense of the Clerk’s office.

18. In view of the foregoing, the Debtors believe that Epiq is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code.

19. Epiq will supplement its disclosure to the Court if any facts or circumstances are discovered that would require such additional disclosure.

Compliance with Claims Agent Protocol

20. This application complies with the Claims Agent Protocol and substantially conforms to the standard application in use in this Court. In accordance with the Claims Agent Protocol, prior to the selection of Epiq as the Claims and Noticing Agent, the Debtors reviewed and compared engagement proposals from three court-approved Claims and Noticing Agents, including Epiq, to ensure selection through a competitive process. The Debtors submit, based on all engagement proposals obtained and reviewed, that Epiq’s rates, as set forth in the Engagement Agreement, are competitive and reasonable given its quality of services and expertise.

21. Based on the foregoing, the Debtors submit that they have satisfied the requirements of 28 U.S.C. § 156(c), the Local Rules, and the Claims Agent Protocol. Accordingly,

the Debtors respectfully request entry of the Proposed Order authorizing the Debtors to retain and employ Epiq as Claims and Noticing Agent, effective as of the Petition Date.

Basis for Relief

22. The Court is permitted to appoint Epiq as Claims and Noticing Agent in the Chapter 11 Cases. Pursuant to 28 U.S.C. § 156(c), the Court is authorized to use agents and facilities other than the Clerk for the administration of bankruptcy cases. Specifically, 28 U.S.C. § 156(c) provides, in relevant part, as follows:

Any court may utilize facilities or services, either on or off the court's premises, which pertain to the provision of notices, dockets, calendars, and other administrative information to parties in cases filed under the provisions of title 11, United States Code, where the costs of such facilities or services are paid for out of the assets of the estate and are not charged to the United States.

28 U.S.C. § 156(c). Moreover, Bankruptcy Rule 2002, which regulates the notices that must be provided to creditors and other parties in interest in a bankruptcy case, provides that the Court may direct that a person other than the Clerk give notice of the various matters described therein. *See* Fed. R. Bankr. P. 2002. In addition, Local Rule 2002-1(f) provides that “[u]pon motion of the debtors or trustee, at any time without notice or hearing, the Court may authorize the retention of a notice and/or claims clerk under 28 U.S.C. § 156(c).” Del. Bankr. L.R. 2002-1(f).

23. In view of the number of anticipated claimants and the complexity of the Debtors' business, the Debtors submit that the appointment of Epiq as the Claims and Noticing Agent is both necessary and in the best interests of the Debtors' estates, creditors, and other parties in interest because the Debtors will be relieved of the burdens associated with the Claims and Noticing Services. Accordingly, the Debtors will be able to devote their full attention and resources to their restructuring efforts.

Relief as of the Petition Date is Appropriate

24. In accordance with the Debtors' request, Epiq has agreed to serve as Claims and Noticing Agent on and after the Petition Date with assurances that the Debtors would seek approval of its employment and retention, effective as of the Petition Date, so that Epiq can be compensated for services rendered before approval of this application. No party in interest will be prejudiced by the granting of relief as of the Petition Date as proposed in this application, because Epiq has provided and continues to provide valuable services to the Debtors' estates during the interim period.

25. Accordingly, the Debtors respectfully request entry of the Order authorizing the Debtors to retain and employ Epiq as Claims and Noticing Agent effective as of the Petition Date.

Notice

26. The Debtors will provide notice of this Motion to: (a) United States Trustee for the District of Delaware; (b) the United States Attorney's Office for the District of Delaware; (c) the state attorneys general for all states in which the Debtors conduct business; (d) the holders of the thirty (30) largest unsecured claims against the Debtors on a consolidated basis; (e) counsel to the prepetition lender; (f) counsel to the postpetition lender; and (g) any party that has requested notice pursuant to Bankruptcy Rule 2002. As this Motion is seeking "first day" relief, within two business days of the hearing on the Motion, the Debtors will serve copies of the Motion and any order entered in respect to this Motion as required by Local Rule 9013-1(m).

No Prior Request

27. No prior request for the relief sought in this application has been made to this Court or any other court.

WHEREFORE, the Debtors respectfully request the entry of the Order, substantially in the form attached hereto as **Exhibit A**, (a) granting the relief requested herein, and (b) granting such other relief as is just and proper.

IT IS HEREBY ORDERED THAT:

1. The Application is GRANTED as set forth herein.
2. Notwithstanding the terms of the Engagement Agreement attached as **Exhibit 1** this Order, the Application is granted solely as set forth in this Order and solely with respect to the "Claims Management" and "Noticing" services set forth in the Services Schedule attached to the Engagement Agreement.

Without further order of the Court, the Debtors are authorized to compensate Epiq in accordance with the terms and conditions of the Engagement Agreement upon receipt of reasonably detailed monthly invoices setting forth the services provided by Epiq and the rates charged for each, and to reimburse Epiq for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without the need for Epiq to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses as the Claims and Noticing Agent.

9. Epiq shall maintain records of all services showing dates, categories of services, fees charged, and expenses incurred, and Epiq shall serve monthly invoices on the Debtors, the Office of the United States Trustee for the District of Delaware, counsel for the Debtors, counsel for any statutory committee, and any party in interest that specifically requests service of the monthly invoices.

10. The parties shall meet and confer in an attempt to resolve any dispute that may arise relating to the Engagement Agreement or monthly invoices, and the parties may seek resolution of the matter from the Court if resolution is not achieved.

11. Pursuant to section 503(b)(1)(A) of the Bankruptcy Code, Epiq's fees and expenses incurred in connection with the Claims and Noticing Services shall be an administrative expense of the Debtors' chapter 11 estates.

12. Epiq may apply its retainer to all prepetition invoices, and thereafter Epiq may hold its retainer under the Engagement Agreement during the Chapter 11 Cases as security for payment of Epiq's final invoice for services rendered and expenses incurred under the Engagement Agreement.

13. The Debtors are authorized to indemnify Epiq under the terms of the Engagement Agreement, subject to the following modifications:

- a. Epiq shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Agreement for services other than the Claims and Noticing Services provided under the Engagement Agreement, unless such services and the indemnification, contribution, or reimbursement therefor are approved by this Court;
- b. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation to indemnify Epiq, or provide contribution or reimbursement to Epiq, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from Epiq's gross negligence, willful misconduct, or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of Epiq's contractual obligations if the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) settled prior to a judicial determination under (i) or (ii), but determined by the Court, after notice and a hearing, to be a claim or expense for which the Claims and Noticing Agent should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Agreement as modified by this Order;

- c. If, before the earlier of: (i) the entry of an order confirming a chapter 11 plan in the Chapter 11 Cases (that order having become a final order no longer subject to appeal); or (ii) the entry of an order closing the Chapter 11 Cases, Epiq believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, or reimbursement obligations under the Engagement Agreement (as modified by this Order), including the advancement of defense costs, Epiq must file an application therefor with the Court, and the Debtors may not pay any such amounts to Epiq before the entry of an order by the Court approving the payment. This paragraph is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Epiq for indemnification, contribution, or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Epiq. All parties in interest shall retain the right to object to any demand by Epiq for indemnification, contribution, or reimbursement.

14. Notwithstanding anything to the contrary in the Engagement Agreement, during the Chapter 11 Cases, the limitation of liability contained in paragraph 8 of the Engagement Agreement shall be given no effect during the pendency of these Chapter 11 Cases.

15. In the event that Epiq is unable to provide the Claims and Noticing Services, Epiq shall immediately notify the Clerk and the Debtors' counsel and shall cause all original proofs of claim and computer information to be turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' counsel.

16. Epiq shall not cease providing Claims and Noticing Services during the Chapter 11 Cases for any reason, including nonpayment, without an order of the Court.

17. In the event of any inconsistency between the Engagement Agreement, the Application, and this Order, this Order shall govern.

18. The Debtors and Epiq are authorized to take all actions necessary to effectuate the relief granted in this Order.

19. After entry of an order terminating Epiq's services as the Claims and Noticing Agent, upon the closing of the Chapter 11 Cases, or for any other reason, Epiq shall be responsible

for: (a) forwarding to the Clerk an electronic version of all imaged claims; (b) uploading the creditor mailing list into CM/ECF; and (c) docketing a Final Claims Register.

20. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

21. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

22. The Court shall retain jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

Engagement Agreement

EPIQ CORPORATE RESTRUCTURING

STANDARD SERVICES AGREEMENT

This Standard Services Agreement is being entered into by and between the undersigned parties, referred to herein as “Epiq” and “Client” as of the Effective Date, as defined below. In consideration of the premises herein contained and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

General Terms and Conditions

1. Services.

In accordance with the charges, terms and conditions contained in this agreement and in the schedule(s) attached hereto (collectively, the “Agreement”), Epiq agrees to furnish Client with the services set forth on the Services Schedule hereto (the “Services”) in connection with a corporate restructuring. Services will be provided on an as needed basis and upon request or agreement of Client. Charges for the Services will be based on the pricing schedule provided to Client hereto (the “Pricing Schedule”). The Pricing Schedule sets forth individual unit pricing for each of the Services provided by Epiq and represents a bona fide proposal for that Service. Client may request separate Services or all of the Services reflected in the Pricing Schedule.

2. Term.

This Agreement shall become effective on the date of its acceptance by both Epiq and Client; provided, however, Epiq acknowledges that Bankruptcy Court approval of its engagement may be required in order for Epiq to be engaged in a chapter 11 proceeding. The Agreement shall remain in effect until terminated: (a) by Client, on thirty (30) days’ prior written notice to Epiq and, to the extent Epiq has been retained by Bankruptcy Court order, entry of an order of the Bankruptcy Court discharging Epiq; or (b) by Epiq, on ninety (90) days’ prior written notice to Client and, to the extent Epiq has been retained by Bankruptcy Court order, entry of an order of the Bankruptcy Court discharging Epiq.

3. Charges.

- 3.1 For the Services and materials furnished by Epiq under this Agreement, Client shall pay the fees, charges and costs set forth in the Pricing Schedule subject to any previously agreed upon discount if applicable. Epiq will bill Client monthly. All invoices shall be due and payable upon receipt.
- 3.2 Epiq reserves the right to make reasonable increases to the unit prices, charges and professional service rates reflected in the Pricing Schedule on an annual basis effective January 1, 2025. If such annual increases exceed 10% from the prior year’s level, Epiq shall provide sixty (60) days’ prior written notice to Client of such proposed increases.

- 3.3 Client agrees to pay Epiq for all materials necessary for performance of the Services under this Agreement (other than computer hardware and software) and any reasonable out of pocket travel expenses.
- 3.4 Client shall pay or reimburse all taxes applicable to services performed under this Agreement and, specifically, taxes based on disbursements made on behalf of Client, notwithstanding how such taxes may be designated, levied or based. This provision is intended to include sales, use and excise taxes, among other taxes, but is not intended to include personal property taxes or taxes based on net income of Epiq.
- 3.5 Client shall pay to Epiq any actual charges (including fees, costs and expenses as set forth in the Pricing Schedule) related to, arising out of or resulting from any Client error or omission. Such charges may include, without limitation, print or copy re-runs, supplies, long distance phone calls, travel expenses and overtime expenses for work chargeable at the rates set forth on the Pricing Schedule.
- 3.6 In the event of termination pursuant to Section 2 hereof, Client shall be liable for all amounts then accrued and/or due and owing to Epiq under the Agreement.
- 3.7 To the extent permitted by applicable law, Epiq shall receive a retainer in the amount of \$25,000 (the "Retainer") that may be held by Epiq as security for Client's payment obligations under the Agreement. The Retainer is due upon execution of this Agreement. Epiq shall be entitled to hold the Retainer until the termination of the Agreement. Following termination of the Agreement, Epiq shall return to Client any amount of the Retainer that remains following application of the Retainer to the payment of unpaid invoices.

4. Confidentiality.

Client data provided to Epiq during the term of this Agreement in connection with the Services ("Client Data") shall be maintained confidentially by Epiq in the same manner and to the same level as Epiq safeguards data relating to its own business; provided, however, that if Client Data is publicly available, was already in Epiq's possession or known to it, was required to be disclosed by law, was independently developed by Epiq without use or reference to any Client Data, or was rightfully obtained by Epiq from a third party, Epiq shall bear no responsibility for public disclosure of such data. Client agrees that Epiq shall not be liable for damages or losses of any nature whatsoever arising out of the unauthorized acquisition or use of any Client Data or other Client materials provided to Epiq in the performance of this Agreement.

5. Title to Property.

Epiq reserves all property rights in and to all materials, concepts, creations, inventions, works of authorship, improvements, designs, innovations, ideas, discoveries, know-how, techniques, programs, systems and other information, including, without limitation, data processing programs, specifications,

applications, processes, routines, sub-routines, procedural manuals and documentation furnished or developed by Epiq for itself or for use by Client (collectively, the “Property”). Charges paid by Client do not vest in Client any rights to the Property, it being expressly understood that the Property is made available to Client under this Agreement solely for Client's use during and in connection with each use of the Epiq equipment and services. Client agrees not to copy or permit others to copy any of the Property.

6. Bank Accounts

At the request of the Client or Client Parties, Epiq shall be authorized to establish accounts with financial institutions in the name of and as agent for the Client to facilitate distributions pursuant to a Chapter 11 plan or other transactions. To the extent such accounts or other financial products are provided to the company, pursuant to Epiq’s agreement(s) with financial institutions, Epiq may receive fees and other compensation from such institutions.

7. Disposition of Data.

- 7.1 Client is responsible for the accuracy of the programs and Client Data it provides or gives access to Epiq and for the output resulting from such data. Client shall initiate and maintain backup files that would allow Client to regenerate or duplicate all programs and Client Data which Client provides or gives access to Epiq. Client agrees, represents and warrants to Epiq that, prior to delivery of any Client Data to Epiq, it has full authority to deliver Client Data to Epiq. Client agrees, represents and warrants to Epiq that it has obtained binding consents, permits, licenses and approvals from all necessary persons, authorities or individuals, and has complied with all applicable policies, regulations and laws, required by Client, in order to allow Epiq to use all Client Data delivered to it in connection with its Services. Epiq shall not be liable for, and Client accepts full responsibility for, any liability or obligation with respect to Client Data prior to Epiq’s receipt, including without limitation, any liability arising during the delivery of Client Data to Epiq.
- 7.2 Any Client Data, programs, storage media or other materials furnished by Client to Epiq in connection with this Agreement (collectively, the “Client Materials”) may be retained by Epiq until the services provided pursuant to this Agreement are paid for in full, or until this Agreement is terminated with the services provided herein having been paid for in full. Client shall remain liable for all out of pocket charges incurred by Epiq under this Agreement as a result of any Client Materials maintained by Epiq. Epiq shall dispose of Client Materials in the manner requested by Client (except to the extent disposal may be prohibited by law). Client agrees to pay Epiq for reasonable expenses incurred as a result of the disposition of Client Materials. Epiq reserves the right to dispose of any Client Materials if this Agreement is terminated without Client’s direction as to the return or disposal of Client Materials or Client has not paid all charges due to Epiq for a period of at least ninety (90) days; provided, however, Epiq shall provide Client with thirty (30) days’ prior written notice of its intent to dispose of such data and media.

8. Indemnification.

Client shall indemnify, defend and hold Epiq, its affiliates, parent, and each such entity's officers, members, directors, agents, representatives, managers, consultants and employees (each an "Indemnified Person") harmless from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, costs of preparation and attorneys' fees) and expenses as incurred (collectively, "Losses"), to which any Indemnified Person may become subject or involved in any capacity arising out of or relating to this Agreement or Epiq's rendering of services pursuant hereto, regardless of whether any of such Indemnified Persons is a party thereto, other than Losses resulting solely from Epiq's gross negligence or willful misconduct. Without limiting the generality of the foregoing, "Losses" includes any liabilities resulting from claims by third persons against any Indemnified Person. Client and Epiq shall notify the other party in writing promptly of the commencement, institution, threat, or assertion of any claim, action or proceeding of which Client is aware with respect to the services provided by Epiq under this Agreement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of Client, and shall survive the termination of this Agreement until the expiration of all applicable statutes of limitation with respect to Epiq's liabilities.

9. Limitation of Liability

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, THIS SECTION SHALL CONTROL.

(a) EACH PARTY AND ITS RESPECTIVE AGENTS SHALL NOT HAVE ANY OBLIGATION OR LIABILITY TO THE OTHER PARTY OR TO ANY THIRD PARTY (WHETHER IN TORT, EQUITY, CONTRACT, WARRANTY OR OTHERWISE AND NOTWITHSTANDING ANY FAULT, NEGLIGENCE, PRODUCT LIABILITY, OR STRICT LIABILITY IN ACCORDANCE WITH APPLICABLE LAW, RULE OR REGULATION) FOR ANY INDIRECT, GENERAL, PUNITIVE, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO BUSINESS INTERRUPTION, LOST WAGES, BUSINESS OR PROFITS, OR LOSS OF DATA INCURRED BY CLIENT OR ANY OTHER PERSON, ARISING OUT OF RELATING TO THIS AGREEMENT, OR ANY USE, INABILITY TO USE OR RESULTS OF USE OF THE SERVICES OR SOFTWARE OR OTHERWISE, EVEN IF SUCH PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) EPIQ SHALL NOT BE LIABLE TO CLIENT FOR ANY LOSSES REGARDLESS OF THEIR NATURE THAT ARE CAUSED BY OR RELATED TO A FORCE MAJEURE EVENT.

(c) THE TOTAL LIABILITY OF EACH PARTY AND ITS AGENTS TO THE OTHER PARTY OR TO ANY THIRD PARTY FOR ALL LOSSES ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE SERVICES SHALL NOT EXCEED THE TOTAL AMOUNT PAID BY THE CLIENT TO EPIQ FOR THE PARTICULAR SERVICES WHICH GAVE RISE TO THE LOSSES IN THE IMMEDIATE SIX (6) MONTHS PRIOR TO THE DATE OF THE ACTION GIVING RISE TO THE ALLEGED LOSS.

10. Representations / Warranties.

Epiq makes no representations or warranties, express or implied, including, without limitation, any implied or express warranty of merchantability, suitability, fitness or adequacy for a particular purpose or use, quality, productiveness or capacity.

11. Confidential On-Line Workspace

Upon request of Client, Epiq shall be authorized to: (a) establish a confidential on-line workspace with an outside vendor in connection with the provision of its services to Client pursuant to this Agreement; and (b) with the consent of Client and/or its designees, publish documents and other information to such confidential workspace. By publishing documents and other information to this confidential workspace in accordance with the foregoing, Epiq shall not be considered in violation of any of the provisions of this Agreement, including, but not limited to, Section 4 (Confidentiality).

12. General

- 12.1 No waiver, alteration, amendment or modification of any of the provisions of this Agreement shall be binding upon either party unless signed in writing by a duly authorized representative of both parties.
- 12.2 This Agreement may not be assigned by Client without the express written consent of Epiq, which consent shall not be unreasonably withheld. The services provided under this Agreement are for the sole benefit and use of Client, and shall not be made available to any other persons.
- 12.3 This Agreement shall be governed by the laws of the State of New York, without regard to that state's provisions for choice of law. Client and Epiq agree that any controversy or claim arising out of or relating to this Agreement or the alleged breach thereof shall be settled by mandatory, final and binding arbitration before the American Arbitration Association in New York, New York and such arbitration shall comply with and be governed by the rules of the American Arbitration Association, provided that each party may seek interim relief in court as it deems necessary to protect its confidential information and intellectual property rights. Any arbitration award rendered pursuant to this provision shall be enforceable worldwide.
- 12.4 The parties hereto agree that this Agreement is the complete and exclusive statement of the agreement between the parties which supersedes all proposals or prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this Agreement.
- 12.5 Client will use its best efforts to cooperate with Epiq at Client's facilities if any portion of the Services requires its physical presence thereon.
- 12.6 In no event shall Epiq's Services constitute or contain legal advice or opinion, and neither Epiq nor its personnel shall be deemed to practice law hereunder.

- 12.7 Except for Client's obligation to pay fees, expenses and charges hereunder when due, neither party shall be in default or otherwise liable for any delay in or failure of its performance under this Agreement to the extent such delay or failure arises by reason of any act of God, any governmental requirement, act of terrorism, riots, epidemics, flood, strike, lock-out, industrial or transportational disturbance, fire, lack of materials, war, event of force majeure, or other acts beyond the reasonable control of a performing party.
- 12.8 This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement.
- 12.9 All clauses and covenants in this Agreement are severable; in the event any or part of them are held invalid or unenforceable by any court, such clauses or covenants shall be valid and enforced to the fullest extent available, and this Agreement will be interpreted as if such invalid or unenforceable clauses or covenants were not contained herein. and thereafter Epiq will hold the retainer under the Engagement Agreement during the Chapter 11 Cases as security for services rendered and expenses incurred in performing the Claims and Noticing Services.

5. Epiq represents, among other things, the following:
 - a. Epiq is not a creditor of the Debtors;
 - b. Epiq will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in the Chapter 11 Cases;
 - c. By accepting employment in the Chapter 11 Cases, Epiq waives any rights to receive compensation from the United States government in connection with the Chapter 11 Cases;
 - d. In its capacity as the Claims and Noticing Agent in the Chapter 11 Cases, Epiq will not be an agent of the United States and will not act on behalf of the United States;
 - e. Epiq will not employ any past or present employees of the Debtors in connection with its work as the Claims and Noticing Agent in the Chapter 11 Cases;
 - f. In its capacity as Claims and Noticing Agent in the Chapter 11 Cases, Epiq will not intentionally misrepresent any fact to any person;
 - g. Epiq shall be under the supervision and control of the Clerk's office with respect to the receipt and recordation of claims and claim transfers;
 - h. Epiq will comply with all requests of the Clerk's office and the guidelines promulgated by the Judicial Conference of the United States for the implementation of 28 U.S.C. § 156(c); and
 - i. None of the services provided by Epiq as Claims and Noticing Agent in the Chapter 11 Cases shall be at the expense of the Clerk's office.

6. Although the Debtors do not propose to retain Epiq under section 327 of the Bankruptcy Code pursuant to the Application (such retention may be sought by separate application), I caused to be submitted for review by our conflicts system the names of identified

potential parties in interest (the “Potential Parties in Interest”) in the Chapter 11 Cases. The list of Potential Parties in Interest was provided by the Debtors and is attached hereto as **Schedule 1**. Epiq is not aware of any relationship that would present a disqualifying conflict of interest. To the extent that Epiq’s conflicts check has revealed that certain Potential Parties in Interest were current or former clients of Epiq within the past three years, these parties have been identified on a list annexed hereto as **Schedule 2** (the “Client Match List”). However, given Epiq’s neutral position as claims and noticing agent or administrative advisor for any parties listed on the Client Match List, Epiq does not view such relationships as real or potential conflicts. Further, to the best of my knowledge, any such relationship between Epiq and any parties on the Client Match List is completely unrelated to the Chapter 11 Cases.

7. In addition, to the best of my knowledge, none of Epiq’s employees are related to bankruptcy judges in the District of Delaware, the United States Trustee for Region 3, any attorney known by Epiq to be employed in the Office of the United States Trustee serving the District of Delaware, or are equity security holders of the Debtors.

8. To the best of my knowledge, and based solely upon information provided to me by the Debtors, and except as provided herein, neither Epiq, nor any of its professionals, has any adverse connection to the Debtors, their creditors, or other relevant parties. Epiq may have relationships with certain of the Debtors’ creditors as vendors or in connection with cases in which Epiq serves or has served in a neutral capacity as claims and noticing agent or administrative advisor for other chapter 11 debtors.

9. Epiq is a wholly owned subsidiary of Epiq Systems, Inc., which is corporate parent to certain companies that provide integrated technology products and services to the legal profession for electronic discovery, class action settlements, financial transactions, chapter 7 and

13 bankruptcy, litigation, and regulatory compliance. Given the legal and operational separateness of Epiq from its affiliates and the administrative nature of the services performed by such companies, Epiq does not believe that a conflict would arise solely from any relationship or claim of an Epiq affiliate or its corporate parent.

10. Epiq Systems, Inc., is a wholly owned subsidiary of Document Technologies, LLC (“DTI”), a global legal process outsourcing company, which is an ultimate wholly owned subsidiary of DTI Topco, Inc. (“DTI Topco”). DTI Topco is a privately-held entity with majority ownership held by OMERS Administration Corporation (“OAC”), the administrator of the OMERS pension funds, and managed by OMERS Private Equity Inc. (“OPE,” which together with OAC are referred to as “OMERS”), and funds managed by Harvest Partners, LP, (“Harvest”), a leading private equity investment firm.

11. Neither DTI, DTI Topco, OMERS, nor Harvest are currently identified on the Potential Parties in Interest list. However, the following disclosure is made out of an abundance of caution and in an effort to comply with the Bankruptcy Code and Bankruptcy Rules.

12. Designees of OMERS and Harvest are members of the Board of Directors of DTI Topco (the “Parent Board Designees”). No designees of OMERS or Harvest are members of the Board of Directors of DTI or Epiq, or any other subsidiaries of DTI. Further, Epiq has the following restrictions in place: (i) prior to the Debtors commencing the Chapter 11 Cases, Epiq did not share the names or any other information identifying the Debtors with DTI, DTI Topco, OMERS, Harvest, or the Parent Board Designees; (ii) Epiq has not and will not furnish any material nonpublic information about the Debtors to DTI, DTI Topco, OMERS, Harvest, or the Parent Board Designees; (iii) no DTI, DTI Topco, OMERS, or Harvest personnel, including the Parent Board Designees, work on Epiq client matters or have access to Epiq client information,

client files, or client personnel; (iv) no DTI, DTI Topco, OMERS, or Harvest personnel, including the Parent Board Designees, work in Epiq's offices; (v) other than the Parent Board Designees, Epiq operates independently from DTI, DTI Topco, OMERS, and Harvest, including that it does not share any employees, officers, or other management with OMERS or Harvest, has separate offices in separate buildings, and has separate IT systems; and (vi) no Epiq executive or employee is a director, officer, or employee of OMERS or Harvest (or vice versa, other than the Parent Board Designees).

13. Epiq has searched the names of DTI, DTI Topco, OMERS, and Harvest against the Debtors and the Potential Parties in Interest list provided by the Debtors. Based solely on the foregoing search, Epiq has determined, to the best of its knowledge, that there are no connections. Because of any applicable securities laws and the fact that Epiq operates independently from DTI, DTI Topco, OMERS, and Harvest, prior to the Petition Date, Epiq was unable to investigate further with either OMERS or Harvest, to the extent necessary, any potential or actual connection between either OMERS or Harvest and the Debtors and the Potential Parties in Interest.

14. Epiq has working relationships with certain of the professionals retained by the Debtors and other parties herein, but such relationships are completely unrelated to the Chapter 11 Cases. Epiq has represented, and will continue to represent, clients in matters unrelated to the Chapter 11 Cases, and has had, and will continue to have, relationships in the ordinary course of its business with certain professionals in connection with matters unrelated to the Chapter 11 Cases.

15. Epiq has not been retained to assist any entity or person other than the Debtors on matters relating to, or in connection with, the Chapter 11 Cases. If Epiq's proposed retention is

approved by the Court, Epiq will not accept any engagement or perform any service for any entity or person other than the Debtors in the Chapter 11 Cases.

16. Based on the foregoing, I believe that Epiq is a “disinterested person” as that term is referenced in section 327(a) of the Bankruptcy Code and as defined in section 101(14) of the Bankruptcy Code. Moreover, to the best of my knowledge, neither Epiq nor any of its partners or employees hold or represent any interest adverse to the Debtors’ estates with respect to any matter upon which Epiq is to be engaged.

17. Neither Epiq nor its affiliates are party to any agreements where it/they receive(s) consideration in exchange for transferring information derived from its role as a claims agent under 28 U.S.C. § 156(c) to non-client third parties.

18. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules, and Epiq will comply with them, subject to the Orders of this Court.

In accordance with 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
